FEDERAL BY-ELECTION

ANNAPOLIS ROYAL, Nova Scotia—Voters are polling today to elect a member to the federal house. One hundred and fifty-six polls in Digby-Annapolis-King's opened at 8 o'clock this morning and, despite overcast skies, most observers predicted there will be a large turn-out from among 37,319 voters. The seat was vacated by Former Finance Minister J. L. Ilsley who resigned some months ago.

BAPTISM WEDNESDAY

LONDON—Princess Elizabeth's son will be baptised by the Archbishop of Canterbury in a special service in one of the state rooms on the first floor of Buckingham Palace Wednesday afternoon. This was made known in an official announcement today. The first description of the baby is that he is "golden-haired."

RUSSIA'S FINAL BLAST

PARIS—Russia dropped diplomatic niceties Saturday night in the closing minutes of the United Nations General Assembly, that part of the session usually reserved for expression of praise and hopeful thoughts. Andrei Y. Vishinsky, Russia's deputy foreign minister, attacked Britain and the United States and issued a non-compromise warning to the west.

COSTA RICA IN CONTROL

SAN JOSE, Costa Rica—Costa Rican authorities said today that they have the country under control despite an invasion which they say was launched from Nicaragua with communist support. It is said that the invaders, estimated at not more than 200 to 300, have been contained in a small area in the northwestern extremity of the country near the Nicaraguan border.

BREAD COMBINE

OTTAWA—The Combines Investigation Commission, H. Carl Goldenberg of Montreal, special commissioner, today named five western Canadian bread companies and two bakers' associations as members of an alleged combine to fix prices. Copies of the report have been sent to the Attorney-General of British Columbia, Alberta and Saskatchewan where the alleged combine operated. Companies named include McGavins Ltd. (British Columbia) and included in the associations is Master Bakers' Association of Vancouver.

Trades and Labor Council Deplores Vancouver Move—Asks Suspension of Act

At the Prince Rupert Trades and Labor Council's regular business session the action of the Vancouver Trades and Labor Council in condemning the City Council of Vancouver for supporting a move to restrict the hiring of labor to men under 45 years of age was endorsed. It was feared that this might become the policy of all municipalities in the province.

Amendments to the Industrial Conciliation and Arbitration Act passed at the last session of the British Columbia Legislature were discussed and a motion was passed asking the government to suspend the operation of the Act until the next session of the Legislature when labor would be in a position to offer amendments. W. H. Brett M.L.A., has agreed to support this action.

Harry Archibald, M.P., addressing the meeting, said he was taking this opportunity of meeting the delegates in case he could not do so again before returning to Ottawa. The part played by organized labor in the recent United States elections was bound to have a beneficial effect on Canada, the speaker said. Questions were asked and answered and, in conclusion, Mr. Archibald hoped the council would in the future, as in the past, keep him informed of their wishes.

Several of the civic candidates who were present spoke on city affairs and answered questions from various delegates.

A very good attendance of delegates was present and President August A. Wallin was in the chair.

FISHERIES CASE IS ADJOURNED

Sentence was held over until Tuesday by Magistrate W. D. Vance in the case of Capt. Peter Andersen of the boat Strafen, charged with fishing halibut in a closed area last July. Final evidence was heard by the court Saturday. Andersen is charged with fishing halibut in Area Two after it had been closed by the International Fisheries Commission.

NICHOLLS HOME IS BURGLARIZED

VANCOUVER—Burglars entered the home of Mr. and Mrs. J. W. Nicholls, Adera Street, during the week-end and took jewelry, including diamonds, the value of which is estimated at \$5000. Mr. and Mrs. Nicholls are former residents of Prince Rupert, having moved here from the northern city a few years ago.

NETHERLANDS, INDONESIA

Breaks Off With Present Republic and Would Form New Government

THE HAGUE—The Netherlands announces the breaking off of United States-sponsored negotiations with the Indonesian Republic and says it plans to proceed with the formation of an interim government for other areas of Indonesia.

The Netherlands has proposed to set up an interim republic for all of Indonesia by the end of this month.

A statement says that the republic failed to observe a truce and that "further talks" would be useless.

WHITE SOX MAY LIFT COLOR LINE

CHICAGO—Chicago White Sox may for the first time in history hire a negro baseball player. Reports circulated at the week-end said that the Sox were trying to buy Sam Jethroe, 22-year-old negro outfielder, from Brooklyn's Montreal farm. The only hindrance is the sale price—\$40,000.

LOGGING CAMPS CLOSING DOWN

Sawmills Are Curtailing Looks Like Unemployment—VANCOUVER—Instead of the usual closedown during the Christmas and New Year holiday season, thousands of British Columbia loggers will be unemployed between now and April, according to present indications. Reason given is that log piles are now high and market conditions are contracting for the sawmills.

Both logging camps and sawmills are curtailing operations.

UNITED STATES DEFEATS CANADA

PASADENA—United States overpowered Canada's veteran badminton team during the week-end, sweeping eight of nine matches to qualify as American zone representatives at the world championships. England swept all four matches played Saturday night and then made four out of five last night.

POLICE FINES TOTAL \$1,600 IN NOVEMBER

City police court dealt with 98 cases in November, 95 of which resulted in convictions which brought in more than \$1,600 in fines, according to the report to Sgt. L. A. N. Potterton considered by the civic police commission Friday afternoon.

Fine total for the first eleven months of the year is 21,404, almost double that for the corresponding period last year, when it stood at \$10,461.

Collections resulting from convictions last month were \$1,686, including court costs of \$156.

There were three dismissals one on a charge of intoxication, one of obstructing a police officer and one of failing to make income tax returns.

Of the 98 informations laid, 64 were under the Government Liquor Act or sections of the Indian Act dealing with liquor. Monetary loss from Criminal Code complaints totalled \$1,079, of which \$325 was recovered.

COLD WAVE BEING FELT

Nineteen Above Here and Five Below at Terrace

Week-end soft weather and snow was followed during last night by a tightening up in local temperature and this afternoon a chilly northeast wind had Prince Rupert in what appeared to be another impending cold snap.

Skies were clear and sunny. Minimum thermometer reading for the last 24 hours was 19 above. A week or so ago it had been 15 above.

Terrace also reports chilly weather this afternoon with a over the town and the temperature northwest wind sweeping ature five below during the night.

NOMINATIONS AT TERRACE

TERRACE—Thomas H. Walsh, telegrapher, and Dudley G. Little, sawmill operator, were today nominated as candidates for one seat on the Board of Village Commissioners for which an election will be held this Thursday.

Walsh was nominated by Gordon Temple and seconded by T. E. Brooks. Little was nominated by C. W. Michiel and seconded by J. H. Smith. Walsh is the retiring member of the Board.

Continuing commissioners are Emil Haugland and C. M. Adam.

BRITISH BUSINESS TO TOUGH IT OUT AT SHANGHAI; U.S. WRITES OFF

Madame's Visit to Washington Believed Failure—Kuomintang Recognized As Failure

NANKING (CP)—Generalissimo Chiang Kai-Shek's grim watch on the Yangtse River is coming sooner than was expected. A Chinese communist attack is reported only fifty miles from here. Government military sources say the communist infiltration and heavy nationalist losses may soon force abandonment of the new Hewi River defence line. It is reported that more than fifty thousand troops of the government's Twelfth Army group have been wiped out southwest of Suhsien, about 145 miles northwest of Nanking. The entire Twelfth Army, consisting of 100,000 men, has been encircled for seventeen days.

British business, with the biggest foreign stake in China, is determined to "see it through" and plans to concentrate nationals within Shanghai and protect them if it comes to that.

United States is already evacuating non-essential personnel.

At Washington it was stated today that United States was prepared to write off China as an almost certain loss. Madame Chiang Kai-Shek's mission to Washington and her two appeals to Secretary of State George Marshall and one direct appeal to President Truman appear to have not changed any part of the American attitude toward the global struggle of the Communists. Her mission is widely regarded here as a complete failure. The government she represents is held to be a failing regime.

Paul Hoffman, economic co-operation administration chief, said today that ECA would continue aid to China under a different regime.

BOOST IN ICED FISH RATES OFF

A six months' hoist has been given by the Interstate Commerce Commission of the United States to a proposal to increase express rates on iced fish, according to advice received by the Prince Rupert Chamber of Commerce which had joined 72 United States Boards of Trade in asking deferment of the increase. Such an increase would have adversely affected shipments of fish from Prince Rupert to the United States markets.

SIX DEATHS IN TRAFFIC

VANCOUVER—Six traffic deaths were recorded in the Greater Vancouver area during the week-end. Two were in Vancouver, sending the 1948 toll to forty-eight.

Most tragic deaths were those of Mr. and Mrs. Robert Holding who were found in a car in the Fraser River. They were clasped in each others' arms after their car had plummeted thirty feet from a bridge.

I.W.A. TAKE OVER CAMP

Breaks W.U. Strike at Iron River Logging Camp

COURTENAY—Workers were yesterday escorted to and from their homes to the Iron River Logging Co. camp where labor violence flared twice this week. Police reinforcements were brought in. Three men were jailed on charges of assault and warrants are out for others. International Woodworkers of America loggers have been brought here from other camps to protect fellow-workers who returned to work after a month-long strike.

The walk-out was called by the leftist rebel Woodworkers' Industrial Union following dismissal of three members for lack of production.

Two hundred I.W.A. adherents swooped down on the W.U. picket line, put an axe to picket shacks, poured oil on the wreckage and burned them.

Stewart Alsbury, I.W.A. district president, is still in hospital suffering from broken ribs sustained in a beating Wednesday.

POLICE CHIEF IS DISMISSED

TRAIL—Chief Constable John Laurie of the Trail city police force was dismissed at the end of the week for "unsatisfactory service." The police commission cited no charges but it was reported that the principal complaint concerned the forthcoming civic election. It is said that he used the phone to canvass on behalf of candidates for police commission. Laurie served with the Royal Canadian Air Force during the war as an assistant provost-marshal. He was awarded the M.B.E.

U. N. Assembly Ends Session

Has Accomplished Little But Temporarily Soothes Troubled Crises

PARIS—The United Nations General Assembly last night wound up a twelve-week session in which it had called on the peoples of the world to live in peace but offered little to enforce peace.

The Assembly cooled diplomatic fevers over three of the world's trouble spots—Palestine, Berlin and Greece—but it found no real cure.

The Assembly passed last night, over bitter Russian opposition, a world declaration of human rights proclaiming freedom and equality for all. The declaration has only moral authority, at least until the regular Assembly in September 1949.

HIGHWAY NOW SNOW-LOADED

Snow Clearing Equipment From Terrace Extricates Local Trucks

Snow Clearing equipment came from Terrace at the week-end to clear the Skeena River Highway westward from there with the immediate objective of permitting the release of two Prince Rupert trucks which became stuck in heavy wet snow which fell last week. Both of the trucks became blocked by snow at Kwinitsa. One belonged to Lindsay Motors and was being driven back from Terrace by William Gair. The other was heading from here to Terrace with Clarence Thomson at the wheel. The expectation was that they would be driven back in at once as it appears that the road into Prince Rupert may now be blocked for the rest of the winter.

SINGING THE BLUES EN ROUTE TO VANCOUVER—Baby Cheryl Lea provided her own musical accompaniment when she arrived from London in New York via air. Two-year-old Cheryl was on her way to Vancouver, where her daddy awaited her. They were leaving their home in Blackpool, England, for good to take up a new life in Vancouver, where Cheryl's father, Paul Lea, hopes to do better as a telegrapher. There is a steady stream of families like the Leas who are forsaking their homes in England and attempting to better their lot in Canada.

Hard for France to Take

FRANCE is very much worried over the decision of British and American military authorities that Western Germany's massive key coal and iron industries will be handed back to the Germans to work for Germany, the Germans to decide whether there will be private or public ownership. Titles would be transferred to German trustees but a return to the old owners of the Nazi regime is forbidden.

Britain and United States, after the bitter experiences of the past, could and probably would see that there would be no tendency toward a concentration of power. However, it will take a lot of assurance to satisfy France.

To have France and Germany lie down in peace together while the former still have the sinews of war is something that will not be accomplished in a day.

TRADITION CARRIES ON

COMMENTING on the retirement of Premier Mackenzie King and his lengthy tenure of office the Christian Science Monitor says a man has stepped down in Canada, and a two-fold tradition carries on. French and English interests are fused and, in international affairs, Canada has its own diplomatic corps and national aspirations.

Says the Boston newspaper: "Mr. King never forgot that law of Canadian politics formulated by Sir Charles Bagot, an early Governor-General, 'You cannot govern Canada without the French.'"

"This was a lesson Mr. King learned from his own mentor, Sir Wilfrid Laurier. "The second French-Canadian to govern is Mr. King's hand-picked bilingual successor, Louis Stephen St. Laurent. A successful corporation lawyer, Mr. St. Laurent joined Mr. King's cabinet in 1941. The solid foundation of Mr. King's policies awaits the further building of Mr. St. Laurent."

PREMIER MINE

THAT there is strong likelihood of the Premier mine reopening next spring is not at all surprising. This was heard suggested frequently when the plant closed down. Most of the men who had been employed there are believed to be still in British Columbia, possibly within convenient distance of Portland Canal. Some are in Stewart, Prince Rupert, Vancouver and other communities to which mining men are drawn. The highway linking the mine and the town of Stewart will be kept open all winter and at Premier everything is said to be in readiness to resume at short notice. Four maintenance men are on duty all the time. This does not look like a long and indefinite suspension.

'Duchess' Chapter Makes Donations

Donations to three separate causes were voted at the monthly meeting of Duchess of Edinburgh Chapter, I.O.D.E., held at the home of Mrs. D. C. Stewart, Eighth Avenue, at the week-end and plans for other activities discussed. The meeting approved a \$25 donation to the Wilkins family and contributions to the

Seamen's Amenities fund and the British and European relief fund. Plans for distribution of Christmas hampers to needy families also was discussed. Final plans were laid for the Chapter's rummage sale, held Saturday in the Fairway Food Market building. One new member was welcomed into the chapter. The meeting concluded with refreshments, served by Mrs. A. Stiles and Mrs. D. H. Stewart.

SHIPS AND WATERFRONT

Increased navigation aides, primarily for fishermen, are being sought for the Queen Charlotte Islands, particularly the West Coast. Cost of establishing these is admittedly small and it is understood that the Department of Transport is considering their installation. Certainly, they will be needed more than ever if the Queen Charlotte Island tuna fishery becomes a permanent industry. On top of that, there is the projected re-opening of the west coast salmon trolling grounds which have been closed for several years in the interests of conservation. It is understood that these will be re-opened in 1950 so there is likely to be considerable activity over there.

The waterfront has reached its lowest period of activity of the season and probably will remain inactive until after the New Year, if herring does not show in the district. No signs of the migratory run of herring has been reported on the north coast yet, although it is still a bit early. Usually the run occurs in January, February, or as late as March. There are, however, some local, non-migratory herring being fished for reduction at Port Edward and Baledale.

I.O.D.E. SALE SUCCESSFUL

Overseas parcel fund and other projects of Duchess of Edinburgh Chapter, I.O.D.E. profited Saturday from the chapter's rummage and home cooking sale held in the former Fairway Food Market premises. The sale was highly successful with practically all articles being bought. Convener of the sale was Mrs. H. M. Wightman while those assisting in the morning were Mrs. D. H. Stewart, Mrs. Neil Macdonald, Mrs. D. C. Stewart and Mrs. McGow. Assisting in the afternoon were Mrs. J. Micholuk, Mrs. John Ewart, Mrs. P. Whiddon, Mrs. Alex Davidson and Mrs. Alex Varton, chapter regent. Aid also was received from Mrs. Harold Muncey, Municipal Chapter Regent, Mrs. C. G. Ham, Cambrai Chapter Regent and Mrs. William Noble, Honorary Regent of Cambrai Chapter.

Fantasy at St. Peter's

Great Hit Scored by Comedy and Musical Extravaganza

St. Peter's Parish Hall was filled to overflowing Friday and Saturday evenings with audiences both receptive and appreciative for the Young Peoples presentation "Fantasy," a two-part comedy and musical extravaganza written and produced entirely by the young people themselves.

The first section of the program took the form of a mock radio broadcast called "Pantation House Party," a satire on a well-known CBC program. Dick Large was convincing as the announcer. Dick Hedstrom, as the "star" of the show, was good for many laughs with his wisecracks and his subsequent belly laughs in appreciation of his own humor.

Four "sisters"—played by Anne Whiting, Margie Thornton, Hazel Tweed and Shirley Hudson—delighted the audience with their rustic rendition of the current hit, "Buttons and Bows," and later on, a favorite of yesteryear "Christmas Dreaming."

Richard Tweed as the crooning cowboy, sang two touching western ballads during the course of the "broadcast."

Last but not least were the "Kernels of Korn," a three-piece orchestra, loud if not good, which was forever breaking into what was obviously the only piece it knew, "Turkey in the Straw." This unit was composed of Vaughan Tattersall on the violin, Richard Tweed on the guitar and Helen Marchion on the piano.

MUSICAL ROMANCE

The second section, which comprised the major part of the program, was a musical romance called "Le Cafe Parisienne." This tableau retained a French atmosphere throughout from the music to the setting.

The curtain went up on a dimly lit stage arranged as the interior of a French cafe. Six young couples sat chatting around six candle-lit tables, until the strains of music floated from off stage. All rose to dance—a pretty picture indeed with the girls in their varicolored formal dresses and the boys in their dress suits. The dancers were Joyce Peterson and Dick Gilker, Marie Skalmerud and Charlie Graham, Shirley Hudson and Richard Tweed, Doreen Bateman and

Henry Dixon, Hazel Tweed and Prey Welter, Margaret Wide, and Lloyd Peterson.

As the music died away, attention swung to the parted curtains at the back of the stage where stood a lovely Parisienne lady in a billowy blue gown—Viv Elliott, who raised her sweet soprano voice to sing "Encore Cherie," then joined with Jim Hemmons to perform a graceful semi-ballet ballroom dance.

As the dancers left the stage, waiters, Jim Hemmons and Frank McFadden deftly served the "cafe patrons" with soft drinks.

The lights dimmed and the curtain at the back parted again to reveal a wistful-faced young lady in raincoat and beret leaning against a brightly-lighted lamp post, as the six couples sang the poignant war love song "Lili Marlene." Elaine Steffens, as Lili, aroused pathos as she walked sadly from table to table, examining each face, in search of the lover who never came.

With bright lights gleaming on her scarlet gold sequinned gown, petite, graceful Anne Whiting performed a solo dance, "You're Too Dangerous, Cher-

ie," during the course of which she spurred the attentions of two suitors, Ernie Braman and Frank McFadden.

One of the waiters, Jim Hemmons, sang the well loved "The Last Time I Saw Paris," in which he was joined on the second chorus by pretty husky-voiced Carol Brentzen.

Vaughan Tattersall's violin and the romantic song, "In Dreams I Kiss Your Hand, Madame," made "listenable" combination as the gaily dressed young "gypsy" violinist serenaded the couples in the cafe.

Carol Brentzen, in a frothy black gown, portrayed a captivating cafe singer "Mini," as she danced onto stage and ob-

FANTASY AT ST. PETER'S

(Continued from Page 2)

viously into the heart of her waiting admirer, Frank McFadden, who sat alone waiting for her. She was, however, stolen away in a scintillating dance, by Vaughan Tattersall, who dragged her off stage with him in spite of her pantomimed protests.

With a crash of music and the rhythm of a tambourine, two gaily dressed gypsies whirled onto stage to tell the fortunes of the young couples. The lady gypsy, lovely dark-haired Iona Hardy, raised her beautiful voice to sing the exciting gypsy ballad "Golden Earrings." She joined her handsome partner, Ernie Braman in an expressive gypsy dance which proved to be one of the highlights of the show, in the opinion of the audience.

The haunting melody, "Mamselle" formed the basis for the next number, sung first by Percy Welter to his pretty partner Hazel Tweed, then it formed a beautiful background as the couples sang it while Hazel and Percy danced.

A sparkling can-can revue performed by Margaret Symes, Ruth Ketcheson, Margie Thornton, and Shari Ingalls, drew a thunderous wave of applause and a demand for an encore. The girls excelled themselves with a delightfully exuberant dance that went straight to the hearts of the audience.

"An English girl in France once sung

To a handsome French garcon - - -"

Walters Jim Hemmons and Frank McFadden musically introduced the next number "Je Vous Aime Beaucoup" which

was sung by glamorous throaty-voiced "English girl" Marie Skalmerud to her "French garcon" Charlie Graham. The chorus hummed in the background for the second chorus while Marie and Charlie danced. Then all the couples joined them on the floor in a dazzle of color.

Vin Elliott led off in a solo on the finale song, "Au Revoir Again," in which she was joined in the second and third choruses by the whole cast. The words of this song were especially arranged for the Y.P.A. show.

The cast stayed in formation on stage to sing the beloved carol "Silent Night," featuring harmony by Iona Hardy, Vin Elliott and Dick Hedstrom, while the four can-can girls took up a silver collection from the audience.

The remainder of the evening, after refreshments were served, was spent in dancing by cast and audience alike.

Mrs. Helen Marchildon, Y.P.A. supervisor, directed the show. Mrs. Mavis Coleclough directed the dancing, and Mr. Frank Baldwin was in charge of the stage and lighting.

WEDDED AT CATHEDRAL

Miss Dorothy Didorak Bride of William Clark at Beautiful Ceremony

Last Wednesday evening at 7 o'clock, St. Andrew's Cathedral was a setting of beauty when Dorothy Didorak, second daughter of Thomas Didorak of Sturgis, Sask., and William Bryant Clark, third son of Mr. and Mrs. R. E. Clark of Victoria, exchanged marriage vows in a double ring ceremony before Rev. Basil S. Proektor.

Given in marriage by her brother-in-law, Metro Mintenko, the bride was exquisitely attired in a beautiful floor-length satin gown with Victorian neckline and her long trailing veil was held in place by an English bridal gown. The only jewelry worn by the bride was a beautiful cameo necklace and matching earrings, a gift of the groom. Her bouquet was of red roses.

Mrs. Bessie Cowgill, as matron of honor, was gowned in pale blue net with broadened top and sweetheart neckline. Her bouquet and headress were of pink carnations. She wore a rhinestone bracelet, a gift from the groom.

The bridesmaids were Miss Beth Sedgewick, gowned in yellow flowered net and carrying a bouquet of pale pink carnations, and Miss Elsie Mintenko, gowned in mauve net with broadened top. Her bouquet was of yellow carnations. The bridesmaids each received a compact, the gift of the groom.

The flower girls were little Beatrice Cowgill and Judith Mintenko, both wearing short dresses of pale blue taffeta trimmed with white lace. They

Fashion Takes Lead In Intermediate League — Junior High's First Win

Ladies' League—Dom's 27, Miller Bay 4
Junior League—High School 17, Rupert Hotel 15

Basketball on Saturday night at the Civic Centre gym saw Bo-Me-Hi rack up the highest score this season, Fashion take over first place in the Intermediate League and High School Juniors cop their first win of the year.

The Senior game went to Bo-Me-Hi by the score of 68 to 36 over Brownwoods. After the first quarter, in which they played their best ball and held Bo-Me-Hi on even terms, Brownwoods fell apart and Bo-Me-Hi sprang into the lead. The first quarter ended 12 to 11 for Brownwoods. Fast breaks and shooting in the second quarter gave Rainmakers the lead at the half 22 to 14.

In the second half the school boys went all-out with every player taking part in the scoring parade. Brownwoods' ball playing, shooting and defensive play fell apart before the Rainmakers' onslaught. Everything worked out right for the High players as they jumped in baskets with only a small return by the shoemen. In the third quarter Bo-Me-Hi scored 25 points which is tops for the season and also is higher than last year's mark. There was no weakening of the offensive power shown by Bo-Me-Hi in the final 10 minutes as they continued to build their lead high-roller Glen Carlson came through with 10 points in the final quarter to lead his team as high scorer of the evening.

Bo-Me-Hi's fast breaking play rocked Brownwoods' defence and found big holes through which they thereby qualifying to take part in the semi-finals. Games to be played in the semi-finals will be between John Bulger and the winner of Geo. Abbott vs. J. Campbell match which is scheduled for tonight, and Dick Simonson and the winner of Geo. Dawes vs. Harry Normond match for which no date has yet been set.

shoemen. In the first three quarters Fashion were able to build up a 27 to 16 lead. Merchants' play during the time was ragged and their shooting was away off. Fashion played a steady passing and shooting game that gave them their 11-point lead. In the final quarter the play was just the opposite as Merchants came in with a rush and pelted the hoop with shots. They came close but not close enough as the timer ran out on them. Slatta's lone field goal in the final quarter saved the shoemen from defeat.

Merchants scored 13 baskets from 75 shots. Fashion scored the same but from only 63 shots.

Masons Pay Visit To Terrace Lodge

Twenty local Masons returned home Friday afternoon by rail after a trip to Terrace where an official visit was paid to Lakelse Lodge by Dr. R. G. Large, district deputy grandmaster. Making the trip were Dr. Large, Frank Skinner, Robert Parker, R. E. Benson, C. H. Elkins, Jack Armstrong, Sam Hougan, William Bussey, T. H. Wilford, A. R. Nichols, W. R. McAfee, Frank Dibb, William Wasyk, G. C. Sessions, C. A. Berner, D. C. Stevenson, George Peters, Thomas Woods. They found weather conditions at Terrace cold with not too much snow. However, in the lower Skeena Valley it appeared that the highway as becoming rapidly impassable.

Gus Anderson, well known pioneer of Massett, was a passenger aboard the Coquitlam yesterday going through from the Queen Charlotte Islands on a trip to Vancouver.

GIRL GUIDES' XMAS PARTY

Delightful Affair at St. Andrew's Cathedral Hall

Friday evening, St. Andrew's Cathedral Church Hall was the scene of a delightful Christmas Party. The Guides of the First Prince Rupert Company, under Commissioner Honora L. Silver-sides, entertained the Guides of the Second Prince Rupert Company, under Captain Pat Clark, and of the Third Prince Rupert Company under Captain Marjorie Anstey.

The hall was simply but tastefully decorated in red and green. The tables, set out in cabaret style, each had a centerpiece of red and green and a Christmas basket of candy and nuts for each girl. After dinner, there was a short program. Guide Ethel Moosehouse played on the piano "Song of the Lark." First Prince Rupert Guide Company sang "Silent Night." Guide Pat Lemon played "Moll's Dance" on the piano and Guides Betty Garner and Mary Ellen MacKenzie put on a short skit. The program was followed by games and the evening came to a close with a Guide camp fire and singing.

The First Prince Rupert Company were in charge of decorations and entertainment for the evening and the Third Prince Rupert Company were responsible for the dinner.

(Continued from Page 5)
passing and team play paid off with field goals. Miller Bay were slow in getting the ball away and this led to their losing the ball through toss-ups.

JUNIOR LEAGUE

The Junior League fixture gave High School their first win of the season with a close 17 to 15 victory over Rupert Hotel. This game was played as the second game of the evening so the fans had an opportunity to watch these junior players perform. High School jumped into a quick lead and held a 11 to 4 edge at half-time. In the second half Rupert Hotel began to hit the basket and pulled up to within 2 points as the game ended. Playing of both teams was slightly on the ragged side. Passing and shooting was wild. High School's quick start gave them the edge to win the ball game.

High School took 36 shots and scored 8 of them. Rupert Hotel scored 6 field goals from 33 shots.

NILS LIND DIES AT AGE OF 74

Nils Lind, 74-year-old pioneer district logger, died in Prince Rupert General Hospital this morning after a month's illness. He came here from Oona River, Porcher Island, where he lived for the last 25 years. Mr. Lind retired about 15 years ago. He was born in Jantland province, Sweden, and came to Canada 40 years ago, spending the greater part of the time since on the north coast. He returned last spring from a year's visit to his native Sweden. He was unmarried and is survived by two brothers in Sweden and a nephew in the United States.
