Russians Said Arming Border

MOSCOW (CP)—Observers are as much in the dark as ever today about the results of the latest talks between western power envoys and Foreign Minister V. M. Molotov although in informed western quarters it was said that Molotov had delivered an "extremely important" communication to Premier Joseph Stalin and that another meeting was to be held with Stalin for a "final" decision on matters in dispute. Western envoys had another meeting among themselves today.

REMAINED ON THEFT CHARGE

Gilbert Robinson, a native, appeared in police court Monday on a charge of theft. He is alleged to have taken \$900 from the room of another native, Alex Stephens, in a downtown hotel. Robinson was remanded without plea until Wednesday.

EDMONTON — Alberta's general election today holds the answer to the Social Credit government's bid for a fourth term in office.

The voters total 450,000. There are 173 candidates for fifty-seven seats.

Social Credit has candidates in every constituency, the C.C.F. in fifty-one, Liberals in 49 and Independents in nine. A sprinkling of independent Social Crediters, Labor - Progressive and others complete the bill.

If Social Credit gets the nod it will be the first Alberta political machine to obtain a fourth term.

Voting was preceded by the "tamest" campaign in history.

SPY DRAMA SUSPENDED

Un-American Activities Committee Rises—Administration Charged

WASHINGTON D. C. — The United States spy drama went into a three-week intermission today as the un-American activities committee admitted failure in its hunt to find perjured witnesses.

Meanwhile Senator Homer Ferguson, Republican - Michigan, struck out anew at the government's loyalty program, saying that several persons suspected of spy activities stayed in "sensitive" jobs "either through influence or neglect." Thomas charged President Truman with failing to reveal a spy ring in which arrests should have been made long ago.

Gov't To Get Test

Anti-Inflation Program in Embarrassing Position

LONDON — The government's plan to counter inflation by freezing wages and profits will meet a severe test in the next few weeks when wage increase claims amounting to \$120,000,000 will be considered.

In spite of government appeals to labor for patience, claims on behalf of 4,500,000 workers, more than one quarter of the working population, have been put forward by their unions.

GREAT NORTHERN TRAIN DERAILED

RUGBY, North Dakota — Some thirty-six persons were injured when ten cars of a Great Northern Railroad's westbound Oriental Limited left the tracks last night near here. Only two were critically hurt.

Babe Ruth Succumbs

Greatest Baseball Player Dies of Cancer

NEW YORK — Babe Ruth, one of baseball's immortals, died last night. The once mighty Yankee slugger's death, his physician said, had been caused by cancer.

The long-time Home Run King died less than two hours after the Memorial Hospital, centre for cancer and allied diseases, reported him "sinking rapidly." Last rites of the Roman Catholic Church were administered thirty minutes before his death.

The priest, who administered the rites, said Ruth had been prepared for death since July 21.

The great baseball player, whose full name was George Herman Ruth, had been ill for nearly two years. He was placed on the hospital's critical list last Wednesday when pulmonary complications, arising from a cold, set in.

A left-hander, Ruth started his 22-year Major League career with the Boston Red Sox in 1914 as a pitcher and was one of the best of his day. Sold to the New York Yankees in 1920, Ruth was transferred to the outfield and became the greatest slugger the game ever knew. His record of sixty home runs for the Yankees in the 1927 season was never equalled.

Released by the Yankees, Ruth wound up his playing career following a year in a brief two-month stint with the Boston Braves.

BATTLE IN PALESTINE

Jews and Arabs Are Hard at It Again

ANNAM, TransJordan — Palestine Jews and Arabs today fought a big five-hour artillery duel. Official Annam sources charged that the Jews had used tanks and artillery to seize a government house last night in the Red Cross security zone south of Jerusalem. It was also said that Jews, disguised in United Nations uniforms, had attacked nearby irregular positions.

Jewish forces heavily attacked Arab Legion positions at Deir Abu Tor in southern Jerusalem today and were thrown back "with several hundred killed," an official statement said. Reports said that the Jewish attack was supported by tanks, armored cars and automatic weapons.

RETAIL PRICES HOLDING

VANCOUVER—Lifting yesterday of the ban on export of beef and veal to the United States sent Canadian market prices up 2c to 6c a pound Monday but indications were that dollar conscious housewives would not feel the pinch for a day or so.

KODIAK CANNERY FIRE

KODIAK, Alaska—A strong offshore wind today aided fighters in controlling a fire at the Kodiak Fisheries cannery at Port Bailey, 40 miles northwest of Kodiak. A United States Coastguard plane which flew to the scene reported no casualties. The fire broke out last night and the extent of damage is not yet clear. The pier area, where the cannery was located, was said to be in flames but the blaze was put under control. Fuel tanks and barracks were spared, it was indicated.

RATIONING OF BUTTER

Vancouver Wholesalers and Retailers Limit Sales—Hoarding in East

VANCOUVER — Butter rationing has been launched by city wholesalers in an effort to avert what experts fear may be a critical shortage here by December. City retailers are being rationed on a percentage of normal purchases. Customers are being limited to a pound a person. Otherwise stocks would disappear quickly.

A Toronto newspaper said today that "disreputable brokers" were preparing to hoard millions of pounds of butter in order to sell at \$1 on a black market.

The Prices Board at Ottawa said it would welcome any information in regard to butter hoarding.

Possibility of War

CONFERENCES BETWEEN the envoys of the Western Powers and Russian Foreign Minister Molotov continue at the Kremlin but, with a secrecy cloaking the outcome of negotiations reminding of that which surrounded the important parleys of wartime, nothing has yet been divulged to clarify the situation. We had thought weeks ago that the Berlin impasse could not last much longer but still it does. Today it has been suggested that another meeting with Premier Stalin is in the offing which may bring matters to a final decision.

A retreat by either the Russians or the western powers would mean a serious blow to prestige. Although it is admitted that the western allies, their position really being untenable, could be forced out of Berlin or Germany altogether, for that matter, war may not be imminent for Russia can hardly afford to have the atomic bomb used against her cities. Possibly the only thing that could bring about war now would be if Russia viewed it as inevitable and considered the present as the most favorable time. Therefore, war with Russia, while possible, would seem to be still improbable.

V.J. DAY

LAST SATURDAY, AUGUST 14, was the third anniversary of "V-J" Day when Japan surrendered unconditionally to the Allies, official announcement of the surrender touching off victory celebrations throughout the world. "V-J" Day went off almost unremembered this year as far as official observance was concerned. Even press and radio seem to have forgotten it almost altogether.

Probably the reason was that there has been so much disappointment, now that three years have elapsed since the close of the second war to end wars, over the continued elusiveness of real peace. There is, indeed, little enough to boast about in the way of international goodwill and security. In fact the general attitude seems to be that we are again sitting on the brink.

"V-J" Day was almost overlooked because there was so little motive to remember it.

JERUSALEM'S PLIGHT

PRINCE RUPERT will be able to appreciate the plight of Jerusalem, which ancient city, with a population of 100,000, is trying to get along without any piped water at all. Instead, the inhabitants are rationed to a gallon a day for each, and no more, and the weather is hot and dry.

The pipe system has been badly damaged during Arab attacks on Jewish convoys. For several weeks, experimental pumpings have been carried out along the pipe-line route from the coastal region north of Tel Aviv.

BABE RUTH

BABE RUTH rescued baseball when it was tottering in the wind of public disfavor under the impact of the 1919 "Black Sox" scandal and with his mighty bat he went on to change the entire complexion of the national pastime. Baseball, in turn, brought him rich dividends in fame and fortune.

The big, lovable, happy-go-lucky Bambino was more than a star. He was a symbol. Baseball players might come and baseball players might go, but regardless of their achievements, none ever could supplant him in the public mind as the personification of everything that was great and spectacular in the game.

He had an indefinable something called color. Other players might be huge, others some day might even hit more home runs during a season. But the Sultan of Swat had that inborn instinct to make every act and every move exciting.

Wherever he went, crowds surrounded him. He was the idol of the kids, the greatest of all in the hearts of the fans. The "stomach ache" that kept him out of the lineup for about 50 games in 1925 became almost a national calamity.

To Ruth more than any other man went the credit for revolutionizing the game and introducing the modern era of baseball. With the home run, he brought millions of fans through the turn-stiles.

HYDROGRAPHIC VESSEL HERE

The Dominion hydrographic survey vessel William J. Stewart docked here Monday bringing a crew member here for medical treatment, sailing in the evening to continue her survey work off Banks Island. She was tied up at the C. N. R. wharf most of the day. The crew member, Theodore L'Heureux, received treatment to an injured finger at the Prince Rupert General Hospital, and returned to the vessel before she sailed. The William J. Stewart is under the command of Capt. H. W. Miller.

TOURISTS CATCH WHITE WHALES

CHURCHILL — Two white whales were landed Monday afternoon shortly after a special Canadian National Railways train carrying 210 passengers from various parts of Canada and the United States arrived from the south. The first whale, which weighed 1600 lbs, was caught by Miss Suzanne Forterie and Miss Alice Bertschy of Milwaukee after half an hour's hunt. Alice Bertschy got the whale on the second shot. The two ladies came up to Churchill for the express purpose of going white whale hunting and stated this was the greatest thrill of their lives.

The second whale was caught shortly afterwards by George Smith of Bears Pass, Ont., who was accompanied by his wife. The second whale weighed approximately 1400 pounds.

Enroute from The Pas to Churchill a draw was made for lake trout donated by the Flin Flon Board of Trade which weighed 34 pounds. It was won by Miss R. Handler of Chicago.

Mrs. A. Guilmond of Quebec and Mrs. C. Vezina of Ottawa, after a month's visit here with their sister, Mrs. Joseph Garon left by last night's train. They will spend a few days in Edmonton before proceeding to the Peace River country to pay a visit after which they will return East. Mrs. Garon is accompanying them as far as Edmonton.

APPRECIATIVE OF LOCAL GIFT

Mayor Nora Arnold has received appreciative acknowledgment from the mayor of Poole, England, for gift of canned salmon which was sent from here through the Mayor's Fund in connection with the wedding of Princess Elizabeth.

"On behalf of the townspeople of Poole," says the letter "I send you the warmest thanks for the magnificent gift of canned salmon from the citizens of Prince Rupert which is now being distributed among the needy people of the town by the Rotary Club of Poole. We appreciate extremely the friendly spirit exemplified by the gift. If such kindness were more universal how much happier a place this world would be. We of Poole, in common with the people of the rest of the country, are fortified in the knowledge that we can rely on such goodwill and kindness as you have shown. We wish you every success in the future."

Mr. and Mrs. Charles Graham are leaving the city on the Princess Adelaide next Monday night for Courtenay, Vancouver Island, to take up future residence. Mr. Graham recently retired as inspector of mines here and has been succeeded by Fred Hensworth who recently arrived to take up his duties. Mr. and Mrs. Graham have sold their residence on Fifth Avenue West to J. J. Payne. Mr. and Mrs. Hensworth have taken up residence in the house on Market Place which has been occupied by Dr. and Mrs. J. M. Black who are moving to Victoria.

Reminiscences and Reflections

By W.J.

Millions, one reads, labor under the delusion that wealth brings nothing but freedom to enjoy and to spend. Exactly the opposite is the truth, it is asserted. The inference is clear. Yet, is it not little short of astonishing the number of persons who prefer to remain miserable!

Port Day coming up! Hyeu time, you bet. Skookum tum-tum and kio-ho-wya for everybody!

The Olympic Games, in long delayed bright weather, concluded in London last week-end, to meet again four years hence in Finland. Wise indeed would be the seer, who could, anywhere near the mark, foretell what sort of world this will be in 1952. Perhaps by that time the iron curtain has become a bit rusty or Mr. Molotov has mellowed, a little. Age, it is said, sometimes makes a fellow that way.

Another small craft, carrying more refugees than could be safely risked on a voyage over the Atlantic, has arrived in Canada, having found the pressure in Europe too strong. Russian nationals, finding themselves in Britain or the United States, are doing their best to avoid ever returning to the home that obviously is not sweet. Where will it all end? Every day, the Soviet is seen as the world's No. 1 Question Mark.

The townspeople of Prince Rupert is familiar enough to the residents but this cannot be said of the shores and countryside adjacent. Take Sunday, for example. Any number who voyaged to the Salt Lakes were there for the first time. Hundreds who

ISLAY RAMSAY PRETTY BRIDE

United in Marriage to Edward Garner at Ceremony Saturday Night

A wedding of much local interest in view of the popularity of the well known couple who were united took place at 7:30 Saturday evening at the home of Mr. and Mrs. John McLeod, 833 Borden Street, when Miss Islay McLean Ramsay, daughter of Mr. and Mrs. A. C. Ramsay of Cardale, Manitoba, became the bride of Edward Allan Garner, son of the late T. Garner and Mrs. Garner of Nanaimo.

The ceremony took place before a fireplace which was banked profusely with late summer flowers. Rev. A. J. Lawson of First United Church officiated.

The bride was given in marriage by James Campbell and wore a grey suit with brown accessories. The bridesmaid was the bride's twin sister, Miss Sheila Ramsay, who wore a beige suit with brown accessories.

Many friends attended the ceremony which was followed by a reception.

A toast to the bride was proposed by Mr. Campbell and responded to by the groom.

The bride cut a handsome wedding cake. Delicious refreshments were served with the Misses Ruth Ramsay and Helen Balagno in charge.

The bride and groom have left for a honeymoon trip to Manitoba after which they will return to the city to reside.

The bride has been for some time identified with the staff of Gordon & Anderson. The groom is one of the operators of the North Star Bottling Works.

MANY CASES IN POLICE COURT

Magistrate W. D. Vance had one of his busiest days in police court this summer Monday when he handled almost 30 cases resulting from one of the liveliest week-ends experienced by the police here in some time. Since Saturday, the Magistrate has handled 60 cases, the majority of them being liquor cases charged under the Government Liquor Act or the Indian Act. They dealt with drunkenness and supplying and possession of liquor.

Dining "corner":

Make it easy for yourself! Eat right in the kitchen... in front of a cool "herb garden" window. Use a "dining table" that drops down out of the way between meals... And then—most important of all—put down a sparkling bright Gold Seal Congoleum rug! Its smooth surface is easy to clean with the swish of a damp cloth. And durable! Why, its wear-layer of heat-toughened paint and baked enamel is actually equal in thickness to 8 coats of best floor paint applied by hand. But—when you buy your Congoleum rug—look for the familiar Gold Seal. Without it—remember!—it isn't Congoleum. You'll be surprised how much quality you can buy for so little money.

BABE RUTH IN HIS PRIME

SIGNING CONTRACT IN HIS HEYDAY.

LATER DURING PLAYING CAREER.

Sport Shots

The Yankee Stadium, massive baseball plant that his helped to make possible, while he was right-hander for the New York American League team was known as "the House that Ruth Built." The late Babe Ruth also was directly responsible for a tremendous increase in the players' salary scale. He turned baseball from a pitcher's stronghold to a batter's paradise. The ball was changed to put more "rabbit" in it. The squeeze, bunt and steal system gave way to free swinging and big innings. The fans cheered the heavy hitting and particularly the Ruthian long-distance dynamiting.

How well they loved it was evidenced by the financial rewards Ruth received. In 22 seasons he earned \$896,000, plus \$41,445.11 as his share of World Series receipts and around \$1,000,000 from endorsements, barnstorming and the movies. Two seasons—1930 and 1931—paid him \$80,000 a year, \$5,000 more than the President of the United States received.

Through advisers, he invested so well he realized a \$2,500 monthly income by the time he was 45. This despite the fact that he once said he had lost or been defrauded of a quarter of a million.

During his major league career the Babe hit 714 home

TEST CRICKET

LONDON — Australia established a lead of 337 runs on their first inning in test cricket against England Monday, totals being England, all out, 52, Australia all out 389. Morris was the outstanding batsman for Australia scoring 196.

runs in regular season play, including 60 in one season. He had a slugging average of .847 in one season and a lifetime slugging average of .690. His lifetime batting average was .342. "Shucks," he once said, "I could have hit a .600 lifetime average easy. But I would have had to hit singles. The people were paying to see me hit home runs."

Ruth set a record by smashing three home runs in a World Series game, accomplishing that feat twice. He was in 10 World Series—three while with the Boston Red Sox and seven with the Yankees. He batted in more runs than any other player—2,209—and scored more runs himself—2,174—than any except Ty Cobb. He also struck out more times than any other—1,330, and received the most bases on balls, 2,056.

The records he set were not confined to batting. As a pitcher he hurled 29 World Series innings in a row without allowing a run. That string began in 1916, when he pitched 13 innings for the Red Sox in one overtime game with the Brooklyn Dodgers, and was carried

Good Soccer Exhibitions

Probables Defeat Possibles
By 2-0

Sunday evening's football "double bill" drew the largest crowd of the year with two good exhibitions of the game. Probables won from the Possibles 2-0 and the Rest of the League defeated the Old-Timers by 4-3. Brodie was the first goalie to be called on. Yelland blocked a hard drive from Darrow Gomez. Olsen stopped the "Possibles" and a fine clearing kick by Nelson stopped another attack. The Probables were the more dangerous and Veitch cleared well. Charlie Currie stopped Darrow Gomez cleverly and then Yelland stopped Christison. Bill Murray defended well but had to leave the field when he strained a muscle. Morgan's first save was an easy one. Olsen passed neatly to Dunbar who fed Pavlikis with Wilson picking up the relay and being forced into touch with difficulty by Hebb. Morgan nearly misplayed a good cross by Bob Currie. Christison narrowly missed from Gomez and then Wilson gave Brodie a good shot when he crossed from off the byline. Dunbar crossed a hard shot that Brodie turned against the crossbar from whence it struck the upright and then rebounded across the goal where Brodie was very smart to catch it and clear. Finally the Probables shot struck the inside of the upright. Owens and Dave Murray combined but Nelson cleared. Wilson fed Gomez, nicely but the latter's cross went behind. James defended well. Hebb cleared and then Wilson just missed with a grand drive. Bob Currie and Wyatt made headway but Owens shot wildly. Brodie did well to stop a good shot from Pavlikis. Ward centred well and the next feature was a good one-handed save by Brodie from Darrow Gomez.

Morgan was tested first in the second half. Wilson made a clever run but Gomez was blocked. Ferguson stopped Wyatt and from Wilson's good pass, Dunbar shot behind. Nelson and Olsen were sound. Pavlikis shot behind from Darrow's pass and then Darrow shot past from Wilson's pass. Bob Currie robbed Gomez and Pavlikis shot high. Wilson set Christison up but Doug missed badly twice in front of goal. Gomez made a good run but James finally stopped him. Dunbar shot wide again from Wilson's long pass. Dave Murray, Owens and Wyatt made headway but were squeezed out. Dunbar and Pavlikis made a good run and Wilson took the ball right in on goal for Christison to score. Brodie having no chance. Play continued fast from end to end. Owens went close but neither team was able to score and the Probables were winners 2-0.

over to 1918, when next the Red Sox reached the post-season classic. Then he hurled one complete nine-inning scoreless game and seven more white-wash frames in another against the Chicago Cubs.

Ruth had held, in all, 76 major league records—so many that the statisticians gave him an entire section to himself in the record books. Ruth was in the first group of players to be named to Baseball's Hall of Fame at Cooperstown, N. Y., along with Ty Cobb, Hans Wagner, Christy Mathewson and Walter Johnson.

Rest of League Wins Over
Old Timers 4 to 3

The Old-Timers really gave a good exhibition of football Sunday night though they lost by the odd goal to the Rest. Johnnie Murray and Harrison combined cleverly but James cleared. Dickens shot over and then Parkes kicked clear from Parkhouse. Dickens put the "old timers" a goal up from Johnnie Murray's pass. Ralph Smith was fast but shot over. Bob Murray and Owens made headway and Boulter did well to save from Harrison. Hanson headed away to clear a dangerous attack. Ferguson stopped Bob Murray. Johnnie Murray fed Owens nicely and Boulter again had to be good to save. Ward was effective at centre-half and Boulter brought off a great one-handed stop from Harrison. Smith got away but Stuart cleared well. Parkes saved well from Dave Murray and then Boulter caught Bob Murray's hard drive. Hanson completely "tied up" Ralph Smith and referee Woodside stopped the play to get them untangled. Parkes again saved and Ralph shot too high just after. The "old-timers" combined in a beautiful play with forward after forward passing the ball on in a clocklike movement but Dickens failed to score. Dave Murray shot wide but Ralph Smith was at last successful and equalized with a great drive. But the old-timers went ahead when Johnnie Murray beat three men very cleverly and gave Boulter no chance. Parkes cleared from Greer and then Sam Currie fed Ward whose pass sent Dickens ahead and the latter made the score 3-1. Fred Hardy, playing for the Rest, centred well. Parkes saved a high shot and Boulter saved from Owens. Ralph Smith got his second goal. Stuart cleared very competently. Halverson stopped Parkhouse and Parkes saved from Smith. Hansen, Dickens and Johnnie Murray went ahead but Boulter was not to be beaten. Then Parkhouse got the equalizer. Harrison and Johnnie Murray combined well and Harrison went through only to be checked in rather questionable manner when about to shoot. The "old-timers" slowed down a bit and Ralph Smith broke away to score again and put his team in the lead.

Rest of League — Boulter, James, Ferguson, A. Gomez, Greer, Hutchinson, Ward, Parkhouse, Ralph Smith, B. Gomez, Dave Murray, Fred Harvey.

Old-Timers — Leslie Parkes, Grant Stuart, Carlo Hansen, Halverson, Joe Ward, Sam Currie, Dave Owens, Bob Murray, Sonny Dickens, Johnnie Murray, Harrison.

Comments—This was really a good exhibition of clever football. The combination, resource and neat footwork displayed by the Old Timers pleased the fans. Parkes did well in goal when Marchant was unavailable owing to being

LOCAL FAMILIES JOINED IN RITE AT CATHEDRAL

Members of two well known local families were joined in marriage by Rev. Basil S. Prockter at St. Andrew's Cathedral at 8 o'clock Saturday evening when Lorraine Muriel, second daughter of Mr. and Mrs. Fred Thornton, became the bride of Glen Milton Smith, youngest son of Mr. and Mrs. E. P. Smith.

Wearing a gown of white, floor-length satin and lace with floor-length veil of embroidered lace, the bride was given in marriage by her father. Encircling her neck was a string of pearls, a gift of the bridegroom, while in her hand she carried a large bouquet of American beauty roses. Matron-of-honor was Mrs. Doris Cottle, the bride's elder sister. Her gown was of pastel blue net. On her head she wore a wide-brim net hat of matching color. Her elbow-length gloves also were of pale blue.

Bridesmaids were Miss June Thornton and Miss Betty Uzick. The former wore a gown of pale blue net, while Miss Uzick's gown was of pale yellow. Both wore headresses of wreathed flowers and carried colonial bouquets of white carnations and pink gladioli. Groomsman was Ralph P. Smith, elder brother of the bridegroom. George Brodie and William Thornton were ushers. During the signing of the register, Mrs. Ralph P. Smith sang "At Dawning." She was accompanied at the organ by Peter Lien, Cathedral organist.

A reception followed at the Valhalla Hall, where scores of friends paid their respects to the newly married couple. They were received by the bride's mother, wearing a two-piece, floor-length gown of pastel blue crepe with black hat and gloves, and the mother of the bridegroom, whose gown was of white floral silk jersey with small white hat and green accessories.

Toast to the bride was proposed by Ralph Smith, with response by the bridegroom. Dur-

JUNIOR CHAMBER PICNIC ENJOYED

Members of the Prince Rupert Junior Chamber of Commerce, their families and friends numbering almost 30 held a picnic Sunday at Kitson Island, enjoying bright sunshine on the beach off the Skeena River mouth. The group travelled in Charles Currie's boat C.R.C., leaving at 9:30 in the morning and returning at 8:30 in the evening. The picnic was organized by S. G. Furk, president of the Junior Chamber. During the day fastball was played on the beach.

With another capacity list of passengers, mostly round-trip tourists for Alaska, C.P.R. steamer Princess Louise, Capt. P. L. Leslie, was in port from 10:30 yesterday morning to 1 p.m., arriving from Vancouver and sailing for Skagway and other northern points. In all the vessel had 225 passengers. There were no passengers for Prince Rupert but two took passage from here for the north.

Temporary changes have taken place in the masters of two Canadian Pacific coastal liners. Capt. Fred McGraw of the Princess Adelaide has moved over to the Princess Norah, relieving Capt. Graham Hughes who is taking a holiday. Capt. John Campbell, regularly chief officer of the Princess Adelaide, has assumed command of that vessel.

C.P.R. steamer Princess Adelaide, Capt. John Campbell, arrived in port at 9:45 last night from Vancouver and waypoints, sailing at midnight on her return south. The vessel had on board a large list of passengers

many of whom were making the round trip.

On her regular weekly Inside Passage and Alaska cruise, Union steamer Chilcotin, Capt. Harry McLean, arrived in port at 2:30 yesterday afternoon from Vancouver, sailing at 6:30 p.m. for Ketchikan and Portland Canal whence she will be back here late tonight southbound. The Chilcotin had on board a full list of about 100 passengers including Gerald McBean, general manager of Union Steamships Ltd., and Mrs. McBean and son, Ralph. The passengers consisted largely of Americans, including many Californians, but the following British Columbians were also on board: Mrs. Elsie M. Edwards, Miss Florence C. Emblin, Miss Mary M. Gray, Miss Claire Neal, Fred Oxtoby, Mrs. Elizabeth Paterson, Mr. and Mrs. Bertil Peterson, Miss Patricia L. Traying and Miss Eileen Traying of Vancouver, Miss Morva McCreight of Merritt, Miss Dorreen Mackie and Miss Audrey Mackie of Chase River, Mr. and Mrs. Frederick Irving of Northlands and Edward H. MERCHANTS BEAT SAVOY

The city baseball schedule was extended another game Sunday when Merchants tied up the league standings at 10 victories each by defeating Savoy 3-2 in a game that went into ten innings to break a 2-2 tie.

With Savoy and Merchants now in equal position in the league standings with 10 wins and six losses each, the league schedule which would have ended Sunday if Savoy had won will now go into another game to decide which of the two teams will be the league winner. After that, league officials plan a best of three semi-final series between Moose and the loser of tonight's game. The winner of the semi-final series then will meet the league winner in a three-out-of-five series for the playoff championship.

Merchants had George Eluik on the mound for the full 10 innings, while Savoy had Jack Lindsay on the rubber. Eluik struck out 10 batters and allowed five hits while Lindsay struck out 12 and gave up eight hits.

Fans witnessed one of the best games of the season with both teams going the first five innings without scoring. During that time, Merchants marked up three hits while Savoy delivered only one. Ted Arney, Savoy third baseman and lead-off batter, made his team's first hit in the first inning with a single. Savoy failed to hit again until the sixth.

The hotel men took a 2-1 advantage in the sixth inning when Scoop Bury got on base when hit by a pitched ball. He was followed by Morgan who got a single. Both were scored by Alex Bill who singled.

Merchants' first score was made by Bill Lambie who got a base on balls and came in on a fielding error.

out of town, but Leslie was at fault when two goals scored. Hansen and Stuart did yeoman service at back, giving no quarter. Both were clever. Ward did a great job at centrehalf. He was fast with good ball control. Sam Currie was neat and nimble, feeding delightful passes in every way. Halverson, though playing in running shoes, was also sound. The forwards were a delight. Johnnie Murray was fast and varied. Sonny Dickens showed many of his old tricks. Bob Murray did well and tried hard. Harrison and Johnnie Murray were a hard wing to stop. Owens got the ball across when he got the chance.

Boulter put up a great display for the Rest. James and Ferguson played a good sporting game but with their halves found the Old-Timers surprisingly active and resourceful. Greer and Hutchinson were sound. Ralph Smith was fast and dangerous, getting three goals. Ward and Parkhouse played well and Dave Murray and Bill Gomez showed to advantage. Fred Hardy also got into the thick of things.

Sid Woodside refereed with good judgment and unexpectedly gave a display of neat footwork that fooled the Rest on one occasion.

All in all it was a most successful exhibition. A special word of praise is due several of the "Rest of the League" who had already played in the "Probables versus Possibles." They filled in when some players did not turn out, and they are to be highly commended for their sportsmanship.

in the eighth when Cliff Dahl got on base on a fielder's choice and was brought in by a single by Eluik.

The tenth inning saw Dahl score Merchants winning run when he singled and came home on a ground ball hit by Bob Smith.

99 TAXI QUILTS FINAL SERIES

City softball league final play-off series apparently dissolved in a cloud of resentment at fog-swept Gyro Park last night when 99 Taxi, contenders against C.N.R.A. for the Civic Centre Championship trophy, withdrew prior to the third scheduled game without explanation.

The withdrawal occurred after the city fastball commission had ruled that 99 Taxi could not use Art Olsen, a pitcher whom they inherited from the defunct High School team, but who had not played in the required two games in the regular league schedule.

Manager Boyo Gurvich's remark to Neil Ross, secretary of the commission, was a terse "We quit" after the 99 Taxi team had conferred on the bench before the game was begun.

The taxi boys took the first game of the play-offs, then dropped the second to C.N.R.A. after using Olsen despite a C.N.R.A. protest. C.N.R.A. contended that Olsen was not eligible to play for 99 Taxi because he had not played in two league games as required by the commission rules.

The taximen's withdrawal leaves the commission in a bit of a quandary as to the awarding of the trophy and they are meeting this afternoon in an effort to iron the situation out. C.N.R.A. withdrew their protest yesterday and for a while it looked as if the turbulent fastball situation would quieten down. However, the commission's ruling that Olsen is ineligible seems to have upset the 99 Taxi team to a point where they no longer are interested in the play-offs.

Derailment of a freight train near Hinton, east of Jasper, has caused the train, due here from the East at 11:45, to be twelve hours late which will bring it in shortly before noon tomorrow. A fireman is reported to have been slightly injured in the derailment but, otherwise, no one was hurt.

INVESTIGATING NEW THEATRE

Whether or not Prince Rupert will have a second theatre in the near future will depend on Frank U. Gow, B. C. manager for Famous Players Corporation who has been here "looking the situation over." He investigated the likelihood of future growth of the city and other factors which will determine whether or not a company will be justifying another Famous Players theatre on Third Avenue at First Street.
