Distress Weather Signals Flying Many Parts of United States; Millions of Dollars Damage Done

CHICAGO (CP)—Distress signals flew over wide areas today on United States weather maps. The worst victims were the Rocky Mountains and Western Plains states, four southern states and rich citrus areas of Colorado and Arizona. The snowbound Rocky Mountain and Plains States struggled against seemingly insurmountable odds in an attempt to recover from the winter's worst blizzard.

ARBITRATE TEACHERS' WAGE DEMANDS

Arbitration proceedings will begin between the Prince Rupert Teachers' Association and the School Board following the failure of the wage committees of the two groups to reach agreement on demands by the teachers for a new salary schedule for 1949 involving a higher rate of pay.

In its initial meeting of the last night, the Board received a request for arbitration from P. Adlem, representative of the teachers, on the basis of the briefs submitted by the bodies at a salary conference earlier were "irreconcilable."

School Board Chairman Dr. R. C. Large told the meeting that a new salary schedule set up by the teachers would mean an additional \$26,000 in salaries above 1948 and the Board agreed that it could not grant it.

CHIANG MOVING RECORDS SOUTH

NANKING, (CP)—A Chinese source with connections close to the government said that Chiang Kai-Shek had ordered removal of government records and the property of personnel southward to Canton and Formosa.

Two Thousandth Atlantic Flight

MONTREAL—A transCanada Airlines North Star landed here today to complete the 100th Atlantic crossing since the delivery of North Stars in 1947. To date 3100 crossings have been completed by the airline since the inception of transatlantic flying in 1942. More than 10,000 immigrants have arrived from the United Kingdom since then.

INSTANCES ARE BEING ASKED

Associated Boards of Trade of Central British Columbia, which asked the federal government from its recent convention in Juneau to ease restrictions on trade and travel in and out of Canada, has heard from the ministers of finance and national revenue. The ministers are asking for specific instances of complaints. The Prince Rupert Chamber of Commerce will seek to provide information in regard to such instances so that the Associated Boards may transmit them to Ottawa.

DR. LARGE AGAIN BOARD CHAIRMAN

Committee for Schools Continued Unchanged
Dr. R. G. Large was unanimously re-elected chairman of the Prince Rupert and District School Board at its first meeting of 1949 last night, retaining a position which he has held for the last three years.

Because the personnel of the Board remained unchanged following last December's elections members agreed to retain their former committee positions, thus giving continuity to the work of last year. Following are the committees:
Finance—W. J. Scott, Mrs. E. W. Becker.
Buildings—A. B. Brown, Mrs. E. W. Becker.
Personnel—Mrs. E. W. Becker, W. J. Scott, A. B. Brown.
Grounds—A. J. Dominato, W. J. Scott.
School Committees—Booth Memorial High School Mrs. E. W. Becker; King Edward School, A. B. Brown; Conrad School, A. J. Dominato; Borden Street, W. J. Scott.
Union Board of Health Representative, Mrs. E. W. Becker.

THREE DEAD IN AIRLINE CRASH

RIO DE JANEIRO, (CP)—Three persons were believed killed after a British York aircraft had crash-landed in Caravelos Bay early today.
No immediate official confirmation of casualties was given, but it is believed there are 11 survivors.
It was understood that the plane, bound for Rio de Janeiro, carried 14 persons—nine passengers and a crew of five—when forced down between Bahia and Victoria.

May Have Fallen From Dry Dock

Possibility that Henry Jensen, missing plater foreman at the local dry dock, may accidentally have slipped into the harbor was strengthened today with a report by a night watchman that he had been informed by the missing man that he was going down to inspect a small boat at one of the wharves. There were several icy places in the vicinity. Jensen has been missing since Tuesday morning.

GLAD HAND FOR NEW YORK RANGERS' NEW COACH—Frank Boucher (left), former coach of the New York Rangers hockey team, congratulates Lynn Patrick (right), who moves in as the new coach from his present job as coach of the New Haven hockey team. In centre is Neil Colville, who will replace Patrick in New Haven. Boucher becomes manager of the Rangers. This mutual admiration session took place at a luncheon at Leone's restaurant in New York.

Lou Boudreau Is Named Best

Noses Out Bob Mathias as "Male Athlete" of 1948.
NEW YORK, (CP)—Lou Boudreau, player-manager of the world champion Cleveland Indians, was today named male athlete of the year 1948 in an Associated Press year-end poll.
The personable Cleveland shortstop barely edged out Bob Mathias of Tulane, California, Olympic decathlon champion.
Earlier today Mathias had been named winner of the Sullivan Memorial Award as the year's outstanding amateur athlete.

JUNIOR CHAMBER COUNCILLOR DUE

Brent Murdoch of Victoria, regional councillor of the B.C. section of the Junior Chamber of Commerce of Canada, will visit Prince Rupert on Saturday, January 15 in the course of a tour of the central part of the province. While here, he will meet with the Prince Rupert Junior Chamber executive and be guest of honor at a general meeting on Monday, January 17. He will be present at a charter night ceremony for the newly organized Junior Chamber. He will then proceed to Prince George from where he will fly to Vancouver.

NO FLOURINE TREATMENT YET

Prince Rupert school children will not receive the "flourine treatment" for the prevention of tooth decay in the immediate future, at least. The School Board last night decided against pursuing the matter after Dr. R. G. Large, chairman, had informed them that he had been advised that employment of the technique might be "prematuring," since all phases of it have not been investigated. The suggestion was made by Trustee W. J. Scott at an earlier meeting.

LOW VEGETABLE, FRUIT PRICES

COBourg, Ont., (CP)—M. M. Robinson, secretary of the Ontario Fruit and Vegetable Association, told the Northumberland and Durham Apple Growers' Association here today that the province was now entering a period of low prices for fruit and vegetables. He said that apples were the only commodity that remained unchanged in price.

Tuna Permanence Not Yet Known

OTTAWA—Dr. R. E. Foerster, director of the Pacific Biological Station at Nanaimo, has told the annual meeting of the Fisheries Research Board of Canada that it has not yet been ascertained whether a repetition of the albacore tuna run off the Queen Charlotte Islands may be expected. Further investigations are necessary.

European Medical Couple Take Staff Positions at Miller Bay

A man-and-wife team of European doctors—graduates of one of the famed medical training hospitals of Vienna—have taken staff positions at the Miller Bay Indian Hospital where they will work for the next year, at least.

The couple are Dr. Myron Lazarchuk, age 27, and his wife, Dr. Olga Lazarchuk, 26, a Polish couple who were graduated from the University of Vienna's Robert Koch Hospital in 1947 and came to Canada last September.

They arrived here from Edmonton yesterday to assume posts as staff doctors at Miller Bay. Both are under agreement to remain a year.

Dr. Myron Lazarchuk specialized in internal diseases at Vienna and his wife in children's diseases. Although neither have studied English, both have some command of their new language.

The couple did not come to Canada under government-aided "DP" status but by private arrangement with friends. Since their arrival, they have been in Edmonton, having spent two months at Charles Camsell Hospital there.

SCHOOL TOTALS DOWN SLIGHTLY

Attendance at the city's four public schools showed a slight drop in December under the November level, reports of principals read to the monthly meeting of the School Board last night indicated. Total enrolment for December was 1,159 as compared with 1,164 during the previous month.

At Booth Memorial High School, enrolment was 446, a drop of three under November, according to Principal A. M. Hurst. There were 187 in the senior High School and 289 in the junior.

At Borden Street elementary school, enrolment was 222 with an attendance percentage of 91, Principal J. S. Wilson reported.

Conrad Street's enrolment was 211 and the percentage of attendance was 96, according to the report of Principal T. G. Bateman.

King Edward had an enrolment of 280 and an attendance percentage of 94, Principal R. G. Moore reported.

There were no reports from rural schools in the district.

NEW DANCE COMMITTEE

A new committee to convene the weekly dances and whist parties held by the Sons of Norway Lodge was named Wednesday night at a meeting of the organization in the Sons of Norway Hall. The new committee consists of Hans Petersen, Nels Gunderson, Oscar Giske, Percy Knutsen, Pat Dean, Mrs. John Pedersen, Mrs. J. Pritchard, Mrs. Oscar Giske and Mrs. Alfred Henriksen.

First of the weekly dances will be held in the S.O.N. hall Friday night.

IS ROBBED BY HITCH-HIKER

Brazen Hold-up of Kelowna Man While Leaving Vancouver
CHILLIWACK, (CP)—Police in the Lower Mainland are hunting for a brazen hitch-hiker who held up Tom Elchuk, aged 40, of Kelowna yesterday and robbed him of \$20.

Elchuk, who was returning to Kelowna, said that the bandit kept up a "continual line of chatter from the time he entered his car after being picked up.

The hold-up man had a large Luger-type gun.

NEW HOSTELRY IN NEW YORK

NEW YORK—A one million dollar inn and restaurant with rooms for 350 guests, a de luxe suite, terraces, outdoor pools, golf courses, barbecue grills, motor courts, will be built opposite the Franklin D. Roosevelt shrine at Hyde Park under a lease signed with a corporation by Elliott Roosevelt. The shrine is the tomb of the former president where, it was hoped, there would be permanent seclusion and strict privacy.

VANCOUVER SEES POWER SHORTAGE

VANCOUVER—The British Columbia Electric Co. has warned electric light and power consumers to go easier on their consumption. Otherwise, "brown-out" conditions may have to be resorted to or curtailment of supply imposed. Although there has been much snow there has been a lack of rain in Vancouver's power-making sources.

Congress Confirms Truman's Election

WASHINGTON, D.C.—House of Representatives yesterday approved the electoral college returns following the November presidential election. The standing was 303 for President Truman and 189 for Thomas E. Dewey.

Civil Servants' Salary Increases

OTTAWA—Salary increases for some 15,000 civil servants in Ottawa will be included in the January 15 cheques. A second cheque, covering accumulated salary increases back to October 1, will be issued some time this month.

New Schools Here to Cost Nearly \$900,000; City and Government to Share Cost On a Fifty-Fifty Basis

ASKED TO TALK ABOUT HIGHWAY

Hearing that Hon. E. C. Carson, minister of public works, is to address the transportation and customs bureau of the Vancouver Board of Trade on January 12, the Prince Rupert Chamber of Commerce has sent a wire to the minister suggesting that, when he discusses the subject of British Columbia's road requirements and the government's plan, he may have something of interest and encouragement as far as the northern transprovincial highway No. 16 is concerned.

The Chamber feels that it might be more appropriate to make such a suggestion to the minister in advance instead of waiting until after he speaks and then criticizing what he has had to say.

PRODUCTION OF AIRCRAFT

OTTAWA (CP)—While Canada is negotiating for production of two types of American aircraft, there is, apparently, no assurance that she will be able to find a market for part of her own output in the United States.

Some government sources consider that it is naive to think that American firms which let Canada manufacture their planes will also agree to let Canada invade the home market as a rival.

Others, however, point out that the Americans only started to establish group air forces and is going to need lots of planes.

Two aircraft now under negotiation for Canadian production are North American Aviation's F86 jet fighter and Fairchild's packet transports, a flying box car type.

MORE SLIDES AT KWINITSA

Line Expected to Be Cleared Today After Twenty-Four Hour Blockade

Three slides of snow, rocks, trees and general debris within a distance of 800 feet about seven miles east of Kwinitsa had the railway line blocked since yesterday afternoon until press time today. The eastbound train, which left here last evening, was still at Kwinitsa while an extra gang of twenty-five men with rotary plow and other equipment waged battle against the slides under the personal direction of Superintendent C. A. Berner and Divisional Engineer R. G. Davidson. It was expected that the line would be cleared by 4 o'clock this afternoon to permit the eastbound train getting through as well as the westbound which is due here at 10:45 tonight.

The slides were up to twenty-five feet in depth and followed a spell of mild weather and rain which came after recent heavy snows in that area. Heavy rain has also been reported at Terrace.

For over a month now snow plows have been kept busy. Six inches of new snow was reported at Kwinitsa this morning with temperature of 36 above.

SITUATION IN PALESTINE IS STILL GRAVE

LONDON, (CP)—Britain said yesterday that the situation on the Palestine-Egypt frontier continues grave, although the "main body of Israeli forces" has been withdrawn from Egyptian territory.

A Foreign Office spokesman told a press conference that the Israeli withdrawal has given "local relief to a still-obsessive situation which continues to cause anxiety."

Israel indicated today that it was prepared to comply with the new United Nations cease fire order although it had no intention of giving up newly won positions on the Egyptian frontier.

It was reported that the sum of \$205.75 had been turned over to Mr. Wilkins which closes this relief fund that was sponsored by the I.O.D.E. with the co-operation of the Daily News.

A scholarship of \$100 is to be given by the Municipal Chapter to a graduating scholar of Booth Memorial High School for 1949.

Arrangements were made for the annual meeting to be held at the end of February.

WAS PIONEER OF OKANAGAN

Aged Mother of W. L. Armstrong, Formerly of This City, Passes Away

Mrs. Ada V. Armstrong, the mother of William L. Armstrong, former local freight agent for Canadian National Railways here, now located in Edmonton, passed away Tuesday night at the ripe age of 87 and the funeral will take place Saturday at Armstrong where she had made her home since that Okanagan Valley community was established last century. Burial will be at Vernon. Allan Armstrong of Prince Rupert is a grandson of deceased.

Mrs. Armstrong was born in Montpelier, Ohio, in 1860 and came overland in the eighties through Oregon to Phoenix. Later, with her husband, she moved to Vernon and Armstrong where the family home had since been. In fact the town of Armstrong was named after deceased's late husband, the late W. J. Armstrong, who passed away in 1923. He was the second mayor of Vernon.

Deceased, who visited here for about a year in 1945-46, is survived by four sons and one daughter.

Deceased, who visited here for about a year in 1945-46, is survived by four sons and one daughter.

GREETINGS EXCHANGED

Municipal Chapter I.O.D.E. Is in Session

Seasonal greetings were exchanged at the regular monthly meeting of the Municipal Chapter, Imperial Order, Daughters of the Empire, which was held in the ladies' lounge of the Civic Centre Wednesday evening. Mrs. Jens Munthe, regent of the chapter, was in the chair and wished the members a very happy and prosperous New Year with a word of thanks for their co-operation in the past year.

Christmas and New Year's greetings were read from members and friends of other chapters in the Province.

A contribution of \$25 was received from a teacher at Miller Bay Hospital to be used in the work of sending parcels to Britain. This will permit of an added luxury in the 15 or more parcels that each month go to Britain from the I.O.D.E. in Prince Rupert.

It was reported that the sum of \$205.75 had been turned over to Mr. Wilkins which closes this relief fund that was sponsored by the I.O.D.E. with the co-operation of the Daily News.

A scholarship of \$100 is to be given by the Municipal Chapter to a graduating scholar of Booth Memorial High School for 1949.

Arrangements were made for the annual meeting to be held at the end of February.

Mrs. E. Barton, Empire Study convener, read an article from the October issue of the Canadian Home Journal about Mayor Norah Arnold after which refreshments were served by members of the Duchess of Edinburgh Chapter.

THE WEATHER

Synopsis

Unsettled weather conditions persist over British Columbia today and tomorrow. Colder air has moved over the northern portion of the province and snow has been falling over the north coast and northern interior where yesterday it was raining. This colder air is expected to move to the southern section of the province later tomorrow.

Forecast

Queen Charlottes and North Coast—Northern Section—Snow with scattered snowfalls tomorrow. Wind westerly (15 m.p.h.). Colder. Lows tonight and highs tomorrow—Masset 31 and 33, Prince Rupert 27 and 33.

Southern Section—Intermittent rain today. Overcast with showers, mixed rain and snow tomorrow. Winds southeasterly (20 m.p.h.) today, light tomorrow. Colder tomorrow. Lows tonight and highs tomorrow—34 and 38.

Nice Co-operation

A NICE EXAMPLE of co-operation towards the common end of local development was seen in a recent incident when the C.C.F. federal member, Harry Archibald, offered his good offices at Ottawa to the Prince Rupert Chamber of Commerce and was promptly briefed by E. T. Applewhaite, secretary of the Chamber and Liberal nominee against Mr. Archibald in the next federal election. It is that sort of co-operation which brings us all together in a solid front toward achievement of our common local aims which, after all, should transcend any political considerations.

Both Mr. Archibald and Mr. Applewhaite are to be commended for their magnanimity and mutual good feelings. It will not hurt either of them in their political aspirations and it is all to the good for the city and district in the presentation of its claims.

BRITISH POLITICS

WITH a general election due to come in 1950 at the latest, the British political scene is also one of interest. Meanwhile Prime Minister C. R. Attlee has one vacancy to fill in his government—that of a new Parliamentary secretary to the Board of Trade. It is a junior post but is of importance among the lesser offices in the government.

So far, there is nothing to show whether Mr. Attlee will make only the single appointment that is needed or whether he will take the opportunity to have a general reshuffle. Political commentators are earning their guineas fairly enough just now to be showing themselves knowledgeable of possible changes. Some reshuffle the government with a masterly hand and a pleasant freedom from the difficulties of balancing the various personal, intellectual, trade union and Party forces that might well embarrass Mr. Attlee if he were going in for anything on so large a scale.

To encourage the few who think that Mr. Attlee may be content with the smallest number of changes, there is the fact that he has in general shown himself to dislike making more changes than he must. Moreover, most speculation has been about the Defence Ministries over which he himself has to have particular care.

In support of those who think that there will be greater changes is the calculation that the time is ripe for them, that, if the Prime Minister is a sufficiently shrewd politician, he will make now the last important changes before the general election.

That thought—that any important governmental changes made now must have their bearing on the approach to the general election—has not so far been much underlined. But the quieter judges are likely to make something of it in what they write between now and the time when Mr. Attlee announces the change or changes that he is to make. And when he does, they may all easily enough find themselves confounded. But these movements of political thought are important to record.

Civic Centre Notes

Bridge Classes Resuming—
Bridge expert Garnet Hull has announced the beginning of the next series of bridge instruction classes. These classes will be held at the Civic Centre each Tuesday evening, commencing January 11, and the course will be of two months' duration. The lessons are available to all Civic Centre members at a nominal instruction fee and opening night will no doubt see a full enrollment judging from the popularity of the session held last October, November and December.

Reminiscences

By W. J. — and REFLECTIONS
It's costing two million dollars to pull down a hotel in Vancouver. How much would it cost to put one up in Prince Rupert?

All war weapons are not bombs, bullets and battleships. That immense warehouse at Prince Rupert would be invaluable in an emergency. And the sudden development of the latter is not an impossibility in 1949 or 1950. Why all this zeal to tear it to pieces?

President Truman, it is announced, is the best dressed man in the United States. We wouldn't mind wagering that the gentleman who presses his trousers is described as occupying an executive position.

Women, no longer young, are said by news dealers to have a weakness for saucy stories and plenty of funnies. Well, what's wrong with that? All that is needed to complete the picture is a box of confections.

After March 31, Newfoundland will be part of Canada. Newfoundland's chief city is St. John's, and New Brunswick's principal centre is St. John. This looks like an indefinite number of headaches in the future.

Javex

CANADA'S LARGEST SELLING BLEACH

CUTS BLEACHING CLEANING WASHING COSTS IN 1/2

PROVE THIS FOR YOURSELF BY COMPARING THE SMALLER "QUANTITIES REQUIRED" IN THE DIRECTIONS ON THE JAVEX LABEL

And remember, Javex directions are laboratory tested and approved. For Javex is scientifically made, under the constant supervision of qualified chemists, and subjected to regular tests for purity and uniformity.

Javex is gentle and safe. Yet its mild action is so sure, so thorough, that the quantity required to achieve finest results is one-third to one-half less than that of other bleaching and cleaning fluids. In handy sizes for your convenience. Ask your grocer for Javex!

Javex

LIQUID SUNSHINE
MADE IN BRITISH COLUMBIA

JAVEX MAKES WASHINGS WHITER!
A little Javex makes whites whiter than new. Removes stains too!

JAVEX HELPS DISHES SHINE!
Try a little Javex in the dishpan. Cuts grease, removes food odors!

JAVEX GIVES BATHROOMS SPARKLE!
Removes stains and odors from toilet, bowls, basins, tubs. Leaves porcelain gleaming white!

JAVEX KEEPS KITCHENS BRIGHTER!
Makes sinks, drainboards, refrigerators, etc., sweetly clean and sparkling!

JAVEX KEEPS DIAPERS SNOW-WHITE!
Removes diaper odor and stains, makes them soft, hygienically clean.

JAVEX CLEANS FALSE TEETH!
A diluted Javex bath keeps dentures bright, white, and free from odor.
And there are scores of other ways in which Javex saves work and time.

WHY BUY?

MONTREAL, Jan. 6th—It doesn't take an expert "palms" to "read your hand"! When your hands are soft, smooth and well-kept, it's easy to see they're the hands of a lady who takes pride in her appearance! She may be cooking and dishwashing, but it's so I'd guess that she keeps an extra bottle of JERGENS LOTION in her kitchen—uses it regularly. Yes, no matter what your daily chores... Jergens Lotion will keep your hands beautiful. And it's a good idea, after a particularly home job to rub a more generous amount into your hands! Most women who have learned this lovely way to smooth, soft hands know that even as fine a lotion as Jergens has to be used to do its good work!

On My List Of Dessert Favorites... that's JELL-O TAPIoca PUDDINGS stand! So quick to prepare... a certain hit when served... these delicious, homemade kind of creamy tapioca puddings are a surefire finale for any meal! For "special" I like to try Jell-O Chocolate Tapioca Pudding with whipped cream, and a sprinkling of chopped nuts. Jell-O Vanilla Tapioca Pudding with fluffy, shredded coconut, either plain or garnished festively, I use economical Jell-O Tapioca puddings often these wintry days.

Days, it's No Easy Trick to keep our families happy and well-fed without the house-money flying out of our purses faster than it flows in! That's why I'm always so keen across a budget-booking tip like this!... to come from a budget-booking tip like this!... the OXO way to keep your budget in check... and, at the same time, give the family that "rainy day" extra... You see, Oxo is the... and flavour of prime, lean concentrated in cube and fluid form... Do to soups, stews or gravy... you'll have beef-rich, delicious with your "meatless" ask your grocer tomorrow... it gives you so much more cost!

Your Husband occasionally look like an "accident case"... with slightly soiled "adhesive" covering his stubborn shaving cuts? He'll like DALMAS Dressings!... they help preserve his well-groomed look! Inconspicuous and comfortable—Dalmal Dressings are made of a paper-thin substance that's washable, water-proof, smooth, can't fray, stretches all ways and is flesh-colored. Yes, Dalmal Dressings are a medicine cabinet... Ideal for bandaging Junior's scratches... and for your "kitchen" they're "just the thing"—apply one in a jiffy and then—because it's waterproof—you can peel potatoes—wash dishes... just as if you'd treated yourself all!

It's Amazing How Many Folks Get Up EARLIER just to enjoy a good "Cream of Wheat" breakfast! At least, it's amazing to anyone who's never tasted the creamy smoothness of good 5 Minute "CREAM OF WHEAT". Once you've tasted it, you'll understand why your family are suddenly enthusiastic about breakfast when 5 Minute "Cream of Wheat" is on the menu. And it's so very easy to prepare, too! Just five minutes of boiling will cook it to delicious creaminess... and it's extra-good sprinkled with brown sugar or raisins! So serve it to your family—tomorrow! And, remember—5 Minute "Cream of Wheat" contains blood-enriching Iron... and it provides Calcium and Phosphorus for diets deficient in these elements. Yes, it's good... and good for you!

To Please a Man With Your Cooking? It's the thing in the world to do with HEINZ CHILI SAUCE to help you! A liberal dash of this spicy, full-tasted sauce on steaks—chops—stews—left-overs and... you have a dish fit for a king! Yes, that man of yours will really "go for" the spicy goodness of this thick, rich sauce... every drop has "man-sized" appetite appeal! Made from rich, rosy "Aristocrat" tomatoes—cooked and seasoned to palatable perfection by Heinz chefs... no wonder Heinz Chili is a favourite with the menfolk... and everyone! Ask for the chili—at your grocer's now!

A New Year's Resolution that will pay you quick and wonderful dividends in beauty! A daily Facial Cocktail with "WOODBURY FACIAL SOAP" will help your complexion stay soft, fresh and young-looking... to keep your husband proud of you! That's a promise! A promise that Woodbury gives you if you stick to this excellent beauty routine. So simple—so very easy... all you do—work up a creamy-rich Woodbury lather. Massage thoroughly over face to cleanse and soften. Follow with a warm and a cold. Pat dry. And... wonderful results! See, Woodbury's lather is extra-mild, extra-creamy... rich with a cream ingredient. Care for all your skin with this true beauty—made by skin specialists and made for the skin alone! Let Woodbury's soap of lovely marrying debs, help make this your most beautiful year!

New Year's At Terrace

Large Legion Dance and
Ambitious Party at
Civic Centre

TERRACE—The Yuletide season has come and gone in Terrace and things have now settled down to normal after a week-end of gaiety. Preceded by several large house parties, the dances to usher in the New Year drew record crowds, both halls being packed and dancing continuing until almost 5 a.m.

At the Oddfellows' Hall, about 200 people attended the customary annual Canadian Legion dance where well-known local musicians kept the dancers busy all evening. In the orchestra were Mr. Palmquist, T. Turner, E. Turner, J. de Kergomneux, Rawley Beecher, Alan Dubeau, Mr. and Mrs. S. Kirkaldy, Bud Kirkaldy and R. Beecher. Mr. Durh am and W. Warner acted as announcers. At the door were F. Morris and M. Dubeau. Refreshments were served in the Legion lounge by the members of the Women's Auxiliary under the supervision of Mrs. F. Hall and Mrs. A. Kirkaldy.

At the Civic Centre, after weeks of careful preparation.

PIONEER PERSONALITIES

DR. QUINLAN

Prince Rupert's first dentist, Dr. W. J. Quinlan, had his office and residence in a plain little house, located well back from the newly surveyed Second Avenue in the early summer of 1909. The Quinlan home was situated in the general neighborhood of where the radio station is today located. On every side of Second Avenue stretched the recently cleared muskeg. There was plenty of room to grow.

On day, old John Houston, getting out his paper down on Rupert Road, sent his lately arrived reporter from Seattle to see Dr. Quinlan who was secretary of some local organization. As the secretary, he had certain information necessary in the completion of a story.

The newspaperman's tap on the door was quickly answered. "Are you Dr. Quinlan?"

"I am," he replied, looking his caller up and down.

When questioned if he was secretary of the association in question, he blandly observed, with the faint suggestion of a twinkle in his eye, that he knew he was on the previous day.

"But I am not prepared to swear, at the present moment, that I still am," he concluded.

Prior to moving north, he had lived in Victoria. He was great company and widely known. He took an active interest in the formation of Prince Rupert's first Rifle Club, and was prominent in the general life of the new city.

A good many positions in Prince Rupert more than 35 years ago were still unfilled and competition was lively. Applicants had a habit of soliciting support. There was one potential office holder who was interested, not in being subject to orders but in giving them. He wished to be head man in whatever sphere of duty he found himself. It was necessary for him to be at the head.

India's annual requirements of machine tools are estimated at \$27,000,000.

STEWART NEWS

Latest from Portland Canal Mining Centre

CHRISTMAS AND NEW YEAR MARKED BY SUB-ZERO WEATHER BUT SPIRITS WARM AND GENIALITY PERVADES AIR

In spite of sub-zero weather Christmas and New Year holidays were celebrated in traditional manner. There was a nip in the air but there was also a nip in the glass which was cheerfully passed around and as cheerfully accepted. Here's the "tae ye," "Skool," "Bon Sante" and all the kindred expressions, including "Mud in Your Eye" could be heard wherever one went. Midnight Mass at St. Felix Catholic Church and the midnight service at St. Mark's Church were well attended.

ALEX RUSSWURM, STEWART, PASSES

STEWART—Alexander Russwurm, for many years postmaster here, passed away at the home of his sister, Mrs. C. E. Gibson, after a long illness. He was 75 years of age.

Mr. Russwurm came to Stewart from England in 1926 on a visit, shortly after his retirement from the London and Counties Bank of which he was a valued employee. At the time he had no intention of staying but, as the years passed, he became an active participant in the affairs of the community, serving as secretary of the Stewart Board of Trade, secretary of the Portland Canal Lodge, Loyal Order of Moose, chaplain of the Stewart branch, Canadian Legion, warden and licensed lay reader of St. Mark's Anglican Church, manager of the Stewart Public Utilities Limited, and as Justice of the Peace. His quiet and courteous manner endeared him to everyone in the community. He was always ready and willing to do a service.

Practically the entire community turned out at the funeral to bear evidence of the respect and affection which they held for Mr. Russwurm. Services were held in the Moose Home under the auspices of the Portland Canal Lodge, Loyal Order of Moose, and St. Mark's Church. The Defending Circle was represented by the governor, J. P. Garlick; acting vice-governor W. J. Wakefield, acting chaplain J. Wolstenholme, acting past governor W. S. Orr, and Mrs. Tooth, Mrs. Risch, Mrs. Stewart and Mrs. Wakefield. Pallbearers were J. Haahli, J. J. McKenna and D. Geddes, representing the Moose Lodge, and E. Love, F. Lewis and R. Sharp, representing the Canadian Legion.

Rev. C. L. Lomas read the service. Senior Regent Wilkinson led the choir, and Mrs. M. Dickson provided the music. Funeral arrangements were in charge of H. A. Stewart. The ceremony at the graveside was conducted by the Canadian Legion.
