Sinks, Man in QC Sound

Tug Redondo Founders Namu After Striking Rocks

Man tug Redondo was sunk this morning when crew members lost his life when he struck after striking Canoe Rocks, 215 miles from Prince Rupert, while proceeding north with a tow.

Redondo, registered out of Juneau, struck about 20 miles from the rocks about midnight. She later sank in Safety Cove. She was about 30 miles from the rocks when she struck. She later sank in Safety Cove. She was about 30 miles from the rocks when she struck. She later sank in Safety Cove.

SPECTACULAR BLAZE—Thousands watched as the factory, sawmill, lumber yard and other buildings of Joseph Grenier Co. Ltd., furniture manufacturers, were destroyed in a fierce blaze which also destroyed two residences and a barn. Loss was estimated at \$600,000 and made idle the main industry of Beauport, Quebec suburb. (CP Photo)

Bo-Me-Hi Hoop Team Greeted As Heroes On Return Home

A cheering crowd of students gave a heroes' welcome today to the returning Booth Memorial High School team which arrived home on the Prince Rupert from the invitational basketball tournament at New Westminster in which they gained three wins against one loss to claim third position in the provincial championships.

From the rousing welcome they received, the players might well have captured the championship themselves, as indeed they came close to doing. Literally hundreds of excited teenagers greeted them as the vessel pulled alongside the wharf. They flocked around Coach Alex Bill and his grinning team members as they strode down the gang plank with shouts of "Good Work!", "We'll Make It Next Time!"

The players themselves seemed pleased at the welcome and one of them commented: "I wonder what they'd have done for us if we had taken first place?"

"It was that game with Trapp in which we led for the first three quarters which did us in," said Team Captain Larry Moore. "We lost out there on free shots. We had so many fouls called on us that they caught up."

"Most of the fellows found the refereeing good but a bit different from what they were used to. They gave the man with the ball all the breaks, thereby favoring the dominant team," he said.

On their way home, they played a game with Ocean Falls seniors, defeating the paper town boys by a score of 47-29 last night.

Absence of Ray Spring from the floor in the Trapp Tech game was a blow to Prince Rupert, Team Captain Moore said. Spring was benched because of fouls at a time when he was needed most.

Spring, Prince Rupert's dynamic forward, won the honor of all-star team as representative of the province.

Public works department crews will start work during the next few days from both Prince Rupert and Terrace ends on the clearing of snow from the Skeena River Highway.

Owing to the heavy fall of the past winter it will be a big job. However, mild weather of late has been softening the snow, especially on this end, and this should facilitate getting through. Previously the snow had been hardened into ice, making clearing practically impossible in past weeks.

being placed on the tournament's list of the best players in evidence. Team members who returned today were Coach Alex Bill, Team Captain Larry Moore, Bill Davidson, Jim Flaten, Art Olsen, Syd Scherk, Glen Carlson, Ray Spring, Mickey Webster and Bill Sunberg. Nina Youngman and Irene Kildal, who accompanied the team, also returned today. Oliver Santurbane and Basso Menzies remained in the south for a short period.

PRINCE RUPERT GREETED NEWFIE

Messages of Welcome From Chambers of Commerce

Messages of welcome to the colony of Newfoundland on its entry into Canada as the tenth province will be sent to bodies at St. John's and Harbor Grace by the Prince Rupert Chamber of Commerce and Junior Chamber of Commerce respectively in "hand - across - the - continent" gestures on the eve of confederation.

Tonight, the senior Chamber of Commerce will send a message of congratulations and welcome to the Newfoundland Chamber of Commerce at St. John's while a similar greeting will be transmitted by telegraph to the Town Council of Harbor Grace by the Junior Chamber of Commerce.

Newfoundland officially becomes Canada's tenth province at midnight, Friday, terminating a series of negotiations which have been under way for the last two years. Confederation will add the 43,000 square miles of territory of Newfoundland proper and 119,000 square miles of Labrador to Canadian dimensions. It will add 300,000 Newfoundlanders to Canada's population.

The Junior Chamber of Commerce telegram, signed by President S. G. Furk, said: "From the west coast we extend our hands across the vastness of our country to welcome your citizens to the Dominion of Canada and extend best wishes and congratulations to you as new citizens of our growing Dominion."

The senior Chamber's message was signed by President G. R. S. Blackaby, addressed to Lewis Ayre, president of the Newfoundland Chamber. It said: "From the west we extend a hearty welcome into the Canadian family to Newfoundland and special greetings to you as the representatives of the business community of the new province."

NO WORD ON PORT EDWARD HIGHWAY WORK

Provincial Public Works office here has no official information regarding plans to hard-surface the Prince Rupert-Port Edward road and reroute a portion of it, the Daily News was told today by District Engineer H. W. Stevens.

No instructions have been received regarding the recent move by the government to declare Frederick Street, Eleventh Avenue and a portion of McBride Street an arterial highway, Mr. Stevens said.

"I understand they are preparing to ask for tenders for the Port Edward road but I have no information that they have done so," he said. "So far, our only information about the arterial highway in the city has come through the press."

THE WEATHER

Synopsis

Pressures increased rapidly overnight in the wake of yesterday's storm and most sections of the province are clear. A few showers and snow flurries are persisting in the southern interior but will clear there this afternoon.

Another storm is moving across the Pacific towards the Northern British Columbia coast and southeast gale warnings have been issued for tonight for waters surrounding Queen Charlotte Islands.

Overcast skies and light rain will return to Vancouver Island and the lower mainland tomorrow as this new storm moves down the coast. The interior will become cloudy.

Forecast

Queen Charlottes and North Coast—Clear, becoming overcast this afternoon. Rain tonight. Cloudy with showers tomorrow. Light winds, increasing to southeast (25 m.p.h.) this afternoon and southeast gales (40) tonight. Winds southwest (25) tomorrow. Little change in temperature. Lows tonight and highs tomorrow: Port Hardy 35 and 45, Massett 35 and 45, Prince Rupert 35 and 45.

HOCKEY PLAY-OFFS

Detroit regain their position as favorites to win over the Montreal Canadiens and advance to the finals. Their series resumes tomorrow night. Gordon Howe rapped home two goals for the Red Wings last night. Harry Lumley did a brilliant job of goal-tending, sweeping aside numerous Canadian rushes in the closing minutes.

Paced by Howe, the Red Wings had a complete return to form last night and held a slight edge over the Habitués throughout.

ince. May you always have cause to be thankful for this historic union." City Clerk H. D. Thain said this morning that the city had not considered similar action.

SOVIET SWITCH

LONDON—Moscow radio reported last night that the council of ministers of Russia had appointed Vassily D. Sokolovsky, marshal of the Soviet Union and first deputy minister of the armed forces. He is simultaneously relieved as commander of Soviet occupation forces in Germany as well as head of the Soviet military administration in Germany, being replaced in both capacities by Gen. V. I. Chuykov.

SEEKS FLOOD CONTROL

OTTAWA

OTTAWA — A program of flood control, power development and irrigation along the Fraser River was asked in the House of Commons last night by E. D. Fulton, Progressive - Conservative, Kamloops. He conceded that some work is being done on the dikes now but not enough to prevent repetition of floods. He asked for dams on the upper reaches of the river and said that dikes on the lower levels would not be enough.

TO DEVELOP TELEVISION

CEC is Given Green Light With Loan of \$4,000,000

OTTAWA — The government Monday gave the publicly-owned Canadian Broadcasting Corporation the green light to develop television in Canada but it may be twelve to eighteen months before the new radio-medium comes into operation.

Revenue Minister J. J. McCann, outlining the government's policy to Commons, said that Parliament would be asked to approve a four million dollar loan to help meet initial costs. Private firms if the application is approved by the board of governors of the Canadian Broadcasting Corporation and the licensing authority of the Board of Transport, would be allowed to develop their own stations.

Atlantic Pact Nations Must Implement Safety

British Foreign Secretary Given Hot Reception By Jews In New York

NEW YORK (CP)—Rt. Hon. Ernest Bevin, British foreign secretary, said today that the western world is in danger but he expects no "early attack" if the nations signing the Atlantic pact work under it to implement their regional security. Mr. Bevin, on arriving aboard the Queen Mary enroute to Washington for the signing of the pact next week, told reporters that long-term peace would ultimately come through the United Nations. He said, however, that the world must first organize regionally for peace and then bring the parts together.

Mr. Bevin got a stormy welcome. Eggs and tomatoes were hurled from a crowd of 500 pickets at a car bearing the British foreign secretary from the pier to the Pennsylvania station where he boarded a train for Washington. Three pickets were arrested in a push-and-pull scene with the police. Signs among a crowd of placard-bearers carried such slogans as "Anti-Semitic Bevin, 6000 Jewish dead are enough!" and "Bevin Hands Off Israel."

Two youths—one seventeen and one twenty—were arrested for disorderly conduct. Mr. Bevin may later go to Ottawa to discuss Commonwealth affairs with the Canadian government.

P.M. DEFENDS UNIONS

Prime Minister Louis St. Laurent, shown during visit to southern Ontario, defended labor's right to organize and stated unions contribute to community well-being. Choosing this industrial border city to take a positive attitude on issues that have not previously been so clearly stated. The prime minister said: "No one will ever convince me that Canada needs a Taft-Hartley act."

COOLACHAN RUN IS NOW ENDED

Natives at Fishery Bay on Naas River Now Engaged in Cooking

The annual oolachan run, which has been in full swing at Fishery Bay, Naas River, for the past two weeks, is over, reported Simon Calder who was in port today with his boat Leona; bringing in a load for the local market. Naas River natives, to whom this is an exclusive fishery, are now encamped at Fishery Bay cooking the fish and putting it in the customary native manner for future food supply.

Brentwood Is Winner

May Come to Prince Rupert For Senior B Hoop Final

VICTORIA — Brentwood Aces annexed the coast senior "B" men's basketball title last night by edging Powell River 52 to 46 in a fast, rugged contest. The winners had carried a 22-point margin gained in Monday night's game into last night's final.

MONTREAL RED RIOT

Twelve Arrested and Four End Up in Hospital

MONTREAL — A "peace rally," sponsored by the Labor-Progressive party, was turned into a bloody riot here last night when more than 100 city, provincial and Royal Canadian Mounted Police officers broke up a street meeting.

Twelve persons were arrested and four went to hospital with minor injuries as night-stick swinging police squads dispersed a crowd of men and women estimated at 1000. The arrested include D. Caron, a leader of the Labor-Progressive party.

Toronto In Long Lead

BOSTON — Toronto Maple Leafs took a stranglehold on the best of seven semi-final Stanley Cup play-off last night with a 3 to 1 victory over Boston Bruins. The Maple Leafs now have a three-to-one game lead. Detroit, also by a 3 to 1 score, defeated Montreal Canadiens to tie up that series at two games each.

The eager recruit, Sid Smith, called up from the American Hockey League Pittsburgh Hornets, was the hero for the Leafs, scoring two of their goals. Smith was the leading scorer in the American League during the past season, having finished up the season with 112 points.

Smith, taking over Vic Lynn's left wing post, came up with his two-goal scoring performance to tip the Stanley Cup scales heavily in favor of the Maple Leafs over the battered and injury-ridden Bruins.

The series resumes tonight between the Maple Leafs and the Bruins and Boston has only a ghost of a chance with three key players on the injured list.

SNOW WHITENS CITY STREETS

Snow flurries whitened the city landscape overnight as winter made a last-ditch, half-hearted onslaught in the face of approaching spring. The earth, still chilled from winter's prolonged reign, retained the quarter-inch snow blanket well into the morning.

Temperatures, which hovered in the low thirties Tuesday, climbed during the night, dropped again early this morning as the snow fell.

Rain and light snow during the last week have blunted the edge of enthusiasm displayed by gardeners who earlier in the month had begun to turn the sodden earth in anticipation of an early spring.

Prince Rupert Winner Again

Down New Metlakatla by Single Point in Final Game of Series

Prince Rupert Jets living up to the flash and color of their bright new uniforms, came through with a driving finish in the last few minutes of a thrilling battle to take the second game and the series from the hard playing New Metlakatla basketball team. The final score was Prince Rupert 47, Metlakatla 46, with Rupert taking both games of the series with a total of 94 to 86.

With seconds to go Herbie Morgan, who played one of his best games of the season, made a brilliant recovery and passed to Arney for the final and winning basket.

Prince Rupert went into the fourth quarter with a five point deficit but hit their stride from there on although unable to gain the lead until the last second. Rupe Holkestad went great guns all evening, scoring 14 points, with Morgan and Beynon each coming through with 10. Jack Lindsay could not get his shooting eye all evening and swished the hoop just twice in 20 shots. He was also good for three foul shots to make his total of 7 points and was thumbed to the showers in the last seconds of the game for boarding his Metlakatla check. Seventeen personals were called on Prince Rupert and 14 on Metlakatla by Referees Comadina and Calderoni who kept a particularly hard fought game under control. Brendable was Metlakatla's big gun with 18 points, mostly from uncheckable hookshots.

Line-ups and scores:
Prince Rupert Jets — Holkestad 14, Lindsay 7, Morgan 10, Beynon 10, Dominato 2, Arney 3, Lavigne 1, Shier, Total 47.
New Metlakatla — Brendable 18, Williams 8, F. Bolton 7, Booth 6, D. Bolton 5, R. Reece, J. Reece, Lang 2, Total 46.

GETTING SET FOR PING PONG FINALS

Second round of the table tennis tournament at the Civic Centre has to be completed as well as the semi-finals so the finals may be played as scheduled on Saturday. Unless entrants in these rounds complete their games before Saturday, they will be eliminated so that there will be no delay. Yesterday P. Lester defeated Gardiner Paul who was advanced to the adult class from the teenage group. This left McChesney a winner with a bye in the teenage class. Matt Sedgwick defeated Alf Blackaby.

NORTH STAR LEADS PLAY-OFFS

North Star took a firm toe hold in the Junior play-off series when their heavier team played the diminutive Kinsmen to win 30 to 35. Simundson was outstanding for North Star, getting over half of his team's points with a brilliant 16. The game was clean with only 9 fouls being called on North Star and 11 on Kinsmen. The second game of this two out of three series will be played as a preliminary to the Bo-Me-Hi Co-op play-offs starting Saturday night.

Line-ups and scores:
Kinsmen—Helin 5, Mackay 8, Letourneau 6, Penoff 2, Blackaby 4, Ciccone, Webber, Total 25.
North Star—Johnsen 6, Sather 2, Young 1, Simonson 16, Walsh 3, Sedgwick, Ketcheson 2, Currie, Total 30.

Ray Reflects and Reminisces

Winston Churchill will give an address in Boston, Massachusetts, this week. He will deal with the world situation as it looks today and the cloudy future. The United States, born in Boston (or very near there), is a dominant force in the United Nations. Churchill's mother was an American. Here is an illustration of the fitness of things.

A distinguished navigation authority says grain can be successfully carried by submarines. It would indeed be a novelty for Prince Rupert longshoremen to see wheat pouring through a periscope. It would be a new experience for stevedores to take a hand by going aboard and assist in preserving balance by leveling cargo.

Bruce Kerr of Burns Lake drew two horses but they failed to place and all that Bruce got in cash was \$470. Well, Mr. Kerr knows the thrill of being on the very verge of fortune, the congratulations of the community, the comfort of luxuriant dreams, being talked about and pointed at by envious neighbors—and having one's photograph on the front page of a Vancouver daily. Isn't all that something?

When a Minister of Finance is heard in a broadcast his remarks are sometimes not wholly understandable. It's that way with so many of the multitude not familiar with the management of money, monetary reports or the finer points of budgets. But in fairness, no reproach at the expense of Mr. Abbott can be suggested. To Canadian taxpayers not long ago, he was exceedingly polite and we think it only right to return the compliment. He was on the air a few

evenings ago and, in more ways than one, it was a pleasure to listen.

Aluminum enterprise could mean the bringing to the British Columbia coast of hundreds of millions of dollars, the providing of many thousands of new jobs, the establishment of a good sized city and enhancement of the industrial importance of Western Canada to a vast degree. And there's a fair enough chance of it coming. It's something to think over.

Ridding Canada of what appears to be a wartime complex still appears to be a tedious business. For example, why should there be, in everyday life, so much about "controls"—and this, five years after the fall of Berlin. Why so many boards of controls? What is there to restrain, to regulate, to check, and why? Granted, there must be a government, and legitimate authority which is naturally expected and respected; but this is different. Its roots seem to have originated not in civilian power and privilege but during the stress and strain of war. It will be a welcome election if among other blessings, less will be heard of this control and that kind of control and of how indifference to its dictates might result.

Alaskan defence is being more intently studied at Washington since Representative O. C. Fisher of Texas drew attention to how three Soviet bases constitute a nearby and serious threat.

"We must never forget" he remarked "our shock of the last war when the Japanese obtained a lodgement on the Aleutian Islands". And Prince Ru-

bert should never forget the shock of that morning when she woke up to hear of the bombing of Dutch Harbor, just up the coast—and which seemed uncomfortably near.

With a federal election pending some of Canada's public men will be seeing more of the land than one part of it. The west coast, in particular, should not be missed. Most of the Dominion's population live at least two thousand miles distant from British Columbia and it's more than likely the majority have not yet been west of the Great Lakes. But for that matter how many in B. C. have journeyed as far east as Ontario or the Maritimes? Laurier used to say "Canada is a hard country to govern"—perhaps partly explained by the fact of so many dwelling together and remaining strangers.

Better English By D. C. WILLIAMS

1. What is wrong with this sentence? "Remember me to your folks."
2. What is the correct pronunciation of "poem"?
3. Which one of these words is misspelled? Disputable, dissatisfaction, disperse.
4. What does the word "applicable" mean?
5. What is a word beginning with ob that means "plain, evident"?

Answers

1. Say, "Remember me to your family." Folks used in the sense of family or friends is a colloquialism.
2. Pronounce po-em, o as in no, e as in end, and not pome nor po-um.
3. Disperse.
4. Fit; suitable.
5. Obvious.

THE LITTLE BLUE COAT

The little blue coat in a cupboard hangs; I saw it but yesterday. As I wandered into an attic room . . . To put some boys away.

The little wrinkles her arms had made
Are just as she left them there,
And a soft hair of gold on the little blue coat
Seemed more than I could bear.

The little blue coat whose seams I stitched
As she played around my chair;
Into each seam went a mother's dream—
Ah! the high hopes and fair!

It drew me back in sweet memory
To a happy autumn day,
When she stood—herself—in the new little coat,
Impatient to be away.

Ah! the child's away and the dreams are done,
And my heart is a ship at sea;
Buffeted, bruised and sorely tossed
On the tide of memory.

Ever the sky is heavy with clouds;
The fear and the storm increase,
And, O, so far away it seems,
The haven of perfect peace!

But deepest gloom must yield to calm,
And the sun must follow
shower:
God of the children! grateful am I
That Beauty stayed an hour.

Out of my cross may I make a shrine,
Where sorrowing hearts may bow;
Out of my silence bring a song,
To heal as Thou healest now.

The little blue coat a vestment,
Lord,
For Thy holy altar's grace,
To help me find in the woes of the world
The outline of Thy face.

—Adele C. Hughes,
Miller Bay.

heavyweight championship brawling, Luis Angel Firpo of Argentina, berserk and barrel-blind, clubbed heavyweight champion Jack Dempsey out of the ring and into the press row. The fight lasted exactly three minutes and fifty-seven seconds. During that time Firpo was floored nine times, Dempsey twice.

When Dempsey was swatted out of the enclosure, he fell onto a sports writer by the name of Jack Lawrence who pushed him back to the ring platform. One of the longest-winded arguments in the history of boxing was started by the claim that Dempsey should have forfeited his title because he was helped back into the ring.

Lawrence's contribution to the tons of rhetoric and belles lettres pursuant to the discussion of this claim was brief and to the point. He said he wasn't helping anybody. He was merely trying to get one hundred and ninety-two pounds of muscle and sinew off

COMMITTEES OF SMITHERS P.-T.A.

SMITHERS—Standing committees of the recently organized Smithers Parent-Teachers' Association were appointed at the monthly meeting held in the elementary school. A turn-out of 40 members responded despite several other activities scheduled for the same evening.

Discussion centred on school lunches and the school library and membership privileges in the P.-T.A. It was decided that the dollar membership fee should cover both parents or guardians of school age children since the object of the organization is to stimulate interest in the schools.

Appointed to the library committee were Miss Brown, Miss Dundas and Miss Gemmil, while J. Davidson, chairman, and Principal J. Hrynik, Mrs. Cochran, Mrs. Casler and Mrs. Bottomley were named to the program committee. Mr. Simpson and Miss Brown were appointed to the reception committee.

April 18 was set as the date for the next meeting.

STEWART SCHOOL BOARD VISITED

STEWART—School Inspector Joseph Chell paid an official visit to the Stewart Superior School during the past week. A meeting of the school trustees was held at the home of the chairman, Mrs. J. McLeod. Miss Joyce Leslie, administrative head at Prince Rupert for the Provincial Public Health Department, also met the school trustees and outlined the measures being taken by this department for the prevention of disease. Miss Leslie examined the school children and made a partial survey of the needs of this district. The time at her disposal being somewhat limited she was unable to make a complete survey but had, she thought, sufficient information to form a comprehensive view of the situation here.

FIRE PREVENTION FILMS IMPRESS

STEWART—The fire prevention pictures, shown by Constable George Nelson, during the week should have the effect of making all those, who witnessed them, more conscious of the hazards in homes as well as in the woods. The object lessons shown on the screen should have a tendency to make, everyone more careful in the future.

BOB HOPE HITS WEST

Much-Heralded Fun Film
"Paleface" at Capitol Theatre

Bob Hope hits the road to the West for the first time in "The Paleface," his much-heralded new comedy, which comes to the Capitol Theatre here tonight to start a four-day stand. Co-starring with him in an hilarious take-off on the Old West is Jane Russell.

Hope has the role of a travelling dentist whose unfortunate way of pulling the wrong teeth keeps him constantly on the move. When he and "Calamity Jane" (Miss Russell) are forced to leave the same town in a hurry, they team up—Hope for romantic reasons and Jane to use Bob as bait to bring some gun-smuggling bad men out shooting.

There are plenty of Indians and rip-roaring action and rib-tickling situations in the spectacular technicolor production.

During the course of his wooing of Jane, Bob sings the new hill-billy hit tune "Buttons and Bows" which is one of the high-

lights of the film.
