Devaluation Means Cheaper British Goods In U.S. And Canada

Wide Financial Action As Britain's Move

AIMED TO STIMULATE U.K.'S TRADE BUT BRITONS MUST WORK MUCH HARDER, CRIPPS SAYS

(CP)—Prices of British goods on North American markets will take a sharp drop as a result of the devaluation of the pound, it was predicted here today by Sir Stafford Cripps' momentous announcement Sunday night.

The pound was brought down from \$4.03 to \$2.80 and the move brought similar action in other countries.

The devaluation was aimed at increasing Britain's power to earn dollars for "that's the only permanent solution to our difficulties."

Britain's money move touched off the biggest world-wide round of financial juggling since the days of the depression. Eleven countries whose trade is closely linked with Britain followed suit, cheapening their currencies. Others are expected to join soon.

Within a few hours, similar moves were announced by Australia, South Africa, India, New Zealand, Ireland, Israel, Norway, Denmark and Burma.

France, Italy, Sweden, Holland, Greece and Finland suspended bank dealings in foreign exchange.

In Canada, linked by trade ties with Britain but whose money mainly follows United States dollar routes, Finance Minister Abbott promised a statement to Parliament tonight. Simultaneously, the Canadian government ordered suspension of foreign exchange dealings until tomorrow.

There was speculation at Ottawa that the government might devalue the Canadian dollar—officially at par with the United States dollar, but actually discounted from six to 10 cents in day-to-day trading on the New York free market.

In London today, Sir Stafford Cripps said that Britons "must redouble all our efforts" to export goods now that the pound has been cheapened.

Reviewing results of the Washington dollar talks, the Chancellor of the Exchequer told a press conference: "We agreed to create appropriate incentives to export to the dollar areas and make a vigorous attack on production. We have created the incentive all right."

"If we are to succeed in reaching a long-term solution to the dollar-sterling area problem, we must regard it as a joint one, requiring joint action."

That, Cripps added, was the object of the Washington conference.

Stork Wins Race With Ambulance

A race between the city ambulance service and the stork this morning at 7:30 was won by the stork, as a bouncing baby boy was born to Mrs. R. Robinson of Port Edward. The event occurred halfway between Port Edward and the city hospital with fireman Jack Ewart acting as midwife and fireman Jack Franks driving the ambulance. The nurses took over from Mr. Ewart at the General Hospital.

The fireboys seemed to be very proud of their accomplishment considering it was the first time that the stork has won out against them.

Mr. Ewart says he was glad that everything turned out all right.

COMMONWEALTH TRIBUTE—British Empire Service League conference delegates from all parts of the Commonwealth pay tribute to war dead in a ceremony at the National War Memorial in Ottawa. Viscount Alexander, the governor-general, salutes directly in front of the cenotaph after placing the first wreath. (C. P. Photo)

MILITANT ATTACK ON FORCES OF EVIL KEY TO SALVATIONIST LIFE

Col. Gilbert Best Speaker at Citizens' Rally in Citadel on Sunday Afternoon

The Salvation Army's militant stand against liquor, vice, sickness and poverty was emphasized Sunday afternoon by Col. Gilbert Best, of Toronto, the Army's field secretary for Canada, Newfoundland and Bermuda, at a citizens' rally at the Citadel.

Col. Best, who arrived in the city Saturday night from the interior, is here in connection with the fifty-fifth annual summer congress which concludes this evening.

Sunday's rally was attended by a gathering which filled the Citadel and was taken part in by two business leaders and by three clergymen from other Protestant denominations. Chairman was L. M. Felsenthal, who headed the Salvation Army's Red Shield campaign this year.

Speaking on the subject "Our Standing Army," Col. Best pointed to the increasing awareness in Canada of the need for a trained standing military army as a safeguard for peace.

"True democracy prepared will never be a bedfellow of militarism," he said. "We want to see the peace of the world preserved and we must be prepared to effectively safeguard it."

This analogy he carried over to the field of Christianity, declaring that the "standing army" he wished to speak about is a "christian army—united and including all the churches of Christendom."

"We need such an army to combat the great powers of evil which are abroad," he declared.

The Salvation Army he described as one of the battalions of this great and uncompromising Christian army which must militate against evil forces.

The liquor trade with its great economic waste and debauchery of human lives is one of the enemies of the Christian way of life. He described "social" drinking as one of the great evils of the times.

"If we could put a stop to the practice of 'treating' we would do much to stop the drink evil," he declared.

In its battle against vice, the Salvation Army has a number of homes which are designed to restore and rehabilitate those who have fallen.

"One of the encouraging things about our work in this regard is the fact that so few who receive help fail us. Only a very small percentage slip a second time."

In its struggle against sick-

BELGIAN SHIP IS AGROUND

NEW YORK (CP)—The 2,500 ton Belgian steamship Brabant was reported aground today off the southern coast of Cuba. A tug is enroute to her rescue.

COAL STRIKE THREAT MOUNTS

WASHINGTON (CP)—Danger of a country-wide coal strike in the United States mounted over the week-end, but hopes brightened for averting a threatening steel strike.

The 400,000 coal miners were expected to stay away from the pits today because their welfare fund trustees and John L. Lewis voted to suspend their pension and other benefit payments.

The union is running out of money for the fund and some operators, with contracts with Lewis expiring, refuse to pay the 20-cent a ton royalty to the fund.

Meanwhile, members of the Steelworkers Union (CIO) agreed to send representatives to a meeting with the federal conciliation service after the government stepped into the dispute.

CHICAGO PRINTERS RETURN TO WORK

CHICAGO (CP)—More than 1,500 American Federation of Labor printers voted to end their 22-month-old strike against five Chicago newspapers Sunday. The publishers said the strikers would be put back to work as soon as possible.

The settlement falls short of the demands for which the printers struck in November, 1947. It calls for a \$10 a week raise while the original demand was for \$14.50.

FINED \$55 ON FOUR COUNTS

Joseph Daniels appeared before Magistrate W. D. Vance in the local police court Saturday and pleaded guilty to four charges which arose out of a collision with a taxi on September 10 on Seventh Avenue.

The penalties were on two charges of common assault, ten dollars or five days on each; for failing to give half of the highway under the Provincial Highway Act, ten dollars or five days, and for obstructing an officer of the law, twenty-five dollars and three-fifty costs or fourteen days.

The fines were paid on all counts.

Arresting officers were Constable White and Turner of the city police.

Hopes Rise That Death Toll In Toronto Fire Maybe Lower

TORONTO (CP)—Hope grew today that the feared death toll of the Noronic disaster might lighten, although there was nothing concrete to inspire the hope. It was just a buoyant thought that eased the task of searching for the dead.

As the hours passed from the time early Saturday morning when Toronto's officials felt "almost certain" that the death list would total more than 200, it seemed possible that the ghastly toll would not reach that figure.

Figures early today were little changed from those given a few hours after the Canada Steamship Lines cruise ship burned at its harbor pier within reach of all the modern fire-fighting apparatus of Canada's second largest city.

In the temporary morgue at the Canadian National Exhibition's horticultural building were 121 bodies of the 684 passengers and crew members. There were 479 known survivors. Eighty-four persons were unaccounted for.

The hope that the death toll might not be as high as or-

Atlantic Pact Countries Confer Against Background of Red Might

WASHINGTON (CP)—Twelve determined western powers shouldered mutual military responsibilities Saturday under the Atlantic Pact. Reports of mounting Russian armed strength painted a sombre background for their decision.

The foreign ministers of the Atlantic Alliance countries meeting for the first time as a council, ordered immediate steps be taken to draft "unified defence plans" for the entire north Atlantic area.

While they met, two committees of the United States Senate reported formally that Russia has more than 5,000,000 men under arms and appears to be carrying on a "deliberate" policy of adding to her military strength.

In its smooth-running session Saturday, the Atlantic Council created a cabinet-level defence committee, set up a half-dozen top-ranking military planning groups and decided on Washington as the alliance headquarters.

PEARSON MAY HEAD POLITICAL U.N. COMMITTEE

LAKE SUCCESS—The United Nations secretariat wants the most efficient diplomat available for chairman of its stormy political committee of the General Assembly—and it is rumored that Canada's Lester B. Pearson is the man for the job.

Some say his nomination, which is being taken for granted, will set him up for Assembly president in 1950.

Brigadier Carlos P. Romulo of the Philippines, the last political committee head, is regarded as a sure bet for the presidency this year. Herbert V. Evatt of Australia presided at the last session.

HUNGARIAN ADMITS GUILT

BUDAPEST (CP)—Lieut. General Gyorgy Palfy, former chief inspector of the Hungarian Army, confessed in court today that he and his co-defendants had plotted to assassinate Hungary's top government officials last May.

He said the planned putsch failed because the government had arrested Laszlo Rak, former communist minister of foreign affairs. Rak admitted his guilt yesterday.

Palfy said the plot had Yugoslav assistance and that the plotters would have seized the country.

Eight defendants are charged with treason.

HUGE CACHE OF BAD MONEY TAKEN

GUELPH, Ont. (CP)—A cache of \$42,000 in counterfeit \$10 bills was seized early Sunday by the Royal Canadian Mounted Police and city police—the largest find since counterfeit money began circulating recently across Canada.

Police arrested Frank Cipolla, 32 and charged him with possession of counterfeit money.

They said the bills generally were "excellent reproductions."

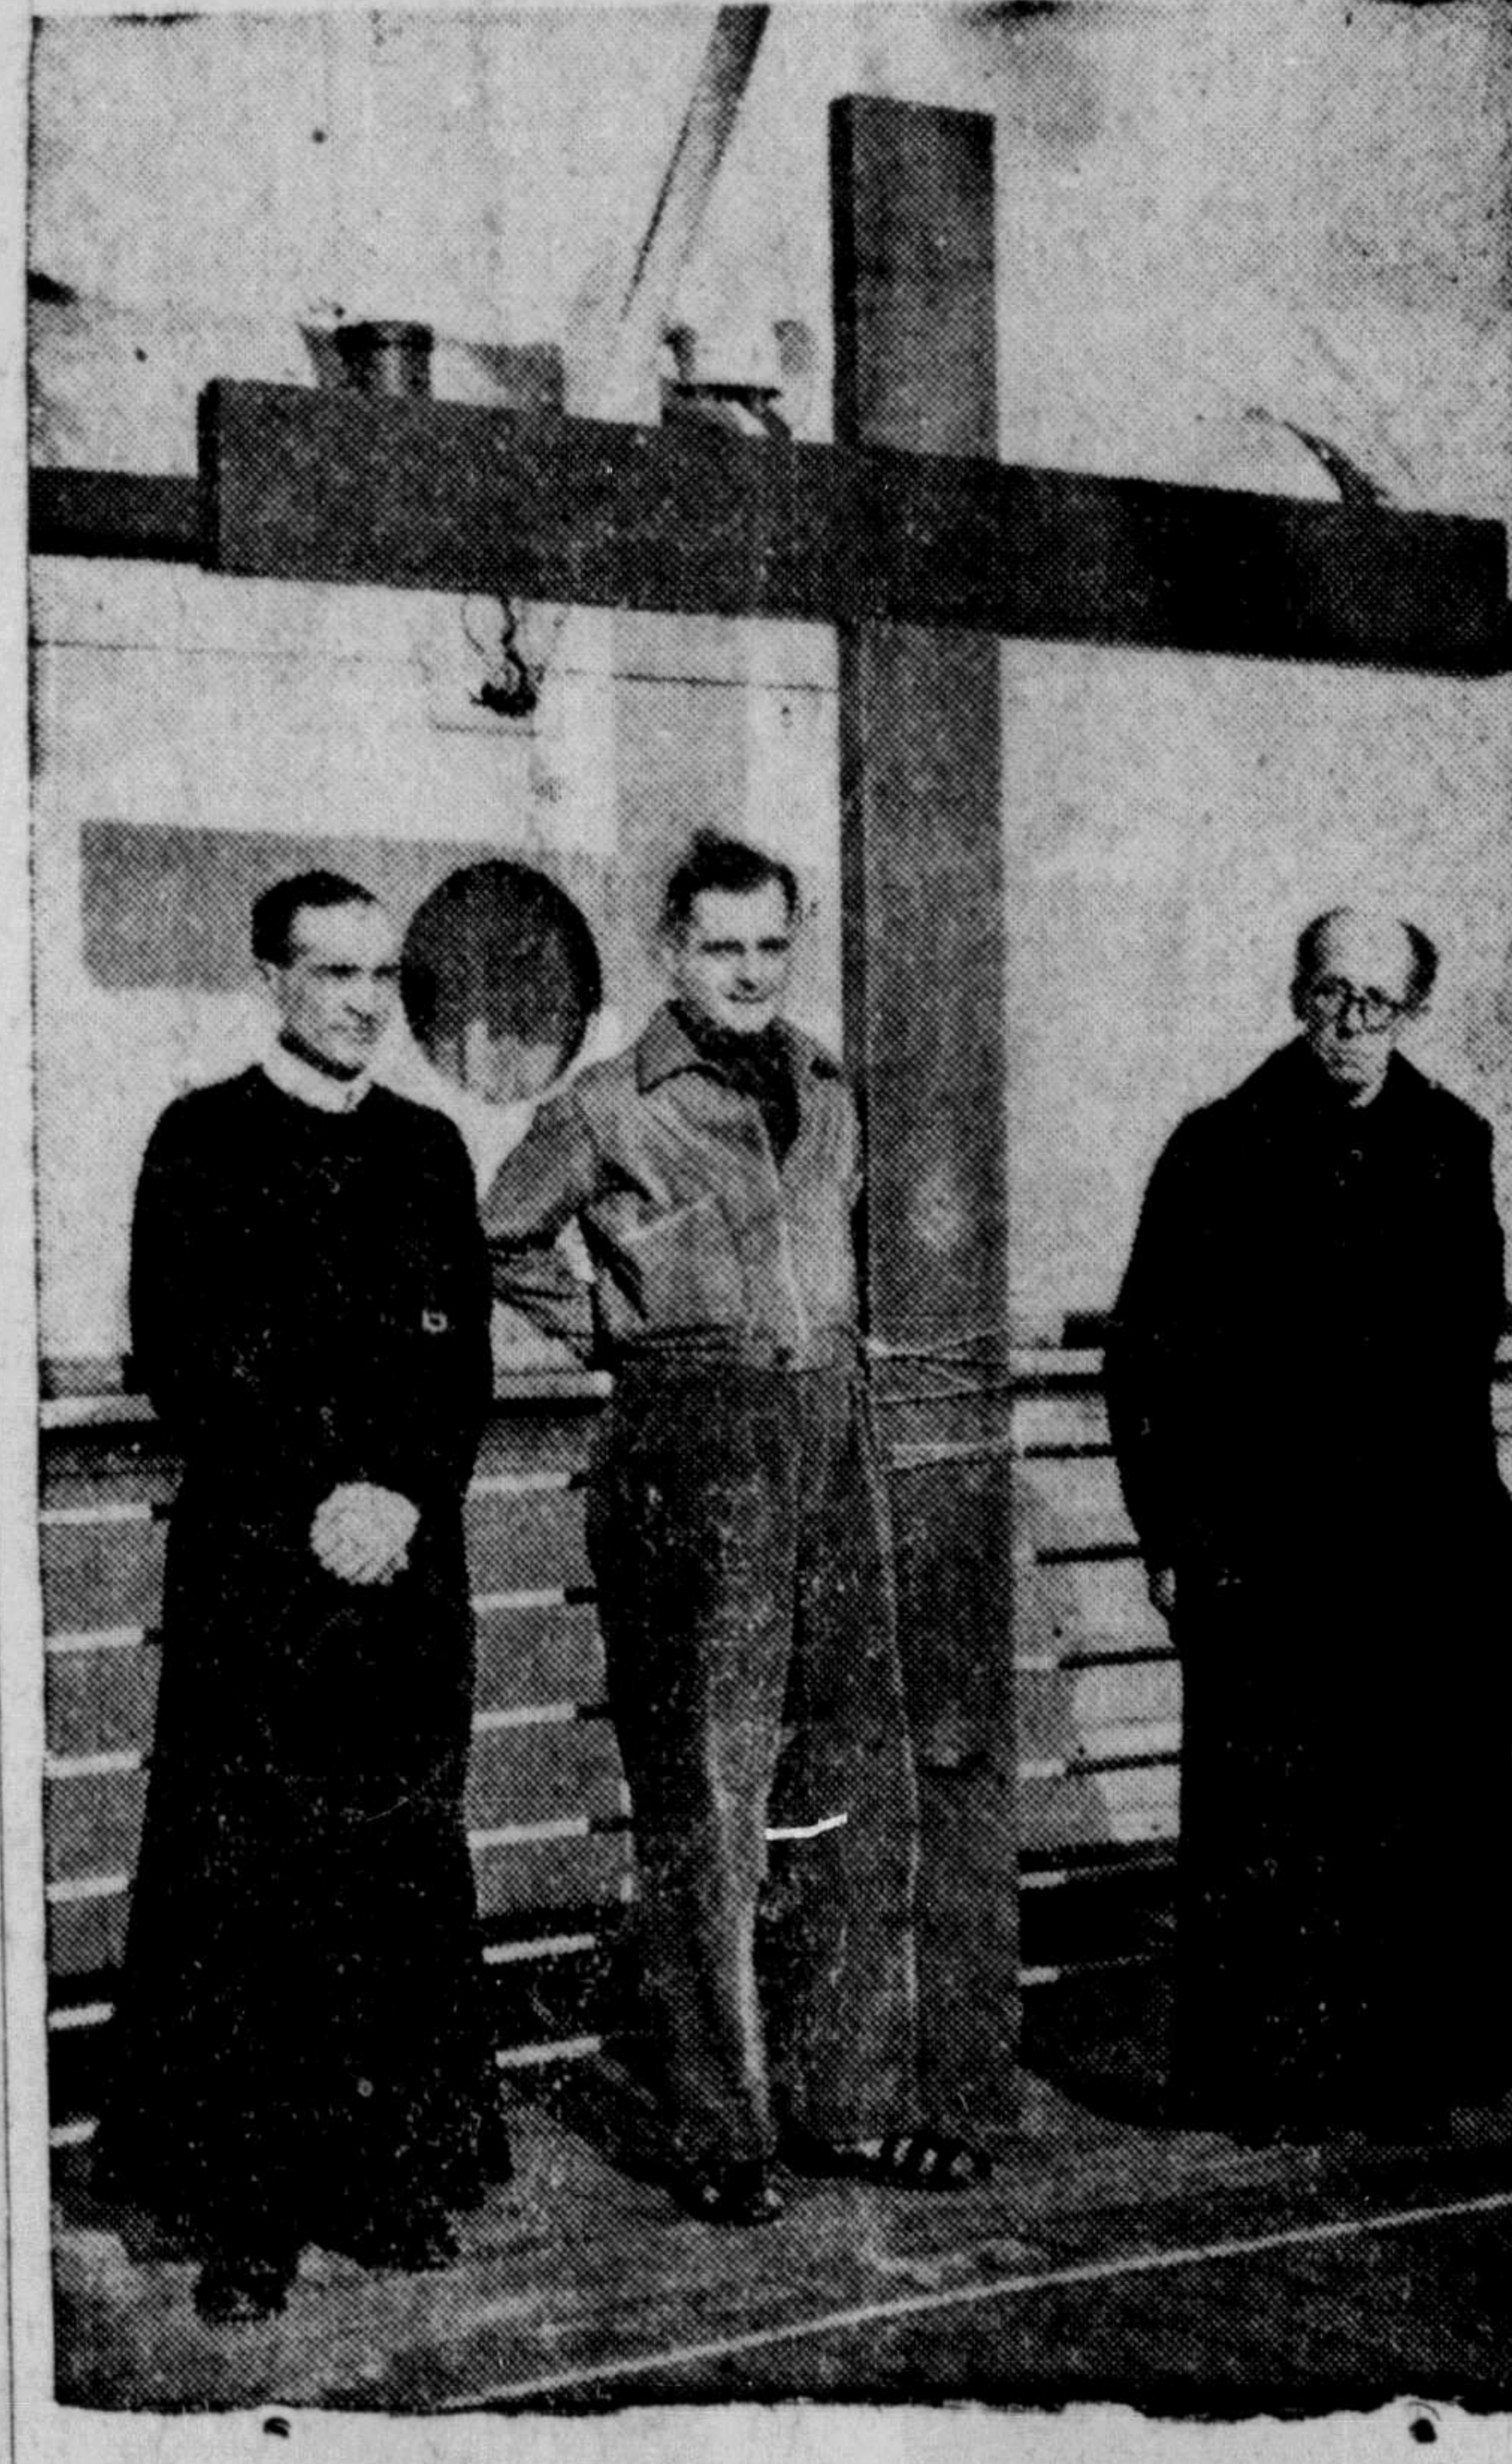

HAPPY CHANDLER GETS SUMMONS

NEW YORK (CP)—Baseball's commissioner A. B. Chandler, appeared in court today on a federal subpoena probing the business secrets of the national game. He was summoned for "examination on complaint" preliminary to the trial of Danny Gardella's \$200,000 suit against organized baseball.

Authorities as survivors. Efforts are being made to track down these unknown survivors.

Plans for a memorial service, to which civic officials and clergymen from Rochester, Cleveland and Detroit will be invited, are being made.

Devaluation

DEVALUATION of the pound sterling did not come as a surprise, but what was received with astonishment was the length to which it went. A thirty percent further reduction means that today the pound sterling is \$2.80. Sir Stafford Cripps, British Chancellor, made the announcement Sunday, and what he said made a profound impression.

It is not so long ago that Mr. Cripps told parliament the Labor Government had not the slightest intention of devaluing the pound. However, it was after this, that rumors became current of the possibility of a changed policy, particularly after the heads of the International Monetary Fund and the World Bank commenced urging such a course on the dollar shortage countries.

In the British Isles, the effect on Labor, and for that matter, the general run of wage-earners and public generally, cannot be immediately felt. It is a situation that, so far as this generation is concerned, has never been faced before. It is true that in certain respects, the record of the Attlee Government has been good, but it is equally true that despite what has been accomplished, the drain on national reserves had not been overtaken. This was a position of affairs that had to be corrected, if true headway and the final achievement of seeing the country on a sound and progressive footing were to be reached. It had come to the point where more dollars were to be earned, or fewer dollars spent.

Today, in various countries, stock exchanges are closed, these including the United States, Canada, Ireland, France, Sweden, Denmark, India and Australia, but this suspension will be of brief duration. The momentous step that has been taken, so far as can be judged at the present time, is regarded by the British government with satisfaction, but there will have to be national co-operation, unity and the will, once the start has been made, to carry on until real stability is in sight.

It is rather early to consider what effect, if any, the devaluation of pound sterling will have on the Canadian dollar, although an announcement can be expected from the Department of Finance at Ottawa.

Great Britain needs what Canada has to sell. Wheat, bacon, eggs are but a few of the standard commodities required overseas. Canadian currency, of course, is only a small part of the vast total of currencies throughout the world, which are certain to feel a reaction as the natural result of so drastic a change in pound valuation.

Lillian Franklin Is Honored

A pleasant evening was spent at the home of Mr. and Mrs. L. Franklin, Lotbiniere Street, Thursday evening when they entertained in honor of their daughter, Lillian, who leaves Vancouver September 20 for Australia. Mrs. Jack Christenson assisted the hostess in serving

a dainty lunch to the 18 friends who gathered for the occasion. Miss Franklin left the city yesterday for Vancouver and will leave for Australia Tuesday.

A chimney fire at the home of H. Rensvald, 102 First Avenue West was attended by the Fire Department last Friday afternoon at 3:45 but no damage was done to the building.

MAN'S VISION OFTEN DISTORTED

Speaking on the question, "What went ye out for to see?" Rev. Lawrence Sieber at the First United Church yesterday forenoon said that people generally saw what they wanted to see. Life holds up a mirror to the individual but the individual does not look at the reflection honestly. He makes excuses for his own actions or failure to act.

Some look at life as a prison house, others look out from life with a vision of what can be done. Yet the world itself is not divided. Nature is the same for all. Estrangements and differences are man-made. Co-operation will bring us to the "open door" whose possibilities are innumerable. We must abolish fences and learn to live together.

At the evening service Mr. Sieber emphasized the fact that mankind is a problem. That means that we ourselves are responsible. We often see that there is a problem but instead of working for the solution we aggravate the problem.

There are problems of traffic accidents and we blame the other person. There are problems in our city and we blame others. It is not good enough to say that "Prince Rupert is as good as some other city." It should be as good as the citizens can make it and that depends on how good they wish to make it.

There are folks whose life and actions are part of the solution. There are many who are part of the problem. There is a need for the church in every community and a rare opportunity for every individual to take his part in making the church a powerhouse for the work of God.

In the morning service the baptism of Raymond McLean took place. The junior choir sang a special number. In the evening service the senior choir led the singing. Henry A. Plum was organist.

NAVIGABLE WATERS PROTECTION ACT
R.S.C. 1927 Chapter 140
SHELL OIL COMPANY OF BRITISH COLUMBIA LIMITED hereby gives notice that it has, under Section 7 of the said Act, deposited with the Minister of Public Works, at Ottawa, and in the office of the District Registrar of the Land Registry District of Prince Rupert at Prince Rupert, B. C., a description of the site and the plans of a marine service float and float approach proposed to be constructed and moored over a portion of lot "A" of Waterfront Block "E," Map 1161, Prince Rupert, B. C., AND TAKE NOTICE THAT after the expiration of one month from the date of the first publication of this notice the Shell Oil Company of British Columbia Limited will under Section 7 of the said Act apply to the Minister of Public Works at his office in the city of Ottawa, for approval of the said site and plans. DATED this 8th day of September, 1949.

ENTERPRISING NEWSPAPERMEN — Two Vancouver newspapermen, posing as spooners in a parked car in Vancouver's Stanley Park, captured and subdued a man believed to be one of the marauders of "Lovers Lane," following a wave of assaults and robberies in the park. Reporter Don McClean, left, disguised as a woman, holds John Kenneth Clark, a laborer who was later convicted, while Photographer Ray Munro, who enacted the role of boy friend, snaps the picture. (C. P. Photo)

JUNEAU BOAT TOWED HERE

The 58-foot halibut boat Ocean Cape, of Juneau, was towed to Prince Rupert Sunday morning for engine repairs after she had been adrift for several hours at the northern entrance to Grenville Channel, 20 miles south of here.

The Ocean Cape, packing salmon from Alaska to Seattle, sent out a call for help Saturday night after her engine broke down.

The call was answered by Armour Salvage Co. which sent out the tug Kaien I. The tug contacted the helpless vessel near Watson Rock at 2 a.m. and docked here with it in tow at 7

BOY HURT IN FALL FROM TREE

Young Robert Cameron, son of Mr. and Mrs. Bert Cameron, 1070, Eleventh Avenue East, suffered a severe cut under the armpit yesterday when he fell from a tree in which he was playing and caught in a fork on the way down. Several stitches were required to close the wound and young Robert is resting in General Hospital today.

Mr. and Mrs. Mac Ford of Guernewood Park, California are visitors in the city, guests of Government Agent and Mrs. Gordon Forbes. Mr. Ford is a brother of Mrs. Forbes. They arrived in the city Sunday evening on the Catala.

The Ocean Cape carried a crew of six. She probably will be here for several days for repairs.

Ray Reflects and Reminisces

It is estimated that Canada's wheat crop this year will be about twenty million bushels less than what it was a year ago. This will be a matter of profound indifference, so far as the grain elevator, situated at Prince Rupert, is directly or indirectly concerned.

The R.C.M.P. not always appear in scarlet tunic and broad brimmed hat. Sometimes they appear and act, differently. There are occasions when at all costs drugs must be bought to satisfy that merciless craving. From whom? Here's where evidence that cannot be shaken comes in. Getting convictions and seizing narcotics is an exacting sort of business. There is a lot to know. That \$80,000 raid in Montreal the other day, is a case in point.

Daylight saving for 1949 will end in about another week. It is too much to expect that this forth right intrusion into people's preferences—this fad of fads—will not be back in 1950. In all likelihood, it will. There happens to still be a very determined and vocal minority, bent on having its own way.

Los Angeles newspaper boys, winners in a circulation contest, passed through town Friday. Two features of the trip had impressed them—kindness of people and British Columbia scenery. That's publicity of value. Leave it to the boys to describe each.

The St. John, N.B. Drydock Ltd., which landed the big repair job made necessary when the aircraft carrier Magnificent ran on a Nova Scotian reef, has also been awarded a contract to construct a mine sweeper. Must make bluesoes think of the wooden shipbuilding days when

the boom lasted nearly fifty years.

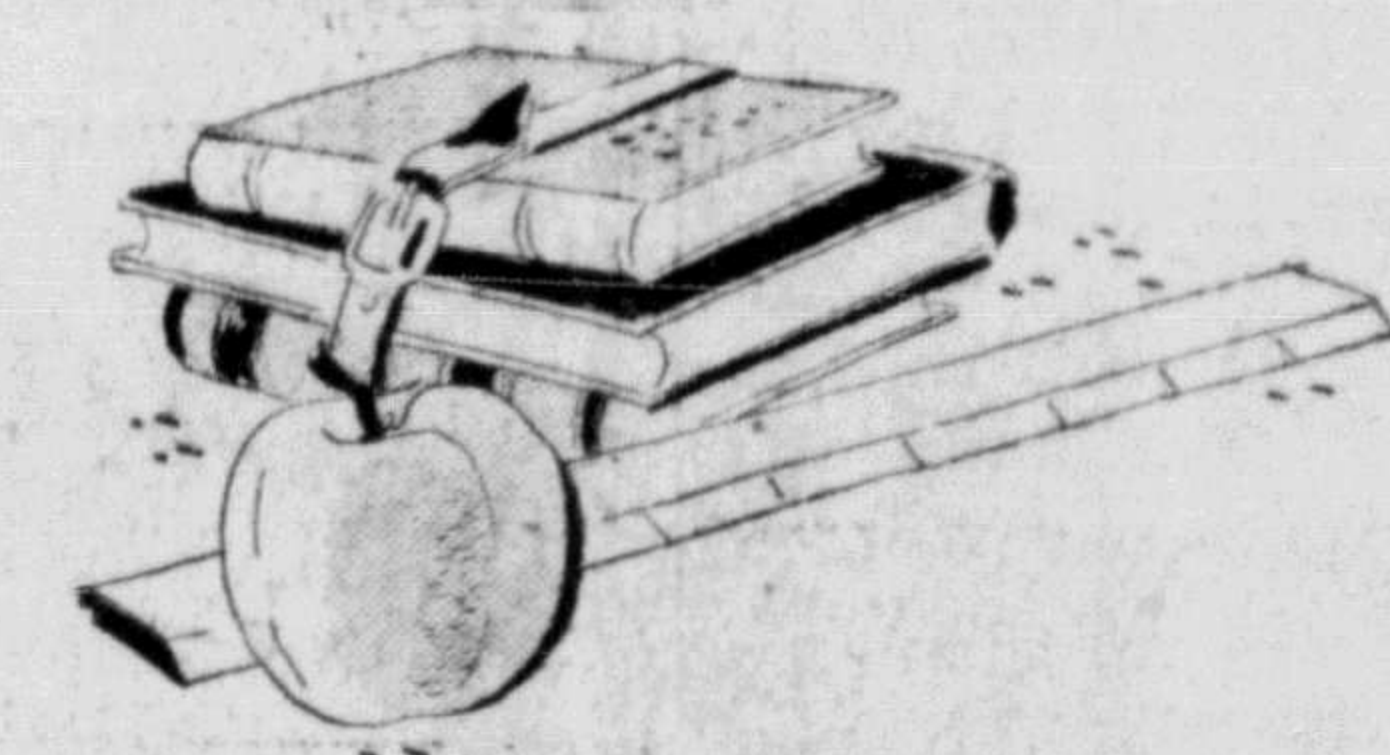

The romantic north coast of British Columbia is where men go to when they feel the necessity of forgetting the past, according to a Toronto periodical. It is the land that beckons, when circumstances arouse the need of finding seclusion and silence. It is their place of retirement when they crave, if not isolation, a privacy not easily broken. The story, largely a flight of fancy has nevertheless an element of truth, but it places the coastal region of the Pacific province, now coming into greater prominence, in a somewhat misleading light.

To Investigate Alaska Natives

WASHINGTON — A seven-man team leaves here next Friday to study conditions among the natives from the Aleutians to the Bering Strait off Siberia, the Interior Department announced today.

Miss Joan Cannon of the Queen Charlotte Airlines rushed by plane from here to Toronto on Saturday after receiving a telegram that her mother was seriously ill in that city.

The death took place at Vancouver Friday evening of Mrs. Elizabeth Passerine, mother of Mrs. A. W. Allaire of Prince Rupert. Mrs. Allaire was called south a month ago on account of her mother's illness.

Mr. and Mrs. Jack Mussallem returned to the city Sunday from a six weeks holiday trip to Prince George, Winnipeg and Kelowna. They motored to Prince George, flew to Winnipeg, then returned to Prince George and motored south.

FRANK MORGAN FOUND DEAD

HOLLYWOOD—Frank Morgan, well known screen star, was found dead in bed Sunday morning. He was 59-years old. He was found by his wife, who at first thought he was sleeping late. Later, efforts of an inhalator squad were unable to revive him.

PRESENTATION TO MAYOR ARNOLD

Mayor Mrs. N. Arnold Saturday was the recipient of an attractive twin pen, desk set which was presented by N. Y. Knox on behalf of the Shell Oil Company of B. C.

Mr. Knox, who is the General Manager of the Company, in making the presentation said, "Since my last visit here four years ago I find that there is a very different feeling in the air about the future and I think the people of Prince Rupert have what it takes to make this country great."

"I was particularly surprised to find that they have a lady Mayor here but since meeting Mayor Arnold I see they have made a wise choice. As the representative of the people I want you to accept this little remembrance of the opening of the Shell company and my sincere best wishes that the future of Prince Rupert shall be great."

Borden's IRRADIATED EVAPORATED MILK

"If it's Borden's it's GOT to be good!"

NEW SALVATION ARMY LEADER TO BE INAUGURATED

A change of command in the Salvation Army's Prince Rupert organization will become effective tonight with the inauguration of Senior Capt. William Poulton, M.B.E., formerly of Toronto, as commander of both the division and corps here.

Senior Capt. Poulton, who with Mrs. Poulton arrived in the city Saturday night, will replace Senior Major C. Warrender in charge of the Salvation Army division and Major W. Yurgensen, Corps commander in a consolidation of command.

Senior Major and Mrs. Warrender leave tonight for Orillia, Ontario, where they will take charge of the Army's northern Ontario division.

Major Yurgensen will leave Friday for Winnipeg where he will be posted for the next two months before proceeding to Johannesburg, South Africa, on mission work. Mrs. Yurgensen and their three children, Wilfred, Shirley and Julia will spend the next two months at Victoria before joining Major Yurgensen en route to Africa.

Senior Capt. Poulton, who recently has been attached to the West Toronto Corps, had a distinguished wartime record for which he was awarded Member of the British Empire recognition. Between 1940 and 1945 he was Salvation Army Force Director with Canadian Army headquarters overseas. During that time he served in England, Italy, France and Germany.

St. Peter's Church, Seal Cove, was the scene of a wedding Friday evening which joined Miss Margaret Woods, eldest daughter of Thomas Woods of New Westminster and Newton Robert Powell, son of Mr. and Mrs. Henry N. Powell of 1501 Eighth Avenue East. Archdeacon E. Hodson officiated in the presence of family members and a few close friends.

Wearing a grey suit with maroon accessories, the bride was given in marriage by Richard Howell. Her corsage was of red roses. Bridesmaid was Miss Nancy Hoff, whose costume was a grey suit with navy blue accessories. Her corsage matched that worn by the bride.

Groomsman was Ronald E. Powell, brother of the bridegroom.

Following the ceremony, about 30 friends attended a reception at the home of Mr. and Mrs. M. Schwab.

The couple have taken residence at 1348 Piggot Avenue. The bridegroom is employed by Northern B. C. Power Co.

His inauguration tonight will take place at the final public rally of the Salvation Army's annual summer congress at the Citadel.

His work here will include the duties formerly performed by separate divisional and corps leaders.

COUPLE JOINED AT ST. PETER'S

St. Peter's Church, Seal Cove, was the scene of a wedding Friday evening which joined Miss Margaret Woods, eldest daughter of Thomas Woods of New Westminster and Newton Robert Powell, son of Mr. and Mrs. Henry N. Powell of 1501 Eighth Avenue East. Archdeacon E. Hodson officiated in the presence of family members and a few close friends.

Wearing a grey suit with maroon accessories, the bride was given in marriage by Richard Howell. Her corsage was of red roses. Bridesmaid was Miss Nancy Hoff, whose costume was a grey suit with navy blue accessories. Her corsage matched that worn by the bride.

Groomsman was Ronald E. Powell, brother of the bridegroom.

Following the ceremony, about 30 friends attended a reception at the home of Mr. and Mrs. M. Schwab.

The couple have taken residence at 1348 Piggot Avenue. The bridegroom is employed by Northern B. C. Power Co.

LOCAL NOVELTY PROGRAM AIRED

A program of stories, novelty songs and poems, prepared especially for children of Prince Rupert is being broadcast every afternoon over station CFPR. The program is produced and narrated by Joe Goscoe.

The rough use of trick recording techniques, a feature starring "Coco, the Troubadour" is given wide scope for musical expression. His vocal antics are expected to attract children and adults alike.

Length of the series is indefinite. It is being sponsored by a city business firm.

Regular As Day—Without Laxatives

"Constipation was my bogy for years and harsh laxatives made things worse. Since eating KELLOGG'S ALL-BRAN, I am regular as day, more alert in my work. Publish this letter, it may help others." *voluntarily writes draughtsman A. Mc. C. Little, 114 Sixth St., Midland, Ont.*

Are you irregular due to lack of bulk in the diet? ALL-BRAN may correct your trouble. Eat an ounce of crisp, flavourful ALL-BRAN daily, drink plenty of water. If not satisfied, send empty carton to Kellogg's, London, Ont. Get *double* your money back!

Australian Gov't Tightens Radio Laws as Election Nears

By ANTONY WHITLOCK
(Canadian Press Correspondent)

SYDNEY, Australia—The Labor government, facing a general election in three months, has toughened its ban on some types of political discussion by radio.

Through its broadcasting control board it has ruled out any political broadcast which contains acted conversations or attempts to create "dramatic situations" for political purposes.

This action follows a recent ban by the New South Wales State government of any press comment whatever for 72 hours before a State election.

Most of Australia's 140 radio stations are owned by private firms. Surveys indicate that at least 90 percent of Australia's 1,500,000 radio sets, are tuned to the commercial stations in preference to the government's stations.

For several years the Opposition Liberal party has been providing dramatical political broadcasts over the commercial outlets. These programs in which a

character named John Henry Austral figured prominently, stirred considerable public interest.

The presentation of incidents and debates unfavorable to the Labor party caused more than a little heartburning in government circles. Last year the administration came up with a broadcasting bill giving a new control board strong control powers over all stations.

The act forbade any broadcast dramatization of political happenings within five years of the event; but the John Henry Austral broadcasts went on with token amendments, and only a few faint-hearted commercial stations refused to accept them.

Then, because of the coal strike in July and August, the Liberal party was unable to get new recordings made and tried to re-play some old ones. Most of the stations, dependent on the government's goodwill for their existence, jibbed.

Now the control board has forbidden political broadcasts which

contain "any attempts to give the impression or produce the effect of reality or actuality in any address or discussion by the use of sound effects. Any attempts to use dialogue between any persons or characters, named or anonymous, real or fictitious, where these persons are represented by actors or other persons who read or act parts. Any simulated voices."

MEN'S FIVE-PIN BOWLING LEAGUE STARTS MONDAY

The first of organized league bowling of the 1949-50 season will commence at the new Rupert Bowling Alleys tonight. The Men's Five-Pin Bowling League gets under way boasting this year many improvements and innovations made possible by the modern construction and conveniences of the new alleys.

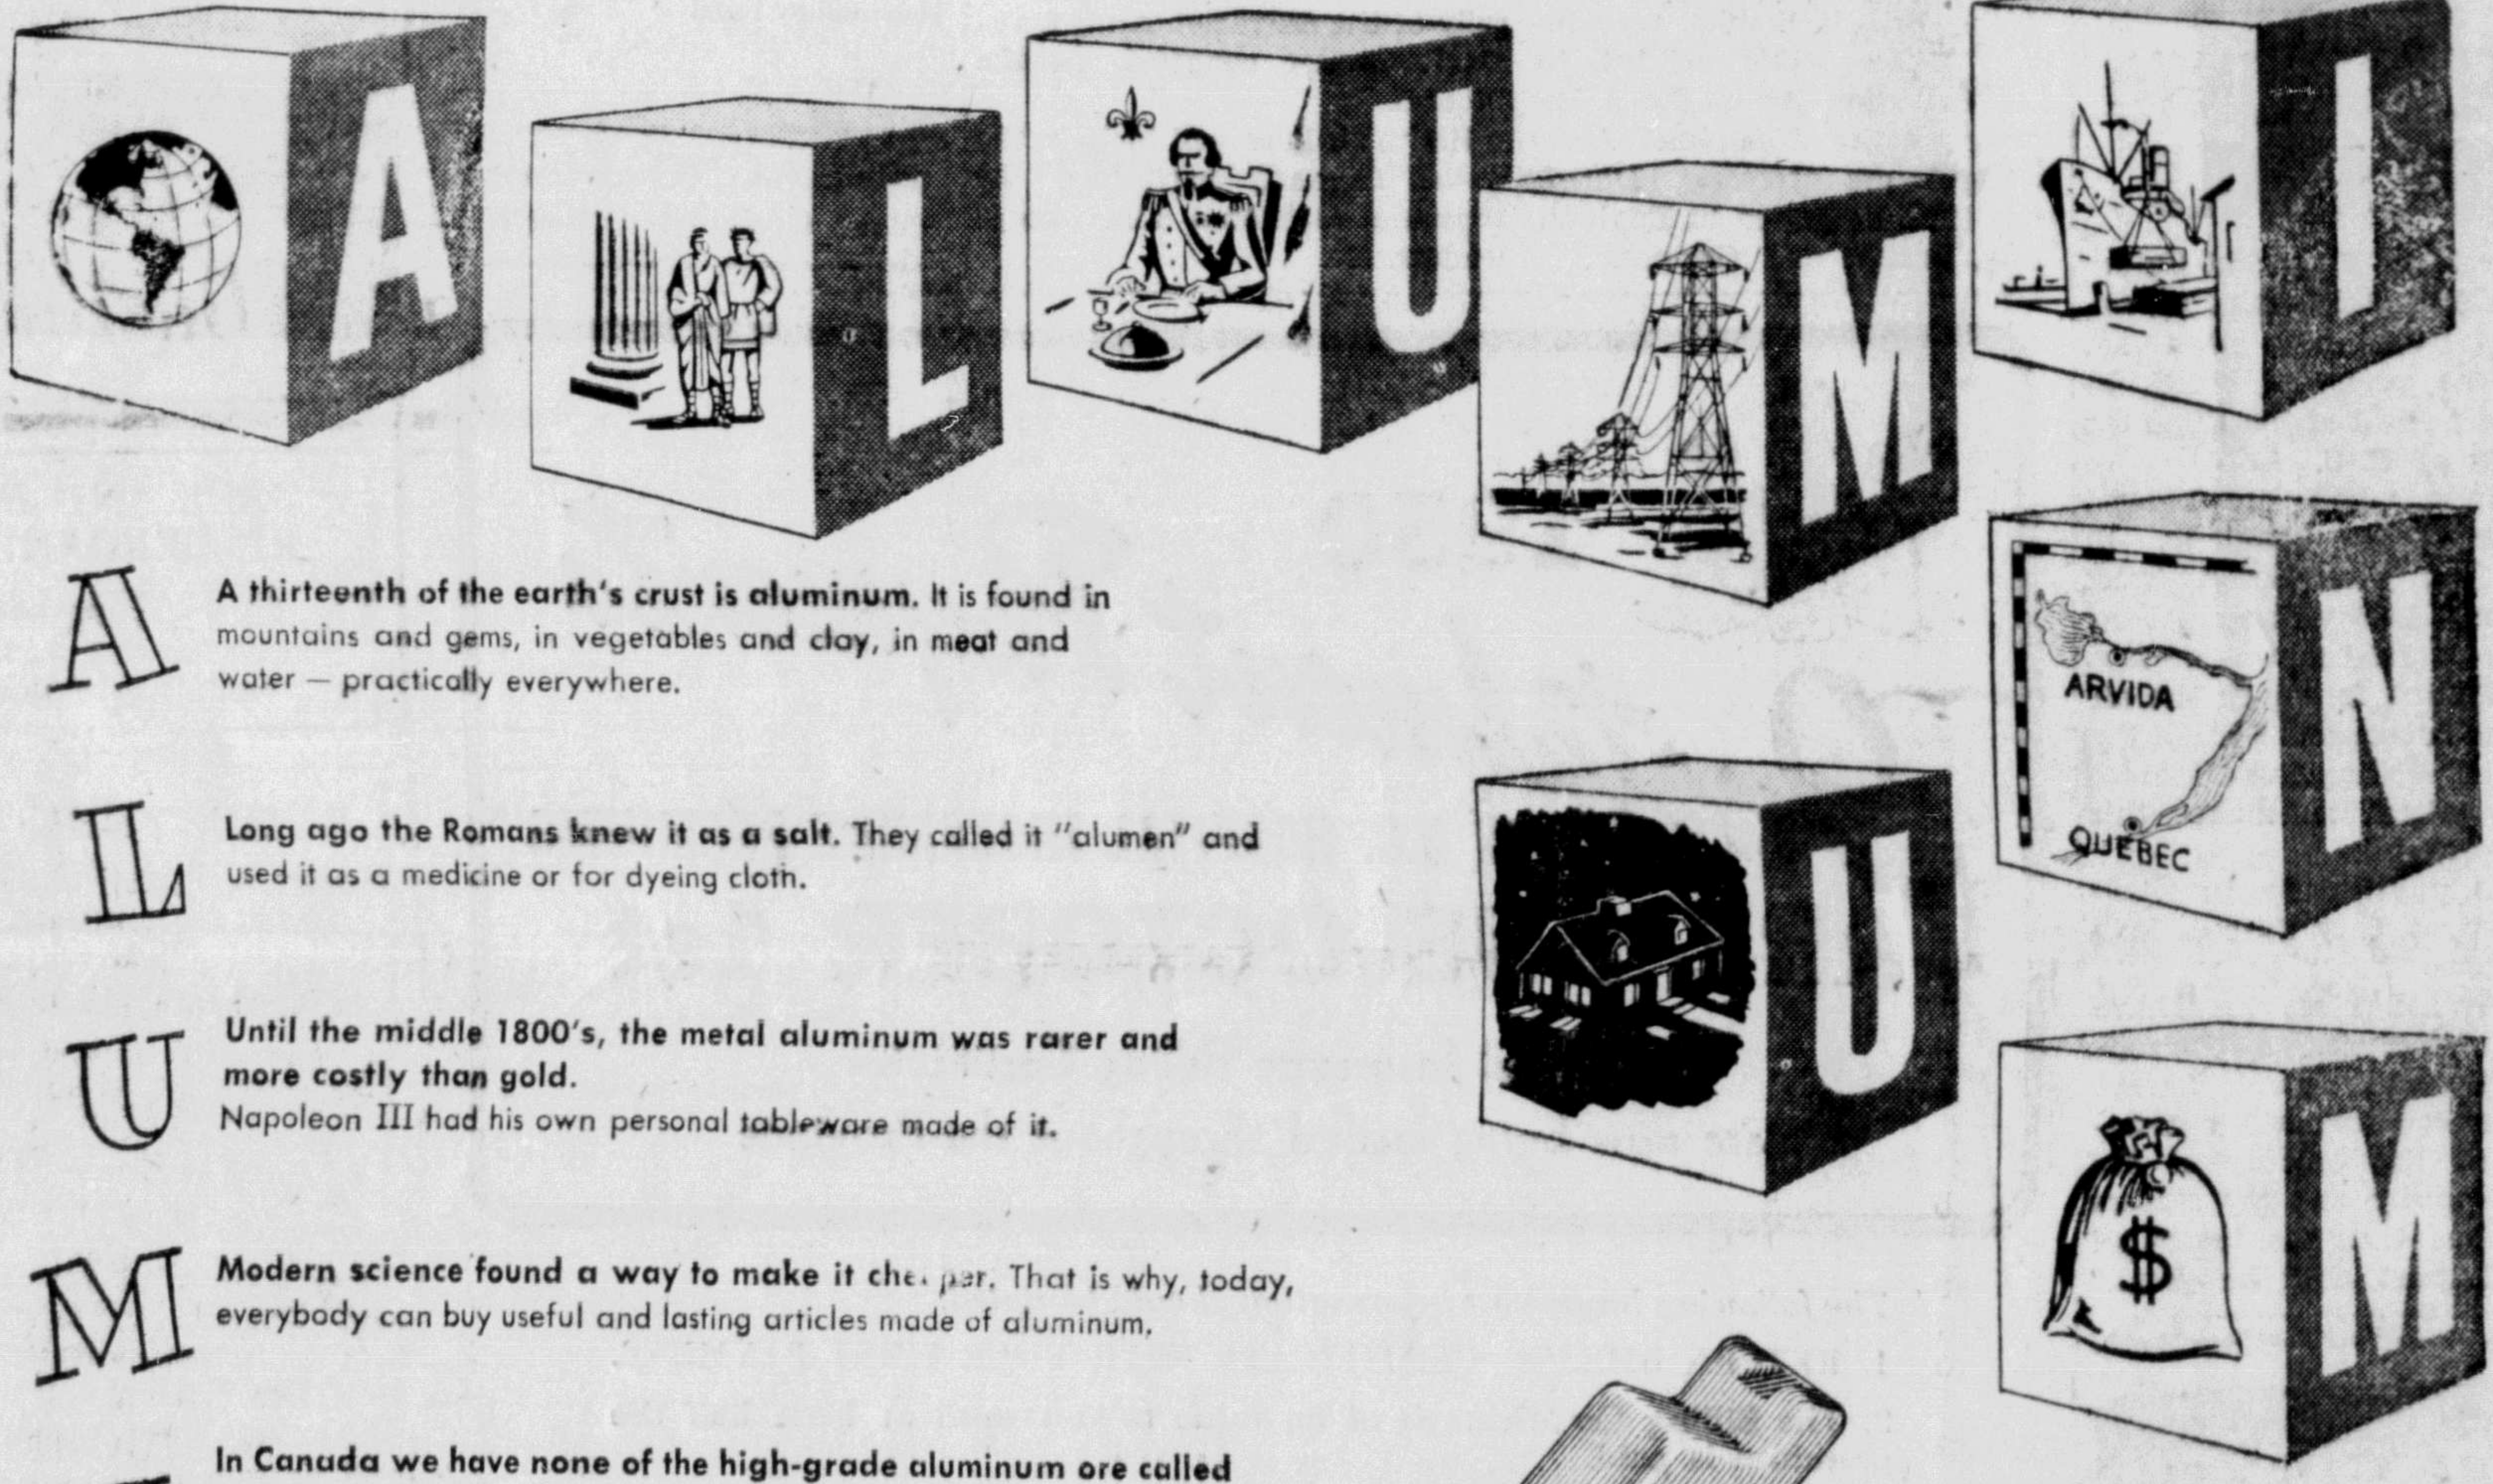

At present a full entry of 24 teams have been arranged in a men's 5 pin bowling league but with further teams still entering, another affiliated men's league is to be organized. Any men's teams still wishing to enter please get in touch with the bowling alleys as soon as possible.

The executive of the Men's Five Pin Bowling League which was elected at the semi-annual meeting Monday, Sept. 12th, is as follows: President Art Taylor; Secretary, J. H. Mitchell; Treasurer, Stuart Furk. The executive council includes B. Windie, L. Nelson, L. Garner, M. Halvorson, L. F. Hopkins, J. Davison, W. Mallett, E. Blain, J. Weird.

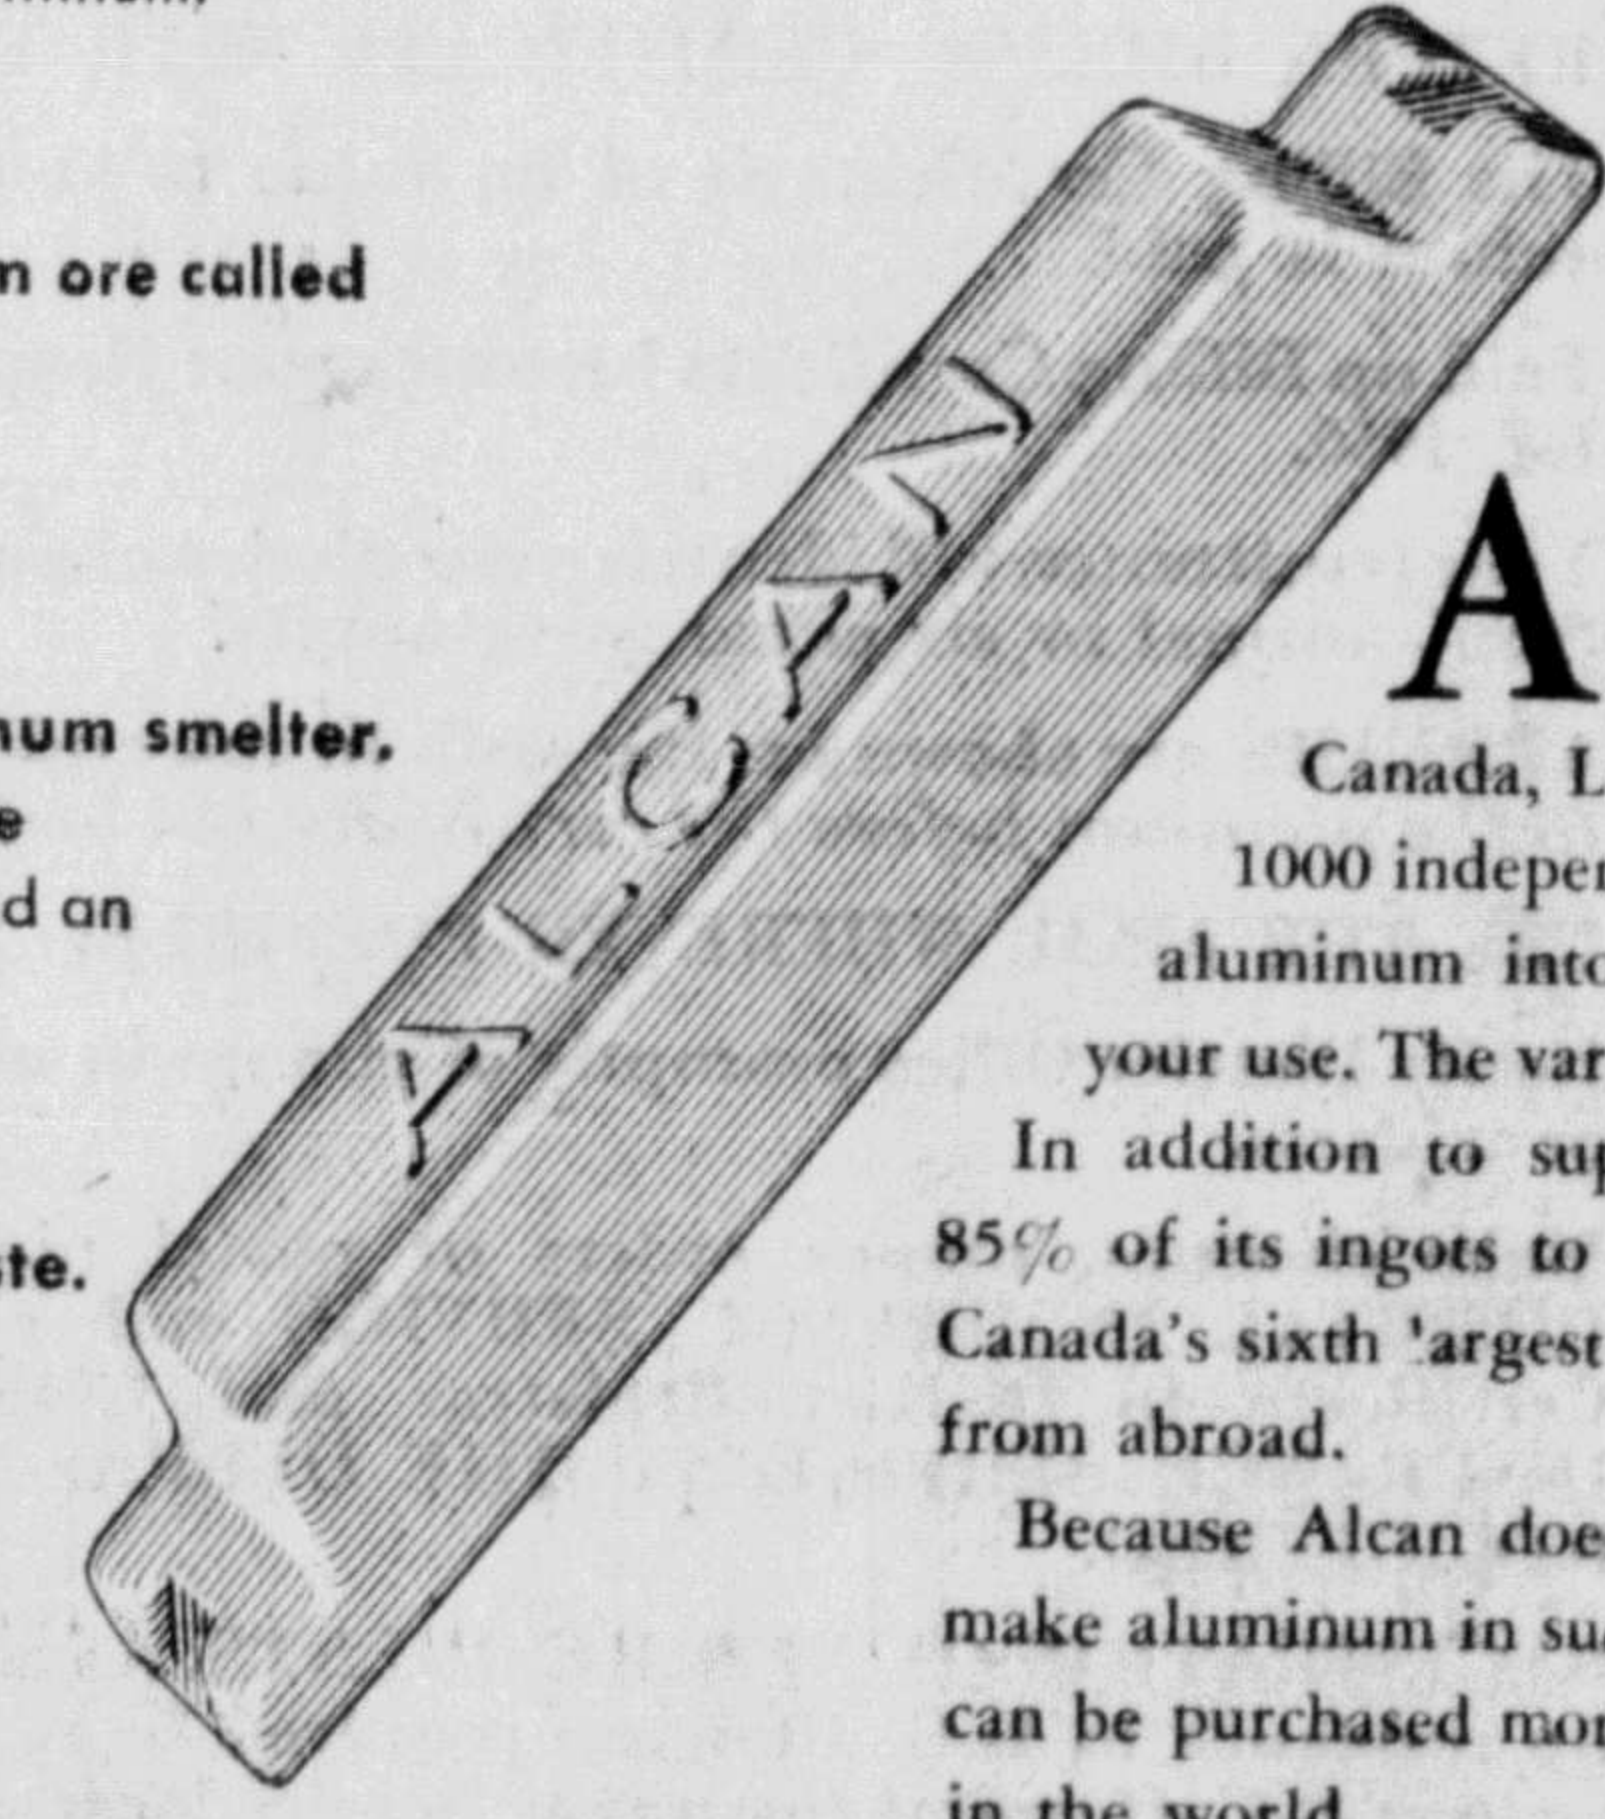

Although Monday night was voted to be the regular bowling night, pending the completion

of remaining alleys on the first floor within a month, Mondays and Fridays will be utilized by the Men's Five Pin League. The league will continue to be governed by the Greater Vancouver Bowling Association Rules and Regulations. An innovation over last year's play will be the enforcement of the foul line and judges will be on hand supplied by the teams in the league. All bowlers are asked to watch for this column for bowling dates as a season's schedule will not be compiled before the completion of the remaining alleys.

Monday Sept. 19th
Mansons - vs. Watson Island Stores
Undesirables vs. Grand Cafe

- A** A thirteenth of the earth's crust is aluminum. It is found in mountains and gems, in vegetables and clay, in meat and water — practically everywhere.
- L** Long ago the Romans knew it as a salt. They called it "alumen" and used it as a medicine or for dyeing cloth.
- U** Until the middle 1800's, the metal aluminum was rarer and more costly than gold. Napoleon III had his own personal tableware made of it.
- M** Modern science found a way to make it cheap. That is why, today, everybody can buy useful and lasting articles made of aluminum.
- I** In Canada we have none of the high-grade aluminum ore called "bauxite". Canadians bring it in by shipload from British Guiana — a voyage of 3000 miles.
- N** Northeastern Canada has the world's largest aluminum smelter. Alcan built it there, at Arvida. This site was chosen because it is close to both a port for ocean ships bringing bauxite and an abundant source of hydro-electric power.
- U** Until Alcan harnessed this water power, it ran to waste. Smelting aluminum needs vast supplies of power. The electricity required to produce one ton of aluminum would light your house for fifteen.
- M** More than 15,000 people operate this Canadian industry. They earn more than thirty-five million dollars a year. These earnings flow across Canada.

Alcan (Aluminum Company of Canada, Ltd.)

Alcan (Aluminum Company of Canada, Ltd.) makes aluminum ingots. More than 1000 independent manufacturers across Canada shape aluminum into light, strong, non-rusting articles for your use. The variety grows daily.

In addition to supplying these firms, Alcan sells about 85% of its ingots to other countries. This aluminum is now Canada's sixth largest export, a source of much needed money from abroad.

Because Alcan does market so much abroad, it is able to make aluminum in such large quantities that, in ingot form, it can be purchased more cheaply in Canada than anywhere else in the world.

Timely Topics from Terrace

Mrs. C. R. De Kergommeaux, Terrace Reporter

At a general meeting of the Civic Centre Association held in the Civic Centre on Friday evening it was decided to dispense with the services of the director but to hire a caretaker and someone to take charge of the bowling alleys. The various committees of the association will have charge of organizing the winter activities of the centre. It was felt that the centre was not getting the support of the community as a whole to warrant the keeping of a director. A caretaker was a greater necessity, and the executive was empowered to act on this matter. A stairway is being placed to reach the rooms above the bowling alleys which will be used by the Women's Institute for their sewing and hobby classes.

Alan Smith had the misfortune to break his arm on Thursday and is now a patient in the Outpost Hospital.

"Curley" Casey left on Thursday's train for Vancouver where he will have a medical check-up at Shaughnessy Military Hospital.

After spending the summer months at Telkwa, Mrs. Greer and grandson Van Johnson returned to their home at Terrace on Thursday.

Funeral services were conducted in Terrace on Friday afternoon for the late Peter McNeil of Dorreen who died there this week. Deceased was 33 years of age and was an old timer in the district.

Funeral services were conducted in Terrace on Friday afternoon for the late Peter McNeil of Dorreen who died there this week. Deceased was 33 years of age and was an old timer in the district.

NOT WANTED — PERMANENTLY — Robert H. Carlin, eastern Canadian and international director of the International Union of Mine, Mill and Smelter Workers, has been permanently barred from the United States. Announcement of the ban was made this week by A. J. Karnuth, district director of U.S. immigration at Buffalo. Reason given was merely that Carlin's presence in the U.S. was "not considered in the best interest of the country." Carlin, who lives in Sudbury, has long been accused of Red affiliations but a year ago he took out an affidavit saying he was not a member of the Communist party.

(C. P. Photo)

WIDE RESPONSE CONTRIBUTES TO SUCCESS OF TERRACE FALL FAIR

TERRACE—Thursday was Fall Fair day. The stores in town closed at 2 o'clock and the children also had a holiday from school in the afternoon.

All of Terrace seemed to be gathered at the Civic Centre for the first fair in 18 years. All day long crowds thronged the halls of the building and intense interest was shown in the exhibits and in the events.

Two hundred and thirty-six entrants had placed 683 entries and there were good showings in all sections. The art section was particularly surprising. Some lovely oil paintings were on display showing how much hidden talent had come to light at this exhibition.

Despite the wind and rain of the preceding days, the display of flowers was large and beautiful. Choice vegetables, fruit, grain and dairy produce filled the display tables. Canned fruit and vegetables, jams, pickles, bread, cakes and pies were displayed in tempting array.

Some lovely work was to be seen in the needlework section and other crafts sections. School work was exhibited and there were entries in the special section for the children. It was regretted that there were no entries in the Indian exhibits class, however this was in part made up for by Peter van Stolk's private Indian collection. The livestock was on view outside the building. For the children there were races and a pet parade

culmination of months of hard work by a board of directors who were new to the job.

The merchants and citizens of the community had co-operated whole heartedly. The material support given by the merchants and large firms in Prince Rupert was invaluable. The experience gained this year will help make a bigger and better Fair in 1950.

On the board of directors are: President, B. R. Dodds; vice-president, W. Griffiths; recording secretary, Mrs. H. Philip, corresponding secretary, Mrs. Norah Olson; treasurer, J. McLeod.

Winners of the Pet Parade were: Special prize for the best trained dog, Mrs. E. Mills; best dressed dog, Robin McColl; cutest puppy, Ann Smith and Charlie Kofod tied; cats, Sheila McColl, first, Evelyn Wold, second;

Traffic Heavy In English Channel

LONDON—Traffic was heavy in the English Channel Sunday. Three swimmers made the crossing under their power while a fourth failed at the half way mark. Two Greek soldiers swam the 20-mile strip in opposite directions while an Egyptian soldier made it from France to England. A 58-year old English swimmer failed.

GAMES POSTPONED

Wet grounds caused postponement of the Savoy-Merchants double header baseball games Sunday afternoon. The games were for the league championship.

City ambulance was kept very busy Sunday with a total of four calls in all. Taken to General Hospital were Mr. Vano Margor from the Royal Hotel, D. Miller from 1153 Eleventh Ave. and Robert Cameron from 1070 Eleventh Avenue East. G. Harris was taken from S.S. Catla to Miller Bay Hospital.

CURTAIN GOES UP—Prime Minister St. Laurent greets Viscount Alexander, the governor-general, as he arrived to open the first session of the 21st Parliament in Ottawa Thursday. Viscount and Lady Alexander arrived at the Parliament Buildings shortly before 3:00 p.m. After they inspected a tri-service guard of honor, they entered the Senate chamber where the governor-general read the Speech from the Throne to the combined houses. (C. P. Photo)

MILITANT ATTACK (Continued from Page 1)

visional commander here. Major Warrander invited Canon W. F. Rushbrook to deliver the opening prayer, after which Rev. Fred Antrobus of First Baptist Church gave the Scripture reading.

Major Warrander then turned the meeting over to Mr. Felsen-thal who acted as chairman during the following proceedings. Mrs. F. E. Anfield sang a vocal solo, "Breath of God."

Following Col. Best's address, he was thanked by G. R. S. Blackaby of the Regular Baptist Church who declared that he was gratified to hear the militant attitude expressed by Col. Best. The benediction was delivered

by Canon Basil S. Prockter of St. Andrew's Cathedral. During the rally, the Salvation Army band accompanied the hymn singing.

The congress officially opened Saturday night in the form of a welcome meeting to Col. Best shortly after his arrival from the interior where he had visited Salvation Army posts on his way west. Delegates from throughout the division were on hand. Col. Best was welcomed by Major Warrander.

Senior Capt. Offutt of Port Simpson, representing the native officers of the division, brought greetings and presented Col. Best with a copy of his address. Col. Best expressed his pleasure at once again having an opportunity to attend a congress

TO BE HANGED FOR MURDER

VANCOUVER — Walter Prestyko will be hanged December 7 for the strangulation on July 5 of 66-year old Michael Geluch. Prestyko listened without emotion Saturday to his death sentence, after an all-male Assize court jury found him guilty.

John Worobec, jointly charged in the murder, goes on trial today.

School Secretary Mrs. M. M. Roper returned by air Saturday from Qualicum Beach where she attended the annual convention of the B. C. Trustees' Association.

in Prince Rupert. He then acted as chairman of a varied musical program.

A devotional meeting at which prayers were offered for the success of the congress was held Friday evening. Senior Major and Mrs. Warrander conducted the meeting. The hall was filled for the occasion.

THE WEATHER

Synopsis
A small storm which developed off the Washington coast yesterday evening crossed the southern sections of B. C. during the night and is entering Alberta this morning. Cold air and clearing skies will spread into the southern interior during the day in the wake of the storm and will set up conditions for a sharp frost tonight. A severe storm developing a thousand miles to the west of the Queen Charlotte Islands is expected to move rapidly towards the coast and bring rain and southeast gales to the Prince Rupert area Tuesday morning.

Forecast
North Coast Region—Cloudy with showers today. Overcast tonight with rain commencing about daybreak tomorrow. Remaining cool. Southwest winds (15) increasing to southeast gales (40) by noon Tuesday. Low tonight and high tomorrow—at Port Hardy, Sandspit and Prince Rupert, 45 and 55.

G. R. S. Blackaby left today by air on a business trip to Vancouver.

THREE "WIVES" SEE BIGAMIST SENTENCED

TORONTO — John (Blackie) Costello, 25, wavy-haired Lethario with a reputation for whirlwind courtships, faced three of his four wives in court Saturday as he was sentenced to five years for bigamy.

Attractive Doreen Romanuk who married him last March, described him as the "most romantic man any woman could ever want."

Brunette Jean Frances Colatello, who married him in Kingston in 1944, described him as "a rat, a dirty rat."

Tall, blond Sophie Illichich, who married him last year, described Costello as "a society."

Instructions have been issued to local banks that foreign currency is not to be accepted until further orders which are expected tomorrow. This is due to the drop in the value of the English pound.

wife number four, good to the children, has such a charming I can't help but let Magistrate Thomas described Costello as to society."
