Harry McLeod's Pictures Kept

Hundreds of interesting photographs dating from the earliest days in this city and district, taken by the late H. F. McLeod, for many years court and land registrar here, have been carefully preserved in albums and have been passing among old friends during recent weeks. It is understood that Mr. McLeod's pictures may be assembled in an historical collection. Possibly, there is no more complete record through the years of interesting scenes and personages.

WEATHER FAIR IN FEBRUARY

Not So Much Sunshine Since Last July

Except for a short lapse into the level of freezing temperatures and a period given over to high winds, the Weatherman dealt rather decently with Prince Rupert during February. There was more sunshine and less rain than for any month since last July.

During the month, there was 86 hours of sunshine, bringing the total so far this year to 111.2 hours as compared with 68 hours for the first two months of 1947. Not since last July have there been so many hours of solar brilliance packed into one month.

In the matter of precipitation, too, the city was well favored, although a good part of it was snow. Actual precipitation was 5.76 inches, which included 11.05 inches of snow. Water content of snow is one-tenth of the snow level, therefore it would amount to 1.1 inches.

Temperatures during the month ranged from a maximum of 44 degrees on February 24 to a minimum of 10 degrees on February 18. Average temperature was 32.7 degrees.

Incidentally, the minimum was the lowest since January, 1947. Barometer readings showed a high of 30.41 inches on February 10 and a low of 28.74 inches on February 14.

Strongest wind during the month was 48 miles an hour on February 23.

Customs Receipts Showing Increase

Customs and excise receipts at the port of Prince Rupert during February totalled \$34,270, a decrease of about \$17,000 under January. Total for the first two months this year is \$85,556. Receipts for the first two months of 1947 were \$52,323.

EXERCISE HAINES—Detachments of soldiers from Western Command's Active Force units have commenced training in the bush country near Whitehorse in the Yukon. This is the second annual winter scheme held in this territory to train the army men in the ways of living and working in the open amid the rigors of winter. The units taking part in this exercise are the famed Princess Patricia's Canadian Light Infantry and the Lord Strathcona Horse along with Engineers from the Royal Canadian School of Military Engineering at Chilliwack. Ex-Mountie and veteran of the north country, Mike Nolan, is shown instructing in handling and working of dogs.

FEBRUARY BUILDING PERMITS HIGH

Two Substantial Structures
Boost Month's Volume

Permits for construction of a \$16,000 apartment house by Harry Nelson on First Avenue and one for \$11,000 for alterations to the former military wing of Prince Rupert General Hospital were the largest of the 21 building permits issued at the City Engineer's office during February.

Value of the permits was \$38,595, a jump of more than \$31,000 above the total for January. During the first two months of 1948, the value of building permits issued has been \$45,620. It was \$16,025 for the same period of 1947.

Repairs to the Variety Store building and Manson's Jewellers on Third Avenue were authorized for Mrs. George Hill to the value of \$3,600. E. Carlson took out a \$2,500 permit for repairs to the Steele Block Third Avenue.

Complete list of building permits issued during February is as follows:

H. Nelson, \$16,000, First Avenue construction.
C. A. Callow, \$100, Overlook Street, addition.
Mrs. H. F. Pullen, \$120, Third Avenue, alterations.
G. R. Eburne, \$1,000, Water St., repairs.
Little's News Stand, \$250, Second Ave., alterations.
Mrs. G. Hill, \$3,600, Third Ave., alterations.
H. Foote, \$25, Borden Street, repairs.

Frank Partridge, \$450, Fifth Avenue East, addition.
Pentecostal Assembly, \$250, Sixth Avenue West, foundation.
R. Sather, \$250, Seventh Ave. East, addition.
Louis Rossi, \$400, Sixth Ave. West, repairs.

J. E. Smith, \$150, Sixth Avenue East, garage.
C. G. Ham, \$150, Second Ave. repairs.
E. Carlson, \$2,500, Steele Block, Third Avenue, repairs.

A. E. Pongracz, \$500, Eight Ave. East, repairs.
P. A. Stewart, \$500, Ninth Ave. West, repairs.
Prince Rupert General Hospital, \$11,000, alterations.

R. G. Van der Sluis, \$200, Third Avenue, repairs.

M. V. Ganton, \$100, Seventh Avenue East, alterations.
E. Cavenale, \$1,000, Seventh Avenue East, repairs.

DROWN IN CANAL

PORT COLBORNE, Ont.—Four persons were drowned and two others are believed drowned as a result of a motor car, in which they were driving from a party, plunging from a dead-end street into the water of Weiland ship canal at Humberstone early Sunday.

NORTH AFRICAN CAMPAIGN

In the North African campaign of the Second World War, British and Empire troops fought in Libya, Ethiopia, Egypt, Eritrea, Somaliland, Greece, Crete, Malta, Iraq, Persia and Syria.

500 GALLONS OF MILK LOST AS TRUCK UPSETS

Almost 500 gallons of milk went pouring into the muskeg on Eleventh Avenue Saturday night when a Valentin Dairy truck driven by Maurice Stokes, slipped from the grade and overturned. A light snowfall had made the street so slippery that the truck skidded at an angle while the driver was climbing the grade near McClymont Park.

Of the 600 gallon cargo, only 160 gallons was saved. The cab of the vehicle was so badly damaged when it overturned that a new one will be required.

The truck was taking a shipment of milk from the train to the dairy shortly before midnight when the mishap occurred.

WOULD HONOR BOARD MEMBERS

Prince Rupert General Hospital board will consider the matter of honoring long service members with some form of recognition, possibly a plaque. The suggestion was made by Frank Dobb and turned over to the board by membership at the annual meeting.

Those present at the meeting were C. G. Ham, D. C. Stevenson, Sydney Elkins, Earl Gordon, Alderman Ralph Morin, Frank Dobb, W. L. Armstrong, Mr. and Mrs. Alex MacKenzie, Ernest Unwin, Alderman T. B. Black, G. P. Tinker, Mrs. Robert Gordon, C. A. Berner and Arnold Flaten. Votes of thanks were extended to D. C. Stevenson, managing secretary, Miss Phyllis Mooney R.N., lady superintendent, and staff members.

Snow on Railway Under Control

While heavy snow conditions, accentuated with severe blizzards during the last few days, have been interfering with transcontinental train service on the prairies for the past week or so, the situation in the mountains and through the central interior on the Jasper-Prince Rupert line has been kept under control, local railway offices report. There is heavy snow in the summit regions but regular plowing has kept the line clear. Superintendent C. A. Berner states. Clear, fine weather continues in the interior and temperature during the past few days has been moderate for this time of year.

BRAZILIAN MILESTONE
Brazil, begun as a Portuguese colony, became an empire in the early 19th century, with the son of the king of Portugal as emperor, and then emerged as a republic in 1889.

FROZEN SNOW HALTS HIGHWAY CLEARANCE

Snow, which froze after it was piled on the highway by railway snowplows clearing the adjacent track, is the major stumbling block in opening the Skeena River Highway between Prince Rupert and Terrace, District Public Works Engineer J. C. Brady said at the week-end.

The snow piles lying between Kwinitsa and Shames, are at present frozen so hard that Public Works equipment cannot move them without danger of breakage, Mr. Brady said.

"When warmer weather softens the snow we will push right through," he said.

The snow is piled between five and six feet deep in some places.

On the western end, crews from Prince Rupert cleared the road 25 miles to a place just east of Skeena. The crews plan to clear as far as Telegraph Point, where they will be met by the Terrace equipment.

President Believed To Favor Pact With Russia

HELSINKI (CP)—Discussions began today with the Finnish government on Prime Minister Joseph Stalin's proposal for a Finnish-Russian treaty of friendship and mutual assistance. President Juho Paasikivi, it is learned, will be told Wednesday of the final decision of the major political parties on the idea which is expected to be submitted to Parliament. The government's official statement on the subject is not expected before Wednesday night.

Meantime, it is understood that the President himself favors the treaty with Russia. Well-informed circles said yesterday that Paasikivi supported the signing of the friendship pact.

The 78-year-old President is believed to see that a negative reply to the Russian request would cause dangerous aggravation to Russian-Finnish relations.

Arnold Flaten, manager of the Prince Rupert branch of the Royal Bank of Canada for the past nine years, is being transferred to the managership of the important Douglas (Cormorant) Street branch in Victoria and expects to leave here with his wife and daughter March 25 to assume his new duties. His successor here will be D. W. G. Stewart, at present manager of the McKay branch in Vancouver who will be arriving here before Mr. Flaten leaves.

Arnold Flaten Is Transferred

Manager of Royal Bank Here
For Nine Years Promoted
to Victoria

Mr. Flaten, who arrived in Prince Rupert March 17, 1939, from Ladner, has been in the service of the Royal Bank of Canada since 1913 when he joined the staff in Saskatchewan. In 1916 he came to Quenesel and a few years later was at Prince George. He also spent a short time in Porto Rico as accountant. For some years he acted as a relieving manager and was in charge first of suburban branch at Dunbar Heights in Vancouver and at Steveston before going to Ladner.

Having spent so many years in the north, Mr. Flaten expresses regret at leaving Prince Rupert. However, he could not repress satisfaction at a distinct promotion involved in the transfer. In business quarters he has become highly regarded as an efficient and understanding official. He has also found time to take an active interest in many lines of community service including presidency of the Prince Rupert Chamber of Commerce and the local branch of the Canadian Red Cross Society and membership on the board of directors of the Prince Rupert General Hospital. He has also been an esteemed member and leader in the Gyro Club and Prince Rupert Club.

There will be general regret at the departure of both Mr. and Mrs. Flaten. The latter has been active in the Women's Canadian Club and also as a member of the Library Board. She has also been highly popular in social circles.

BULLETINS

LOS ANGELES 'QUAKE

LOS ANGELES—An earthquake of moderate intensity awakened residents throughout a pie-shaped belt of southern California early today but, apparently, caused no damage. The quake was felt at 12:13 a.m. (Pacific Standard Time) with an after-shock a minute later.

JEWES KILL BRITONS

JERUSALEM—The Stern gang said today it had set off a triple blast which wrecked three railroad sleepers yesterday, killing 28 British troops. "This is our answer to last Sunday's Ben Yehuda street crime," the Jewish underground group declared.

C.N.R. FATALITY

EDMONTON—Five railway employees were killed and five injured when a Canadian National Railway snow plow and an engine collided in Hanna yards, 150 miles southeast of here. The accident occurred in the wake of worst snow conditions in the area in forty years.

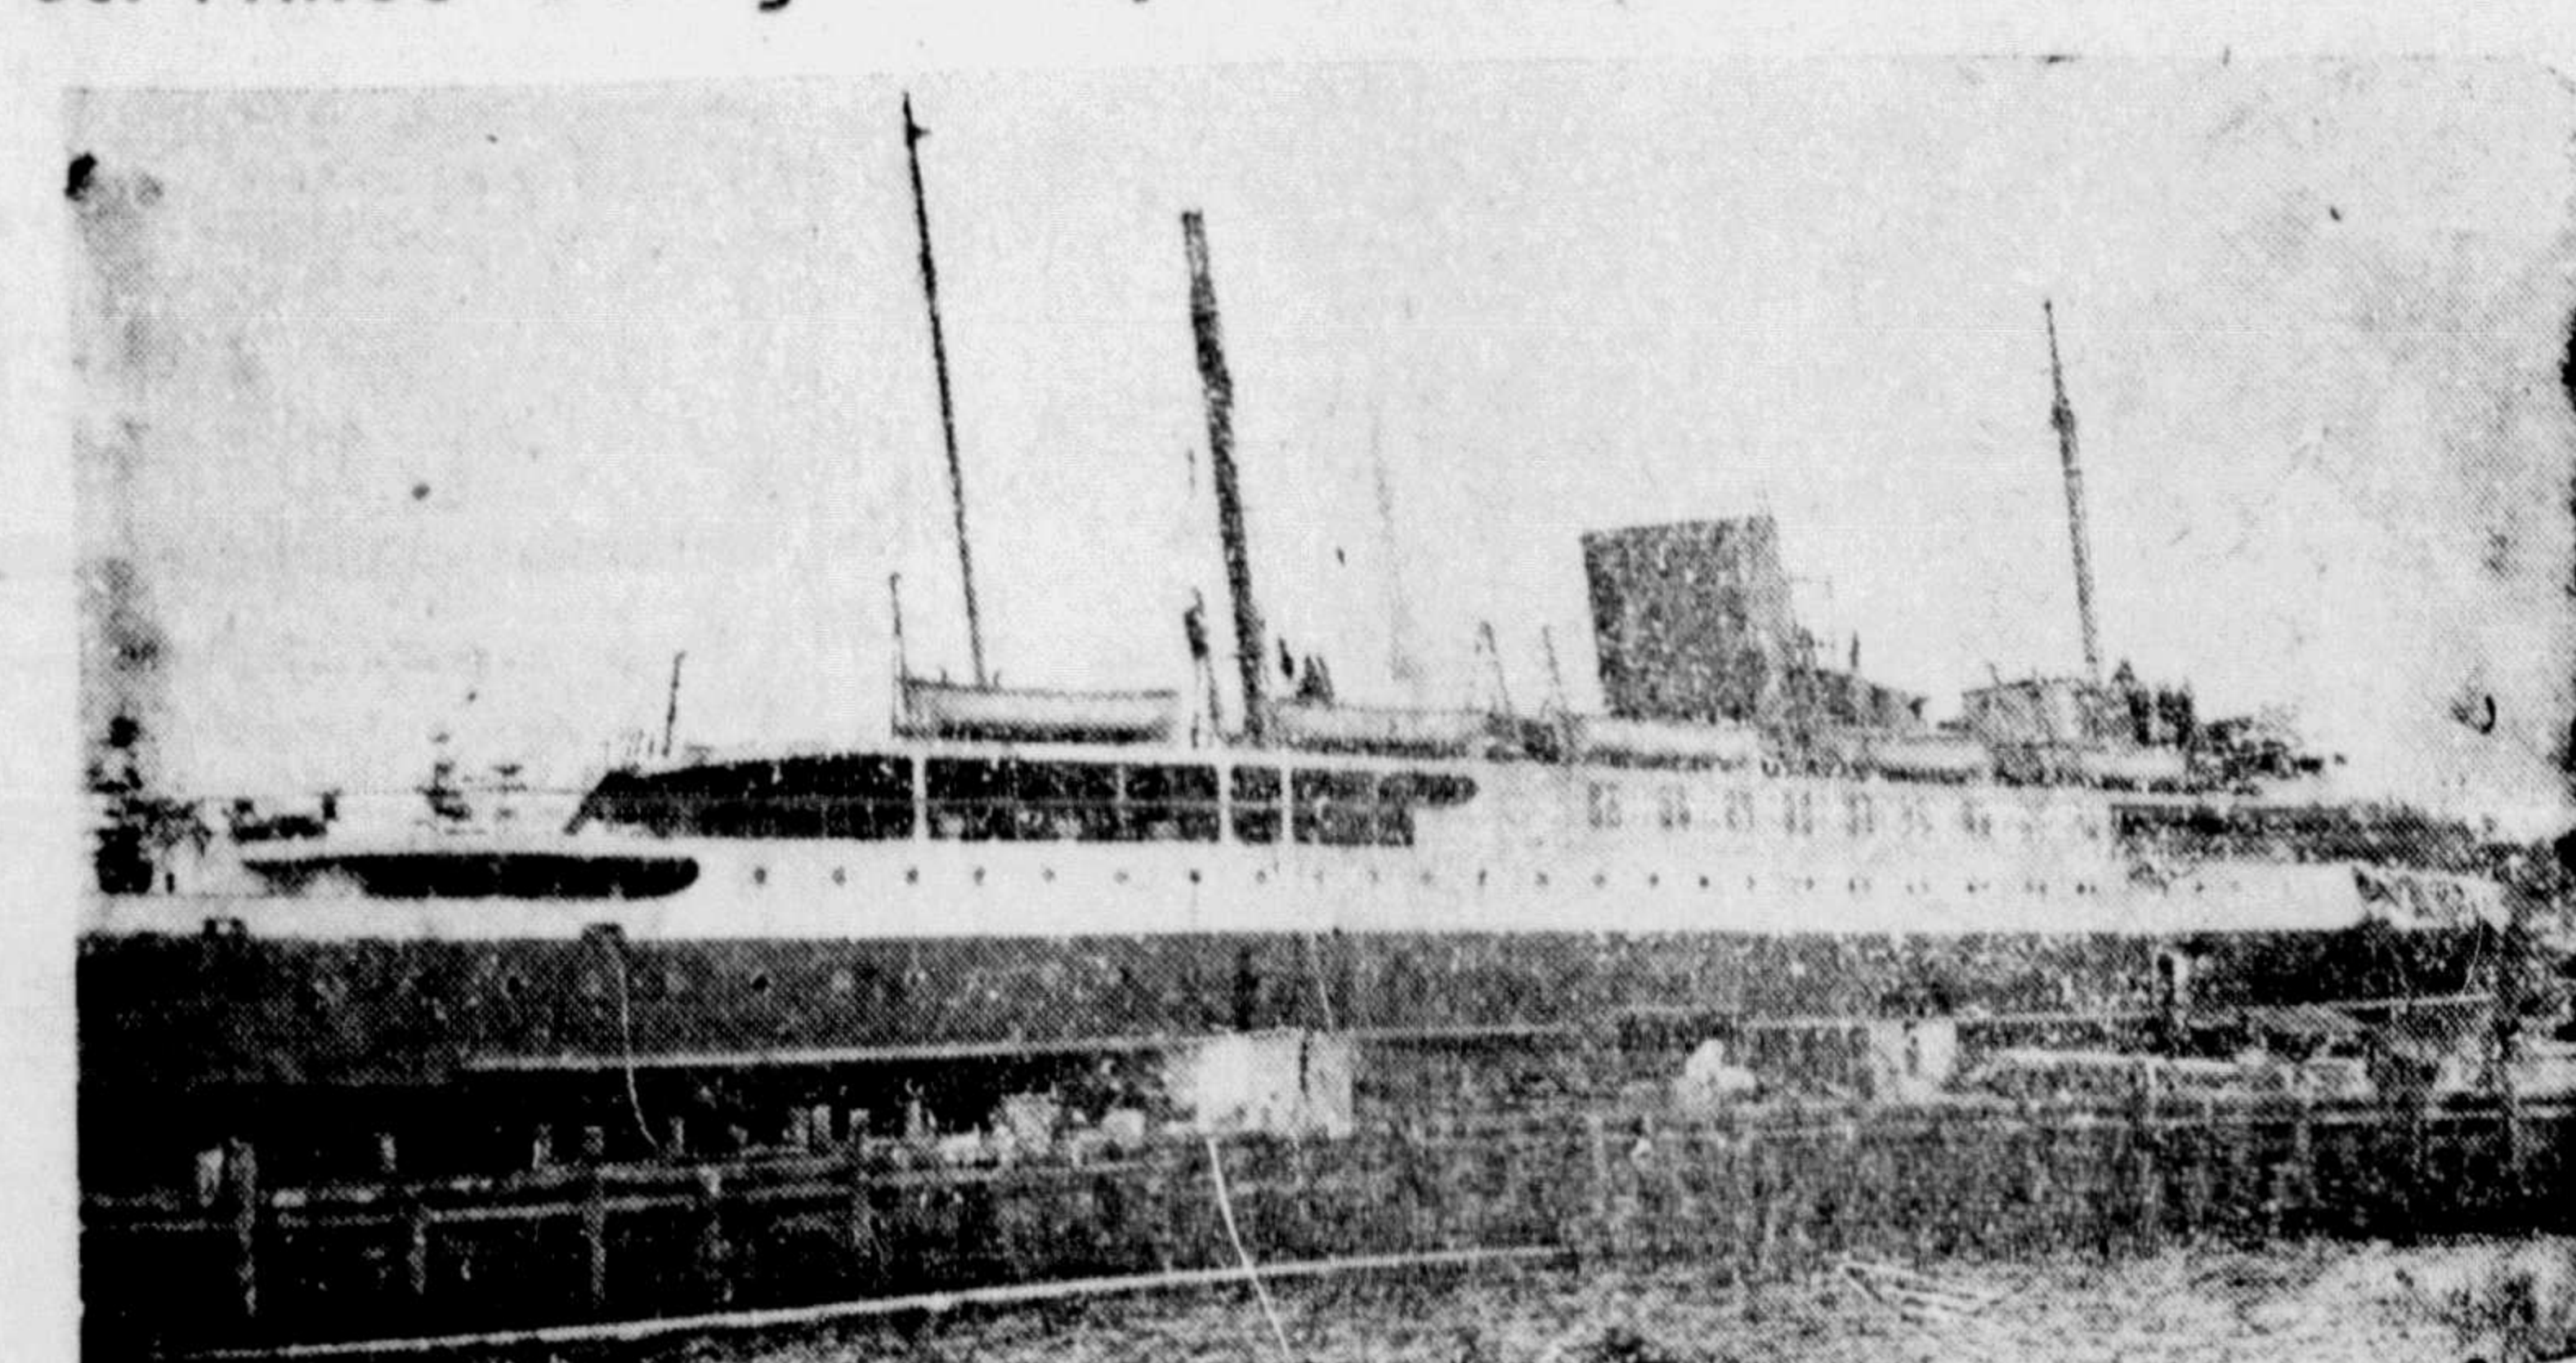

WON SANTA ANITA

ARCADIA, Cal.—Taion, Argentine-bred six-year-old, put on a great stretch drive to win the eleventh running of the \$100,000 Santa Anita Handicap Saturday by the barest of noses, beating out On Trust, ridden by the veteran jockey, Johnny Longden.

18 Fire Calls in February

City fire department answered 18 fire calls during February, most of them minor ones caused by overheated stoves during the cold weather. The department has answered 23 calls so far this year as compared with 20 during the first two months of 1947.

Ss. Prince George Ready For Trials Early In April

With her single funnel in place and some lifeboats in position on the boat deck the Canadian National's Ss. Prince George rapidly nears completion at Yarrow's Ltd., Victoria. The fast new coast passenger ship will probably go on trials early in April. She is the first large passenger ship to be built in Canada in 25 years and will operate to Alaska this summer.

The Army Leaves

THE BRITISH ARMY has left India and there is something passing sad about that. These many years the Army has been so indissolubly associated with the glamorous history of that rich and fabled land. How many young Britons have considered it an honor and a privilege to serve the King and Emperor there? And who can deny the great power the British Army has been in maintaining order, peace and harmony in that land of many moods and vicissitudes? But it is part of the granting of complete independence to India—and independence which in its initial stages at least has been marked with conflict, bloodshed and violence. The British Army is gone! Gandhi is gone! India is independent! India is different. Time only will tell if India and her teeming masses are better off.

ST. DAVID'S DAY

THIS IS ST. DAVID'S DAY, anniversary of the patron saint of the Principality of Wales, and there is additional interest in the day this year since local Welshmen, and the ladies, too, are being called together this evening with a view to organization. We wish these fine, quaint folk, with their proud history and tradition, the best of good luck. They are as esteemed as any of the components of the tight little island and it is fitting that there should be perpetuation through mutual association of all the things they hold dear.

ARNOLD FLATEN

IN BUSINESS AND PUBLIC SERVICE affairs in Prince Rupert these last ten years we can think of few who have played a more consistently active and useful part than Arnold Flaten. So we are sure that it will be with regret that the community reads our announcement today that he is being transferred from here to an important branch at Victoria in his capacity as a manager for the Royal Bank of Canada. We and the rest of his friends will congratulate him on a distinct promotion in the service of that institution. Sound, steady-going and understanding, Mr. Flaten has not only been found a reliable, helpful and popular banker but he has also proven always a ready, willing and capable leader and aide in affairs of community development and service through such organizations as Chamber of Commerce, hospital board, Red Cross Society and others. He is one of those men upon whose capable and willing shoulders devolve jobs and tasks that only those imbued with a sense of public duty and responsibility assume. In short, he is one of the true good citizen type. By the same token that we are sorry to see him go, we should also be appreciative that we have had him as long as we have. That success and good fortune will follow Arnold Flaten and his family to the scene of his new residence will be the hearty wish of all.

SO THIS IS COMMUNISM

COMMUNISM had hardly climbed into the saddle in Czechoslovakia when every Boy Scout and every Girl Guide in that land was disbanded. In other words, these organizations which have so abundantly proven their value in the wholesome and healthful development of youth, for generations, were abolished as rapidly as it was possible to do it. And this is the Communism—the gentle doctrine Canada and Canadians are asked by some to embrace!

The Daily News Boys

PAUL OLSEN

Ambassador of Goodwill; Is Friendly and Courteous Lad

Paul Olsen is an ambassador of goodwill. If you are a friend of his he will stop to ask about your family and, if you have in some way distinguished yourself by marrying, by becoming a parent or been elected to some responsible office, he is likely to congratulate you on your success.

Paul's route is number 3 which takes in most of the business section. A former street sales boy for the News and Empire, Paul became a regular delivery boy last July. He is serving 110 customers.

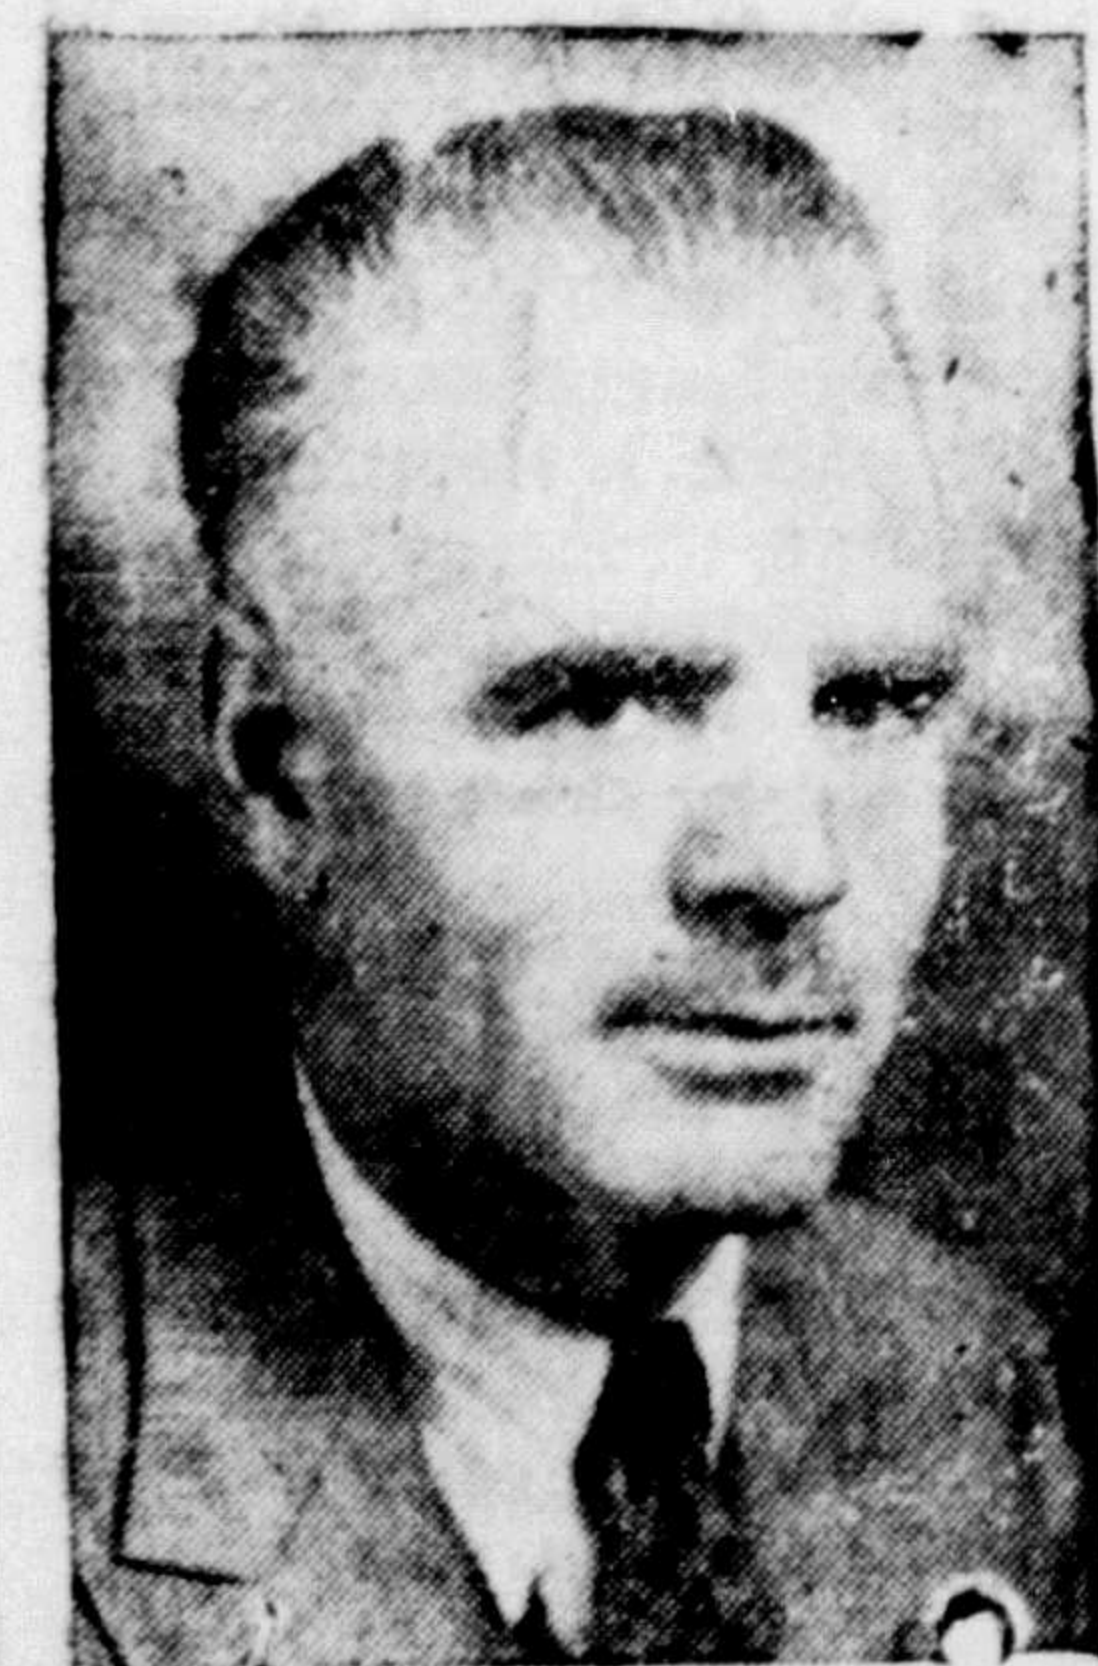

Born 14 years ago in Vancouver, Paul came to Prince Rupert with his father in 1941 and likes this city because of its friendliness. Living alone with his father, Paul has learned to cook and is quite proud of his baking. Another of his hobbies is stamp collecting and he is a member of the school club. A member of the Civic Centre, he spends part of his spare time enjoying the facilities provided for teenagers but he still finds time to read, his special interest being in books that deal with engineering. His father was a steam engineer and Paul wants to follow in his footsteps, although it is diesel, not steam that claims his attention.

In grade 7 this year, Paul is a student of Booth Memorial High School. He is an enthusiastic hiker and will take a fling at basketball, fastball or badminton whenever he gets the chance.

Joe Goscoe Rationalizes

Joe Goscoe one of the runner-up in the Kinsmen most eligible bachelor elections held Friday night, was amazed to learn that there were 72 girls in Prince Rupert who knew him well enough to cast their vote in his favor. Joe accepted his defeat philosophically. He says he doesn't do a good job of looking after one girl so he can't imagine himself being at the beck and call of 99 fair electors. Joe was also elected that King Edward school is one up on Borden which he pointed out couldn't field a bachelor of any kind, eligible or otherwise.

W. M. Watts returned to the city on the Princess Norah yesterday morning from a brief business trip to Vancouver and Victoria.

Letters to the Editor

SHAME, CANADA!

Editor, Daily News:
Recently a letter was published in your daily paper in reference to a mercy flight by the Canadian Pacific Airlines, that took place Christmas Day from Massett. The letter dealt with a very heavy charge of \$253 for a 70-mile flight (140 miles return) to bring an emergency case to the local hospital.

This past week, I, the undersigned, was confronted with a similar emergency within my own family. The possibility of losing a life was very imminent. I contacted the C.P.A. and, after considerable delay and red tape (approximately 1½ hours) no action as far as I could estimate would be forthcoming. Therefore, the American Coast Guard at Ketchikan was contacted and there was only a five-minute delay from the time I requested their help until my doctor was informed that a plane would arrive in Massett in 40 minutes. The flight was made to Prince Rupert within the hour and, upon arriving in

Prince Rupert, the commander of the plane was approached in regard to charges for their efficient services. The writer was informed, without any hesitation, that there was absolutely no charge for this flight. The reason given was that this plane was stationed at Annette Island for just such emergencies.

What bewilders me is the fact that a country the size of ours and with our resources, should have to appeal to the United States government to save Canadian lives. I can assure you that the citizens of the British Columbia coast are definitely in need of a Canadian Coast Guard or something similar not only for emergency cases such as I was confronted with but for marine protection help as well.

A.T. HOLLAND,
Masset, B.C.

Robert Strachan returned to the city on the Coquitlam last evening from a vacation trip to Vancouver.

WAR ASSETS BULLETIN To Merchants

BULK LOT SALES
Subject to prior sale or withdrawal War Assets Corporation offers for sale in bulk lots the following equipment:

LOT 1	LOT 7
Pneumatic Drills, various types, Rotary, Corner, Angles, etc. in various sizes. Accessories for all types of Pneumatic Drills. Spare parts for all types Pneumatic Drills	Brass Hose G.M. Caps for Hose Connections Nozzles, various types Hose Couplings Strainers
LOT 2	LOT 8
Automatic Rivet Setter Pneumatic Rivet Squeezers Spare parts for Rivet Squeezers	Flexible Shafting Wave Traps Cable Clamps Mast Brackets Azimuth Indicator Panels Cable, small quantity Gear Box Assemblies
LOT 3	LOT 9
Compression Rivetters Corner Rivetters Accessories for Pneumatic Rivetters Spare Parts for all types of Rivetters Slow and Fast Hitting Rivetting Hammers	Raceway Bending Machines Tube Bending Dies Circular Saws Expanders (Tube) Guages Spare Parts for Electric Drills Pneumatic Tools, drills, hammer, etc. Large Torches for Pipe Bending Grindstones
LOT 4	LOT 10
Pneumatic Chipping Hammers Accessories for Chipping Hammers Spare Parts for Chipping Hammers	40 ton Distilling Machinery Pumps, various types Oil Reclaimers, Filters, Purifying Plant, etc. Screw Cutting Machines Surface Plates Electric Ventilating Fans Impregnation Equipment Internal Combustion Engine Blowers and Exhaustors Hardness Testing Unit, High Speed
LOT 5	
Pneumatic Rotary Nut Setters Rivet Sets, Flush, Pan Head, Button Head Spare Parts for all types of Pneumatic Tools Accessories for all types of Pneumatic Tools Impact Wrenches	
LOT 6	
Pneumatic Grinders Pneumatic Screwdrivers Pneumatic Holding on Hammers Pneumatic Tappers Rivet Cutters and Rivet Dies Spare Parts for various types of Pneumatic Tools	

The above are only partial lists of the items in each lot. Detailed information and passes to inspect the above equipment may be obtained at the address given below.

DECOMPRESSION CHAMBER

Decompression Chamber consists of a steel cylinder 80" in diameter x 17½' long, with conical ends. Chamber is made of ½" and ¾" weld steel and has 2 compartments bolted together to form 1 cylinder, length of small compartment, 7'. This Decompression Chamber is completely equipped with valves, controls, aircraft bucket type seats and various other equipment and instruments including inter-office communication system, electric motors, accessories and pumping equipment. Operated by an increase decrease hand operated flow control valve, altitude 0-40,000'. This Decompression Chamber is the type used by the RCAF for testing aircrew personnel. Could possibly be adapted for use in diving and salvaging operations.

AIRCRAFT SPARES AND EQUIPMENT

The following Aircraft Spares and Equipment are also available:
Large assortment of Aircraft Tires, various sizes and makes.
Large assortment of Aircraft Tubes, various sizes and makes.
Aircraft Wheel Assemblies
Aircraft Brake Assemblies
Wide range of Aircraft Ground Handling Equipment including:
Towing Bars
Sling
Portable Work Platforms
Propeller Test Equipment
Dollies for Wing and Tail Handling
Drip Trays
Bomb Loading Equipment
Engine Spares
Aircraft Electrical Equipment

THERMOMETERS

A wide range of New Thermometers, various types and sizes including industrial thermometers with maximum and minimum recorders.

BAKERY EQUIPMENT

1 Ceiling Type Proofer, travelling bucket, capacity 1440 loaves per hour at 10 min. per proof, containing 85-4 loaf travelling buckets of steel and canvas construction. Dough elevator with 6 selector forks for carrying dough. Powered by an AC Electric Motor 3 Phase, 550 Volts, 60 Cycle, 1750 RPM, 2 H.P.

Also 1 Steam Wooden Proofer, 4 sections including hardware, steam pipes, etc. Proofer is sectional and can be dismantled for moving. Steam heat supplied from a Fletcher Upright Steam Boiler complete with fittings.

FLETCHER BAKING OVEN

White enamelled front, corrugated sides and rear. Complete with valves and fittings including thermometer graduated from 200 degrees to 750 degrees F. Overall dimensions of oven length 13½' x 12' wide x 6' 6" high. Dimension of inside of oven approx. 17½' long, 11' wide and 11¾' high. Complete with grates, fittings, etc.

Address all enquiries to: Branch Sales Office, War Assets Corporation, Administration Bldg., Sea Island, Vancouver, B.C.

TERMS AND CONDITIONS

Offers to purchase merchandise are invited subject to the following conditions:

- The Corporation shall have the right to accept or to reject any or all offers in whole or in part.
- If any offer is accepted, sale will be on a "as is where is" basis without warranty of any kind (except as to the Crown's title) and will be subject to the other usual sales conditions of the Corporation.
- On acceptance of offer, purchase price will be payable in full.
- Purchaser will be required to take delivery of merchandise sold (or remove from the premises at his own expense) within a time limit set by the Corporation.

Many Enjoy Moose Card Party, Dance

Prince Rupert Lodge, Loyal Order of Moose, was host Saturday night to scores of members and friends who enjoyed an evening of card playing and dancing. The playing of whist, which took up the early part of the evening was under direction of William Terry. Winners for the ladies were Mrs. Harold Muncy and Mrs. V. Foster with A. Campagnolo and H. L. Quick tallying high scores for the men. Dancing to music provided by Varfeldt's Orchestra commenced at 10:30 with Carl E. Brechin as master of ceremonies. During intermission refreshments were served and prizes distributed to the winners at whist.

CONRAD STREET ELEPHANT SALE

A wide variety of articles was on display at the Conrad Street School white elephant sale held Saturday afternoon in the school basement where a large crowd of neighborhood residents were on hand during the afternoon. Convenor of the function was Mrs. Harold Thom, while Mrs. A. J. Bussanich was in charge of refreshments which were served in one of the classrooms. Assisting with the refreshments were Mrs. C. E. Twilites, Mrs. Percy Knutsen, Mrs. C. Johansen and Mrs. Victor King. Those in charge of the booths were: Mrs. Wilfred McLean, books; Mrs. L. Colussi, toys; Mrs. B. E. Eydolfson, china; Mrs. J. Hardin, jewelry; Mrs. George Redhead, new goods; Mrs. S. S. Kristmanson, used clothing; Mrs. J. M. Fletcher, children's handwork; Mrs. T. G. Bateman, candy and cakes. Mrs. Harold Thom acted as cashier for the sale, and Mrs. Robert Cameron was cashier for refreshments.

Mrs. W. S. Stewart, who has been paying a visit in the city with friends, is sailing tonight by the Princess Adelaide on her return to Vancouver. She is the wife of the Canadian Pacific Railway ticket agent in the Hotel Vancouver.

Mrs. Harold Thom acted as cashier for the sale, and Mrs. Robert Cameron was cashier for refreshments.

Aged Fisherman Passes Away

Edward Thorkelson, a retired fisherman, died Saturday night in the Prince Rupert General Hospital at the age of 78. Prior to entering hospital recently, he had lived in a cabin at Cow Bay. He was unmarried and is believed to have no relatives in Canada. He came to Prince Rupert 20 years ago from Vancouver and had been a fisherman until his retirement.

DR. MUNTHE GIVES TALK

Moving pictures and a talk on conditions in Norway were given to the quarterly meeting of the Salvation Army Home League last week by Dr. Jens Munthe Norwegian Vice-Consul who visited his homeland last year. Dr. Munthe was introduced by Adjutant Mrs. Chambers.

The meeting was opened by the secretary, Mrs. J. Wilkie, after which Capt. Mrs. Jarrett delivered an opening prayer. Dr. Munthe was thanked for his address by Mrs. C. Carlson on behalf of the Home League members.

The meeting was brought to a close with the Benediction offered by Mrs. J. T. Gillingham.

J. M. Bartlett, travelling passenger agent for the Canadian Pacific Railway arrived in the city on the Princess Norah yesterday morning for a brief business visit here. He is returning south on the Princess Adelaide tonight.

CHOIRS LEAD UNITED CHURCH MUSIC SERVICE

A musical service, featuring hymns and anthems by the junior and senior choirs and a baritone solo by Dr. R. G. Large, was enjoyed by the congregation of First United Church Sunday evening. Rev. R. A. Wilson, in a brief sermon, spoke of the relationship of music to religious worship.

Anthems were sung separately and together by the two choirs which numbered 27 voices and were directed by J. S. Wilson. The musical order included the anthem "Birds are Singing" by the junior choir, "Hills of the North, Rejoice" by the senior choir, "Onward Christian Soldiers" by the combined choirs and the solo "I Shall Not Pass Again This Way" by Dr. R. G. Large.

Rev. Mr. Wilson used as his sermon text a passage from the Book of Ephesians "Be filled with the Spirit, Speaking to yourselves in Psalms and Hymns and Spirit Song, Singing and Making Melody in your hearts to the Lord."

The pastor pointed out that the Christian faith is "a singing faith—ever expressing itself in song."

"The music of the church expresses a faith which gives meaning to life and grants greater richness," he declared.

"We are familiar," he continued, "with Jesus' condemnation of the scribes who 'devoured' widows' houses and, for a pretence of piety, made long prayers. But we are in a bitter position if we fail to support our songs of praise with lives that praise God in daily living."

Mrs. W. S. Stewart, who has been paying a visit in the city with friends, is sailing tonight by the Princess Adelaide on her return to Vancouver. She is the wife of the Canadian Pacific Railway ticket agent in the Hotel Vancouver.

Deafened People May Now Hear Clearly

Science has now made it possible for the deafened to hear faint sounds. It is a hearing device so small that it fits in the hand and enables thousands to enjoy sermons, music and friendly companionship. Accepted by the Council on Physical Medicine of the American Medical Association. This device does not require separate battery pack, battery or wire, case or garment to bulge or weigh you down. The tone is clear and powerful. So made that you can adjust it yourself to suit your hearing changes. The makers of Beltone, Dept. 6 1450 West 19th St., Chicago 8, Ill., are so proud of their achievement that they will gladly send free descriptive booklet and explain how you may get a full demonstration of this remarkable hearing device in your own home without risking a penny. Write Beltone today.

Orange Ladies Make Donations

Ladies' Orange Benevolent Association has authorized a \$10 donation to the Prince Rupert Film Council and a \$15 donation to the Canadian appeal for children. The donations were approved at the regular meeting last week. The meeting also appointed Mrs. E. A. Evans, guardian of the Junior Orange Lodge. Mrs. John Johansen was chairman. Following the business session, the members enjoyed games.

League of Nations Veto Held Worthy

The United Nations veto is a proper measure and should be preserved. Defenders of the veto power presented their case successfully in a classroom debate at Booth Memorial High School Friday. The class was that of B. Ewald who presided. The affirmative side was taken by Peter Harvey, Barbara Teng and Peggy Stevenson; the negative by Magnus Eydolfson, Janet Rackow and Amos Ewald. Miss Patricia McRae acted as judge.

NOTICE

Attention is drawn to the number of piles of old lumber and timbers stored on City Streets. Apart from being unsightly, many of these piles are comfortable homes for rats. By removing this material it will be a major step in cleaning up the City.

Please take notice that such nuisances must be removed before the 1st day of May, 1948, or the City will take such steps as are necessary to have same removed at the owner's expense.

NATIVE TEAMS DRAW TUESDAY

Leaders of eight, and perhaps nine native basketball teams will draw Tuesday afternoon for opponents in the Northern British Columbia native basketball tournament which opens tomorrow night in the Civic Centre gymnasium. The drawing will be held in the office of Indian Agent F. E. Anfield.

In the city today, awaiting the three-day playdowns are teams from Kitimaat, Massett and Kitkatla. Three teams from the Naas River, Kincolith, Greenville and Alyansh are due this afternoon. They are coming down in their own boats.

Whether or not Port Edward, which already is tied up with the Prince Rupert City Basketball League, will be eligible to take part in the native tournament is a matter which native league officials will decide tomorrow. Complaints have been raised that, because of its affiliation with the city league, the Port Edward team should not be allowed to take part.

Teams which will take part in the playdowns are Kitkatla, Metlakatla, Port Simpson, Massett, Kitimaat, Greenville, Kincolith and Alyansh.

Today in Sports

CO-OPS WIDEN ADVANTAGE IN SENIOR LEAGUE

Co-ops lengthened their lead in the City Senior Basketball League Saturday night when they defeated their main challenge, Savoy, 35-30 in a clean-breaking game that saw Jack Lindsay open up the stops in the second quarter to score 10 of his team's winning points.

Like most games between those keen competitors, it was a close-scoring contest with Co-ops holding a slight margin through the three last quarters after Savoy had ended the first quarter with a two-point advantage.

Two baskets by Davis and one each by Arney and J. Haugan with a free throw by Mel Holkestad gave Savoy nine points at the end of the first quarter, while Co-ops had marked up seven.

Co-ops took the lead in the second quarter, however, when Lindsay banged in five baskets and Fitch scored a free throw, giving them 18 points at half time. During the second quarter, Davis, Dominato and Haugan each marked up two points for Savoy, putting the half-time tally at 18-15.

The third quarter saw Co-ops score 11 points, six of them by Fitch, while Savoy scored 10. In the fourth quarter, Co-ops laid in five while the hotelmen scored an equal number.

Outstanding scoring was by Lindsay, who came through with 14 for Co-ops, while Fitch scored nine. Davis was high man for Savoy with eight.

BO-ME-HI SMACKS LUCKLESS MERCHANTS

By holding the Merchants to a scoreless third quarter, Bo-Me-Hi won a resounding 28-15 victory in the Intermediate League game. The students were in command of the ball from start to finish.

First quarter score was 6-3 in favor of Bo-Me-Hi and moved along to 12-11 in the students' favor at half time.

The third quarter was figuratively slaughter for the hapless Merchants who failed to score at all while the students marked up 10 points. In the last quarter, Bo-Me-Hi improved their score by six points while Merchants scored five.

Spring was top marksman for the students, netting seven points. Hebb and Haugan scored four each for Merchants.

STONES WIDEN THEIR MARGIN

In the Junior League contest, Stones widened their margin in the league standings by outscoring 65 Taxi 21-16. The win places Stones two games up on the taxi boys.

Bill McChesney's fine marksmanship was a key factor in the Stone victory. McChesney scored 10 of his team's 21 points with consistent good shooting throughout the game.

Just what happened to the 65 lads is something that is hard to determine, but they arrived at the final period with only six points as against 17 by

SHORT SPORT

To curling fans in Kenora area he's "quite a guy." And they have every right to be proud of Jimmy Guy and his foursome of granite tossers who will represent Northern Ontario in the Dominion Curling Championships at Calgary next week.

Always a strong contender, northern Ontario this year has one of the game's greatest "clutch" curlers in Guy, who first captured the northwestern crown, then marched through the northern final at Sudbury with a 12-7 victory over Bob McMurchy of Noranda. This is the first year the recently formed Northwestern Curling Association has played off with northern Ontario and Temiskaming Associations. Formerly Kenora rinks competed in the Manitoba 'spiel. Guy's toughest battle along the way to the title came in the northwestern final, when Jimmy pulled a "pay-off" shot on the 13th end to nose out Frank Sargent's Port Arthur rink 12-11. The Guy rink was formed this season, although Jimmy and third man Bill Johnson, both veterans of Manitoba competitions, have been partners for the last six years.

Born at Cherni, Alta., in 1915, Guy has been curling since he was a youngster. Last January he hit the headlines with Grant Watson of Winnipeg, by capturing the major prize of four automobiles at the Rich Nipawin, Sask., bonspiel. Starting out at third on the Watson pickup rink, Guy later took over as skip, with Watson moving to the more familiar position of third.

Johnson, 36, has curled for 15 years, competing 11 times in Manitoba bonspiels and getting his share of jewelry. A native of Kenora, Johnson has a reputation as a steady player and sound strategist. "Baby" of the quartet is 21-year-old George Holstrom, now in his fifth year at the game. Kenora-born, Holstrom was with a Jim Johnson rink of Kenora which won third prize in the Royal York event in the recent Toronto Bonspiel.

Youngest in experience, but definitely not a weak spot, lead Jack McLeod, 29, a native of Vancouver, has only been curling two years. A graduate of the University of British Columbia, he spent five years with the Royal Canadian Air Force.

The scoring:
Senior
Co-op — MacPherson 4, Lindsay 14, Flaten 5, Fitch 9, Beynon 1, Ciccone 2, Haugan, Menzies.

Savoy — Davis 8, M. Holkestad 5, Dominato 2, Alexander, R. Holkestad 5, Morgan, Arney 4, Haugan 6, Murray, McClymont.

Intermediate
Bo-Me-Hi — Shier 6, Scher 3, Spring 7, Olson 4, Davidson 5, Carlson 3, Boulter.

Merchants — Scher 2, Currie, Youngman 1, Owens 2, Moore 2, Hebb 4, Haugan 4, Sunberg, Mercer.

Junior
Stones — Lesieur 3, McChesney 10, Sharon 4, Dumas 3, Christoff 1, Carlson, Walsh, Wesch.

65 Taxi — Bill 4, Ratchford 7, Holt 2, Van Pykstra, Martinsen 1, Helin 2, Sedgwick, Anton, Olson.

Noted African Soldier Coming

Veteran soldier of three wars in South Africa where he farmed for thirty-two years and also held responsible governmental posts between conflicts, Col. Hoy is revisiting his native Canada on the invitation of Association of Canadian Clubs and under the auspices of South African government. He will be in Prince Rupert this week to address the Women's Canadian Club. Born in Orillia, Ont., and graduated from Toronto and McGill Universities, Col. Hoy went to the Boer War with the Royal Canadian Dragoons in 1899 and, after demobilization, took up farming in South Africa. In the First World War, he commanded Cape-colored Infantry in German East Africa and Palestine and after that conflict, was active in British settlement in South Africa. In the Second World War he organized the Cape Corps for Field Marshal Smuts.

SHIPS AND WATERFRONT

On her regular weekly voyage, Union steamer Coquitlam, Capt. John Boden, arrived in port at 8:45 last evening from Vancouver and waypoints, sailing at 12:30 midnight for Alice Arm. Stewart and other northern points whence she is due back here at 10 o'clock tomorrow morning to sail at 1:30 p.m. on her return south. Passengers arriving here from down the coast on the Coquitlam included native basketball teams from Kitimaat for the all-native tournament to be held in the Civic Centre here this week.

With 81 passengers and 204 tons of freight for Skagway on board, C.P.R. steamer Princess Norah, Capt. Graham Hughes, arrived in port at 9:45 Sunday morning from Vancouver and sailed at 11 a.m. for southeastern Alaska points whence she is due here on Thursday afternoon returning south. Of the 81 passengers on board the Norah five disembarked here while three went north aboard her from Prince Rupert.

Capt. W. P. Armour has a letter in the Vancouver press con-

cerning the vessel Amarylus recently lost off the B.C. coast and which he owned. He was answering a letter that had been printed. Capt. Armour made it clear that the Amarylus carried two approved unsinkable lifeboats and one good rowboat. There were two lifebelts for every member of the crew.

For a second time in fifteen months, the steamer Hsin Kong So, formerly the Venture serving on the British Columbia coast, has been gutted by fire while operating between Hong Kong and the Portuguese island of Macao. The first fire was at Hawaii, while the ship was on her way to China from Vancouver. The second blaze was due to an explosion in an engine room oil tube. Part of the cargo included firecrackers, cattle and Chinese whisky.

Sweden's newest motor liner, Stockholm, has arrived in New York from Gothenburg. It was her maiden voyage. She carried 400 passengers. Her overall length is 524 feet. Her speed is 19 knots. Her lines are sleek and modern, with streamline principle adopted throughout the graceful hull and superstructure. The single mast is another departure from the traditional.

C.P.R. steamer Princess Adelaide, Capt. Fred McGraw, is due in port at 5 o'clock this after-

JUNIOR CHAMBER POSTS TROPHY

Indian Agent Anfield Also Puts up Basketball Prize

When the Northern B. C. Native Basketball tournament opens at the Civic Centre here this Tuesday, the nine teams which participate will have three trophies to strive for, instead of one as was the case last year.

In addition to the B. C. Packers trophy, indicative of the championship, there will be the Junior Chamber of Commerce trophy which will be awarded the second-place winner.

The third trophy will be a "most valuable player" award presented by Indian Agent F. E. Anfield.

The B. C. Packers trophy was the sole object of competition at the first basketball tournament last year. The other two will add to the zest of the tournament, particularly the "best player" award. Decision in this regard will be made by the panel of referees who will be chosen by the Prince Rupert Basketball Referees' Association.

a Drama of the Wilderness

by John Fisher

● The baby didn't whimper as the minister lifted up the tiki-nagum—the strange cradle in which our Northern Indians still carry their papooses. The minister's words had a familiar rhythm in the little church. I couldn't understand anything, though, save the name 'Robert George'.

I saw the mother's shawled head bow in prayer, her soft Ojibway face reverent. Beside her, the father stood bareheaded; his features sharper, more hawklike—a Cree. Neither spoke English, so the baptismal service flowed on alternately in two Indian tongues. It was an unexpected moment in my life. A few hours previously I had stepped off a modern train at this remote outpost. Now, I felt I was back in the days of Champlain's voyageurs.

18 miles through the wilderness

After the service I looked closer at tiny Robert George, just two weeks old. His brown eyes blinked, then his plump little cheeks creased, and he grinned. Healthy! That youngster would have taken prizes anywhere. The minister said the family had hiked into the tiny settlement a few weeks ago, eighteen miles through the never-ending spruce forests. Why? So the Indian mother could have her baby safely at the Red Cross Outpost Hospital. I had heard that these hospitals are dots

of mercy and life-saving from McBride on Vancouver Island to the Magdalena in the Gulf of St. Lawrence. I had read dramatic newspaper stories of how blood plasma was parachuted by mercy plane to the Red Cross Outpost at Hudson Bay Junction in Saskatchewan.

But here, as a mother had her healthy baby christened, I realized that Red Cross Outpost Hospitals meant more than dots on the map and newspaper headlines.

A story as big as Canada

Sometimes, very rarely, these outpost stations get publicity for startling rescues. More often such drama goes unnoticed. More often still we all forget the everyday hospital round. Babies being born, routine operations, the sick cured, broken bodies mended.

To me this case was symbolic—parent walking 18 miles for help; receiving it (and more) at the Red Cross Hospital. I went to a christening in a little outpost and found a story as big as Canada.

Red Cross Services include: Blood Transfusion, Outpost Hospitals, Aid to Sick and Disabled Veterans, Treatment for Crippled Children, Disaster Relief, Nutrition Services, Home Nursing Courses, Swimming and Water Safety, etc.

The work of mercy never ends . . . Give generously to the CANADIAN RED CROSS

WHAT HAPPENS TO FOSTER CHILDREN

Explanation Given to Women's Canadian Club Here

During a recent visit to Prince Rupert, Dr. Lotta Hirschmanova, executive director of the Unitarian Service Committee of Canada, told of the operation by that organization of convalescent homes for waifs and economically stricken children in unhappy lands and the question arose as to what might happen to the children after the prescribed stay of three months in these homes is over.

Miss Lillian M. Malone of Ottawa, secretary to Dr. Hirschmanova, has written in reply to this question as follows:

"If the child still requires further care then he or she remains in the home for a longer period without any obligation to the foster parents in Canada. When the child is fully recovered he returns to his parents if they are living and the conditions at home are favorable. If the child is a complete orphan, without any living relatives to take care of him, then we try to find kind foster-parents in his own country who are capable of taking good care of the child. A complete check is kept of every child who has once passed through our homes and, if at any time a child requires additional care then he or she may return to the home for another stay."

The Women's Canadian Club, after hearing Dr. Hirschmanova, decided to interest itself in the foster-home idea.

WOLF CUBS IN NORTH—Fort Churchill Wolf Cub Pack was organized in June 1947 and received their charter in January of this year. The boys assist in Canadian Army camp life by delivering groceries from the camp commissary to the home of camp families and also deliver each week copies of "The Icicle," the camp newspaper. Since organization the Pack have had a camp on the opposite shore of Churchill river and have made several trips to Fort Prince of Wales, one of the oldest historic monuments on the continent. The above photo shows the Pack, left to right: Bill Fallon, son of Gdsm. P. Fallon, Barrie, Ont.; Walter Stevenson, Edmonton; Bod Nourse, son of Maj. R. Nourse, Vancouver; SQMS Frank Spain, Ottawa; Donald Fallon, another son of Gdsm. Fallon; Gary Best, son of M-Sgt. Chas. Best, San Francisco, Cal. (U.S. Army); and Frank Stevenson, another son of WO II Stevenson. (Canadian Army Photo)

Reminiscences

By W.J. and Reflections

Municipal politics in Prince Rupert in the early days exercised an undoubted lure and once a campaign was on there would be worked up the maximum fervor and self-assurance. One candidate had an over-supply of the latter. He was practically elected. There could be no question whatever. He knew it. As the shades of evening came on and the result was anybody's guess he telephoned the wife. Feeling so happy and confident he couldn't help ringing up and advising her that on that night it would be her good fortune to sleep with an alderman. But things are not always what they seem. All is not gold that glitters. She didn't.

There are some folks with such an inborn love of showmanship that they cannot restrain themselves. Personal display might mean risk but the

possibility goes unheeded. It was noticeable during the depression. A stranger appeared one day, wearing a watch chain studded with nuggets, a few the size of walnuts or raisins. There were plenty in town who had suspended regular eating. Ostentation, just then, was ill-advised for lots of rugged fellows were in ill-humor. Bu plain, bull-headed luck remained with the man with the gold-plated front. There was nothing more than resentment.

A quake was felt on the Queen Charlotte Islands Friday evening. There was a tremor in Prince Rupert as well. No damage of consequence was heard of. Buildings swayed slightly. A reading lamp tilted a little. But there was something lacking. Apparently, no dishes rattled in the pantries, or anywhere else. This was an oversight. All china and cutlery registered silence. In all properly regulated disturbances these household requisites are never, or hardly ever, so still.

SCHEDULE OF MIXED BOWLS

Schedule for the remainder of the Mixed "B" Bowling League is as follows:

March 7—Brownwoods vs. Islanders, Triple XXX vs. C.Y.O. Cougars vs. Ideal Detergents, B.C. Packers vs. Miss or Hits.
March 14—Cougars vs. B.C. Packers, Ideal Detergents vs. Miss or Hits, Brownwoods vs. Triple XXX, Islanders vs. C.Y.O.

HOSPITAL TO OPEN MARCH 16

Inspection and Reception to Mark Terrace Inaugural

TERRACE—A joint meeting of the Hospital Committee and the Red Cross executive was held in the Red Cross rooms last Wednesday evening. President R. Corey was in the chair, when tentative plans were made for the official opening of the Red Cross Outpost Hospital, date of which has been set for the afternoon of Tuesday, March 16. Dr. Lamont, B.C. chairman of outpost hospital committee, will officiate at the opening ceremony. The hospital will be open for inspection and it is expected that the adult population of the town will take the opportunity to see their own hospital. Afternoon tea will be served. The matron and other members of the staff are expected to arrive from the south about March 10.

PIRATE WINE GROWERS

The first wine growers in Australia were Greek pirates, prisoners of the English.

"Better than Ever"

THOSE familiar old songs . . . they're better than ever today!
And those famous Sweet Caps . . . they're better than ever, too! For now every Sweet Cap you smoke has been checked, right from plantation to you, by the exclusive scientific process known as "Perfection . . . Check V"—checked to ensure you cigarette perfection . . . in smoothness . . . in freshness . . . in taste . . .

Perfection... Check V
