

Field at Prince Rupert Held Defence 'Must'

Pacific Cable Rates Helpful To Iron Curtain

Present high rates for commercial cables and radio messages across the Pacific from British Columbia to Far Eastern ports mentioned on the floor of the House of Commons by George Murray, M.P. for Cariboo, when Hon. Transport Minister, brought in his

Bill for the Pacific Cable Act. High cable and wireless rates are at present making communications in that sphere very difficult.

SAFEGUARDING B.C.

Following his statement in the House of Commons, Mr. Murray gave newsmen to understand that, when the bill came before committee, he would urge an amendment to safeguard British Columbia's interests. He referred to the recent launching of an air service via northern British Columbia and the Yukon to Asia by the Canadian Pacific Airlines.

"I am informed that opening of the Canadian airline service has already resulted in new business from Asiatic ports for B.C. growers, manufacturers and brokers. Low cable and wireless rates direct to Shanghai, Hong Kong and Singapore from Vancouver will stimulate business across the Pacific.

"The old order placed the Canadian ports on the Pacific under a severe handicap. Messages from North China had to be routed all-round the world via London and Montreal to Vancouver. Such rates were often so high that B.C. businessmen hesitated to use either cable or wireless.

"Ocean freights also discriminated against B.C. (Continued on page 4)

STEELWORKER HURT IN FALL

G. B. Ludvigson, a steelworker for Dominion Bridge Co. on the Watson Island project, was taken to hospital at 5 p.m. Monday suffering injuries resulting from a fall while at work. Ludvigson fell from an upper part of the steel framework of one of the buildings under construction about 4:30. He suffered bruises to his chest and back. His condition was reported "good" this morning.

WOULD BREAK UP MONOPOLY

AYRSHIRE, Scotland.—Emphrys Hughes, teetotaler school teacher and Labor member for Ayrshire, will ask Prime Minister Attlee when Parliament opens October 12 to make production and export of whisky a state monopoly.

Hughes said that a "little group of wealthy monopolists in the United Kingdom are cashing in on the thirst of America."

His proposition would mean a reduction in the price of Scotch in Canada and the United States.

Apprentices Few Here

Boys, Rather Than Employers
Held Responsible

There are only ten apprentices signed up to trades in Prince Rupert, making this the worst place in British Columbia for acceptance of the apprenticeship system, Ted Ivay of the apprenticeship branch of the provincial Department of Labor told the Prince Rupert Chamber of Commerce which he addressed briefly at its monthly dinner meeting last night.

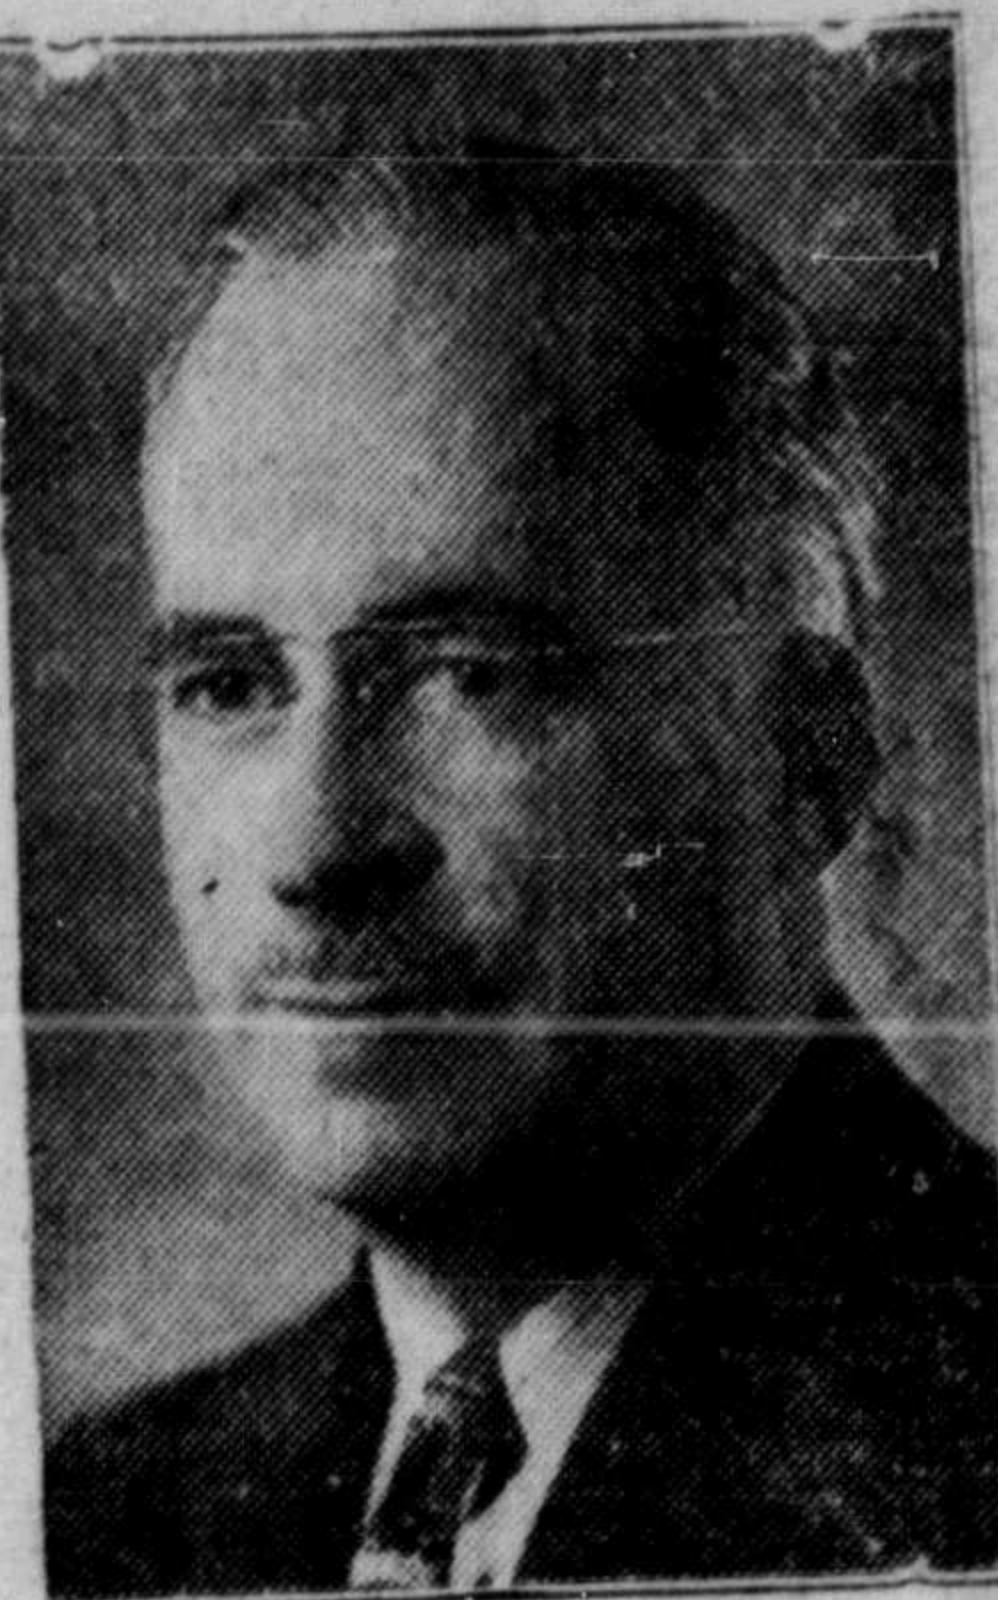

"What is the matter?" he asked.

Pointing to a situation last winter in Vancouver where 40,000 unskilled unemployed were seeking work while jobs for skilled and highly paid tradesmen went unfilled, Mr. Ivay told the Chamber of the joint federal and provincial government program for the training of boys in the trades, a program which was designed for the aid of business men, industries and the boys themselves. The contracts involved undertakings and obligations on both sides.

The whole idea was that there would be an adequate supply of skilled tradesmen and to eliminate in the future such situations as there had been in the past where large numbers of unskilled workers became a charge upon the country.

In discussion that followed, Mr. Ivay's address concurred in the view that the fault here did not lie with the employers but with the boys themselves and their parents who were lured by the transient but imprudential prosperity of high wages for unskilled labor.

The importance of getting in touch with the boys in the schools was stressed.

JAMES J. BEHAN—Who has been promoted to General Superintendent of Transportation, Western region, Canadian National Railways, who has retired from active service after 50 years of railroading in western Canada.

W. I. MUNRO—General Superintendent of Transportation, Western region, Canadian National Railways, who has retired from active service after 50 years of railroading in western Canada.

WORLD SERIES—

"This Is Bums' Year," Say Brooklyn Die-hards

Allie Reynolds Named Starting
Pitcher for New York Yankees

NEW YORK (CP)—Allie Reynolds will be the starting pitcher for New York Yankees in the World Series at Yankee Stadium tomorrow. Manager Burt Shotton is keeping silent about the choice of moundsmen for the Brooklyn Dodgers.

The "Ten Cent" World Series boomed into a \$10,000,000 bonanza for New York City.

Victories of the Yankees and the Dodgers in the frenzied baseball pennant race finals have brought thousands of fans to the city, jamming hotels and putting a heavy premium on Series tickets.

The weather outlook is bad with predicted cloudiness and showers. The Yankees, American League

ATTEMPT TO FIND SUNKEN SEINE BOAT

An effort was made today to locate the sunken hulk of the Francis Miller seine boat Rose City which went to the bottom early Monday following a collision Sunday night with another seiner, the Invercan, in Edye Pass, 20 miles west of Prince Rupert.

The Invercan, which rammed the Rose City astern, was towed to port here Monday evening for repairs after she had taken the six-man crew of the Rose City aboard following the collision. A survey of her hull showed that damage was not as great as had been previously feared.

This morning, James Bruce, manager of the Francis Miller cannery at Seal Cove, left for the scene of the collision aboard the chartered packer Pauline V. Seattle Chamber of Commerce Capt. Chris Viktil in the hope of locating the wreck which may be drifting submerged.

The Rose City sank about 4 a.m. Monday after receiving severe damage on the starboard side near the stern in the collision with the Invercan about 9:30 Sunday night.

Mr. Bruce said that he hopes to salvage the seine net a valuable piece of equipment, which was stored in the hold of the Rose City as she set out across Hecate Strait for the Queen Charlottes.

"She may have drifted up on some beach where we can get at her long enough to get the net," he said.

Damage to the Invercan's bow at first thought to be serious, was revealed to be only "slight" following a survey last night. However because of the engine failure after the collision, she had to be towed to port here by the Armour Salvage and Towing Co. tug Kalen which left port here at 2 a.m. Monday to give

A search of the area near (Continued on Page 5)

Chamber of Commerce Is Taking Its Case To International Board

Prince Rupert Chamber of Commerce is carrying its case for the establishment of a landing field for aircraft here direct to the International Joint Defence Board at Washington, D.C. and Ottawa. The Chamber, at its meeting last night, decided to dispatch a brief on the subject to the Defence Board. The strategic position of Prince Rupert

from the defence standpoint in the light of existing international conditions is being emphasized in addition to the need of an air field here for the efficient carrying on of commercial air transport. The brief is also being sent to Prime Minister L. St. Laurent, the minister of transport and the minister of national defence. Support of the Chamber of Commerce will also be sought in view of Prince Rupert's position on "the first line of defence."

PILOTAGE SERVICE

Pilotage service at this port was also discussed at last night's meeting and a brief is being forwarded to a federal committee on pilotage which is coming to the coast and will be asked to visit Prince Rupert. One of the suggestions is that, in the appointment of a new harbor master here, endeavour be made to have a person who will be able

Flash

RIG TEXAS WIND
HOUSTON.—A vicious hurricane smashed across the Texas coast, hit Galveston and Houston a walling blow and sped inland today. Winds of 100 miles per hour whipped the area but there were no fatalities. This city was buffeted for more than an hour.

VIOLENCE IN STRIKE
PITTSBURG—Gunfire and death broke a brief calm in the strife-scarred mine fields as twin strikes of 900,000 United States steel and coal workers continued today at the staggering cost of more than \$30,000,000 per day. Violence flared in Tennessee. A Virginia miner was killed in a rock fall.

CZECHOSLOVAKIA BREAKS
PRAGUE—Czechoslovakia, as expected today scrapped its friendship pact with Yugoslavia and demanded that the Yugoslav ambassador to Prague be recalled immediately.

MAY HIT P.G.E.
VICTORIA.—The crippling strike of 500,000 CIO steel workers in the United States, already threatening to throttle American production, may reach out to block plans of the British Columbia government to have the Pacific Great Eastern Railway rolling into Prince George by 1951. The provincial department of railways here reports the strike will probably delay the Quesnel-Prince George extension.

See Schedule Page 2

to do pilotage. It was felt unfair to charge ships the expense of bringing pilots here from Vancouver and the Chamber is asking that such expenses be absorbed by the pilotage board rather than be made a charge against the ships.

Among other matters coming before the Chamber at its meeting was that of the annual winter overhaul of Canadian National coastal ships. A letter from E. T. Applewhite, M.P., said it was too late to do anything about the steamer Prince Rupert this winter but that it was a matter on which the Chamber might well keep pounding. Representations have now been made to the minister of transport, emphasizing the importance of keeping the local yard functioning.

In the matter of senatorial appointments, Prime Minister St. Laurent advised the Chamber that the matter on representation of Central British Columbia in the Upper House would be kept in mind when filling future vacancies.

The Chamber meeting heard three speakers—Ted Ivay of the provincial Department of Labor who made an appeal for local support of the apprenticeship program of the two governments; A. B. Brown, who explained the forthcoming money bylaws for schools here and urged support in the voting this Thursday; and E. D. Forward, Civic Centre director, who spoke of the current Civic Centre membership campaign and won an increase in the Chamber's annual sponsorship grant from \$50 to \$100.

Vice-President L. M. Felsenthal occupied the chair at last night's meeting in the absence through indisposition of President G. R. S. Blackaby.

C. A. Berner was elected delegate of the Chamber to the forthcoming annual convention of the Canadian Chamber of Commerce in Montreal with E. T. Applewhite, M.P., as alternate. Mr. Berner was also nominated to the national policy committee of the convention.

SHOOTINGS IN CZECHOSLOVAKIA

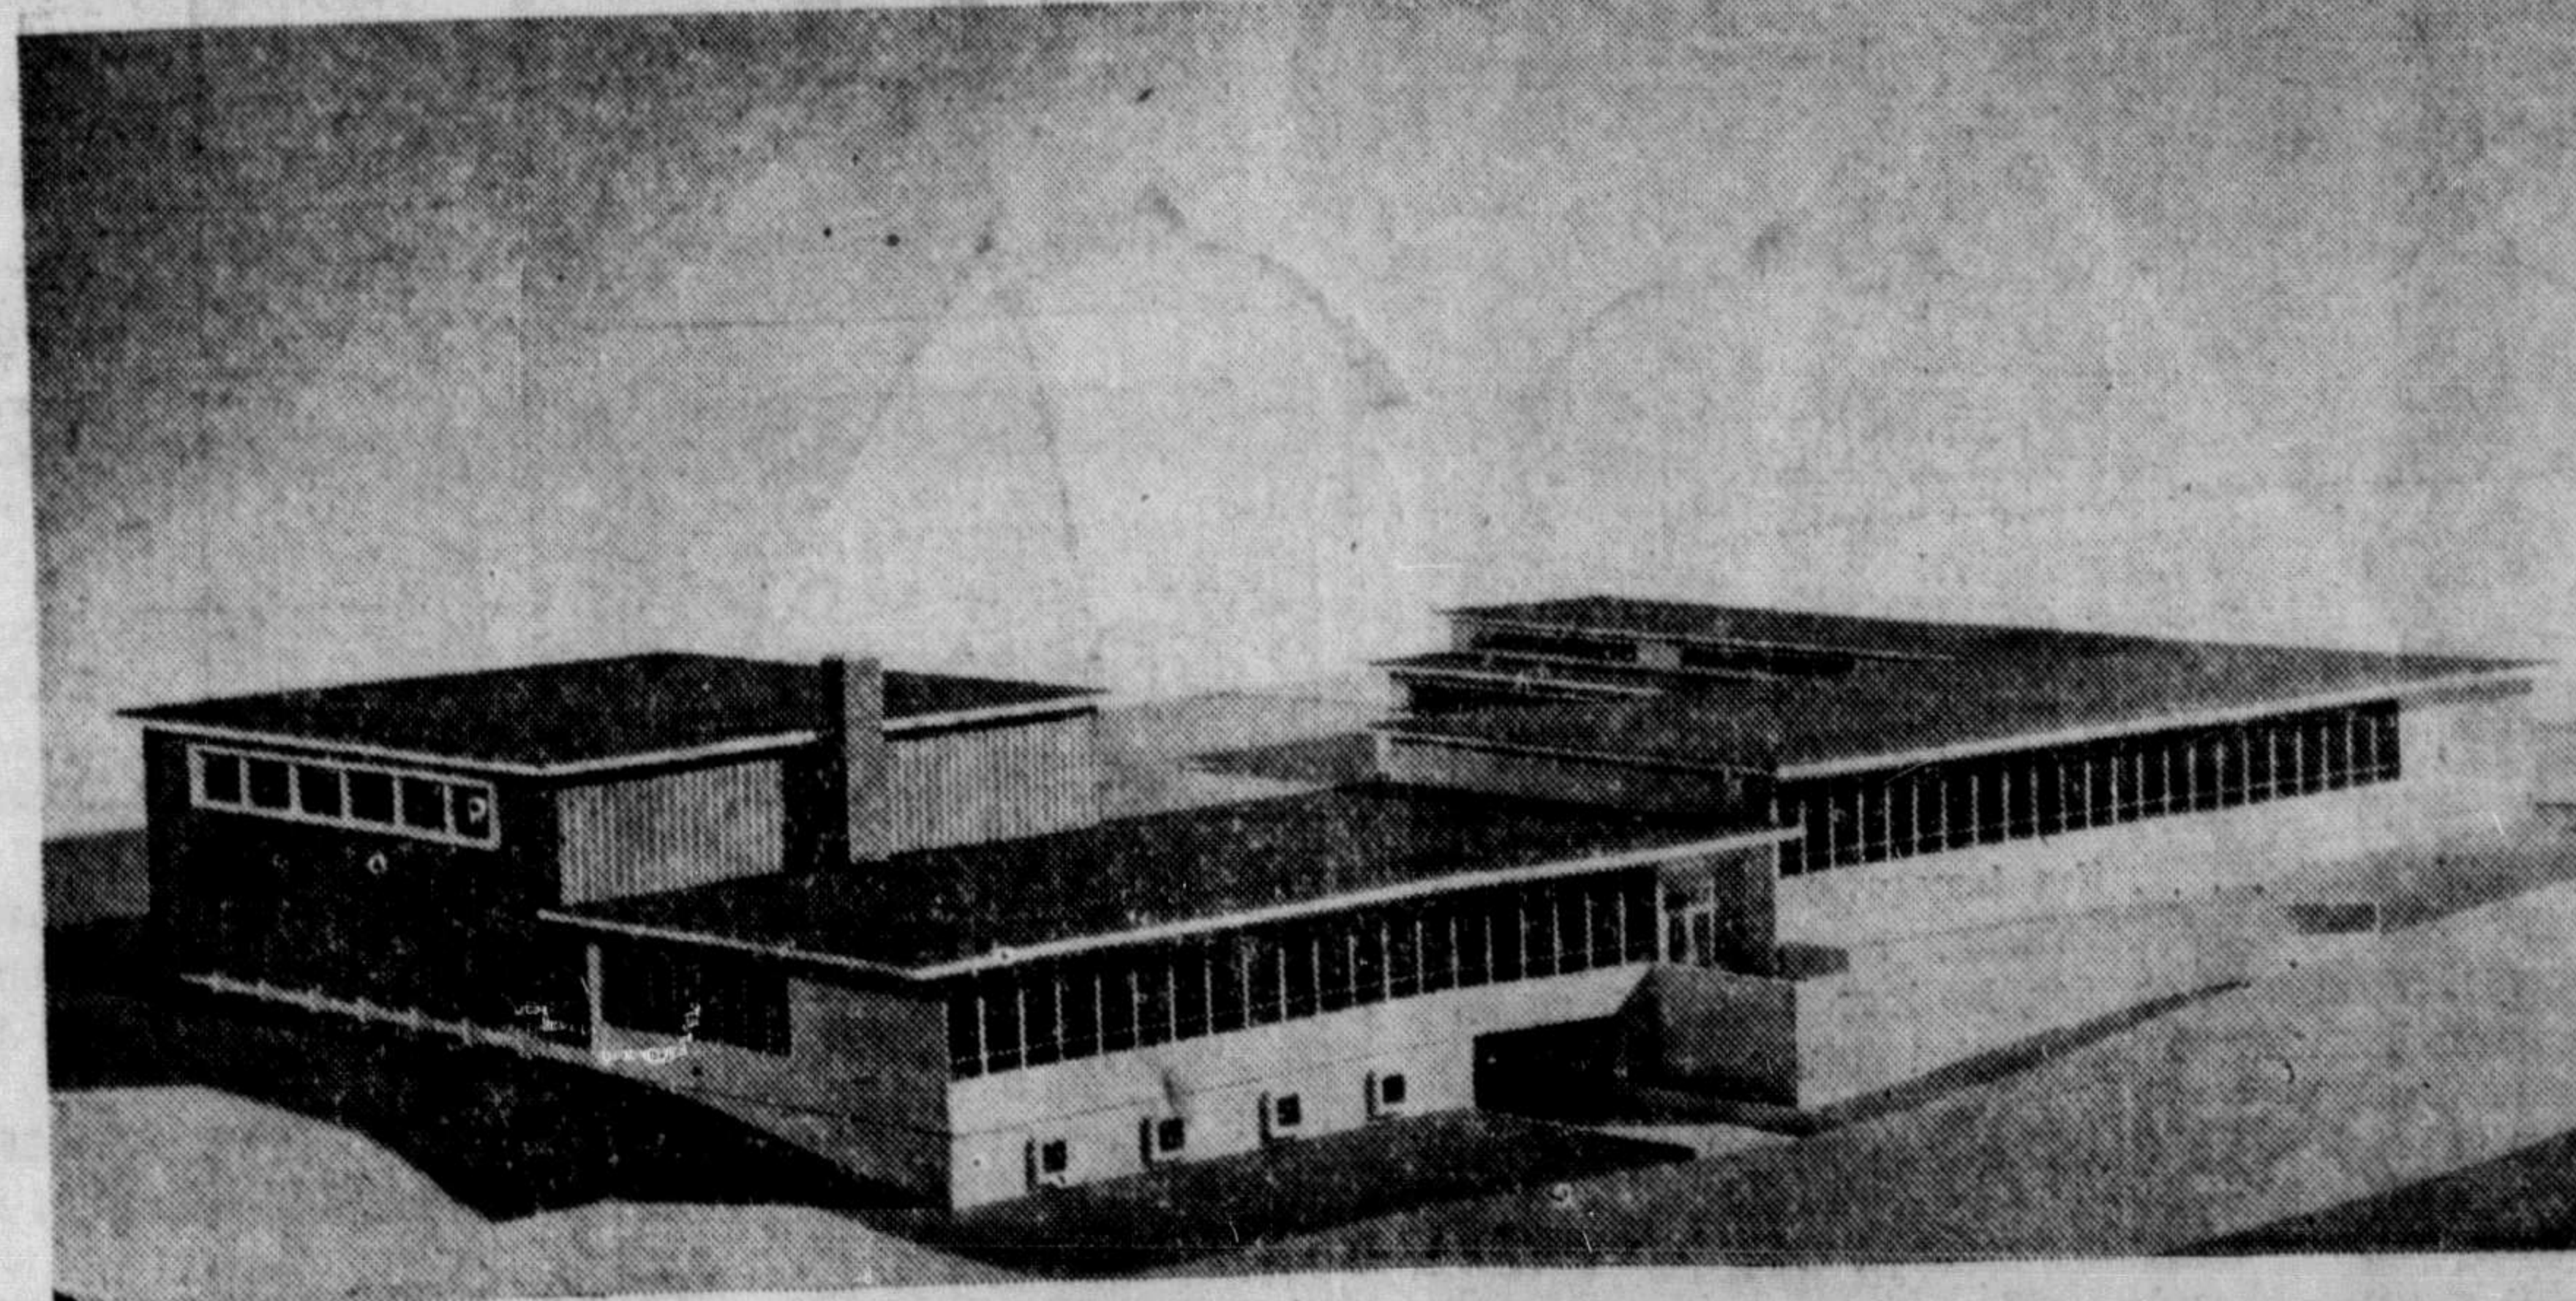

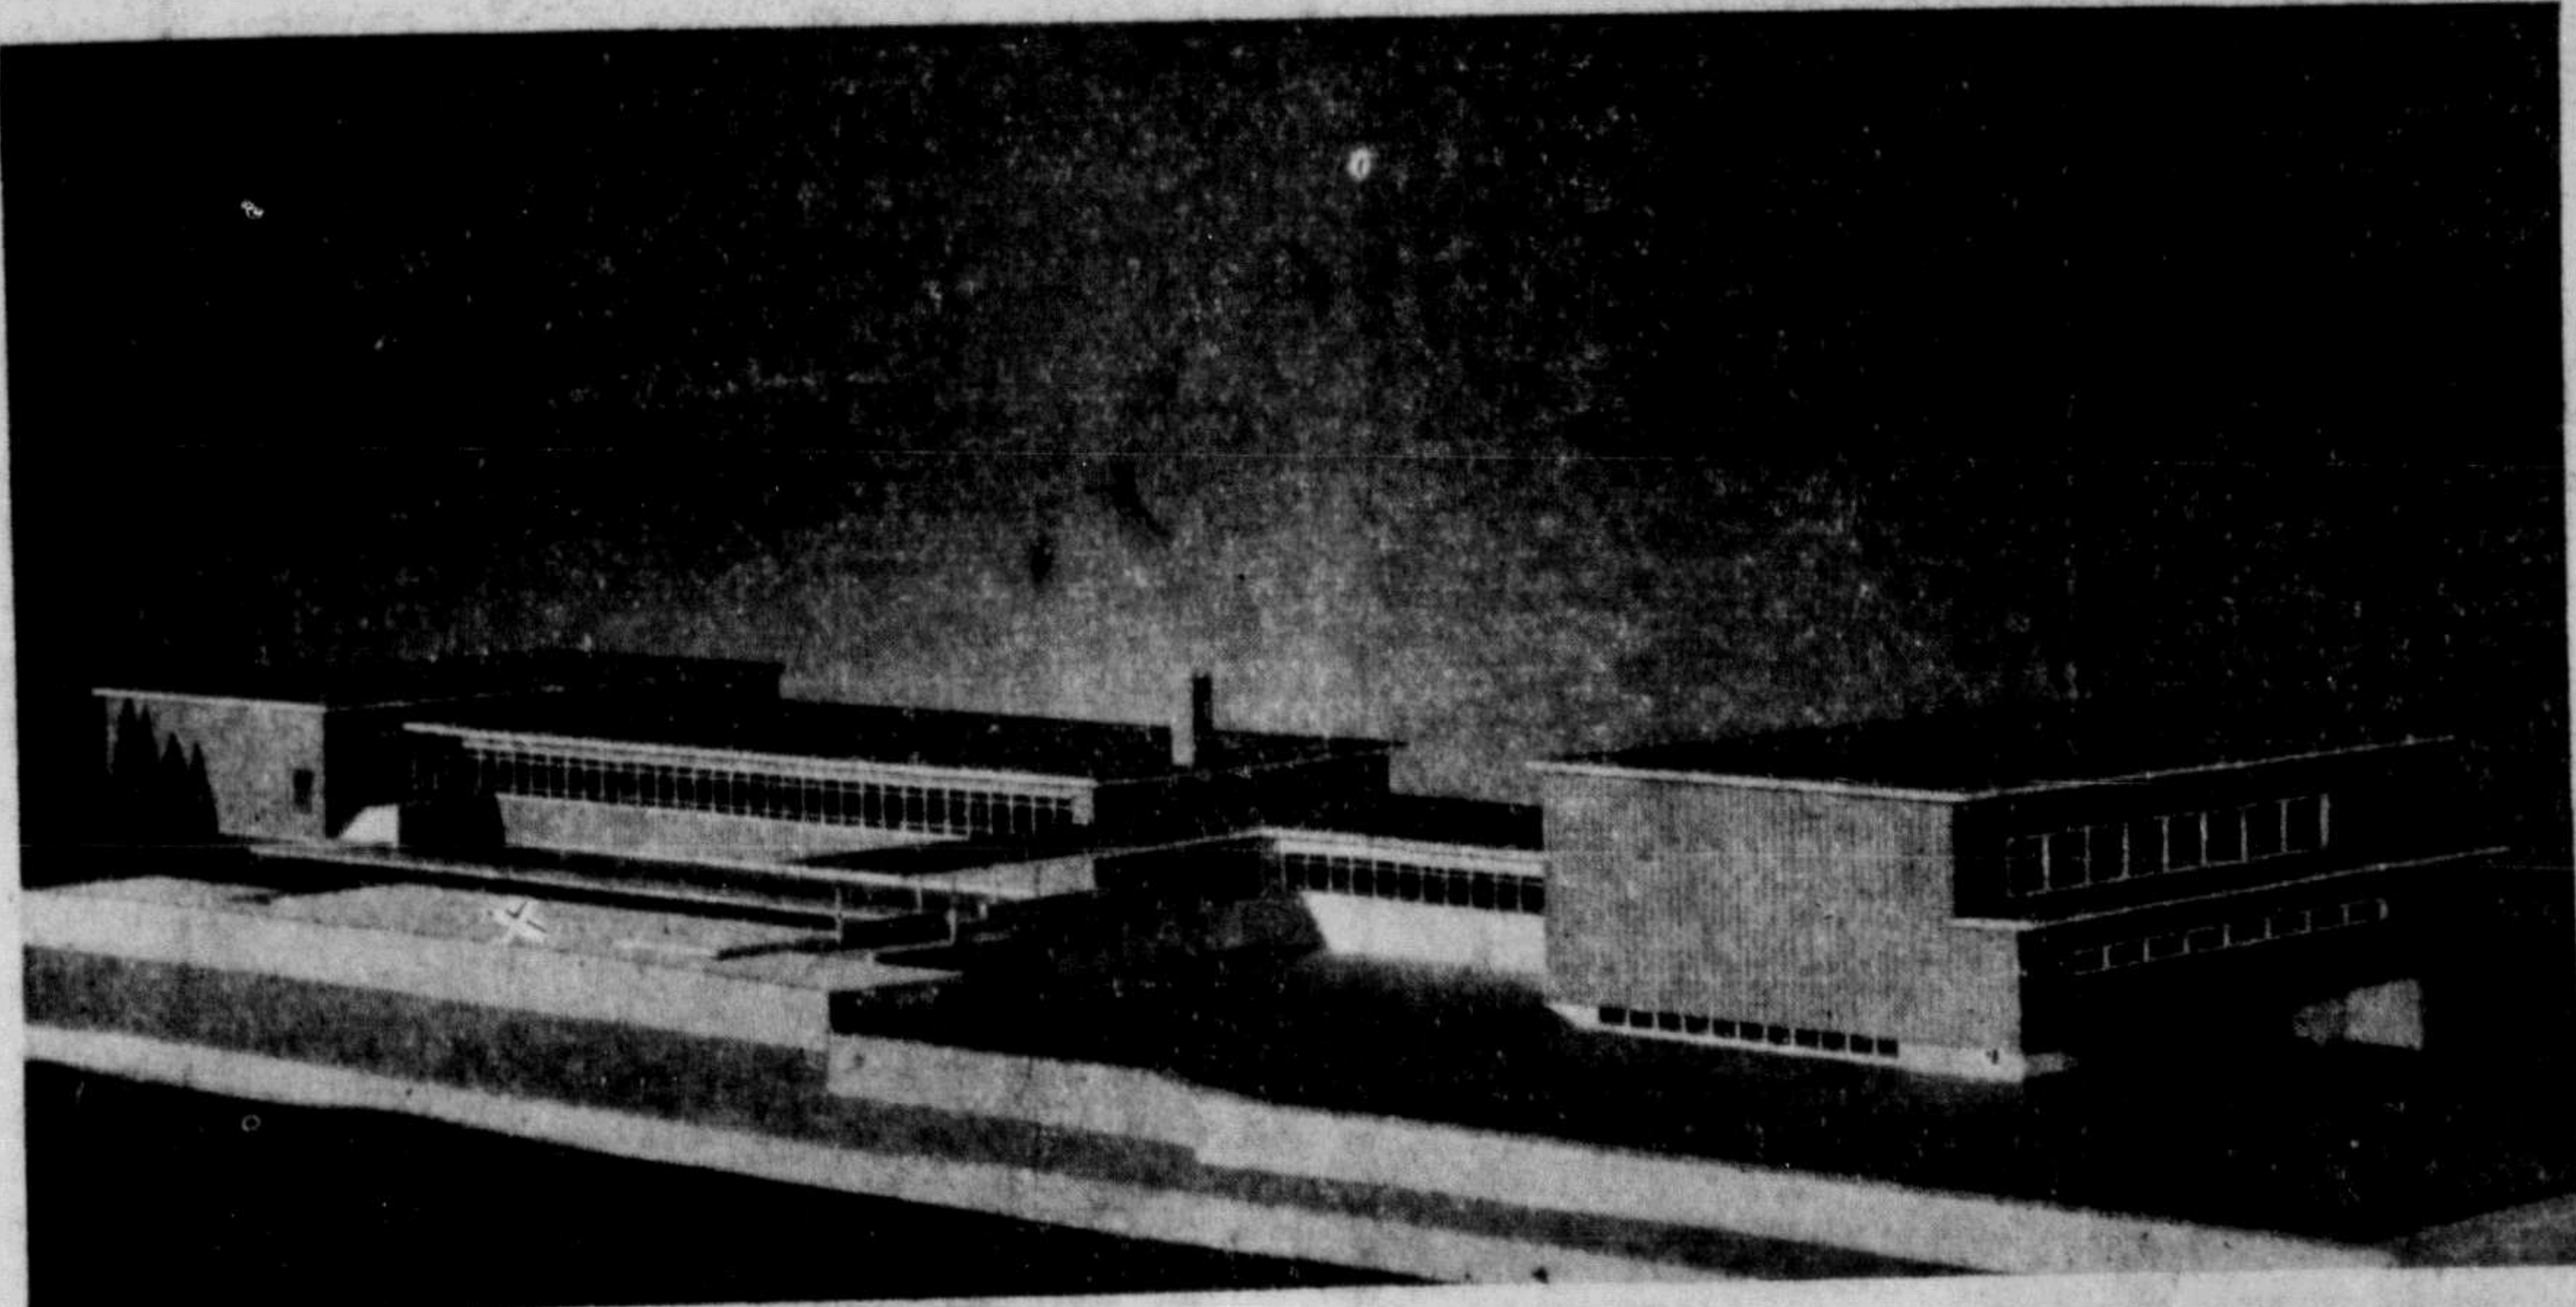

PRAGUE.—Three men were killed and several others injured in shooting incidents here Saturday night.

One man, before he died of bullet wounds in the stomach, is reported to have said: "Comrades, why have you done this to me?"

Eye-witnesses, in one instance, said that Tommy gun fire came from a car carrying uniformed passengers. They sprayed it into people waiting for a public transport vehicle outside of Prague's big Pankrac prison.

WOULD TAKE OFF B.C. ELECTRIC TAX

VANCOUVER.—Elimination of federal income taxes on the British Columbia Electric Co. as one step toward reducing of transit fares here will be sought by Vancouver. Mayor Charles Thompson said yesterday that the tax is "discriminatory" in that privately-owned utilities pay it while publicly-owned firms do not.

RATEPAYERS will decide on Thursday whether or not they approve of bylaws to authorize the borrowing of money to build schools such as these to augment the restricted facilities of Booth Memorial High School and to replace the present inadequate King Edward elementary school. Over-all cost of the projects would be \$815,030, of which district ratepayers would be required to pay half—\$407,515 over a 20-year period. Complete cost of the new Booth unit (top) would be \$245,055, while the total cost of the new King Edward school will be \$162,460. A complete majority of three-fifths or 60 per cent of city and rural voters will be required for approval of the bylaws. City's share of the combined cost would be \$356,331 while the rural share would be \$51,184. (Present Booth School stands on the space marked "X" in the sketch.)

Starting On New Theatre

Construction of the new \$100,000 Paramount Theatre to be erected at the northwest double corner of Third Avenue and First Street is to be pushed through to completion, commencing at once, and the contractors, Mitchell & Currie, will be getting the work under way within the coming week. J. Harry Black, manager here for Famous Players Canadian Corporation, announces. John Currie of Mitchell & Currie is now on his way back from Vancouver where he has been consulting with the architects, Seaman & Co. on final building arrangements.

Certain revisions have been made to the original plans to bring them fully up-to-date but the new house will be of the same size as originally announced and of the same general design. It will have seating capacity of 631.

Plan is to get the foundation completed and walls and roof up before winter weather becomes too severe so that interior work may be proceeded with during the worst weather period.

The new theatre is to be ready for opening by June, according to present expectations.

THE WEATHER

Synopsis

A marked disturbance passed over the coast last night giving extensive rain as it passed. The twenty four hour rainfall recorded at Vancouver was 1.04 inches and at Pacheana on the west coast 2.27 inches was recorded. Light rain is also quite general in the interior as the storm moves eastward. Gradual improvement is now expected in the weather behind the storm although showers will be quite widespread today. Clearing skies in the interior this evening will allow overnight temperatures to fall near the freezing level once more.

Forecast

North Coast Region—Cloudy with showers today. Variable cloudiness tomorrow. Little change in temperature. Winds westerly 15 miles per hour today and tomorrow. Lows tonight and highs tomorrow—at Port Hardy, 40 and 55; Sand-spit, 43 and 55; Prince Rupert 40 and 58.

BLACKHEADS

Don't squeeze blackheads—dissolve them. Get two ounces of peroxide powder from any drug store and apply gently with wet, hot cloth over blackheads. They dissolve and disappear by this safe simple method.

EIGHT POLLS TO RECORD SCHOOL BYLAW VOTING

Eight polling stations—seven rural and one urban—will record the vote of ratepayers in the Prince Rupert School District next Thursday on bylaws to raise \$407,515 for construction of a new high school unit and a new elementary school in the city.

Prince Rupert urban voters will cast ballots at the Civic Centre, where Returning Officer H. D. Thain plans to set up a polling station in the teen age room.

In the rural areas of the district, there will be polling stations at Port Edward, Port Simpson, Port Essington, Digby Island, Oona River, Osland, and Hunt's Inlet.

The list of rural voters contains the names of 338 taxpayers while on the city list there are more than 2,000.

The rural bylaw will ask property owners in those localities to approve the borrowing of \$52,000 as their share of the cost of the new schools to replace Booth Memorial High School and King Edward elementary school.

City voters will be asked to approve a bylaw to raise \$356,331 as their share of the new school costs.

The total of \$407,515 will actually be only half of the cost of the proposed new schools. The provincial government will contribute an additional \$407,515 to complete the total amount of \$815,030.

In order to be passed, the bylaws will require the approval of at least three-fifths of the ratepayers.

Deputy returning officers at the city polling station have not been lined up yet by Mr. Thain. However, those in the rural stations have been organized. They are:

Port Edward, William Fraser. Port Simpson, Miss Jane Com-mon.

Port Essington, Miss F. Capell. Digby Island, R. W. McInnes. Oona River, Mrs. B. Iveson.

CFPR EMITTING WORLD SERIES

World Series baseball will be broadcast from Station CFPR, it was officially announced this afternoon by Manager C. H. Inslander. The broadcast will start tomorrow at 9:45 with the customary preliminaries followed by the play-by-play description of the game.

GOOD FRIENDS—Ties of friendship between Canada and Belgium are being strengthened by the visit to Canada of Foreign Minister Paul van Zeeland of Belgium, shown here as he chatted with Prime Minister St. Laurent following a luncheon at the Belgian embassy in Ottawa. (C. P. Photo)

"John's a dear. Whenever I go to the beauty parlor he insists on coming along and waiting for me outside!"

CABLE RATES

(Continued from Page 1)

are against B.C. ports," Mr. Murray said, "and everything is routed via London. Our national markets on the Pacific rim for pulp and paper are filled by Scandinavian paper manufacturers who enjoy low freight rates and cheap methods of communication with East Asia ports.

"Given press rates on the Pacific equal to those on the Atlantic, we Canadians can keep well informed on events in East Asia. As it is today the Iron Curtain which now encompasses much of China, here Canadian newspaper correspondents from sending full reports on commercial, political and military affairs in a country which is now but eleven hours from Vancouver by regular air passenger service."

TO PURCHASE CABLES

The bill before Commons, according to Hon. Lionel Cherrier, who is sponsoring it, follows an undertaking by Canada with Commonwealth countries to purchase the assets of the cable and wireless corporations within Canada at a sum extending \$4,000,000.

Great interest centres upon the measures because of the socialistic tendencies.

"Unless our communications rates on the Pacific are guaranteed by statute to be fair and equitable—and certainly on an equality with those on the Atlantic—we may find ourselves worse off than ever," according to Mr. Murray.

"Naturally the great majority of Commonwealth people reside in Britain and are interested in maintaining London as the centre of the Commonwealth. Therefore the influence, unless the Canadians watch carefully, will be to maintain a rate structure with respect to cables and wireless which will continue London as the great distributing centre of news and information. We would have no objection to this so long as we are not discriminated against on the Pacific seaboard of Canada in respect to costs of messages."

TED APPLEWHITE

E. T. Applewhite, M.P., of Prince Rupert, asked certain questions regarding use of radio and cable services up and down the coast, more particularly in the fishing industry. The Minister assured him that the new crown company would not engage in this field of communication.

Jack Gibson, M.P., Comox, spoke briefly on the subject. The cable station on the western end is located on Vancouver Island within the constituency represented by Mr. Gibson.

Basketball Season Coming Up, Several Teams Now Entered

The 1944 basketball season is just around the corner with opening night scheduled for October 22. At a general meeting of the Association, entries were received in the four city divisions as follows:

Senior—Brownwoods, Bo-Me-Hi and Co-op.

Intermediate—Merchants and North Star.

Ladies—High School and Don's Junior—High School, Kingsmen's, Boy Scouts, Sea Cadets and Rupert Hotel.

With the final entry date set at October 11 it is anticipated that one more entry will be received in each of the Senior, Intermediate and Junior divisions.

Shell Oil are rumored to be scouting the Senior field for enough players for a team and it is expected that Medakaka will enter a team from across the harbor in either the Senior or Intermediate divisions.

The annual meeting re-elected Angus Macpherson as League president. Jack Marchant is the new recording secretary. Business secretary Don Forward continues to act as district representative on the B.C. Basketball Association executive.

Each team will elect their own

representative to the League executive which meets monthly to discuss League policy and problems. The meeting agreed to abide by the age rules of the B.C. Association and Junior team members will have an under-16-years limit, while Intermediates are required to be under 21, with ages computed as of January 1, preceding the season.

Over Centre sports director, Fred Calderone outlined plans for the coming season which would ensure a constant source of player material in the years to come. In addition to League play Mr. Calderone will organize elementary school basketball with play on Tuesday and Thursday afternoons. There will also be Saturday morning sessions for boys who are not members of any basketball team in either city or school leagues.

Referee forums will be arranged with discussion and films on rules interpretation.

Don Forward announced the cancellation of plans for a Harlem Globe Trotters' tour through the north this season. The Trotters were originally scheduled to make a trip to Manila by way of Alaska, but the trip has been postponed until next season, with Prince Rupert definitely on the agenda.

26 FINED UNDER PARKING BYLAW

A police drive to bring the night parking habits of city motorists into line with the local traffic bylaw resulted in a lengthy procession visiting the police office to pay \$5 fines within the last few days. Total in the latest round-up was 26. The offences were against a clause in the ordinance which requires that vehicles parked at night on streets of a width of 20 feet or less are required to keep their parking lights on. This was not enforced with particular severity in the summer which was marked by long hours of daylight but, during the winter, police say, it will be enforced strictly.

Blocked-out cars parked on city streets create a hazard which the police are aiming to eliminate, Sgt. L. A. N. Potterton said.

ALL A MISTAKE—Pretty 21-year old Ruth Comfort, University of Toronto student and daughter of Charles F. Comfort, noted Canadian war artist, was detained 24 hours by U.S. immigration officials at Ellis Island on her return from an international student conference in Holland. She was accused of making an inflammatory speech aboard the vessel bringing her home. U. S. state department now announces it was all a "regrettable and unfortunate mistake." This photo is by Knight of Toronto. (C. P. Photo)

LAUNCHES TOUR—George Formby, toothy ukulele-strumming British comedian, launched a Canadian tour before a packed house in Toronto Monday night last. Formby, who is widely known to Canadians who served overseas during the war, is shown here with his wife, the former Beryl Ingham, who gave up a stage career of her own to marry the comedian and who now acts as his agent. (C. P. Photo)

BUILDING IN SEPT. \$9,620

Authorization for construction of two new residences with a combined value of \$7,000 constituted the bulk of building permits issued at the City Engineer's office during September. Total value of permits issued was \$9,620.

The new residences are those of C. H. Inslander to be built on Sixth Avenue East at an estimated outlay of \$3,000 and of Karl Marki on Ambrose Avenue at a cost of \$4,000.

Value of permits issued in September raises to \$222,165 the amount of construction work authorized so far this year. For the same period of 1943 the amount was \$152,638.

Permits were issued last month:

- C. Lorn, Eighth Avenue East, repairs, \$150.
- E. Faure, Eighth Ave. East, addition, \$160.
- E. Mussellam, Tenth Avenue East, addition, \$600.
- A. Mosley, Seventh Ave. East, addition, \$100.
- Vans Bakery, Third Avenue, repairs, \$50.
- M. Heise, Seventh Avenue East, repairs, \$1,000.
- R. L. Wilkins, Herman Street, repairs, \$25.
- W.M. Wallace, Ninth Avenue East, repairs, \$75.
- D. Macpherson, Ninth Avenue East, repairs, \$150.
- W. Robb, Eighth Avenue East, Wallace's Ltd. Third Avenue, repairs, \$100.
- sign, \$350.
- E. Cavenale, Seal Cove, repairs, \$20.

FLOWER QUEEN — Pretty Barbara Ann Fee of Richmond, Que., a technician in a Montreal hospital, won the title of Flower Queen in a province-wide competition attracting 600 entries. By an odd coincidence, the 1949 florists' convention was meeting at the same time and its 2,500 delegates turned up for the Queen's coronation at Montreal's Windsor Station. (C. P. Photo)

Numerous seimeboats which had been remaining in Prince Rupert during the recent strike tie-up, started moving out again to the fishing areas yesterday following settlement of the strike dispute. Some departed for the Queen Charlotte Islands while others proceeded to Johnstone Straits, down the coast.

N.H.A. DESIGN-OF-THE-MONTH

Families in search of a truly moderately-priced three-bedroom house should investigate the features of this pleasing design which includes five rooms and bath within a minimum of space.

Entrance to the living room is through a vestibule containing a coat closet. Although the kitchen is of minimum size, it is designed for working convenience and has ample room for dining facilities. Kitchen and bathroom plumbing is arranged so as to reduce cost to a minimum. Adequate closet space has been provided in each bedroom while there is a linen closet at the head of the stairs and another in the hall near the bathroom. The bay window in the living room enhances the appearance of the house and the interior of the living room.

While construction drawings for this house specify horizontal wood siding on the lower half and vertical siding on the gable ends, aluminum siding has been used on the house illustrated. Other types of exterior finishes could be used with equally pleasing results.

The floor area, for estimating purposes, is 957 square feet while the outside dimensions are 24 feet eight inches by 24 feet four inches.

WORLD SERIES HERE

While no official announcement was available up to early this afternoon, it appears that Big League baseball fans in Prince Rupert will be able to hear the 1949 World Series broadcast from Station CFPR. Cancellation orders have been received at the Station for other programs which would normally be emitted at the time of the World Series. The annual diamond classic commences at Yankee Stadium, New York, tomorrow between Brooklyn Dodgers and New York Yankees. The broadcast should start about 9:45 a.m.

BUMS' YEAR

(Continued from Page 1)

tastic to picture the Dodgers as
the 1949 world champions of the
diamond.Off the record in World Series
play, the Brooks are a poor risk.
They have been in four and lost
them all but die-hard optimists
say knowingly: "This is the
Bums' year. They got the law
of averages on their side."MOOSE BAZAAR
DRAWS MANYA highly successful two-day
bazaar, sponsored by the Women
of the Moose, was climaxed Fri-
day night with a dance at the
Civic Centre where almost a
score of raffle prizes were drawn
for before a large gathering.
The bazaar, which drew a good
attendance both Thursday and
Friday afternoons, was held in
the Moose Temple.Receiving the guests during
the afternoons were Senior Re-
gent, Mrs. H. T. Muncey and Mrs.
R. B. Skinner chairman of the
committee in charge. Pourers
were Mrs. B. J. Bacon and Mrs.
Lloyd George on Thursday af-
ternoon and Mrs. W. Taylor and
Mrs. J. R. Carr the following day.Mrs. Richard Giske, Mrs. O.
Stegavig, Mrs. B. J. Bacon, Mrs.
H. Tweed, Mrs. E. Blair and Mrs.
Ray Johnson were in charge of
the kitchen on the initial day,
while those in charge on Friday
were Mrs. B. J. Bacon, Mrs. R.
Giske, Mrs. O. Stegavig and Mrs.
Foster.The home cooking table was
in the charge of Mrs. H. Harri-
son and Mrs. C. Mattson for the
first afternoon and Mrs. W. Tay-
lor and Mrs. George Howe the
second.In charge of the fancy work
table were Mrs. F. De Blass, Mrs.
John Morrison, Mrs. C. Lund-
strom and Mrs. J. Hoskins.Raffles were in charge of Mrs.
L. Holstad, Mrs. E. Blair and
Mrs. Carol McIntyre. At the
candy counter were Mrs. Paul
Kilbourn and Mrs. G. Murray.
The fish pond was under the
charge of Mrs. F. Gomez and
Mrs. B. Bitterman.Winners of the afternoon
raffles at the Moose Temple
were:Angel cake, Mrs. H. Tweed.
Dressed doll, Mrs. E. Dargie.
Teapot, Ruby Dawning.
Pillow slips, June Dickens.
Table cloth, Mrs. Lloyd Bolam.CANADA'S WHITE HOUSE—This rambling three-storey residence at 24 Sussex Street, Ottawa,
is to be converted into a permanent residence for Canada's prime ministers. Once the home
of the late Senator W. O. Edwards, it now serves as the Australian High Commissioner's Office.
When the Australian lease expires Nov. 1, an army of workmen will undertake a reconditioning
job on the property, which overlooks the Ottawa River and Quebec's Gatineau Hills. (C.P. Photo)

RAFFLE WINNERS

Winners of the prizes at the
evening raffle drawn at the
dance in the Civic Centre were:
Made-to-Measure suit and
pair of shoes, Gwen Murray.
Half ton of coal, Sydney Elk-
ins.Half ton of coal, Herbert Doo-
lan.
Half ton of coal, Mrs. W. Roth-
well.
20 pounds black cod, Andy Mc-
Fee.Gift certificate, Mrs. J. Her-
berg.
Ham, J. D. Gillis.
Table lamp, Mrs. P. K. Deane.
Bacon, Yue Kine.
Men's slippers, Mrs. M. Calder-
oni.Twin sweater set, C. Maun-
drell.
Two chickens Richard Tweed.
Gift certificate, Mrs. M. Bird.
Drum of stove oil, L. Hem-
mons.
50 pounds flour, Mrs. M. R.

FACES CHARGE—Mrs. Arthur Pitre, mystery woman in the
Quebec air disaster of Sept. 9, leaves the Quebec women's jail
for the courthouse where she was arraigned on a charge of at-
tempted suicide. Accompanied by a jail matron and a detec-
tive, Mrs. Pitre, police said, admitted taking a package contain-
ing dynamite to the plane, which crashed at Sault au Cochon.
Que., killing its 23 occupants. Mrs. Pitre claimed she did not
know the contents of the package. She has been cleared in con-
nection with the murder. (C. P. Photo)Not Offering
P.G.E. RailwayPremier Predicts Profitable
Future for Line—Would
Meet TrumanVANCOUVER — British Col-
umbia coalition government
does not intend to offer the
Pacific Great Eastern Railway,
for sale to the United States
government. Premier Byron
Johnson said so in an inter-
view here, adding that the rail-
way has a "great future" under
British Columbia ownership.
When the extension of the rail-
way from Quesnel to Prince
George is completed, the rail-
way will commence paying its
own way, he predicted.Premier Johnson, on his way
to Ottawa, said he was prepared
to visit Washington next week
to discuss with the United States
government — possibly includ-
ing President Truman—any pos-
sible plans for co-operation on
the railway between the two
governments.Meantime in Washington to-
day the Senate foreign relations
committee authorized President
Truman to arrange with Cana-
da for the making of surveys
for a 1400-mile line from Prince
George to Fairbanks.Southbound from Alice Arm
and Stewart to Vancouver, Un-
ion steamer, Catala, Capt. John
Boden, is due in port at 5:45
this afternoon and will sail at
7:30 p.m. in continuation of
her voyage.delegates beat off an attempt to
reseat the national director of
the Electrical Workers, Clarence
S. Jackson, and four of his un-
ion colleagues who had been
suspended by the Congress exec-
utive last spring for a "slander-
ous" attack on the Ontario Fed-
eration of Labor.

Enjoy your dog
more!Nourish Every Inch
with GAINES!Feed your dog GAINES — nour-
ish every inch! That means
health for him — more fun for
you too! For GAINES is kennel-
tested dog meal — biologically proved to be
nutritionally complete for every breed.

You'll save money!

GAINES costs less to feed than any other type
of dog food. It's all food. Some other types
contain 70% moisture. Why pay for water?
Buy nourishment! Buy GAINES! A 5 lb. bag
makes from 10 to 12 lbs. of ready-to-eat food.Easy to feed — Just add water (soup, milk
or gravy). For variety — try GAINES KRUN-
CHON, which is GAINES Meal compressed
into crunchy bite-size pellets.
