CANADA REDUCES STEEL IMPORTS

"Sledge-Hammer Blow" Dealt Say Vancouver Industrialists Following Announcement

OTTAWA (CP)—Rt. Hon. C. D. Howe, minister of trade and commerce and acting Prime Minister, announced today an 18 per cent reduction in the import of iron and steel products from the United States.

The announcement came just 10 days after Defence Minister Brooke Claxton said that steel was the most important single factor governing the extent of Canada's preparedness and war potential.

At the same time Mr. Howe told the Canadian Press that the government was studying plans for the expansion of Canada's steel industry.

(Vancouver industrialists said today that the curtailment of steel import from the United States was a sledge-hammer blow to British Columbia industry. He referred to the growing need of a steel industry in British Columbia.)

FRANZ LEHAR IS NEAR DEATH

VIENNA—One of the world's most famous composers of operettas, Franz Lehár, is near death here. He is 79 years of age and one of his best known works was "The Merry Widow." "He is extremely ill and beyond hope," was last night's report.

HOWE ADMITS HIGHWAY NEED

OTTAWA (CP) Construction of a TransCanada Highway will be discussed at a Dominion - provincial conference, Minister of Trade and Industry C. D. Howe said today. He did not indicate the date. He said that the government had been "seized with the economic importance" of the road.

LOCAL BOAT WRECKED NEAR ANYOX, SURVIVORS SPENT NIGHT ON BEACH

Four city men were brought back to Prince Rupert Sunday night by a rescue vessel that picked them up off the beach in Observatory Inlet, 25 miles west of Anyox, 12 hours after their 45-foot ship had been beached as a result of striking a sunken log.

The four were Capt. John Wick, of the halibut boat Johanna and three passengers, Ted Smith, Bert Withers and Bud Timmermeister. All had been without shelter in a gale and rain since 7 o'clock Saturday night when picked up by the boat Neptune II Sunday morning.

The three passengers aboard the Johanna were heading for the mining town of Alice Arm on business.

The Johanna, now resting on a small beach on the bleak shore of the inlet, will be subject of a salvage attempt by Armour Salvage Co. this week. She was badly holed in the starboard bow and is completely submerged at high tide.

The Johanna left Prince Rupert at 7:30 Saturday morning and was entering the approach to Observatory Inlet when she struck a deadhead that stove in the planking of her bow on the starboard side. The mishap occurred at 7 p.m.

Capt. Wick succeeded in getting the boat to a small beach before she settled. Further attempts to put her higher on the beach as the tide rose were unsuccessful.

The four men put a small skiff over the side and made for shore in a heavy downpour of rain that drenched them to the skin. Later, they were able to recover

Bulletins

JEW TO TALK PEACE

TEL AVIV—Israel today accepted a United Nations offer to arrange peace talks with Egypt on the fighting in the Negev area of southern Palestine but rejected a cease fire proposal until Israel is assured that the Egyptians will behave.

'DECEPTIVE,' SAYS CHEVRIER

PARIS—Hon. Lionel Chevriér, Canadian delegate to the United Nations, today attacked the Russian proposal for inter-national control of atomic energy as a "program of specious and deceptive simplicity."

VANCOUVER WINS AGAIN

VANCOUVER—The defending Canadian junior football champions, Vancouver Blue Bombers, Saturday marched through North Shore Lions by a score of 9 to 0 to take the 1948 series here five games to one and cop the second straight British Columbia championship.

PROBLEM OF EIRE

LONDON—Observers today wondered whether an unheralded week-end meeting of United Kingdom, Dominion and Eire spokesmen had solved the Commonwealth's problem as to whether a sovereign republic is not bound by the British crown to continue as a member of the British Commonwealth. The question arises out of the intention of Eire to repeal the External Relations Act, one of the last ties linking Eire to Britain.

CHRISTIAN DEMOCRATS WIN

DUESSELDORF, Germany—Christian Democrats held first place and Communists lost strength in yesterday's communal elections in the Rhineland and Ruhr.

KILLED IN FALL

VANCOUVER—A 55-year-old man died instantly Sunday night in an unexplained plunge from the fourth floor of a fire escape in a downtown hotel—the St. Regis. He was Evan M. Donnell. The right side of his head was completely crushed.

Shell Fire Burst Close to C-54 After Taking Off from Berlin

BERLIN (CP)—Pilot of a United States C-54 plane taking off from British-controlled Gatow airport today reported shell bursts near his plane at a height of 2000 feet. "My plane was very nearly hit," he radioed.

LOCAL LABOR MAN ELECTED

J. S. Black, business agent for the Prince Rupert local of the Carpenters' Union, was elected an executive member of the Provincial Council of Carpenters (AFL) at a recent convention in Vancouver. As a director, he is zonal representative of the area north from Ocean Falls and west from Prince George. Mr. Black returned today by air from Vancouver where he attended the carpenters' convention and later, the national Canadian Congress of Labor Convention.

AVERAGE RENT \$27.43 MONTH

OTTAWA—Canadian home-seekers heard today a government statistical report that the average Canadian pays only \$27.43 monthly rent. Apartments and flats averaged \$30.37. The average industrial wage is said to be \$49 weekly. Conditions in Ottawa, Toronto and Calgary suggest little chance of getting a home anywhere near the official figure.

Unions and Communism

C.C.L. Proves Itself More Decisive Than T.C.L.

By Canadian Press
Representatives of some 720,000 Canadian workers put Labor's attitude towards Communism on record last week—in two very different ways.

In Victoria the Trades and Labor Congress of Canada adopted a resolution at its final session, "deploring" actions of "some communists" in Canadian labor unions. T.C.L. right-wingers hammered the document as weak "milk and water" but it went through on a 308 to 264 vote.

In Toronto the Canadian Congress of Labor manhandled its Red minority for five days running and then elected a strongly anti-Communist slate of officers. It heard C.C.L. President A. R. Mosher tell the Red-led United Electrical Workers Union to change their tune or be "thrown out."

Communism was at the core of every major issue before the Congress, each of which claims 360,000 members. The C.C.L., however, took a more decisive stand from the start. The International Union of Mine, Mill and Smelter Workers, said to be Communist-dominated, has been suspended by the C.C.L. and John Clark, international president from Chicago asked for reinstatement.

The convention ruled that there had been "malicious" publication by a Union newspaper of statements derogatory to C.C.L. officials and said that printed apology by the union was necessary before reinstatement could be considered.

NEW CHURCH DEDICATED

Red Letter Day For Regular Baptists—Spiritual Services

Sunday was a "red letter" day for the enthusiastic local mission of the Regular Baptist Church. It marked the formal dedication of the neat new church building on Sixth Avenue, the baptism in the full rite of five newly professed members and spirited morning, afternoon and evening services. Rev. Lorimer G. Baker, vigorous missionary and pastor from Vancouver, was here to take a leading part with Mr. and Mrs. G. R. S. Blackaby, the local leaders, in the proceedings of the day. One of the outstanding features was the rousing Sunday School rally with eighty-two children in attendance.

Mr. Baker, in the dedicatory sermon, exhorted the congregation to remember that dedication of a building had no significance if there was not also dedication of individual members and workers to the task of evangelism in the community. And the individual member could only perform his function in the church as he was united to Christ in his profession and service.

R. Weick sang "Bless 'This House'" and Mrs. Ewald presided at the piano to accompany the singing of hymns.

Mrs. Baker talked to the children at Sunday School on missionary work in China and told interesting anecdotes of such things as Chinese dolls.

Mr. Baker's message at the baptism service was on the responsibilities of baptism and church membership.

In an evangelical address in the evening, Mr. Baker declared that basic sin was the denial of Christ. In a world that appeared to be morally derelict, he called for Christians to assume practically the duty of "saving souls." No person, God had said in His Book, was too low for redemption. In some churches Mr. Baker felt that there was but a "fiddling" effort at the prime task of saving souls.

The Junior Choir sang under the direction of Mrs. Blackaby and community singing of hymns was entered into with spirit.

Mr. Baker will lecture tonight on experiences in Japanese-dominated North Manchuria where he was engaged for years in missionary work and to which country he is planning an early return.

"MONTY" NAMES NEW LOCOMOTIVE—Field Marshal Viscount Montgomery formally named a British railways L.M.R. locomotive, "The Royal Pioneer Corps" during a presentation ceremony at Euston Station, London, recently. The driver at the ceremony was ex-Fireman Edward Tassiker, of Willesden Shed who served in the Royal Pioneer Corps from October, 1939, to April, 1946. He made seven spectacular escapes from the enemy after he was first captured in May, 1940. Above, Field Marshal Viscount Montgomery shares the footplate of the locomotive with Driver Tassiker after the naming ceremony.

FIVE KILLED NEAR CRESTON WHEN TRAIN HITS MOTOR CAR

CRESTON (CP)—Five persons were killed and seven injured when a 1938 car in which they were all riding collided with a westbound freight train at a crossing three miles from here. Accounts are incoherent but police believe the driver, Alex Sedar, may have had his vision obscured by a hillside on the roadway while approaching the crossing. Most of the victims were young people returning home from a dance.

Killed were: Larry Morozoff, aged 15, Creston Valley. Michael Nesplah, 23 Canyon, B.C. Peter Olynyk, 24, and William Olynyk, 50, Northville, Alberta. Nicholas Gorgichuck, 33, Erickson, B.C.

Twenty-eight Missing, One Drowned When Storm Hits Liberty Boat

PORTLAND, Dorsetshire, Eng. —Twenty-eight naval ratings are missing and one midshipman was drowned following the swamping of a liberty boat from the aircraft carrier Illustrious by a gale in Portland Harbor last night, the Admiralty announced today. The boat was returning to ship from shore when it was caught by the gale.

THE WEATHER

Synopsis
Cloudiness is increasing over the western portion of the province with the gradual motion eastward of a weather system which lies off the west coast. Skies remain clear in the eastern section of the province with night time temperatures dropping to the low twenties.

31 CARLOADS OF FISH HERE

The Northland Transportation Co. freighter Palisana, Capt. J. A. MacDonald, docked this morning from Ketchikan to unload 31 carloads of frozen fish for rail shipment to the eastern United States.

Bond Sale Going Over

VANCOUVER—Early returns received at Canada Savings Loan headquarters in Vancouver indicate that employees of British Columbia companies are signing more heavily for Canada Savings Bonds series three than in the first two series.

First company to report was Powell River with 263 applications totalling \$78,500, or an average of over \$300.

Pacific Mills at Ocean Falls reported that 546 applications have already been signed. This is the same number as 1947 but the bonds subscribed totalled \$84,000 more. Canvass is still in progress.

H. J. Bird, coast organizer for the loan, reports "the three big mills at Ocean Falls, Powell River and Port Mellon have, through their employees committee, indicated that they are shooting for 80 per cent employee participation in the loan. The national average is 42 per cent."

At Victoria the New Method Laundries employees during the first two days of drive signed on for \$8,500. Their total last year was \$7,700.

One C.P.R. department has reported that 90 per cent of employees have bought bonds. Employees are definitely confirming the pre-loan prediction that they are anxious to buy Canada Savings Bonds in most companies.

So far as reported, the average bond sale is in excess of 1947 said L. F. Worsley, B.C. payroll director.

Navy Week and Chatham

THIS IS "NAVY WEEK" and Prince Rupert's naval division, H.M.C.S. Chatham, will be a centre of interest. This week-end, as part of a campaign to interest the public in the establishment and win new recruits for the local reserve, an "Open House" will be held for the public of the city.

WHO'S DISCRIMINATING?

TOTALITARIAN CRITICS frequently point out how lamentably far democracy falls below its professed goal of equal rights for all. Now a democratic critic retorts that totalitarian Russia's much-touted equality of rights for the various racial groups within its borders is, in practice, a denial of rights to all.

For people feel discriminated against only when they see other people enjoying freedom and rights not granted or not fully granted them. When the people of Soviet Russia become aware of the rights enjoyed even by discriminated-against minorities in democratic countries, they may come to feel that they are themselves the victims of an act of total discrimination by their own government.

MONTREAL AS RICHEST CITY

Only Ice-Bar in St. Lawrence Prevented It, Says Professor... MONTREAL is the richest city in the world, according to a McGill University geologist, because of its location on the St. Lawrence River.

Reminiscences and Reflections

It is just as well, perhaps, to confess that until last week, one's familiarity with the Bible was so direct that their candor is a shade "raw" to say the least. Two motorists from Ketchikan, driving through to Prince George last week, discussed the road, after having driven over it for more than 150 miles.

Back from a world tour, Donald McCullough, BBC speaker, says that all over the globe people run down the British climate. "But," he continues, "I have always maintained it was easily the most comfortable to be found anywhere."

It's not hard to become acquainted up river—that roopy, empty silent land where no one seems to be worrying over Berlin or anything else. Meet anyone—probably never saw him before—and it's "Good morning," or "Howdy," or, like enough, a cheery nod. It does not take much, it seems, to start a conversation. What it will consist of does not matter.

ORPHEUS IS SURE WINNER

Presidential Candidates and Running Mates All Play or Sing—Except Henry Wallace... WASHINGTON, Oct.—President Roosevelt won four elections in a row without being known for playing a musical instrument or singing.

Every American knows President Truman plays the piano. Millions remember a picture of Truman at the keys gazing into the wide eyes of shapely actress Lauren Bacall, who was draped across the piano.

That picture was posed at a National Press Club entertainment for soldiers soon after Truman became vice-President. Later, after he succeeded Roosevelt, the press club, perhaps as a measure of atonement, presented him with a beautiful upright piano at a dinner given in his honor.

MANY MOURN AT FUNERAL

Funeral Chapel Unable to Accommodate All Who Gathered for Mrs. Alexander's Final Rites

So large was the number of friends and sympathizers who desired to join in the funeral rites yesterday afternoon for the late Mrs. Elvina Emily Alexander, whose death occurred last week after a lengthy illness, that the Grenville Court Chapel of B.C. Undertakers could not accommodate them all and many were unable to gain admission. A simple but impressive prayer service was conducted by Rev. Basil S. Prockter, rector of St. Andrew's Anglican Cathedral. Mrs. J. C. Gilker presided at the organ to accompany the one hymn which was "Abide With Me."

Following the chapel service, interment was made in Fairview Cemetery, there being a long concourse in the funeral procession. The pallbearers were Wilfred Gardner, Andrew Ronald, Richard Long, Benny Windle, Fred Schaeffer and John Laurie.

The casket was heavily banked with numerous beautiful floral tributes, testifying to the esteem and respect in which this well known woman of 29 years' residence in Prince Rupert was held by a wide circle of friends. She was the wife of S. E. Alexander and daughter of Mr. and Mrs. A. E. Dickens Sr.

TAG DAY NETS \$317 SATURDAY

The Salvation Army tag day held Saturday in connection with the Red Shield drive raised \$317, Major W. Yurgensen said today. The amount was well above that raised by a tag day about the same time a year ago. Eighteen taggers were out during the day.

Mooseheart Day To Be Observed

Prince Rupert Moose Lodge is planning for a fitting celebration on October 26 of Mooseheart Day when the anniversary of the founding of the now great home for Lodge members and their dependents will be observed. The memory of the late James Davis, founder of Mooseheart, will also be honored at a joint session of the men's and ladies' lodges. Arrangements for Mooseheart Day occupied most of the attention at the last regular meeting of the Lodge with Governor C. H. Collins in the chair.

Ed. Hodkja, formerly of Prince Rupert, was a passenger by Saturday's train from New Hazelton to Kitwanga where he has been located for some time. It has been years since he visited Prince Rupert, old friends.

Going Steady...with B.C.

"I'm zealously, fanatically in favor of the Democratic System"

"I can say with certainty for the Courtenay-Comox Argus that now and during the past quarter of a century no government or any body or agency outside the business has dictated the policy of the paper, and I believe that is true of the great majority of Canadian newspapers," says Ben Hughes, Editor of the Courtenay-Comox Argus.

"The only people who can dictate to Canadian publishers are their subscribers and, without circulation you cannot get advertising. Therein lies the safeguard of a free press under the private enterprise system. A free press is your safeguard against inefficiency in high places everywhere; against anybody who'd impose on your rights.

"But nobody, and especially no government, likes to be criticized. And a Communist or state monopoly government could make it very tough for a newspaper which attacked it.

"How? Well, with the government controlling everything, they could soon put on the pressure through newspaper rationing, manpower direction, or straight control.

"That's why I'm against Communism or any state monopoly system. As we saw in Hitler-land of yesterday and Stalin-land of today, the first thing the Communists do is to get hold of the newspapers; either the editor follows the party line or he goes to the concentration camp. The greater concentration of power there is in the hands of the government, the greater danger there is to a free press.

"I'm a practical newspaper man, and I've done a lot of criticizing of the government in my time. I'm zealously, fanatically in favor of the democratic system. It's the only system... that'll give us a free press... the only system where we can be sure of seeing that too much power does not get into the hands of the government."

This is one in a series of advertisements sponsored by Standard of B.C. and its associates, the independent Chevron Dealers, to present the people's views on the values and opportunities available to us in British Columbia under our democratic free opportunity system. This system, we are convinced, offers the greatest incentives, the highest standards of living, the best job-security, and freedom of thought and action.

LEGION BILLIARD TOURNAMENT BEGINS

First Canadian Legion billiard tournament of the season opened Saturday afternoon with 32 entries, all of whom were given handicaps thought to be commensurate with their skill. The opening game was between Harry Normand and Bill Strachan, with Strachan winning the match and the right to meet the winner of a competition between Vic Duncan and R. Marshall.

MIXED BOWLING LEAGUE RESULTS

Four Clean Sweep Victories Marked Play Last Week
Four clean sweep three game to nil victories and five wins of two games to one margins marked last week's scheduled play in the Mixed Bowling League.
Norman Kinslor of King Pinner was high scorer with an aggregate of 703.
Team results were:

HAZELTON HOUSEWIFE LAY LOW FROM WINDOW OF HOPE

Mrs. Herbert Tate was busy with work last Thursday forenoon when she saw something that made her think else except domestic duties. There, yards away, stood a splendid bull moose, jockeying the sunny morning as well as tinted landscape. This was handy to South Hazelton. The lady whom he possibly contemplated calling on lives in a bungalow situated near the main line of the Canadian National Railway.
Mrs. Tate took one good look and hustled off for her husband's rifle which is powerful enough to hunt an advancing grizzly. Taking careful aim through the window of her bedroom she fired just one shot. No others were needed. The bag, the weight of which must have been seven or eight hundred pounds, fell across a small creek and to drag it out required the pulling power of horses. Mrs. Tate's moose, with its handsome eight-point antlers and size, would have made any seasoned big game hunter feel very well pleased with himself.
Mr. and Mrs. Tate are both well known in Prince Rupert.

NEW HAZELTON PICTURE SHOW

Good Start Made With "Night of Fun"

New Hazelton is to have a once-a-week moving picture theatre and what is believed to be a substantial start from the financial point of view has already been made.

This took the form of a Fall Tombola (in other words a night of fun) held last Friday evening in the Community Hall. There was a capacity attendance. The attractions were many and varied, including merchandise wheel, bingo, grab bag, orchestral music, hours of dancing, hot dogs and coffee in abundance and all round merriment and good cheer. They came from far and near. They came from the Silver Standard mine, from Kispiox situated miles away, and from all of the Hazeltons—the new town, the old town away on the other side of the lofty bridge spanning Bulkley Canyon, and from South Hazelton. It was really a night of fun.

NEW HAZELTON IS LOOKING UP

Operation of Silver Standard Mine Gives Flip to Conditions There

Operation of the Silver Standard mine, about seven miles from New Hazelton is giving employment to between 40 and 50 men and this is making a decided change in the general industrial picture there. Carloads of concentrates are starting to be forwarded to the Consolidated Mining & Smelting Co. plant at Trail. Not in a long time have concentrates brought the present values, the assays giving \$500 a ton for lead and \$100 for zinc. Underground work is being performed and stopes are being timbered.

More traffic is noted along the roads and streets at New Hazelton. Two new dwellings have been built, a building has gone up to house co-operative trading and a garage is under construction. Preliminary work for completion of a tennis court is under way.

proceeds will be well toward the required figure. Those who had the arranging for and general supervision of the event were T. Lloyd Woods, secretary-treasurer and John Colijn Saragosa. An excellent program was played by the Woodwood Orchestra. The moving pictures will be screened in the Community Hall.

The cost of inaugurating the movies will, it is understood, be somewhere less than \$1,000 and, if one may judge from the success of the tombola, the total he will continue studies.

YOUTHS BREAK INTO HARDWARE STORE—OKLAHOMANS TO MOVE INTO AREA AND MAKE RESIDENCE

About noon on Thursday Constable Ted Brue was informed that a back window of Johnstone and Michiel hardware store was broken and that merchandise amounting to about \$200 had been stolen. A number of juveniles were questioned and will be charged in court under the Juvenile Delinquent Act. Articles stolen consisted of fishing tackle, rifle, knives, socks, ammunition, the majority of which have been recovered.

George P. Melrose, deputy minister of lands, left Saturday morning for Smithers after completing adjustments concerning flood rehabilitation at Terrace, Remo and Usk. He was accompanied by A. Smith, departmental land inspector of

Smithers.

In the local police court this week Michael Negraiff of Kitwanga was charged with supplying liquor to a minor, convicted by Magistrate W. Robinson and fined \$300 with 4 months or three months' hard labor.

Walter Robinson of Burns Lake has arrived with his family to settle in Terrace and has purchased two lots on Greig Avenue East from Dave Graf., the deal going through the real estate office of E. T. Kenney Ltd.

Will Robinson spent a few days in Prince Rupert on business last week.

Mr. and Mrs. J. McLeod have purchased the house and four lots where they are now living from the estate of the late Urbano Colbachini.

Mrs. Gould spent a few days in Prince Rupert last week.

Mr. and Mrs. John Sikler drove to Prince Rupert last week on a business trip.

Everson (Bunny) Roper, who has been employed with the Saanich Plumbing in Terrace, left on Saturday for Prince Rupert and California.

H. Brockington, consulting engineer for the municipal water works, arrived in Terrace on Saturday.

Tony Hipp bagged a moose on his recent hunting trip.

Mr. and Mrs. James V. Hodshire have purchased property comprising 80 acres. Mr. Hodshire is the engineer of the headquarters staff of the Phillips Patrolling Co. of Oklahoma City, U.S.A. and, during the summer, made enquiries of E. T. Kenney Ltd. for property with a lake frontage or with a creek running through it. Through the property he has purchased runs Spring Creek for nearly three-quarters of a mile. At a later date Mr. and Mrs. Hodshire plan to move here and establish their home.

Bodies Recovered After Three Years

PINEVILLE, Kentucky. — Bodies of 11 miners who had been entombed in a coal mine here nearly three years ago were brought to the surface today. Bodies of four others were not found.

KIN INSTALLATION BANQUET, DANCE

Terrace Members Join Locals to See George Dobb Become President

There was real Kinsmanship at the Aero Club headquarters Saturday night when 80 people, including Kinsmen and their guests, gathered to witness the installation of the new Kinsmen executive and to join in the fellowship at banquet table and dance.

Welcoming the guests and presiding at the head table during the banquet, was the retiring president, R. G. Moore.

Mayor Nora Arnold, representing the city, gave a brief address and paid special tribute to the Club's work in helping to make Halloween a sane night in Prince Rupert through the Shell-out campaign and organized bonfires.

Alfred Rivett, who was accompanied by his wife, extended greeting on behalf of the Gyro Club while Mrs. Philip Ray, accompanied by her husband, presented best wishes to the success of the Kinsmen on behalf of the Soroptomist Club. Mel Peeke Vout, president of the Terrace Kinsmen Club, brought a good will message from the interior.

Past President R. E. Montador officiated at the installation of the officers. President of the club for the 1948-49 season is George Dobb with William Bremner, vice-president; R. G. Moore, past president; Harry Sheardown, secretary; Wes Manning, treasurer; Sid Elkins, recorder.

Prior to the installation ceremonies each member of the retiring executive gave a brief report on his department's work during the past season.

Before the gathering adjourned from the banquet table, Bert Haugen distributed song sheets and, with Russell Cameron supplying the accompaniment at the piano, he led the group through a number of songs. "Home on the Range," was given some realistic western atmosphere when Sergeant-at-arms Stan Saville opened up with his son's single action capgun.

Out-of-town guests were Mr. and Mrs. Mel Peeke Vout, Mr. and Mrs. Dudley Little, Mr. and Mrs. Lloyd Johnstone, Mr. and Mrs. Jack MacLeod, all from Terrace, and Jimmy (Jiggs) Graham of Vancouver, former resident of Smithers.

Following the banquet and installation ceremonies, dancing to the music of Andy McNaughton was enjoyed.

Union steamer Camosun, Capt. Alf Aspinall, was back in port at 4 o'clock yesterday morning after a speedy trip to Massett Inlet points and sailed on time at 11 o'clock last night for Bute-ale, Namu and Vancouver. The Camosun will make one more voyage on this route and will then be replaced by the Coquitlam which will operate permanently in the service between Vancouver and Prince Rupert and on to the Queen Charlotte Islands. After coming off this service, the Camosun will take over the Vancouver-Prince Rupert-Alice Arm-Stewart route from the Cardena, Capt. William McCombe, which was in port from 11:30 last night to 6:30 this morning bound north on her regular weekly voyage.

Resolutions For B.C. Associated Boards

Resolutions urging a federally-aided TransCanada Highway, removal of restrictions hampering trade and travel between Canada and the United States, permanent improving of the Alaska and Haines Highways and the setting up of a Canadian Coast Guard service have been sent by the Prince Rupert Chamber of Commerce to Duncan K. Kerr, secretary of the Associated Boards of Trade of Central British Columbia, for submission to the newly organized council of Associated Boards of Trade of British Columbia which is to have a meeting in Vancouver toward the end of this month.

WHEN YOU BUY A WATCH

Keep this in mind—you mustn't expect to get something "high grade" unless you pay a decent price.

By a "decent price" we don't mean that you really must pay a lot of money.

Watches haven't advanced as much as lots of other things.

At least ours haven't—we bought the bulk of our stock quite a while ago.

Railroad watches have actually been selling as low as before the war.

But for a reliable watch it isn't safe to go below \$30.00 to \$40.00.

If you come here that much will get you a watch good for 15 to 20 years.

If you've been thinking of watches even a little bit, it's time you called on us.
