

# SEVEN HUNDRED NOW EMPLOYED AT WATSON ISLAND

## Service Vote Goes Strong For Applewhaite, Liberal

### Majority Increased As Result

The federal election service vote, returns for which were received today from the chief electoral officer at Ottawa by Rod MacLeod, returning officer for Skeena, went overwhelmingly for E. T. Applewhaite, the Liberal candidate, and boosted his majority over H. G. Archibald, C.C.F., to 1723.

The service vote was 25 for Applewhaite and two for Archibald.

The following outstanding polls reported over the weekend:

Applewhaite	Archibald
Osland	7
Kwintisa	7
Oona River	7
Squadaree	5

Only two small polls now remain to be heard from—Pendleton Bay, on Babine Lake, and Larsen's Harbor, a fish camp.

### MUNICIPALITY UNION PASSES RESOLUTIONS

Seven resolutions—five of them from Prince Rupert—will be submitted for endorsement to the annual meeting of the Union of B. C. Municipalities next September by communities in central British Columbia.

The resolutions were given initial endorsement by the Union of Central B. C. Municipalities at its semi-annual meeting at Burns Lake on June 29. The meeting was attended by delegates from five of the six member municipalities.

Delegates from Prince Rupert were Alderman T. B. Black, Alderman W. F. Stone and Alderman George Rudderham, City Clerk H. D. Thain, who is secretary of the Union, accompanied the group which motored to the interior town.

Prince Rupert's five resolutions, which were approved by city council and published in the Daily News after the June 13 council meeting, were endorsed by the meeting, as was one from Terrace and one from Smithers. The Terrace resolution asked that the provincial government "assume a proportion of costs of snow removal and similar services rendered to village municipalities by the provincial government, proportions of such aid to be determined by the number of property lots owned by the government and so served."

The Smithers resolution urged that "where any local improvements are instituted to serve privately owned properties, the provincial government be asked to assume its pro-rata proportion of costs for improvements which front on provincially-owned properties."

Delegate from Terrace was Dudley Little, chairman of the Board of Village Commissioners. Smithers was represented by Stanley Gould, village commissioner and president of the U.C.B.C.M.

Burns Lake was represented by Vern Taylor, chairman of the Board of Village Commissioners and A. Osteberg, village clerk. R. C. Steele, chairman of the Vancouver Board of Village Commissioners and member-elect for the provincial legislature, represented Vanderhoof.

The meeting was held in the newly-built Tweedsmuir Hotel in Burns Lake which is rapidly nearing completion. Annual meeting of the Union, at which new officers will be elected, will be held at Terrace on September 1.

AUXILIARY TANKS EXTEND VAMPIRE FIGHTING RANGE—Seven-league boots in the form of long-range fuel tanks are being provided for R.C.A.F. DeHavilland Vampire jet fighters. Known as drop tanks, the containers extend the normal range of the speedy interceptors, and during wartime can be dropped by the pilot when engaging in combat, to allow full aerobatic performance. Shown above is one of the first R.C.A.F. Vampires to be fitted with the long-range tanks, which look disturbingly like bombs at first glance. The tanks are not actually dropped except under operational conditions.

### Seineboats Staying In

Fishermen Insist on Selling to Highest Bidders From Company Boats

VANCOUVER (P)—British Columbia salmon fishermen are still in port today and fishing companies are still insisting that they will not sanction boats they own or charter to sell to "pirate buyers."

Fishermen, who normally head north the first week in July, seek permission to sell their catches to the highest bidder.

Rates of minimum prices for fish already have been settled but the United Fishermen's and Allied Workers' Union seeks an arrangement, where even though working on company-owned or chartered boat, fishermen may sell to the highest bidder, even if the firm for which they work offers a lower price.

The operators contend that, under existing regulations, they would pay a higher than minimum price if the market shifted upwards.

The tie-up affects seiners but not gillnetters. Seiners operating in the Butedale area on the north coast were reported to have been called back into Namu.

### THE WEATHER

Synopsis  
Only the northern coastal areas of the province are cloudy this morning and little change is expected in the weather in this region during the next two days. Fine warm weather is expected to continue today and Tuesday elsewhere in the province.

Forecast  
North Coast Region—Cloudy today and Thursday. Occasional light rain overnight. Winds light, westerly. Continuing cool. Lows tonight and highs Tuesday—at Port Hardy, 45 and 62; Massett, 45 and 62; Prince Rupert, 45 and 60.

### INDIGNANT CITY ENGINEER QUIT'S

PENTICTON—Charging the mayor and members of the city council with constant interference with his departmental duties, W. E. Warburton has resigned as city engineer. Predecessors had suffered similarly, said Warburton. The city fathers, he said, discussed public works and made criticisms on the street corners but did not take up matters with him, Warburton asserted.

### PRINCE RUPERT LEADING TODAY

Prince Rupert was leading by a score of 2 to 0 at the end of the third inning in today's baseball game at Ketchikan.

YOUNGEST IN HOUSE—When the new parliament convenes, probably this fall, the honor of being the youngest member will go to Paul Theodore Hellyer, 25, shown here with his attractive wife, Hellyer, who was graduated this year from University of Toronto in arts, defeated the veteran parliamentarian John R. MacNicol, who has held the Toronto riding of Davenport for 19 years as representative of the Progressive Conservative party. Hellyer, a Liberal, is an air force and army veteran. (C.P. Photo)

### Holiday Toll Is 82 Dead

Six Dead In British Columbia Traffic During Week-end

OTTAWA (P)—Violent deaths befel eighty-two Canadians during the long Dominion Day holiday week-end. A Canadian Press compilation of fatalities reported between midnight Thursday and early today showed 46 drownings, 21 deaths in highway crashes, two in plane crashes, thirteen from a variety of causes.

British Columbia's holiday traffic toll was six with a seventh victim in critical condition in hospital.

The dead are: John Kulunycz, 55, Vancouver. Frank W. Barnes, 25, Chilliwack.

Evan Parry, 82, Vancouver. Leonard Walmsley, 42, Vancouver.

Harold Wood, 22, Aldergrove. Kenneth Biollo, 3, Kamloops. In poor condition in Chilliwack Hospital is Patrick Heaton, 26, Vancouver.

### Stevedores Are Blamed

Cannot Escape Responsibility For Shipping Tie-Up, Says Labor Minister

LONDON (P)—Labor Minister George Isaacs said today that ships held up by the strike of more than 8,000 London dock workers include thirty vital food cargoes and warned that the strike is hurting the country.

"The strike is hurting the country and the men cannot escape the responsibility for causing this hurt by saying there is a lock-out," Isaacs said in the House of Commons.

Isaacs added that the men were acting in breach of their agreements and it was "nothing but a communist manoeuvre" to pretend there was any other explanation.

Helen II, 32,000, Co-op.  
(Cod)  
P. Dorreen, 6,000, Co-op, black cod.

### TWO FIRES ON SUNDAY

Two minor fires brought out the city Fire Department on Sunday. Both were put out before damage was done. At 9:40 a.m. an overheated stove was responsible for a call from the apartment of W. A. McBroom, Louise Apartments. At 6:25 p.m. a roast in the oven at the home of N. G. Taylor caught fire, causing a good deal of smoke.

### Pulp Plant Foundations Are Poured

Water Line Under Way—Lime Quarry Leased—Building Logging Camp

Approximately 600 workers are at present engaged in the construction of the Columbia Cellulose Company Ltd. dissolving pulp plant on Watson Island and all activities are proceeding satisfactorily, according to an official statement.

Footings and foundation walls have been poured for the office, pulp storage, machine shop and pulp finishing buildings and the street for the pulp storage building is now being erected. During construction the latter building will be used to fabricate the pre-cast concrete roof and siding panels for the main mill buildings.

Steel erection on the storage building is proceeding. Many of the auxiliary facilities required to speed construction are now in operation. In order to produce the large quantity of concrete required to build the mill, an aggregate and concrete mixing plant with a capacity of 35 cubic yards per hour has been constructed and is now being utilized. Meanwhile, the planing mill and carpenter shop are turning out pre-fabricated forms for concrete pouring on a production line basis.

A large part of the route of the water line from Prudhomme Lake to Watson Island has been cleared since early spring and grading is going forward. Two of the tunnels have been started and over 1,500 feet of tunnel has been drilled.

A transit shed has been erected for the storage of incoming materials and equipment, and local mill officials believe that the construction schedule will not be delayed.

Columbia Cellulose Company Ltd. has leased a limerock quarry on nearby Smith Island to provide limerock for the operation of the mill. Several of the booming ground leases have been issued and the remaining ones will be concluded shortly.

Construction of the first logging camp is well advanced and will be ready for operation next year. Arrangements for logging are well advanced, but only a small quantity will be cut this year. A heavier cut is planned for 1950 to provide an inventory for the start of mill operations. Full log production is scheduled for 1951.

### Living Index Zooms Again

OTTAWA (CP)—Canada's cost of living zoomed to an all-time record during the month of May, jumping almost a whole point to 160.5.

The Bureau of Statistics reported today that between May 2 and June 1 the cost of living index eclipsed the previous peak by nine-tenths of a point.

The previous high was 159.6, established last October and equalled in November, 1948, and January of this year.

### Flash

ONLY SYMPATHY  
LONDON—Britain's Empire and Commonwealth can give little other than sympathy in the battle to earn dollars and save the pound. An Associated Press survey showed today that Commonwealth countries would like to help Britain solve her dollar woes but most of them have dollar troubles of their own. Support appears general against the cheapening of the pound from its present price of \$4.04.

### CHANGING TACTICS

PRAGUE—Violent defiance from devout Roman Catholic Slovaks has, apparently, forced Czechoslovakia's Communist government to change its tactics in the church-state war. While Premier Antonin Zapotocky urges citizens to maintain "peace and calm," Education Minister Zdenek Nejedly told listeners in a radio speech yesterday that the government is ready to "make concessions."

### RECORD TRAFFIC

NEW WESTMINSTER—Patullo Bridge had a new record for traffic on Friday, Saturday and Sunday over the Dominion Day holiday, 68,000 cars crossing. Some Americans returned home, rather than wait two or three hours to be cleared by customs.

### GOVERNOR GOES NORTH

WINNIPEG—Travelling in a North Star plane, the Governor-General left today for Churchill and will also visit Yellowknife, Whitehorse and Dawson. Accompanying the Governor-General are Lord Allenbrooke, former British chief of staff, and Brigadier Jeffrey Walsh.

### SEARCH GIVEN UP

MISSION—Search for Ivar Johnson, 70-year-old recluse, charged with the murder of two elderly farm wives, ended last week with the withdrawal by provincial police of active posse men from the bushlands. The police believe that Johnson is either dead in the bush or has given them the slip.

### HOTEL FIRE KILLS SEVEN

Tragic Conflagration In Aberdeen, Washington

ABERDEEN, Wash.—Seven are known dead following an early morning fire which destroyed the Lafayette Hotel here. It was a residential establishment with many elderly guests. Many were trapped in the brick and wood structure. Fifty were rescued.

### NO CHANGE BY SOLDIER VOTE

OTTAWA—The soldiers' vote made no change in the standing of the parties following last week's federal election. Sixty percent of the vote was Liberal. The 22,000 soldier votes were divided as follows:  
Liberals, 13,800.  
Progressive Conservative, 5,300.  
C.C.F., 2,300.  
Social Credit, 370.

Mr. and Mrs. B. R. Dodds of Terrace are paying a brief business visit to the city, having arrived from the interior by car yesterday.

## Changing Picture

PRINCE RUPERT and central and northern British Columbia, on the eve of an undoubted era of unprecedented development, may be spared any depressive impact of a readjustment in the general economic position which is being felt in some parts of the country and particularly in the United States where there are reported to be four million unemployed today, the largest number in years.

The atmosphere of this year, and particularly this summer, on this continent, not so markedly in Canada owing to the wise economic controls of government, but certainly in the United States and around the world, is one of uncertainty. The customer, until not so long ago the despised and almost ignored factor in the national economy, has become price-conscious and is demanding better buys for his money. The result is a decline in business which, thus far, is not too alarming and, of course, might have been anticipated. As prices go down, wages may have to follow and the problem will be to keep them in balance so that economic stability and industrial peace may be maintained.

Possibly, Canada may not have too much to worry about since she has at least a sound government, firmly entrenched and with the ability and power to meet such situations as may arise due to causes more from without than within the nation's own boundaries.

## THE 'GIMME' AGE

IT IS INDEED a fact that many a true word is spoken in jest. For example, a little yarn is going the rounds about an Ontario business man who had become accustomed to giving a man less fortunate than himself a dime a day although he was not under the slightest obligation to do so. Out of town for a month, he resumed the practice on his return and the first thing the other fellow said was to remind him he owed \$3 when he did not actually owe a cent.

Who, today, can deny that there is such a thing as mass psychology which is reflected in the growing belief that the government, or employers, or the general public, or one thing or another owe others a living?

Nor can it be successfully contradicted that this impression has been discouraged. More than one government has fostered the notion. Many an act of real benevolence—call it charity if you wish—is taken for granted. It is regarded as a right, as something that should come anyway, and resentment is expressed the moment it stops. The trend of the times is "give" and more leisure without having really earned either.

## FAIR WEATHER SALESMEN

WHAT GOES for Vanderhoof goes for all other communities including Prince Rupert, so we reprint an editorial which appeared a few days ago in the Nechako Chronicle.

Within the past few weeks several transient salesmen and solicitors have put in their annual appearance in the district. To date, this year, only two salesmen have called at the office of the Secretary of the Village Commissioners, to pay the special license fee that is applicable to all transient salesmen selling direct to consumers.

Throughout the summer months we can expect many more of these fair weather salesmen in the district. It is for this reason we again remind residents, in fairness to local merchants, that these transient salesmen contribute little or nothing to the upbuilding of our community. Our local merchants pay license fees, municipal taxes, give employment to residents who in turn patronize local stores, support local enterprises and pay taxes in our town.

We should at least make certain every salesman is licensed before any business is transacted but it is more to our advantage to do business only with local merchants—it is they who are sincerely interested in making this a bigger and better place in which to live and work and in making our town attractive.

## Ray Reflects . . .

. . . and Reminisces

Confederation did not come without hard work, strong persuasion, compromise, years of effort and negotiation and a pledge given the Pacific coast. Across the U.S. border lived a great army of veterans and there was the well known fact that Britain had been friendly to the South. A group of mischief makers called the Fenians looked northward. The times were not without risks and dangers.

With the possible exception of benches at the totem pole park look-out, there are few resting places in this city where anyone wishing to sit down for a few minutes, may do so. There is almost complete absence of an accommodation that often can be made use of with a feeling of thankfulness and that goes for anyone, as well as the aged.

For the first time, it appears, a Canadian flag has been displayed in a British Columbia court room while the court was formally in session. Previously, it wasn't done. Thus, farewell to another tradition Mr. Justice A. M. Manson, formerly of Prince Rupert, not only permitted but ordered the colors brought in. And why not?

Now and then through the Federal election there were references to the "safe" or "nice" people. There is something about the expression that arouses curiosity and, perhaps, a mild wonder. Just what is meant by making it clear that in a poll it is desirable to have no lack of "safe" or "nice" people? It certainly suggests that they are easily handled. When reforms are to be achieved, when abuses are to be corrected, when wrongs are to be righted, how many people are

Mr. and Mrs. R. C. Edwards arrived in the city on the Camosun yesterday afternoon from Bella Bella where Mr. Edwards has been stationed as inspector of fisheries.

Rev. Fred Antrobus, pastor of First Baptist Church, returned to the city last week after spending a month at Coleman, Alberta, where his mother recently passed away. He was accompanied home by his son, John, who has been attending school at Coleman for the past two years.

Mr. and Mrs. William Geddes left on Friday night's train for Vancouver on a holiday trip which will take them to Penticton, Calgary and Edmonton. They plan to be away for the next month.

### DANCE RECITAL IS HIGHLY PLEASING

A literally dazzling display of rich costumery, backed up by competent and original dancing, was the reward for an audience of almost 300 which Wednesday night attended the annual dance recital of Mrs. Mavis Colclough's dancing class in St. Andrew's Cathedral Hall.

Although small in number—the class numbered only 17—the group went through a program consisting of more than 40 numbers in a period of two hours and at all times met with a warm response.

Bright atmosphere was set by the costumes of the young dance students, all of whom were dressed in colorful cloths fabricated into dresses by family craftsmanship. Each of the girls had at least three costumes suitable to the changes of the dance throughout the program.

For the tap dance numbers, the students wore short dresses of glittering jewel cloth in silver, red and gold, while for the tangoes and waltzes, these were exchanged for gowns of equally reflected brilliance.

Full effect of the costumes was brought out by the cleverly arranged lighting effects provided by Allan Colclough.

The program opened when Canon Basil S. Prockter introduced Mrs. Colclough, who, in a friendly, informal manner, acted as mistress of ceremonies. She wore a gown with gold lance bodice with a voluminous skirt of black net trimmed with large gold sequins.

Mrs. Colclough contributed to the program itself with a top-hat-and-cane routine in which her evening gown was exchanged for an abbreviated costume of similar colors.

Precision and talent of the 17 young dancers never failed to please the audience. Although the discipline of training was clearly evident, each of the

students contributed a feeling of individuality to her performance that kept any part of the program from lagging.

The program came to a lovely conclusion with a grand finale in which all the girls, gowned in dresses of pastel shades, joined in a waltz "Beautiful Lady" which terminated in a storm of applause.

Only deviation from the dance forms in which the children were trained was a ballet skit featuring Wilf Taylor and Andy Wyatt in which the ballet form of dance was cleverly lampooned.

A group number featuring Sonja Berg, Elsa Insulander, Janice Taylor, Sylvia Cherry, Anna Colussi and Caroline Newton in a tap routine to the tune of "Smal Fry" was effectively done. With the exception of the grand finale, it was the only presentation involving more than one student at a time.

Music for the program was provided by Anny McNaughton at the piano.

At the conclusion of the program, Mrs. Colclough presented the mothers of each of the students with a small corsage. She, in turn, was presented with a lovely mixed bouquet from the pupils and their mothers.

**PRINCE RUPERT DROPS OPENER IN KETCHIKAN BASEBALL SERIES**

**Ketchikan 4, Prince Rupert 1**

A double play by each team in the first inning and a home run by a Ketchikan batter in the third provided the thrills in the opening game of the Ketchikan-Prince Rupert annual baseball series at city ball park in Ketchikan Sunday afternoon. Prince Rupert went down by a score of 4 to 1.

The seven-inning international fixture was the preamble to a climatic Independence Day game scheduled for this afternoon in the Alaskan city. First half of the series, which was to have been played here on Dominion Day, did not materialize because of the failure of the Ketchikan team to arrive.

Prince Rupert's failure to stand up against the Alaskans may have been attributed to the 100-mile boat trip which preceded the game or to the strangeness of the field but, nevertheless, it was not until the fourth inning that they began to get near Ketchikan pitcher Harry Ludwigen's style.

There was an old familiarity about the pitching set-up—a duel between two foxy moundsmen who have clashed innumerable times in past years both at Ketchikan and Prince Rupert. Prince Rupert team manager Alex Bill started Jack Lindsay who has pitched—and argued—against Ludwigen many times before.

This time, it was Ludwigen's round although Lindsay did not fare too badly by comparison. In seven innings, Lindsay struck out five batters, allowed eight hits and one base on balls while Ludwigen struck out three, granted four hits and walked two.

The first inning started in a way that indicated a lively game but the pace did not hold up. Bruce Simundson, local shortstop, got on base on an error by Bud Taylor, Ketchikan shortstop. His run was cut off, however, when he was forced at second by a grounder by his brother, Minor, Dick Johnson, Ketchikan second baseman, hurled to first and Minor was tagged in the first double play of the game.

The same situation was reversed when Ketchikan came to bat. Taylor, Ketchikan lead-off man, got on base on balls. Carol Bass, Ketchikan third baseman, grounded to Bruce Simundson at shortstop. Bruce threw to second, tagging Taylor and second baseman Dave Scherk hurried to first where Cliff Dahl put out Bass.

Ketchikan, however, proceeded to get two men on base in the latter part of the first. Gail Jones, right fielder, singled and Dick Johnson, second baseman, tripled, bringing in Jones. Shorty Contreras, first baseman, singled, bringing in Johnson. Tomlinson struck out, retiring the side.

Neither team scored in the second, but in the third, Carol Bass hit the first home-run seen on the Ketchikan field this season, a drive to right field which went out of the park.

Dick Johnson singled and was brought in by a double by Contreras, completing Ketchikan's total of four runs. Contreras was left on base.

Prince Rupert marked up their first hit of the game in the fourth when Stan Cornwell, right fielder, singled. He was advanced to third by a single by catcher Dave Abel. Nick Pavlikis got on base on an error by Dick Johnson.

**Sport Shots**

Some champions won't admit it, and some will. But to become a champion in any sport you've got to be good—and lucky. Ted Williams of the Boston Red Sox in the American League is probably the best hitter in baseball today. He is the only hitter with a batting average of over .400 (.406 in 1941) to enter the company of over 400 hitters since Detroit's Harry Heilmann did it in 1923 with an average of .403. In a recent interview, Williams admitted that, to hit over .400 in a season, you've got to be lucky.

As an example he cites his own case. In 1940 he hit .340 and the next year bagged his .406. Yet, he claims that he hit the ball just as well the first year as he did the second.

How come? Well, batters have been known to hit the ball solidly every time up one day and not get a hit and the very next day belt the apple nearly so solidly and wind up with two for three or three for four. It stands to reason that a basically sound hitter is going to get his share of base knocks. But there also can be denying, as Williams points out, that luck can make a mighty big difference in the average.

## SHIPS and WATERFRONT

**Second Truck Shipment to Alaska—Sandspit Wharf Tenders**  
Scores of men were at work at the ocean dock Sunday, handling another large consignment of produce from the United States for the barge service from here to Haines cutoff in Alaska and from there to Fairbanks by truck. Having delivered the first lot last week by the Alaska Freight Lines, the barge returned from the north at the week end. It is on an approximately weekly service and takes care of about two hundred tons per trip. The last consignment consisted of nine cars.

**FARM WEAPONS PUNY IN FIGHT AGAINST DROUGHT**—“Like putting baby to bed for the night,” say these two farmers of Holland Marsh, Ont., affected by combined drought-frost problem. They put cheesecloth covers over the garden as protection against the weather. Ontario farmers have nearly given up hope of even a poor crop as clear skies and sunshine have seared grass and produce.

The Matter of the Estate of Joe Smith, Deceased, Intestate  
TAKE NOTICE that by Order of Honour Judge W. O. Fulton, of the Supreme Court of British Columbia, I was on the 24th day of June, A.D. 1949, appointed administrator of the Estate of Joe Smith, Deceased, late of Tulsequah, British Columbia, who died on the 24th day of September, 1948, at Tulsequah, British Columbia. All persons indebted to the said estate are required to pay the amount of their indebtedness to me forthwith, and all persons having claims against the estate are required to file them with me properly verified, on or before the 1st day of August, 1949, after which distribution will be made having regard only to such claims of which I shall have been notified.  
DATED at Atlin, British Columbia, the 25th day of June, 1949.  
ALBERT EDWARD RODDIS  
Administrator  
Atlin, B. C.

**Locals**  
Miss Helen Zacharias of Prince George sailed on the Catala Saturday for Vancouver.  
J. S. Wilson sailed Saturday on the Catala for a trip to Vancouver and Victoria.  
Fred Belanger is leaving on this evening's train for a two weeks' stay at Stuart Lake.  
Douglas Frizzell is leaving tomorrow on a business trip to Vancouver.  
W. D. Vance is sailing tomorrow afternoon on the Camosun for a trip to Vancouver.  
H. Evans, teacher of the native school at Kispiox, and Mrs. Evans sailed Saturday on the Catala for Vancouver.  
Mr. and Mrs. D. Blackstone sailed Saturday on the Catala for Klemtu where Mr. Blackstone will take up employment in the cannery.  
Mrs. William Finlayson and two children, Mary and John, sailed Saturday on the Catala for Vancouver where they will take up future residence.  
Miss Marion J. Roy, who has been engaged as social worker at the Winch Memorial Hospital at Hazelton, sailed on the Catala Saturday for Vancouver.  
Miss Mary Leavitt sailed Saturday on the Catala for Victoria where she will spend a month visiting with Mr. and Mrs. W. J. Pfeffer, formerly of this city.  
Masset passengers were so numerous on Dominion Day that Queen Charlotte Airlines found it necessary to make three trips to accommodate them all.

**MASSET BRIDE-ELECT HONORED**  
MASSET—On Thursday evening the ladies of the sewing club honored Miss Mary Dazell, a bride of August, at a miscellaneous shower at the home of Mrs. T. A. Findlay.  
Hostesses were Mrs. Findlay and Mrs. A. Anderson. Those present included Mrs. M. Mercer, Mrs. W. McDowell, Mrs. Ed Constantineau, Mrs. Terry Butler, Mrs. A. Crist, Mrs. Ray Bentsen, Mrs. C. Minaker and Mrs. N. Green.  
Many lovely gifts were presented to the bride-to-be in an open umbrella and a decorated box. Delightful refreshments were enjoyed by all at the close of the evening.  
Miss Dazell has for years been bookkeeper at Masset Cannery.  
Passengers arriving in the city this morning on the Princess Louise from Vancouver included Miss S. Latham, N. B. Burkhardt, Mr. and Mrs. V. C. Watts and W. H. Beaton. The Princess Louise carried 215 passengers for the north.

**RAINBOW DAY AT JASPER PARK**  
Jasperites Were at Streams Early On Dominion Day  
JASPER PARK—Canadian school children may be taught that Dominion Day is observed to mark Confederation but here in Jasper National Park Dominion Day has only one significance—it is the day rainbow trout season opens.  
Hundreds of Jasperites, together with many ardent fishermen guests of Jasper Park Lodge, were up and out bright and early Friday morning, casting their favorite lures to the now splendid rainbow.  
All the well known rainbow lakes—Celestine, Patricia, Edith, Geraldine, Caledonia, Hibernia, Marjorie, and others—together with the waters of the Maligne River system were dotted with Walton's disciples from before six o'clock. They were out to catch the big fellows, ranging up to five pounds in weight, which have been observed earlier this year.  
A month ago, William Cable, superintendent of the Fish Hatcheries, forecast an excellent rainbow season this year, based upon a very fine fish population seen earlier.  
Mr. and Mrs. W. C. Little of Woodcock were visitors in the city today, having motored here at the week-end. They left this afternoon to return home.

**GRADUATION AT TERRACE**  
Seven Students Complete Senior High School With Banquet  
TERRACE—Graduation exercises for seven Terrace Senior High School graduates were held on Wednesday evening last in the flower-bedecked dining room of the Silver Tip Cafe. The graduation address was given by the Rev. P. H. Mallett who explained the meaning of the ceremony which he described as a door opening into the future with hope and confidence.  
Included in the ceremony was the presenting of proficiency cups to the best all round scholar and sportsman among the girls and boys. For the second year, David Gillanders received the trophy and Valerie Craig was also presented with a cup by C. W. Michiel, school board chairman.  
Expressing the thanks and appreciation of a grateful class to a well-liked teacher, Ronnie Paulsen presented E. S. Laird with an engraved cigarette case and lighter.  
Following the banquet the toast to the King was proposed by Ronnie Paulson. Valerie Craig proposed a toast to the High School, responded to by Miss Noel. The toast to the graduates was given by David Gillanders and responded to by Pat Tumilson. Leonard Bissonette's valedictory address was a masterpiece of warm friendly thoughts which left a kindly feeling with all present.  
Closing with “God Save the King,” the graduates and Grade 11 students adjourned to the home of Mr. and Mrs. Melvin where they were entertained by Flora Melvin.  
Mrs. C. C. King and Mrs. J. Loon supplied the pansies and peonies for the banquet room and tables, the arrangements for which were in the hands of Mrs. D. Tumilson. The P.T.A. contributed financially and also contributed corsages and bouquets for presentation to the graduates as well as to Miss Noel and Mrs. E. S. Laird.  
Those present at the banquet included E. S. Laird, High School principal, Miss Noel, high school teacher, Miss Lips, elementary school principal, Rev. and Mrs. P. Mallett, Mrs. P. van Stolk, President P.T.A., members of the school board, grade 11 students, the graduates and their parents. Graduating were Leonard Bissonette, Lynn Tetreault, Lawrence Kirkaigy, Stewart Craig, Ronnie Paulson, Pat Tumilson and Jim Glen.

**PRESENTATION BY CATHOLIC WOMEN**  
SMITHERS—Mrs. John Schiebli and Miss Norma Gemmill were honored with a gift from the Catholic Women's League at a reception held in the home of Mrs. W. Duff, Tuesday evening. Mr. and Mrs. John Schiebli left for the south last week. Miss Gemmill, who has been teaching in the Elementary School, left for her home in Vancouver on Thursday.  
Twenty ladies of the C.W.L. attended the shower.

**WEDS COMMONER, FORFEITS THRONE**—Prince Fleming of Denmark, is shown with his commoner bride, the former Ruth Nielse, following their marriage in Copenhagen. The youngest son of Prince Axel and Princess Margareta, the Prince automatically forfeits his rights of succession to the crown by his marriage to one not of royal blood.

**There's Rich Reward in Better Breakfasts**  
To wives and mothers — wherever you are — a plain message. Simple truths supported by straight facts. Read here how to benefit your family and yourself too.  
You Lose — If You Skimp Breakfast. Nutritionists have proved that skimmed breakfasts can cause faulty nourishment. Do your children take the right variety of food at breakfast to nourish them properly through the morning? Junior may doze at school. Result: a low standing. Jane, maybe is tired and irritable.  
You Gain — With Grape-Nuts — Special Breakfast Cereal. Start your family on the way to feeling better and acting better all day. Include delicious Grape-Nuts for better nourishment, more vitality, greater energy. In only two tablespoons of this highly concentrated cereal there are fine food values — useful amounts of carbohydrates, minerals and proteins. Appetizing with milk or cream. Recipes for different uses are also on the package. Healthful — economical — order Grape-Nuts from your grocer.

**Celebration Was Success**

**Terrace Civic Centre Benefitted—Many Prince Rupert Visitors**

TERRACE—After two days of rain, wind and chilly weather, Friday, Dominion Day, dawned fine in Terrace with the sun breaking through by mid-morning and lasting all day. Crowds thronged the Civic Centre where there were sports, games and refreshment booths going all day and evening. The Civic Centre's first annual Dominion Day celebration was successful beyond all expectations.

The arrival of the excursion train from Prince Rupert marked the beginning of the day's events with the starting of the parade which was lined up at the station. Leading the parade was the local fire engine followed by the young drum major, Marilyn de Kergommeaux, in white and red sash and the Terrace orchestra. The floats were followed by the cubs with their leader, John Haaland, and the children with their decorated bicycles, tricycles and pets. The parade route went north from the station to Greig Avenue, west to Kalum Street, north to Lakelse Avenue and as far as the Johnstone residence whence it returned by way of Lazelle Avenue and down to Lakelse where it continued to the Civic Centre to be dispersed. It was a good parade though not as large as had been expected.

Two passengers from the train were asked to judge the entries and prizes were awarded as follows: First, J. H. Smith store, second, Empire Meat Market. Decorated bicycles and tricycles—first, Agnes Normand, second, Margaret Procter. Pets—first, Ann Tumilson, second, Joan Gavan. Special prizes were awarded to the Terrace cub pack and Marilyn de Kergommeaux.

Following the dispersal of the parade, the children's races were run off on the grounds of the Civic Centre with Harold Whalen and "Curley" Casey in charge.

In the baseball game between Terrace and Prince Rupert the home team was beaten 12-6. In the evening, a crowd of over 300 gathered in the auditorium where gancing to the music of the Terrace Rhythmaires was keenly enjoyed. The drawing for the gate prize took place on the stage and the grand prize of an electric refrigerator was won by Mrs. Sam Kirkaldy. Fred Gibbs won the vacuum cleaner and Mrs. A. Olson the \$15 merchandise certificate.

The net proceeds from the day's proceeds will be used to provide chairs for the auditorium.

Sealed tenders will be received up until noon July 12th, 1949, by the Chief Forester, Victoria, for the construction of an office and stores building at Terrace, B. C. Plans and specifications may be obtained from the Forest Rangers at Terrace and Smithers, the District Forester, Prince Rupert, or the Chief Forester, Victoria, on a deposit of \$5.00, which will be refunded upon return of plans, etc., in good condition within thirty days. The lowest or any tender not necessarily accepted. Tenders must be submitted in an envelope marked "Tender for the Construction of Ranger Station Buildings at Terrace."

**Timely Topics from Terrace**

Mrs. C. R. De Kergommeaux, Terrace Reporter

Mrs. Emil Haugland entertained at her home on Lakelse Avenue on Thursday afternoon, at a delightful birthday party, honoring her mother, Mrs. T. E. Keils of Vanderhoof, who is her house guest until after the Haugland-Miles nuptials on July 6. Invited guests were Mrs. A. Brooks, Mrs. O. T. Sundal, Mrs. McLaren, Mrs. Kirkpatrick, Mrs. A. Kirkaldy, Mrs. F. Baker, Mrs. R. Squires.

David Wilson, aged settler of Shames, was recently brought into hospital here suffering from severe burns on his face and chest sustained when he collapsed over his kitchen stove early in the morning. He was brought by speeder into hospital and is reported to be progressing quite favorably.

A party of U.B.C. students, with George Dargie in charge, has been in the district since May 14 conducting a soil survey and territory reconnaissance of the whole area. An intensive survey of crown and reverted lands in the whole district has been made, also an economic survey on private lands. This comes under the Department of Lands and Forests and, due to prospective industrial development this district has been given priority over others. In the party are David McBride who is with the department as a land use mapping draughtsman, Angus Henley, Cliff Faulkner, B. van Horne, Joseph Deveson, Dave Crossfield, Alan McDonald and Rene Boux. Their headquarters are in the old Rochester home on the Remo Road and they expect to be here until about the middle of this month.

S. R. Yates, Rehabilitation Officer of the D.V.A. was in Terrace at the beginning of the week on one of his periodic surveys.

David Bain, with his wife and children, left on Sunday morning by car for a three weeks' holiday in Victoria. Relieving him in the government liquor store is Irving L. Wiley of the Burns Lake store.

Mrs. J. McArthur will be leaving this week for her home in Prince Rupert after spending the past month as the guest of Mr. and Mrs. A. H. Robert.

Having sold their home to Mr. and Mrs. Alvin Jones, Mr. and Mrs. W. A. Kirkpatrick will be leaving on Tuesday's train for the south to make their home in Langley Prairie. Until recent years Mr. Kirkpatrick conducted an undertaking establishment in conjunction with a carpenter's shop, having lived in the district since 1920.

Mrs. M. Lemon and two children of Prince Rupert arrived this week to spend the summer holidays with their aunt, Mrs. M. Simpson.

Miss M. A. Way of Prince Rupert is a guest at the home of Mr. and Mrs. J. Felber.

Victor Irving arrived home on Thursday from Edmonton where he has been in college. He will spend the vacation here with his parents, Mr. and Mrs. A. H. Irving.

Edward Kenney, son of the Hon. E. T. Kenney, has arrived from Victoria to spend the summer holidays with his sister, Mrs. L. Johnstone at Lakelse Lake.

Mrs. H. Seton and three children left on Saturday to spend the next two months with her mother in Vancouver.

Due to the lateness of the

**BIRTHDAY PARTY FOR MRS. REID**

A delightful birthday surprise tea was held in honor of Mrs. William Reid at the home of her granddaughter, Mrs. E. H. Tycho, Angus Apartments, Wednesday afternoon. Those present to extend best wishes to the honoree were Mesdames G. W. Abbott, H. Breen, J. Clarke, L. George, W. Allaire, W. McLeod, J. S. Irvine, A. McF Smith, J. Frew and E. H. Tycho.

THE VALUE OF A DIAMOND  
Depends more on its perfection and purity than on its size.  
It should be pure and clear like water.  
It should have no flaws or dark spots.  
It should sparkle.  
It should be well cut and symmetrical in shape.  
And of course it should be set in a good looking setting.  
Our diamonds are guaranteed perfect and set in well known makes of settings.  
Our prices are standard and reasonable.

Two new pre-cooked cereals added to Heinz Baby Foods  
by Ruth Parsons  
Heinz new Baby Cereals are pre-cooked to save mother's time. Just add hot milk or formula and stir. Both cereals are smooth in texture, free from lumps, light and fluffy, and are completely and quickly digested. Both contain a liberal supply of vitamins and minerals important to baby's health.  
HEINZ PRE-COOKED CEREAL FOOD—Three choice grains—wheat, corn and oats—blended by an exclusive process. To build strong teeth and straight bones, calcium has been added. For healthy blood, iron has been included, and certain members of the Vitamin B complex.  
HEINZ PRE-COOKED OAT-MEAL MIXTURE—Made from oats, thoroughly cooked and skillfully blended with sugar, vitamins, minerals, proteins and an extra measure of calcium and phosphorus.  
**Heinz Baby Foods** 57
