

## United States Intervention For Mindszenty

### BACKS YUGOSLAVIA CLAIMS

Russia today re-asserted her support of Yugoslav territorial claims on the Adriatic coast. Premier Tito restated her view that the big four Foreign Ministers convened for writing the long-drawn-out peace treaty. France had been hailed as the diplomat as the talks with action in the hope's problems. Differences on Yugoslavia for 800 square miles in Austria have principle stumbling block for the Austrian

### TRIP HERE CONSIDERED

Expert Chamber of Commerce request to the Vancouver Board of Trade for support of campaign towards landing strip for airfield at Prince Rupert. It has been referred to the Board and transportation of the Vancouver Board. It is also receiving attention of the Air Transport Board and the civil aviation of the Department of Transport.

### ELEVATOR COSTLY

Installing an elevator in provincial government building to facilitate the unloading of auto-loads from Alaska vessels of Pacific Steamships. In relation to the traffic offering but is still being considered. The Prince Rupert Chamber of Commerce has been advised by Hon. E. C. Carson, minister of public works, that there has also been further consideration on the part of the Prince Rupert Chamber and the manager of the Pacific Coast Steamer Co. Capt. O. J. Williams, an elevator were installed. It might be willing to pay for the local use on lease from the government.

### INCOME TAX CUT

The Vancouver Board of Trade Tuesday that a reduction in the British Columbia's income tax was a "reliable source" at the time of the Legislature. The board said that it would like to see the tax cut and had gained support when the \$3,602,042 was revealed.

OTTAWA (CP)—House of Commons last night gave second reading—approval in principle—to the main bill providing for the long-heralded entry of Newfoundland into Confederation. The only dissenting vote was that of Erere Hamel of the Nationalist Bloc Populaire party.

### PROVINCE HAS 1947 SURPLUS

VICTORIA, B.C.—Public accounts tabled in the Legislature for the fiscal year ending last March 31 showed a surplus of \$3,602,043. Revenue totalled \$67,077,739 and expenditures \$63,375,696.

### LITTLE DROP IN USE OF WATER

Draw-off is larger than smaller. Despite warnings that a reduction in the domestic use of water is necessary to ensure an adequate electric power supply, there has been no lessening in the city's draw-off, City Engineer Don Stewart said Tuesday afternoon.

### IS OPPOSED TO SNOW REMOVAL

Chamber of Commerce Highway Committee Agrees With Winter Closing of Road. Reporting in his capacity as chairman of the highway committee at the meeting of the Prince Rupert Chamber of Commerce Monday night, Jack Gurvich announced that he was in agreement with Hon. E. T. Kenney, minister of lands and forests, that it was not practicable or justifiable to keep the Prince Rupert Highway between Terrace and Prince Rupert clear of snow during the winter. It had been estimated that it would cost \$50,000 to carry out snow removal in this area of the highway.

### Warm-Up at Ocean Falls

Arrows Had Rough Game at Taper Town But Won Easily. Warming up at Ocean Falls last evening in preparation for their series here, tonight and tomorrow, Vancouver Arrows hoopers took on the best the paper town had to offer while the Steamer Prince Rupert was in port there and won by a score of 47 to 25. It was a rough, rugged game and Coach Ted Milton took out some of his first-liners to save them from possible injury. Despite the Ocean Falls tactics, however, the Arrows were able to keep well ahead all the time, the first half score being 27 to 9. Top scorers for Vancouver were Herb Olsen, brilliant young intermediate, Jack Northup and Walter Bobeck.

### DENMARK PROBES ATLANTIC PACT

WASHINGTON, D.C.—Denmark intends to follow Norway in looking into the terms of the joint Atlantic defence alliance, diplomatic officials said today. Danish Ambassador Henrik De Kauffman was reported to be primed to go to the United States Department to submit Denmark's questions as soon as State Secretary Dean Acheson will see him.

Currently, Acheson and his top assistants are busy assembling facts requested by Norway's visiting foreign minister as a means of guiding Norway's decision.

### FISH FLOATS TO GET LIGHT

OTTAWA, B.C.—Fisheries Minister Robert Mayhew said last night that orders-in-council had been passed concerning three British Columbia projects. One gave authority for the entering into a contract for the installation of lighting on the fishermen's floats at Fairview Bay, estimated to cost \$6,500. The work will be performed by the Northern British Columbia Power Co.

### BOB LOVE TOPS P.C.L. SCORING

SEATTLE, B.C.—Bob Love, the high-scoring New Westminster centre, maintained the northern division lead in the Pacific Coast Hockey League scoring with a total of 79 points, figures released today revealed. Bill Carse of Vancouver was in second place, 10 points behind.

### TELLS ABOUT MICKLEBURGH

Bruce Mickleburgh, former Prince Rupert school teacher, is among Communist workers of this province who has been mentioned in a series of articles on Communist activities which has been running in the Vancouver Province. This is what is said about Mickleburgh:

### Lake Is Ruined By Dam Construction

Request of the British Columbia Natural Resources Conservation League for support of a protest against the "unsightly" condition in which Campbell Lake, Vancouver Island, was left after dam construction there in connection with power development was not acted upon when brought before the monthly meeting of the Prince Rupert Chamber of Commerce. Speaking on the matter, W. J. Scott said that the cost of clearing out stumps and other work would be heavy. In any case, the work was to be carried out gradually at low water seasons. The Conservation League complained that the lake had been left full of stumps, sport fishing had been affected and there was a menace to aircraft landing on the lake.

### BURNS LAKE TO GET FIRE HALL

BURNS LAKE—Plans are being considered for the erection of a fire hall here and Ian Bowell has been appointed chairman of the building committee. Arrangements are also being made for the purchase of a fire truck.

The local volunteer fire brigade now consists of 14 members and officers are: Chief, Smoky Hurtsfield, Assistant Chief, Richard Robinson, Secretary, Douglas Boyd, Assistant Secretary and Treasurer, A. Kilpatrick.

"The boys had a good sleep in spite of the rough trip," Milton told the Daily News this morning, "and you can tell Prince Rupert that they will give a good account of themselves tonight." The Arrow boss said his boys still remembered the fine reception they had here last year and they were glad to have the opportunity to be back again.

It is possible the Arrows may go on to Ketchikan for a game there tomorrow morning.

NEW HAND AT NATIONALIST CHINA HELM—Smiling with more confidence than is merited by the peril of Nationalist China Vice-President Li Tsung-Jen is shown in Nanking as he assumed the presidential duties relinquished by Generalissimo Chiang Kai-Shek. This photograph was made shortly after President Li conferred with ministers and decided to inaugurate immediate peace talks with the Communists. It is hinted that Chiang may take over Nationalist leadership again from Li.

### Unemployment Is Increasing

Already 25,000 Out of Work In Vancouver With 40,000 Forecast. VANCOUVER, B.C.—The Vancouver Labor Council predicts that unemployment in the Greater Vancouver area, already totalling 25,000, will soon top 40,000.

### ACTOR GIVEN SIXTY DAYS

LOS ANGELES—Film hero Robert Mitchum today was sentenced to 60 days in jail on a charge of conspiracy to possess marijuana cigarettes. Actress Lil Leeds, convicted with Mitchum on narcotics possession charges, also was given a 60 day term.

### CANADIAN FLAG ISSUE UP AGAIN

OTTAWA—The national flag controversy is before Parliament in the form of a private member's bill. It has been introduced by Roland Beaudry (St. James - Montreal). Mr. Beaudry said he felt this was a propitious time to revive the flag question because of the entry of Newfoundland.

### Strong Protests Made In Cleric's Persecution

WASHINGTON, D.C. (CP)—The House of Representatives foreign affairs committee today called for United Nations intervention in the case of Cardinal Joseph Mindszenty, sentenced to life imprisonment in Hungary for treason. The committee, calling the trial and imprisonment of the prelate, "persecution," said the case should be raised by the United States "either in the United Nations or by such other means as may be most appropriate."

### Not Aggressive But Peaceful

Acheson Challenges Russian Charge In Regard to North Atlantic Pact. WASHINGTON, D.C.—Secretary of State Dean Acheson of the United States today vigorously challenged Russia's charge that the proposed North Atlantic defence alliance is an aggressive move of the western powers. He told a press conference that the purpose of the pact now being drafted was "exactly the opposite."

### THE WEATHER

Synopsis: A storm of unusually severe proportions has developed to the north of the Queen Charlotte Islands and is now beginning to move down the coast. Southeast gale warnings have been issued for all sections of the coast. Moderate to heavy snow will blanket the interior while the coast will get a mixture of heavy rain and snow. Another storm moving in from the west will reach the coast tomorrow and cause continued unsettled weather.

### Forecast

Charlottes and North Coast—Overcast with intermittent mixed rain and snow today and Thursday. Southeast gales (45 m.p.h.) shifting to westerly (30) this afternoon. Colder tonight. Lows tonight and highs tomorrow: Port Hardy 30 and 35, Masset 25 and 35, Prince Rupert 25 and 32.

### RAINFALL BRINGS SLUSH TO RUPERT

After a mid-afternoon flurry yesterday snow came back with a rush and later a storm, closely approaching a blizzard, was well under way. Wind of gale-like proportions again blew but the flakes turned to rain before daybreak and calmness came back. Snow, some in good-size drifts, is today disintegrating.

### BASEBALL TALENT SIGNS CONTRACTS

NEW YORK, N.Y.—High price baseball talent signed contracts Tuesday. Joe DiMaggio, of the New York Yankees will net a reported \$90,000, a big raise over his last season's pay. Bob Feller of the Cleveland Indians will get \$40,000 plus bonuses on home attendance. Ralph Kiner signed with the Pittsburgh Pirates for around \$30,000 and Walker Cooper with the New York Giants for about \$25,000.

### RAW DEAL IN PRICES

By Fishermen in Connection With New Sockeye Regulations for Season. VANCOUVER, B.C.—British Columbia commercial fishermen complain that they got a raw deal in new regulations governing sockeye salmon in the Fraser River.

The fishermen say the fact that quotas were not included in the new rules announced yesterday gives American fishermen the lion's share of the catch. Sockeye fishing starts July 19.

### BRITISH WINS WELTER FIGHTS

### The Legislature Opens

CONSPICUOUS by their absence from our summation in yesterday's paper of matters upon which the provincial Throne Speech forecasts legislation at the newly opened Victoria session were the topics of sales tax, liquor control and labor statutes. Nevertheless, it is almost certain that British Columbia's Social Security and Municipal Aid Tax Act, Liquor Control Act and the Industrial Conciliation Arbitration Act will come up for discussion and will provide much kindling for sparks to be thrown during this fourth session of the 22nd Legislature. While it is not indicated that the government proposes to bring in legislation to amend these measures, Throne Speeches are often notable for what they leave unsaid rather than what they say. So we need not be surprised at what even yet may be on the legislative books.

The contentious matter of the Liquor Act is pretty likely to find itself before the 48-member House because both the Canadian Legion and the provincial Cabaret Owners' Association are scheduled to bring to a head recent demands for changes. The former seek the right for members to drink in any branch and the latter want drinks with meals and cocktail lounges.

As for the three percent sales tax some changes are still mooted, notably an increase in the minimum of non-taxable meals, a proposal brought in by the Railway Brotherhood lobby.

The C.C.F. may be trusted to advance the labor case for changes in the Industrial Conciliation and Arbitration Act.

The legalization of margarine is not likely to meet with much opposition in numbers except possibly for some of the simon-pure farmers including the minister of agriculture, Frank Putnam, who has already expressed himself on the matter. The Opposition has recorded its desire to repeal the 1935 Dairy Industries Act which prohibits the manufacture and sale of margarine in the province. The Throne Speech indicated that the government would recommend to the session removal of the provincial ban on the sale of butter substitutes but details of what possible controls the government may ask on the sale of margarine were not disclosed.

The various subjects on which the Throne Speech generalized such as public works, educational assistance, Pacific Great Eastern Railway, industrial development and flood control offer plenty of scope for talk among the solons and, undoubtedly, there will be plenty.

### PARKING IS CONSIDERED

Chamber of Commerce Is Making Recommendations to City Council

Prince Rupert Chamber of Commerce, on recommendation of its municipal committee R. H. Farker, chairman, has adopted a set of suggestions regarding restrictions in parking of cars on Third Avenue which will be sent to the city police committee for its consideration.

The recommendations follow a recent conference of the Chamber committee with Sgt. L. A. N. Potterton, chief of city police, when parking and traffic problems on Third Avenue were fully discussed.

These are the suggestions which, it is believed, will greatly assist in overcoming traffic and parking problems and will also be an aid for the safety of pedestrians on Third Avenue:

That both sides of Third Avenue between Third Street and Fourth Street be limited to twenty-minute parking from 8 a.m. to 6 p.m. and that suitable signs be erected in this area showing these restrictions.

That all taxi stands on Third Avenue between McBride Street and Seventh Street be allowed a marked off parking area in front of their respective stands with each taxi operator to be allowed one stand and space sufficient to park one or two cars depending on the number of cars belonging to the stand.

That no designated parking spaces be allowed on Third Avenue between McBride Street and Seventh Street for business or commercial cars excepting the parking space for taxi operators as defined.

That all buses be prohibited from loading or unloading on Third Avenue.

That stop signs be erected at all five approaches to the intersection of McBride Street and Third Avenue.

That pedestrian lanes be marked off at all intersections on Third Avenue from McBride Street to Third Street, this marking to be done after roads have been repaired and hard surfaced.

The committee had also recommended a limit to one hour parking from 8 a.m. to 6 p.m. on Third Avenue from McBride Street to Seventh Street but the Chamber felt that this was a problem for the city council to decide without suggestion from the Chamber.

The committee also felt that angle parking of trucks on Third Avenue created a serious hazard but also realized that, if it was prevented, a great hardship would be worked on transfer men, therefore it hesitated to make a recommendation.

The report of the committee led to considerable discussion. Mayor Arnold believed that parking meters were the only effective answer to main street parking. Frank Skinner thought that taxi stands should be on side streets. Joe Scott doubted that traffic was sufficient to justify stringent parking regulations. Ald. Harold Whalen doubted if the Third Avenue parking situation was so serious. E. T. Applewhite pointed out that the principal difficulty appeared to be between Sixth and Seventh Streets. Ald. T. B. Black observed that the only complaints about parking had come from the Chamber of Commerce. Any parking on Third Avenue might be confined to the Post Office block. W. M. Watts believed, Ald. W. F. Stone, chairman of the city council's police committee, was already considering measures being recommended.

### Commerce Chamber Getting Venerable

The charter of the Prince Rupert Board of Trade, which was taken out in 1906, outdates the Board of Trade Act of Canada.

This is the interesting information which the Prince Rupert Chamber of Commerce (formerly the Prince Rupert Board of Trade) has received from Evan McCormick, field secretary of the Canadian Chamber of Commerce in Montreal, who studied the constitution and bylaws of the local Chamber with "interest." The Under Secretary of State at Ottawa, E. H. Coleman, has also written to the Chamber here pointing out that, since the local board outdates the act, it was not necessary to file the bylaws.

A letter of acknowledgement has been received by the Prince Rupert Chamber of Commerce from Hon. E. C. Carson, minister of public works, to correspondence received from the Chamber in regard to Trans-Canada Highway development, particularly in regard to the Yellowhead route leading towards the coast at Prince Rupert.

### NO VACANCY IN C.N. DIRECTORS

Until such time as a vacancy occurs on the board of directors of the Canadian National Railways there does not appear to be much chance of British Columbia having representation on the board.

Hon. R. W. Mayhew, minister of fisheries and British Columbia's cabinet minister, has written to the Prince Rupert Chamber of Commerce saying that the membership of the board is fixed by statute at seven. Mr. Mayhew informed the Chamber that he had requested, when a vacancy does occur on the board, a British Columbia appointment be considered. The local Chamber has been urging the appointment of a British Columbian to the C.N.R. board since the furthest west director at present resides in Toronto.

DOES THIS CHEQUE belong to YOU?

Nearly 40,000 cheques — worth some two million dollars — covering last year's Compulsory Savings Refund for 1942, are still unclaimed. They belong to Canadians who have changed their name or address, or both, since 1943, and failed to notify the Government.

This year, cheques, which are going begging — worth up to as much as \$15,000,000 — should be going out this March to as many as 200,000 Canadians for the return of 1943 and 1944 Refundable Savings. But proper names or addresses are lacking.

Do any of these refund cheques belong to you?  
 Have you changed your name or address, or both, since 1943 and haven't notified the Government? If so, we urge you to fill in a Change of Address Card and mail it as soon as you possibly can. You'll find these cards at any Post Office.

WHEN YOU RECEIVE YOUR REFUND... why not put that money in a savings account at the B of M? It's money already saved... you won't miss it... you'll be glad of it in meeting emergencies or opportunities in the months ahead. Thousands of B of M customers have built up a tidy sum this easy way.

### Here's a Story "Big Business"

Any story of Canada's largest life insurance company — the Sun Life Assurance Company of Canada — is a story of "big business" because more than 10 million people the world over are safeguarding their lives and security of Sun Life policies.

The ever-growing goodwill which is enjoyed by the Sun Life of Canada is due to the diversity and liberality of the Company's life assurance policies, to the character of its representatives, and to the promptness and efficiency of its service to policyholders, throughout its entire 78 years' history.

Last year alone, payments amounting to more than \$100,000,000 were made to Sun Life policyholders and beneficiaries.

THE SUN LIFE STORY of 1948 is made up of many thousands of individual records, each a simple human document, yet of vital importance to those concerned:

**The Story of Mrs. M.B.H.**  
 ... is a tragic one. She lost her husband in an automobile accident and was left alone with three young children to care for. But to her husband, responsibility reached beyond death, and his Sun Life Family Income policy provides for the family until the youngsters are grown up, and then gives to the widow a regular income for life.

**C.J.S. Was a Good Salesman**

**Better Schools:**

In the last article the broad outline of the subjects to be covered in the series on Better Schools was given. We would like to discuss plan-

A series of articles by Parent - Teacher Council

ning a school building program. This takes into consideration many factors.

First we must survey our present schools. Obviously the occasion for the erection of new buildings is that the present buildings fail to meet the current and anticipated educational needs. Therefore, we must gather all the available data and interpret these facts to indicate to what extent we will go to be educationally and financially sound. A few topics to be considered are as follows:

Are sites accessible to present and future school population?

Are adequate sites available as to size and topography with sufficient space for physical needs?

Will the building be fully and functionally utilized?

How many rooms will be used all day?

Can some rooms do double duty?

Will present buildings be adapted to the current or anticipated building program?

Will buildings be economical to administer, supervise and operate?

Secondly, we must ascertain population trends. This includes both numbers and developing areas. Also we must consider probable trends toward changes in educational program and organization.

Thirdly, we must determine the financial requirements to meet the building needs. This includes outstanding debts against present school district. How long before they will be amortized? Is the present time the right time considering building costs, to build new schools?

The whole project should be budgeted, taking into consideration the receipt of all monies from all sources and all anticipated expenditures.

### BASKETBALL AT TERRACE

TERRACE—Basketball at the Civic Centre is going ahead well with two teams getting in a lot of practice on Wednesday and Thursday nights. It is expected that there will be more newcomers and that three teams can be formed. Sponsors for the teams are J. H. Smith and Johnstone and Michiel and coaching the lads S. Howlett, D. Bain and Lloyd Johnstone.

On the first team, with Dave

Bain as coach, are Charlie Cote (captain), Bud Kirkaldy, George Haugland, Gunnar Paulson, Jim Proctor, Roy Clifford, Bob Bissonette, Ross Gillanders, Harvey Hobenschild.

Second team will comprise Steve Howlett (coach), Ronnie Paulson (captain), Gerald Toop, Don and Dave Gillanders, Bob Koch, George Koefoed, Pat Johnson, Denis de Kergonmeaux, David Benoit, Douglas Cushman.

### Between the BASKETS

As this column is being read today, rival coaches of the Prince Rupert All-Stars and Vancouver Arrows are planning their respective strategies to be executed for the enjoyment of the fans at the Civic Centre this evening. This, the second annual Vancouver-Prince Rupert series, is drawing interest rivaling the recent Globe Trotter show simply because Prince Rupert already has two straight victories to its credit over the smart Vancouver outfit and it is expected Alex Bill will produce two more before Thursday midnight.

In a Vancouver report published yesterday, the remark regarding a "successful" jaunt up this way last year by the Arrows caused a bit of comment around the Civic Centre last evening. Many were curious as to why Mr. Milton or anyone down that way might call the trip a "success." After all two losses in two games could easily be called the opposite!

Seats for this series are still available at the Civic Centre, a few reserved for this evening and, of course, the usual number of rush for each night. Don Forward, Civic Centre secretary, announced last evening at the Port Simpson-Savoy game that he expects a complete sell-out so those who are not already equipped with duets might do well to call the Civic Centre now.

It is learned with regret that that fighting crew of ladies representing Miller Bay Hospital in the Ladies' League has been forced to withdraw from competition due to injuries and general shortage of material. These

### CITY TEAMS TAKE TWO GAMES IN BASKETBALL WITH PORT SIMPSON

Savoy 52, Port Simpson Seniors 23  
Port Simpson Intermediates 29, Merchants 23  
North Star 23, Port Simpson Juniors 20

Port Simpson basketball teams on Tuesday invaded Prince Rupert for a one-night stand against local opposition. The series took the place of the usual regular league games in the Civic Centre Gym.

In the final game of the evening Port Simpson Seniors succumbed to a vengeful Savoy squad, whom they had defeated on their home floor several weeks ago. The final score was 52 to 38.

Savoy opened their offensive at the start and quickly took the lead which they never lost. Simpson had difficulty in their shooting and this held down their scoring. The quarter ended 11 to 4 for the locals. In the second quarter Savoy were sparked by Pierce as they widened their ever-growing lead to 15 points at half-time—25 to 10.

In the third quarter Simpson began to click and cut the big lead to 12 points. Their passing and pivot plays were working with Ed Sampson coming through with 4 big points. The quarter ended 38-26. The driving Simpson offensive continued and they reached to within 8 points

of Savoy when it was stalled and Savoy banged in several quick baskets. The fast breaking play continued with no let-up to the final bell.

Port Simpson played a driving offensive game that worked the pivot for many lay-ups. Their passing and teamwork was smooth although at times their speed was too fast for their type of play on a big court.

Savoy featured a fast-breaking attack that was clicking all the game. Pierce led the scoring with 25 points. In the final quarter they came up with smooth passing and working the pivot.

### DEJONG'S WALK OFF WITH "A" LEAGUE HONORS

Second session of the final third of the Ladies "A" Five Pin League saw DeJong's take a one-point lead in the league standings on the strength of a 3-0 victory over Orange. De Jong's now have six points and no losses on the record.

In individual scoring, Agnes Pierce of De Jong's garnered all the honors, bowling the high single game with a 289 and the triple with 818 for an average of 273.

De Jong's rolled the highest team score of the session, 2,949.

### CITY TEAMS TAKE TWO

(Continued from Page 4)

ed the Merchants team 29-23. The game was close for the first three quarters and then, in the final 8 minutes of play, Port Simpson banged through the Merchants' defence for easy lay-ups. Both teams had a hard time finding the basket in the first half with the resulting low score. Merchants held the lead at the quarter 6-3 but a determined Simpson offensive led by Bryant and Sankey took command in the second quarter and held the lead at half-time 13-8. In the second quarter the Merchants' offence was completely absent as they only connected for one field goal.

The third quarter commenced with Merchants starting a bid for the lead. They came close and were only behind 18-17 as the final quarter was rung in. Both teams came out fighting hard for all loose balls. Merchants tied it up at 21-21 but from then on it was all Port Simpson as they put on the pressure and took the lead. As the time was running short Merchants became desperate and left their defences wide open and lost all chances as the final bell ended the game.

#### CLOSE JUNIOR GAME

In the opening Junior game the local North Star squad came out with a 23-20 win over the Port Simpson Juniors in a nip and tuck scoring game that was close all the way. Simpson played a zone defence, the first time North Star has come against it this season. The first quarter was even with one team getting used to the other. In the second quarter North Star began breaking through the zone and took a 12-10 lead at half time. Simpson had the greater height

but could not make effective use of it for rebounds.

In the third quarter the play featured passing and teamwork with fast breaking when the chances came up. North Star came up with several chances for breaks but most of them were muffed. North Star increased their lead to 6 points only to see it brought back to a 2-point lead as the quarter ended 16-14. The Port Simpson attack slumped momentarily but picked up again in the final quarter. North Star again opened up a lead of 7 points 13-16 but a determined Simpson attack slumped momentarily but picked up again in the final quarter. North Star again opened up a lead of 7 points 13-16 but a determined Simpson attack slumped momentarily but picked up again in the final quarter. North Star again opened up a lead of 7 points 13-16 but a determined Simpson attack slumped momentarily but picked up again in the final quarter.

Both teams played a snappy game. The ball was on the move all the time. The play was wide open utilizing all the floor. It was the first time that a Port Simpson Junior squad has visited Rupert and they showed a style of ball equal to the Junior playing in the city.

Everett Pierce of Brownwoods is going to end up if he maintains the current hot pace he is setting in the Senior League. Last night against Port Simpson he put on a terrific show that netted him over the twenty mark in the scoring column and his general all-round play is improving each time out. One of the youngest players in the Senior League, Pierce is also recognized as the fastest thing on a fastball diamond to turn up here in years. He is definitely one of the main reasons why Brownwoods have picked up four of five games in recent weeks.

Last night was Port Simpson night at the Civic Centre when the visitors played to a large crowd losing two games and taking one. It has been the general wish of all concerned in basketball circles here that Port Simpson would come up with a team to present some serious competition for our Seniors. Last night the Simpson lads did try but from general appearances they are not ready yet and may not be for a while. In the intermediate bracket they picked up a win that they deserved and they were deserving simply because they got out there and out-hustled Sid Woodside's Merchants who proved amply that it will be necessary to look somewhere else for Senior players next year. Displaying aimless fouling tactics and general ineffectiveness in shooting the locals did not look as though they would come through in an average Junior League. Let's go fellas, time's awastin'!

Many Matters Dealt With by Terrace Board of Trade

**TERRACE**—In answer to a letter which had been sent to Byron Johnson, premier of British Columbia, protesting the condition of the highway as far as Prince Rupert, Hon. E. C. Carson, minister of public works, has written the Terrace Board of Trade that the Board could not be advised of what maintenance work was to be undertaken until this year's appropriation for highways had been announced. Since that time, as reported by Will Robinson, Hon. E. T. Kenney has announced in Prince Rupert what work was to be done on the highway out of that port. A rock crusher and grader will be put into service on the highway.

Letters of inquiry from two sources as to the prospects of farming and opportunity of employment in the district were read at the recent Board meeting from interested parties in New Westminster and Saskatoon, each letter expressing a desire on the part of the writer to come and settle here. These letters were turned over to the agricultural committee for immediate attention.

A publicity committee will also deal with the Associated Board of Trade's letter regarding a planned immigration scheme. Information on the town and district, with agricultural data, business and all opportunities for immigrants will be listed for presented to all interested parties even as far away as B.C. House in London.

Any member who is likely to be travelling south during the latter part of April will be asked to be the board's delegate to the Pacific Northwest Trade Association convention to be held in Bellingham on April 25 and 26.

The board will endorse by a letter to the executive council of B.C. the action of the B.C. Natural Resources Board of Conservation League in protesting the policy of the B.C. Power Commission in installing a dam as at Lower Campbell Lake and leaving the lake full of rubble and snags. The league wants the snags removed and state that the ground should be cleared before the dam is made.

Mr. Norrington reported that he had answered an out-of-town electrician's inquiry with regard to an opening for him at Terrace by saying that there is now an electrician established in business here and that, un-

der present conditions, there is not the business for more than one here.

The Board will pay the \$5.00 fee to the United Council of the Associated Boards of Trade. It was also decided to purchase 100 Board of Trade 1949 car stickers.

A vote of thanks was extended C. Adams for his work in preparing a petition signed by local citizens asking that the military hospital on the hill be opened up, as it shortly will be, as an institution.

W. Robinson reported that interest has not died down with regard to the clay deposits in the district and it is still hoped that a brick plant will be established here.

C. A. Kaulbeck was admitted as a new member.

**OFFICERS OF SHRINE BAND**

Prince Rupert Shrine Club Band elected officers and heard encouraging reports at its annual meeting in the Civic Centre Monday evening. F. M. Gulland was re-elected president.

The financial report, read by treasurer Rupert Fulton, showed the band to be in a healthy condition. Bandmaster Peter Lien outlined a program for the coming year. He pointed out that the band was improving rapidly and said that he already is working on music for the next concert.

Technical progress of the band, he said, had inspired him to select more difficult music and it was up to the instrumentalists to train themselves to make acceptable presentations of it.

The following officers were elected:  
President, F. M. Gulland.  
Vice-President, Jack Mussallem.  
Secretary-Treasurer, W. D. McARA.  
Executive Committee—L. A. Brain, Neville Gerrard, G. Varfeldt.  
Bandmaster, Peter Lien.  
Librarian, F. Partridge.  
Assistant Librarians—W. Back, N. Pavlikis.  
Finance Committee, Rupert Fulton.  
Band Management Committee—Peter Lien, F. M. Gulland, Auditor, Neville Gerrard.
