Russo-Finnish Pact To Be Signed By End Of Week, 'Tis Expected

POLICE ARE COMMUNIST INFILTRATED

HELSINKI (CP)—Rightists in Parliament and the Finnish press today criticized Finland's Communist minister of the interior. They voiced the suspicion that he had infiltrated the country's police force with communists. The minister of the interior, Yrjo Leino, is in Moscow as member of a seven-man Finnish delegation sent to negotiate a friendship and military pact with Russia. Signature of the Russo-Finnish mutual aid pact is expected to be made by this week-end, it was reliably learned last night. The Finnish delegation already has reported the Russian treaty proposals to Helsinki, it is also learned.

AGREEABLE TO WAGE INCREASE

CHICAGO 1—United States railroads have accepted a recommendation of President Truman's fact finding board that engineers, firemen and switchmen get a 15 1/2% per hour raise in wages. Management's estimate the wage boost cost and other working changes at \$80,000,000 yearly. Eighteen Million Dollar Road Program; Federal Aid Is Urged

VICTORIA, (CP)—Hon. E. C. Carson, minister of public works, said yesterday in the Legislature that British Columbia should have federal aid in carrying out highway programs. Mr. Carson outlined the need for improvement in main, secondary and industrial roads, terming it an 'important phase of our economy.' During the last year, the minister said, the department had been hampered by difficulty in securing adequate equipment, shortage of materials and manpower. The 1948-49 construction program calls for a total outlay of \$18,000,000. Mr. Carson announced. This includes reconstruction and construction of 124 miles of main highway at a cost of \$5,000,000 and paving of 465 miles of roads. Mr. Carson said there had been a slowing down on the work on Hart Highway, northward from Prince George into the Peace River, and he would make no prediction as to when it might be expected to be opened.

General Pearkes Says Ian Mackenzie Was "Booted" Out of Government

VANCOUVER (CP)—Progressive Conservatives and C.C.F. last night each chose a 38-year-old candidate to oppose F. O. Campbell, Liberal standard bearer in the forthcoming Vancouver Centre by-election. Lyle Jesley, barrister, was chosen by the Progressive-Conservatives while Rodney Young, overseas veteran of the Second World War, now studying law at University of British Columbia, was selected at the C.C.F. nominating convention. Speaking at the Progressive-Conservative convention, Major-General G. R. Pearkes, M.P. for Nasaimo, declared that Ian Mackenzie had been "booted" out of the government because he had fought too hard for veterans' pension and benefits.

LOWESTOFT, England (CP)—Normally respectable citizens are becoming more "light-fingered," as their efforts to obtain necessities by legitimate means are frustrated by shortages and restrictions, Lieut.-Col. LEANING ON U.S.

TO APPEAL RATES

OTTAWA—Appeal against the decision of the Board of Transport Commissioners to grant a 21 percent freight rate increase to the Canadian railways today appeared likely. Premier Garson of Manitoba said in a statement that opposing provinces—excluding Ontario and Quebec—would open discussions towards launching an appeal. An appeal would delay implementation of the Board's 21 percent increase verdict announced yesterday.

POOR CONSUMER TO ALSO PAY RAIL FREIGHT RATES RAISE IS ADMITTED

OTTAWA (CP)—There is speculation as to how hard the new freight rates will hit the pocketbook of the man who foots the bills—the consumer.

They will send up the grocery bill, the fuel bill and clothing costs higher as well as the cost of running the family car but it is too early to give definite figures. In general, however, business heads say, if costs go up, the selling price to the public must ultimately advance.

EMPLOYMENT IS IMPROVED

Local Advisory Committee Commended—J. S. Black Makes Report

A special feature of the monthly meeting of the Prince Rupert local Employment Advisory Committee last week was the report by J. S. Black on the meeting of the National Council held in Vancouver last week.

Officials from Ottawa were in attendance as well as officials of the Pacific Regional Committee and local committees. J. S. Wilson, chairman of the local committee had been invited but, when he could not go, permission was received from the National Committee to have Mr. Black, the local committee's alternate choice, go. Mr. Black brought back an informative and interesting condensation of the two-day meeting. A complaint that local committees were not advised of the disposition made by the National Committee of recommendations made by the local committees through their provincial committees was answered by the National Committee agreeing to forward minutes to committees. Mr. Black felt that the work of the Prince Rupert committee, when compared with that of other local committees, was of a very high standard. The speaker was accorded a hearty vote of thanks for his fine report.

A letter from the local school board stated that the recommendation of the committee that a vocation training course in the fishing and fish-processing industry be initiated had been sent on to the Department of Education.

The local employment situation had greatly improved in the last few weeks and it was felt that, from now on, there would be an ever-increasing demand for workers. The conditions at mines in the district were considered, and the need for workers of a good standard of citizenship was emphasized.

The committee once again went on record as stressing the need for all requirements of firms for workers to be made through the local office whether the headquarters of the firms be in Vancouver or other centres.

J. C. Glicker, on a recent trip through southern parts, had taken up with various executives the question of the value of vocational training courses for the fishing activities and had been assured of the support of the firms contacted. An angle to be remembered is that southern interests might try to bring pressure to have the courses given in southern centres rather than in Prince Rupert. J. S. Wilson, presided with J. S. Black, Alderman Robert McKay, J. C. Glicker, James Nicoll, Colonel Hamilton-Grant, E. Victor Whiting and H. Whiffin also present.

Lumber May Move Again to Eastern Canada By Ship In View of Rail Rates Increase

VANCOUVER (CP)—Rerouting of British Columbia lumber to Eastern Canada by ship in preference to rail may result from the new freight rates increase. Shippers say that the increase in rail rates definitely give the edge to the water route via the Panama Canal which handled the bulk of pre-war shipments.

Relative competitive position of rail and water shipments changes almost daily with fluctuations in ocean freight rates.

Fight Is Still On

IT HAD BEEN generally expected that the Board of Transport Commissioners would allow an increase in railway freight rates. So yesterday's order was no surprise. The only speculation was about how great an increase would be allowed. The railways asked for thirty percent. Twenty-one percent basic increase is allowed with exemption of western grain rates from the increase. However, western agriculture will also feel the general increase on commodities other than grain and the disadvantage of the east and west coasts from the standpoint of distance from the populous centre will be even further accentuated.

After all, it was pretty hard to combat the argument that railway freight rates had not been increased in twenty-five years and the justification that practically every other cost and price had gone up, particularly sharply in recent years. So, while it had been hoped that the freight increase might have been staved off, it was pretty well inevitable that it could not be done. Nevertheless, it would seem that some adjustments in the way of equalization for both west and east should be possible.

Meantime, the mountain differential situation with which British Columbia is particularly identified and on which the 21 percent increase is added remains unchanged and, as has already been hinted, a further review in regard thereto will be undoubtedly sought. The British Columbia freight rates fight is still unsettled.

MR. DEVENISH RETIRES

ANNOUNCEMENT IS MADE today of the retirement of W. R. Devenish, vice-president in charge of western lines, Canadian National Railways, after service of thirty-five years. Mr. Devenish, during his many years in charge of western lines, became very well known to all the communities of his jurisdiction and among them, of course, Prince Rupert. It was under his direction that war shipbuilding operations were instituted at the Prince Rupert dry dock. Unfortunately, and much to local disappointment, he was unable to keep the yard operating after the war in spite of the fact that it had been geared to such work on a large and efficient scale.

However, Mr. Devenish was a courteous and considerate official, a practical railroader who, it is admitted, made a definite contribution to railway transportation in Western Canada. His many friends here will wish him well in his retirement.

To J. P. Johnson, vice-president and general manager of the Atlantic region, who succeeds Mr. Devenish in the West, good wishes will also be extended. We will be looking forward to an early visit from him to size up and make himself familiar with the local situation and its problems. Coming from the East Coast, he will, at least, be familiar with maritime and port problems as they affect the railways.

RELIGION NEEDED—HULL

CORDELL HULL, Secretary of State under Franklin D. Roosevelt, has had his memoirs published. Few men were more intimately identified with affairs in official Washington, during critical years, or were closer to administrative plans and policies, than Hull. Looking back, studying the world situation as it exists today, and venturing to view the future, he sums it all up in the following words:

"We have a desperate need for more religion and morality as the background for government. The religious and moral foundation for thought and conduct requires strengthening here, as well as throughout the world. There is no higher civilizing influence than religious and moral concepts. Corruption and tyranny can be driven out of government only when these concepts give men the faculty to recognize such evils and the strength to eliminate them.

"I conclude these memoirs with the abiding faith that our destiny as a nation is still before us, not behind us. We have reached a maturity but at the same time we are youthful in vigor and resources and one of the oldest of the nations in the unbroken span of our form of government. The skill, the energy, the strength of purpose and the natural wealth that made this nation great are still with us, augmented and heightened. If we are willing, from time to time to stop and appraise our past, and prepare for our future, I am convinced that the horizons of achievement still stretch before us like the unending plains. And no achievement can be higher than that of working in harmony with other nations so that the lash of war may be lifted from our backs and a peace of lasting friendship descend upon us."

PRINCE RUPERT SEQUEL

THE LAST Saturday Evening Post printed a number of letters to the editor, having reference to Richard Neuberger's recent article on Prince Rupert in the Post. These include communications from the governor of Alaska and the mayor of Seattle. While a few are not entirely free from some criticism much of what is written is informative and fair and all must agree that the story and its follow-up correspondence forms most valuable publicity for both Prince Rupert and Alaska.

ST. PETER'S YPA TEA AND SALE

The St. Peter's Young Peoples Association held a successful Easter tea and sale in St. Peter's Hall Saturday afternoon.

The sale was opened by Ven. Archdeacon E. Hodson who commended the young people on the work they were doing and stressed the importance of education and their present preparations for adulthood in view of the important part they will undoubtedly have to play as men and women in the trying times ahead.

Many people took advantage of the fine weather to visit the sale and a gratifying sum was realized by the young people, part of which they donated to the church and the rest toward carrying on of their work.

Arrangements were in the hands of Margaret Symes, with the assistance of Y.P.A. advisor Mrs. Helen Marchildon and Mrs. E. Hodson. Vin Elliot and Ronald Priest were in charge of the variety stall; Margaret Symes, Joan Ketcheson and Elaine Steffans, the home cooking stall, and Pat and Bill Tipton, the fish pond. The kitchen was in charge of Lucille Steffans and Ruth Ketcheson. Jim Hemmons acted as cashier. In the tea room, two white coated waiters, Frank McFadden and Vic Johnson, catered to the needs of the visitors.

The attractive spring decorations were arranged by Carol Brentzen, Elaine Steffans, Lucille Steffans, Vin Elliott, Margaret Symes, Pat Tipton, Anne Whiting, Marie Skalmerud, Gerd Lien, Tom Nicoll, Ralph Overgaard, Ronald Priest and Jim Hemmons.

Miss Dorothy Smith, who has been home on sick leave from her nurses' training at Vancouver, is returning to Vancouver on the Prince Rupert tomorrow night.

CATHOLIC GIRL GUIDES HOSTS TO ANGLICANS

Catholic Girl Guides were hostesses to the Cathedral Guide company at a delightful costume party Monday night in the Annunciation hall which was arranged in cabaret style with the tables decorated in yellow and purple, each centred with colored Easter eggs and a candle flanked by a vase of daffodils.

Nursery rhyme and fairy tale characters mingled with grand ladies of early French and Spanish aristocracy in the march past which followed a session of games. So difficult was the costume judging among the many interesting and original creations that the judges had finally to draw lots for the winner.

Patrol Second Sheila Bennett, First Prince Rupert Guide Company, who wore a pink and white gown of nineteenth century France was awarded first prize. Later, the costumed group, including Mother Goose and her fairy folk, enjoyed refreshments by candle light. Immediately after the supper, there was a short but interesting program.

Items included Maria Brett playing a guitar solo; a trio consisting of Frances Murphy, Gail Shannon and Maria Brett singing "Beautiful Dreamer" and "Juanita," accompanied by Margarty Doiron; Bertha Marion sang "Sioux City Sou" and Rolande Turcotte sang "Cradle Song." Dancing followed the program.

General convener was Margaret Doiron, Patrol Leader. Frances Murphy acted as hostess, receiving the guests with assistance of Maria Brett. Serviteurs were Patrol Second Rolande Turcotte and Guides Geraldine Farrell, Delphine and Helen Astoria and Donald Letourneau.

Costume Judges were Mrs. Basil S. Prockter, Commissioner. Honora Silversides and Miss Glenna Moore.

Arrangements for the refreshments were directed by Margaret Doiron, Patrol Second Jeanette Cloutier and Guides Gail Shannon and Paulette Madson.

Rev. Dr. Peter Kelly Impressed With Kitsegukla

Rev. Dr. Peter Kelly, who returned to the city last night from Kitsegukla, where he conducted Easter services, was surprised by the youthfulness of the interior community's population and the eagerness of spirit they show.

Dr. and Mrs. Kelly went to Kitsegukla to fulfill an invitation of long standing. The Easter service Sunday morning was conducted before a congregation whose numbers filled the little church to capacity. As well as preaching the Easter message, Dr. Kelly performed five christenings and conducted communion which was taken part in by 50 members. A mixed choir of 30, under the direction of Kenneth Cecil and accompanied by Walter Wesley, a self-taught organist, sang two anthems in the

morning "They Have Taken Away My Lord" and "Gloria in Excelsis Deo." Another pleasing feature of the service was Mrs. Kenneth Cecil's solo, "I Know That My Redeemer Liveth."

In the afternoon Rev. and Mrs. Kelly and the people of the village were guests of the church choir at an Easter feast.

During the evening service the choir sang "The Heavens Are Telling" and the difficult "Hallelujah Chorus."

At the close of the service Dr. Kelly conducted installation services for three elders—Alfred McDames, Peter Mark and Edward Wesley—and three wardens—Chris Mark, Horace Brown and Godfrey Wesley.

Port Essington will be the first stop for the Thomas Crosby when she leaves on her southern run tomorrow. Dr. Kelly expects to be at Hartley Bay Saturday and for Sunday morning service and then leave for Kitsegukla where he will hold evening service.

HONOR "HOCKEY AGENT"—Old-timers and present-day hockey players met in Windsor Station, Montreal, to honor Felix Berger, who during the past 30 years has looked after some 50,000 of them "on the road" as Canadian Pacific Railway passenger agent. In appreciation they clubbed together and handed Felix a check for \$1,000. Left to right: "King" Clancy, "Newsy" Lalonde, Mr. Berger, Billy Wray, chairman for the evening and long-time hockey fan, and Maurice "The Rocket" Richard.

CITY RED CROSS DRIVE PASSES TWO-THIRD MARK

The city's Red Cross campaign bettered two-thirds of its \$3,000 quota during the last few days and was given extra impetus by completion of the Chinese canvass which netted more than \$200 from 65 sources.

Campaign total today stands at \$2,320, chairman S. H. Saville reported, including \$205 turned in by Earl Mah and Ling Bo Shong, Chinese canvassers.

Although it is now in its fifth week, Mr. Saville plans to keep the entry book open at least another week in an effort to raise the \$3,000 quota within the city. Originally a three-week campaign was scheduled.

"Considering the importance of the work the Red Cross is doing to maintain and expand Canada's health standards, our quota is small enough," he said. "I'm sure we can fill it, even though it takes extra time."

Mr. Saville expressed satisfaction at the result of the canvass of the Chinese population and paid tribute to Mr. Mah and Mr. Ling, the canvassers.

"Our Chinese population is not very big, but they have come through in fine style," he commented.

He believes that many among the white population have unwittingly neglected to send in donations, either because they were missed by the canvassers or because it has slipped their minds.

"One man phoned me the other day and asked me how the drive was coming," Mr. Saville recalled. "When I told him 'slow' he said that he had been out when the canvasser called and hadn't given the matter any thought until he saw a report of the drive in the Daily News. He mailed a \$50 check."

Chinese contributions are as follows:

BORDEN STREET STUDENTS WILL "ADOPT" CHILD

Borden Street elementary school will "adopt" a European child, providing funds which will make it possible for the child to attend a rest camp for physical recuperation as a result of home cooking and candy sale held at the school.

Sponsored by the Borden Street Parent-Teachers Association, the sale raised \$90 for the purpose. The child will be "adopted" through facilities of the Canadian Unitarian Service Committee, which provides rest camps in various parts of Europe for children suffering as a result of the war.

Very well attended, the sale was under the convenship of Mrs. S. A. Cheeseman. Home cooking was provided by P.T.A. members and much of the candy was made by children of the school.

Ladies assisting with the sale were Mrs. H. Flood, Mrs. A. J. Dominato, Mrs. C. T. Young, Mrs. H. Harrison, Mrs. W. McLeod, Mrs. C. A. Nixon, Mrs. J. E. Weise, Mrs. W. J. Lineham, Mrs. H. E. Amos, Mrs. George Howe, Mrs. T. B. Black and Mrs. A. W. Burnip.

ANTI-COMMUNIST MEETING DELAYED

His plane delayed by weather conditions which necessitated remaining overnight at Sandspit after it had been unable to land here yesterday owing to low visibility, John Hladun, ex-Communist, on a lecture tour, finally arrived in the city this morning by Canadian Pacific Airlines and will leave by this evening's train for Prince George. Mr. Hladun spoke before the weekly luncheon of the Prince Rupert Gyo Club today and is this afternoon addressing a postponed public meeting at the Civic Centre, the latter being the meeting which was to have been held last night.

Reminiscences and Reflections

The late James B. Fitzmaurice could never have been anything but a cartoonist. Because he preferred west to east, he blossomed out on the Vancouver Province, whose fiftieth anniversary is being observed. No one ever gave him his right name. He was just "Fitz" to the final stroke of the pencil that had the power to relax many a lined, worried face and lighten a wearied heart.

Acquaintance with "Fitz" began in the office of the Montreal Herald, then standing on St. James Street (Victoria Square) looking across toward Craig Street and Beaver Hall Hill. The late James Brierley was business manager and the sandy haired editor was a gentleman of Irish lineage named Walsh. The staff included B. K. Sandwell who once spoke in Prince Rupert on a timely topic, and who still flourishes on Toronto Saturday night.

Fitz always had a yearning for the west. He was unaffected, pleasant mannered and with a gift for drawing. The chief difficulty was finding the subject—not the actual drafting. He was of rather spare build and sometimes had a way of seeming sad when actually he was in excellent spirits.

ALICE ARM HOTEL CHANGING HANDS

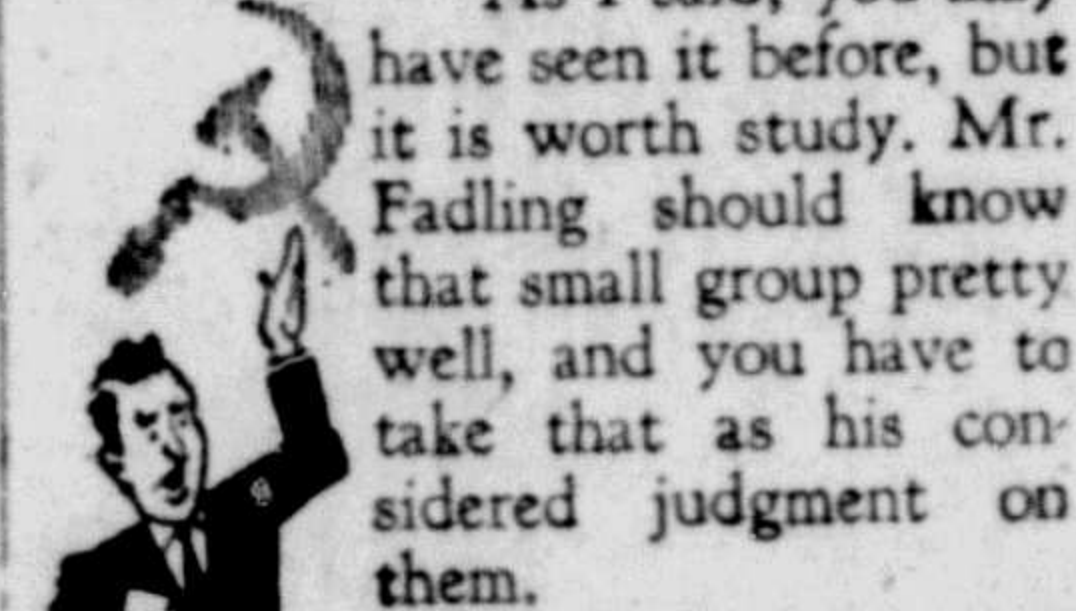

ALICE ARM—Hotel Alice Arm, one of the earliest landmarks of the camp, has recently come under new ownership. This hotel, which was built out of the proceeds of the sale of the old Dolly Varden mine, was one of the first hostleries here and has been the main hotel of the camp from the beginning. During the construction period of the Torbrit Silver Mines it was taken over by that company as headquarters for their men and has been used as a mess hall and sleeping quarters. The new purchaser is Mrs. Kay Johnsen of Prince Rupert. Mrs. Johnsen, who is an experienced hotel operator, having been in business at Nanaimo and other places, will run the place catering to the general public. Mrs. Johnsen is going to considerable expense in renovating and remodeling the building. Extra rooms will be added as well as the installing of more baths. Mrs. Johnsen will take over the hotel as from April 1.

OVER THE FENCE

By W.L. Macfarlane

"Here's another quote for you," said the Old Timer this morning. "You may have seen it before, but it is worth some study. The man who said it was James Fading of Portland, Oregon, president of the International Woodworkers of America, and he was referring to a group of I.W.A. officers in British Columbia when he said: 'This is the same small group that has always put the interests of the Communist party ahead of the welfare of the I.W.A. membership they pretend to represent.'"

"As I said, you may have seen it before, but it is worth study. Mr. Fading should know that small group pretty well, and you have to take that as his considered judgment on them. "I remember well, when others have criticized this group for activities plainly directed against Canada's interests, and almost openly in favor of Soviet Russia's aims, that those who criticized have been promptly attacked as witch-hunters and red-baiters, and as trying to destroy the trades union movement. But Mr. Fading, while they will probably call him some of those names, can't very well be accused of trying to destroy the trades union movement. And he just says flatly they have always put the interests of the Communist party ahead of the welfare of the I.W.A. membership they pretend to represent." Note those words, "pretend to represent."

"Of course, the I.W.A. isn't the only union in this province whose leadership has been captured by the Communist party—far from it. And it is equally true of these other unions too that the interests of the Communist party are put ahead of the welfare of the trades union members they pretend to represent. "That is worth keeping in mind when you read of industrial troubles, foreign policy resolutions, picketing and so forth that seem to have no relation whatever to the interests of the actual trades union members. It is just the Communists carrying out their jobs for the Communist party, which today means Russia and no one else."

IMPRESSIVE RITE MARKS WEDDING

SKEENA CROSSING—A lovely Easter-tide wedding on Saturday joined a popular village couple when Violet Phyllis Wesley, youngest daughter of Mr. and Mrs. Edward Wesley, became the bride of William Edward Williams, second son of Mr. and Mrs. David Williams. Brigadier Joseph Gillingham officiated in the Salvation Army Citadel. Charmingly gowned in white lace, with bridal satin slip and floor-length veil crowned with a heart-shaped headdress, the bride entered on the arm of her father after having been escorted to the Citadel by the village band. She carried a bouquet of white roses and sweet peas. Her matron of honor, Mrs. Roy Harris, wore a full-length gown of white net and her five bridesmaids, Angelina Russell, Joyce Wilson, Pauline Johnson, Nora Bright and Eva Fowler wore floor-length gowns of blue net and white satin. Flower girls were Beatrice Williams and Marie Johnson, each carrying bouquets of white lilies and lilacs with pink ribbon streamers. Olive Russell, gowned in white, was train bearer. Attending the groom was his brother, Morris Williams. Ushers were Willard Williams, Bruce Wesley, James Fowler, Horace Tait and Chris Gray. During the signing of the register, Douglas Wesley and Jack Bar sang "The Old Rugged Cross." In the same interval, Rev. Dr. Peter Kelly of the United Church mission boat Thomas Crosby, made a brief address. Following the ceremony, a reception was held in the community hall for the villagers and many outside guests. The bride's table, prettily set, was dominated by a large wedding cake which was cut in traditional fashion. Among the guests were Dr. and Mrs. D. Murphy, of Hazelton, Rev. Dr. and Mrs. Peter Kelly, of Ocean Falls, Brigadier and Mrs. J. Gillingham, Prince Rupert, and Mr. and Mrs. H. Evans.

PREMIER HAS WAGE DISPUTE

STEWART—A member of the Provincial Conciliation Board, Mr. Forgie, has been in this district for the past week discussing the settlement of the dispute with the local union of the Mine, Mill and Smelter Workers. There has been a growing tension and uncertainty at Premier for some considerable time. Certain proposals were placed before the management of the Silbak Premier Mines Limited but were not acceptable to the company hence the reason for calling upon the Conciliation Board. No information can be obtained here as to what decisions have been made.
