Rent Increases Are Causing Furore

Parliament Hears G.M. Cuts Big Melon

OTTAWA (CP)—The Speaker of the House of Commons in a ruling today, decided to permit debate on a motion for a resolution of protest across the country. M. J. Coldwell, Progressive Conservative leader, urged today, as Gordon Graydon, Progressive Conservative chieftains did all other business should be suspended until the debate on rent increases could be discussed.

Airport Is Too Costly?

Latest word in the continuing campaign for an airport at Prince Rupert is not encouraging, but the Prince Rupert Chamber of Commerce is continuing the fight. The minister of transport, Hon. Lionel Chevrier, whose communication was among several others on the subject, admitted to the Chamber at its meeting last night the desirability of improved air service at Prince Rupert but said that the "prohibitive cost" of airport development under difficult conditions here would not be justified by the benefits to be gained. The Minister referred to the 30 minutes required to travel from Prince Rupert to Tugwell Island, the proposed airport site, and the rough water that would be encountered. From the standpoint of "strategic requirement" the opinion was also expressed that there was no urgent need at this time.

At the suggestion of Dr. L. M. Greene, who insisted that the need for an airport at Prince Rupert was still "urgent and important," the aviation committee was instructed to follow the matter up in co-operation with E. F. Appleyhaite M.P. Mayor Nora Arnold advised the meeting that the British Columbia Aviation Council was "vitaly concerned" in the establishment of an airport at Prince Rupert and suggested co-operation with that organization. Another effort will be made to obtain for use in the campaign an estimate made some time ago by W. R. May of Canadian Pacific Airlines on Tugwell Island development which was considerably less than government figures.

Proposal of the Associated Boards of Central B. C. that endorsement be given to an application of Central B. C. Airways for a franchise to operate a commercial air service westward from Prince George through Vanderhoof, Smithers and Woodcock Terrace with eventual extension to Prince Rupert, when an airport was established here, was referred to the aviation committee.

THE WEATHER

Synopsis

An active storm is approaching the British Columbia coast and windy rainy weather will be general in coastal regions today and tonight. The storm will weaken as it passes inland and its effects will be felt in the interior regions tonight and Wednesday. Fog which has plagued the coast and some interior valleys recently will be blown out for a few days at least. Regional forecasts valid until midnight tonight.

Forecast

North Coast Region—Continuous rain today. Cloudy with showers tonight and Wednesday. Little change in temperature. Winds southeasterly (25 mph) today, southwesterly (15 mph) tonight and Wednesday. Lows tonight and highs tomorrow—at Port Hardy, 46 and 50; Sandspit and Prince Rupert, 42 and 48.

Record Made For Corporation Dividends in United States

NEW YORK (AP)—One of the biggest cash dividends in United States history will go to General Motors stockholders December 10. It totals more than \$190,000,000 which, with other payments already made this year, will bring the company's grand total of dividends for 1949 to more than \$333,000,000. This is an all-time record for General Motors Corporation and financial circles say it is probably an all-time record for United States.

GOVERNMENT IS CRITICIZED

For Not Releasing Report of Trust-Buster McGregor Earlier

OTTAWA (CP)—The 60,000-word report of F. A. McGregor, resigning cabinet investigation chief, charging combined price-fixing of flour, rolled oats and other grain products, continued a subject of warm debate in the House of Commons yesterday. Opposition members sharply criticized the government for not releasing Mr. McGregor's report earlier. The 60,000-word report that prompted Mr. McGregor's resignation, charged that the history of the activities of eleven firms "is a record of a series of agreements which were broken at times only to be followed by renewals or modifications designed to bring the parties back into agreement."

The report was submitted to the government December 29, 1948. Hon. Stewart Garson, minister of justice, said that the eleven firms named in the report will not be prosecuted. The report charged: (1) Threats of reprisals made on small independent millers not keeping close to the firm price levels. (2) Eastern firms kept a double set of minutes of meetings, only one making reference to agreements on prices. (3)—Western firms kept only one set of minutes but admitted destroying a copy after the proceedings started. (4) The same sort of activities have been going on in the milling and bread-making industry in the west and measures were taken to link the two.

Save Japan From Reds

Problem in Drawing Peace Treaty For Former Enemy Country

WASHINGTON (AP)—Department of State planners have reached an advanced stage in their efforts to whip into shape a treaty of peace with the former enemy country, Japan. Diplomats and officials and government officials, in trying to draw up the draft of the Japanese peace treaty, have been faced with this tough problem: How can Japan be given full political independence while still keeping some measure of protection against the growing communist menace in Asia.

Decisions had to be reached on this and other treaty matters.

Now Is the Time— Good Men Are Needed - Mayor

Before the close of the meeting of the Chamber of Commerce last night, Mayor Nora Arnold was called upon. On the eve of her retirement, she said that she had enjoyed her term of office and expressed particular appreciation for the constant assistance and co-operation of the Chamber of Commerce which she always felt was behind the interests of the city. Mrs. Arnold stressed the importance of good men standing for election to the city council on which there would be six seats to be filled at the December election. She expressed the hope that Ald. T. B. Black and Ald. W. F. Stone, whose terms were expiring, would stand again. It was quite as important that there should be good aldermen as well as a good mayor.

ATOMIC ENERGY—The awe-inspiring power of the atom was graphically illustrated to the House of Commons last week by Trade Minister Howe, shown holding a small cylinder of metallic uranium which contains an energy potential equivalent to that of 500,000 tons of coal. He showed the cylinder to the Commons while moving for the establishment of a 14-man House Committee to examine the activities of the Atomic Energy Control Board Uranium now is the main atomic radiation ingredient. Leaving Here For Rhodesia

Mr. and Mrs. D. L. Coulter will be leaving this Thursday night for Vancouver where they will enplane for New York and thence for Rhodesia in Africa where Mr. Coulter has accepted an official position with a large gold mining company near the capital city, Salisbury. Formerly manager of the Premier mine in the Portland Canal district, Mr. Coulter left there three years ago and went to Newfoundland. For the past several months he and Mrs. Coulter have been visiting here.

MOSCOW (AP)—Communists around the world joined Russia yesterday in celebrating the Soviet Union's thirty-second birthday, the anniversary of the 1917 Bolshevik revolution. Muscovites saw thousands of troops, tanks and planes parade for hours across the Red Square. From a reviewing stand on top of Nikolai Lenin's tomb, the Soviet minister of armed forces, Marshal Alexander M. Vasilevsky, told his people to "fight harder still for further growth in the might of our state."

INVOLVED IN SALE—G. Max Bell, left, of Calgary, head of a syndicate controlling the operations of the Calgary Albertan and the Edmonton Bulletin, negotiated the purchase of the Victoria Daily Times for the syndicate from Mrs. W. Spencer, right, sole owner of the Vancouver Island paper. The paper has been owned by the Spencer family for years but complete control was transferred to Mrs. Spencer only recently. (CP Photo)

KENNEY ON WAY TO CITY

Hon. E. T. Kenney, provincial minister of lands and forests, is enroute to Prince Rupert and Terrace, according to word received Monday by J. D. McRae, M.L.A. for Prince Rupert. Mr. Kenney left Powell River last night and is believed to be traveling aboard the steamer Prince George which is due to arrive tomorrow.

SHIP IN BAD SHAPE

VANCOUVER—Attempt last night to pump out the steamer Chelohsin, ashore on Stanley Park, and refloat her failed. A diver is going down today to determine whether salvage is worthwhile. The vessel is leaking badly, particularly in the engine room.

Hawaiian Luxury Journey Winter Prospect For Thrilled City Girl

A common pastime of at least a few of Prince Rupert's winterized population—youngsters and oldsters alike—is to open the mind's eye to a palm-fringed vista of blue tropical skies and bluer Pacific water, but those who will be lucky enough to actually enjoy such a winter idyll are few indeed.

However, there is one city girl who is preparing for that very thing—a month's visit to the famed Royal Hawaiian Hotel at Waikiki Beach, Honolulu, with a generous portion of sub-tropical west coast travel thrown in—and even the envy of her friends can't bring the grandeur of the thing into focus yet.

The lucky traveller is 16-year-old Marjorie Thornton, daughter of Mr. and Mrs. Fred Thornton, 400 Fourth Avenue West, who will fly south next Wednesday to New Westminster preparatory to her trans-Pacific adventure. From there on, the dream begins. At New Westminster, Margie will join her brother-in-law and sister, Mr. and Mrs. Melvin W. Cottle and will set off for San Francisco where the party will sail November 24 on the Mason luxury liner Lurline for Honolulu. Mr. Cottle is a hotel and restaurant owner at B. C.'s Royal City.

After a month's stay at the Royal Hawaiian Hotel, the party will return to California then set off for an extended visit to Mexico, after which they will spend a few weeks in California. Marjie expects to return to Prince Rupert at the end of February.

"Thrilled?" The girl can't think about anything else," said her mother, who seems to have absorbed some of the thrill herself. "Still, you can't blame her. It's something that everyone of us would like to do and it's ever more wonderful when you're young."

OCTOBER LOG SCALE LOWER

Sawlog scale in the Prince Rupert forestry district for the first 10 months of 1949 showed a drop of 11,000,000 board feet under the 1948 level for the same period, according to totals compiled from monthly reports of the provincial Forestry office here.

Sawlog production up to the end of October this year totalled 203,412,142 board feet, as compared with 214,701,551 for the same period a year ago. October production was 27,045,056 board feet, a drop of more than 6,000,000 under October, 1948 and more than 3,000,000 less than for September, 1949.

However, pole and piling output for the 10-month period this year showed a slight increase over the corresponding period for 1948. So far this year, 2,703,998 lineal feet have been cut, while in the same period last year, production was 2,203,979.

Railroad tie output last month was 10,443 pieces, a drop of 7,000 under September and 19,000 less than in October, 1948.

Sawlog scale by varieties: Fir, 1,681,788 Cedar, 2,685,058 Spruce, 9,066,416 Hemlock, 9,907,888 Balsam, 2,499,775 Jackpine, 1,210,086 Miscellaneous, 14,045.

TRAFFIC CONFUSED

Stop signs made their appearance on all five corners of the Third Avenue and McBride Street intersection today. While some motorists appeared to be confused as to who should start and when, police explained that this had now been set up as "courtesy corner" and as an added check on safety. Usual rules of the road and right-of-way continue even though one can no longer drive on third avenue without stopping. It was all very simple—at least to police.

A Good Winter

PRINCE RUPERT can well look forward to one of its busiest and most prosperous winters. Usually at this time of year, there is at least a slackening off in employment due to the dropping off in the seasonal industries such as fishing, logging, shipping and such like. But this is all offset this winter by the celanese mill construction, building activity in the city including the new theatre, etc. Resumption of the mining industry is also having a helpful effect.

A market survey publication of the Canadian Daily Newspapers Association sums up the fall situation in Prince Rupert as follows:

ONE THOUSAND MEN are now being employed on the construction of the \$35,000,000 cellulose pulp mill being built at Prince Rupert by the Columbia Cellulose Co., subsidiary of the Celanese Corporation of America. Steel is now in the course of erection for the mill buildings. The other principal operation at the present time is the construction of a 13-mile 52-inch pipe line which will carry the water from Prudhomme Lake to the mill at Watson Island. The great plant is to be ready for operation by 1951 and will give employment to some 1,000 persons in the mill and woods. Organization is now under way for the production of the timber and floating of logs 100 miles down the Skeena River from Terrace area to Prince Rupert.

While the pulp mill is now becoming an actuality, a new vaster new industry appears likely for Prince Rupert. The Aluminum Co. of Canada is spending a million dollars this year on hydro-electric surveys for a projected \$300,000,000 aluminum plant which it is planned to establish at Kitimat, some 80 miles down the coast from Prince Rupert.

A profitable halibut and salmon fishing year has been enjoyed in 1949 by Prince Rupert. Much of Alaska's frozen and canned fish production is being moved through Prince Rupert and over the Canadian National Railways to the United States.

Mining in Prince Rupert area is showing a revival. The Torbrit mine at Alice Arm is now in full production, giving employment to 200 men. The famous Premier gold mine, near Stewart, is reopening after being closed over a year ago.

Another important development at Prince Rupert is the announced intentions of Toronto interests to build a million dollar hotel. Final site surveys are about to be made with a view to drawing plans.

UNFAIR TO C.N.R.

THE OTTAWA JOURNAL, commenting on requests from the Canadian National Railways to the Royal Commission on Transportation says:

When the Canadian National was welded together into a single system out of a grab-bag of lines that had been built here there and everywhere for all sorts of reasons and sometimes for no apparent reason at all, it was mysteriously saddled with the debts of such lines, and even more mysteriously saddled with them ever since. Under any practical, business-like method, such charges, so far as the Canadian National is concerned, would have been written off long ago or in any case transferred to some other account. Certainly, it is nonsense and an injustice to ask the Canadian National to pay interest on debts incurred by railway ventures before the Canadian National was even thought of and as long as 60 years ago.

If, by the same token we think we should take over the railways of Newfoundland as a part of Newfoundland's union with us, then losses incurred by such railways should be charged to the union, not to the Canadian National. Such charges have no more right to appear in the annual statements of the Canadian National than they would have right to appear in the annual statements of the C.P.R.

No one, not even Donald Gordon, could make the Canadian National show a profit, or even make a good financial showing, if it is to be burdened with charges that don't belong to it at all.

SCOUTS ELECT NEW OFFICERS

Neville Gerrard Is President Leaders are Needed

Prince Rupert Boy Scouts Association elected a new executive and congratulated its former President, F. E. Anfield, on confirmation of his appointment as District Commissioner at the annual meeting held in the Civic Centre last Friday evening.

Reports on progress of the Scout and Cub movement in the city during the last year were heard and one of these—the President's report, forecast an active fund-raising season ahead.

The new executive panel consists of the following: President, N. E. Gerrard; Vice-President, Robert Cameron

Secretary, William Baxter; Treasurer, Grant Stewart; Executive—Fred Conrad, A. G. Boas, F. B. Woods-Johnson, Rev. L. G. Seiber, Dr. J. A. MacDonald, G. P. Lyons, Carlo Hansen, Robert Ferguson, Dennis Garon, M. J. Saunders, H. H. Thom.

A highlight of the meeting was the presentation by the newly elected President, N. E. Gerrard, of a Charter to the Catholic Church Scout troop represented at the meeting by G. P. Lyons, President of the Holy Name Society and chairman of the Scout Group Committee. Mr. Lyons, in replying to the presentation, told the meeting that this was the culmination of two years of effort on behalf of the Catholic Parish to bring the opportunities of scouting to these youngsters. Walter Page is Scoutmaster of this troop.

At the same time, Mr. Gerrard presented to Canon B. S. Prockter, a certificate of completion of the AKELA Course as a Cub master. This certificate, signed by Lord Alexander of Tunis, Governor General and Chief Scout of Canada, was accompanied by the investiture of Mr. Prockter with the cords, emblematic of this rank in the Cub movement.

District Commissioner Anfield, who has been doubling recently as Association president and acting district commissioner, outlined the growth of the Scout movement in the city. Currently there are eight Scout and Cub groups, totaling 168 members.

The Conrad Street district has a Scout Troop and a large Cub pack. The Presbyterian Church has a large Scout troop and a growing Cub pack. At the Anglican Cathedral there is a large Cub pack and the nucleus of a re-organized Scout troop.

The Catholic church has a newly-formed Scout troop.

These groups span the city and afford an opportunity for all boys of Cub and Scout age to get into active work in this movement, said Mr. Anfield. "It is necessary to reiterate that none of these groups are sufficiently manned as far as leadership is concerned."

Two Objectives

Mr. Anfield saw two immediate objectives for the newly-elected executive—the development of more leaders and the raising of funds for the Association.

"The first of these two tasks is many times more important than the second," he declared. However, he continued, the district Association's finances are "a city-wide responsibility and our only means of financial aid is from memberships of \$1 annually plus such efforts as that of the Symphony concert."

Outstanding local effort in the last year, apart from the work carried on within the groups, was the sending of four city scouts to the All-Canada Jamboree at Ottawa during the summer.

"Four boys, two each from the Conrad and Presbyterian Scout Troops, represented Scouting in Prince Rupert at the Capital city where more than 3,000 enthusiastic Scouts

MEETINGS WITH YOUNG PEOPLE

Rev. R. J. D. Morris, Christian Education secretary for the United Church in British Columbia, had a busy three days in Prince Rupert at the end of the week. Sunday evening he spoke from the pulpit of First United Church and later, accompanied by his wife and family, sailed on the Camosun for Vancouver.

Friday evening Mr. Morris addressed a group of men after a supper and said to them: "We must organize our lives on the basis of Christian faith and teaching rather than on a materialist and secular philosophy if we would stop the drift toward a greater catastrophe."

The Sunday School teachers and workers met with Mrs. Morris in their teacher training classes. First meeting was in the home of Mrs. C. J. O. Olson Friday evening—and the second was in Conrad United Hall Sunday afternoon.

The young people sat down to a supper meeting before Church Sunday with Mr. Morris.

Interpreted this movement on a national basis. Let it not be forgotten, however, that primary responsibility for the success of these boys in winning a place on the Jamboree team must go to the Scoutmasters Harry Quick and Dennis Garon," he declared.

Mr. Anfield paid tribute to the Prince Rupert Symphony Orchestra and W. D. Lambie for their aid in raising funds for the Ottawa journey. A symphony concert by the orchestra and a World Series film showing arranged by Mr. Lambie added materially to the funds.

Interesting reports were also received from Robert Cameron, group chairman of the Conrad Street Group; Fred Conrad, of the Presbyterian Church Group; Canon B. S. Prockter, representing the Cathedral and G. P. Lyons, of the Catholic Church Group. From these reports, it was evident, that there is no shortage of boys for Scouting and Cubbing in Prince Rupert, if only leaders could be found to handle them.

The President, in his report, paid tribute to those who, in ways large and small, have helped in the Scout Movement in Prince Rupert, during the past year, and pleaded with the Association to elect a strong Executive Board so that the work might go forward.

New Leaders

Announcement was also made that Rev. Lawrence Sieber will take over the leadership of the United Church Cub pack and Wilfrid St. Clair has assumed leadership of the Presbyterian Cub Pack, which was formerly under the leadership of Cubmaster Don McAllister.

Following the election and installation of the new officers, a vote of thanks was tendered to the retiring executive for labors well performed. Preliminary plans were made for a visit of the Provincial Commissioner, Mr. R. K. Jordan, and the ground work set for Scout-Guide Week activities, early in 1950.

At the conclusion of the business meeting, a most interesting series of film slides were shown, depicting the national and international aspects of Scouting, from its inception up to the present time. The thanks of the meeting were tendered to Canon Prockter, for securing these film slides.

Mr. and Mrs. W. H. Spencer arrived in the city by car yesterday afternoon for a brief business visit, returning to the interior today.

Ray Reflects . . . and Reminisces

The life of William Lyon Mackenzie King is on the market and it is pleasing to reflect that it will be read while he is still in the land of the living. That cannot be said of all previous Prime Ministers. Incidentally sometimes one hears that leisure, after activity, shortens life. In Mr. King's case however, he looks happy and appears to be enjoying every hour.

Robert McKeown, Canadian newspaperman, describes life in Warsaw. He took no trouble to conceal his identity and business and says the first thing he noticed was the fact that, no matter where he went, alone or in company, driving or on foot, he was always followed. In a busy publishing office in Canada—featuring interviews—it might be the other way around with McKeown.

A Scotsman was run over by a brewery wagon according to a recent report from Calgary. There is a general belief the drinks were on him.

Election year is sometimes a comfortable sort of year for a small part of Canada's population. In 1949, there was a spring session of Parliament, as well as a sitting in the fall. Should the latter continue through to November 22—and it looks that way—there will be the drawing of two seasonal indemnities which amount to eight thousand dollars.

Statehood for Alaska lags and may stay that way until tied closer to the Union by a railway. That, it could be logically thought, would be in reasonable time. It was not until 1889 that the territories of North and South Dakota, Montana, Wyoming and Washington became states. And all were more populous and nearer to the nation's important cities sixty years ago than Alaska is today.

ECONOMY OR UNIFICATION

OTTAWA—Public pressure may force unification of the railways unless they effect greater economies in operation, the royal commission on transportation was told today.

Dr. E. C. Hope, economist of the Canadian Federation of Agriculture, made this statement as he testified on a Federation brief calling for more railway efficiency and economy.

Dr. Hope said that statutory low rates on grain movements in the west should continue under jurisdiction of Parliament.

HOLD MEETING**

Committee reports, selection of a nominating committee and plans for the forthcoming fall bazaar were among business transacted at the monthly meeting of the Canadian Legion Women's Auxiliary recently. Mrs. J. S. Black, the president was chairman.

A furnishing committee, consisting of Mrs. R. A. Bean, Mrs. W. Anderson and Mrs. W. Murdoch, was appointed to purchase furniture for the ladies quarters in the new Legion building.

Mrs. A. Hardy and Mrs. F. Ellison were chosen as a nominating committee to bring in names of candidates for the forthcoming election of officers.

Mrs. W. Rothwell displayed a number of novelties to be sold during the forthcoming fall bazaar.

Mrs. J. S. Black, who recently returned from Mission, where she attended a meeting of the provincial Women's Auxiliaries, submitted a report on those proceedings.

Assistants were chosen for the Armistice dance on November 11 and the sick visiting committee delivered reports on their activities.

Following the business session, refreshments were served by the entertainment committee. Winner in the raffle of a vase was Mrs. C. Barker.

**Fashion Show—
Men Take
Spotlight**

Hit Scored by East End Young People Last Night

The men of Prince Rupert took over the spotlight last night at the Capitol Theatre with a very fine presentation of "Fashions for 1950." And the capacity audience was delighted with the entire proceedings.

The stage was set in cabaret style with members of the St. Peter's Anglican Young Peoples appearing in full formal dress to act as a musical background singing the favorites of today and yesterday as the many models appeared on the stage bearing through the pages of a huge book entitled "Fashions of 1950."

The first set of fashions included the very latest in fine dress wear with gabardine again appearing to be the favorite in both overcoats and suits, while many other suits and sports clothes were ably displayed by the male models.

The boys' section drew many rounds of applause and a few good laughs as the youngsters paraded through their part of the show in all the latest boys and tween agers clothes.

Final set was the work sequence with rain and work clothes being modeled for every trade and to suit all kinds of weather.

Male models were Bobby Woods, Ernie Kennedy, Johnny Fitzgerald, Frank Yanitski, Wilf Taylor, Harold Skalmerud, Jack Smithson, S. Hamilton, Dave Jones, Ronnie Powell, Eugene Holitson and James Brenner, in the men's section. While the boys included Johnny Marchant, Jackie McGinnis, Ronnie Gasnuas, George Marchildon, Bill Marchant, Morris Alger, Bobby Knutson, Jerry Taylor, Bobby Mitchell, Donald Haudenschild, Rocky Terry and Tommy Moorehouse. The show was under the direction of Doug Wood and Mel Skalmerud.

Clothes were by courtesy of Rupert Men's and Boys' Wear. The St. Peter's Y. P. Choral group, under the direction of Helen Marchildon, included such

**LEGION CANVASS
SHOWS SUCCESS**

While the Canadian Legion's Poppy Day committee is tallying up the returns from its city-wide poppy sale last Friday and Saturday, its members are preparing to recognize the work of generous volunteers from city schools whose canvassing on downtown streets aided the drive materially.

Complete returns from the poppy sale, which will be used to aid wounded veterans of two world wars, have not been added up yet but preliminary reports from the committee indicated that the city and district responded with "satisfactory" generosity.

Mrs. J. S. Black, President of the Legion Women's Auxiliary which was in charge of the Poppy tag day on Saturday, was sincere in her praise for the work done by the 49 children from Borden Street, King Edward, Annunciation and Conrad Street schools

**\$90,000 Building
Permit Is Issued**

Largest building permit to be issued in Prince Rupert so far this year was issued Monday at the City Engineer's office. It provides for construction of a \$90,000 theatre for Famous Players Canadian Corporation and was taken out by J. Harry Black, local manager of the company.

Excavation work for the two-storey 60 by 100-foot theatre was begun recently and construction work is expected to commence shortly. Mitchell and Currie are the contractors. The theatre is to be named the "Totem."

Children who took part in the canvass were: Rocky Terry, Bill Wainough, Rodney Phillipson, Allan Hemmons, Joanne Way, Arthur Turcotte, Tony Troth, Bob Watts, Ricky Watts, Ralph Weick, John Dumas, Billy Minterko, Gordon Lugin, Louise Wood, Larry Eycheson, James Faulkner, Patsy Faulkner, Eddie Finlay, Don Finlay, Carl Jackson, Maureen O'Leary, Jerry Wilkins, Ellen Roper, Marian Smith, Yvonne Jackson, Lonny Patten, Jimmy Moorehead, Patsy Phillipson, Jack Antone, Roy MacDonald, Brian Fitzgerald, Robert Jensen, Patrick Rougeau, Jean Currie, Adena Hamlon, Carole Moorehouse, Joyce Moorhead, Darleen Olsen, Eddie Cloutier and Jim Hunter.

Legion Auxiliary ladies who took part in the canvass were Mrs. W. Rothwell, Mrs. F. Ellison, Mrs. Hardy Jr., and Judy, Mrs. W. Garbutt, Mrs. Adelman, Mrs. J. R. Elfert, Mrs. Nesbitt and Mrs. Wright Davies.
