**Bowls Battle Honors Close**

With only two weeks of play since the teams were divided into two divisions indications are for close battles and see-saw shifts in standings. In last week's play Mansons and Blow-Outs were left on top of the heap winning from Noble and Wick and Wharf Rats.

High ladies scorer was I. Garner of City Transfer with 304 and 706.

High men's scores were made by R. Shearer of Sports Shop with 343 and 700.

Team results were:  
Northern Lights 4, Macey's 0

**Jock Campbell Wins Tourney**

Coming up from behind to win in spectacular fashion, Jock Campbell yesterday afternoon became the winner of the Canadian Legion's second handicap

English billiard handicap tournament, defeating Rod Smith by a narrow margin of 17 points in a 200 point match.

Campbell, who had a handicap of minus 30, was slow in getting started and Smith playing scratch had scored 65 points before his opponent had wiped off his handicap. Smith was still well in the lead at half time, a lead which he maintained until 164 was reached when both players were even.

Campbell played a steady game after getting started, making breaks of 30, 23, and 18 and two 16 in quick succession to secure the lead. Rod Smith's best breaks were 23 and 13. Campbell missed a good opportunity to win the prize for the highest break, falling one point short of the 31 break made by Neil Cameron in the present tournament.

There was a good attendance of members, all of whom were agreed that the match was one of the best games of the season. The result certainly showed that the handicaps had been skillfully arranged.

A new table has been purchased for the Legion's new premises and another tournament will be started shortly after the building opens at the end of this month.

**Betty Hamilton Shower Honoree**

The home of Mrs. A. S. Hamilton was the scene of a delightful surprise shower on Friday evening in honor of Mrs. Hamilton's daughter, Helen Betty whose wedding to Rupert Holkestad will take place March 31.

The bride-to-be was welcomed with a shower of confetti then seated in a chair decorated in pink and blue streamers where she was presented with beautiful corsage of pink carnations by the hostess, Miss Shirley Taylor. A mock wedding was the highlight of the evening and a game of Bingo followed.

A delicious lunch was served and a toast was proposed to the happiness of the guest of honor by the hostess, Miss Hamilton then cut a mock wedding cake. Those present were Mrs. Pat Ward, Mrs. Lenora Slader, Mrs.

Betty Holkestad, Mrs. Lorraine Smith, Mrs. Jane Everhart, Mrs. Jean Holkestad, Mrs. A. S. Hamilton, Mrs. Yvonne Quick, the Misses Shirley Taylor, Nellie Bill, Mickey Murray, Anne Dumas, Jackie Budanich, Rusty Thain, Marjie Brain, Lorraine Barbe, Lorraine Youngman, Edith Jordan, Jeanne Husoy, Christine Currie, Irene Kildal, Irma McKinnon, Arletta Hamilton, Betty Stardale, Aussie Holkestad, Diane Kennedy. Those not present but sending gifts were Miss Joyce North, Mrs. Carl Johnson, and Mrs. N. A. Robertson.

**I guess we do depend on Nickel**

Aeroplane parts must have dependable strength and minimum weight. That's why Nickel alloys are used. In the engine, landing gear, and through the ship Nickel alloys are found. In the galley, the hostess prepares the food surfaces made of bright, sanitary Nickel.

Forty-three years of research have uncovered hundreds of uses for Nickel in the United States and other countries. Now Nickel exports bring in millions of U.S. dollars yearly. These dollars help pay the wages of the 14,000 Nickel employees and also help pay railwaymen, lumbermen, iron and steel workers and other men and women making supplies for the Nickel mines, smelters and refineries.

**IN EVERY LIFE**

**Canadian Nickel**

The jet engine has developed only as new Nickel alloys were proven able to stand up under the terrific temperatures and strains essential to jet operations.

## WHAT IS HOME WITHOUT A GARDEN?

AS SOON AS POSSIBLE—In most parts of the country gardeners will have to content themselves largely with planning and dreaming and reading the seed catalogues. Until weather and soil really start to warm there is not a great deal of active work possible. But there are a few jobs that could and should be done.

Fruit trees can be pruned and thinned and also the late blooming shrubs. For the other kind it is usually best to wait until the flowering season is over. One can also prepare hotbeds or flats for early sowing. Often, too, there is a spot in the garden where frost leaves early and the soil dries sufficiently to sow sweet peas.

**SWEET PEAS**—To do well, sweet peas must go in early. If one follows directions on the seed packet success is guaran-

teed. Dig a trench about a foot or so deep. Tramp in some well-rotted manure, leaves, etc. Top off with two or three inches of the finest and richest soil available and plant in this about three inches apart. Let the weather gradually fill in the trench to encourage deep root growth. Provide the necessary climbing material—strings or brush—and when the plants start to bloom clip daily.

**LAWN WORK EARLY, TOO**—Lawn grass is another plant that likes to get started early. One can't sow too soon in the spring. Some people even broadcast over the last snow and as it melts it carries the seed down into the soft earth. On a sloping place, of course, this might not be advisable when running water might carry seed away. Good grass seed usually comes in packages, and it consists of a blend of several different grasses. Some of these germinate quickly, providing some color and also the necessary protection for the later more permanent sorts. For shady locations one should get a special mixture. Either for patching or new lawns grass seed lightly raked in. Like most should be sown liberally and plants grass will appreciate good soil and an occasional application of fertilizer. New grass is easily pulled out so one should make sure the mower is sharp.

**HOTBEDS AND WINDOW FLATS**—Where a large quantity of started plants are needed one can save expense by growing in a hotbed. It is best to get a government bulletin which will give the details of construction and maintenance. Briefly the affair is simply a bed of rich soil mounted on a layer of horse manure or something similar that will generate heat and the whole protected by a rough wooden frame on which is a sloping window. Or one can use a shallow box, three or four inches deep. Fill with a mixture of fine soil, sand and leaf mould. Until seeds germinate cover lightly with cloth or blotting paper. Water through this and don't let soil dry out.

### Local Man Visits French Riviera

Arthur Silversides, pioneer local business man, enjoying a trip abroad, has been heard from at Nice, France. Mr. Silversides had fine weather on his ocean crossing and tells C. A. E. of having "a wonderful time everywhere."

**SET 'EM UP, PIN GIRL!**—This new bowling ball machine made its debut in New York recently. The ball, after being tossed down the alley is directed or rolled into a slot and the weight of the ball sets an automatic lever in motion, raising the ball to the return rack. It's a boon to pinboys and, if the ease of the job now makes it attractive to young ladies like this, it may prove a boon to those players who are inspired by pulchritude to greater accuracy.

### MUSIC AND DRAMA (Continued from Page 1)

teachers, members of casts of the plays and all other interested people. The meeting will be on Friday night after the Festival and refreshments will be served. Suggestions for program changes were considered. After much deliberation the committee concluded that rearrangement of classes now would be more upsetting than helpful.

Seven trophies in the form of silver cups are to be presented to contestants in this week's Music and Drama Festival, six of them being awarded for drama efforts and one for choral achievements. All seven cups are being attractively displayed in the window of the Northern B. C. Power Company by awards chairman, Rudolph Olsen.

The most handsome cup is the Mayor Arnold Trophy. It was the first cup to be donated to the Festival Association and older committee members regard it fondly, feeling that it came as the first tribute to their own enterprise. It is awarded to the best senior actor each year and is held at present by Mel Skalmerud.

Mrs. Dorothy Keehn holds the cup donated by the Prince Rupert Fishermen's Co-op for the best senior actress in 1949.

The cups for the best junior actor and actress were donated by the Parent-Teacher Council,

the original sponsors of the Prince Rupert and District Music and Drama Festival. These cups are held by Melvin Moore and Marjorie Leeman respectively. The Council also donated a third cup to go to the best junior drama group, won by the Booth High School in 1948 and 1949.

The Department of Education offer two cups—one for the best senior drama group, held both years by the Prince Rupert Little Theatre; and one for the best junior choir, donated last year and awarded to the St. Andrew's Junior Choir, under Peter Lien.

All cups are held for one year by the winners, then small replicas are given them to keep when the cups are turned in for the next year's Festival.

Each entrant in the musical section is given a certificate of participation. Those attaining a certain standard receive medals. Competition is becoming keen in some of the musical classes—especially pianoforte—and more trophies or awards in some form could be used.

## Arbitrate Wage Scale

Ex-Mayor Arnold to Represent City on Firemen's Pay

Ex-Mayor Norah Arnold was appointed as city representative and T. W. Brown as solicitor for the city to sit on a board of arbitration regarding the setting of a wage scale for city firemen. Appointments were made at a special meeting of council Monday afternoon.

The city is offering an increase of two and one-half per cent over the present wages but firemen are demanding 15 per cent. The firemen will appoint a representative and the two representatives will then appoint a chairman. Council members expressed the desire to obtain the services of Judge W. O. Fulton as chairman.

Alderman T. B. Black chairman of the wage committee, reported that "your committee has carried on prolonged negotiations with the various unions involved, and in line with their policy over the past several years, it is recommending that various unions be offered increases . . . effective January 1."

The committee recommended that firemen's wages should be as follows:

Probationers—\$175 for a period of six months.  
First year firemen—\$207 per month.

Second year firemen—\$219 per month.

Third year firemen—\$230 per month.

The committee also recommended an additional week's holiday with pay annually due to the men working on statutory holidays. This means that after a year's employment with the department a fireman would be granted a three week holiday.

For inside and outside employees and telephone operators, an increase of two and one half per cent was also recommended. The committee asked for an adoption of the current scale paid by the B. C. Electric Company as a scale for electrical workers.

## Beauty Queens At Jaycees' Party

St. Patrick's Day was celebrated in true fashion Friday night at the special dance sponsored by the Junior Chamber of Commerce with over four hundred Prince Rupert folk joining in on the festivities.

The competitors for the title of "Miss Rupert" were introduced to the audience dressed both in evening gowns and bath-suits. Those taking part in the finals April 28 will be Misses Iona Hardy, Beverly Mattson, Margaret Gagnon, Edna Ronald, Betty Campbell Joyce Tattersall.

The introduction of the beauty show contestants was followed by a mock beauty show with six of the Junior Chamber members dressed up in elaborate costumes representing movie stars in costume from Betty Grable to Rita Hayworth who showed up with her husband Ali Khan.

H. Homes was the winner of the portable radio which was the door prize for the evening. Music was provided by the Four Dukes Orchestra. The entertainment chairman was George Tomlinson.

The proceeds of the dance will go towards the J. C.'s projects which include building of new road signs and welcome signs in the city.

#### Local Insurance Man is Leader

Ed. Mussellam of Prince Rupert led all representatives of the Great West Life Assurance Co. on the British Columbia mainland for production of new business during the month of February. It was announced by Kenneth Thomson, branch supervisor of the company from Vancouver, who was here during the past week and left Friday for Prince George. Discussing Mr. Mussellam's future career as an underwriter here, Mr. Thomson expressed the opinion that, in view of the record, his appointment as full time representative here was amply justified.

### SHIPS and WATERFRONT

According to word from the south, the number of American yachtsmen cruising the inside passage this summer will equal, if not surpass, anything in the past. Vessels will travel to Vancouver under their own power, as well as by flat car, trailer and deck load. Some of the cruising parties expect to spend the whole summer on the coast between Puget Sound and south eastern Alaska. The season will be featured by several races and regattas!

C.P.R. steamer Princess Norah, Capt. Graham Hughes, arrived here at 10:15 yesterday from Vancouver, sailing at 12 noon for Ketchikan and points north. Passengers disembarking for Prince Rupert included Mrs. H. R. Hindle, Mrs. Joan Walker, Mrs. E. Brown, F. Gray, Mrs. M. Archer, Leonard Wilson, R. P. Gilchrist and L. W. Leffer.

Union steamer Coquitlam Capt. John Boden arrived in port at 8:15 this morning from Stewart and Alice Arm and sailed for Vancouver and waypoints at 1:30 p.m. Passengers disembarking for Prince Rupert were Mrs. J. B. Leite, A. E. Nelson, J. Clark and J. F. Benson from Kip-solith; James Lydger, Mr. and Mrs. J. Bradley, W. E. Herman, J. Smith and D. Matheson from Stewart, and Ross Lamb from Alice Arm.

### Marriage Of Much Interest

Quiet but of widespread interest was the marriage which took place last Friday evening in St. Andrew's Cathedral when Miss Marguerite Eleanor Smith, daughter of Mr. and Mrs. J. Mansell Smith of Aik, Alberta, became the bride of Norman H. Haywood, son of Dr. and Mrs. A. K. Haywood of Vancouver.

Canon Basil S. Proecker officiated and Peter Lien presided at the organ.

The bride was pretty in her beige and navy suit with navy picture hat and red cobra trim. She carried a red cobra bag and wore similar colored shoes with white baby orchid corsage.

Miss Patricia Steele, the bridesmaid, wore a beige and gold suit with brown accessories and vel-

### Western Picture Accents Action

Combination of fact and fiction is the action-filled "Younger Brothers," starring Wayne Morris, Janis Paige, Bruce Bennett, Geraldine Brooks and Robert Hutton, showing Wednesday and Thursday of this week at the Capitol Theatre Thrills and romance abound as the four Brothers' starring Wayne Mor-ranch land which had been pillaged so they could return to their homes. As outlaws, in a bank robbery scene, clash heading for Prince Rupert there is enough gun play and hard riding to suit the most avid of action fans.

The setting for "Younger Brothers" filmed in color, is set against certain portions of Minnesota against the Missouri border. Law and order were in a constant state of clashing and, in the midst of this atmosphere, moved the Younger brothers with their desperate deeds.

John Knowles, former taxi operator in the city, left for Vancouver today aboard the Coquitlam.

### To Advertisers

To insure publication of display or classified advertising copy for same must be in the office of the Daily News by 4 p.m. the day previous to advertising. Requirements of the mechanical department make this rule necessary.

### St. Pat's Party Aboard Steamer

One of happy St. Patrick's Day parties in Prince Rupert was that when members of the Prince Rupert Gyro Club and their friends to the number of about sixty went aboard the steamer Chilcotin for a delightful dinner dance. The ship was decorated in green and white and there were lapel shamrocks and caps for each of the guests. There was even a specially printed menu.

Capt. Harry McLean and Chief Steward H. Humphreys excelled themselves in co-operating with W. F. Stone, chairman of the Gyro committee, arranging the affair.

After full justice had been done to an excellent turkey dinner, dancing was enjoyed in the after-social hall with music by Andy McNaughton.

Those attending were Gyro President and Mrs. A. J. Dominato, Mr. and Mrs. W. F. Stone, Dr. and Mrs. Jens Munthe, Mr. and Mrs. R. S. Collinson, Mr. and Mrs. Alex Mitchell, Mr. and Mrs. M. G. Gormely, Mr. and Mrs. Charles Forman, Mr. and Mrs. Bruce Rogers, Mr. and Mrs. W. D. Lambie, Mr. and Mrs. E. D. Manson, Mr. and Mrs. Alf Rivett, Mr. and Mrs. James Donaldson, Mr. and Mrs. Duncan McRae, Mr. and Mrs. J. J. Ehli, Mr. and Mrs. C. G. Ham, Mr. and Mrs. W. S. Noble, Mr. and Mrs. G. A. Hunter, Mr. and Mrs. S. J. Hunter, Dr. and Mrs. A. W. Large, Mr. and Mrs. W. A. Armstrong, Mr. and Mrs. Frank Skinner, Mr. and Mrs. George Cook, Mr. and Mrs. N. R. Young, Dr. and Mrs. R. G. Large, and G. J. Dawes.
