Railway Wage Dispute In Canada Deepens

Star Enlists in U.N. Narcotics Drive

Cooper is welcomed to U.N. Headquarters at Lake N. Y., by Benjamin Cohen, U.N. Assistant Secretary for Public Information. Mr. Cooper visited U.N. to record Secretary for a radio program entitled "Shooting Gallery" describing the U.N. Narcotic Commission's efforts to control drug traffic. "Shooting Gallery" will be aired over stations in the world's English-speaking countries.

is Orderly in Spite Of Day Demonstrations

BERLIN (CP)—Threats of trouble marked the May Day celebrations in divided Berlin. Cool-headed German police from both sides averted any outbreak of rioting.

Six Die as Army Bomber Hits Tree

LEBANON, Ill. (AP)—A United States Air Force B-25 bomber struck a tree today showering flaming gasoline on two adjacent houses and killing six men known to be aboard.

New Lighthouse Tender Due Soon

Harbor Master Here To Be Appointed In About Three Weeks

The new 150-foot motor vessel Alexander Mackenzie, now nearing completion at the Burrard dry dock at North Vancouver, will be ready by the end of June to replace the Birnie as lighthouse tender for the Department of Transport operating out of Prince Rupert. It is announced by N. A. Beketov, local agent for the marine department, who returned to the city on the Chilcotin last evening from Vancouver. Capt. Norman MacKay, at present in command of the Birnie, will be master of the new vessel, it is expected.

Mr. Beketov, while in Vancouver, acted as an examiner for candidates for the position of harbor master at Prince Rupert in succession to the late Capt. J. R. Elfert. The final appointment of the harbor master here is expected to be made within three weeks. There were several candidates.

Fires Light During March

No large fires broke out during April but a few came close to becoming major blazes. Quick work on the part of the fire department on April 21 at 12:50 p.m., with the aid of the C.N.R. yard crew, averted a major dock conflagration. On that date, the Bacon Fisheries smokehouse near the C.P.R. docks caught fire. Damage was estimated at \$150.

Floods Moving In On Winnipeg

WINNIPEG, (AP)—The Red River cut loose with new flood blows today as soggy, groggy southern Manitoba. The Canadian Army moved into the Red River flood zone as the highest water since 1832 poured toward Winnipeg, the province's largest city.

Fraser Flood Danger Grows

VANCOUVER (AP)—The ominous threat of floods in the Fraser Valley and southeastern British Columbia continued to grow today with the forecast of summer-like weather and sullen refusal of the mountains to start their normal run-off.

Forces Accident Rate Cut Sharply

OTTAWA — Canadian Army, Navy and RCAF vehicles covered more than 31,000,000 miles in 1949 with an average rate of accidents of only 3.8 for each 100,000 miles compared with a rate of 4.7 for the same distance last year.

Tornadoes Hit South

OKLAHOMA CITY (AP)—Eleven persons, and possibly more, died as savage tornadoes ripped over Oklahoma and West Texas during the week-end. Threats of more black spirals hang in leaden skies over both states.

A weather expert says that conditions over the stricken areas are just right for more twisters. Some 35 persons were injured severely by the wrecking of blasts of the twisters. In Texas hail added its bombardment to the wind and swelled the damaged toll.

Royals Are Coast Hockey Champs

NEW WESTMINSTER (AP)—The New Westminster Royals captured the Pacific Coast hockey league championship Saturday by downing the Los Angeles Monarchs in one of the closest, most gruelling series in P.C.H.L. history. The final score, 5-4, was as close as early games of the tense series.

For the first time in five years of the league's existence the series finally went the distance. Ollie Dorohoy's unassisted goal at 1:49 of first overtime period concluded the seven-game marathon.

THE WEATHER

Synopsis
Rain was general along the southern British Columbia coast and Lower Mainland this morning as another storm moved in from the Pacific. Showery conditions extended over the northern coast and into the Bulkley Valley while cloudy skies had spread over the entire province.

Showery conditions will spread into the southern interior during the day as the system continues its eastward motion. Rain will continue along the southern coast until this afternoon when showery conditions will develop. Relatively cool showery weather will continue over most of the province tomorrow.

Forecast

North Coast Region—Cloudy with a few showers today and Tuesday. Little change in temperature. Winds southeast 15.

Douks Disrobe In Nelson Court

NELSON (AP)—Police were prepared Saturday. They came to court with blankets. At the trial of 30 radical Sons of Freedom Doukhobors, women chanted prayers and disrobed.

Pioneer Woman Of City Passes

Mrs. Fanny Leaper, another well known pioneer woman of the city, passed away in the Prince Rupert General Hospital yesterday morning. Seventy-five years of age, Mrs. Leaper had lived in Prince Rupert for some 40 years, making her home at 1867 Seventh Avenue East. She was the widow of the late Harry Leaper, a pioneer railway employee. Son of deceased, Albert Leaper, will arrive from Winnipeg on tomorrow night's train.

U.S. Strikes On And Off

Telephone Tie-up Off But Teletypers out—Chrysler Unsettled

NEW YORK (AP)—A threatened country-wide tie-up of United States telephone service was averted early today by agreement of the striking maintenance and installation men to resume negotiations.

The action, ended, at least temporarily, the week-long strike of 10,000 employees only four hours before they were scheduled to set up picket lines at telephone exchanges in 43 states. It was the picket line rather than the strike itself that was expected to hobble service.

But another segment of communications was hit by a strike of teletype operators and other traffic workers against the United Press, a news service. The walk-out interrupted a bulletin announcing the company's final wage offer.

Seven Rescued By Draegermen

STEARLTON, N.S. (AP)—Nova Scotia's famed draegerman crew, some of whom are veterans of the Moose River gold mine, went into action again Saturday to bring to safety seven miners trapped in an Allan Shaft coal pit by explosions and fire.

Groping through searing heat and dangerous gases, the 20-man rescue squad brought out the seven men—five were seriously burned—up from the 1,200-foot level to safety.

Greece and Yugoslavia Friendly

ATHENS (AP)—Greece at the week-end joined Yugoslavia in seeking better relations between the two Balkan neighbors. Following closely on Yugoslavia, Premier Tito's announcement that his government would soon name a new minister to Greece, Premier Nicholas Plastiras said his new government would send a diplomatic representative to Yugoslavia.

Vancouver's Roy Wouters Winner

HALIFAX (AP)—Determined, methodical Roy Wouters, Vancouver and Montreal, a 5-6 underdog, ended George Ross's 20-month reign as Canadian middleweight boxing king here Saturday by hammering the former West Bay Road, N. S., farm boy into submission in the ninth round of their scheduled 12-round championship battle.

Pioneer Woman Of City Passes

Mrs. Fanny Leaper, another well known pioneer woman of the city, passed away in the Prince Rupert General Hospital yesterday morning. Seventy-five years of age, Mrs. Leaper had lived in Prince Rupert for some 40 years, making her home at 1867 Seventh Avenue East. She was the widow of the late Harry Leaper, a pioneer railway employee. Son of deceased, Albert Leaper, will arrive from Winnipeg on tomorrow night's train.

Flash

110 BOATS OUT

One hundred and ten halibut boats had cleared from Prince Rupert for the fishing grounds up to Saturday night. Since then a few more cleared.

CRASH NEAR KEREMEOS

KEREMEOS—Oil flicks in Oilalla Creek, 10 miles north of here, and traces of oil in KeremEOS drinking water caused search for a missing aircraft, lost since early last week on a flight from Trail to Vancouver with two men on board, to be concentrated today on that particular area.

CRASH IN CALGARY

CALGARY—A plane crashed into a house in South Calgary after a wild career which woke the city. Plane and house were practically demolished. Four occupants of the house escaped narrowly. The 22-year old aerial joy rider, Jack Harper, on an authorized flight, was killed.

KILLED ON MALAHAT

DUNCAN—Mike Chester, 23, Duncan, was killed when he was thrown yesterday from his motorcycle on the Malahat Highway.

MEMORIAL CUP PLAY MOVES TO TORONTO

TORONTO (AP)—Memorial Cup hockey will return to Toronto Tuesday night when the Montreal Canadiens tackle Regina Pats in the third game of the best of seven junior classic. The first two games were in Montreal with Montreal leading the series 2-0.

April Weather Fine in Rupert

Very fine weather was enjoyed by Prince Rupert residents during April with a minimum amount of rain and a maximum amount of sunshine.

Only 7.74 inches of precipitation was recorded last month compared with 14.73 inches in April last year. Precipitation was recorded in 20 days.

Sunshine hours totaled 83 in 18 days. During April last year, only 36.7 hours of sunshine was recorded.

Maximum temperature last month was 59.2 above on April 28 and the minimum registered 31.2 above on April 8. Mean temperature was 41.3.

Maximum wind velocity was registered as southeast at 28 miles per hour on April 4, 14 and 19. Maximum barometer was 30.61 inches on April 18 and the minimum barometer was 29.38 on the first day of the month.

Railway Companies Are Accepting Board Finding—Strike Vote On Anyway

OTTAWA (CP)—Acceptance of the two major Canadian railway companies of the majority reports of recent conciliation boards will not affect the decision already made to take a strike vote, A. R. Mosher, president of the Canadian Congress of Labor, said today. Mr. Mosher said he felt certain the employees would vote for a strike.

Extra Flights—Air Service Is Increased

Canadian Pacific Air Lines is increasing its daily service between Prince Rupert and Vancouver for the special benefit of week-end travelers. Commencing today, there will be two flights each way on Mondays and Saturdays.

The regular daily flights will leave at 12:10 noon with extra flights at 4:50 p.m. on Mondays and Saturdays. Planes will arrive 3:50 p.m. the regular daily flight and 7:50 p.m. Mondays and Saturdays. The early flights will carry the mail.

The extra flights will involve the use of two planes on the Vancouver-Sandspit section of the flight.

King of Siam Wed In Simple Service

BANGKOK, Thailand (AP)—King Phumiphon has taken as his bride a beautiful 17-year-old princess. In a blue wedding sarong, Sirikit Kitiyakorn became queen of Siam in a simple Buddhist rite. The king will be crowned May 5 and they will leave soon after for Switzerland.

Crown Case Concluded

CALGARY (AP)—A 22-year-old Aviation Company employee was killed today when a light plane in which he had been buzzing the city crashed into a bungalow in north Calgary.

Dead is Jack Harper, advertising and sales employee of Foot-hills Aviation Ltd., Calgary. The bungalow's four inhabitants miraculously escaped serious injury. Both the plane and house were demolished. Harper was killed instantly.

Mrs. W. D. Vance returned to the city on the Princess Louise this morning from a two weeks' visit in Vancouver.

SIAMESE TWINS AT FIVE MONTHS — Brenda and Beverley Townsend, the Siamese twins born to a Tofield, Alta., couple, now are five months old and healthy. Their parents, Mr. and Mrs. E. A. Townsend, shown here with the twins, plan to send them to an Edmonton hospital early in May for an operation which is hoped will separate them and give the girls a chance for a normal childhood. Let's Help Nature

ITS the same old spring this year — lots of talk of the green buds bursting, the beautiful gardens we'll all have, if everything comes up, and the fact that summer is just around the corner. Yes, it's the same old spring with the damp, unsettled weather, one or two bright days to give fresh hope to lagging spirits, and the inevitable spring colds.

Spring is much overrated as far as weather and health are concerned. But it does carry with it the promise of better things to come. The fact that "hope springs eternal in the human heart" may have something to do with our yearning after the good things spring is supposed to hold in store.

One thing is certain, we get out of life what we put into it, and the same is true of springtime. If we look upon it as the time when Nature does a bit of refurbishing, and pitch in ourselves we're bound to get something from this pleasant season. If we just sit back in the hope that Nature will do the entire job, we'll be into summer and once again spring will have fallen far short of expectations.

We must give Nature a helping hand. Of course, there's always digging to be done, and seeds to be planted, but this year why not put a little extra something into the gardening program? There's probably a fence that needs patching up and painting or an old tool shed that's been an eyesore for years, and threatens momentarily to fall down. Why not pull it down? You'll be surprised at the extra space you'll have in the garden, and most of the stuff you had stored in the shed was junk after all. A bonfire is indicated, and once you get it going you'll be encouraged to clean out all the odds and ends in the basement that have accumulated over the long winter months.

We all have our approach to these jobs when we get down to them, but most of the time we tend to procrastinate. A community campaign, sponsored by the city council or some organization (the Junior Chamber of Commerce often does it) is a great asset in overcoming the mental block which prevents us from doing something about all these tiresome chores. It seems to be easier to get down to repairing the back porch stairs that have been gradually wearing out from old age, and touching them up with a spot of paint, if we can say, "Well, the Beautification Campaign starts on May 13—that day I'll get that new board in the stairs, and the next day I'll paint them."

Yes, a schedule is a wonderful thing. Nature operates on a pretty rigid one, and seems to get fair results. Of course, she's been around a long time, and can get along quite satisfactorily without our assistance—but it's surprising how much better job she does when we lend a helping hand.

Rev. E.A. Wright To Receive Doctorate

MONTREAL — The Presbyterian College announced yesterday that three honorary doctorates in Divinity would be conferred at the annual convocation Tuesday. Candidates include Rev. E. A. Wright, former minister at St. Andrew's Church, Sherbrooke, Que. He is now minister at the First Presbyterian church at Prince Rupert.

torates in Divinity would be conferred at the annual convocation Tuesday. Candidates include Rev. E. A. Wright, former minister at St. Andrew's Church, Sherbrooke, Que. He is now minister at the First Presbyterian church at Prince Rupert.

Ray Reflects . . . and Reminisces

Whatever dislike of daylight saving there is in Canada, it is not enough to seriously inconvenience traffic or people but there is sufficient to be something of a nuisance. It might be called a minor annoyance—something similar to occasional pangs of a far off toothache, or a spot on your back so far out of reach you can't give it a good, comforting scratch.

War can seem probable yet never occur, Elmore Philpott told a Prince Rupert audience. It is indeed, the truth. For example, he mentioned the boundary crisis on this coast. He could also have drawn attention to the S.S. Trent seizure in the early stages of the Civil War. Prompt landing of British troops in Halifax did look like trouble. But there wasn't any.

Seeing the number of test-tube babies in the United States totals about twenty thousand, there must be something to the ancient adage that it's a wise child knows its actual, positive, unquestionable honest - to - God daddy.

By this time, it is being generally admitted that Hitler is dead. No one has sprung a story to the contrary in almost two years.

Choosing the route of gas pipe lines in Western Canada is a delicate business, as deep growling in Ottawa continues. Will United States receive the substance, and Canada whatever is left over? About 75 years ago, a railway was built from Upper Canada to Portland, Maine, thereby depriving the Maritimes of future millions in freight tariffs. Orally, and in every other way, they have not yet got over it.

LETTERBOX

STAND ON JAPANESE

Editor, Daily News The organization I represent would appreciate a publication of the following explanation of the United Fishermen and Allied Worker's Union's position on the return of the Japanese to the fishing industry. We feel it necessary that our decisions on this question be made more public in view of apparent confusion. This confusion exists not only among fishermen and employees of its various operations but among the general public and its political representatives.

The 1949 Convention of the UFAWU, representing the vast majority of those in the industry and seating a majority of fishermen delegates, passed a motion on this subject unanimously. Briefly the motion states that we do not urge a return of the Japanese or an entrance of any other group or individual to an overcrowded industry. However, while licensing is not limited, we do not intend to take steps that would prevent the Japanese returning to the industry if he so desires. We consider the Japanese has the same basic rights as any other Canadian including the right to move as he pleases and earn his living in the industry he chooses. The Union has urged in the past a quota on licenses in order to protect the interests of those men who follow the fishing as their sole means of livelihood, under no circumstances can this be interpreted as a restriction or a violation on the rights of any individual or group because of color or creed.

The secretary of the Canadian Japanese Association was present at that 1949 Convention and gave support of his organization to the motion. The two organizations have acted in harmony since. As they re-enter the industry the UFAWU will recruit the Japanese fishermen to the Union and he will bear the same responsibility as other members and receive the same privileges. We are confident our position is a correct one. The Japanese fishermen will support the Union and with its strength the fishing companies will be unable to take advantage of a racial question to lower the standards in the fishing industry.

Thank you for your valuable space. R. L. GARDINER Sec-Treas. Prince Rupert Local, UFAWU.

In leading the opposition to the Bill against changing the name of Dominion Day, E. T. Applewhite (Skeena) performed a service that should have the applause of every Canadian worthy of the name. It was Sir Leonard Tilley whose suggestion, from Scripture, that the historic line commencing "He Shall Have Dominion" was finally chosen to designate the land that is today so greatly envied.

Senator Cyrville Vaillancourt, Quebec industrialist, last week distributed eight hundred bottles of choicest maple syrup to members of the Senate, Commons and staffs. He does this every spring. If only a few of the more rabid Communists and Sons of Freedom could meet the senator. Sourced on everybody except themselves, they might even come to see private enterprise in a gracious light. Pure maple syrup, coming as a gift, has been known to have most mollifying effects.

PLYMOUTH WEDDING

20,000 Test-Tube Babies

Artificial Insemination Successful In Majority of Cases

NEW YORK (AP) — There are probably about 20,000 test-tube babies in the United States. This is the estimate in a new book, "Fertility in Marriage," by Dr. Louis Portnoy and Jules Saltzman.

Dr. Portnoy has been for about 10 years a member of the staff of the sterility clinic, Mt. Sinai Hospital, New York, and of the fertility service of the Margaret Sanger Research Bureau, Saltzman is a writer and editor on medicine and psychology. The publishers are Farrar, Straus and Company, Inc., New York.

The book says that artificial insemination succeeds 70 to 80 percent of the time. Some doctors achieve even higher percentages. Even the test-tube methods frequently requires several months of trials. The failure usually comes from the great difficulties in discovering a woman's fertile period.

Exercise Great Care

Doctors, the book says, are very careful in test-tube baby cases. They study not only the donor, but the prospective parents, and sometimes refuse because they do not think the parents are sufficiently stable in character. In these refusals the doctors fear that after the test-

tube baby arrives, either husband or wife will begin blaming the mate.

"It has occasionally happened," the book states, "that a husband who became a father through donor insemination has later, perhaps years later, proved fertile enough to produce a child of his own. Resentment and emotional difficulties involving the two children might conceivably arise, yet doctors who have had such cases report nothing of the kind occurs."

Doctors preserve the anonymity of the donor father. Sometimes it is suggested by a couple that the donor be a male relative. The doctor invariably vetoes this.

No reputable doctor, the book says, will consent to artificial insemination without the husband's knowledge. But wives sometimes ask this.

In England it is customary to limit the number of inseminations from any one donor, so as to avoid possibility of children of the same father marrying under the belief that they are not related.

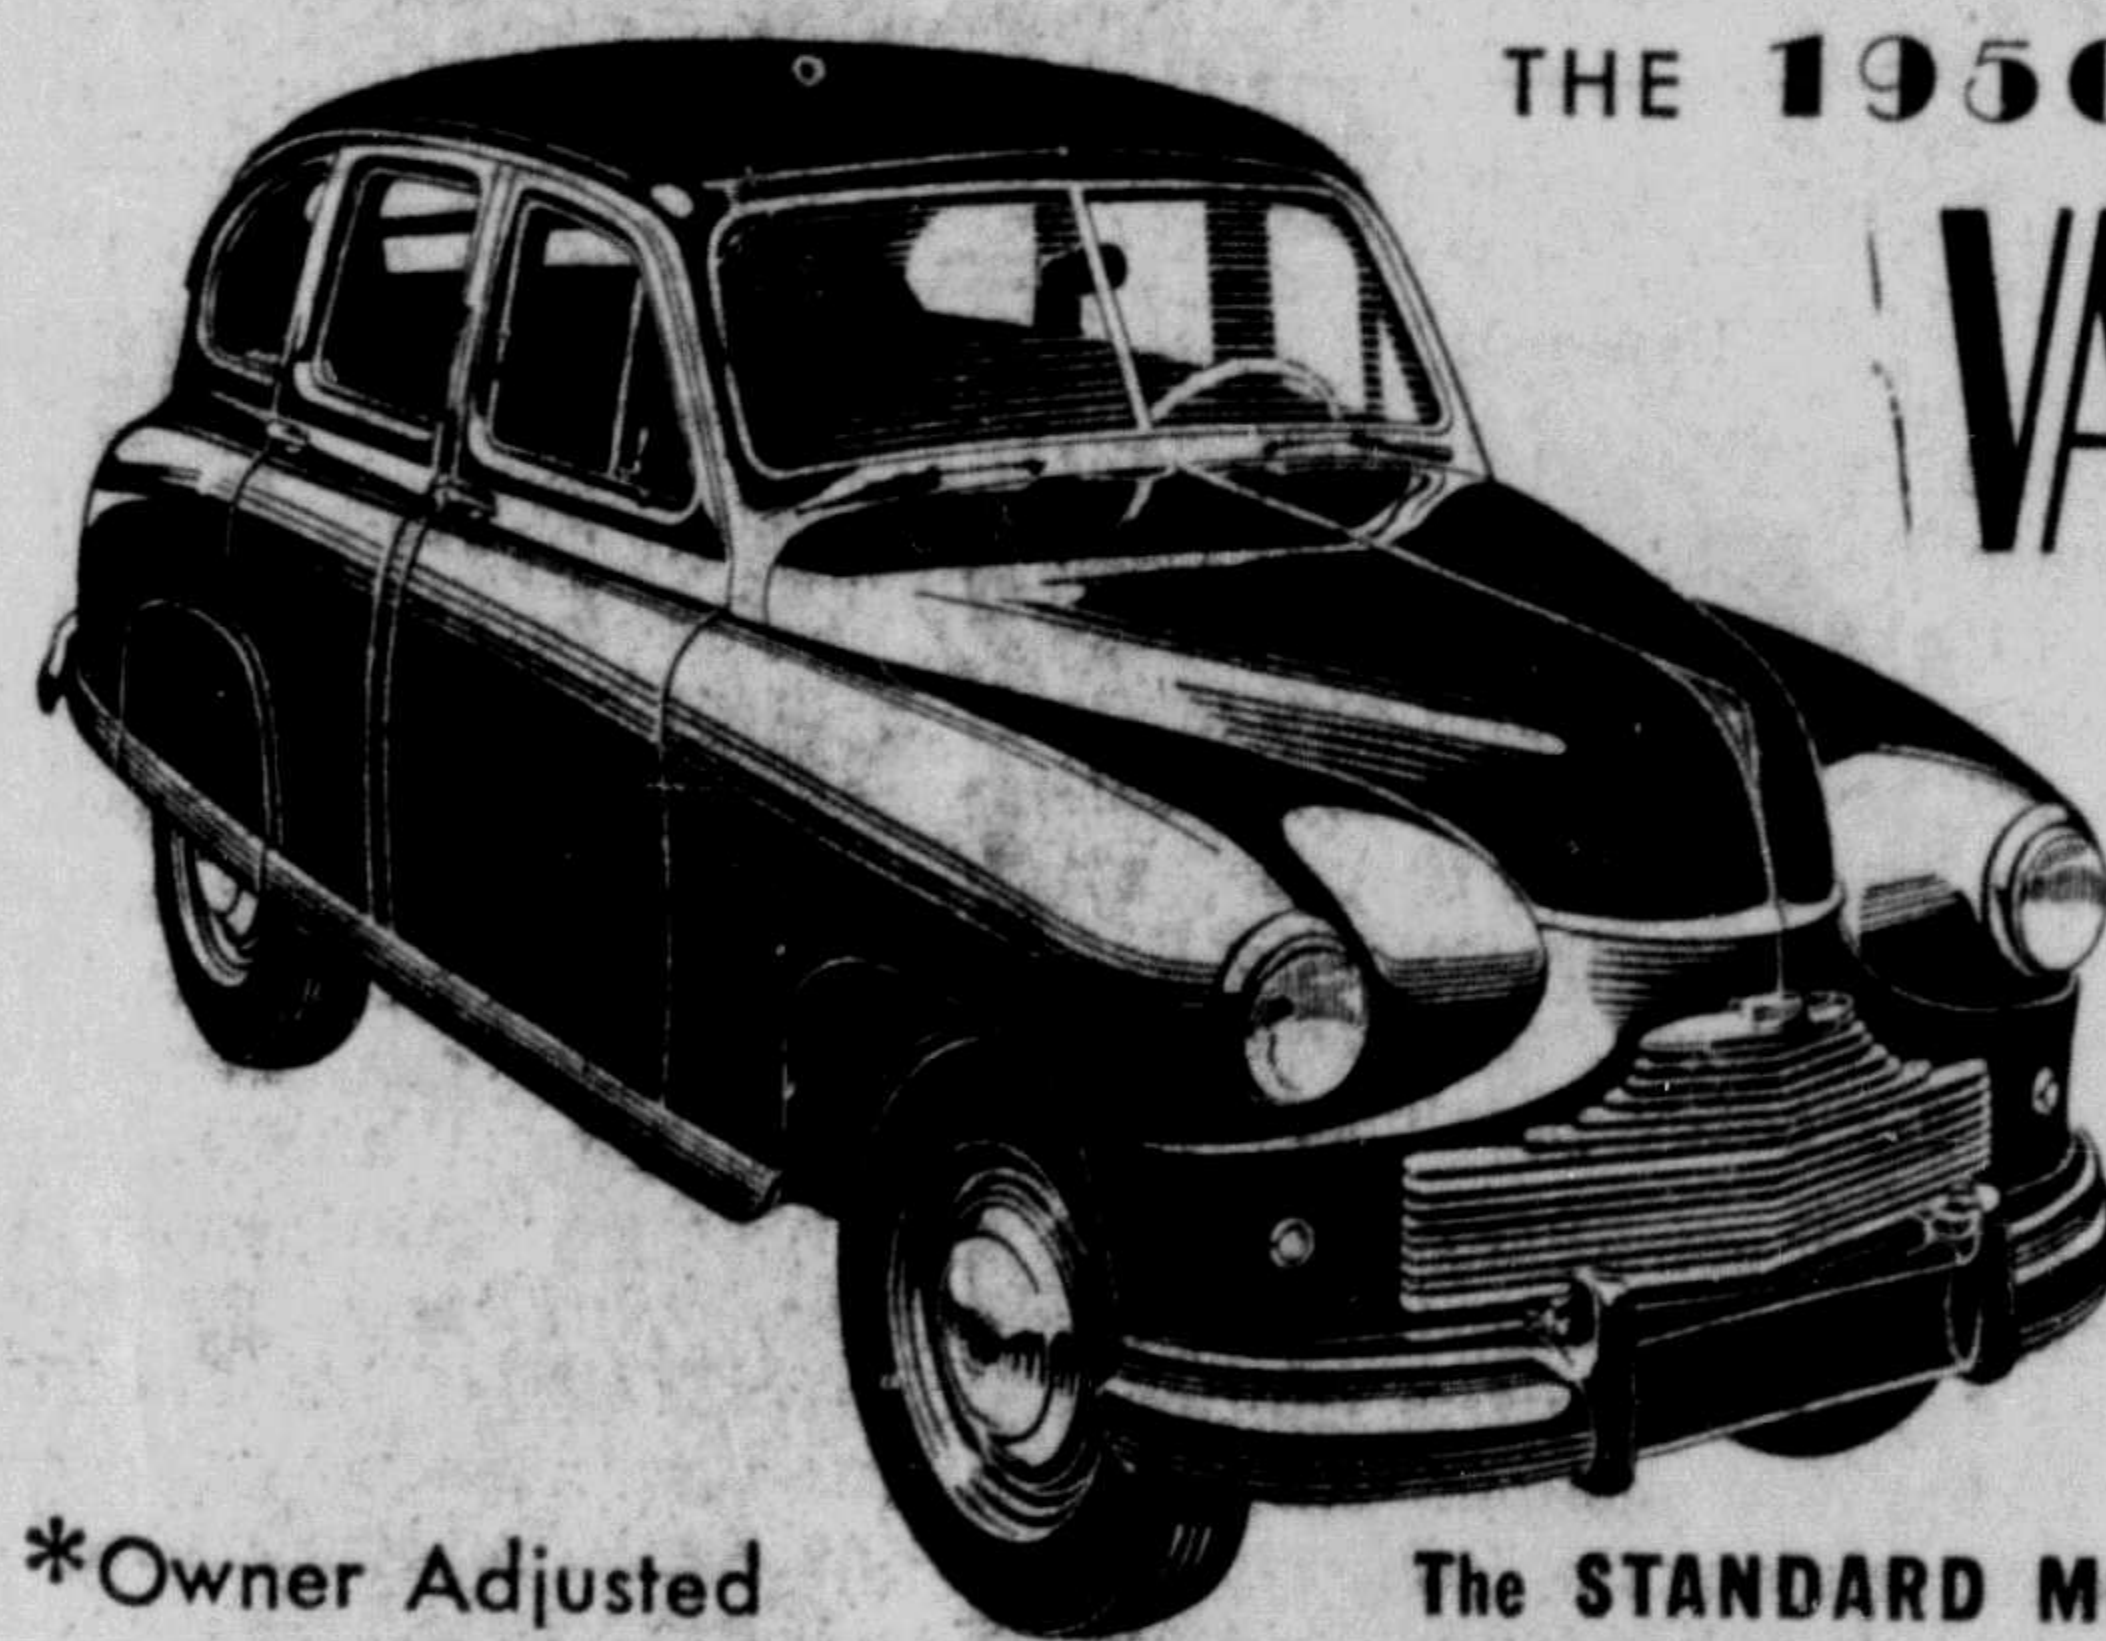

NURSE SHORTAGE

Nurses continue to come and go from the staff of the Prince Rupert General Hospital, the lady superintendent, Miss E. L. Clement R.N., reported at the regular monthly meeting of the hospital board Friday night. However, there is some improvement in the staff situation. Local married nurses are still being used to augment the staff as there is continued difficulty in securing an adequate supply of single nurses for permanent

Tot Dies in Fire As Home Burns

FREDERICTON, N.B. — A two-year-old boy was burned to death recently and four other members of the family suffered burns when fire from an overturned oil lamp swept through a home on the Kingsclear Indian reservation, 11 miles west of Fredericton. Aloysius Atwin, two-year-old son of Mr. and Mrs. Frank Atwin, died in the fire which started when he upset the lamp as he was crawling from one bed to another. The father, a son Phillip, 7, and two daughters, Genevieve 5, and Mary Ann, 19, were taken to hospital, where Mary Ann was reported in dangerous condition.

Seasonable Ideas for Housekeepers

MORE MILK DESSERTS — SOME TASTY RECIPES FOR SPRING

Fortunately most cooks are complimented when asked for their favorite recipes for the special cake, pickle or dessert. They know that for real convenience nothing beats a handy file of well tested recipes.

Canada's Food Rules emphasize the fact that children up to twelve years of age should have at least a pint of milk a day. Adolescents require even more; their quota being one and one-half pints, while adults should have at least one-half pint. Many homemakers interpret this rule to mean milk served as a beverage but much of it may be used in cooking. If the members of the family get more than their

minimum requirements it is of course much better. With the coming of spring there is a change in the foods chosen by the wise homemaker when planning her menus. Light custardy puddings take their place instead of the heavier batter and pastry desserts. Desserts made with milk are particularly good for children but will be enjoyed by adults as well.

Blanc Mange can be one of the most delicious desserts if it is properly made. Unfortunately Blanc Mange has too often been served when so thin that it runs on the plate or so stiff that it is tough and rubbery. Either way it is not attractive.

This recipe for Blanc Mange has too often been served when so thin that it runs on the plate or so stiff that it is tough and rubbery. Either way it is not attractive.

This recipe for Blanc Mange is just right. When served with a colorful sauce or stewed fruit it is most tempting.

Blanc Mange
4½ tablespoons cornstarch
¼ cup sugar
¼ teaspoon salt
½ cup cold milk
2½ cups hot milk
1 teaspoon vanilla
Mix cornstarch, sugar and salt and blend with cold milk. Add slowly to hot milk in top of double boiler and stir constantly until mixture thickens. Continue cooking for 20 minutes, stirring occasionally. Remove from heat and add flavoring. Chill and serve with Whipped Jelly Sauce or stewed fruit. Yield: six servings.

Note: 1 beaten egg may be added and the cornstarch decreased to 4 tablespoons. If desired, the egg yolk may be cooked with the pudding and the egg white made into a meringue with two tablespoons of the sugar and folded in at the last with the flavoring.

Delmonico Pudding
Follow recipe for Blanc Mange, using only 4 tablespoons cornstarch and egg yolk instead of whole egg. Place in baking dish, spread with layer of jam or jelly. Cover with meringue made from the egg white and 2 tablespoons of fruit sugar. Oven-poach in a moderately slow oven, 325 degrees F., until meringue is brown.

Whipped Jelly Sauce
½ cup pure jelly (cerabapple, red currant, etc.)
1 egg white, unbeaten
Dash of salt
Melt jelly in bowl over hot water. Add egg white and salt and beat with rotary egg beater until stiff. Cool. Yield: Six servings.

Interest In Boxing Keen

Northern Sports Club Getting Ready for Big Show

Leading up to a big two-night final tournament to decide amateur championships in nine divisions for which it is expected there will be close to forty contestants and in which 28 trophies will be at stake, another lively fight card was staged Friday night at the Northern Sports Club. The big final event will be held at the Civic Centre gymnasium. It is strictly "Simon Pure" amateur event for honours in which there is already much interest being taken, not only by Prince Rupert's latest crop of budding boxers but also by the fans who have been turning out in large numbers at the Friday night shows in the Northern Sports Club, last Friday being no exception.

There were ten bouts Friday night with results as follows:

Danny Neufeld, 100 pounds, won over Rocky Terry, 100 pounds
Francis Rowe, 80 pounds, won over Jimmy O'Toole, 80 pounds.
Rowe won cup for good sportsmanship.

Irvyng Rensvold, 70 pounds, won over Bob Carrigan, 70 pounds knock-out in twenty seconds.

Vic Pierre, 120 pounds, won over Pat Parnell, 120 pounds.

Grant Carriean, 60 pounds, won over Jackie Mutch, 60 pounds, cups for both.

Alvin Atkins, 120 pounds, won over Julian Parnell, 120 pounds.

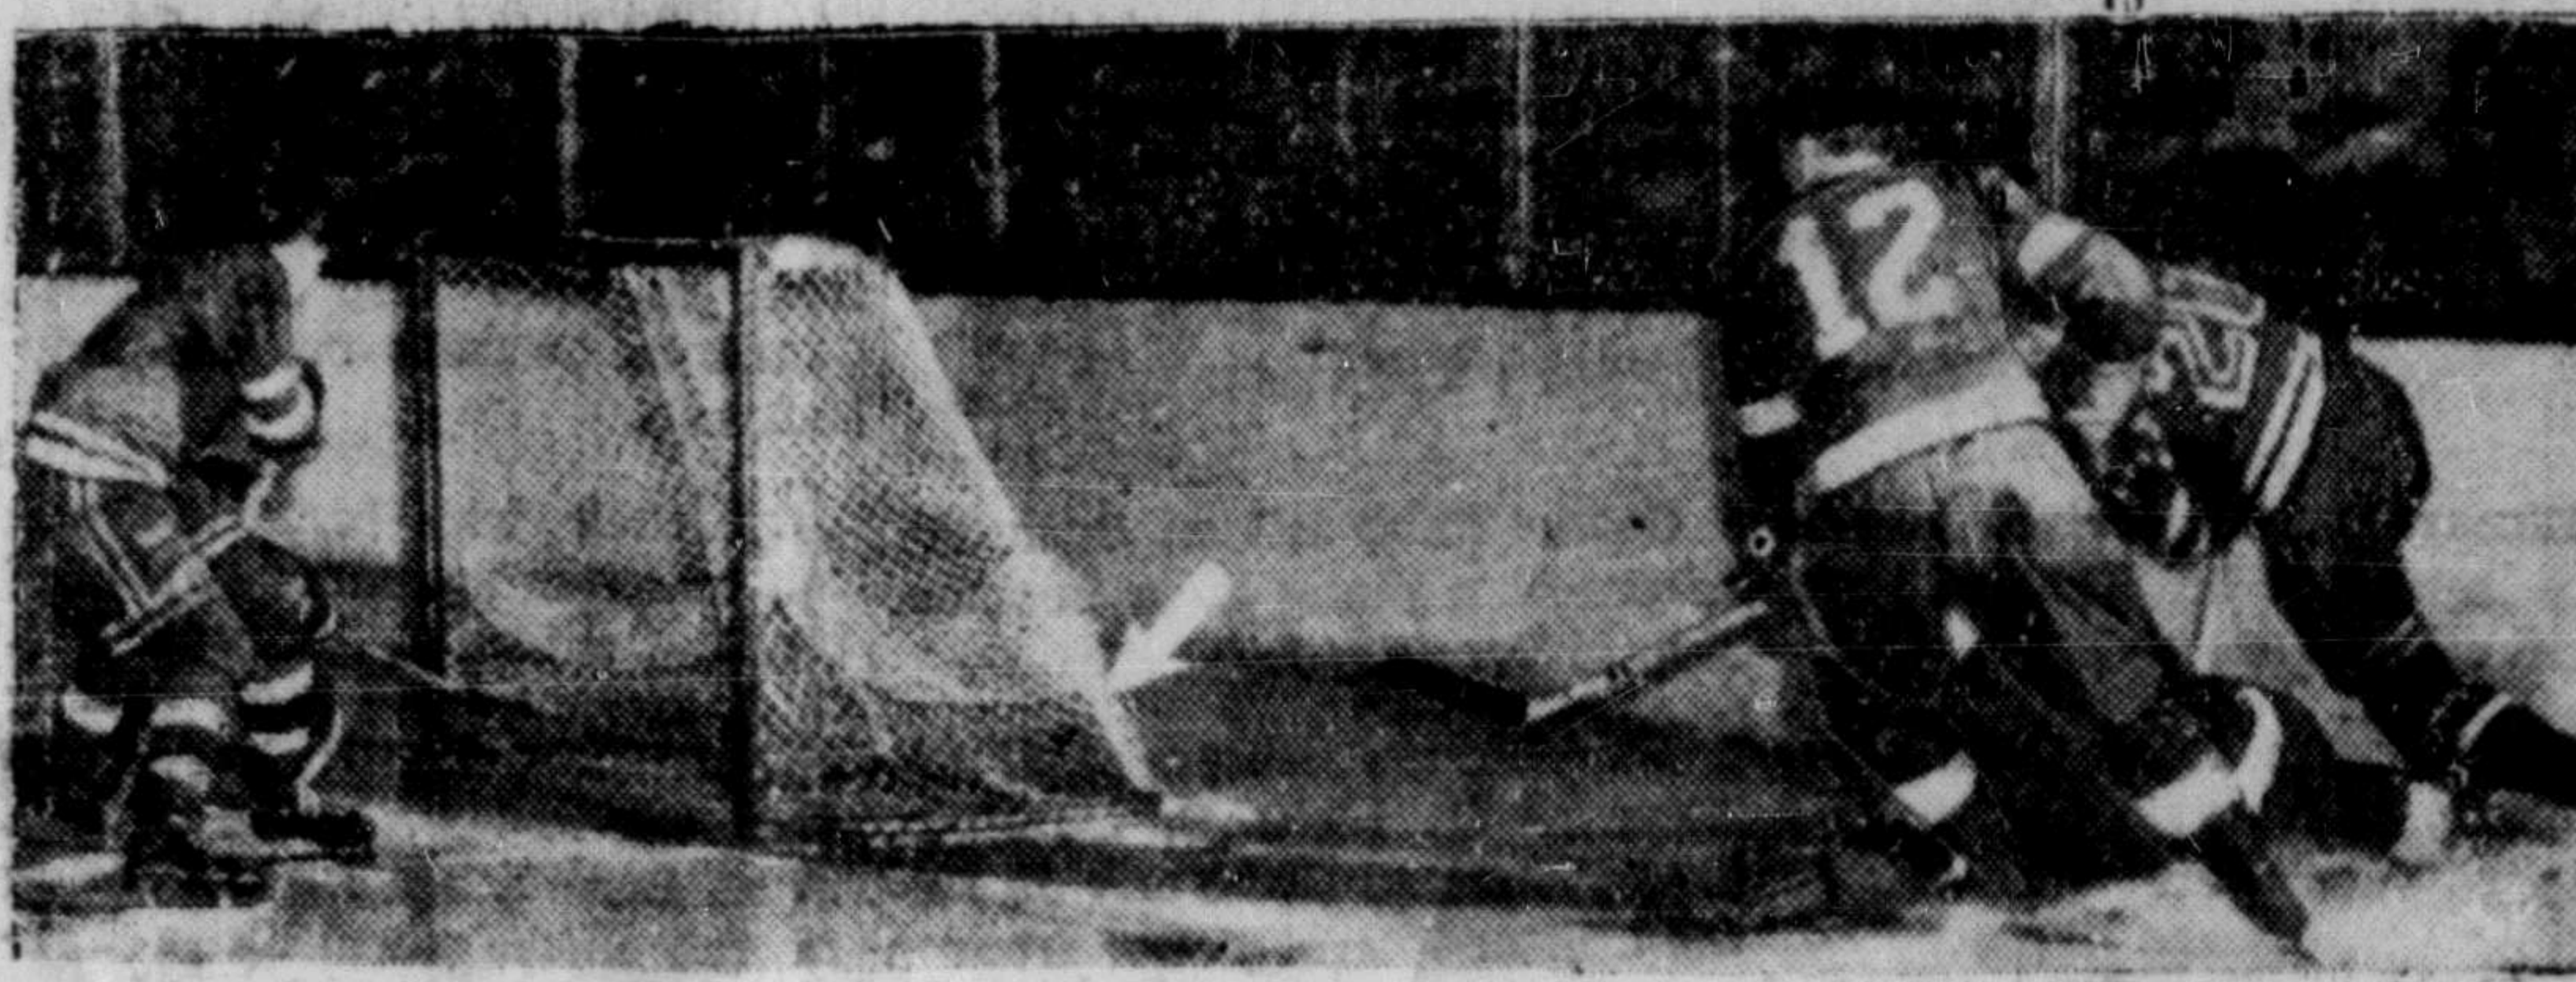

Jimmy O'Toole, 80 pounds, won over Ralph Wieck, 80 pounds.

Danny Neufeld, 100 pounds, won over Larry Atcheson, 100 pounds.

Pat Parnell, 120 pounds, won over Grant Rouson, 120 pounds.

Mansfield Leavett, 156 pounds, won over Fred Faulkner, 145 pounds.

Benny Windle was referee with Ted Arney timekeeper and Jimmy Brown, assistant. Sam Sinclair and Chuck Pollock were seconds.

RALEIGH AGAIN—Don Raleigh, slim centre for New York Rangers, is shown, left, after scoring the winning goal in overtime in the fifth game of the Stanley Cup finals at Detroit April 20. The 2-1 victory over Detroit Red Wings gave the Rangers a three-to-two lead in the four-of-seven series. The puck, arrow, can be seen in the Detroit net. Raleigh had won the fourth game in overtime on an almost-identical play. Ranger's Ed Slowinski (20) is ridden out of play by Sid Abel (12) of Detroit. (CP Photo)

General Motors Club Organized

A general meeting of the General Motors Football Club was held last week in the Civic Centre and an enthusiastic attendance elected officers for the ensuing season. The election resulted as follows:

Honorary President—Alderman Douglas Frizzell.
President—John Wilson.
Captain—Wally Price.
Vice-captain—Tommy Boulter
Secretary-treasurer—Alvin McKay.

Coach—A. E. Dickens (jr.)
Registration forms were issued and most of last year's players will be available although the team will miss Morris Bishop who has left the city. Players who will be available include Tommy Boulter, John Wilson, "Monk" Sunberg, Arne Lien, Charlie Currie, Glen Olson, Wally Price, Bobbie Currie, Pat Wilson, Alvin McKay, Andy Owens, Fred Simonson, J. Hornell, Charlie Graham, Percy Welter and Derek Letourneau.

The team was appreciative of the support given by the General Motors through their representative Alderman Douglas Frizzell. A practice has been called for Monday evening.

Discussion took place regarding the playing pitch and while it will be necessary to use the Acropolis Hill for this season, it is hoped that, through a long range plan, Algoma Park may be made into a suitable ground. J. S. Wilson presided at the meeting.

Grandsons Are Pallbearers

ROSSLAND—Funeral service was conducted from St. George's Anglican Church for Mrs. Elizabeth Hadfield, who died at Mater Misericordiae Hospital. Mrs. Hadfield was the mother of Mrs. George B. Casey, Prince Rupert.

Rev. W. F. Busche conducted the service which included the congregational hymns, "I Know That My Redeemer Liveth" and "Abide With Me." The 23rd Psalm was also said. The Nunc Dimittis concluded the service. Miss Daisy Warr was pianist. Pallbearers included two grandsons, George and Clarence Darrow Casey, Trail; Kenneth Martin, sr., J. A. McLeod, William Tracey and F. G. Arnshaw.

Interment was in the family plot at Mountain View cemetery. There were many lovely floral tributes.

In the Supreme Court of British Columbia in Probate in the matter of the estate of Neil McDonald, deceased, intestate.

TAKE NOTICE that by Order of His Honour Judge W. O. Fulton, local Judge of the Supreme Court of British Columbia, I was on the 21st day of April, A.D. 1950, appointed administrator of the estate of Neil McDonald, deceased, late of Stewart, British Columbia, who died on the 24th day of February, 1950, at Stewart, British Columbia. All persons indebted to the said estate are required to pay the amount of their indebtedness to me forthwith, and all persons having claims against the said estate are required to file them with me properly verified on or before the 31st day of May, 1950, failing which distribution will be made having regard only to such claims of which I shall have been notified.

DATED at Prince Rupert, B.C. this 22nd day of April, 1950.
GORDON FRASER FORBES
Official Administrator
Prince Rupert, B.C.

P.T. Organized At Pt. Edward

A group of interested parents at Port Edward gathered together Friday evening for the purpose of forming a Parent-Teacher Association for their district.

Mrs. E. W. Becker, who is active in P.T.A. work in Prince Rupert, attended the meeting and outlined the work and objectives of P.T.A. groups and assisted with the organization of the new Association.

Officers elected were:
President—Mrs. G. Stevens
Vice-President—Mrs. M. O. Kullander.
Secretary-Treasurer—Mrs. J. B. Davies.
Membership-Convenor—Mrs. L. Birlich.
Programme-Convenor—Mrs. G. Lande.
Social Convenor—Mrs. J. Feigel.

The evening of the second Wednesday of the month was chosen for the regular meeting.

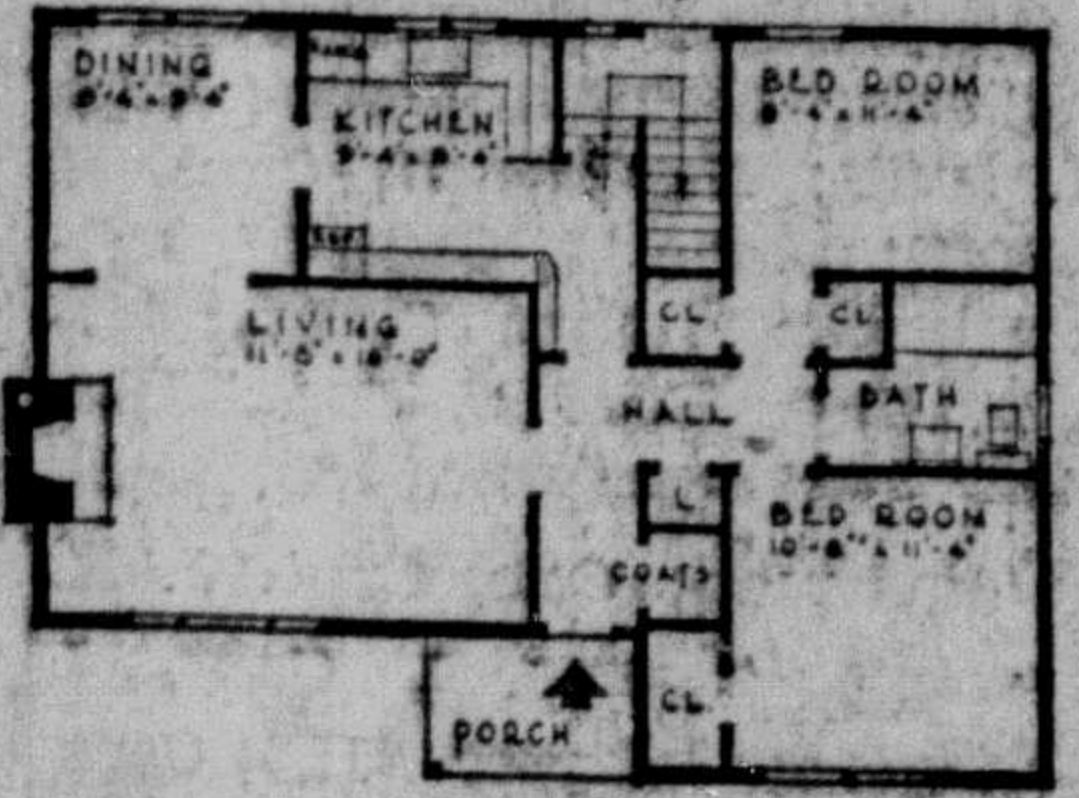

Big Pictures For May Here

"Inspector General," Danny Kaye's latest big comedy; "Samson and Delilah," spectacular production of a famous Bible story; Olivia DeHavilland's "Heiress"; "Jolson Sings Again," much discussed film picturizing the career of the famous "Mammy" crooning star, and "Anna Lucasta," Broderick Crawford again.

N.H.A. DESIGN-OF-THE-MONTH

The modern concept of the "ideal" house plan, at least to families of average income, is one which affords spacious living accommodation within a minimum-sized and moderately-priced house. Typical of post-war houses designed to meet both of these requirements is this attractive bungalow in which every foot of available floor space has been utilized to the utmost advantage.

The house has been designed primarily for a wide inside lot and boasts a good-sized living room, a separate dining room, kitchen, two bedrooms and bath. Direct access to most rooms is afforded by the entrance hall which contains a coat closet.

Measuring 11'8"x18', the living room features a fireplace and enables good furniture arrangement. The large living room window—which the Ottawa owner of the house illustrated has changed into a bay window—greatly enhances the appearance of the house.

The bedrooms are situated on one side of the house with the bathroom conveniently located between them. There are four closets in addition to the coat closet of the entrance hall.

Stucco has been used as the exterior finish for the house illustrated with wood siding applied horizontally on the gable ends. However, any other type of finish could be used although the exterior dimensions would have to be increased approximately one foot for brick veneer or solid masonry.

For estimating purposes, exterior measurements of the house are 37 feet, eight inches, by 27 feet, and the area is 995 square feet.

The Field has Widened—A new flower or vegetable added to the garden each season will increase interest and satisfaction. In this way one becomes familiar with the steady improvement plant breeders and experimenters are continually making. Old favorites among the flowers and vegetables have been wonderfully improved in color or quality and what is of great importance to Canada there are far harder sorts today than were in existence a few years ago. As a result of this new hardness it is now possible to grow such tender things as garden corn, melons, tomatoes, cucumbers, etc., in areas where the old strains would not have had a chance. And the same applies to many formerly tender flowers.

When Soil is Right—Technical people have various scientific tests for determining when the soil is ready for working and planting, but the old gardener simply takes a walk over it. If the soil is muddy and sticks to his boots then he finds other jobs indoors. But if the soil is damp but doesn't squeeze tightly together into a ball it is just right to cultivate. And this rule holds good whether the winter snows have just gone or after a heavy summer shower.

Secret of Transplanting—Whether it is a tiny plant or a 10 foot tree, in transplanting the same basic rules apply. The main thing is to guard against the roots getting dried out. Keep them moist and do not expose to the air. All plants should be set in the earth a little deeper each time they are moved. Soil, which should be as rich and fine as possible, is pressed firmly about the roots. Water well after transplanting, and in the case of big shrubs or trees keep the soil moist for a few weeks. With small things like bedding plants a little shade for the first few days will help, and it is best to do the transplanting in the evening or on a cloudy day.

Cutting Garden—A corner of the vegetable garden or some place at the back of the lawn is often set aside to grow flowers especially for indoor bouquets. When a large supply of blooms is wanted frequent cutting leaves the regular borders a bit shy. Most flowers suitable for cutting purposes will thrive on the same sort of cultivation that the vegetables get. Certain flowers, indeed, like gladioli, sweet peas and others of which the foliage is not very attractive, are best grown with the vegetables.

Covering up—In place of fences or walls one can use growing screens and even the fence or wall will look more attractive if partially hidden in this way. There are all sorts of planting material available for this purpose. It will be listed in any good catalogue. The perennial types are well known. Many people do not realize that one can get quite good and quick results from annuals too. Dahlias, ornamental sun flowers, cosmos, spider plants are only some of the many things that will reach three or four feet in height in a few weeks. And there are quick-growing vines, too, like scarlet runner beans, sweet peas, hops and morning glories.

Indian Woman "Mother of Year"

PORTLAND, Ore. (AP) — Mrs. Henry Roe Cloud, who started life in an Indian reservation log cabin, is American mother of the year.

First of her race to be accepted, she was named by the American mother's committee in New York yesterday. Typically, the 59-year old mother of four daughters was too busy to learn the news at once. She was speaking before a group of churchwomen when the committee first tried to telephone her.

The committee cited her religious honesty and the character and achievements of her children in selecting her from 52 candidates who represented all the states, the District of Columbia, Alaska, Hawaii and Puerto Rico.

Born at the White Earth Indian reservation, Fosston, Mich., she was formerly Elizabeth Bender. Her mother was Chippewa, her father a German homesteader.

Boat Parade From Rupert

Stream of Vessels Clear For Halibut Grounds During Week-end

Prince Rupert's men of the sea sailing in such well known vessels as the Balsac, Morris H. Cape Spencer and others, began hauling halibut from the fishing areas north of Prince Rupert today and hope to return with just as successful catches as last year.

Vessels kept clearing in a continuous procession on Saturday and Sunday to be ready for fishing at midnight.

Following were Saturday halibut clearances:

Prince Rupert Vessels
Kyrele, Capt. N. Pettersen; Balsac, Capt. Einar Telseth; Tailla II, Capt. O. Olafson; Miss Margot, Capt. Olaf Anderson; Gibson, Capt. C. Henriksen; Signal, Capt. V. Fossum; Helen, Capt. P. Byrne; Arne A., Capt. Alex Anderson; Borgund, Capt. A. Dybhavn; Kino II, Capt. I. Eidsvik; Aleutian Island, Capt. I. Innis; Neptune II, Capt. B. Roald; Marie M., Capt. M. Heland; Gony, Capt. O. Andreasen; Cape Race II, Capt. John Hall Johansen; Straffen, Capt. P. Anderson; Oslo, Capt. J. K. Iversen; Kewarg I, Capt. J. Johansen; Clipper II, Capt. Hans Petersen; Southend, Capt. H. Grutland; Pacific Troller, Capt. O. Rystad; Arctic, Capt. A. Petersen; Shirlee, Capt. W. Pierce; Larry H., Capt. Thor Sollien; Gulvig, Capt. A. Henriksen; Tramp, Capt. S. Haugen;

SHIPS and WATERFRONT

Making the last of two voyages in relief of the Coquitlam, which has been undergoing an overhaul in Vancouver, Union steamer Chilcotin, with Capt. John Boden in command, arrived in port at

Dicky Boy, Capt. W. J. Leighton; Four-Forty, Capt. P. York; Covenant, Capt. H. Underdahl; Invercan, Capt. David Pievort; Cape Sun I, Capt. J. Morrison; Eskimo, Capt. Chris Julian; Lois N. Capt. L. Knutson; Morris H., Capt. Carl Giske; Thrasher, Capt. Tom Moraes; Melville, Capt. John Iversen; White Creek, Capt. K. Brown; Brothers, Capt. C. Dragnell, Kaien, Capt. O. Stegavig; SC 19, Capt. C. Webster; Joe Baker, Capt. C. O. Campbell, Helen M., Capt. P. W. Berg, and Louis M., Capt. B. H. Sweet.

Vancouver Vessels
Gustav, Capt. R. Mostad; Western Rover, Capt. W. Parnell; Hopewell, Capt. J. McKenzie; Parma, Capt. H. Heland; Soup Fin, Capt. J. Quinn; Kinish, Capt. John Vickers; Ho Maid, Capt. A. C. Carlson; Helen Point, Capt. Joe Brown; Combat, Capt. N. Nelson; Talka, Capt. Peter Parkvold; Haida Chief, Capt. Fred Leland; W. No. 10, Capt. Percy F. Alexander; ISA, Capt. H. Hansen; Invercan II, Capt. O. Sharpnes; Terror Point, Capt. S. Wilson, and Northern Breeze, Capt. I. Ellertsen.

Other Vessels
Twinkle, Capt. Jo Johansen; New Westminster; Invercan, Capt. B. Hansen, Victoria; Myrtle L., Capt. H. Briere, Nanaimo; Lacourie, Capt. W. Kullberg, New Westminster; I.C. 76, Capt. R. Nelson, Victoria; Norden, Capt. J. Hansen, New Westminster; Sharon M., Capt. H. A. McBride, New Westminster; Dolphin, Capt. E. Parker, Ketchikan, and Merlie, Capt. William Machura, Victoria.

6 o'clock last evening from the south and sailed at midnight for Alice Arm, Stewart and other northern points whence she will return here tomorrow morning to sail south at 1:30 p.m. The Chilcotin brought north a fair-sized list of passengers and full freight cargo. Also in port last evening was the Camosun, Capt. William McCombe, which arrived at 4:15 from Masset Inlet points and sailed at 9:30 for Butedale, Bella Bella, Namu, Westview and Vancouver.

Phone Program Is Under Way

First phase of the city's \$190,000 telephone rehabilitation program under Jack Edwards telephone superintendent, commenced early this week and, up to Saturday, half of the work along Ninth Avenue West has been complete. Mr. Edwards said today that cable laying is expected to be completed by the end of next week. The following week will be taken up with cable splicing.

The work consists of replacing all old cable with newer material. All telephone poles have been erected by the Northern B.C. Power Co., messengers are all up, and cable will be hung next week.

"As long as this weather keeps up, we will be able to make very good time," Mr. Edwards said.

Leaving Forest Branch, Honored

On Saturday, members of the Prince Rupert forest district bade farewell to their popular chief clerk, William H. Murray, who is leaving the Forest Service. Mr. Murray has been associated with the Forest Service since 1934. As a token of their esteem, members of the district presented Mr. Murray with a handsome wrist watch.

Mr. Carl V. Smith will assume the duties of chief clerk. Mr. Murray has become interested with the Commercial Hotel here.

What has LOW TEMPERATURE Brazing to do with a BICYCLE?

RESILOBRAZING

is the secret of
C.C.M.'s Famous CUSHION-COMFORT RIDE

- with ★ GREATER STRENGTH
- ★ GREATER SAFETY
- ★ LONGER LIFE

Ordinary brazing, with its excessive heat, takes the life out of steel... crystallizes it, leaves it easy to fracture by sudden shock. That's why C.C.M. developed Resilobrazing... the exclusive C.C.M. process of brazing at low temperatures that do not affect the liveliness of the metal. The result of Resilobrazing is a lighter, stronger, springier frame... a resilient frame that gives you cushion-comfort riding over any surface.

Yes, Resilobrazing means a lot to the performance of your bicycle... and only a C.C.M. is Resilobrazed!

And Only C.C.M. Gives You All These Other EXTRA-QUALITY FEATURES

BONDERIZED Frame

Every C.C.M. frame is first treated with Bonderite... the quality corrosion-resistant base for enamel. Then high-grade glass enamel is baked on by the famous C.C.M. "slow-bake" process. The result is a hard, glossy finish that will not rust even when chipped or scratched by accident. C.C.M. beauty is permanent.

C.C.M. "Hercules" COASTER BRAKE

Positive brake control plus frictionless free wheel assures easier, more enjoyable cycling with maximum safety. New 3-point bearing actually increases coasting distance by more than five times!

PRECISION-CASTERED Front Wheel

The curve of C.C.M. front forks is a precision curve which, with the angle of the framehead, is designed to create perfect swivel-balance in the front wheel. This action assures you easier, safer, more sensitive steering... C.C.M.'s famous "Straight Line Drive".

ONE-PIECE GIBSON PEDAL

Longer wearing. A smooth-spinning, perfect-fitting, light-weight pedal with non-slip rubbers held securely in one-piece aluminum frame. Exclusive on some models; optional on others at slight extra cost.

More than 3,000 Friendly C.C.M. Dealers Across Canada

All qualified to scientifically fit your C.C.M. bicycle to you... all equipped to serve you with genuine C.C.M. parts and dependable bicycle maintenance.

Love and Fun In Holiday Affair

Realistic and modern human interest story of a young widow, her two suitors and her appealing young son, is the feature picture for this Monday and Tuesday at the Capitol Theatre.

Robert Mitchum, Janet Leigh and Wendell Corey compete for principal cast honors with a newcomer, Gordon Gebert, as the little boy Henry Morgan and Henry O'Neill also have important parts in the adventure of romance, mirth and sentiment.

The picture has its setting in New York during the holiday season. On the verge of quitting her department store job to marry a well-established lawyer

Equipment For Hospital Here

A tentative list of equipment required for the new hospital is being submitted by a committee to the hospital board at the end of the week. The list includes a variety of new equipment for the hospital.

and thus make a happy-go-lucky day with his unusual tickling, romantic low in quick succession heroine finally decides really wants to do.
