WEATHER BOOMS GRAIN HARVEST ON PRAIRIES

WINNIPEG, Man.—Extremely hot weather and clear skies prevailed throughout the western grain region this past week, according to the weekly crop report of the Department of Agriculture of the Canadian National Railways.

Electrical disturbances, resulting in precipitation, mostly sharp showers, delayed harvesting operations temporarily, chiefly in Manitoba sections.

Harvesting is well advanced in southern Manitoba, with wheat at many points 50% harvested and coarse grains up to 60% or 70%.

The heat has advanced maturity rapidly, causing shrinkage in samples in some instances.

In Saskatchewan and Alberta, harvesting has started in many areas but in northern sections will not be general for another week.

All provinces report scattered hail damage.

In the Okanagan weather was cooler with several showers and some hail damage reported. Peaches and vegetables are now moving freely and other seasonable fruits are progressing favorably.

MOTORIST GIVES POLICE CLUE

CALGARY @—A Winnipeg motorist's hunch was credited by the Calgary police today with providing the latest lead on the whereabouts of Donald W. Henderson, Clive, Alberta, who is wanted for the murder of Yvonne Levesque, 24-year-old waitress of Pincher Creek, Alberta.

The automobile used by Henderson in his escape from Calgary was located on North Winnipeg Avenue by police in Manitoba capital. Police here said that the "break" leading to the finding of the vehicle was provided by Lecien Constant, Winnipeg.

NO ROLL, NO SEA-SICKNESS, SAYS INVENTOR GAR WOOD—This is the type of boat which will one day end all seasickness, according to its inventor, Gar Wood (right), 68, the king of speedboat racing, who pilots the craft at his island estate near Miami, Fla. The revolutionary vessel has twin hulls, enabling it to slice through the water without a boat's usual pitching effect. Still unfinished after 28 years, the Venturi will set the pattern for future liners, says Wood.

THREE DROWNED NEAR DAWSON

DAWSON, Yukon @—Three men were drowned at nearby Stewart City when a motor launch loaded with seamen enroute to this city's 51st anniversary celebrations overturned in the Yukon River. The drownings occurred on Wednesday and were reported last night. The men were members of the crew of the S.S. Whitehorse.

GLOBAL FLIER BACK HOME

PRESTWICK, Scotland @—Mrs. Richard Morrow-Tait, British round-the-world flier, returned today to Britain which she left just a year and a day ago.

Mrs. Morrow-Tait's single engine plane landed at Prestwick airport from Iceland at 3:05 p.m. (9:05 a.m. C.D.T.). After refueling her light plane here she expected to fly to Croydon, London's airport to end the first single-engine round-the-world flight by a woman. This is the point from which she set out on her flight.

THE WEATHER

Synopsis
The weather picture this morning once again shows a trend toward unsettled conditions. The weak disturbance approaching the coast will bring considerable cloud and some light rain to most coastal points today. Another small disturbance in northeastern Washington has been spreading cloud into southeastern B. C. During the night. This cloud will persist today in these regions with a risk of scattered thunder storms tonight.

North Coast Region—Southern section cloudy with occasional light rain today. Variable cloudiness today and Saturday. Little change in temperature. Winds light. Low tonight and high tomorrow at Port Hardy 45 and 60. Masset 45 and 65. Prince Rupert 48 and 70.

Win Honors at Spokane Meet Against U.S., Canadian Teams

(Special to the Daily News)

SPOKANE, Wash.—In a competition that aroused the greatest enthusiasm among the 1600 spectators who crowded the Armories here last night the unanimous decision of the judges placed the Job's Daughters drill team from Prince Rupert first. The northern British Columbia city team also placed second in the exhibition drills, being nosed out by the Portland entry.

The girls really excelled themselves and put on an almost perfect drill. The Vancouver, B.C. drill team placed second to the Prince Rupert team.

In the division for smaller groups the Rapid City place first and Spokane second in the military routine event.

The competition was held in the Armories at Spokane following a street parade led by the Shrine Band with a patrol team and all the other teams. One clown team took part.

It was noticed that the Portland's exhibition team used music while the Prince Rupert team did not use music at any time. The accomplishment of the B.C. team was therefore all the more commendable.

The opening of the supreme session was featured by a beautiful addenda by Bethel No. 3, Prince Rupert. This won prolonged applause and high compliments from the audience who packed every corner of the building. Great numbers of people were unable to gain admission.

Another honor came to the Prince Rupert representatives when Miss Dorothy Kergin was selected as an escort for the queen at the formal ball to be held this evening.

On Saturday Mrs. Alex. Mitchell will be installed as Supreme Officer with Mary McAfee as escort.

Naturally every member of the Prince Rupert team is greatly thrilled with their success and are very appreciative of the unlimited hospitality of the people of Spokane. They have just opened their doors to the visitors from Prince Rupert.

The routines of the Job's Daughters drill team were witnessed twice in the city before the girls left for the competitions in Spokane. They aroused the

CANTON FIGHT NEARS CLIMAX

CANTON, China @—The battle for Canton neared the southern city today with the capture of Tayu Key, a city 170 miles to the north-east.

The communists are now in the broad Kan River valley which leads to Canton. The road is more or less clear to Kukong 70 miles to the west. When the Reds reach Kukong the battle for Canton itself will have begun, military observers believe.

The loss of Kukong would isolate Canton from the 200,000-man army of General Pai Chung-Hsi, commander of front in the north. Press reports said that civilians were fleeing in increasing numbers from Kukong.

POLICE SHOOT BERSERK NEGRO

CHICAGO @—A barricaded negro stood off 125 policemen in a three-hour gun battle last night before they set fire to his two-storey frame home and then riddled him with bullets as he attempted to escape.

He was wanted for accidentally shooting a child. The besieged man, Ernest Craig, 23 years old, fired from windows with two revolvers and a rifle. Police poured hundreds of bullets and tossed about two hundred tear gas bombs into the house before they applied the torch.

Highway Improvements Necessary For Prince Rupert-Alaska Ferry Service

SMITHERS—At the annual meeting of the Associated Boards of Trade of Central B.C. in session at Smithers Colonel J. B. Noyes, Industrial Road Commissioner for Alaska urged the development of car ferry service between Prince Rupert and Southeastern Alaska in order to connect the Skeena Highway with the Haines Cut-off.

Colonel Noyes also urged the convention to speed improvements on the highway connecting Central British Columbia and Alaska.

Hon. Harry Bowman, Minister of Agriculture, urged the farmers of central B.C. to increase their production and improve the

quality of their farm produce for a growing industrial population of this area. He said that central B.C. could well increase its farming population by tenfold.

Resolutions passed at the convention included the following:

The government of B.C. is urged to speed the completion of the P.G.E. Railway from Prince George to Peace River and of the highways including the Prince Rupert Highway and the John Hart Highway.

A resolution urged the improvement of radio service in the central interior by installation of power automatic transmitters at Vanderhoof, Burns Lake, Smithers and Terrace at low cost.

Air mail service should be provided from Prince Rupert to

Queen Charlotte Islands, Stewart and Alice Arm, and the encouragement of air mail and passenger service from Prince George to Vanderhoof, Burns Lake, Smithers, Woodcock and Terrace.

Another resolution asked for the establishment of a brewery in north-central B.C.

The establishment of an illustrated station at Terrace for agriculture was urged.

Another resolution urging the Prime Minister of Canada to take steps to curb communism was passed.

Mayor Arnold of Prince Rupert spoke briefly lauding the work of the Associated Boards and stressing their value to the district and the province as a whole.

New Nationalization Plan Studied by British Labor

LONDON—If Britain's Labor government remains in office after the general election next year, it will face an immediate battle against industrialists opposing its new nationalization plans.

Government chiefs believe that, in another term of office, they must devote most of their attention to consolidating the industries already nationalized—coal, transport, civil aviation, power, and before the end of this Parliament, steel.

The Labor Party's annual conference approved almost unanimously the proposals to nationalize a new group of industries in the next five years, if Labor is returned to power. These industries are industrial assurance, cement, sugar, water supplies, meat wholesaling, and slaughterhouses.

Already strong opposition has been expressed by the assurance, cement and sugar interests.

\$464 MILLION IN PREMIUMS
The plan to put insurance under state ownership applies

only to the 14 big industrial assurance companies whose thousands of agents day by day go round Britain's homes collecting small premiums from their members.

Outside this enormously rich branch of the business—premium income is estimated at about £116,000,000 (\$464,000,000) a year—there are other insurance companies which it is not proposed to nationalize.

By taking over the complete business of the 14 industrial assurance companies, the government would acquire an enormous interest in insurance other than industrial life assurance.

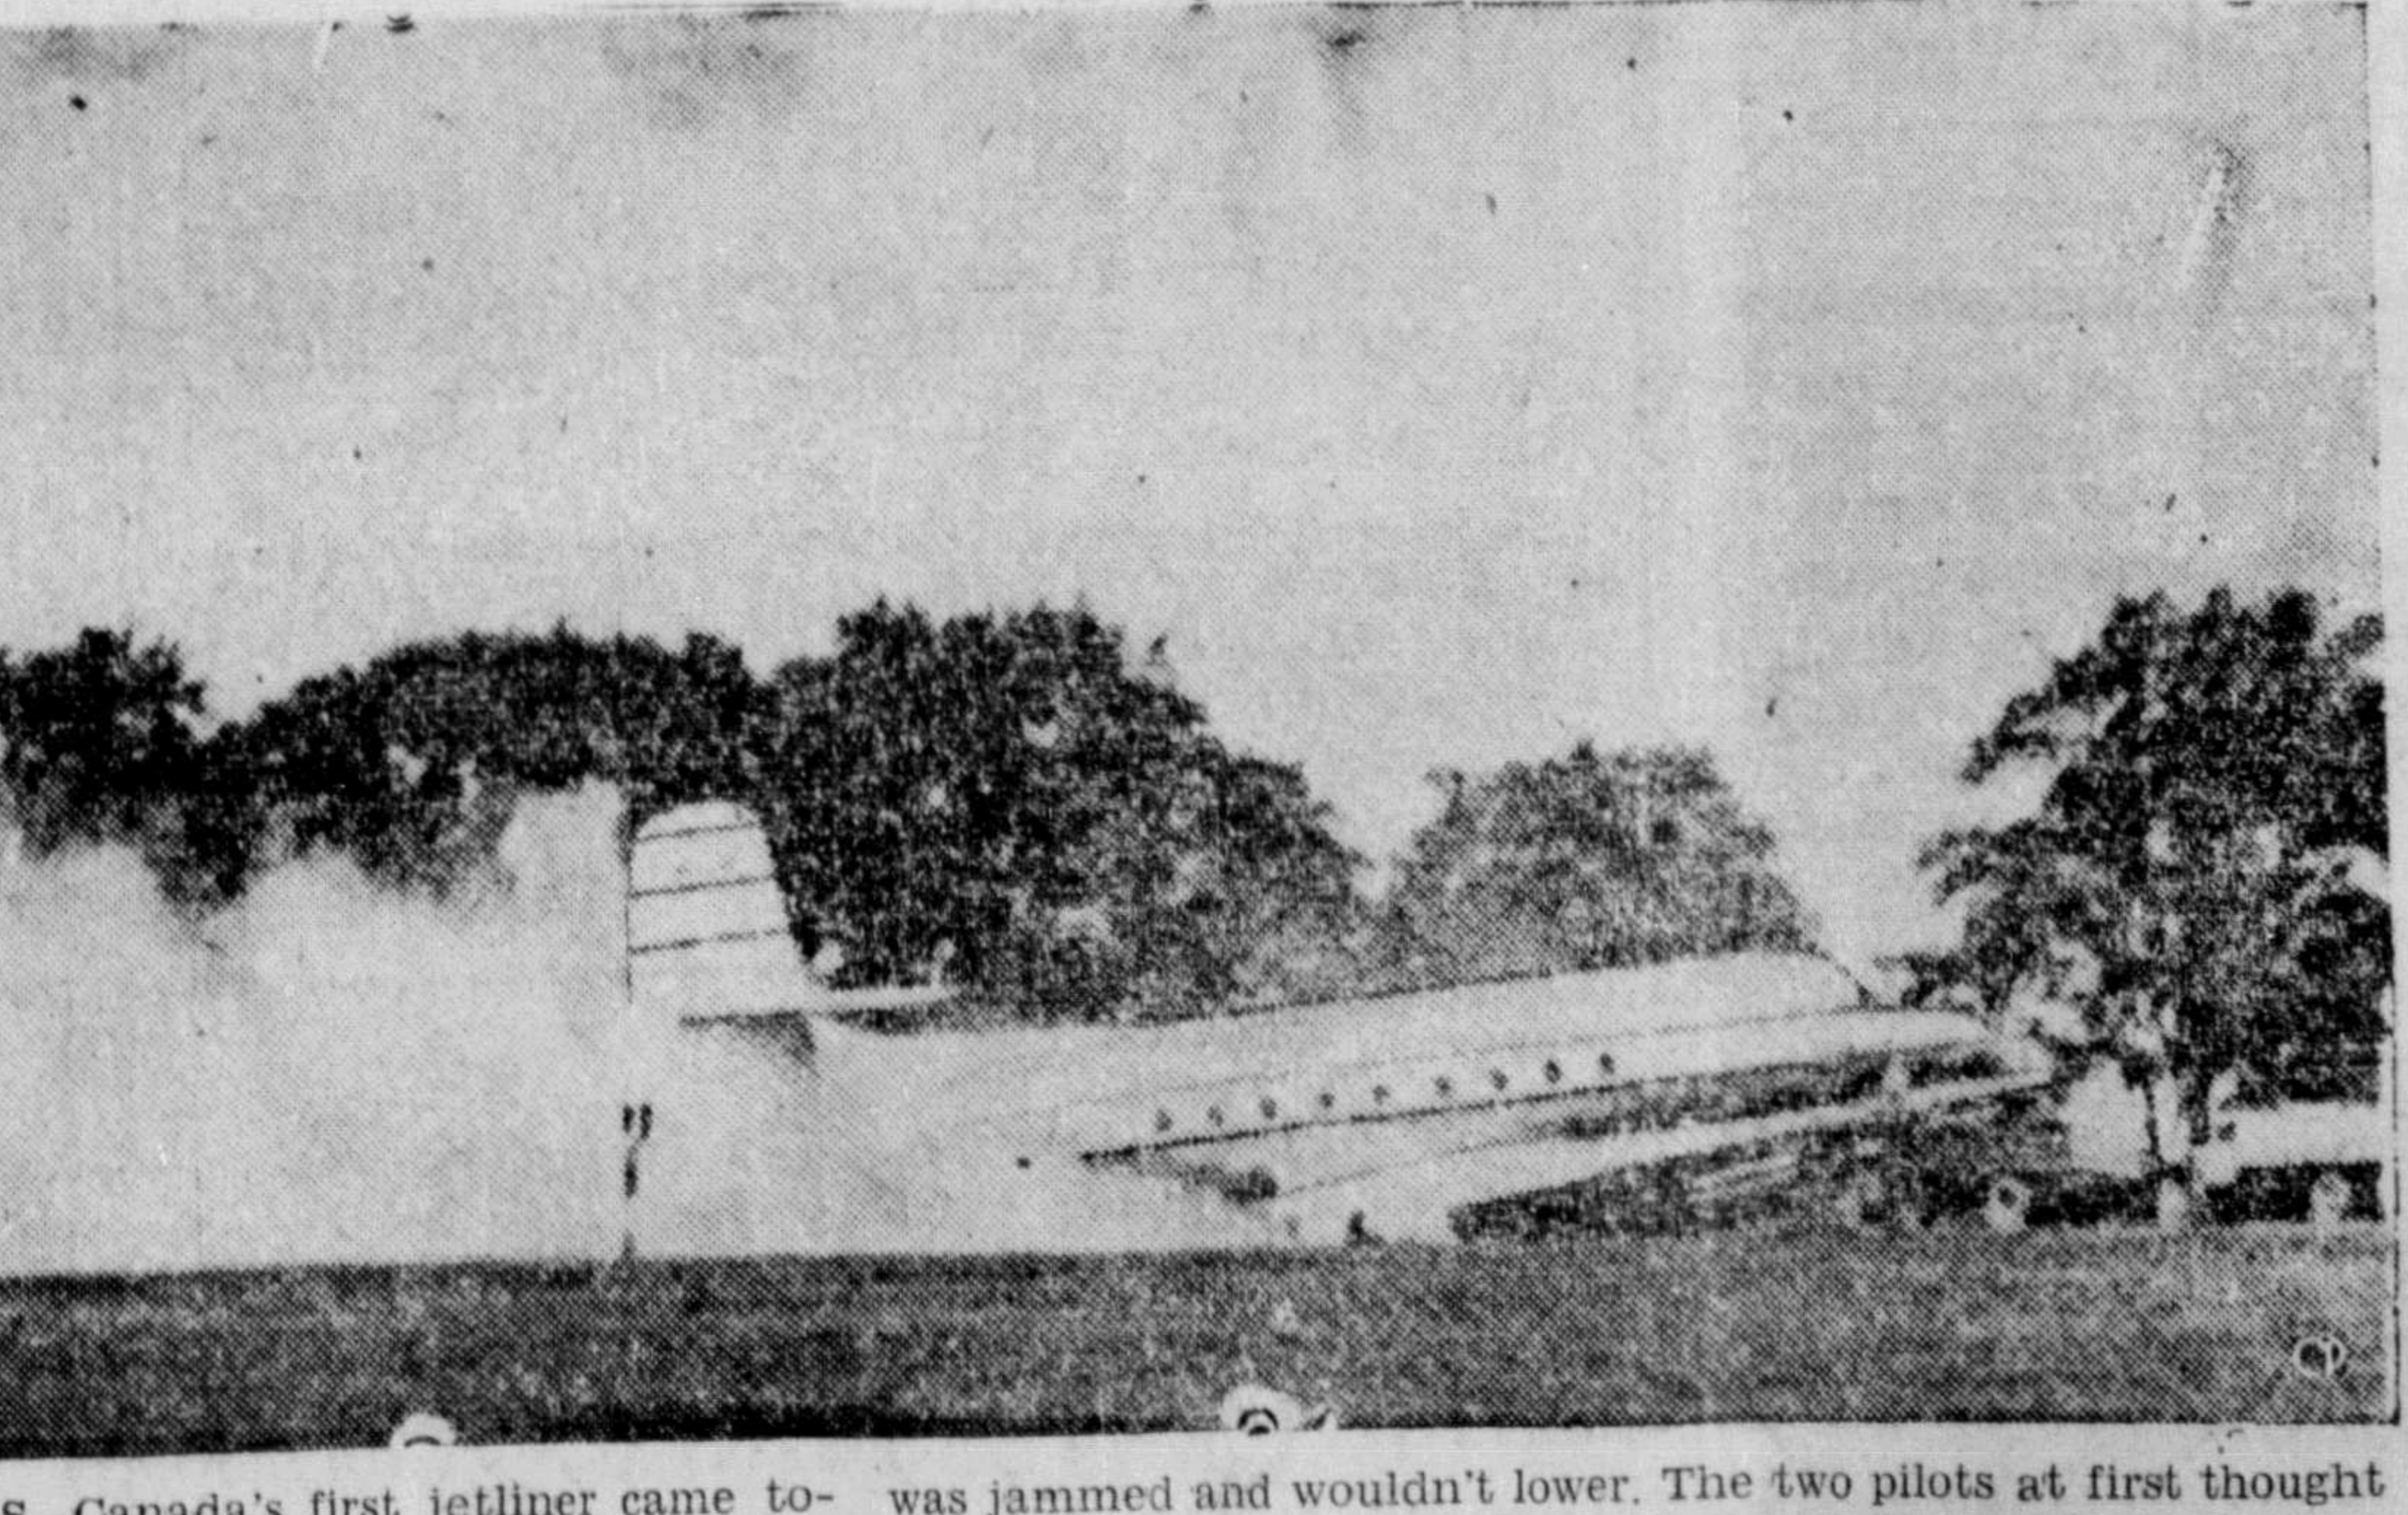

The Insurance Association believes that this would be "harmful to the national interest and disastrous to the industry."

**CONSERVATIVE
OPPOSITION**
The average net earnings on such business are estimated to be at least £330,000,000 (\$1,320,000,000) a year, most of it in hard currencies.

JETLINER CRASH-LANDS—Canada's first jetliner came to grief at Malton Airport Tuesday when the landing gear jammed, forcing the pilot to belly land the big craft. The Avro plane was being by pilots Jimmy Orrell of Manchester, Eng. and Don Rogers of Toronto when it was discovered the landing gear

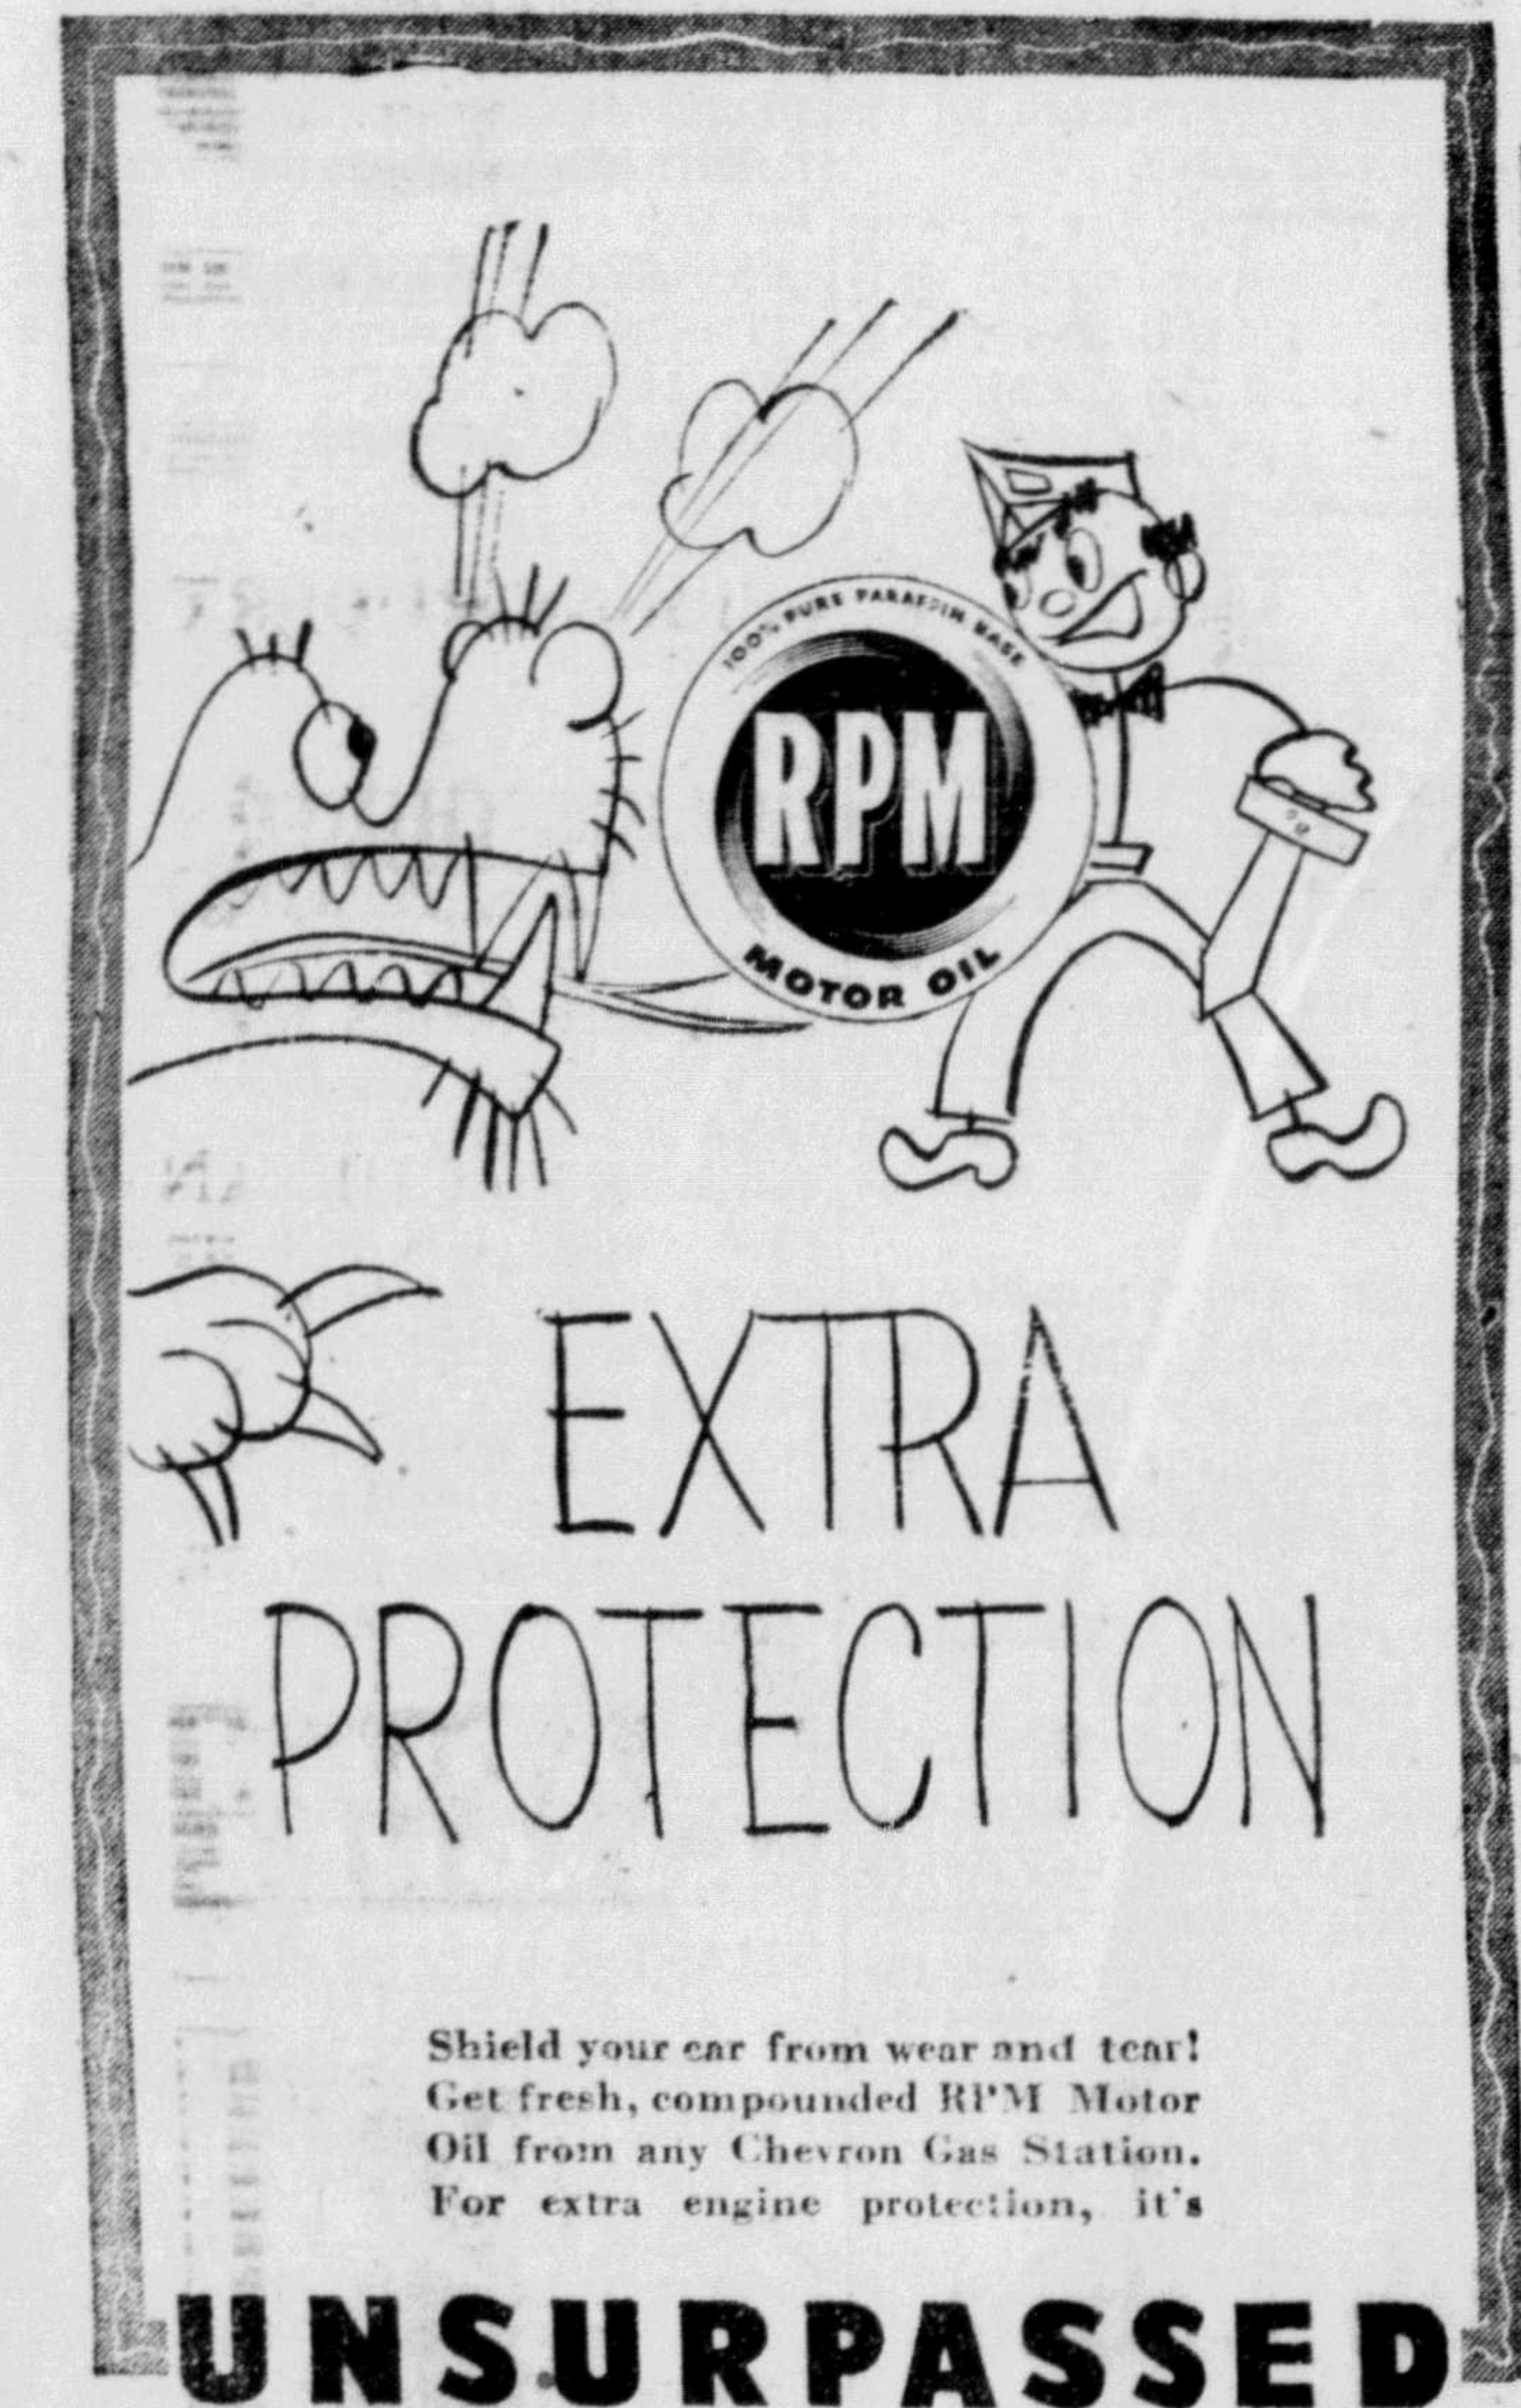

was jammed and wouldn't lower. The two pilots at first thought they would have to land the plane in Lake Ontario but, after circling the airfield for two hours, brought the plane in on its belly. Extent of damage is not known. (C. P. Photo)

Death's Handyman

WE LIKE TO RISE in our wrath and impute the rising toll of traffic accidents to all sorts of causes. Liquor stands first in our minds, and perhaps it is well, even if it isn't quite the truth, for liquor, behind the wheel, is quite a killer. But death's favorite handyman is our own stupid selves in our stupid moments. According to an extensive survey made by the Northwestern National Life Insurance Company of Minneapolis, not liquor nor any other active hazzard, but just plain dumbness was responsible for 44% of all the fatal highway traffic accidents in the United States last year. You can divide that up too. Thirty-two percent of the "dim-wits" were drivers and 12% were adult pedestrians who took a chance that the driver would save their lives in spite of themselves. Not bad roads, or bad driving conditions or bad machines, but just dumb chance-taking humans resulted in 14,000 highway deaths in the United States last year. We suspect that the average would hold here.

There are two contestants for the place of second-best killer. They are rudeness and drunkenness. They share equal dishonor. The road hog who rides the centre line and the man who jumps the gun when the other fellow has thieright-of-way are just as dangerous as the drunken driver. Each tallied 15% of all road traffic fatalities. Which ought to remind us all that you win no martyr's crown by dying at the wheel, or letting others die for you because of your stupidity or rudeness or drunkenness.

Capt. Adams Is Promoted

Well Known Naval Officer Goes to Magnificent

OTTAWA—Promotion of Captain K. F. Adams, R.C.N., 46, of Victoria and Ottawa, to the rank of Commodore and his appointment as commanding officer of the aircraft carrier H.M.C.S. Magnificent, and as Senior Canadian Naval Officer Afloat were announced yesterday by Naval Headquarters. His promotion is effective September 1, and he will take up his new duties a week later.

Captain Adams, for the past two years Director of Naval Reserves at Naval Headquarters, was born in Victoria, and graduated from the Royal Naval College of Canada in 1922. As there were no naval vacancies at that time, he entered the merchant service and obtained his master's certificate. He joined the Royal Canadian Naval Reserve in 1928 and a few months later transferred to the permanent force as a Lieutenant.

A period in the destroyer, H.M.C.S. Vancouver, and service overseas in ships and establishments of the Royal Navy followed until 1931 when Captain Adams returned to Canada for two years service in the destroyer H.M.C.S. Skeena. In December, 1935, after further service overseas, he was appointed First Lieutenant of the destroyer H.M.C.S. Champlain. He was promoted to the rank of Lieutenant-Commander in January, 1936. A year later he became First Lieutenant of another destroyer, H.M.C.S. St. Laurent.

Shortly before the outbreak of the Second World War he was appointed to R.C.N. Barracks, H.M.C.S. Stadacona, Halifax, where he was promoted to the acting rank of Commander in July, 1940, and confirmed in rank in January, 1941. He was executive officer of the barracks at the time.

From April until December, 1941, Captain Adams was in command of the auxiliary cruiser H.M.C.S. Prince David. He then returned to Stadacona as Commanding Officer of the R.C.N. Barracks.

Between February and December, 1943, he commanded H.M.C. Ships Assiniboine, Ottawa and Prince Henry, then took up an appointment as Director of Warfare and Training at Naval Headquarters. In August of the following year he was named Commanding Officer of H.M.C.S. Somers Isles, the Royal Canadian Navy's training base in Bermuda. Early in 1945 he commanded the destroyer H.M.C.S. Iroquois, and in July of that year became Commanding Officer of H.M.C.S. Stadacona, for the second time.

Captain Adams assumed command of the cruiser H.M.C.S. Uganda, in July, 1946, and was in this ship for a year before taking up the dual appointment of Deputy Chief of Naval Personnel and Director of Naval

Reserves. He relinquished the former post in June, 1949, to devote full time to his duties as Director of Naval Reserves.

Captain Adams was awarded the Greek War Cross, Third Class, by King George II of Greece, in December 1942 for his services while captain of the Prince David. The Canadian ship was one of a number of warships which escorted another carrying the Greek King from North African waters to England in September, 1941.

Early in his naval career Captain Adams qualified as a physical and recreational training officer. He has always fostered and taken a keen interest in sports and athletic programmes in ships and establishments under his charge.

FUNERAL OF VIC JOHNSON

Final rites for the late Capt. Vic Johnson of Nanaimo were held Thursday evening at B. C. Undertaker's Grenville Court Chapel. Canon Basil S. Procter of St. Andrew's cathedral officiated.

The remains were sent south on the Prince Rupert to Vancouver where burial will take place from the Home Funeral Chapel on Monday afternoon. C. D. Brown, brother-in-law of the deceased, accompanied the body.

During the service last evening the congregation sang the hymns, "Jesus, Saviour Pilot Me," and "Lead Kindly Light." Pallbearers were Frank McGowan, Harold Kenny, Billy Stewart, Rufus White, Billy McLeod and Joseph Van Walleg-ham.

NEW NATIONALIZATION

(Continued from Page One)

have expressed themselves as doubtful of the wisdom of nationalizing industrial assurance. Some opposition has come from the powerful co-operative wing of the party, which has big industrial assurance interests. There have been hints, too, that not all the Labor Party executive are agreed on this nationalization plan.

There is no opposition in the party itself to the nationalization of the cement industry. The official reason given for wanting nice plum, easy for picking—an

ship is that it would "raise the efficiency of the building industry."

The largest concern in this industry is the Associated Portland Cement Manufacturers, who control British Portland cement manufacturers. Their consolidated assets amount to nearly £24,000,000 (\$96,000,000).

Like insurance, the cement industry has also issued a memorandum opposing the nationalization plan. This statement declared that the industry was marked down for state ownership "simply because it seemed a

bilities of development of the northern line of Canadian National Railways and the port of Prince Rupert, but if the people of Prince Rupert and district did not stir themselves, Prince Rupert, despite all its advantages, would continue a second-class port.

E. T. Applewhite, M.P.-elect for Skeena declared that prosperity and industrial expansion were not a thing of the future, it was something that had already arrived and people of the area should prepare themselves to co-operate and take advantage of it. He urged that local people not worry so much about what other people were getting but to apply their energies to building up their own communities.

The convention passed resolutions urging immediate establishment of a Coast Guard service, the establishment of an airfield at Prince Rupert, the appointment of a resident of western Canada to the board of directors of the Canadian National Railways and the installation of better directional road signs from community to community along Highway Sixteen through Central British Columbia.

Jack Ewart and John McLean of the City Fire Department, accompanied by young Jimmy McLean are leaving for a ten-day fishing trip to the Bulkley Valley and Francois Lake district.

J. C. Brady, formerly chief engineer of the provincial public works department at Prince Rupert has returned from Victoria where he was ill. While not fully recovered, he is feeling much better, and plans on remaining in the north. Mr. Brady was in hospital in Victoria for about a month.

Fred LaSette who flew from Queen Charlotte Islands yesterday is leaving by train for Terrace this evening. There he will meet his daughter, Anne, who will return with him to Prince Rupert. Mr. La Sette is accompanied by his son, George.

CARD OF THANKS

I wish to extend my heartfelt thanks and appreciation for the acts of kindness and sympathy during my recent bereavement in the loss of my husband, Capt. Vic Johnson. Especial thanks to the B. C. Undertakers and Canon Basil S. Prockter.

Mrs. Frank Dolron and son Albert are sailing on the Catala for Vancouver this evening.

The city ambulance made a trip to North Pacific last evening to bring Mrs. Davis to the Prince Rupert General Hospital.

Miss C. L. Harvey who has been visiting with Mr. and Mrs. Frank Parlett is sailing on the Catala on her return to Vancouver.

CROSS ATLANTIC IN 20-FOOTER

DARTMOUTH, Eng. — Two brothers who sailed from Canada to England in a 20-foot home-made boat hope to raise money to found a "model village" on Vancouver Island.

The plan is for the settlers to speak Esperanto, an international language, from which they named their tiny sailing boat "Nova Espero," meaning "new hope." The Smith brothers, Stanley and Colin, landed here Thursday after a 43-day Atlantic Ocean crossing in their tiny vessel.

No 'yellow hue' thanks to Blue!

Oh what joy it is to hang clothes all snowy white on the line! No faded, yellow look! White sheets, towels, table linen and clothes are white when rinsed in Blue! So easy... just a swish or two of Blue in the final rinsing water—and out they come... sparkling, snowy-white!

P.S.—Seven colours combine to make white, one of these is blue. Blue must be added to make true white.

Timely Recipe

Hearty Spaghetti Casserole

¾ pound ground beef
2 tablespoons butter or margarine
½ teaspoon salt
Dash of pepper
1 10-oz. tin condensed cream of mushroom soup
1 15-oz. tin spaghetti with tomato sauce and cheese
¼ cup grated cheese
Heat oven to 350 degrees F. (moderate). Brown meat in hot fat add seasonings. Stir in soup; add spaghetti. Put into a greased 1½ qt. casserole; sprinkle with cheese. Bake at 350 degrees for 25 minutes. Makes six servings.

As a dinner suggestion, serve this with chilled grape juice, buttered fresh beets, tossed green salad, hard rolls and butter, raspberry sherbet with cupcakes, milk and iced tea.

COAST SINGER "MISS CANADA"

TORONTO (P)—Margaret Lynn Munn, willow 24-year-old North Vancouver blonde, last night won the "Miss Canada" title, \$3,000 in scholarships and the honor of representing Canada in "Miss America" contests.

Tall and talented, the west coast girl was an easy winner in the field of thirty girls who paraded before a crowd of only 1,000 in Maple Leaf Gardens.

Miss Munn, stenographer and part-time nightclub singer, who has lived in Toronto for two years, topped her performance in bathing suit with unmatched turns at the piano and microphone. She played Chopin's Minute Waltz with almost professional ease and sang an aria from La Traviata in a well-trained voice.

Annur! Convention Gets Under Way in Smithers

SMITHERS—Delegates from Prince Rupert on the west and Prince George on the east and including Terrace, Hazelton, Burns Lake, Fort Fraser and Vanderhoof are here for the annual convention of the Associated Boards of Trade of Central British Columbia which opened today with A. M. Patterson of Prince George, the president, in the chair. Alaska is also represented. The sessions, taking up a wide range of subjects pertaining to the welfare, advancement and development of the vast district, will continue for the coming two days. They will be punctuated with a round of entertainment and sight-seeing, the host body, the Smithers and District Chamber of Commerce, having extended itself in the effort to make the proceedings profitable, pleasant and memorable for the delegates.

Resolutions committee was early in session this morning, whipping many presentations from various member boards into shape for consideration by the convention.

President G. R. S. Blackaby heads a full delegation from Prince Rupert. W. J. Scott was chairman of the Prince Rupert resolutions committee.

E. T. Applewhite, M.P.—Elected for Skeena and J. D. McRae, M.L.A.—Elected for Prince Rupert, are among those attending.

Senator J. G. Turgeon is also here. G. M. Morris, assistant secretary, represents Vancouver Board of Trade.

An Alaska delegation consists of W. L. Baker and L. S. Ferris of Ketchikan and Miss Elizabeth Winn of Juneau.

MAURICE TENG SHOOTS TWO BEARS IN CITY

An encounter between Maurice Teng and two black bears which invaded the city on a berry picking expedition ended fatally for both animals Thursday afternoon when they fell before his gunfire along Hays Creek.

The young transfer operator shot the two bears—a female and a cub—while hunting in the berry-covered bushland along the creek just below the 700 block on Eighth Avenue East at 3 o'clock.

He carried a special hunting permit issued to him last week-end by Game Warden Ed Martin after he had twice spotted a large bear in the east end of the city.

However, it was not until noon yesterday that Maurice picked up the permit. Then he went hunting.

"I started in at the Hays Creek bridge and followed the creek to McClymont Park, then doubled back again," Maurice said. "I didn't see anything on the way up, but on the way back I spotted this cub running up the creek."

He shot the 60-pound cub through the back.

After that he sat down and waited for a few minutes, certain that the mother bear would be looking for the missing cub. He was right.

When she came into sight, a bullet from Maurice's .32 calibre rifle struck her behind the ear. Her estimated weight was between 400 and 500 pounds.

Maurice loaded the cub's body into his truck, then advised Game Warden Martin of the incident. Mr. Martin took pictures of the larger animal before it, too was taken away.

Maurice thinks that the bear is the same one that made an appearance at McClymont Park last week and that there is another cub in the area. The cub that was shot was obviously less than a year old and stood about two feet high.

"It was a real thrill," he said. "There is another big one—a male—prowling around and I'd like to get him, too."

Because of the warm weather, the bears' pelts are not suitable as trophies.

HERE'S WHAT HAPPENS—Drive your car against a stone wall at 55 miles an hour and you'll get about the same results as were obtained in Toronto Monday when a 1931 model car was dropped from 90 feet in the air on the grounds of Casa Loma. Two dummies were placed in the vehicle to illustrate what would happen to passengers. The photo at left shows the car just before it was dropped. Photo at right shows the results. The stunt was staged as an Ontario-wide safety campaign was launched by a service club (Kiwanis). (C. P. Photo)

LOIS THOMPSON SELECTED QUEEN OF CARNIVAL, CORONATION TONIGHT

Eighteen-year-old Lois Thompson will be crowned Queen of the Civic Centre Carnival tonight following her selection by a panel of judges as first choice in the Beauty Contest against 11 competitors.

Final judging in the contest was completed last night during the Carnival stage show after the bevy

of bathing suit-clad girls had been presented to the audience from the Civic Centre stage.

Her victory followed a series of judging sessions during the early part of the Carnival week in which the girls, in groups of six, were given marks for beauty of face, figure and personality.

Queen Lois' two princesses will be sisters—Nina and Lorraine Youngman who were awarded second and third places respectively in the competition.

The full pomp associated with the coronation of Civic Centre Carnival Queen will be on display this evening when Miss Thompson receives her crown.

Miss Thompson's selection was announced to the crowd in the Civic Centre auditorium immediately after the completion of judging by T. Norton Youngs, chairman of the Queen Committee, who then introduced the three winners and the nine other contestants.

Mr. Youngs then presented the Queen-elect with the \$100 first prize. Nina Youngman received \$50 second prize and Lorraine Youngman \$25 third prize.

Each of the 12 contestants also received an award for taking part in the competition.

Large bouquets of mixed flowers were presented to each of the winners by Marjorie Brain.

CANADIAN REUNION AT SYDNEY, AUSTRALIA—It was like a family reunion recently at the home of M. R. M. Dale, acting commercial counsellor for Canada in Sydney, Australia. Several visiting Canadians attended a reception at the Dale home and almost all the city's Canadian colony were present to present their respects. Chatting with the Dales are Grant McConachie, left, air lines president, and Senator James A. McKinnon, former minister of trade and commerce.

MEET THE BAYLEY'S—ALL 16 OF THEM—Harry "Bud" Bayley, of Troy, New York, had something of a "bee in his bonnet" when it came to finding names for his brood of 14 Bayleys. He decided to stick to the second letter of the alphabet and called them (left to right) Beverly, 18; Buddy, 17; Barry, 16; Barbara, 14; Bette, 13; Mrs. Harry Bayley; Benjamin Neale, one; Mr. Harry Bayley; Bradley, 12; Brian, 10; Bernice, eight; Blake, seven; Brenda, six; Bernadette, four; Beryl, three; and Bernard, two. To meet the family budget plan, dad is active as a florist, expert accountant and director of mail service.
