Cost of Living

THE cost of living index in Canada has probably had its final upward fling with its spectacular advance of almost an entire point between the first of May and the first of June. Signs are not lacking that there should be an early levelling off, one of these signs being the trend of recent months in the United States in line with which it is to be expected, owing to the close economic relationship, Canada may before long fall.

While a continued climb might be viewed with some alarm, a too sharp decline might be equally undesirable. The desirable thing now would be a gradual recession of living costs, always keeping in mind the necessity of an accompanying easing of production costs with possible greater efficiencies. Such must eventually come and the sooner the better.

LET'S FLY THE FLAG

IT DOES NOT always follow that, because the date is the First of July, every Prince Rupert staff has a flag flying. Last Friday there appeared to be a scarcity of the national colors. Bare poles were common enough. And while on the subject, why is it so frequently the case that in Canada, Canadian and American flags appear together? United States visitors are not impressed. When tourists come here they want to feel that they are really away from home. That's why they come. They are, of course, very welcome. But they want to find Canada "as is."

HALIFAX AND RUPERT

THE MAYOR will send a congratulatory message to Halifax on the occasion of that city's bi-centennial and also give pertinent facts concerning the developing port of the far west—Prince Rupert. That's all to the good for plenty of worthy, though misguided, folk down east still have weird notions. For example, they feel Halifax harbor is Canada's best. A cruise off Prince Rupert might start an argument.

BRITAIN WARNED

SOCIALISTS IN BRITAIN and apologists for the Labor government are very much worried about strikes and slowdowns and the trend to slackness and laziness. They are calling for an intensive campaign of education to impress upon the workers the ideals and principles of Socialism. There is a feeling among the milder Socialists that perhaps social services have gone too far and that nationalization should be slowed up. They insist that moral incentives must be created, that the people must be imbued with a sense of personal responsibility and public duty if Socialism is to be "made to work." They suggest that, for the time being, there should be a combination of Socialism and Capitalism, and that free enterprise should be encouraged. Sir Stafford Cripps demands "greater efficiency in production" and Herbert Morrison warns against the illusion that the State can give things away without the people earning them.

Mother of James Lee Passes Away

James L. Lee, city pioneer and manager of the Atlin Fisheries here, received word today of the death in Fraserburgh, Scotland, of his aged mother, Mrs. Georgina Lee. Besides Mr. Lee here, there is another son, William Lee, in St. Andrew's Scot-

land, and two daughters, Mrs. J. Matheson of Aberdeen, Scotland, and Mrs. L. B. Lambly of Naramata. There are four grand-children.

DOUGLAS, Isle of Man — A scarecrow is the last word in tailoring compared with London postmen, said S. Franklin, London delegate to a Union of Post Office workers' conference.

LIKE FATHER, LIKE DAUGHTER—Believed to be the only father and daughter team seeking election in the House of Commons in the recent federal campaign were Patrice Brunet, running under the Social Credit banner in Ottawa East, and his daughter, Cecile Brunet, who was contesting Hull for the same party. Jeanne Thompson Shower Honoree

Mrs. J. R. Carr Hostess at Delightful Pre-Nuptial Affair

A bridal shower of much interest was held at the home of Mrs. J. R. Carr, Borden Street, in honor of Miss Jeanne Thompson, R.N., bride-elect of George Perdue of Vancouver.

The early evening was spent in playing games which proved highly amusing to all present. Then the bride-elect was seated in a chair beneath a canopy of pink and white streamers and a large white wedding bell. A large humpty dumpty pie was carried in and placed before the guest of honor. On removing Humpty Dumpty's face, many beautiful gifts with colorful wrappings were revealed.

After the opening of the gifts, Miss Thompson thanked every-

one for their good wishes and the delightful presents.

Those present at the shower, besides the hostess, were the Misses Jeanne Tompson, Gladys Foster, Agnes McIntosh, Sheila McRae, Margaret McLeod, D. Sharpe, Mesdames Thompson, Foster, Macdonald, O. K. Faught, W. Faught, Hapala, Webber, Ciccione, Santurbane, Petroff, Penoff, Scherk, Skinner, Skogmo, Clapp, R. G. Large, R. W. Large, Chell, Barelay, Olsson, Irvine, McAr, Rorie, McClintock, Moore, Young, Harding, Howe, Greene, Humphrey, Whitaker, Nickerson and Stone.

STARVED ON BEAUTY SYDNEY, Australia — Although their food was worth about \$5 a mouthful it failed to keep alive two mice received here in a basket from India. The mice had been unwittingly shut in with a consignment of choice orchids and had tried to survive by eating the plants.

LUCKY BRIDE—Fred Patt, 37-year-old London, Ont., service station operator, puts the final touches on the four-foot 120-pound cake he baked for his wedding Saturday to Mary Hebb. Fred took up baking as a hobby when he was 10 and has become quite proficient as this cake shows. He values the cake at \$250 and both he and his British-born bride are proud of the finished product. Ray Reflects and Reminisces

If the route of that red and white striped barrel had led through Kitselas Canyon during a freshet, the canoe escort might have had a tidy job keeping the set-up in mid channel.

around for a few hours, swinging a stick, instead of living in clubs, cars and beer parlors when not at home, there might be fewer sojourns in hospitals.

Heart attack is given as the cause of the death of a pet pooch, whose owner (living in B. C.) passed on a couple of years ago. The doggie had been left well provided for—even occupancy of a bed chamber and bath every other day. If Tower had slumbered in a kennel, rustled around for his chow, with a bone to chew on now and then, along with an occasional fight, he'd doubtless been alive and flourishing today.

A taste for buttercups—harmless and fanciful whim in itself—is said to be gradually growing in some western communities. Practical and vigorous development of this trend along recognized commercial lines is not without possibilities. It might have satisfying business and culinary results. It could also help rid Prince Rupert lawns of the yellow nuisance.

People in Eastern Canada keep insisting there is a golf course in Prince Rupert. There is nothing of the kind, of course, but if more people would get out in the fresh air, and stall

Sun and Showers Needed By Crops

Dull, if somewhat dry, weather which has prevailed so far this spring and early summer has not hampered the potato and pea crops but has slowed up the growth of such sun-requiring lines as tomatoes and corn. It is reported by W. C. Little, veteran farmer of Woodcock, who was in the city over the week-end on business. Sunshine, with the odd shower, is what the Skeena River country needs now, said Mr. Little. He returned home yesterday.

ILLEGIBLE BUT EFFECTIVE CHRISTCHURCH, N. Z. — A medical specialist here wrote a letter to a friend. The answer came back: "Thank you for your letter. I was unable to read it, but it did enable me to get two hot water bags." Hot water bottles are rationed in parts of New Zealand.

RECOVERY OF REAL VALUES

Just as the world had recovered from the jazz era after World War II so it would regain its equilibrium from present tendencies by a return to Christian values, predicted Rev. George E. Sendall, pastor of First Presbyterian Church, in the course of sermons on Sunday. In the morning, the pastor discussed the cardinal virtues of prudence, temperance, justice and fortitude and in the evening the theological virtues of faith, hope and charity. He declared that Christianity and communism could never harmonize since one owed responsibility and allegiance to the spiritual God and the other to the materialistic state.

FATHER OF YEAR—Syl Apps, former captain of Toronto Maple Leafs of the National Hockey League, has been named father of the year by the Canadian Father's Day Council. The council cited his sports record and the encouragement he has given young Canadians as a coach of various hockey teams and as Ontario Athletic Commissioner, a post from which he retired early this year. Peering over Syl's shoulder at the \$100 cheque that went with the award are his son Bob, 7, and daughter Joanne, 8. The younger members of the Apps team are Carol, 5, and Sylvanus, 2. Syl turned over the cheque to the Society for Crippled Children. (C. P. Photo)

TENTH INNING HOME RUN FAILS TO GIVE PRINCE RUPERT VICTORY

Ketchikan 5, Prince Rupert 4

A tenth-inning home run by Miner Simundson gave Prince Rupert All-Stars a last-minute lead in the second game of the international baseball series at Ketchikan Monday afternoon but it was snatched away from them by a two-run recovery which gave the Alaskans victory by a score of 5-4.

The loss was a somewhat bitter pill for the Prince Rupert team for it had dominated the game through most of the innings, only to wind up with a 3-3 tie in the ninth. Simundson's homer into left field gave what looked like a winning run for the locals.

However, they reckoned without Ketchikan's staying power, for the northerners bounced right back in the second half of the tenth to score two runs which brought them their second win in two days.

Despite the fact that Prince Rupert took a 2-0 lead in the second—a lead which it held until the eighth, the game had a feeling of uncertainty, particularly on account of the way Prince Rupert batters continued to clout high flies to the eager Ketchikan fielders.

Ketchikan's southpaw pitcher George Russell, a veteran of semi-professional baseball in California, gave up only four hits in the 10 innings, but his fielders did plenty of work to keep Prince Rupert off the bases.

Jack Rosedale, Prince Rupert moundman, also a port side hurler, gave up 13 hits in 9 1/3 innings, but struck out 10 batters.

Russell struck out only one batter in 10 innings.

In the second half of the crucial tenth inning, team manager Alex Bill withdrew Rosedale, replacing him with Dick Letourneau. At that time, Ketchikan had scored the tying run—off a base on balls which was driven home by Leon Bass. Letourneau faced a situation which no pitcher would envy.

With two men on bases, he struck out Russell, providing a ray of hope for the locals. However, Bud Taylor, Ketchikan shortstop, clouted Letourneau for a single which scored Dick Johnson for the winning run.

To get back to the second inning which gave Prince Rupert its initial lead, Nick Pavlikis got on base on a fielder's error and was followed to first by Cliff Dahl on a single. Arney then got on first on a fielder's error, filling the bases. Don Scherk made an infield hit which was muffed by shortstop Bud Taylor, scoring both Pavlikis and Dahl.

Jack Rosedale turned in a sterling performance in the first inning when he struck out two men with one down and the

bases loaded. Carol Bass got on base on a single, Gail Jones by a base on balls and Shorty Contreras on a fielder's error. Then Pinky Tomlinson, a notable hitter, came to the plate. Rosedale fanned him for the second out. He was followed by Mark Busanich who also struck out.

Ketchikan scored in the third when Carol Bass singled, stole to second and was brought home on a single by Gail Jones.

The fifth inning presented another interesting situation which must have cost Rosedale a few gray hairs. With one man out, Ketchikan got three men on bases—all on singles—then put in a pinch-hitter named Bill Easton.

Easton attempted a sacrifice bunt, which was picked up by catcher Dave Abel, who hurled to first. First baseman Stan Cornwell threw to second, catching the runner off base for a double play which retired the side.

Ketchikan went into the lead in the eighth when Dick Contreras doubled and was brought in by Erickson. Tomlinson, who got on base on a fielder's choice, came home on a long fly to right field by Johnson.

Nick Pavlikis singled in the ninth and was scored by Cliff Dahl, who grounded out. Score even.

Then came Simundson's home run in the tenth, which was offset by two scoring runs by Ketchikan as the rain began to fall heavily.

Battery Wins Over Legion

Soldiers Still Unbeaten in City Football League

Heavy Battery, yet to be beaten, continued its winning ways in last night's North Star Trophy City League Football competition by defeating the Canadian Legion eleven by two goals to nil.

Legion won the toss but Battery was the first to press. A Parkhouse to Aex Gomez move was broken up by Smith. Gomez retrieved the ball but shot over. Vuckovich stopped Greer. Smith stopped Parkhouse. Eby's long clearance was picked up neatly by Armstrong but Dunbar stopped the Legion surge. An Alexander to Murray to Armstrong move gave Battery some concern but Morgan cleared capably. Vuckovich was stopped by Smith. Dunbar was prominent. Murray picked up the loose ball but Morgan caught and cleared his long drive. Battery pressed as a Vetch to D. Gomez to Vuckovich move was stopped by Eby. Parkhouse was nearly through but Eby was on the spot again. Mazzone did well to stop Murray as Legion attacked but Ferguson stopped Armstrong and Alexander. D. Gomez' low drive was blocked by Eby, Ward collecting the ball but driving over. Murray made a good run but Dunbar stopped the drive. Play moved quickly to the other end with Krause clearing D. Gomez' long shot. Ferguson broke up a neat Baxter to Newbolt combination. Murray and Armstrong continued, forcing a fruitless corner as Legion still pressed. Parkhouse' shot was blocked. Then Ward drove a hard shot over the bar. Play continued interesting as a Vetch to Ward move was well stopped by Bremner. Murray got past Mazzone but F. Gomez broke up the play. Mazzone stopped Armstrong neatly.

After the interval Battery moved to the attack although a Vetch to Ward move was partly stopped by Bremner. Battery closed in. Vuckovich's weak shot was stopped by Krause. Then, with the Legion defense in a tangle, D. Gomez drove a hot one across the goal mouth but Eby and Greer scrambled the ball away. Krause was forced to save again as Parkhouse came close. Legion broke loose with a neat Armstrong to Newbolt to Murray combination (Continued on Page 5)

SWIM CLASSES ARE STARTING
Weather permitting, swimming classes will be given on Tuesday, Thursday and Saturday afternoons at McClymont Gyro Pool for boys and girls from the ages of 8 to 15.
There will be three age groups. Those boys and girls from 8 to 10 wishing to receive instruction will meet at 3 p. m. for one-half hour instruction. Ages 11 to 12 will meet at 3:30 while the last group, ages 13 to 15, will have their half hour from 4 to 4:30. The pool will be closed to the general public during these hours so that the staff can devote their time to this venture. Mrs. Gatzke, Miss Pottle and Mr. Miles will be in attendance on the playground during the summer months and will supervise these lessons. Registration for the classes will begin Wednesday afternoon at McClymont Park with any of the above members of the staff. A small registration fee will be charged for these lessons and the money will be used to buy sport equipment for the playgrounds.

but Morgan cleared nicely. F. Gomez made headway. Then D. Gomez set up Ward who scored with a long high drive that Krause reached but could not hold. Baxter and Newbolt combined nicely but F. Gomez defended stubbornly. Battery pressed and cleared a corner. Ward's well taken corner had Krause beaten but Eby headed clear. Legion forwards combined nicely but Morgan cleared competently from Armstrong. Veitch fed his forwards but Smith sent them back. Ward was dangerous. Then D. Gomez shot just past as Battery started to press again. Veitch drove a beauty that Krause did well to push over the bar. Legion attacked but Morgan cleared Armstrong's hard drive. Seconds later Morgan was forced to punch clear again as the Battery defense had a weak moment. F. Gomez cleared strongly and a Parkhouse to D. Gomez move resulted in the latter pushing the ball past Krause but Referee Woodside disallowed the goal as the play was obviously offside. At the other end Armstrong shot just past. Legion attacked again with Armstrong coming close. Army defense was tangled but Mazzone cleared. Battery forwards combined well and forced the play. From A. Gomez' well taken corner, Parkhouse drove the ball past Krause for the Battery's second counter.

Battery continued to press. Vuckovich showed some neat footwork. Krause cleared shakily. Smith cleared strongly, but Mazzone stopped Murray. Parkhouse was nearly through but Eby cleared well. F. Gomez and Dunbar combined to stop Armstrong and Baxter. Parkhouse was nearly through again as the final whistle sounded with the Battery the winners by two goals to nil.

Teams:
Battery — Morgan; Dunbar, Ferguson, Veitch, F. Gomez, A. Gomez, Vuckovich, Parkhouse, D. Gomez, Ward.
Legion—Krause; Smith, Eby, Bremner, Yelland, Greer, Newbold, Baxter, Armstrong, Alexander, Murray.
Referee—S. P. Woodside.
Linesmen—P. Bond, M. Halvorsen.

COMMENTS:
It was a good game to watch. Morgan was very safe in goal but had little to do. Dunbar and

A banquet, business session and church parade were features of the program. Here Edna Smith, left, of Moncton, N.B., farthest east point represented, and Joyce Hassell, right, of Powell River, B. C. look over the program with Sgt. Pearl Aplin of Toronto.

Ferguson were generally able to hold the Legion attack. Mazzone was a sound half. Veitch set up his forwards nicely and just missed with a hard drive in the second half. F. Gomez played a hard effective game. A Gomez did well, his corner resulting in the Battery second goal. Vuckovich tried hard. Parkhouse scored one of the Battery goals and drove hard all the way. D. Gomez played his usual effective driving game, and set up the first goal. Ward, always fast and dangerous, scored the first Battery goal with a fine shot.

Krause did well in goal and had no chance with the shots that got by. Smith was effective, Eby was very safe. Bremner worked hard. Yelland played a hard driving game. Greer was very effective and, as usual, didn't waste a thing. Newbold did well for his first game, working nicely alongside Baxter who played his usual neat passing game. Armstrong spearheaded most Legion attacks but was given little chance to shoot. Alexander tried hard. D. Murray was fast, and crossed some fine centres.

This game was played in spite of continuously falling "moun-

tain dew." The field should be nice and clean for the next regularly scheduled match in the North Star competition. The game between Canadian Legion and General Motors to be played on Friday night.

Once a crackerjack track performer herself, Myrtle (Montreal Star) Cook believes Canadian girls aspiring to berths on the Dominion's team for the British Empire Games will have to do a lot of homework to reach standards set by the committee. She admits the standards are tough—they're identical to those for last summer's olympics. But she feels that is as it should be for competition at the games will be keen, judging from the performance of girls from the other Empire countries last summer.

Myrtle, who anchored Canada's record-shattering relay team in the Olympic games of 1928, rates Pat Jones of Vancouver as the Dominion's best runner at the moment. She says the 220 is the toughest and most important race. The committee wants it done in 26 seconds and Myrtle recalls that was her own time for the distance once at Hamilton—but she left the track horizontal.

Empire games trials are scheduled for Toronto July 15 and 16. Myrtle thinks Pat Jones and Toronto's Viola Myers, both finalists in last summer's olympics, should be able to reach the 11.2 asked for the century.

Elaine Silburn of Montreal and Pat Jones are Myrtle's choices for reaching the 17' 6" required for the broad jump. She's pretty certain the pair will represent Canada in other events, too, because in Miss Cook's books both are versatile track stars. The Canadian girls will stand their best chances in the relays, Myrtle believes, and she hopes the committee selects the team carefully.

CUSTOMS-EXCISE REVENUE LOWER

Customs and excise collections at the port of Prince Rupert for 1949 are lagging behind 1948. The revenue for June this year amounted to \$37,392.10, compared with \$60,188.90 in the same month of 1948, bringing the total for 1949's first six months to \$236,436.09, as against \$264,056.29 in the first half of last year.

an earlier effort to have anglers' licenses made available for sale in hardware and sporting goods shops in addition to the game office. Commissioner Cunningham told the meeting that a request should be made to the Commission through the game warden and that the Commission would pass on the recommendation to the department of finance, which controls the revenues from fishing licenses.

A similar request made to the Government Agent's office here resulted in a reply to the effect that, in the past, the practice of selling anglers' licenses through sporting goods shops had resulted in complications over collections. However, licenses would be placed for sale at the Canadian Legion office in addition to the game office.

Mr. Cunningham said that in other parts of the province it is customary for hardware and sporting goods shops to handle anglers' licenses.

However, Mr. Cunningham said, sale of big game licenses through such channels will not be allowed. The many varieties of big game licenses available often confuses inexperienced store clerks. In some cases prosecutions have resulted because hunters have been sold the wrong type of licenses when out after a particular type of game.

The Game Commission is trying to put predatory animal hunting on a scientific basis and is hiring predator hunters but these are scarce and difficult to find, he said.

Commissioner Cunningham and Inspector Gill, who arrived here from the Queen Charlotte Islands, made a survey of game conditions and prospects there. The Commissioner said that he hoped, "by this time next year, to have mountain goat liberated on the Queen Charlotte Islands, also squirrel and beaver."

He was not in favor of releasing mink, however, because of the threat they posed to other wild life.

Hope of the immediate construction of a fish hatchery in this district must be delayed, he told the meeting. Policy of the Commission is to install a chain of hatcheries in the north, but the work is beginning in the Cariboo and will be carried north as time and funds allow.

Following the business session, the 40 members present enjoyed two outdoor color films shown by Mr. Cunningham.

Mr. Cunningham and Mr. Gill left for the interior today.

Miss Gloria Ann Sawka Is Bride of Bronson Bussey

A gown of traditional white satin was worn by Gloria Ann Sawka when she became the bride of Alan Bronson Bussey at First United Church here at 8 p.m., Thursday, June 30. Rev. George Sendall, of First Presbyterian Church conducted the rite.

The bride, daughter of Mr. and Mrs. William Sawka, 704 Seventh Avenue West, was attended by Miss Marjorie Weatherby, maid-of-honor, and Miss Edith Jordan and Miss Elsie Mintenko, bridesmaids.

The groom, who is the second son of Capt. and Mrs. William Bussey, 309 Eighth Avenue East, was attended by Jack (Brick) Eby.

Given in marriage by her father, the bride looked radiant in a gown of white satin with long lace sleeves and round neckline. Her trailing veil was carried by little Loretta Vaecher whose dress was also of white satin, and three-year-old Dennis V. Sawka, nephew of the bride who wore an Eton jacket with bow tie. The bride's bouquet was of American Beauty roses.

The church, which was filled with friends, was banked with a myriad of early summer blooms for the occasion.

Miss Weatherby was gowned in pink taffeta, while Miss Jordan wore a gown of yellow brocade. Miss Mintenko's gown was of mauve brocade. All wore matching floral headresses with white ribbons.

Ushers were Vernon Ciccone and Neil Stromdal. Henry Playm played the organ in prelude to the ceremony and during the signing of the register.

A reception, attended by 250 guests, followed at Valhalla hall which was adorned with floral

decorations. Guests were received by the mothers of the bridal pair. The bride's mother wore an evening gown of black crepe, set off with white accessories and corsage of pink carnations. The mother of the groom was gowned in black crepe crowned with a pink hat and corsage of pink carnations.

A three-tier wedding cake adorned the bride's table, flanked by white candles in silver candlesticks. Toast to the bride was proposed by Dr. L. W. Kerwin, with response by the groom. Toast to the bridesmaids was proposed by the groomsmen with response by Neil Stromdal.

A highlight of the reception was the introduction of Mr. and Mrs. Graham Shute, uncle and aunt of the groom, who with their small son, Dale, had motored from their home in Boston, arriving here in time for the wedding.

Latter part of the evening was spent in dancing to music by Andy McNaughton and "Pop" Riel at the piano.

The bride and groom left on the Prince Rupert at midnight for Vancouver, where they will take up residence. The groom will write examinations in electrical refrigeration, a course which he completed at Winnipeg recently.

For travelling, the bride chose a three-piece suit of grey gabardine with navy accessories.

Raspberry Jam is Wonderful
made the Easy "Sure-Results" Way...
with **CERTO**

2. Boil hard one minute only. (The boil is so short it cannot dull the natural colour or spoil the lovely fresh-fruit taste. They stay right in your jam.) Remove from heat and stir in half-bottle of Certo. Stir and skim by turns for just 5 minutes to cool slightly and prevent floating fruit. Then ladle into glasses and paraffin quickly.

3. You get 10 glasses instead of 6. Because you don't have to "boil down" your jam to make it set, practically no juice can waste away in steam. So you get about 10 glasses instead of the 6 you'd expect from long-boil recipes (Certo helps ALL fruits to jell perfectly with an average yield of 50% more jam or jelly).

Certo is nothing but fruit pectin—the natural substance in fruit which makes jams "jam" and jellies "jell"—extracted and concentrated for easier, quicker, better jam and jelly making. The name "Certo" is a trade-mark.

Look for book of 78 tested Recipes under the Label

A POUND OF JAM OR JELLY MADE WITH CERTO CONTAINS NO MORE SUGAR THAN A POUND MADE THE OLD, LONG-BOIL WAY.

A. No guesswork — sure results. With Certo Fruit Pectin you get 78 kitchen-tested recipes—a different one for each fruit. While the season lasts why not make several kinds of jam and jelly for those long winter months? But be sure to follow the Certo recipes exactly... don't change a thing... and your jams and jellies will always turn out right.

Francois Lake

Bernard J. Kirby of Victoria recently arrived here and will be one of the engineers on the new Francois Lake Ferry. He has come from Victoria and his wife and family will join him shortly. They will live in one of the new cottages at Southbank.

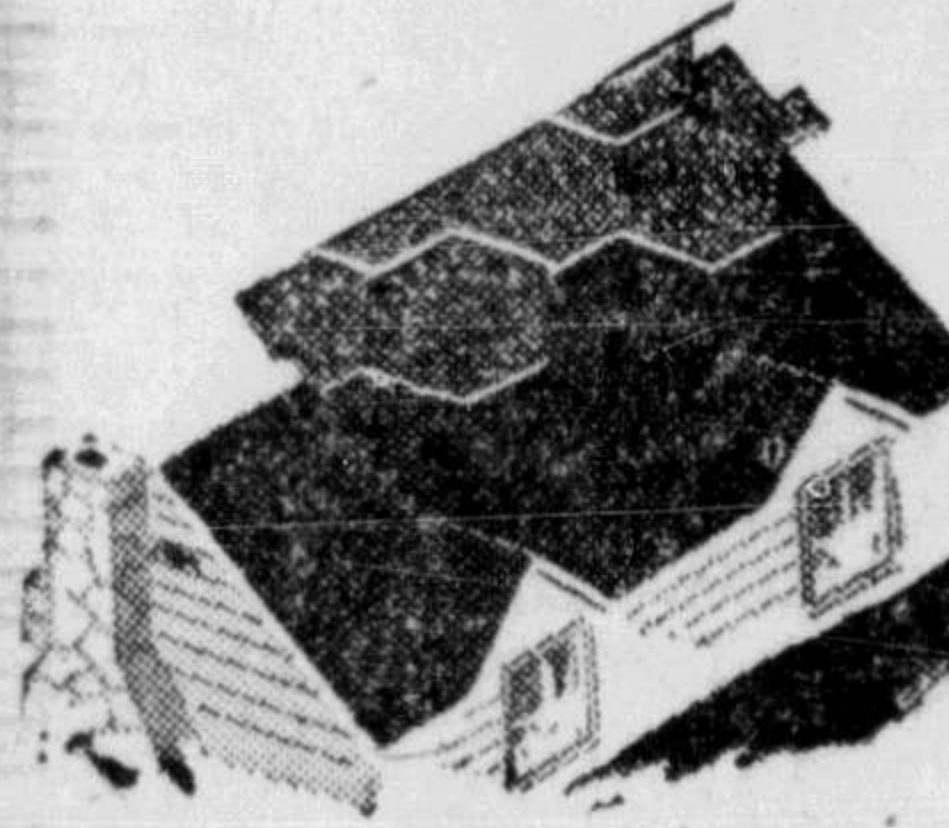

Joe Hendricks has arrived from Seattle with a truck load of furniture for his summer home. Mrs. Hendricks will probably come later on in the summer.

The Public Works gang has been working on the construction of a new ramp on the dock for the new ferry. As soon as it is completed the ferry will be in operation.

This has been a windy and cold spring so far and growth is not as fast as usual. Rain is also needed.

Mrs. M. Tetreau represented the Uncha Lake Women's Institute at the Conference at Topley. Delegates from Francois Lake Women's Institute who attended were Mrs. R. Partington and Mrs. D. Cassidy. The visitors were Mesdames Earle Hanke, C. Snyder, P. Peebles, K. Routley and H. Neave. All enjoyed the meeting very much and were glad to meet the members from other Institutes there.

Delightful Shower for Miss
Jeanne Thompson

A delightful linen shower was held recently at the home of Mrs. J. W. Eastwood, 719 Fulton Street, honoring Miss Jeanne Thompson, R.N., whose marriage to George Perdue will take place on Thursday. Co-hostesses were Miss Gladys Foster and Mrs. Jack M. Evans.

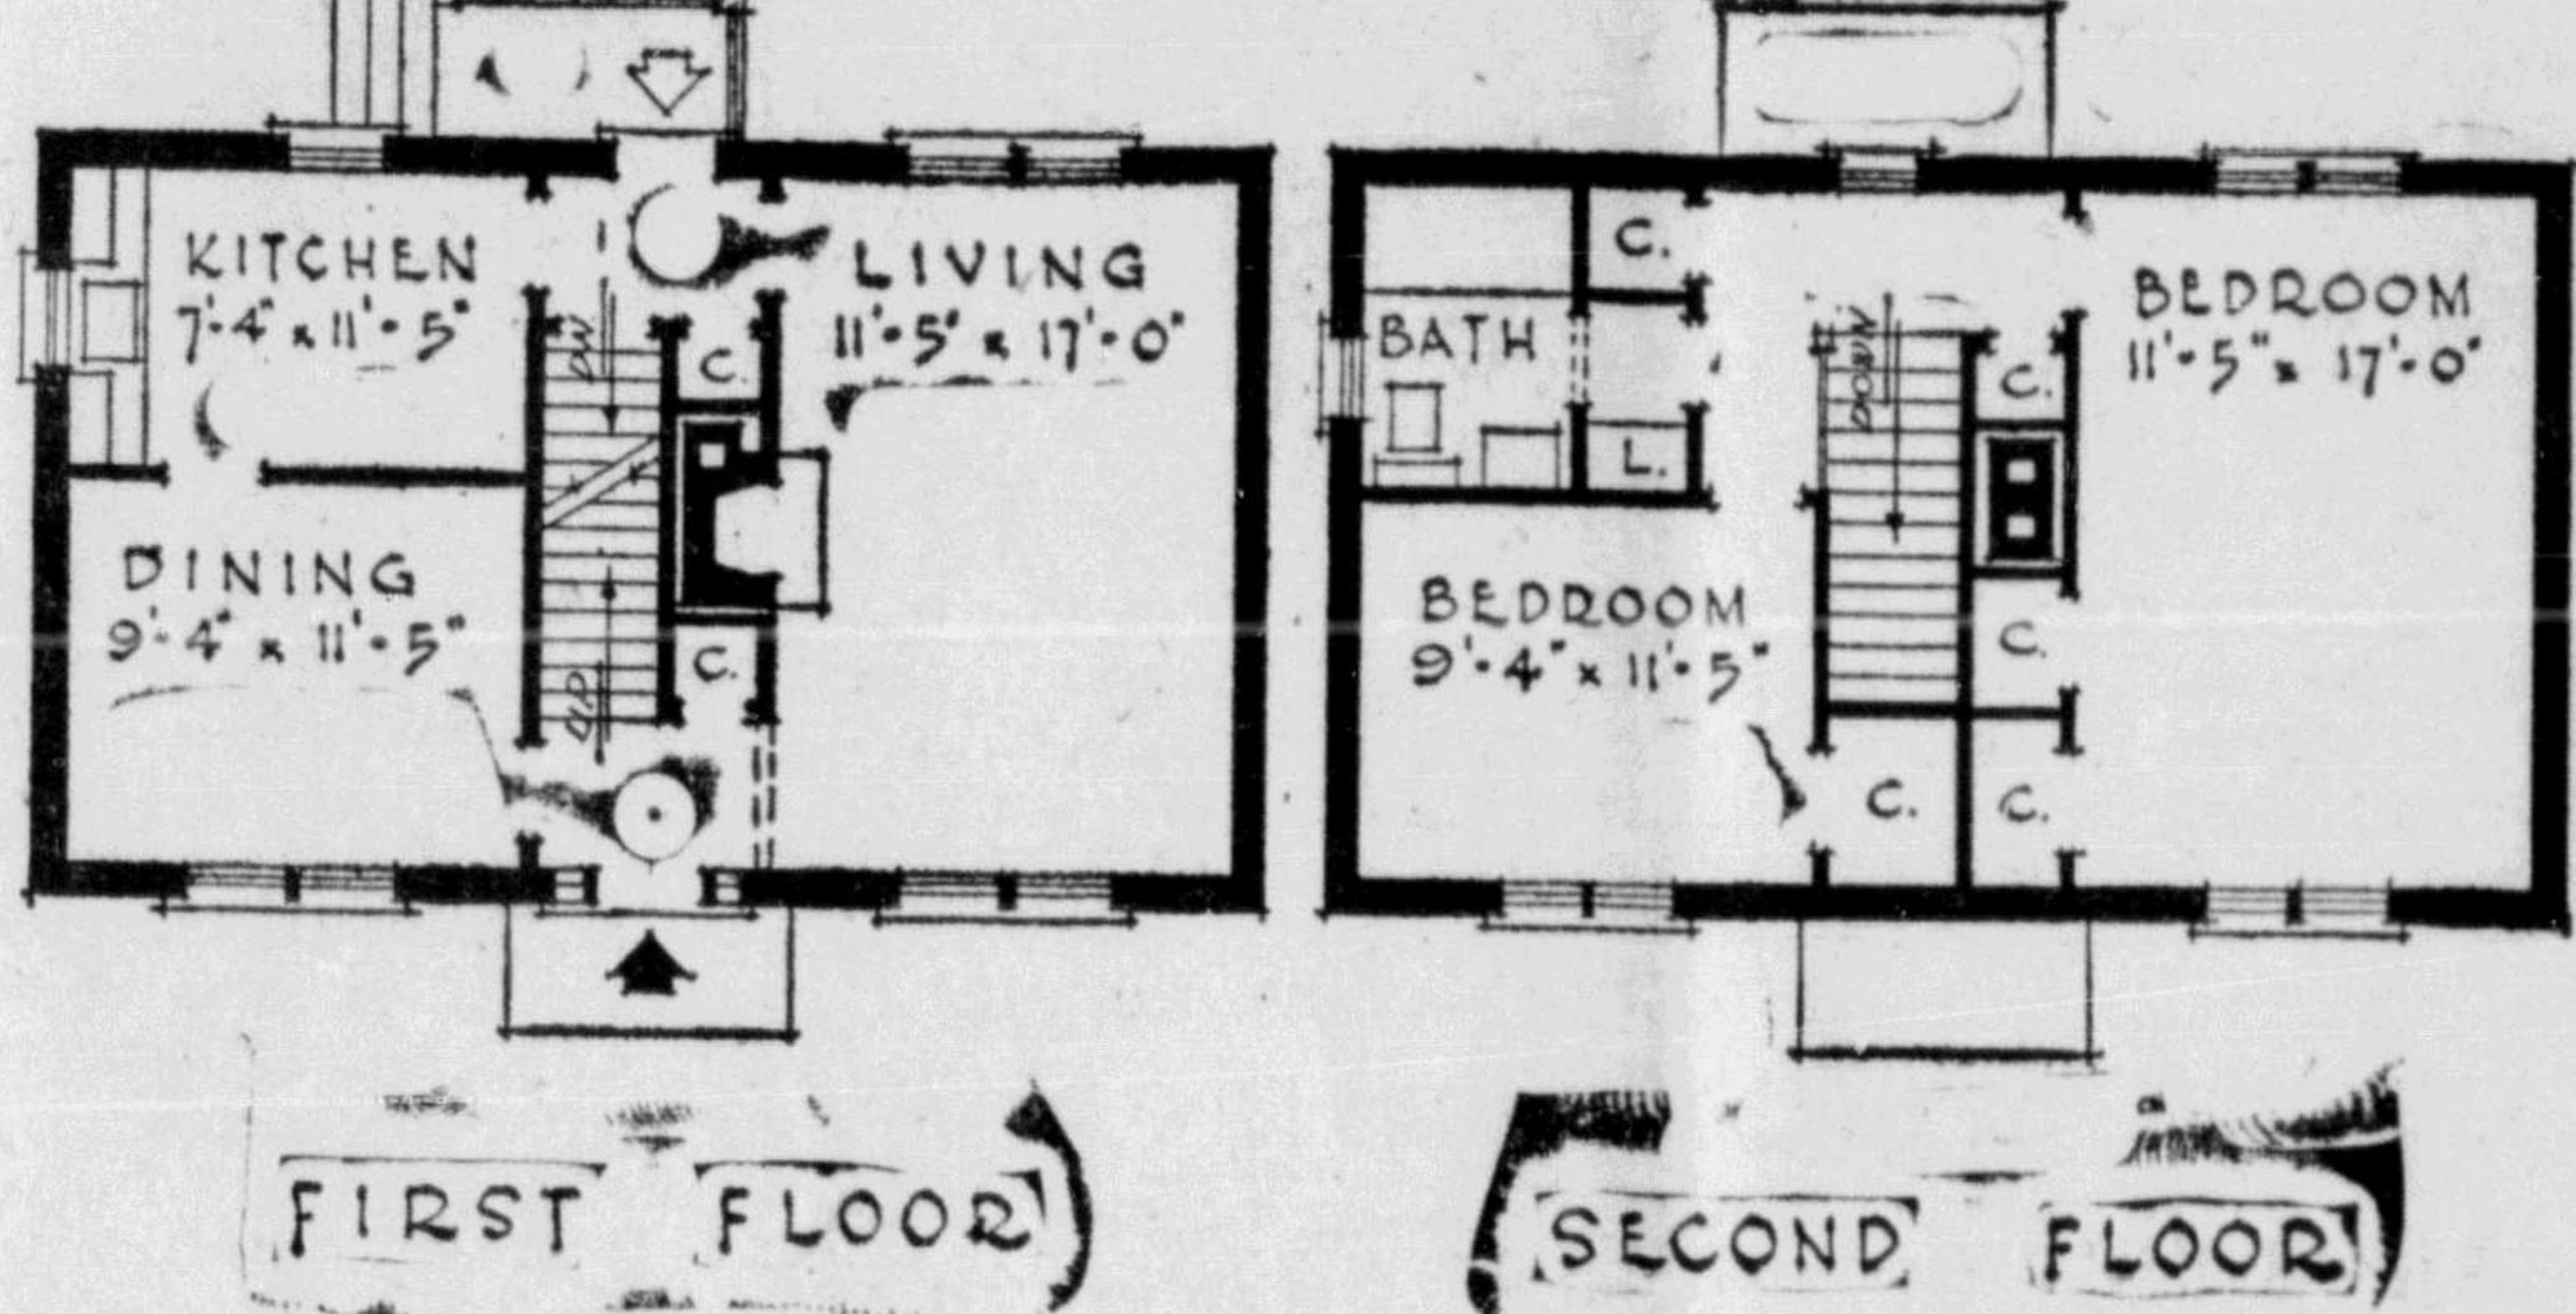

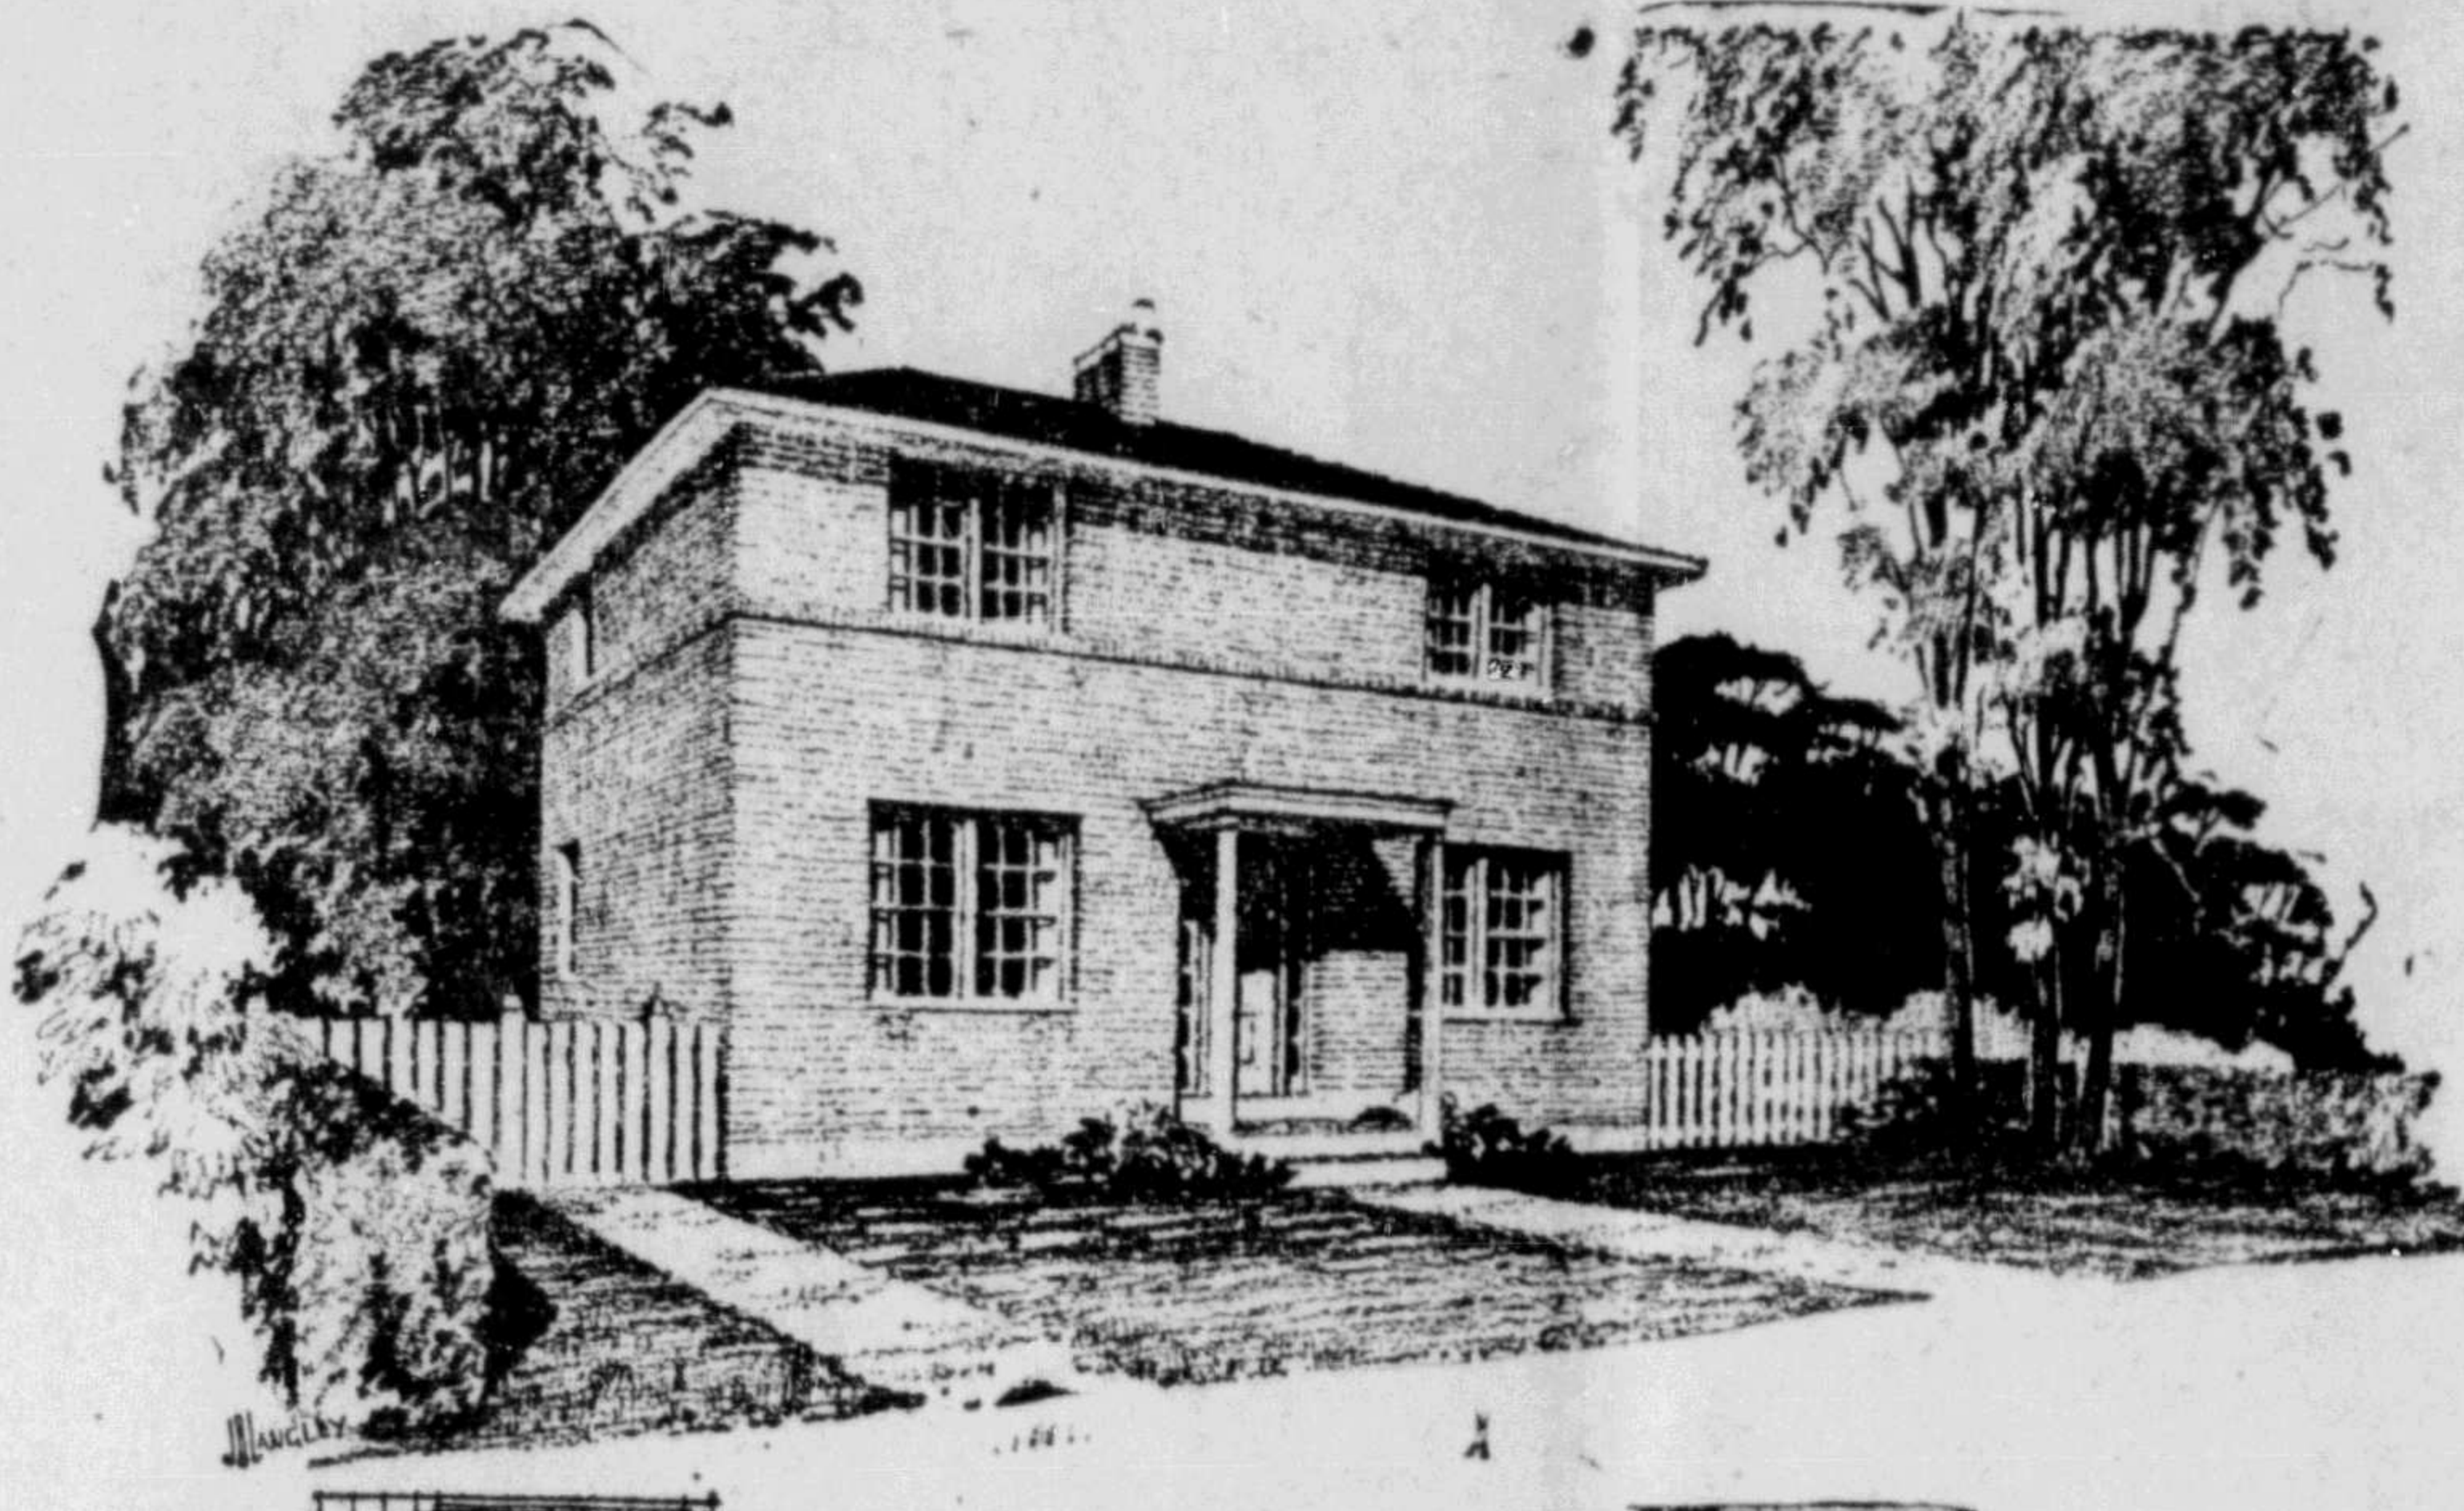

During the evening novelty games were played leading up to the presentation of a large laundry bag filled with gifts of linen which were graciously received by the bride-to-be.

Following the opening of the gifts, delicious refreshments were served with the guest of honor cutting a decorated shower cake, topped with a miniature bride and groom.

Guests included Miss Jeanne Thompson, Mrs. Andrew Thompson, the Misses Galdys Foster, Dorothy McLeod, Frances Moore, Glenna Moore, Marjorie Anstey, Pat McRae, Mary McDonald, Ruth Jacobsen, Barbara Johnson, Peggy Large; Mesdames, E. R. Foster, A. Mitchell, J. W. Eastwood, J. Leeming, R. Judge, J. Rutherford, J. Dinsmore, J. Peterson, Crawford Moore and J. N. Evans.

BLACKHEADS

simply dissolve and disappear by this one simple, safe and sure method. Get two ounces of peroxide powder from any drug store, sprinkle on a hot, wet cloth, and wipe gently—every blackhead will be gone.

Although this Colonial type house is not large, its simplicity of line creates a dignified appearance. It is meant for a wide lot, with its wide frontage and fairly narrow depth. The perspective shows the exterior wall finish as brick veneer but the dimensions of the working drawings are so arranged that the house may be built of frame, brick veneer or solid masonry. The exterior dimensions are 30'10" x 18'8" and the total floor area for estimating purposes is 1,152 square feet.

SHIPS and
WATERFRONT

The steamships Princess Alice and Princess Adelaide of the Canadian Pacific B.C. Coast service, very well known for years in Prince Rupert and Alaska, will have a change of scenery. After almost forty years in the northwest, the vessels have been sold to a Greek shipowner and will ply under changed names in the Mediterranean passenger service. It is not known what figure has been paid. It was the Princess Alice, then a new and handsome craft that brought the Duke and Duchess of Connaught and party to Prince Rupert, during the vice-regal tour of Western Canada. This was in the summer of 1912.

Captain Martin Skog, for twenty-four years active in the salmon and deepsea fishing industry on the west coast, died recently in Vancouver. His age was 47. Burial was on Thursday. He became a top-liner in salmon, halibut and herring operations, and was widely known in the industry. Much of his time was spent in the employ of the B.C. Packers.

GRADUATION
AT SMITHERS

SMITHERS — The graduating class of the Smithers Elementary School were entertained at a banquet in the Elementary School last Monday evening. Sponsors were Principal J. Rhynek, the pupils Grade VIII and their parents who provided the food, with the assistance of the local P-T.A. Mrs. Clinton Johnson and Mrs. Bante served the dinner.

Grade VII pupils together with teachers from the Elementary and High Schools and a few friends attended the Ball held after the banquet.

FRESNO SHRINE
PARTY IS HERE

Carrying 82 passengers, 70 of which were members of a cruise party of Shriners of Tehran Temple Fresno, California, the Union steamer Chilcoot docked here late yesterday afternoon northbound for Juneau and Sitka. The Shrine party was directed by Arthur J. Hook, Potentate of Tehran Temple. Other passengers were round trippers from Canada and the western United States.

No Harsh Laxatives
for two years!

"Had a terrible time with constipation before eating KELLOGG'S ALL-BRAN daily. Now, doing fine, feeling fine! Wish everyone troubled as I was would try ALL-BRAN." W. J. Riley, Molson, Manitoba. An unsolicited letter from one of many grateful ALL-BRAN users. Are you constipated due to lack of bulk in the diet? You may get grand relief by eating an ounce of tasty ALL-BRAN, drinking plenty of water daily. If not helped after using one box, send empty carton to Kellogg's, London, Ont. Double your money back!

"Luxury Liner," at Capitol Theatre, Really Delightful

"Luxury Liner," which opened at the Capitol Theatre here last night and continues tonight and Wednesday, is one of the most delightfully entertaining pictures that Prince Rupert moviegoers have been offered in some time, all who saw it first night are agreeing.

The romantic adventures of a handsome captain on a cruise ship, aided and abetted by his stowaway daughter, form the framework of goings-on which are replete with a bounteous and interesting musical score.

Although there is romantic suspense and considerable laughter, the story is focused chiefly on the large talents of its principals and there is hardly a moment without a delightful musical interlude. These are of wide variety and the cul-

mination of them all is when Jane Powell is joined by Lauritz Melchior in "Spring Came Back to Vienna." Xavier Cugat and his orchestra present several typical specialties.

George Brent plays the part of the captain with Miss Powell as the daughter. Other principals are lovely Frances Gifford and Marina Koshetz.

Some of the props of the picture were from the famous French liner Normandie. Settings are sumptuous and these and the beautiful costuming are enhanced by technicolor.

THE VALUE OF A DIAMOND

Depends more on its perfection and purity than on its size.

It should be pure and clear like water.

It should have no flaws or dark spots.

It should sparkle.

It should be well cut and symmetrical in shape.

And of course it should be set in a good looking setting.

Our diamonds are guaranteed perfect and set in well known makes of settings.

Our prices are standard and reasonable.
