Great Britain's Election Moves Into Stretch

Consensus Is That Result Will Be Close

Last Minute Manoeuvres Anticipated

Labor Favored by Majority of Observers
LONDON — (CP) — Great Britain's general election moves into the stretch drive today.

Foreign Secretary Ernest Bevin said that his Labor regime was discussing steps with the United States to get economic assistance when the Marshall Plan ends in 1952. Meanwhile, both parties are bracing themselves against last-minute manoeuvres aimed at swaying the crucial on-the-fence voters between now and Thursday. This is regarded as particularly important since all political observers are agreed that the outcome will be close, that neither Labor or Conservatives will get a clear majority and that Liberals and others may have the balance of power. In fact, one popular opinion is that there will be such a situation after the election that either a coalition of some kind will be formed or another election held at an early date.

However, ten of twenty political experts in Britain forecast a Labor victory in Thursday's contest. Six see a Conservative win and four say the race is so close they will not hazard a guess. All foresee a narrow margin for whoever wins. Bookmakers odds still favor Labor.

Door-to-door canvassing and speech-making has been stepped up throughout the country by the candidates seeking 625 Parliamentary seats.

ANTI-COMMUNIST REVOLT
TAPEI, Formosa — The Nationalist defence ministry announced today that 100,000 farmers had revolted in the Tungting Lake region of Hunan Province, killing many Communists. The ministry said the revolt had been marked by excessive requisitioning of rice by Chinese Communists. The revolt occurred in the main rice-growing district of China.

MINERS STAY OUT
NEW YORK — Although the most of the coal miners refused to return to work today in response to John L. Lewis' latest order, a federal judge today extended the stop strike order until March 3 in the hope that a settlement may yet be reached. New York was a dull place last night as "The Great White Way" went black with the strict curfew of all street lighting owing to increasing critical coal shortage.

STEAMER FLAME-SWEET
COPENHAGEN — Flames swept the little Danish steamship Kronprinz Olav in force-covered Kattegat Strait early today, driving 108 passengers into lifeboats for safety. All passengers, travelling from Oslo to Copenhagen aboard the 3,038-ton vessel, were picked up a short time later by the Swedish-American liner Stockholm. Only a few were injured in abandoning ship. While the passengers were ordered off, most of the ship's crew of fifty remained aboard to fight the blaze which several hours later was reported to be under control.

HARBOR MINE BLAST
OSLO — An explanation has now been found for a violent explosion which shook homes and buildings on the inner Oslo fiord several weeks ago. A parachute mine, planted during the war, blew up without warning killing thousands of fish.

FORM ATOMIC COMMITTEE
CANTON — The Australian government will set up an industrial committee to advise on the development of atomic energy generators. The committee will suggest a policy of atomic energy generation for the government.

Search Keeps On— Five Airmen Still Sought

They May Have Landed on Ashdown Rather Than Princess Royal
Search for five members of the crew of the United States Army B-36 which was ditched in the darkness early last Tuesday morning as it took fire while on a flight from Alaska to Texas, turned today to tiny Ashdown Island at the joining of Whale Channel, Squally Channel and Campania Sound off the West Coast of Princess Royal Island after three of the survivors of the crashed bomber had arrived back last night from Fort Worth to help seek their still missing comrades.

Members of the original seventeen-man crew, these three had said that their companions might have landed on Ashdown rather than Princess Royal Island to which the other twelve had safely parachuted.

The Royal Canadian Air Force said that Capt. Harold Barry, pilot; Lt. Paul Gerhart, and Lt. Martin Stephens will remain on the coast to study photos of the area and pinpoint spots where they jumped and where their comrades may have landed. They will tell the order of jump, time interval etc., for computation.

Meanwhile 300 searchers are continuing an inch-by-inch search of Princess Royal Island. A low-flying plane with a loud speaker has been going over assuring any survivors who may be left alive that the search is being continued and not to give up hope.

Sentence Tomorrow

Robert Vogeler, Confessed American Spy, To Learn Fate
BUDAPEST — The Hungarian prosecutor, Gyula Alapi, today asked for "most severe punishment" for the American businessman, Robert A. Vogeler, and six co-defendants on trial for spying and sabotage. But he did not actually ask for the severest penalty—death. Sentence is to be passed tomorrow.

Alapi told the People's Court that Vogeler, 33-year old assistant vice-president of the International Telephone and Telegraph Co., is "a spy who lost and is unrepentant."

Vogeler confessed to the charges and said that the confession was without pressure. He is reported to have said that he was well treated while in custody and in court.

Main Break Drops Water

Break of a main on the waterfront near the dry dock during the week-end caused a six foot loss in the water level in Acropolis Hill reservoir. Before the break the level, gaining at the rate of a foot daily since the recent milder weather, had been up to 11½ feet of the normal 12 feet level. Following the stopping of the break, the gain was resumed again today.

BEST CANADIAN TENNIS PLAYERS

MONTREAL — Henri Rochon of Montreal was named top male player by the Canadian Lawn Tennis Association today. Lorne Main of Vancouver is second. Jim Macken of Montreal third and Walt Stollberg of Vancouver fourth.

INSURANCE FUND FOR PUBLIC WORKS

OTTAWA — Parliamentary action to open Canada's largest treasure board—the six billion Unemployment Insurance Fund—to finance public works is now being considered. Before the fund could be touched, the consent of contributing employers would be required.

Father of Norman Baker Passes Away

Father of Norman Baker, proprietor of the Civic Centre dining room and a visitor in Prince Rupert last year when he made many friends, Percy Jack Baker passed away last night in Salt Lake City. Deceased was born at Stoke-on-Trent, England, in 1889 and is survived by four sons, the oldest being Mr. Baker of this city and three others being resident in the United States.

Read foreman with the Department of Public Works at Pt. Clements, F. Ward arrived in the city from Massel aboard the Chilean Sunday night.

A PHOTOGRAPHER IN THE ROYAL FAMILY—The Marquis of Milford Haven turns photographer to snap his fiancée, Mrs. Romaine Simpson, in the drawing room of the train taking them to Washington, D.C., where they will be married February 4. The Marquis is a cousin of King George VI.

BRITISH COLUMBIA AIRMAN IS KILLED

OTTAWA — Lt. Leslie Fry Peever, age 25, of Lynn Valley, British Columbia, was killed Saturday when a Firefly fighter plane crashed into the Atlantic Ocean during exercises off Charleston on the east coast of South Carolina. He had taken off from the aircraft carrier Magnificent. A companion was saved.

Toronto Is Moving Up

Won From League Leading Detroit Saturday But Lost To Rangers Last Night

NEW YORK — After climbing to within three games of the league leadership by defeating the pace-making Detroit Red Wings in a hard-smashing high-slicing game at the Maple Leaf Gardens in Toronto Saturday night, the Maple Leafs went to New York last night and lost 2 to 1 to the Rangers. It was Toronto's first win over Detroit on Toronto ice this winter.

The Detroit Red Wings had taken a two goal lead in the first half of Saturday night's game with Howe, assisted by Abel, and Black, unassisted, scoring for the Red Wings. In the third the Maple Leafs smothered the Red Wings in a wild attack and scored through Smith, assisted by Meeker; Ezinicki from Gardiner and Watson, and Smith, from Juzda and Kennedy.

Detroit is now leading the league with 66 points with the other teams running as follows: Toronto 60; Montreal, 56; New York, 53; Boston, 47; Chicago, 43. Week-end scores were:
Saturday
Detroit 2, Toronto 3
New York 4, Montreal 2
Sunday
Toronto 1, New York 2
Boston 4, Chicago 4
Montreal is playing at Detroit tonight.

WAS AS GOOD AS LEGAL MARRIAGE

CAMBRIDGE, Eng. — Justice Gordon Stabile summing up a case here in which it appeared that a woman witness was known by the name of a man to whom she was not married, remarked: "The fact that the defendant and the witness have not been married has nothing to do with this case. Their association seems to have stood up as well as, if not better than a good many legal marriages."

Robbery At Burns Lake

A breaking and entering charge was laid Friday against David Leon George, an Indian at Burns Lake, following the theft of \$50 from the Omineca Cafe there. The divisional office of the B.C. Police here was informed that a large cash register containing the sum of money was removed and later discovered outside the cafe. The machine had been opened with an axe. Following the arrest of the native, the sum of \$47.51 was recovered, it is reported.

Burial Held At Cedarvale

Final Rites Here And at Interior Village for Mrs. Edith Thompson

The little cemetery at Cedarvale, in which interior community deceased had for so many years made her home, was the scene of the burial on Saturday afternoon of Mrs. Edith Thompson, who passed away in Prince Rupert last Wednesday. Many friends joined with the family in the last rites. Owing to snow and ice conditions, it was impossible to hold a service in the Cedarvale Church so the obsequies were confined to the graveside. Rev. P. H. Mallett, United Church pastor at Terrace, officiated. The hymn was "Lead Me, O My Saviour, Lead". Old friends of the family acted as pallbearers.

Mr. and Mrs. E. J. Haapala and Mrs. Kenneth Reid went from Prince Rupert to join other members of the family at the funeral. Before the remains were sent to Cedarvale, a service was held here in the Grenville Court Chapel of B. C. Undertakers at which Rev. Canon Basil S. Procter, rector of St. Andrew's Cathedral, officiated with Mrs. J. C. Gilbert accompanying the hymns which were "Nearer My God to Thee" and "Abide With Me."

The following sent beautiful floral tributes:
The Family, Mrs. F. Hicks, Mr. and Mrs. Geo. Christie and father, Mr. and Mrs. V. L. Hanson Mr. and Mrs. E. Paavola, Mr. and Mrs. (Continued page 6)

Native Child Dies Suddenly

A seven month old native daughter of Mr. and Mrs. Chris Johnson of Aiyansh died suddenly at 10 p. m. Friday. Dora Maged suffered cramping snells followed by convulsions shortly before she died although she had not previously been reported sick. M. M. Stephens, coroner, was notified of the child's death by Mrs. S. Kinley, field matron at Aiyansh. Mr. Stephens stated this morning that further information from Mrs. Kinley is being awaited which will decide whether an inquest will be held.

Red Cross Coming Up

THE RED CROSS will shortly be engaged in Prince Rupert, as elsewhere in Canada, in the annual campaign for funds with \$4,000 set as the objective for Prince Rupert. Incidental to the organization of the drive here, the annual meeting of the local branch will soon be held.

The Red Cross should need no special commendation since its good works are so well known, its cause is so well established and Prince Rupert has always been so generous with it, accepting it almost as one of the budgetary musts.

However, a word of commendation at this time might not be amiss—not only in the way of supporting the drive financially when it comes but also in the way of local citizens turning out when the annual meeting is held to participate in the proceedings and possibly become enrolled as active workers in the cause of mercy and assistance.

The work of the Red Cross in wartime is well enough known. Its principal peace time projects are the establishment and assistance of outpost hospitals, of which a shining example is the one at Terrace; the blood donor work, which was illustrated here last year, and the establishment and operation of ex-service men's hostels.

The public also knows of the cases where the Red Cross stepped in during times of disaster emergency to give on the spot aid until the proper authorities could take over.

BOOSTS HAINES FERRY

THE VANCOUVER PROVINCE comes out with a plea for action as well as consideration on the project for the establishment of a ferry service between Prince Rupert and Haines. Such a service, the Province says, would be a big boon to motor tourist traffic as well as an artery of important economic value to the people of the north.

Here is what the Province says editorially:

"Both Canadian and United States governments are giving serious consideration to the establishment of a ferry service between Prince Rupert and Haines, Alaska, according to a statement in Victoria by Col. John Noyes, Alaska's commissioner of roads.

"It is hoped the 'serious consideration' will result in action. Such a service could be a valuable link in the development of the north country, both Canadian and Alaskan. By the way of the Haines Cut-off, cars and trucks from Prince Rupert could easily reach Whitehorse, the Alaska Highway and the road network of Alaska. Traveling south, cars from Alaska and the Yukon could connect, at Prince Rupert, with the entire highway network of the continent.

"There would be a big stimulus to northern motor tourist traffic. Tourists could drive a western route to Alaska and, by using the Alaska Highway, could make a circle of the north. But still more important would be the economic value to all the permanent residents of the north. Canadian produce could speed by truck to Alaska and Alaska's substantial exports could have an alternative route to market. It would provide Alaska with another 'lifeline,' and could be invaluable for defence purposes.

"The whole continent is looking northward these days. Here's an opportunity to take joint action on a practical step toward advancement and development of this great frontier"

Work of AA is Explained

The work of Alcoholics Anonymous is well known and respected throughout the corners of the globe. It is one of the only organizations in a fast paced world which is operated through the heart for the sincere benefit of rehabilitating confirmed alcoholics.

But an alcoholic, before he can be helped, must sincerely want to be helped and from then on, and from AA members and a firm belief in himself, will gradually set the alcoholic on his feet again. These points were expressed Sunday night by members of AA to nearly 100 people in the Civic Centre who were present at an open meeting and showing of two films dealing with alcohol and alcoholics.

The films were not of the "Lost Weekend" variety as might have been expected by the audience but presented educational explanatory stories of the compounds and manufacture of alcohol and effects on the human being.

Following the film, an explanation of AA functions was made by a member from Vancouver. Most of the audience felt that AA followed the policy of temperance or religious organizations. But they were told by members that AA's only concern is the "drunk sick" man who needs a helping hand in the long struggle back to abstinence. These points were agreed with by Capt. W. C. Poulton, Salvation Army, who, with other Army personnel, was on hand to assist in any way the enrolment of more members in the AA, from Prince Rupert.

Alcoholics Anonymous is now active in Prince Rupert. It is expected regular weekly meetings will be held, not open to the general public, but it was announced another open gathering will be staged next Sunday.

The pictures, one a "March of Time" film, were loaned to the Vancouver Centre of AA by the Women's Christian Temperance Union of Vancouver.

Ray Reflects . . . and Reminisces

An imaginary war is in full swing up north and White Horse likes the idea of being a temporary base city. For one thing, today's military-civilian population must be around seven or eight thousand. That's good for White Horse business. Motors come and go day and night. The drone of planes and bombers is heard any old time. Fighting invaders from the Arctic and trying to find lost fliers make the greatest midwinter stir White Horse has known since '98.

Somewhere down east, a newspaper reader says he noticed no one said anything about licking hell out of Uncle Joe until a day or so after the warship Missouri had been floated off a sandbar. A little prudence, now and then, is practised by the wisest men.

Boxing, a sport that once captured the pugilistic instincts of Prince Rupert's manhood, appears to be on the way back. The indications are all in its favor. All old timers can recall heated hours when, in the old Westholme theatre, the McIntyre Hall, the Exhibition Building and many other premises, the cauliflower industry was going handsomely.

Rain kept falling Friday night, Saturday, the most of Sunday, and up to early this afternoon, the general outlook was none too sunny. It may rain tomorrow (generally does) and should there be low, watery looking clouds on Wednesday, protests will be kept within reason.

The end of a winter that had a variety of hardships over much of the west is at hand. But it's only fair to say that had there been no power shortage, the season would have been rated bright and not unpleasant in Prince Rupert. Throughout the interior, services were reasonably well maintained. There were no disasters. Skeena weathered the winter with nothing to be ashamed of.

John L. Lewis is seventy years old and, on his anniversary, the soft coal industry may be said to be not so hot. There's strike talk, government action threats, coal supply away down, restriction of days of work, more or less friction between John himself and the miners, and so forth. In other words, to call the situation a mess, is no exaggeration.

Revival At Kitesguckla

Kitwanga and Kitwancool Church Army officials, led by Lay Readers Wallace Morgan and Albert Douse of Kitwanga and Kitwancool respectively, visited Skeena Crossing recently to conduct a successful Gospel revival. Several of the people of Skeena Crossing came forward to admit their profession of faith. On return of the missionaries to Kitwanga, a banquet was held. The Kitwancool members of the party have since returned to their village up the valley.

United Church and Salvation Army Hall at Skeena Crossing were both opened to the Church Army visitors. Prominent in the reception were Chief Jacob Millton, Field Captain Jeffrey Johnson and Sergeant Major Arthur McDames who gave an address of welcome. Bert Russell spoke on behalf of the younger people.

The party from Kitwanga consisted of Wallace Morgan, Solomon Bryant, Mrs. Eda Moore and from Kitwancool, Albert Douse, Chief and Mrs. Fred Good and Michael Douse.

Can you believe your eyes?

Probably you had to look twice at this picture to be sure you'd seen it correctly.

No wonder. For of course you know that, no matter how much houses may look alike, the families who live in them differ in countless ways.

No other family on your street has, for instance, exactly the same number of members at the same ages, the same income, tax bills, rent and other living expenses as your family. Nor can any of those families match your family's plans and dreams for the future — or its special needs for life insurance.

LIFE INSURANCE . . . Guardian of Canadian Homes

A message from the Life Insurance Companies in Canada and their Representatives

To help you meet those special needs, your life insurance company serves you through a representative. He is trained to analyze the problems you face in trying to provide security for yourself and your family. The income-protection plan he suggests is designed for you and you alone.

So when your life insurance man calls, confide in him. He's always ready to help you in any way he can.

More than a million Canadian families have benefited by the advice and experience of the modern life insurance company representative!

A Helpful
Citizen
in your
Community

When a life insurance representative sells you a policy, he also helps to improve your community. For a large part of each life insurance dollar is put to work through investments to build schools, bridges, highways, industrial plants and many other projects that create jobs and make for better living. You share in these improvements, made possible through the efforts of your helpful fellow-citizen—the modern life underwriter!

Basketball— Chill Wind From North Blows Down on Shoemen

But It Was Intermediate Who Put Up Best Thriller Saturday Night

A cold wind, in the persons of Mrssrs. Scherk, Flaten, Davis and Holkestad, moved in from Alaskan waters Saturday night and when the calm came about 10 p.m. Brownwoods found they had been badly battered by the hurricane, and the losers in the Co-op—Brownwoods Senior Basketball League battle by a 66 to 41 score.

Just what happened to the boys in Alaska will never be known. Suffice to say, whatever it was, it produced some of the fastest basketball of the season and plenty of sensational shooting.

Don Scherk had his big night of the year, scoring 25 points, followed by Flaten with a big 16, and Herb Morgan with 11. Joe Davis played a stellar game on the defence, snagging the rebounds with ease.

For Brownwoods Reg. Lavigne played his best game to date and scored over half of his team's points to make a neat 23. Everett Pierce also turned in a first class performance with 10 points and speed to burn. It was interesting to hear from Angus Macphee, Jets' coach, that both these Brownwoods players had been asked to attend the next allstar practice for a try-out.

The game was clean with only 10 fouls on Co-op, and 17 on Brownwoods by Referees Comadina and Dominato. Co-op converted 14 of 20 free throws and Brownwoods 7 of 11.

To make up for games cancelled during the power shortage, the league moves into a three nights per week schedule with games on Tuesdays, Thursdays and Saturdays. Tomorrow night Sea Cadets will play Stone's, High School will meet Dom's, Fashion tangles with Merchants and Bo-Me-Hi plays Brownwoods in the senior division.

The Brownwoods - Bo-Me-Hi game is a crucial one. Co-op is assured of a place in the finals and Brownwoods and Bo-Me-Hi are running neck and neck for second place and a spot in the playoffs. This next ten days the issue will be decided.

Line-ups:
Co-op—R. Holkestad 4, Flaten 16, Scherk 25, Morgan 11, M. Holkestad 2, Davis 6, Macphee 2. Total 63.
Brownwoods—Shier 4, Pierce 23, Lavigne 23, Bill, Gurvich 2, Owens 2, Thompson. Total 41.

The thrilling game of the evening was the Intermediate contest between the last place North Stars and the Merchants. According to the record books Merchants should have won this game with ease but it was only in the last five seconds of the game that they pulled it out of the fire when Marshall broke a 26 all tie with a beautiful fade-away shot from the corner to give Merchants the victory at 28 - 26.

North Star led all the way from the second quarter right on to the final seconds of the game. The score was tied at the end of the first quarter 8 all. North Star held a one point lead 18 to 17 at the half and a four point lead at the three quarter mark 22 to 18. In the fourth quarter they ran their lead up to six points before Merchants were heard from and

It was in this quarter that Merchants' superior shooting and floor play paid off with a win. The game was rugged but only four fouls were called on North Star and eight on Merchants by referees Dominato and Husoy.

Line-ups:
North Star—Wesch 10, Smith 6, Hartwig 4, Simonsen, Parnell 4, Sedgwick, Ketcheson, Hamilton, Young 2. Total 26.
Merchants—Dumas 5, Marshall 6, Walsh, Christofi 4, Anderson, Davidson 2, Currie 2, Boulter 9. Total 28.

Junior:
Both Junior games were closely contested with Rupert Hotel winning the first with a 32 - 23 score over Sea Cadets and Kinsmen's outscoring High School Junior in the last quarter to win by 31 to 25. Derek Letourneau scored 16 points in the last half of the Kinsmen - High School game to bring his total up to 18 for the evening and practically won the game single-handed. Bill Clark for High School was top with 11 points and the High School play was actually superior to that of the winners except that they could not stop Letourneau. In the Rupert Hotel—Sea Cadets fixture Welford Drake again let the scoring parade for Cadets with 12 points. Neil Forman was tops for Rupert Hotel scoring ten points in the first half bringing his score up to 11 in the second half. For a Junior game there was more than the average fouls called 11 on the Hotel boys and 18 on Sea Cadets.

Line-ups:
Rupert Hotel—Sather 7, Markl, Donaldson, B. McFarland 8, E. Stacey, W. Stacey 1, Morrison 5, A. McFarland, Forman 11. Total 32.
Sea Cadets—Toderas, Christensen 2, Mathews 2, Wing, J. Leighton 2, D. Leighton 1, Davidson 2, Drake 12, Black 2, Ford. Total 28.

Kinsmen—Ma-Kay 4, Blackaby, White, A. Blackaby Letourneau 18, H. Blackaby 5, McAfee, Penell 4. Total 31.
High School—Clark 11, Nicholson 2, Smith, Sheppard 4, Tait 4, Martin, Rhodes 1, Pederson 3. Total 25.

First Billiards Round Near End

Three matches in the first round of the Second English billiards handicap tournament at the Canadian Legion Hall were played off this week-end and only two games in this round now remain to be played—F. Comadina vs. J. Moran and J. Nicoll vs. Bert Morgan.

W. H. (Mike) Fudger, (plus 25), won a closely contested game against J. Davidson (plus 35) with a score of 150 to 133.

F. J. Petersen, playing A. L. Holtby on even terms, a handicap of 35 points each, won a hard fought game by the narrow margin of three points, 150 to 147.

Jimmy Bremner (plus 35) caught his opponent S. A. Roberts (playing 8 or no count) on an off night, and won easily with a score of 150 to 92.

LATE PAYMENT—After March 1st, 1950, there
 will be a waiting period of one month for persons
 who have not paid a premium for 6 months
 coverage in 1950. During this period they will not

Ice Delays Norah in North—Union Night at Rupert

Unexpected icy conditions in the Lynn Canal last week forced the Canadian Pacific steamer Princess Norah, Capt. Graham Hughes, to return to Juneau and wait until favorable conditions would permit proceeding of the northbound vessel to its destination—Skagway. Enroute to Vancouver Saturday night, the vessel arrived in Prince Rupert almost three hours late—and short of fuel. Docking at the Imperial Oil dock at 7 p.m., it received oil while Vancouver bound passengers patiently waited. It wasn't until approximately 9:30 that the vessel tied up at the C.P.R. dock. Mechanical trouble in pumping oil into the engine room lengthened its stay at the oil pier to two and one-half hours. Leaving for Vancouver at about 10:30, total time lost was over four hours.

Again it was Union Steamship night at the Canadian National dock here Sunday. In good time, the steamer Coquitlam, Capt. John Boden, arrived from Vancouver and waypoints, sailing at 11 p.m. for Alice Arm, Stewart and other northern points whence she will return here tomorrow morning to sail south at 1:30 p.m. From Masset Inlet points, the steamer Chilcotin, Capt. Harry McLean, arrived at 5:45 p.m., sailing at 9 p.m. in continuation of her voyage to Vancouver.

At conclusion of the present voyage, Chief Engineer Fred Smith will go ashore from the steamer Coquitlam for his annual vacation. He will be relieved by R. A. Dick, another of the well known chief engineers of the company.

Death Takes Jack Plint

Death took place last night at the Prince Rupert General Hospital, where he had been a patient for only a few days, of John Henry (Jack) Plint, for 30 years a well-known and highly respected citizen of Prince Rupert. He was 72 years of age and was born in England, August 26, 1877.

Mr. Plint was a veteran of World War I and served in the Royal (Canadian) Naval Volunteer Reserve in the rating of Engine Room Artificer. He was for 22 years in the employ of the Department of Transport and at the time of his retirement three years ago was chief engineer of the lighthouse tender Birnie.

Deceased leaves to mourn his passing, his widow, Mrs. Annie Plint, 1710 2nd Ave. West and a daughter, Mrs. Harvey Gillis of Vancouver.

Mr. Plint was a member of the Canadian Legion and the Masonic Order. Burial will take place in the Soldiers' Plot Fairview Cemetery on Thursday.

More Soft Snow In Prince Rupert

After being washed almost clear of snow by substantial and welcome rainfall, Prince Rupert again awoke this morning to another blanket of wet snow but with a feeling in the air that it would not last long. There was a softness suggesting more moisture. The official forecast predicted rain by afternoon.

Former Alaska A.G. Succumbs

A former Attorney General of Alaska, John Rustgard, 83, died recently in Florida. A native of Norway, he was an old time Alaskan and a visitor in Prince Rupert occasionally in the early days. He was an author of some note, chiefly on economic subjects. Last August he was appointed special economic advisor to the American Economic Foundation.

Hotel Site Here Being Surveyed

Surveyors have recently been occupied on the site of where the proposed new hotel will stand. It will be on Second Avenue between Fourth and Fifth Streets just across the avenue from the Canadian Bank of Commerce. A representative of the architects was here last night.

Furnishing New Hospital Ward

A new Queen Mary ward is to be furnished in the Prince Rupert General Hospital by this pioneer local chapter of Imperial Order, Daughters of the Empire. It will be located in the new wing of the hospital, opening of which is being awaited.

This is but one of the many projects at home and abroad in which Queen Mary Chapter has been interesting itself during the past year and on which a detailed report was made by the secretary, Mrs. J. A. Teng, at the annual meeting last week.

Charles W. Wilson has arrived in the city from Vancouver to take up residence in Prince Rupert where he will be joined shortly by Mrs. Wilson, the former Miss Patricia Bell-Irving.

SIAMESE TWINS TO BE PARTED

TOPFIELD, Alta. — Announcement has been made that Canada's only living Siamese twins, living here, have entered hospital for separation by surgery in May. There will be tests preparatory to the operation which will separate the tissue connection of their abdomens. Their physician, Dr. Freebury, reports their internal organs are separate units.
