### INTERIM BOOST IS ALLOWED PREMIER JOHNSON ANNOUNCES

VICTORIA (CP)—An interim gasoline price increase of three cents a gallon effective tomorrow was announced by Premier Byron Johnson following a meeting of the cabinet. The increase has been granted on recommendation of the Fuel and Petroleum Commission, pending establishment of an automatic adjustment formula. Heads of oil companies have been meeting in Victoria in connection with setting up of the new rates.

### MEASURES NOT CONSTITUTIONAL

OTTAWA (CP)—Constitutionality of Canada's dollar conservation program was questioned in the House of Commons yesterday by Opposition members. The program would provide for the American dollar to be used for certain purposes. Opposition members also expressed doubt about the program providing for the American dollar to be used for certain purposes.

### PRINCE GEORGE JUDGE PRESIDES AT CASE HERE

Judge Eric D. Woodburn of Prince George is presiding over a civil case in County Court today in which Charles Anders, a carpenter, of Prince Rupert, is seeking payment of money allegedly owed to him from Mrs. Loretta Barnhardt and Diamante Zarelli for carpenter work performed on property belonging to the defendants. The case is being heard by Judge Woodburn because, prior to his elevation to the bench last year, Judge W. O. Fulton had acted as counsel for Mrs. Barnhardt and Zarelli. J. T. Harvey is appearing for the plaintiff and Roderick MacLeod for the defendants.

### FOUR-AND-HALF MILLION DOLLAR CAR BUILDING PLAN, TRANSCONA

WINNIPEG—There was good news for the West in the arrival here Tuesday of E. R. Battley, chief of motive power and car equipment, Canadian National Railways, Montreal. He announced a \$4,500,000 car building program to be completed at Transcona shops here this year. "I am glad to say we have been able to secure the material to build 300 refrigerator cars and 50 express refrigerator cars at Transcona," said Mr. Battley. "We built 300 of these cars there last year and the standard of workmanship was excellent. The 'know-how' we have in our Winnipeg shops is a splendid example of the West's ability to engage in heavy industry."

### DAMAGED U.S. PLANE RELEASED

The Mount McKinley Air Service DC-3 plane which made a forced landing at Sandspit last week was released today after an unauthorized landing. The plane took off with Jack Scavinus, president of Mount McKinley Air Service, at the controls. Scavinus flew to Sandspit this morning by C.P.A. from Seattle. Customs Officer S. P. Woodside, who flew to Sandspit this morning, released the plane which has been held by the Canadian authorities since it was repaired last week-end. When the plane made its forced landing at Sandspit on January 10, its six passengers and two crew men, enroute from Seattle to Anchorage, were picked up by another plane which made an unauthorized landing, unknown to Customs officials. A third plane, which brought in a new engine and two mechanics last week was released yesterday by Customs Officer Oscar Smith, who flew to Sandspit for that purpose.

### THIRTY-THREE DIE IN CRASH

FRESNO, Cal. (AP)—Thirty-three persons are believed to have perished today as a chartered air liner crashed in the diablo section of the Coast Range near here. There were no survivors. Most of the dead were Mexican agricultural workers. The plane carried a crew of four.

### RUSSIA READY TO DEAL NOW

VIENNA (AP)—Russia was reported yesterday to be ready to deal on a peace treaty for Austria. An Austrian government spokesman said hope for a settlement of the country's future, long blocked by the east-west deadlock, now appeared brighter. Russia still wants oil field concessions and payment of \$200,000,000 within two years for all other German assets in Austria now controlled by Austria.

### Oil Embargo And Canada

Would Be Bad Blow For Dominion, Ottawa Agrees

OTTAWA (AP)—It would be a calamity of the first order if the United States applied an embargo on the export of petroleum products to the Dominion, Rt. Hon. C. D. Howe, minister of trade and commerce, said in the House of Commons yesterday. The minister said that Canada produced only eleven percent of its consumption of oil products. He pointed out that the Dominion in January had voluntarily reduced its petroleum imports by fifty percent and was prepared to reduce even more. This, he expected, would be taken into consideration before the embargo was actually applied against Canada. Canada would be knocked groggy if the spigot was closed on her imports of United States petroleum products but a high administration official said there was little fear that this would happen. Pointing to the wartime Hyde Park agreement that called for integration of Canada and United States natural resources, the official said, since the creation of the agreement, Canada had been regarded as "another United States state so far as imports of their materials were concerned."

ARABS THREATEN TO DESTROY "WAILING WALL"—Jerusalem's "wailing wall" sole remaining relic of the temple destroyed in 70 A.D.—symbol of the glory that was once Judea's, has been threatened with destruction by the Arabs. The wall, to which Jews come from all over the world to pray and beseech the dispersal, is shown here. Arabs warned that if Jews carry through plans to blast through Jerusalem's walls to relieve 1,500 isolated compatriots, they, the Arabs, will blast down this wall and scatter it to the four winds.

Disaster In Inland Sea of Japan  
TOKYO (AP)—Allied Military Government officials reported today that 306 Japanese had perished today in the sinking of the 400-ton freighter Joo Maru, which struck a floating mine in the inland sea and went down in 20 minutes with her whistles blowing. The Kyodo news agency earlier placed the death toll at 250 with 50 bodies recovered.

### CITY YOUTH OFF FOR NAVY CRUISE IN TROPICAL WEST INDIES WATERS

How would you like to cruise the tropical waters of the British West Indies for three months? That is the treat ahead for Louis Campagnola, ordinary seaman of the R.C.N.V.R. establishment here, the H.M.C.S. Chatham, who left the city by SS Catala Tuesday for Vancouver, enroute to Esquimalt, Vancouver Island. Seaman Campagnola is one of scores of volunteers from navy establishments in British Columbia to be chosen for training aboard Canada's latest cruiser, H.M.C.S. Ontario.

### FORM PART OF CREW FOR H.M.C.S. CAYUGA

Four fellow-seamen left here a week ago Monday for Halifax to serve aboard H.M.C.S. Cayuga, destroyer, which will be sailing through the Panama Canal to Esquimalt. Members of the R.C.N.V.R. are: Chief Petty Officer Douglas McGillivray, and Able Seaman Howard Lavigne, Peter Petersen and Neil Sheppard. Training courses of this nature are held periodically, and are open to any recruit. All expenses are paid by the Navy, which provides uniforms and places the trainee on regular pay the moment he leaves his home town. At Esquimalt, Seaman Campagnola will report to H.M.C.S. Naden, from where he will be drafted to H.M.C.S. Ontario. Steaming out from Esquimalt Harbor, the cruiser will head for the Canal zones and in all probability will join the British West Indies fleet for winter manoeuvres. Likely points of call during manoeuvres will include historic Jamaica, Panama City, Balboa and Trinidad. For Seaman Campagnola and scores of other British Columbians the training course will be crammed with interest and excitement as the Canadian cruiser sails the old Spanish Main.

### THE WEATHER

**Synopsis**  
Rain is falling over the Northern British Columbia coast today in advance of a storm which is approaching the coast from the southeast. This storm will result in increasing cloudiness and some rain over the southwestern sections of the province. Intermittent snow is reported from the northern interior today where snow flurries are expected tomorrow. Intermittent snow is expected over the southern and central sections of the province on Thursday. Milder weather is in store for most of the southern half of B. C. tonight.

### Sets Punjab Death Toll At 100,000

NEW DELHI (AP)—K. C. Neogy, Indian Minister of Relief, said at the opening of Parliament today that nearly 100,000 Hindus and Sikhs were not accounted for in the west Punjab state of Bahawalpur. "It is presumed that they were victims of forcible conversions, or were killed," he declared.

### Only Option Now Is Continuation of Commission or Return to Responsible Government

ST. JOHN'S, Newfoundland (CP)—Weary members of the National Convention today defeated by a vote of 29 to 16 a motion put on the question of Confederation with Canada before the people of Newfoundland in a referendum. Following the action, the convention, elected to consider and recommend future forms of government for Newfoundland, adjourned until tomorrow to draft recommendations for submission to the British government.

### French Devaluation Might Help Canada

OTTAWA (AP)—Canadian government financial men are inclined to the belief that devaluation of the franc will result in increased trade between France and Canada, permitting a greater flow of French goods, particularly luxury goods, to Canada.

### MARINE MINE CLAIMS 306

Disaster In Inland Sea of Japan  
TOKYO (AP)—Allied Military Government officials reported today that 306 Japanese had perished today in the sinking of the 400-ton freighter Joo Maru, which struck a floating mine in the inland sea and went down in 20 minutes with her whistles blowing. The Kyodo news agency earlier placed the death toll at 250 with 50 bodies recovered.

An official said the Convention's decision meant that the people of Newfoundland will have no opportunity to express their views on Confederation when they go to the polls in May to select a future form of government. The people would be limited to the alternate choices of continued commission government or return to responsible government abandoned in 1934.

### GARBAGE TO BE PROBED

Question of "Missing" Accounts Aired in City Council  
Charges of lack of co-operation between the city treasurer's department and the city engineer's department were aired in city council Monday night after the reading of a letter in which City Treasurer H. M. Foote demanded an investigation into the facts behind a newspaper story that 1,000 homes had been "lost" from the city garbage collection rolls.

### Queenie Is Slated For Gas Chamber

The shadow of the gas chamber has fallen upon Queenie, the jail-hardened female police dog whose past is spotted with delinquencies which have made her a bane to the peace of mind of City Constable George Redhead. Queenie is in "stir" again. She was picked up this morning by Constable Redhead on Fourth Avenue. Her actions, he said, definitely supported a charge of vagrancy. This time he has hardened his heart to her soft eyes and gentle manners.

### INJURED LOGGER DIES DESPITE MERCY FLIGHT

VANCOUVER (AP)—George Martin, a 41-year-old logger died in hospital here early today after a 200-mile mercy flight during which the plane pilot and a doctor administered plasma in an effort to save his life. Martin suffered fatal injuries in an accident at a camp on Fraser Creek, Gifford Island, in Queen Charlotte Strait. Flying at 3,000 feet, Pilot "Denny" Denroche of British Columbia Airlines, Vancouver, piloted his craft with one hand while he held a bottle of plasma in the other as Dr. W. R. S. Groves, of Vancouver, administered it.

### LITTLER IS DISMISSED

Relieved of Command After Being Found Guilty of Negligence In Naval Disaster  
HALIFAX (AP)—Commander J. C. Littler, D.S.C., of Victoria, was dismissed from command of the destroyer Micmac and severely reprimanded after a naval court-martial Tuesday found him guilty of "negligently or by default hazarding" his ship. The court-martial arose from collision off Halifax Harbor six months ago between the Micmac and the 10,000-ton freighter Yarmouth County and followed a Transport Department inquiry which fixed the blame but attached no criminal negligence for the accident on Commander Littler. Eleven naval ratings were killed in the crash. Littler retains his commission.

Mr. Foote's letter demanded that the investigation be made for the purpose of either exonerating or censuring the staff of his department for inefficiency which he claimed was suggested in a Daily News story on January 15. The newspaper story suggested that the 1,000 homes were "lost" because the list which had been prepared last October showed 1,366 collection points, while the telephone and water list which the city engineer's department obtained this month as the basis of its current survey, contained more than 2,400. "I am told now that the garbage list has more than 1,900 names on it," Mr. Howe declared. "The list that was given to me contained 1,366. I can't understand how there can be a difference of 600 names in a four month period."

"If there were 1,900 names on the collection list last fall, I can't understand why that figure was not given to me," Mr. Howe said. (The difference was at least partially accounted for by subsequent additions to the garbage collection list resulting from Wartime Housing sales). In answering complaint that he had exceeded his authority in giving the information to the press, Mr. Howe said that he had not been aware that he had been talking for publication. However, he would not say that he had not been told by the reporter that the information was to be used for publication. "I may have been told that it was going to be published, but I don't remember it," he said. Mr. Arnold then declared that information coming from city departments should channel in future through the mayor's office.

The matter was deferred until completion of the current garbage investigation.

## Disturbing Japanese

JAPANESE PEOPLE who were evacuated from the coastal areas during the war have become contentedly and prosperously settled in the interior of the province. Now, under a sudden provincial government ruling, ousting them from the lumbering industry in which they have become established, they would be pulled up from the roots again. The logical thing to expect next is that they will be heading back to the coast again as soon as they can re-enter, if they are permitted, the fishing and the farming industries.

Apart possibly from some industrial interests who might feel they could again use the Japanese to good advantage although they have been able to get along without them for some years, there is certainly no general desire to bring the Japanese back to this coast. Why the government could not leave well enough alone and let these people remain where they are is something that a lot of people will wonder. To start chasing them from pillar to post for no apparent reason would appear to be needlessly stirring up a situation which seemed to have been fairly permanently resolved.

Just in case, wouldn't it be advisable for the government to work out a method of printing currency on edible paper?

## HOSPITAL HAS ANNUAL MEETING

Had Healthy Year—Charles Lake Is Chairman

STEWART—The annual meeting of the Stewart General Hospital Association was held in the Court House last Friday. The treasurer's report indicated a very healthy condition although collections, on the whole, were poor.

The entire board was re-elected: Charles Lake chairman, Mrs. G. Nelson, Constable G. Nelson, G. Anderson (treasurer), A. Russwurm (recording secretary), W. R. Tooth, H. Spomer of Hyder, Alaska, C. G. Tran, Government Sub-Agent, is ex-officio a member of the Board.

## STEWART HAS BURNS NIGHT

Canadian Legion Observes Bard's Anniversary

STEWART—For the first time in the history of Stewart, the anniversary of Robert Burns, Scotia's national bard, was observed on Saturday. It was held under the auspices of the Stewart Branch No. 85 of the Canadian Legion and was a very successful affair.

Toasts were proposed to the King, by Vice-President J. Wolstenholm, to the "Toon We Live In" by J. P. Hawkinson, responded to by Mrs. S. L. Young, Commissioner, and "To the Lassies" by W. S. Orr, responded to by Mrs. John McLeod.

"The Immortal Memory" was proposed by John Thompson, who also gave a reading of "Tam-O-Shanter."

George Anderson gave a very amusing and instructive talk on the life of the poet.

J. Bouzek sang "Afton Water"

## Reminiscences By W.J. and Reflections

To hear someone say he's "fallen in love with British Columbia" is by no means uncommon. One can move to the coast and, while the change may not always be of advantage, there is something about this land of the sunset sea that causes you to linger—perhaps indefinitely. This is a province difficult to dislike. Whatever it is—innumerable scenes of sheer beauty and awesome grandeur—a people and climate both kindly, a fruitfulness and a future to be envied—B.C. casts her spell.

The dog, after arriving in Prince Rupert (and it must be admitted arrivals are numerous) is privileged to life, and, within reasonable limits, liberty and the pursuit of happiness, the latter to be performed publicly or otherwise, as preference might suggest. The cat is entitled to the same and, while we're on cats, perhaps it is timely to remark that both Tom and Tabby have their good points. There are cats and cats. Some lead sheltered lives, with favorite nook by the fireside and whose mere presence becomes a permanent headache for every rat within a block. Then there is Thomas himself. While he has been known to suffer outrageous indignities in the shape of a few minutes of rough-and-ready surgery, this never happened without violent protests. No Siree. The best time to meet up with this rollicking blade is

and "Sweet and Low" very acceptably. Robert Cameron was in good form with "Mary of Argyle" and W. S. Orr, with his Lauder numbers, brought down the house.

Music was supplied by Const. G. Nelson, Mrs. L. A. Behnsen, P. Delaney, Sam Kirkpatrick, Walter Hanson and W. S. Orr. Committee consisted of J. P. Garlick, E. Love, J. Bouzek and W. S. Orr.

## Klawock Trappers Have Good Season

JUNEAU—Most of the trappers in the Klawock district have had a good season, despite the fact of there being so many. The grounds were covered with trap lines. In some places they were so close together that the trappers could carry on conversations while they tended their lines. Cold at times has been severe and at certain points snow reached a depth of three feet.

**THIS IS AN  
EMERGENCY**  
...let's treat it  
as such!

CANADA is heavily "in the red" in present trading with the U.S. dollar area. In our total trade with the world we are in a good position but not in that part which is done with the U.S. dollar countries. Other countries with whom we do business cannot pay us in full, either in cash or in goods, for the things they buy from us.

This situation is made more serious than ever before because so many countries, our regular customers, have not recovered from the war. It may be some time yet before they get on their feet sufficiently to help put things right. Meantime, we must find ways and means of balancing our own books and reducing our U.S. dollar deficit.

There are two things we can do at the moment... cut down unnecessary purchases from the U.S. dollar area and increase our production of goods that can be sold to those countries to balance accounts. It's an emergency and should be treated as such.

TO KEEP OUR INDUSTRIES HUMMING... OUR LIVING STANDARD HIGH

WE CAN PAY FOR THESE THINGS IF WE CURTAIL OUR SPENDING ON IMPORTED NON-ESSENTIALS OR TRIMMINGS... AT LEAST FOR AWHILE

## YOU AS A CANADIAN CAN HELP

1. Do not order goods by mail from other countries... do not buy goods to bring home when you travel outside Canada. See also item 2.
2. If you feel some purchase is absolutely essential, see your Collector of Customs and Excise beforehand to learn whether the item is prohibited.
3. Look for alternatives or substitutes for the items which are temporarily prohibited.
4. If certain goods seem to be in short supply, do not overlook the possibility that it is seasonal, or merely a local condition or perhaps brought about by entirely unnecessary buying.
5. Be sure to obtain the Tariff Item Number from your Collector of Customs and Excise before pursuing any inquiry. Quote this number in all correspondence.
6. IF WE TACKLE THIS PROBLEM IN THE SAME SPIRIT OF CO-OPERATION DEMONSTRATED DURING THE WAR YEARS IT CAN BE SOLVED WITH LONG-TERM BENEFIT TO EVERY CANADIAN.

**JEAN BELLS, BRIDE-TO-BE, IS HONORED**

Honoring Miss Jean Bells, whose marriage to James Schuber will take place in the near future, Mrs. Hugh A. MacDonald and Mrs. Kenneth Myers were joint hostesses at a shower given at the MacDonald residence Tuesday evening. There were 25 ladies present.

The bride-to-be was seated in a gaily decorated chair over which hung three toy balloons filled with confetti. A shower of confetti fell upon her when the balloons were punctured by young Jackie MacDonald. Then a number of attractive and useful presents were brought out, in a decorated basket.

During the evening, Mrs. F. E. Neville sang two solos which were appreciated by the guests. Refreshments were then served by the hostesses.

Those present were Mrs. F. E. Neville, Mrs. W. Simonsen, Mrs. S. J. Amstutz, Mrs. H. Johansen, Mrs. T. Hollien, Mrs. L. Marki, Mrs. M. Viereck, Mrs. Chris Berg, Mrs. I. Eidsvik, Mrs. B. Selvig, Mrs. H. Johnson, Mrs. G. Bells, Mrs. M. Rye, Mrs. K. Myers, Mrs. P. A. Bond, Mrs. H. MacDonald, Miss Jean Bells, Miss Bea Rudderham, Miss Dolly Simonsen, Miss Myrna Marshall, Miss Mary Dybhavn, Miss Myrtle Sather.

Mr. and Mrs. B. E. Morgan of Billmor returned on the Prince Rupert this morning from a trip to Vancouver.

**OLD TIMERS AT CALVIN RITES**

Former Alice Arm People Among Those At Veteran Prospectors' Funeral

Old friends from Alice Arm, of which camp deceased was a pioneer prospector and locator of at least one well known mineral property, were among those who gathered yesterday at the Grenville Court chapel of B.C. Undertakers for the final rites of James Calvin who passed away at the end of last week at the Prince Rupert General Hospital. Among them was ninety-year-old Jack O'Hara who came down from Alice Arm yesterday morning and acted as a pallbearer.

The service was conducted by Captain and Mrs. Earl Jarrett of the Salvation Army and the hymns were "Rock of Ages," "Nearer My God to Thee" and "Safe in the Arms of Jesus." Capt. Jarrett discussed the certainty of immortality and that death was not the end of life but only the beginning of real life.

Following the chapel service, interment was made in Fairview Cemetery. The pallbearers were Sheriff M. M. Stephens, Jack O'Hara, J. B. Robertson, Sumner Turbill, David McKenzie and John Sulmak.

Old Hanson arrived in the city this morning from Vancouver on a visit to his business interests here and in the interior.

**LEAD LEAGUE**

Savoy basketball team moved to the top of the Senior League last night by defeating Co-op by an overwhelming score of 61 to 32. They took the lead in the first few minutes of the game and were never in trouble from then on. They outplayed, out-scored and out-hustled the disorganized Co-op entry.

Davis of Savoy's was easily the outstanding player on the floor, getting 22 points for his evening's work. His teammates, the Holkestad brothers, followed with 19 points between them.

Lindsay and Beynon were top men for Co-op with 10 and 7 points respectively.

Co-op seemed lost without their star player, MacPhee, who is out of town at present.

Score at the end of the first quarter was 18 to 6; at the half, 33 to 12, and at the three-quarter mark, 47 to 25.

Referees Comadina and Calderone handed out 47 personals—22 to Co-op and 25 to Savoy.

Switzerland in Dilemma as Result of Contradictory Edicts

ST. MORITZ, Switzerland, (AP)—The International Ice Hockey Association today matched the Amateur Hockey Association of America team against Switzerland to open the Olympic Games at a.m.

I.U.H.F. thus stood pat on its decision to include the A.H.A. group.

The draw includes Canada vs. Sweden, Poland vs. Austria and Czechoslovakia vs. Italy on January 30.

Later the executive committee of the International Olympic Committee notified the Swiss that they must reject both United States teams as contestants in the Olympic Games.

The Swiss had accepted the entry of A.H.A. teams to which the United States Olympic committee was strongly opposed.

## ANNIVERSARY HOME OPENING

To mark the first anniversary of the opening of Kun Kwaan Lodge, the Salvation Army's Native Girl's Home on Tatlow Street, a silver tea and sale of home cooking is being held on Thursday afternoon of this week. Guests will be received by Mrs. J. T. Gillingham and Mrs. Earl Jarrett and Adjutant Mrs. Chambers will preside at the pouring tables. Serviteurs will be Mrs. Patterson, Mrs. Fladseth and Miss Mary Calder. Mrs. C. Carlson will be cashier and in charge in the kitchen will be Mrs. Swanson and Mrs. Wilkie. In charge of the home cooking table will be Mrs. Waksdale and Mrs. Wilson.

This Home has been greatly appreciated by the girls who have resided there throughout the year. Residents at the Home have included girls who are attending high school in the city, transients who have come to the city waiting for boats and trains and others in different circumstances who have been sent by the Indian Department, the city and social welfare.

The matron, Adj. Mrs. Chambers, says 1256 beds have been provided and meals and other comforts generally provided. It is felt that the Home has done a real worth-while work during the year and, as it becomes better known, will prove itself of greater value to the community.

Those who are at present in the Home attending high school are really a happy family and after studies often are found with the matron playing quiet games and otherwise enjoying themselves.

VICTIMS OF BRITISH CURRENCY REGULATIONS — Left without sufficient funds to return home to Kentucky, Mrs. Constance Reardon is shown with her son, Alan, 17 months, at La Guardia Field, New York, after arrival by plane from London. British customs confiscated 22 of her 32 English pounds under the law prohibiting a person from leaving the country with more than £10. The English war bride is enroute to Perryville, Kentucky, where she is awaited by her ex-infantryman husband, Leslie Reardon. She has been visiting her English folks. The airline on which she travelled lent her money to continue her journey.

## PLANS PROGRESS FOR MUSIC AND DRAMA FESTIVAL

A progress report, given to the monthly meeting of the Parent-Teachers' Council last night, showed that preliminary information on the proposed music and drama festival is being rapidly assembled. When the initial organization work is completed, committee meetings will be called and the project out-

lined to the various groups. The Parent-Teachers' Council hopes to have entries from as far east as Prince George and Smithers, from such northern towns as Stewart and Premier, and from Ocean Falls.

The forthcoming annual convention of the Parent-Teachers' convention to be held at Vancouver on March 30, 31 and April 1 and 2 was discussed and Prince Rupert's associations were asked to prepare resolutions and appoint delegates.

The Council will enquire as to the advisability of bringing to the city films suitable for Parent-Teachers' groups. One is entitled "Eye Witness" and the other "Home and School."

C. H. Insulander reported on the Prince Rupert Film Council and J. S. Wilson, delegate to the Civic Centre, reported on the annual meeting of that association. Mr. Wilson said that reports showed a successful year. He stressed the need for full support of the Civic Centre by parents and suggested a larger membership as an answer to many of its problems.

Reports from the different Parent-Teachers' Associations were presented by delegates. These covered the matter of suitable sites for the proposed new school, school support of the Junior Red Cross, Poppy Day, collections for aid to the blind, and support of the Navy League.

The schools should not be made collection agencies, the delegates felt, but neither should the children forget their responsibilities toward less fortunate people.

Total P.-T.A. membership is about 250, according to the delegates' reports. A discussion on study groups resulted in the appointment of
