House of Lords

DEBATE ON THE FUTURE of the House of Lords has been a dominating British Parliamentary discussion. It has become apparent that neither the government nor its Conservative or Liberal critics really want a head-on clash.

The issue comes down to one contention. The government and its supporters are saying that the powers of the House of Lords are one thing and its composition another and the Conservatives that both must be considered together.

The point is important. The present Parliament Bill offers to reduce the power of the Lords to delay bills on which it disagrees with the Commons.

Whatever may come out of the debates, a new approach to the whole problem by all parties together is apparent.

It has come to pass that it's the credit department of the grocery store, instead of the doctor, who tells us we're eating too much.

INSTALLATIONS ARE DISCUSSED

But Chamber of Commerce Takes No Action Pending Further Information

Prince Rupert Chamber of Commerce, at its monthly meeting Monday night, discussed in passing the present situation as regards the disposition of the former United States Army installations here, the opinion being again expressed that such items as the ocean dock, warehouse, administration building etc. should be put up for separate sale, the idea being to save as much of the property as possible for future use instead of outright demolition.

However, it was felt that there should be more clarification as to the status of the negotiations between Kenneth Meek and the War Assets Corporation and the matter was, accordingly, left in the hands of the executive with power to take such action as they saw it fit.

MILLION DOLLAR CAB IN RUPERT

"Million Dollar Cab" is its appearance in Prince Rupert today.

Named because more than a million dollars was spent on the design, die, fix, and engineering which went into its development, this is one of the outstanding war advancements incorporated in the 1948 line of Ford "built" trucks which will now for the first time local. Bob Parker Ltd., Ford and other dealers.

The idea behind the new cab is to give the operator the nearest possible to living room comfort possible," he explained.

The new cab is a full seven feet wide at the floor line and wider doors, set further back than the preceding model for easier access. There is a head room and there's a way air control system

that completely ventilates the cab. Window glass area has been increased by 14 per cent featuring a wide-vision, one-piece windshield," Mr. Parker explained.

He said a new coach-type seat is standard equipment. The seat back angle is independently adjustable while the whole seat moves easily back and forward on roller bearings. The cushions have high resiliency, individually wrapped coil springs while more uniform seating surface and longer wear result from the use of a rubber impregnated, curled hair pad in addition to the usual cotton pad.

The cab, mounted on a new, level action suspension, features improved weather - proofing and is insulated against vibration, noise and frame weave by rubber pads and rubber-insulated bolts at both front corners, and level action links in torsion type rubber bushings at the rear corners.

HOW CAN I ??? ?

By ANNE ASHLEY

Q. How can I renovate the polishing mop?
A. Boil in soda water to which has been added two tablespoons of paraffin. Also add a few drops of paraffin in the last rinsing water and it will save labor when polishing.

Q. How can I remove rust from irons?
A. By putting some yellow bees-wax or paraffin into a small cloth bag, and when the iron is warm, but not hot, rubbing it over this bag, then rubbing with salt.

Q. How can I avoid basting long seams when sewing?
A. Try fastening the edges of the material with paper clips, such as are used in every office. This will eliminate basting the goods.

SERVE SALAD EVEN IN WINTER, SEVERAL GOOD RECIPES OFFERED

Preparation of a salad usually brings up mental pictures of green, summery appetizers. For months do not provide a supply of these salad dishes but there is no reason successful salads cannot be without them.

Canada's food rules recommend that generous servings of salads be eaten every day so the salad should be included in winter menus. These can be made with grated or sliced root vegetables or cabbage. Attractive and tangy salads also can be made with cooked vegetables or fruits.

A salad is just right for main course. Such salads have meat, cheese, beans or cooked eggs as an ingredient.

Idea of using raw beets, carrots or parsnips in a salad will be new in many homes. These are surprisingly good. Economists suggest several good salads, suitable for meals.

A salad plate will always be appreciated. Poach halves of ball of cream cheese in the pit, whole pitted

Combine vegetables, add seasoning. Chill. Garnish with sliced hard cooked eggs. Serve with mayonnaise or cooked salad dressing. Six servings.

Jellied Tomato and Potato Salad (Jelly Mixture)

2½ cups tomato juice (20 oz. tin)

½ teaspoon pepper

½ teaspoon salt

1 teaspoon celery salt

Dash cayenne pepper

2 teaspoons vinegar

2 tablespoons gelatine

½ cup cold water

(Potato Mixture)

1½ cups diced cooked potato

½ cup shredded raw carrot

1 tablespoon chopped onion

1 teaspoon celery salt

½ teaspoon paprika

Salt and pepper to taste

1 tablespoon vinegar

Add seasonings and vinegar to tomato juice. Heat to boiling. Soak gelatine in cold water for 5 minutes. Add to tomato mixture. Cool until it begins to thicken. Mix potatoes, carrots and seasonings. Chill while jelly is cooling. Fold into partially set tomato mixture. Fill wet jelly moulds and chill until set. Unmould and decorate with parsley or celery leaves. Six servings.

Hot Bean Salad

2 cups canned green beans

2 cups canned wax beans

1 teaspoon dry mustard

1 teaspoon sugar

1 teaspoon salt

1/8 teaspoon pepper

2 tablespoons chopped onion

2 tablespoons chopped green pickle

1 cup (½ lb.) diced bologna

1 teaspoon cider vinegar

Heat beans. Combine other ingredients in salad bowl. Add drained hot beans. Add mix well. Serve hot. Six servings.

Cooked Vegetable Salad

1½ cups cooked diced beets

1 cup cooked diced carrots

1 cup canned peas

½ teaspoon celery seed

½ teaspoon salt

Dash of pepper

2 tablespoons vinegar

1 hard cooked egg

Officers For Year Nominated By Municipal Chapter I.O.D.E.

When Municipal Chapter, Imperial Order, Daughters of the Empire, met in regular monthly session in the lounge of the Civic Centre on Monday, nominations of officers for the coming year was the business of the evening.

A large attendance of members heard Mrs. R. J. Sprott of Vancouver bring greeting from the Provincial Regent and speak inspiringly of the work of the Order being done in Canada and Overseas. Excerpts from letters of thanks for clothing and food parcels sent to needy persons in the devastated areas were read.

I.O.D.E. members in Canada, by personal contribution, sent a wedding gift to H.R.H. Princess Elizabeth and the following letter of thanks was received by the National President of the I.O.D.E.:

"I am delighted with the ermine cloak which I have received from the Imperial Order, Daughters of the Empire, in Canada. They could not have chosen a wedding present which has given me greater pleasure or one which I shall wear more often. Would you tell all who subscribed to give me this beautiful cloak that, quite apart from the magnificence of their present, I am deeply grateful for the loyalty and for the goodwill towards the Duke of Edinburgh and myself with which they send it."

"I am glad to hear, also, that the Queen Elizabeth Hospital is to receive equipment, supplies and special foods as part of the present which the Daughters of the Empire are giving me so that many others will benefit from their generosity and my happiness."

SAVOYS REACH NEW PINNACLE IN HOOP PLAY

Savoy moved three games ahead of Co-ops in the Senior Basketball League last night by narrowly defeating Brownwoods 53 to 52. The youthful Brownwoods team led all the way but again they got excited in the final minutes to blow the game. Herb Morgan got hold of a loose ball to score the winning tally in the final minute.

Brownwoods were a vastly improved team from their last few showings. They seem to be out of their slump now and it was just tough breaks that lost them the game last night.

Jimmy Forman, playing centre for the shoemen, was top man of the evening with 23 points. He was easily the outstanding player on the floor. Reg Lavigne was banished via the personal foul route in the first half and his steady influence was lost when it really would have counted.

Davis with 14 points, was top for the hotelmen with the Holkestad brothers next with 12 and 10 respectively. Referees Comidana and Calderoni handed out 47 personals and 3 technical fouls.

It was the most thrilling game of the season, with players and fans all on the floor at various times. Sev Dominato had his usual argument with Comidana. It seems referees just can't call them the way Sev sees them and it usually takes quite a bit of arguing before his teammates can get him settled down.

Fashion Footwear moved up one more game in the Intermediate League by easily taking Morgan's 45 to 25. Slatta of Fashion Footwear took top scoring honors for the game with 20 points. Scharff of the clothiers was top for his team with 12. At half time the shoemen held a 10-point lead, which they increased to 20 by the game's end.

In the girls' game Peoples Store kept their undefeated record intact by defeating Sweet Sixteen 14 to 4. The first half was slow and at the half-way mark the score stood 5-2 for Peoples Store. D. McLeod was high for Peoples Store with 5 points while Lena Youngman scored all of Sweet Sixteen's 4 points.

The Junior fixture saw 65 Taxi led by Bill and Ratchford take the High School lads easily by a score of 22-12. They took the lead right from the beginning and gradually increased it until the final bell. At half the score was 13-8 for the 65 lads.

SHORT SPORT

The Marylebone Cricket Club plans to instal a public address system at Lord's this summer to give up-to-date information to crowds awaiting admission and to those inside. Spectators will be told of late team changes, prospects of play in bad weather and catering arrangements. Many county clubs, including Yorkshire, Surrey, Lancashire, Warwickshire and Glamorgan have used such systems for years. Last season the Warwickshire captain, P. Cramer, gave a daily 10-minute talk to the crowd at luncheon intervals, discussing the morning's play and the effects of the state of the wicket on the game.

The King and Queen will attend this year's Football Cup final at Wembley, April 24, it was announced from Sandringham. This is one of the sports events which Their Majesties usually attend annually, although last April the Duke and Duchess of Gloucester represented them during the Royal Tour of South Africa.

Professional golf is expected to open its 1948 tournament season on a quiet note in England, with two of the biggest names, Henry Cotton and Norman von Nida, both absent. Cotton, Britain's Ryder Cup captain who winters at a Monte Carlo Golf School, has hinted he plans to head for the bigger money of the United States competitions in April. Von Nida, top money-winner here last season, recently stated definitely he would be on his way to the States in March and will not return until the British Open late in June.

Physical education experts from all over the world have been invited by the government to attend an international congress here July 23-25, immediately before the opening of the Olympic Games.

Aim of the congress, an official statement said, is to "bring to the notice of the many countries represented at the Olympic Games the steps being taken in Great Britain to develop physical education in schools and colleges, physical recreation among post-war population and rehabilitation in the services and industry.

The program will include lectures on various aspects of physical education and demonstrations by students and workers of various age groups.

JOE LOUIS BEATS SULLIVAN'S RECORD FOR HOLDING HEAVYWEIGHT CROWN—Pictured at the 10th annual dinner of the Boxing Writers' Association are, left to right, Willie Pep, featherweight champion; Joe Louis, heavyweight champion; Gus Lesnivic, light heavyweight champion, and Rocky Graziano, middleweight king. Joe Louis, on January 21 last, became the longest holder of the heavyweight crown, taking the honor from John L. Sullivan. The Boston bare-knuckle boy held the title 10 years and 212 days, from February 7, 1882, to September 7, 1892. Louis won the title on June 22, 1937, from Jimmy Braddock—10 years and 218 days ago on January 21, 1948.

BARBARA ANN ADDS BEAUTY AWARD TO TRIUMPHS—Ottawa's Barbara Ann Scott, world and European champion figure skater, shown at Winter Stadium, Prague, Switzerland, after defending her title, adding to her triumphs when she won the "Miss Belvedere" honor in a fashion parade at the hotel of that name. The slender, fair-haired champion, who was staying at that hotel before moving to St. Moritz for the Olympics, competed with visiting belles from other parts of North America and Europe to win the award. The parade was organized by Marcel Rochas of Paris, one of the world's top name fashion designers, who was staying at the same hotel. She is leading in the women's Olympic figure skating contest.

BASKETBALL CHATTER

(By BILL LONG)

Those who elected to stay at home last evening instead of visiting the Civic Centre to see that Brownwood-Savoy senior basketball game certainly missed a lifetime of action and thrills. Playing their finest game of the season, Brownwoods, nevertheless, lost by a one-point margin to the league leaders but it was inexperience that taught them the rough lesson. With a

little over two minutes to play, the inability of the shoemen to "stall" with a safe six-point lead was suicide. They threw the ball everywhere but to their teammates—a very poor habit methinks.

Jimmy Forman, playing in the pivot spot for Brownwoods, was a standout and picked up 24 points. He not alone picked off many of the defensive rebounds but was in there with the big boys on both ends to repeatedly tally when the going was at its toughest. Savoy tried every trick in the book to stop him and were still after him when the whistle went to end the game.

Rupert Holkestad, possible starting centre against Ketchikan this coming Thursday, played a smart game as usual and was in there for fourteen handy points to keep his lead in the scoring race for league honors.

Many of the sceptics are beginning to wonder what we are going to do with our Ketchikan foe without Angus Macphee in the centre slot. It is admittedly a bit of a problem. Alex Bill, however, is the least worried of any of us and he's the man that must pull the game our way. He claims that his team will be much handier than when it met Vancouver Arrows as that series saw them playing together for the first time this year. Now with all the kinks smoothed out, there should be little doubt that our end will be looked after.

This year's series, by the way, will be a two of three affair with games Thursday and Friday, and if necessary, Saturday. Reserved seats are on sale for Thursday and Friday only and Saturday's seats will be sold immediately after the second game if games have been split.

Ketchikan will have the strongest line-up possible this year. Mills, Ludvigsen, Faarstad, Phillips, etc., and those present a pretty mean line-up. The team will arrive by the Prince Rupert on Thursday and will return home by the Princess Norah on Sunday morning.

BRISTOL, Eng. —An x-ray proved that David Garrett, five, wasn't fibbing when he said he'd swallowed the change left after paying for his first haircut. A penny and a threepenny bit were located in his stomach.

Reminiscences and Reflections

By W.J.

Speaking of thirst control, come—whatever it was. Looking back on the copy of a local newspaper published back in 1911, it was learned that the gentleman to whom was entrusted the duty of reducing the number of able-bodied rats within the limits of the municipality, reported he had accounted for 654 in the month of July. Good work old boy. Carry on.

It is a matter of official record that Prince Rupert was the warmest city in Canada during January 1948. Unofficially, but if visitors, tourists and a few inlanders are to be believed, Prince Rupert is also the warmest-hearted city in Canada.

In the "Prince Rupert Years Ago" column, there was noted, the other day, mention of a sermon delivered away back in 1913. The clergyman declared all bachelors to be drones. Webster says a drone is a lazy fellow, a person who lives without working, an idler, a sluggard and who is the male honey bee. Well, well, well! To think that, after plugging along on newspapers for half a century we have never worked. And to be so harshly termed an idler, and a sluggard. This is too much. Now, about being "the male of a honey bee. One can catch the drift! Obviously, there must be a female honey-bee. Oh well!

Thirty-seven years ago, Prince Rupert had a civic dignitary who as one suspects, earned his in-

come—whatever it was. Looking through the copy of a local newspaper published back in 1911, it was learned that the gentleman to whom was entrusted the duty of reducing the number of able-bodied rats within the limits of the municipality, reported he had accounted for 654 in the month of July. Good work old boy. Carry on.

What is known as the Gatt-Hallier Expedition to the Mountains of the Moon is now moving northward from Durban, South Africa. The purpose of the undertaking is not clear, or at least not well known, unless it is for pursuit of adventure, and hunting, on the side. It is from the United States.

The Mountains of the Moon are in the British Protectorate of Uganda, which is about the size of the state of Oregon. Uganda is bounded by the Belgian Congo and Sudan, Kenya, and lakes Victoria, Nyanza and lakes Albert and Edward.

It is between the two latter that the mountains are situated and, though without the vastness of our western Canadian ranges, they have two distinct features—height and evil climate. Snow capped peaks tower 17,000 feet, and beyond a certain altitude, fogs and mingled rain and snow, or plenty of each prevail much of the time.

EASY WAY OUT

If the wife of a Turkoman asks permission to go out and her husband says "go" without adding "come back again" divorce may follow.

WOUNDED LEFT IN WAKE OF GREEK CIVIL WAR—Wounded officers and men who were injured in the pitched battles between regular Greek forces and the Red-sponsored insurgents around the strategic town of Konista, are pictured sitting by the roadside as they await transportation to the town of Yanina, where they will be hospitalized and treated. These men are of the regular Greek army. It took heavy artillery fire, followed by an infantry push to dislodge the insurgents from the hills about Konista.

BARBARA IS GOOD LOOKER

Prague Writer Enthuses Over Canada's Skating Star

PRAGUE—When Barbara Ann Scott was in Prague recently a correspondent took an extra good look at her and wrote a little sketch which gives a bit here and there, about Barbara Ann herself.

He wrote:

"The 19-year-old skater—Parisians call her 'la jolie jeune Canadienne'—again was the belle of the championships. "She made a striking picture in her yellow doekin costume with white mittens and white cap. Her performance, with seven judges less than seven yards away, was almost effortless. Calm throughout, totally lacking in self-consciousness, she curtisied politely to the referee and judges at the conclusion of each figure.

"After dinner that evening she was driven to a radio station for a two-minute broadcast and dashed to a dressmaker for a fitting. Later she was a guest at the home of Ronald Macdonnell, Canadian consul. Beside her doekin costume, in which her slender figure resembles an Easter bunny, she wore a pin on her collar from Coach Galbraith, and a gold key presented by the Toronto Men's Press Club of which she is an honorary—and only woman member."

BUILDING FUND IS MAINTAINED

Prince Rupert Club Improves Existing Premises But Plans for New Home

While making notable improvements to the existing premises during the past year, the Prince Rupert Club is retaining a substantial fund for an eventual building project, it was revealed in reports presented at the annual meeting of the club last night.

The club had a net membership gain during the year.

Its activities during 1948 included co-operation with the Prince Rupert Shrine Club, the Associated Boards of Trade of Central British Columbia and the Prince Rupert Chamber of Commerce in the entertainment of outside visitors.

In addition to those of the president, W. L. Armstrong, and the secretary, A. Bruce Brown, reports were presented to the annual meeting by W. D. Lambie, chairman of the house committee; George Mitchell, membership committee, and W. J. Scott, entertainment committee.

The board of directors for the coming year will consist of W. L. Armstrong, A. B. Brown, J. L. McEwen, J. C. Gilker, L. M. Feltsenthal, W. J. Scott, Harry Hanson, L. M. Gordon, W. D. Lambie and G. C. Mitchell.

The new directors will meet next Tuesday to choose their officers.

Martin Stuart was re-elected auditor.

HY. HALLIWELL PASSES AWAY

Death Removes One Of Terrace's Respected Pioneers

The death occurred at Terrace on Tuesday afternoon of one of the communities oldest and most respected residents in the person of Henry Halliwell.

Since the death of his wife last summer Mr. Halliwell had been in poor health and recently spent two weeks in the Prince Rupert General Hospital. He returned to Terrace last Friday and passed away at the home of his daughter, Mrs. C. R. de-Kergommeaux.

Born 81 years ago, Lumley, County Durham, Mr. Halliwell spent many years as a journalist, writing for such well known papers as the Daily Mail, the Yorkshire Post, the Manchester Guardian, the London Times and many others.

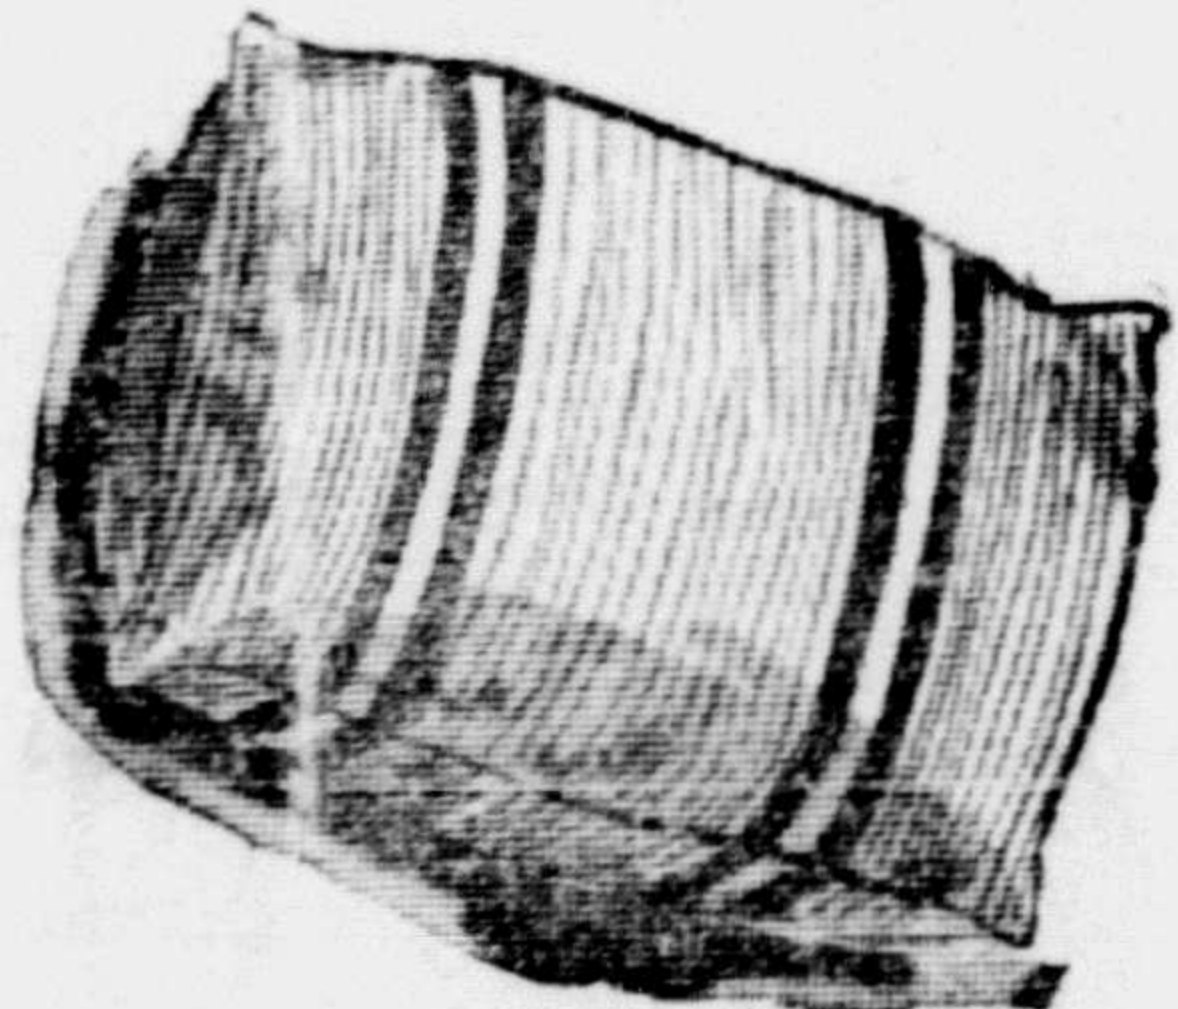

He came to Canada in 1922 settling in Terrace and fruit-farming there for many years. He was always interested in public affairs and was one of the guiding lights in obtaining the incorporation of the village of Terrace as a Village Municipality. His is one of the two signatures on the first village bylaw—the late J. K. Gordon the other. Always a staunch supporter of Liberalism, Mr. Halliwell took an active part in the provincial elections, being agent when Hon. Ed. Kenney was first returned to the Provincial legislature. A member of the Anglican Church, he was ever ready to give his services in the pulpit during the minister's absence.

Mr. Halliwell leaves to mourn his passing, a son, Thomas B. Halliwell, of Hedley, and three daughters, Mrs. J. Allan Rutherford of Prince Rupert, Mrs. Olive M. Barrington, of Liverpool, Eng., and Mrs. C. R. de-Kergommeaux, of Terrace. There are ten grandchildren, and two-great grandchildren.

In two years time, had they lived, Mr. and Mrs. Halliwell would have celebrated their Diamond Wedding. Their golden wedding was celebrated in Vancouver, in 1939.

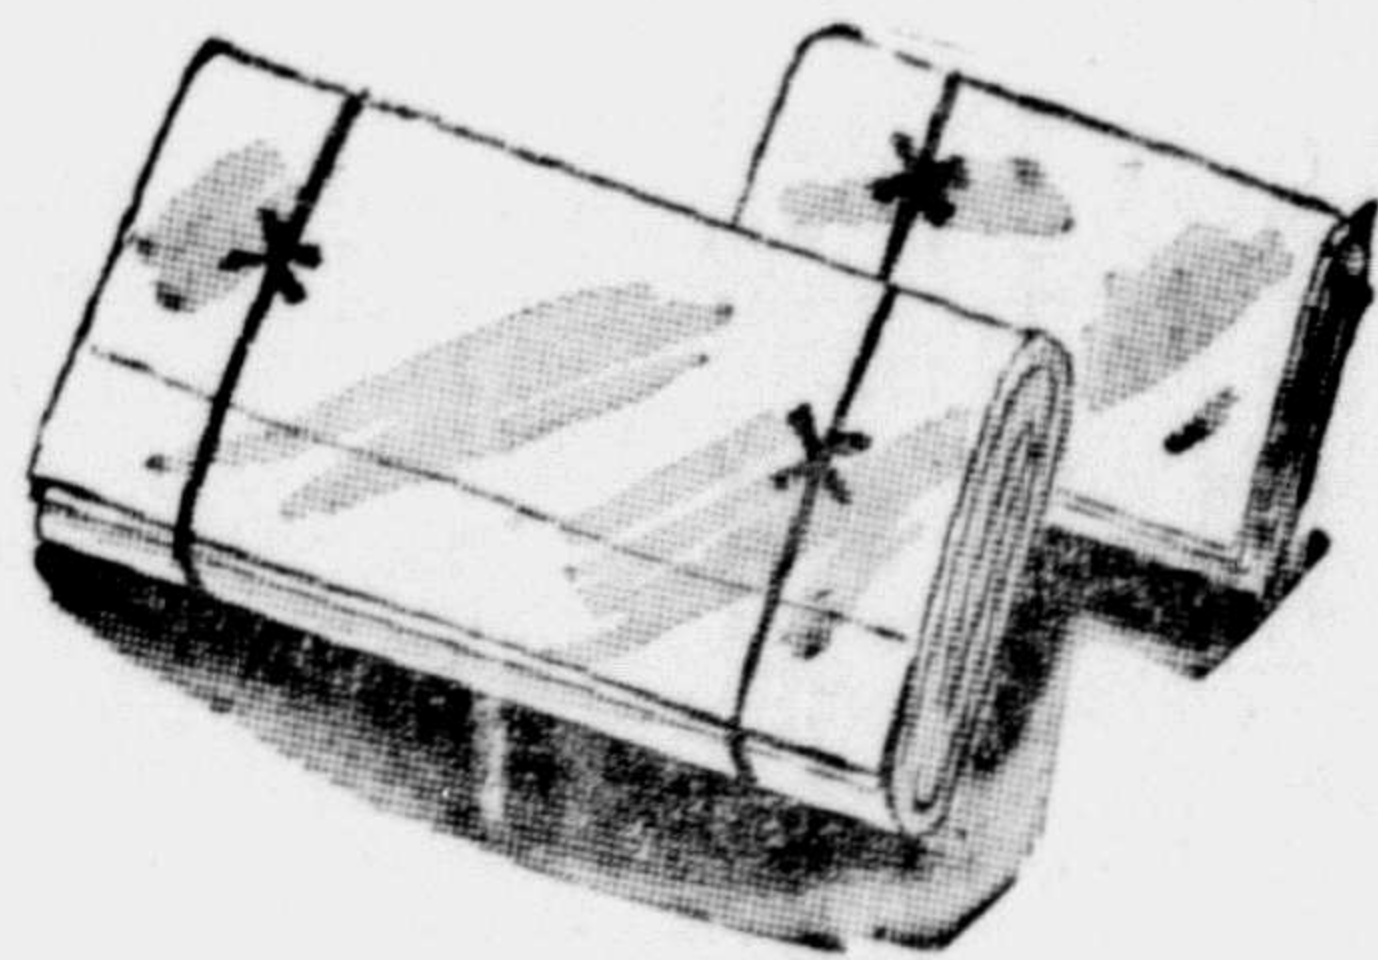

The funeral will take place Thursday afternoon from St. Matthews Church in Terrace.

RED CROSS TO RESUME "STAND-BY" ATTITUDE

Prince Rupert's Red Cross Society will reduce its program this year to a completely "stand by" basis similar to its pre-war condition, its members decided at their annual meeting in the Civic Centre last night.

The meeting re-elected the Society's 1947 officers to continue as a nucleus which could resume humanitarian activities and re-activate the society in case of disaster or any other demand on its services.

The officers are: Honorary President, Bishop J. B. Gibson. Honorary Vice-President, Mayor Nora E. Arnold. President, Arnold Flaten. Vice-President, Mrs. C. H. Elkins.

Secretary, H. A. Breen. Treasurer, S. A. Saville. Executive—Mrs. G. A. Johnson, Mrs. Arthur Smith, Mrs. J. D. Fraser.

Work room activities, which last year produced quantities of blood donors' clinical dressings and knitted goods, will be dropped and equipment belonging to the national society will be returned to provincial headquarters. This includes a small amount of knitting wool and sewing equipment.

A sewing machine, owned by the Prince Rupert society will probably be donated to the Pioneer Home. This was suggested by Mrs. C. H. Elkins, chairman of the work room committee.

Treasurer S. A. Saville reported that last year the society had raised \$5,483 as part of the nation-wide fund-raising drive. Of this, \$5,194 was raised through memberships and the balance mainly from the collection box at the Capitol Theatre.

Mrs. C. H. Hankinson, work room committee chairman, reported that groups of ladies had prepared 110 articles of knitted goods which were sent to provincial headquarters at Vancouver during the year.

Mrs. Alex McRae, chairman of the committee in charge of making dressings, reported that 7,732 swabs and dressings had been made for use in blood donor clinics.

Votes of thanks to the executive members and officers was passed by the meeting.

BUILD LOCOMOTIVES

The locomotive industry of Britain has a productive capacity of well over 1,000 locomotives a year.

PRINCE RUPERT YEARS AGO

February 1, 1923

The following were elected members of the council of the Board of Trade: J. H. Thompson, F. H. Mobley, A. J. Morris, A. E. McMasor, G. D. Tite, Douglas Sutherland, W. E. Williams, M. F. McCaffery, J. G. Scott, W. P. Lynch, J. G. McNab, Lee Baker, H. B. Rochester, H. F. McRae, S. P. McMordie.

D. G. Stewart and O. H. Nelson were elected president and vice-president respectively of the Hospital Board at the first meeting of the new directors.

The Prince Rupert indoor baseball league was formed with the following officers: president, Rev. W. H. McLeod, vice-president, D. B. Taylor, secretary-treasurer, Frank Bratt.

February 1, 1923

At a meeting of the school board, W. E. Fisher, counsel for

the board, advised against legal action against the tractors who built the road. At suggestion of Trustees the board moved that the council, the board of the school board and the board of public council each be appointed a representative investigating committee.

The first of the Massena Co.'s steam schooners were to be used in carrying lumber from the Buckley Bay mill to Langes, docked at Anson, load a cargo of fuel oil proceeding to Massena.

Provision was made in board estimates for the purchase of a dental chair for the school board, which would afford the cost, could be paid free of charge. It was \$2,400.
