Price Agreement Is Reached; Salmon Fishing To Start Tomorrow

Settlement of salmon net fishermen over 1949 prices on the Skeena and Bulkley rivers will end at 8 o'clock tomorrow morning following settlement of price differences between the fishermen and the coast cannery operators.

Word received here indicated that negotiations between the two factions were cordial at all times, even though they failed to come to an agreement when the sockeye season was officially opened at midnight, Sunday.

The following prices per pound were agreed on: Sockeye, 18 cents. Coho, 14 cents. Pinks, 6 1/2 cents in Johnstone Straits; 6 1/4 cents in the central and northern area; 6 cents on the Queen Charlotte Islands.

Chums, 5 1/4 cents in the central and northern area; 5 1/2 cents on the Queen Charlotte Islands.

None of those who may happen to vote CCF in the coming general election can plead afterward that they did not know where the Canadian socialist party was heading.

RESponsible for SLAYINGS
SUDBURY, Ont. (CP)—A coroner's jury here has found Clarence Brousseau, 45-year-old factory worker, responsible for the deaths of two policemen, Edward Terrell and Gerald Dault, an onlooker, James Germa, and himself in a fierce gun battle after he went berserk Saturday night following a family quarrel.

VOTE LIBERAL
ON JUNE 27
(Published by the Skeena Federal Campaign Committee)

An independent daily newspaper devoted to the upbuilding of Prince Rupert and all communities comprising northern and central British Columbia (Authorized as Second Class Mail, Post Office Department, Ottawa) Published every afternoon except Sunday by Prince Rupert Daily News Ltd., 3rd Avenue, Prince Rupert, British Columbia. G. A. HUNTER, Managing Editor. H. G. FERRY, Managing Director. MEMBER OF CANADIAN PRESS - AUDIT BUREAU OF CIRCULATIONS CANADIAN DAILY NEWSPAPER ASSOCIATION

Happy Parley Outcome

THE OUTCOME of the Big Four foreign ministers' conference whereby agreement is reached on the general principles of an Austrian peace treaty and it is decided to continue the temporary arrangement on Berlin pending a permanent settlement gives cause for at least guarded satisfaction. Little may have been actually finalized as yet but it certainly is the most encouraging development in relations between the Western Powers and the Soviet Republic which has transpired in many a month of sometimes tense crisis. It is, of course, no time for complacency. At the same time, there is no reason for hopelessness that the obdurate Russians may not see the light and come down to tractable negotiation and reasonable settlement.

Certainly the culmination of the Paris conference is more than was hoped for when it convened to say nothing of some periods in its progress when deadlock seemed imminent.

WILL THERE BE WAR?

WILL THERE BE WAR? Who knows? It is clear that even the highest authorities in the Western world cannot answer that question. The answer, if there be one, is locked in the confines of the Kremlin. Certainly none of the democracies will be guilty of any aggressive act, consequently there will be war if Russia and her satellites pursue the Communist expansion policy beyond the boundaries which we of the West consider to be essential for the preservation of that way of life which we have chosen and are prepared to defend.

How can we prevent war? Only by the honest pursuit of a policy of negotiation without appeasement. We can avoid the possibility of appeasement by backing our policy by the greatest military strength we can muster. The strongest nation or group of nations will not be the victims of aggression by any realistic power, since the resulting war would not pay off in victory. This is a self evident fact apparent to all, even fanatic totalitarianists.

ALUMINUM PROBLEMS

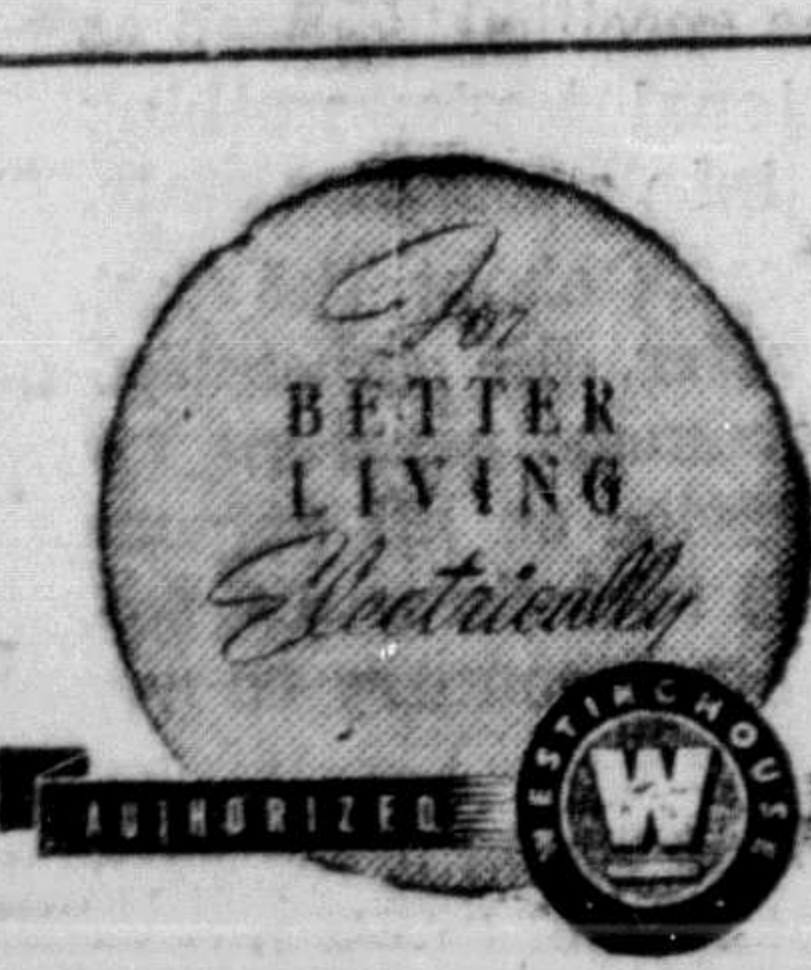

ALUMINUM ENGINEERS have said that POWER is the determining factor in locating new plants such as are proposed for British Columbia or Alaska. It takes as much power to produce a ton of aluminum as the average home uses in a 15-year period. Alcoa has been investigating Alaska for the last four years, meanwhile perfecting new alloys and invading new markets. Aluminum Company of Canada is doing likewise in British Columbia. Alcoa is finding the problems connecting with Skagway to be tremendous. That does not mean that other industries couldn't use the power for different purposes if Alcoa can't satisfy all the interested parties. Aluminum Co. of Canada's problems on this coast appear to be similar but this province appears to have the edge.

LETTERBOX

CAMPAIGNING

Editor, Daily News: It was with much interest that I read the Editorial in your issue of the 20th inst. "Modern Campaigning". It is quite true that remarkable developments have been made in bringing to the public at large, in our immediate area, the use of radio broadcasts versus news advertisements in the Daily News, and in the daily press. Broadcasts, as we all know, are by script delivered to the station from which it is to be broadcasted, some time prior to its delivery. Advertising of campaign political material is also delivered to the press prior to publication. All political parties have free political time on nation wide hookups, and it is in keeping no doubt with the nation's policy of giving to the listening public of Radio an opportunity of listening to the views of all political parties.

The last paragraph of your Editorial would indicate that the public should only read and absorb what the editor should write or, in lieu of that, what political parties should insert in your paper as paid advertising. H. F. GLASSEY.

AIR PASSENGERS

To Vancouver (Today)—Dr. L. W. Kergin, J. T. Beckett, M. Prague, D. C. Orchard, S. Nohr, F. O'Conner, Mr. and Mrs. C. Rosang, A. Leighton, J. M. Cheater.

To Sandspit (Today)—Mrs. G. Branham, Miss D. Branham, F. Branham.

From Vancouver (Monday)—Mr. Bradbury, N. Shannon, D. B. Dixon, R. E. Benson, I. McQuinn, N. McTavish, C. F. Grant, K. Johnson, J. Kulin, H. Lalonde, N. H. McClary, G. W. Walker.

From Sandspit (Monday)—Staff Sgt. G. A. Johnson (Saturday)

From Vancouver—Mr. Telford, Mr. Stewart, Mr. Foerster, Mr. Suicker, Mr. Smith, Mr. Booth, Mr. and Mrs. Morgan, J. S. Black, D. C. Stevenson, Mr. Grosvenor, Mr. Moran, M. Telford.

From Sandspit (Saturday)—Mr. McEachern, Mr. Pritchard, Mr. Robinson, Mr. Campbell.

J. S. Black returned by air Saturday afternoon from a brief business trip to Vancouver.

MOTHERS EN ROUTE TO VISIT DAUGHTERS IN CANADA AND U.S.—Fifty members of the Canadian and U.S. Brides Parents' association, mothers of girls who married Canadian and U.S. servicemen, left Southampton, Eng., on the first stage of their journey. The trip was organized by the association and arranged for the mother to visit her daughter and son-in-law in Canada or the U.S. for a period of six months. Shown here are a party of the mothers with friends and relations before they sailed.

FINAL BALLOT BOXES SENT IN SKEENA RIDING

Final ballot boxes to outlying polling stations in far-flung Skeena riding are being sent out by Returning Officer Rod MacLeod in preparation for the federal election on June 27.

Largest federal riding in British Columbia, Skeena covers better than one-third of the province and many of its polling stations are situated in isolated points in the far north and in the interior. Its southerly boundary is the fifty-first parallel at the northern tip of Vancouver Island and its northern boundary is that of the province itself. Its eastern boundary is the one hundred and twenty-fifth meridian, about half the width of the northern part of the province.

Within that area will be 131 polling stations, 23 of them in Prince Rupert. Ocean Falls will have five, Smithers and Terrace three each, Burns Lake and Tulsequah two each. Other points will have one.

Five small centres, which in the 1945 election had polling stations, will not have any this time. They are Morgan's Camp on Atli Inlet, Salmon Gold Mines, Sheraton, Billmor and Coal River in the northeasterly portion of the riding. Billmor voters will cast their ballots at Watson Island.

Voting at Prince Rupert will take place in the Civic Centre auditorium where 23 polling stations will be set up. The time will be 9 a.m. to 7 p.m. Pacific Daylight Time.

Because the voting stations will handle the voters according to the part of the city in which they were registered, Returning Officer MacLeod advises that voters check the number of the voters' list which was mailed to them recently.

City polls are numbered 84 to 103 and each list carries its own alphabetical sequence. Three of the larger polling stations—those with more than 350 names, have been split.

"If the voters will refer to the number of their polling division which is on the voters' list they received through the mails, they will know which table to get their ballots," Mr. MacLeod said. "That will avoid confusion at the voting centre and make for more efficiency all round."

Official vote counting day has been set for July 28, a month after the election to allow time

for the ballot boxes to be returned from the remote stations, Mr. MacLeod said. Most difficult station to get a ballot box to is Anaheim Lake in the southeastern part of the riding. It will be sent down coast and taken overland 40 miles by pack horse.

Takla Landing on Takla Lake north of Babine Lake also is a difficult one. The ballot box went on last night's train for Burns Lake. It will be taken to Topley by road, then to the upper end of Babine Lake by boat and finally by Indian pack horse to Takla Landing.

In Prince Rupert, 23 deputy

Returning Officers have been lined up by Mr. MacLeod. They are all women who are selecting their own election clerks. The deputies are: Mrs. H. D. Thain, Mrs. F. N. Good, Mrs. Violet Scherk, Mrs. T. Boulter, Mrs. F. E. Anfield, Mrs. Kathleen Hill, Mrs. C. P. Balagno, Mrs. E. W. Becker, Mrs. Ingrid Wick, Mrs. T. B. Black, Mrs. S. A. Kielback, Mrs. Violet Anderson, Mrs. Basil S. Prockter, Mrs. Mary Kathleen Wright, Mrs. Mary Wilson, Mrs. M. Taylor, Mrs. G. Eagles, Mrs. R. G. Wood, Mrs. Mary Henry, Mrs. Andrew Thompson, Mrs. George Meade, Mrs. Alex Mitchell.

"Wait until the Union hears about this!"

GREAT SUSPENSE DRAMA SHOWING

John Galsworthy's "Escape," said to be one of the greatest suspense dramas of modern times, showing on the screen of the Capitol Theatre in filmization starring Rex Harrison and Peggy Cummins, is the story of a man who plunged into a desperate adventure to fight injustice, and of a girl who gambled all on her love for an escaped convict. The film marks the first times Harrison and Miss Cummins have been paired on the screen.

Many of the manhunt sequences of the film were shot in

the moors surrounding Dartmoor prison, England's Sing Sing, which houses the country's most dangerous thugs, plug uglies and hoodlums.

During the filming of "Escape," a revolt was still smouldering in the prison, and wardens were combing the moors for several escaped convicts. As a result, Rex Harrison and other actor convicts were subjected to an identification check before entering the moors, and after leaving. Whenever Harrison took to the underbrush to avoid the movie police, a number of actual police surrounded him outside camera range to ward off zealous hunters of the real-life escapees.

Sport Shots

Savoys opened the scoring in the second inning of Sunday's baseball game when Nick Pavlikis got on base on balls and came home on a fielder's error which put Gurvich on second where he was left when the side was retired. Commercial's evened the score in the fifth with a single by Letourneau and moved into the lead in the sixth when Windle and Cornwell scored, both off singles. Savoy took one run in the sixth when Lindsay singled and came home off a hit by Pavlikis. The seventh, however, saw Savoy regain the lead when they brought in four runs, all off Letourneau. Bruce Simundson and Arney each singled and were brought home by Lindsay's double. Lindsay came home off a double by Pavlikis and Pavlikis scored off a single by Morgan.

Savoy scored two in the ninth, Arney, who got a base on balls, was scored by a hit by Pavlikis who came in on a single by Gurvich. The game ended 8 to 5 for Savoy.

Pavlikis ran up a 1000 record by marking up four hits off four official times at bat.

Windle scored two runs off two

WORLD SERIES FILMS ENJOYED

Not only were baseball fans young and old given an actionful pictorial treat but a goodly sum was netted for Boy Scout work with a showing of World Series baseball pictures Friday afternoon and evening in the Civic Centre auditorium. Four hundred and fifty persons attended the two shows and collections resulted in generous response.

F. E. Anfield, chairman of the Prince Rupert Boy Scout Association, was in the chair and introduced to the audience four Prince Rupert Boy Scouts who will go to the Dominion Jamboree in Ottawa this summer.

Joe Goscoe, Armine Boas and Fred Conrad assisted with putting on the show and Scouts in uniform acted as ushers.

EXECUTIVE OF SOCCER MEETS

At a meeting of the executive of the Prince Rupert Football Association last evening in the Civic Centre plans were discussed to the final of the Dominion Day football cup.

In this competition the Canadian Legion will play the General Motors team. The Canadian Legion gained their place in the final by defeating the Heavy Battery while the General Motors had the luck to draw and get a bye into the final round. The game is set for Dominion Day between the two games of the baseball double-header.

Dissatisfaction was expressed at the failure of the Parks Board to reply to a request in the early part of May for the allotment of the Acropolis Grounds for dates for football games. The request will be renewed asking that the footballers be allotted Monday, Wednesday and Friday evenings. At present the baseballers have the grounds on Sundays, Tuesdays and Thursdays.

Postponed games in the North Star, City League competition were set as follows:

June 29—Heavy Battery vs. General Motors.
July 6—General Motors vs. Canadian Legion.
July 13—Canadian Legion vs. Heavy Battery.

This Friday's game will be in the North Star-City League between General Motors and Canadian Legion.

Present at the meeting were J. S. Wilson, presiding, S. P. Woodside, R. P. Smith, Glen Olson, Jack Eby and Percy Bond.

FASTBALL TEAM TO METLAKATLA

Plans are being made to take an all-star fastball team to Metlakatla for the Independence Day celebration on July 4. Details of the junket have not yet been worked out. It is likely that the team will travel by boat, but this has not been definitely settled yet.

RAIN POSTPONES FOOTBALL GAME

Last evening's football scheduled between the Heavy Battery and the Canadian Legion in the City League, was called off on account of rain.

More Old Age Pensions

Federal payments have been twice increased since 1945. The new pension basis is now increased to \$40.00 a month, (in B. C. \$50.00 per month in total) providing greater comfort and security for the aged and blind.

In British Columbia, Old Age Pensions of \$100 per month are paid to a married couple of pensionable age. Supplementary income may be added to provide an annual total of \$1320.

In other words, the \$100 pension is equal to 3% of \$40,000 which the earning member of the family would have had to save in his 40 working years at \$1000 per year.

Bethel Set for Spokane

Daughters Had Successful Financial Campaign Those Who Travel

to send a drill team to Spokane which will give colorful publicity to Prince Rupert. Diane Kennedy, chairman of the ways and means committee of the local Job's Daughters, announces that the financial objective has been attained. The drill team will take part in an international competition in August and is confident that it will make a creditable showing. Those who have seen the smart team in

precise action in their plaid uniforms will readily agree. Elsewhere in the Daily News today the Bethel expresses its formal acknowledgement to the many people and the public generally who contributed in various ways to the success of the money-making efforts, particularly the Gypsy Jamboree. The drill team led by Mr. and Mrs. Alex Mitchell, drill instructor and guardian of the

Bethel respectively; Mrs. Robert Gordon, Bethel mother, and George J. Dawes, associate guardian, the drill team will leave on the evening of August 12 aboard the steamer Catala for Vancouver whence they will proceed by chartered bus to Spokane. In Spokane they will be met by the girls of the local Bethel in whose homes they will be billeted. Meeting the party at Spokane

also will be Mrs. James Simpson, and the Misses Jeanne Husoy, Rusty Thain and Dorothy Kergin. The members of the drill team are: Edith Jordan, major; Donna McArthur and Susie Knutsen, platoon leaders; Mary McAfee, Kathleen Smith, Ruth Ketcheson, Mary Addison, Barbara Teng, Joanne Langridge, Melaine Brechin, Inger Peterson, Marion Shenton, Jean Cal-

derwood, Noon Webster, Margaret Strachan, Gerd Lien, Heather Brewer, Carole Moorehouse, Marjorie Tattersal, Mary Strachan, Margot McArthur, Claire Ritchie, Norma McKay, Sheila Bennett, Lorna Donaldson, Diane Kennedy, Ethel Moorehouse, Alice Nickerson, Olive Strand, Rena Ingram, Agnes Smith, Margaret Murray and Peggy Gowan.

HONEYMOON IN WHEELED HOME

Honeymooning in a former Army truck converted into a commodious and well appointed home on wheels are Mr. and Mrs. H. E. Maxwell of Canoga Park, California, who arrived in the city at the week-end. Mr. Maxwell is engaged in commercial moving picture photography and has a contract with the Los Angeles school board to take educational pictures of Alaska and the north. His truck is emblazoned with the sign "Maxwell Enterprises" and drew considerable attention in the city streets yesterday.

Last year Mr. Maxwell drove north over the Alaska Highway and came out over the Haines Cut-off, proceeding from there to Vancouver on the Princess Louise. It was at Haines on that trip that he met a school teacher, Martha Shelton, who is now his wife. They were married in California just before May 16 when they started out on their long trip.

Mrs. Maxwell sailed on the Princess Kathleen Friday for Haines for a visit and Mr. Maxwell will proceed north later with the vehicle. They will drive north over the Haines Cut-off and return to the United States over the Alaska Highway.

Commenting on local road conditions, Mr. Maxwell described them as "rough" compared with the American roads but they had no difficulty. The trip was a leisurely one with frequent stops and side trips along the way. One of the most interesting of the side trips was from Lytton into Dog Creek where trees had to be cut and road virtually built to get in, four wolves and a bear being encountered.

Mr. Maxwell at first followed photography as a hobby and later turned it into a profession which is not only highly interesting but profitable as well.

Mrs. Smith, Mrs. Edgar, Dorothy and Dick, Harold Pierce, Clara Pierce, Mrs. C. Carlsen, Mrs. C. Cassidy, Margaret Gibson, Venette Marshall, Joyce McDonald, Mary Calder, Mrs. Ytreberg, Mrs. Van Pykstra, Mrs. Erickson, Mrs. Terry.

ARE WEDDED IN CITADEL

Miss Constance Paterson Becomes Bride of Roderick Crumb

The Salvation Army Citadel, attractively decorated, was the scene of a pretty wedding Thursday evening, when Miss Constance Lillian Paterson, daughter of Mr. and Mrs. H. L. Paterson of Prince Rupert was united in marriage to Roderick Edward Crumb, son of Mr. and Mrs. Fred Crumb of St. John, New Brunswick. Major C. W. Warrender conducted the interesting ceremony in the presence of many friends and relatives of the bride.

The lovely bride, in her floor length jersey gown styled with lace and sequins, carried a bouquet of pink roses and carnations and entered the church on the arm of her father.

Miss Lillian Russell, formerly of Prince Rupert, now of Chilliwack, attended as bridesmaid. She wore a lovely blue crepe gown and carried a bouquet of pink carnations and sweet peas. Einar Carlson was the groomsmen.

Miss Esther Meier presided at the piano for the wedding music. Mrs. Ytreberg rendered the selection "Because" during the signing of the registrar.

At the home of Mr. and Mrs. Waksdale, 1822 Hays Cove Ave. friends gathered to congratulate the bride and groom and extend their best wishes. Congratulations were also extended to Mrs. Patterson, the mother of the bride, and to Mrs. Terry who acted in the absence of the groom's mother. Major Warrender was master of ceremonies.

A delicious lunch was enjoyed by all present. The lovely three tiered cake was then cut by the bride and groom.

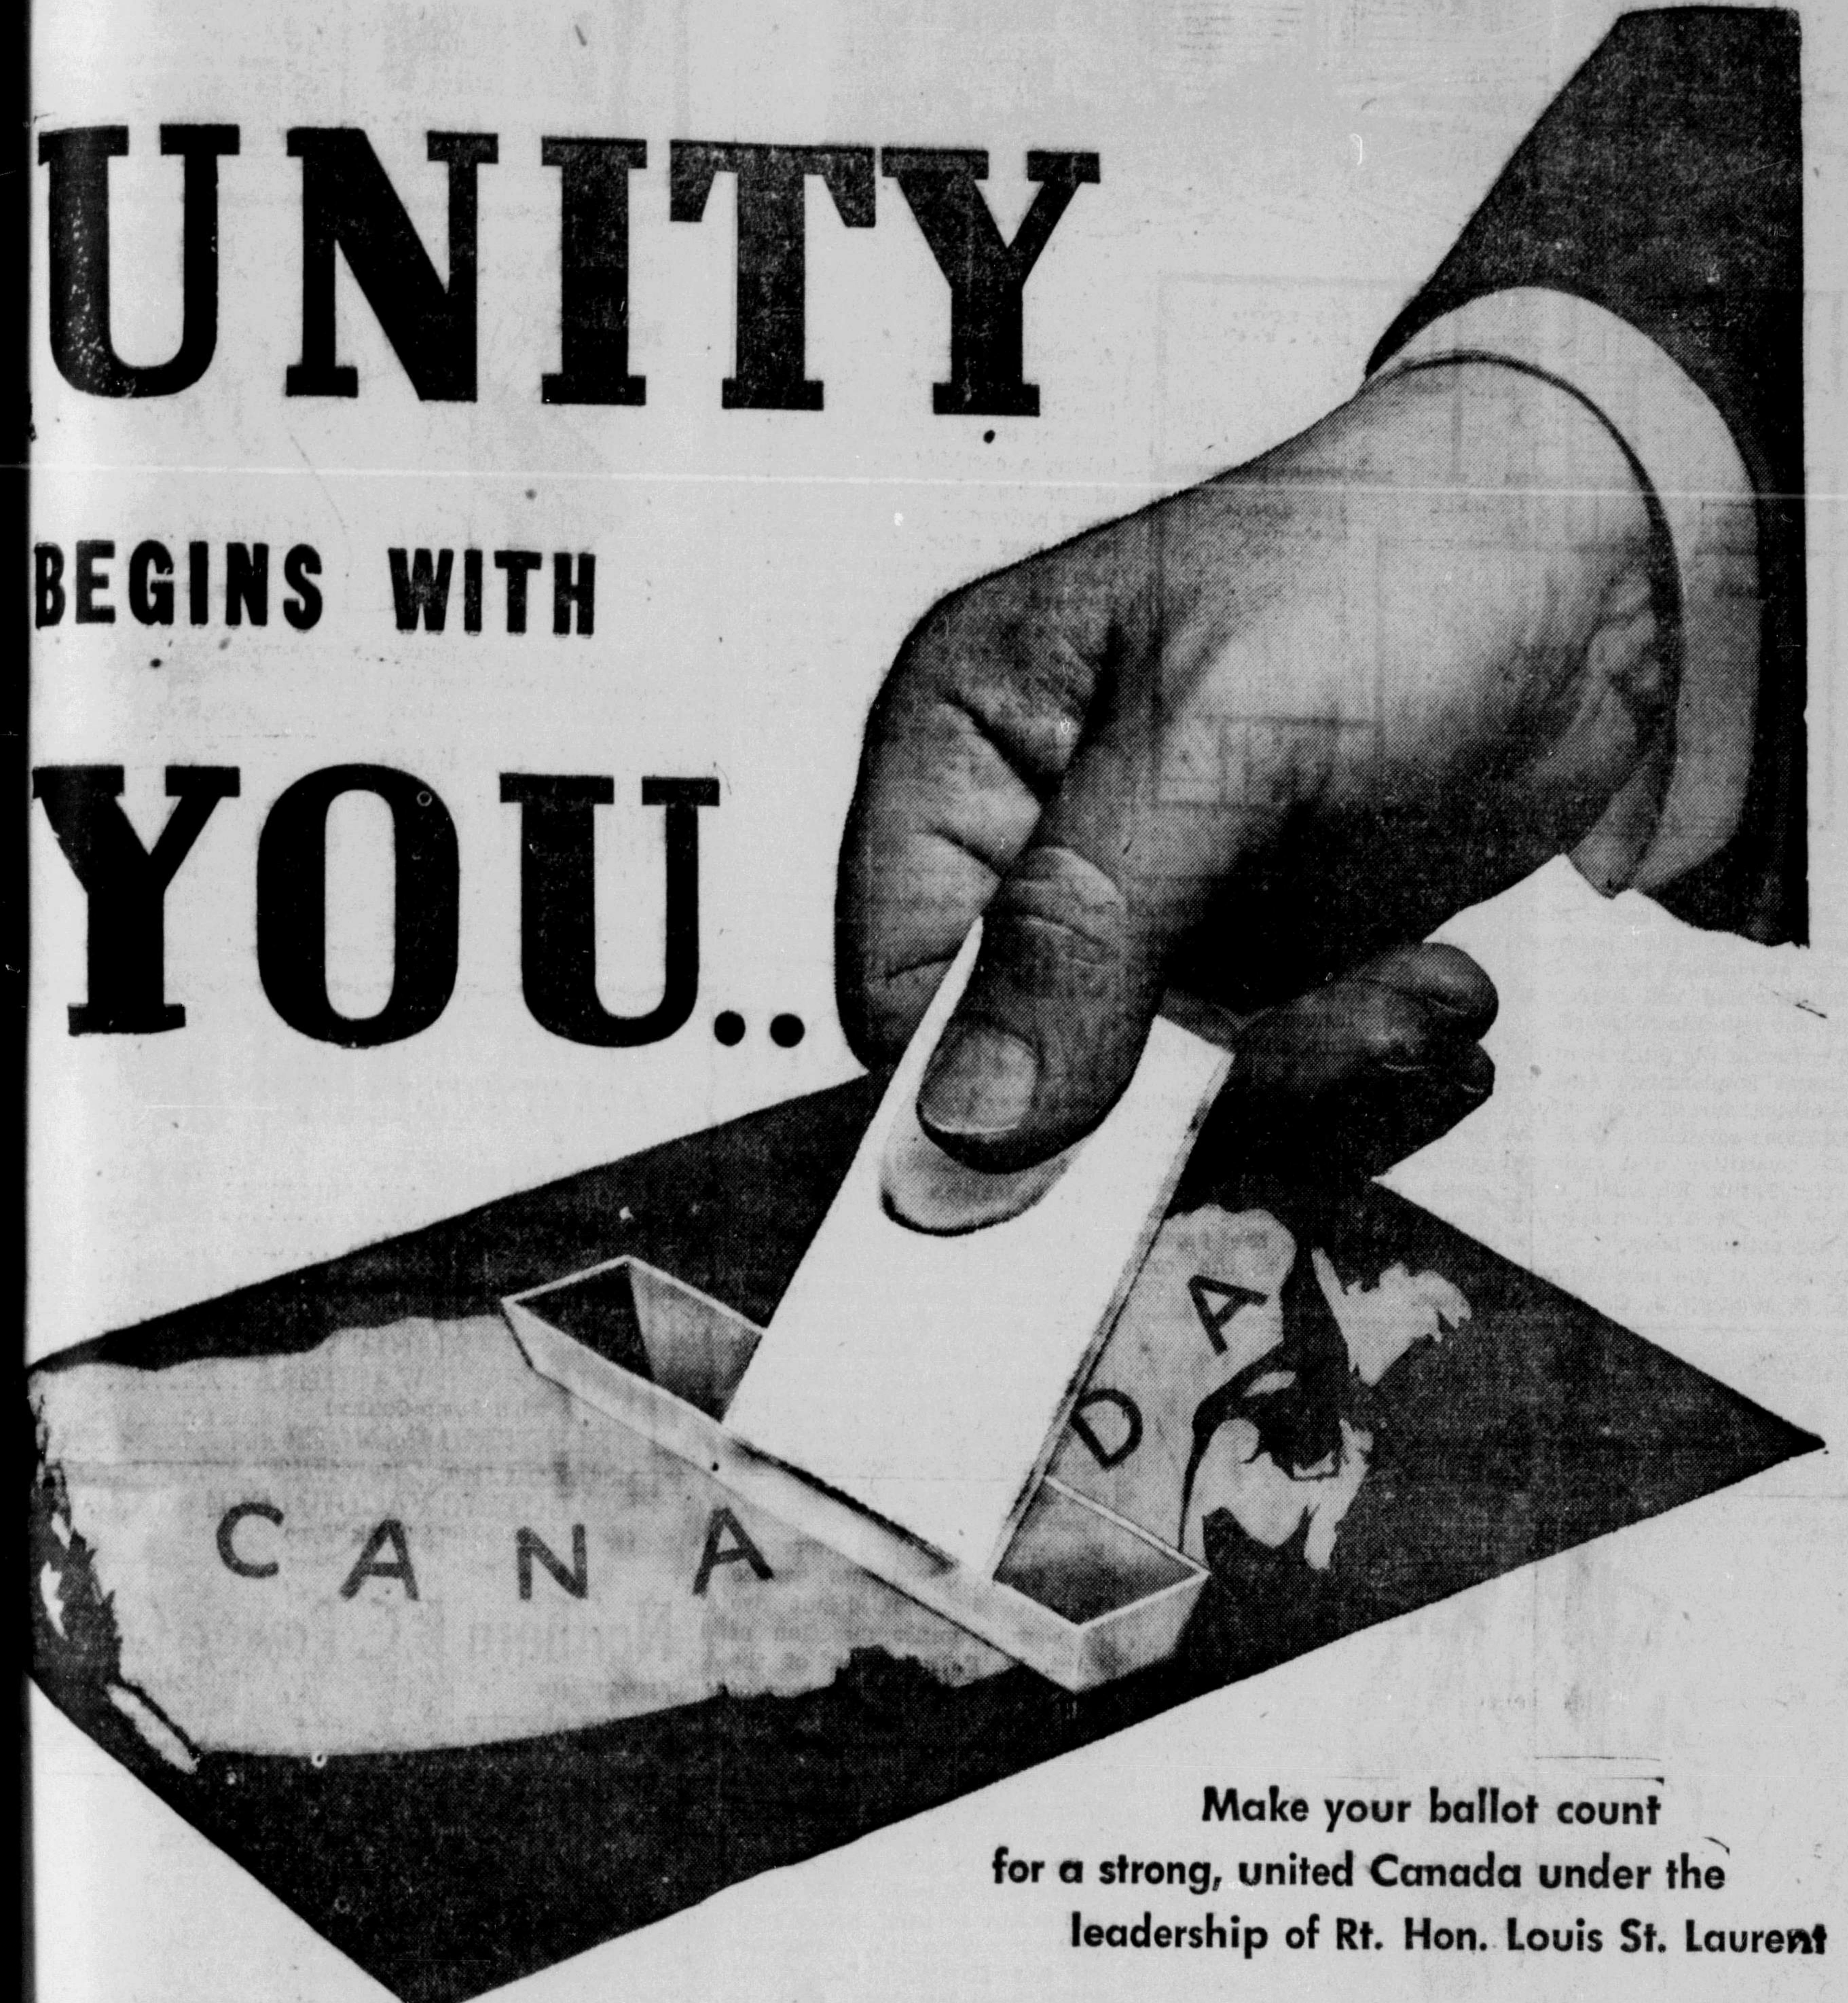

On behalf of the Prince Rupert Army Corps, Major Yurgensen expressed words of congratulations to the newlyweds and also voiced appreciation to the bride for her friendship and helpfulness during previous years among their group. Mr. Patterson, on behalf of his wife and the bride, expressed his deep appreciation to all. The groom responded.

The couple sailed on the Prince Rupert Thursday night. After a short honeymoon, they expect to make their home at the east coast, in St. John, New Brunswick.

Those present at the reception were: Major and Mrs. Warrender, Major and Mrs. Yurgensen, Shirley and Julie, Major Mrs. Chambers and girls from the Home; Mr. and Mrs. Waksdale, Mr. and Mrs. Wilkie, Mr. and Mrs. Sparks and Jeanette, Mrs. A. Hamilton, Mrs. Fred Antrobus, Ruth Shattuck, Esther Meier, Mrs. Garten, Mrs. Perry, Mrs. Penner, Mrs. McDonald,

UNITY

BEGINS WITH YOU.

Make your ballot count for a strong, united Canada under the leadership of Rt. Hon. Louis St. Laurent

VOTE FOR GREATER SECURITY for you and your family

- INDIVIDUAL SECURITY** — Employment, trade, income are all at new high levels. Taxes have been reduced. New factories, new developments of oil, mineral and other natural resources are creating more wealth, more jobs.
- SOCIAL SECURITY** — The Liberals have put through all these social benefits: Old Age Pensions, Pensions for the Blind, Family Allowances, Hospital and Health Grants, Unemployment Insurance, Floor Prices under farm products. The Liberal aim is nation-wide contributory old age pensions and contributory health insurance.
- NATIONAL SECURITY** — The Atlantic Pact against aggression and war has the complete support of all Liberals. Rt. Hon. Louis St. Laurent was one of its first and strongest advocates. Canada stands united and ready, in cooperation with other democratic nations, to do her part in building peace and security.

Apprenticeship Opportunities

Considerable discussion took place at the regular meeting of the Prince Rupert Local Advisory Employment Committee in connection with the interest shown in the apprenticeship system and the opportunities available for local lads. Recently an official of the apprenticeship branch of the Provincial Department of Labor paid a visit to the city. He met various employers and found quite a number of them willing and eager to take on apprentices. He also visited the High School and spoke to the pupils. The committee felt that not

QUITS USING LAXATIVES

Man now regular as day with famous cereal

Sick of dosing yourself for constipation? Tired of feeling sluggish? Then read this unexcited letter:

"For years, constipation was my bogey and harsh laxatives made things worse. Since eating ALL-BRAN every day I have been regular, more alert in my work as draughtsman. Publish this letter, it may help others." A. Mc. C. Little, 114 Sixth St., Midland, Ontario.

Constipated due to lack of bulk in your diet? You may find natural relief without strong remedies. Try eating an ounce (bowlful) of KELLOGG'S ALL-BRAN daily, drink plenty of water. If you do this every day, you may be regular all your life! ALL-BRAN is a delicious regulating food, either as a crisp cereal or in muffins. If not benefited after using one package, get double your money back as guaranteed on box. Made by Kellogg's, London, Ontario.

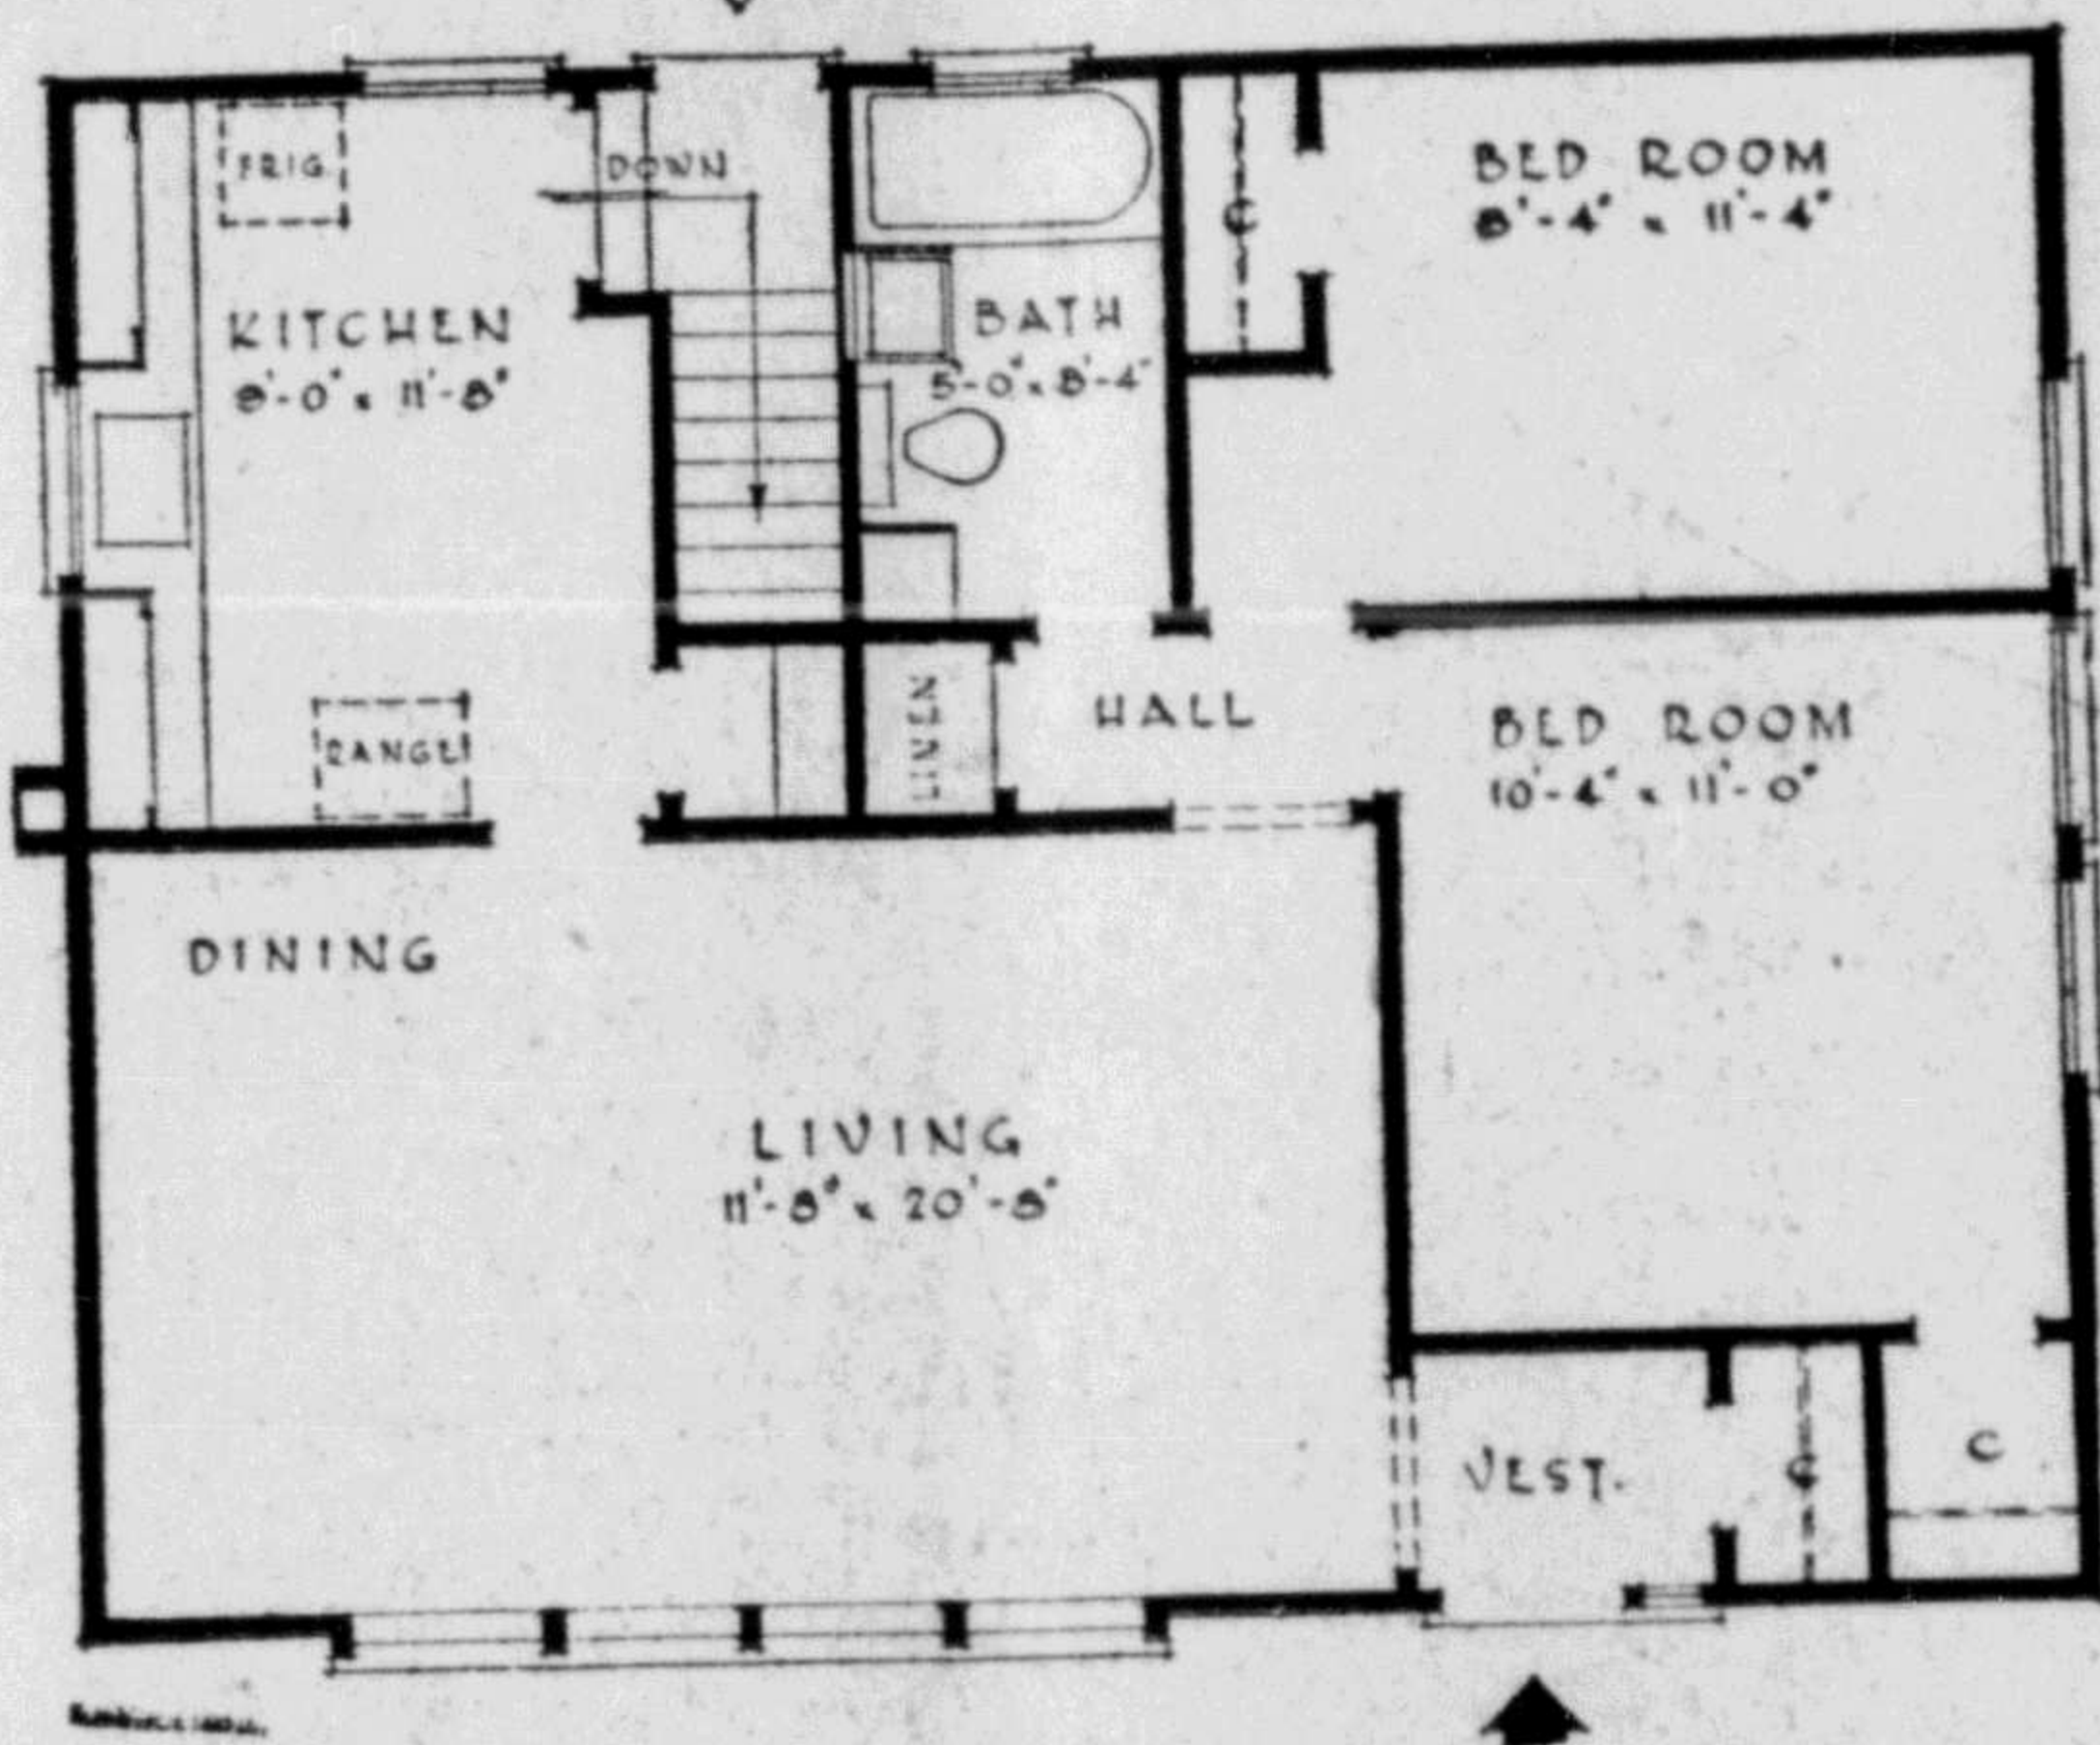

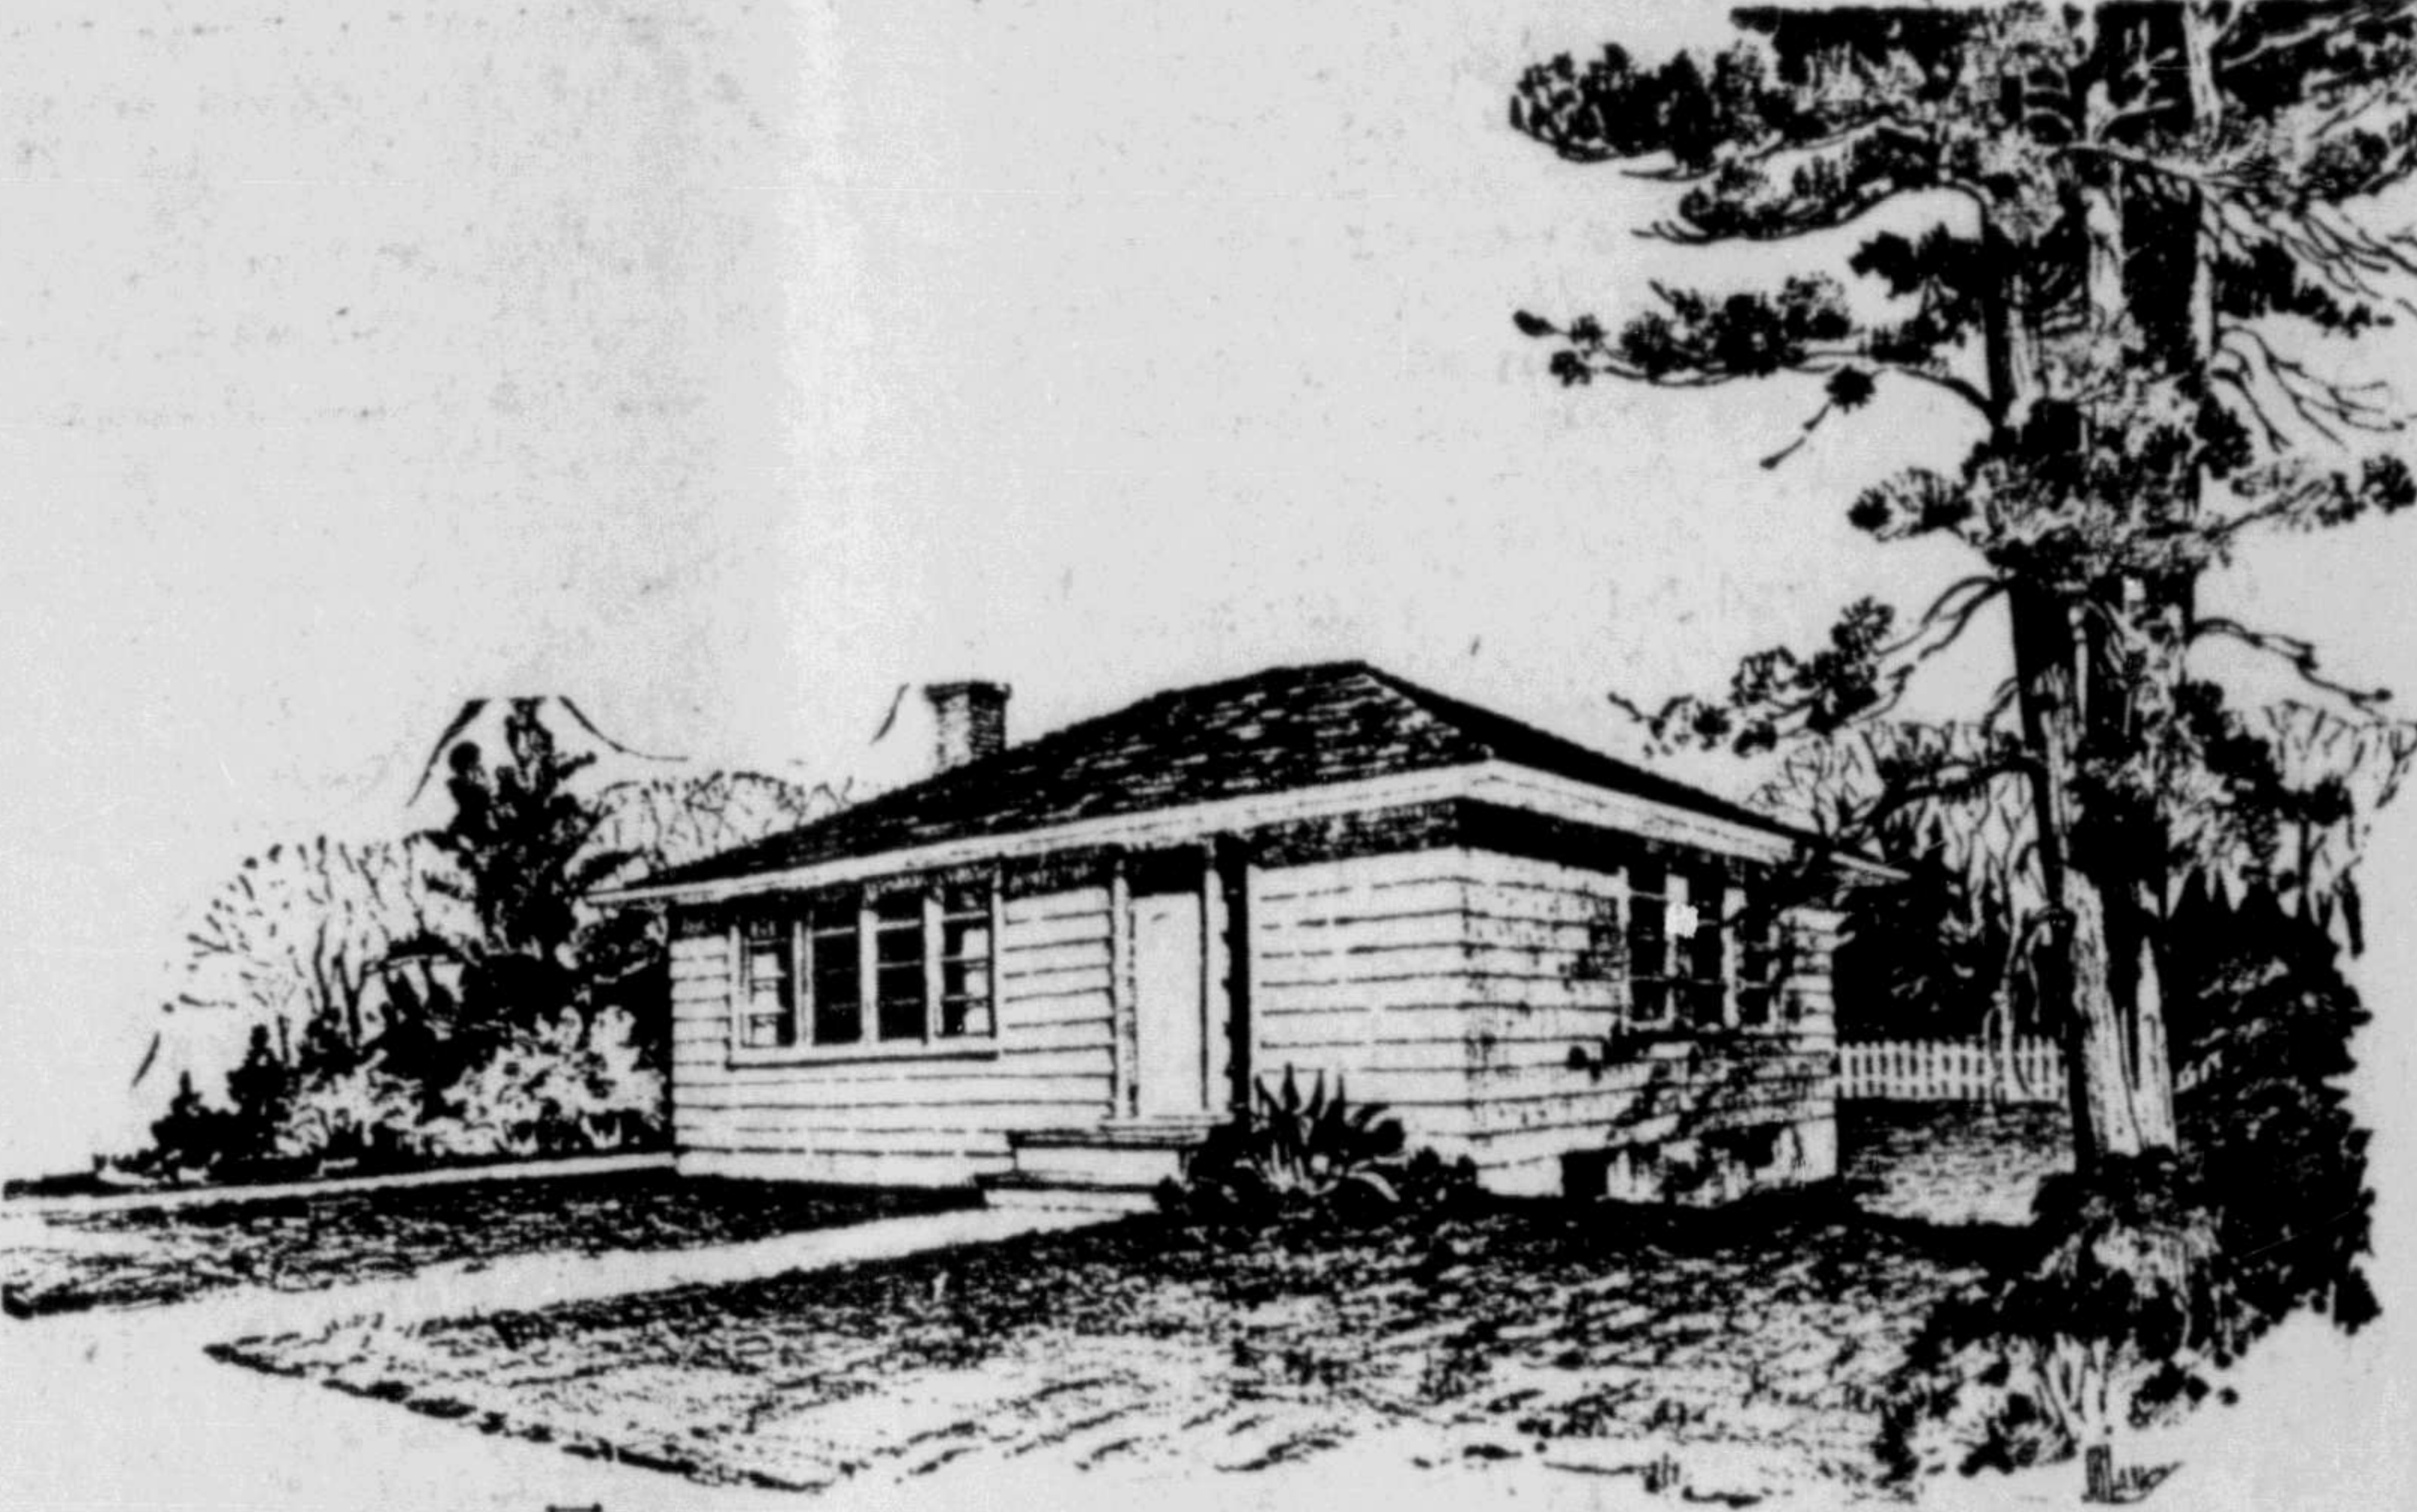

enough publicity had been given to the visit. Advantage might have been taken of the official's visit to have him speak to various organizations and service clubs in the city. The committee is convinced that the value of the apprenticeship system must be sold to and recognized by youths, their parents and the industries. The time of high wages so easily earned by teen agers during the war industry boom is past. There is also an insistent and increasing demand for skilled workers and tradesmen. These are not available and, as the older craftsmen die off, there are no trained replacements. The apprenticeship system in its modernized form must function if Canada is to become an industrial nation or even maintain its present position as a manufacturing country. The local employment situation was reviewed. Employment is at a very high peak. There is a backlog of construction work that should keep workers employed for the next eighteen months. The need for all seekers of work, as well as all employers, to take advantage of the services of the National Employment Service was stressed. The splendid service rendered by the National Employment through their local offices was often ignored by citizens. When looking for a job the worker should first visit the local office. It was only when there are no local applicants for jobs that outsiders are brought into the community. Gratification was expressed with the splendid interim report given by J. C. Gilker on the progress being made with the preparation of special courses to be given through the High School in connection with processing methods now in use and being contemplated by the fishing industry. The Department

of Education has been much impressed by the suggested course as outlined by the local committee and will implement it in the immediate future. A review of the minutes of the National Employment Advisory Committee showed that several resolutions emanating from the local committee and endorsed by the Pacific Regional Committee had been given approval by the national body. Present at the meeting were Mrs. C. Hunter, J. C. Gilker,

George Anderson, Edgar Woodward, R. P. Smith, and E. Waterman, and E. Victor Whiting, manager, local office Unemployment Insurance Committee. J. S. Wilson, chairman, presided. Also present at the meeting by invitation was W. Stone, Inspector of the Provincial Department of Labor. Mr. Stone's familiarity with labor conditions throughout the province was very helpful to the committee.

SHIPS and WATERFRONT

Keeping Skeena River Clear of Snags—Blue Jay Going to Ketchikan

Although the snagboat Essington is still at the dry dock where a major overhaul job having taken longer than was anticipated and the vessel not being due out before July 5, the work of keeping the Skeena River clear of snags and other obstructions as the fishing season opens is not being neglected. The local service boat F. H. Phippen, Capt. Cecil Morrison, has been pressed into service and has just carried out five days work under direction of Capt. W. F. Robertson of the Essington and with members of the Essington crew on board. Such other snag work as is necessary will be carried out by the Phippen pending the return to service of the Essington.

Tommy Fraser's well known power boat Blue Jay is to make Ketchikan its new home port. Following Tommy's departure for New Hazelton, the smart little vessel has been sold to Terry Myser, who was located here with the United States Army during the war and now makes his home at the First City. The Blue Jay will be shipped north at an early date. Carrying 117 passengers, 62 of them round-trip tourists, C.P.R. steamer Princess Norah, Capt. P. L. Leslie, docked here at 11 o'clock Monday morning from Vancouver bound for the Alaska ports. Six passengers disembarked here—R. F. Clark, Mrs. F. Sherritt, Mrs. P. Smith, Mrs. B. Jonasson, F. Lind and E. Olsen.

Tonight's train, due from the East at 11:30 daylight time, is reported to be on time.

CANADA DEPARTMENT OF AGRICULTURE Prairie Farm Rehabilitation Act TENDERS

Sealed tenders will be received by the undersigned until 2:00 p.m. Regina Time, Monday July 11, 1949, for the construction of drainage canals together with appurtenant structures necessary for a diversion of Bear Creek into Rose Valley. The work extends from lot 2177 to lot 2180 of the Osoyoos Land District of British Columbia and about five miles of Kelowna.

Plans, specifications and form of contract are on view at the offices of the P. F. R. A. Offices:

1. Clearing	46 acres
2. Stripping	1,500 square feet
3. Backfill	300 cu. yd.
4. Hand Excavation	12,700 cu. yd.
5. Common Excavation	4,000 cu. yd.
6. Canal Excavation	500 cu. yd.
7. Rock Excavation	358 cu. yd.
8. Timber supplied and erected	8,775 lin. ft.
9. Metal flume, supplied and erected	8,775 lin. ft.

Plans, specifications and form of contract are on view at the offices of the P. F. R. A. Offices:

418 Public Building, Regina, Saskatchewan.	910 McCallum Hill Bldg., Regina, Saskatchewan.
P.F.R.A., Calgary, Alberta.	V.L.A. Building, Victoria Avenue, KAMLOOPS, B.C.
The Airport, LETHBRIDGE, Alberta.	

Instructions to Bidders may be obtained from the undersigned at his office in Regina, Saskatchewan, and from the P. F. R. A. Office in Kamloops, B. C., upon the deposit of Ten Dollars cash or a certified cheque for the amount, payable to the Receiver of the P. F. R. A. Office in Kamloops, B. C., which deposit will be refundable upon the return of the bid and specifications in good order within one month after tenders have been opened. Any tenders which are not prepared strictly in accordance with the "Instructions to Bidders" may be rejected. The lowest or any tender not necessarily accepted.

Dollar harvest...

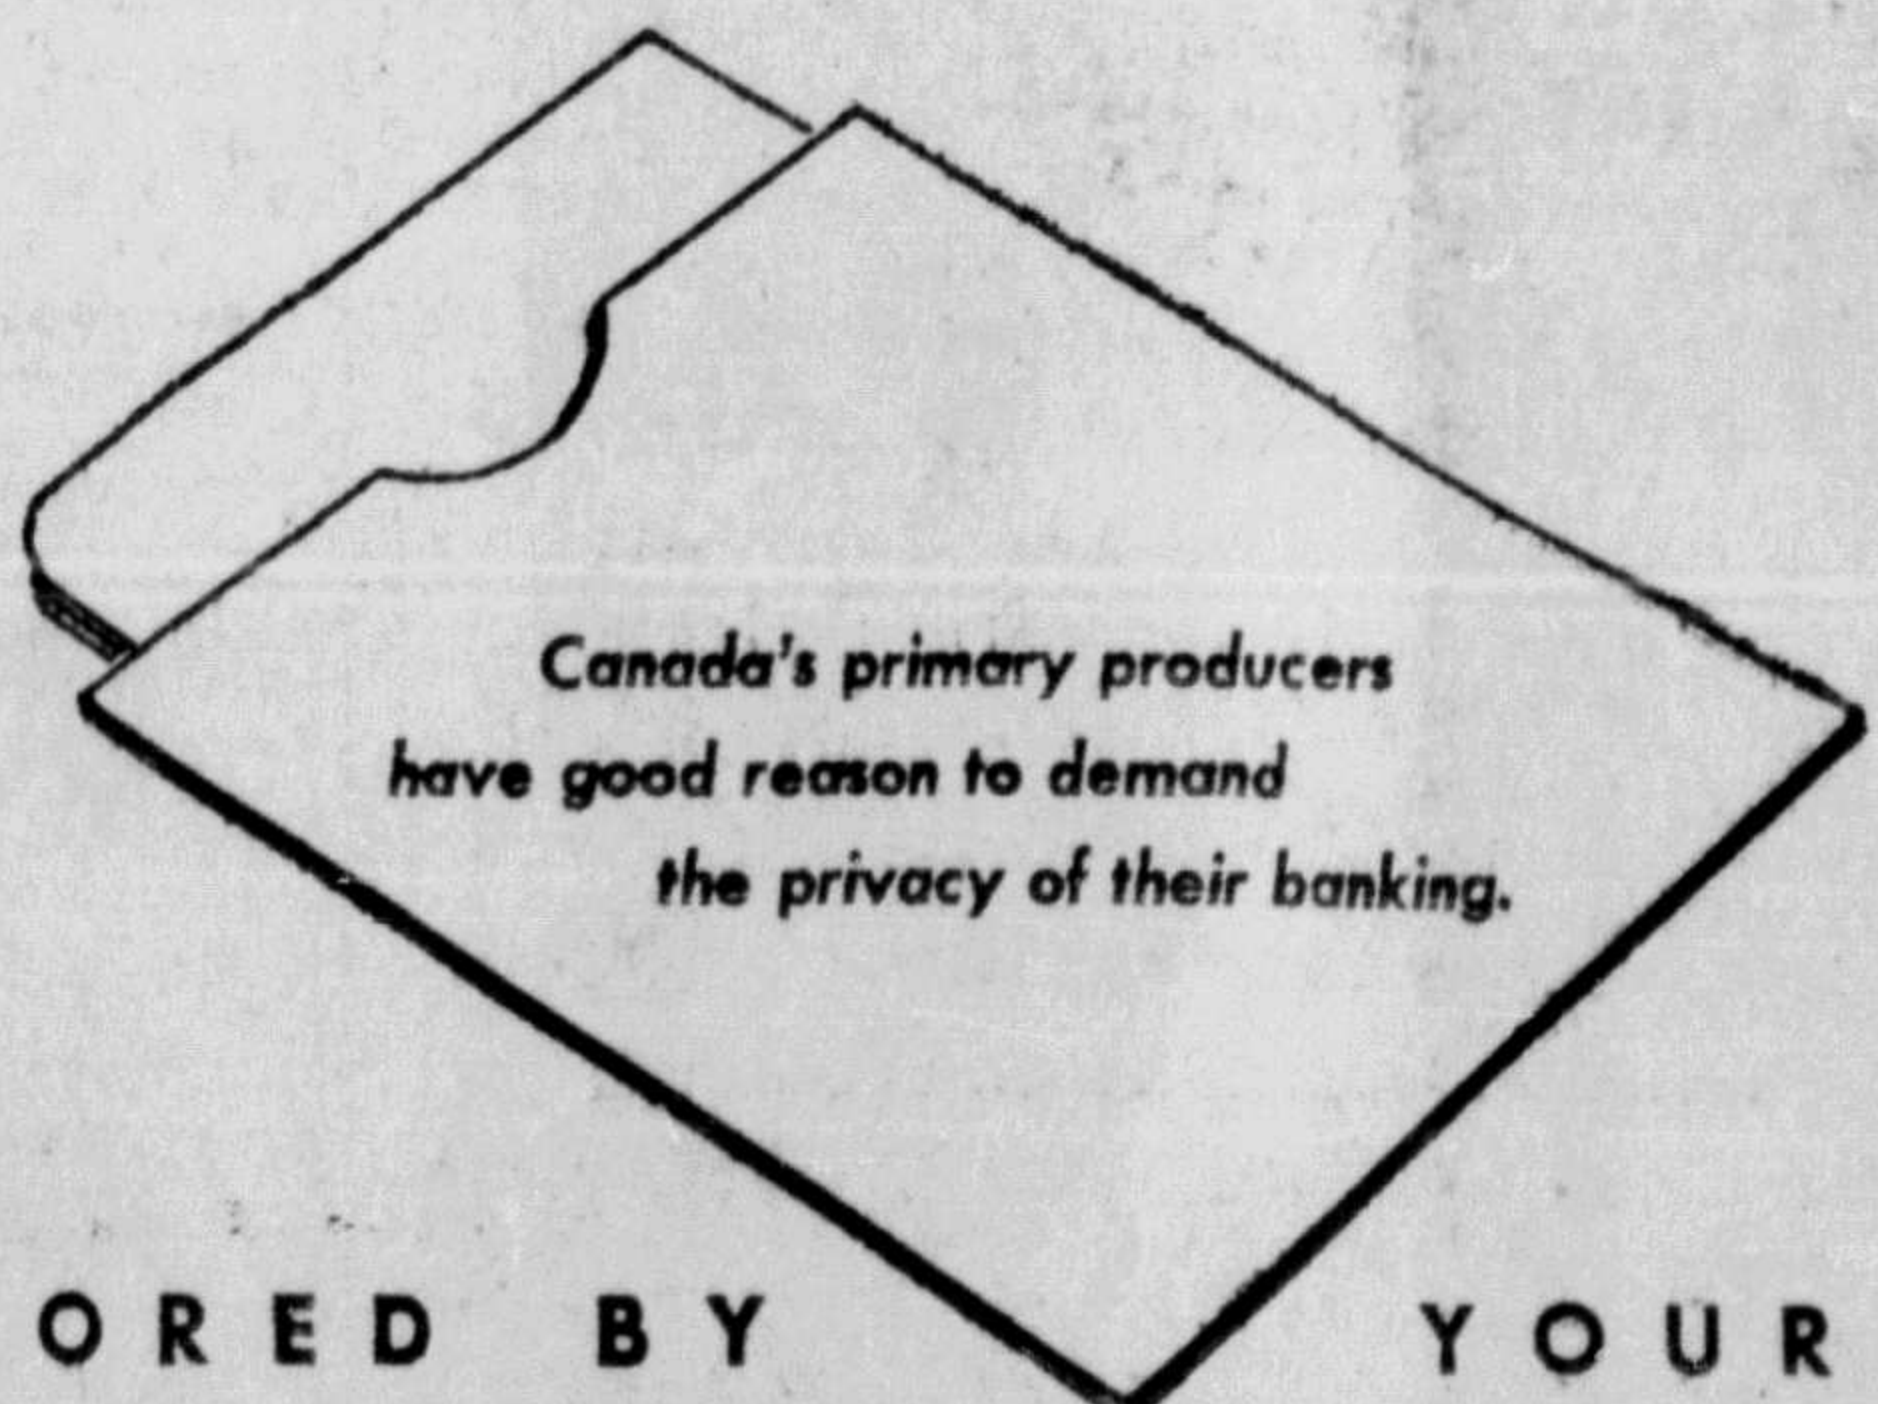

A MAN with ideas often needs more than his own brains and hands to prosper from his enterprise. Often he needs money . . .

Such a man is the "primary producer"—the farmer, fisherman, pulpwood contractor, miner.

When he needs a bank loan to help him put his ideas to work, he is free to shop around among Canada's ten chartered banks for the best deal he can get.

That's why primary producers—like most people—intend to keep banking competitive.

It means a better deal, freedom from red tape, loans made on merit, not on politics . . . and it means respect for privacy in money matters.
