Red Currency No Longer Legal

Western Powers Take Action On Soviet Money in Berlin

BERLIN (AP) — The western powers have outlawed the Russian east mark in their sectors of Berlin, splitting the city's economy completely. Today the Russian-backed currency dropped heavily in the black market.

The new Allied order yesterday, declaring that Russian currency would no longer be accepted as legal tender, had been expected for some time. It means that western Berlin now has one currency—the west mark—and eastern Berlin has another—the Soviet east mark.

Chief Russian reaction so far was a charge in the Russian-controlled press that the action by the western powers was a fraud against the populace. Big headlines in the Communist press predicted mass bankruptcy in western Berlin.

Tiny Boy Wanders; Is Found Safely

Lynn Mussellam, two-and-a-half year old son of Mr. and Mrs. Edward Mussellam, 332 Tenth Avenue East, went for a walk yesterday afternoon and, before he returned, his uneasy parents had sought police help and paged him over the radio.

A search of the neighborhood by his mother at 4 o'clock failed to reveal his whereabouts so the police were informed and his description was broadcast over C.F.P.R. The toddler, who has shown wandering proclivities before, is usually tethered in the dooryard to prevent such expeditions.

At 5:30 a neighbor telephoned to say that Lynn was happily playing on Eighth Avenue, a couple of blocks from home. He had apparently been enjoying himself in a ditch when the area was searched previously.

BOYS ESCAPE FROM PRISONS

Seven Youths Make Getaway From Two Greater Vancouver Institutions

VANCOUVER, (AP) — City and provincial police were still searching today along British Columbia's Lower Mainland for seven juveniles who fled Saturday from Vancouver's juvenile detention home and Burnaby's municipal Bisco institution.

Five of the youths, ranging from eleven to seventeen years, escaped from the home. The other two, both 14, were from Bisco.

Police say that one of the escapees visited the home of a former companion Saturday night and told him the gang had stolen an automobile and planned to head for the Okanagan. Called by an excited companion, the police arrived minutes after the allegedly stolen car had disappeared.

FUNERAL OF MRS. WERMIG

High Requiem Mass for the repose of the soul of the late Mrs. Ida Pauline Wermig, who passed away at the week-end at the age of 60, was held this morning at the Church of the Annunciation. Rev. Father F. J. Rayner, O.M.I. was celebrant. Interment took place at Fairview Cemetery with Father Rayner reading the prayers of committal.

At a service at Grenville Court Chapel at 8:30 Sunday evening, the Rosary was recited by Rev. Father Mohan. Pallbearers this morning were A. W. Burnip, Charles McNab, Jack Batt, Robert McKay, R. B. Skinner and T. N. J. Fortune.

Pulp Mill for Ketchikan Is Assured

SITE OF NEW INDUSTRY — Ward's Cove, six miles from Ketchikan, where American Viscose Co. is establishing \$33,000,000 cellulose wood pulp plant with capacity of 550 tons. Site is on north shore of cove (left hand of picture) where Wacker City townsite is located.

ARRESTED AT BURNS LAKE

BURNS LAKE—Clifford Forrester Humphreys was apprehended by Constable W. H. Richmond last Thursday while quietly working in a nearby sawmill. He is alleged to have left a trail of worthless cheques from Vancouver to Burns Lake victimizing several Burns Lake merchants. Vancouver stores and hotels claimed to have first call on him and he was escorted to Prince George enroute there.

RESCUED FROM CRASHED PLANE

Alert Skipper Saves Lives of Two Airmen in Gulf of Georgia

VANCOUVER, (AP) — An alert coastal skipper last night effected the rescue of two airmen from the squally Strait of Georgia after the engine of their seaplane had caught fire and forced them down near Roberts Creek, 25 miles up the coast.

Pilot Bill Waddington and Chief Engineer Hugh Thomas of the British Columbia Airlines Ltd. were taken aboard the converted Fairmile, Gulf Mariner, two hours after the skipper, Roy Barry, had spotted distress flares fired before the Seabee was set down.

Waddington and Thomas, shaky, wet and "sick as dogs," fought the fire on their \$6,100 craft after crash landing and had it extinguished a few minutes before the Gulf Mariner came alongside to rescue them. The damaged plane, filling with water, drifted out to sea and presumably sank.

C. H. Orme left by air today to return to Vancouver after spending the last few days visiting in the city.

THE WEATHER

Synopsis

The active disturbance that brought rain to the entire British Columbia coast during the past 24 hours is moving eastward over the southern interior. Cloudy skies and showers are general over the interior and although the weather is still unsettled along the coast an appreciable amount of clearing should bring much more pleasant weather to these regions during the afternoon. Some cloudiness and scattered showers will persist over the mountains of the interior but the improvement will spread to these areas tomorrow.

Forecast

Queen Charlottes and North Coast — Cloudy with widely scattered showers today. Cloudy tonight, becoming overcast early Tuesday morning with intermittent rain in the afternoon. Winds southerly (20 m.p.h.) in the exposed areas, light elsewhere. Little change in temperature. Lows tonight and highs Tuesday: Port Hardy 35 and 48, Massett 39 and 45, Prince Rupert 38 and 48.

NIGEL MORGAN IS RE-ELECTED

VANCOUVER (AP) — The Labor-Progressive Party yesterday returned Nigel Morgan as president of its British Columbia membership of 2,000. Officers elected to the 1949 executive at the annual meeting, held in camera, were not announced.

A spokesman said that the membership increased by 300 in 1948, mainly in logging camps throughout the province.

PACIFIC COAST HOCKEY FINALS

Westminster and Tacoma in North—Los Angeles and San Diego in South

NEW WESTMINSTER, (AP) — New Westminster, Tacoma, Los Angeles and San Diego threw the books into their opponents over the week-end to gain division berths in the Pacific Coast Hockey League.

New Westminster won three straight in the series with Portland. Leaders in northern division regular play for the season, the Royals beat Portland 4 to 2 Saturday night and then 3 to 2 Sunday night.

Meeting the Royals in the finals will be the Tacoma Rockets who beat Vancouver 4 to 0 Saturday for their third straight victory.

The northern division finals will open Wednesday at New Westminster.

Los Angeles Monarchs knocked off Fresno 2 to 1 Saturday night to clinch their series. They will meet San Diego in the southern division final, opening Thursday.

San Diego Sunday night defeated Oakland 4 to 2.

Product To Be Shipped By Rail Thru Rupert

KETCHIKAN—Ketchikan is riding high on a crest of optimism and enthusiasm these days in the definite assurance that the American Viscose Company, through its subsidiary company, the Ketchikan Pulp and Paper Co., is to build a \$33,000,000 550-ton cellulose wood pulp mill at nearby Ward's Cove, six

miles to the north. The land has been acquired, including much of the townsite of Wacker City. Negotiations have been completed with the United States Forest Service for a fifty-year timber supply. Adequate supply of suitable water has been found to be available from Ward Lakes in the mountains behind Ward's Cove. Engineers are expected on the scene in the near future and there is reason to believe that actual construction will start this year.

Prince Rupert is expected to figure prominently in the Ketchikan pulp mill picture as the Ketchikan Pulp & Paper Co. contemplates establishment of a car ferry service to carry much of the plant's output to the Canadian National Railway here for transshipment East over Canadian National Railways. The advent of Alaskan statehood will facilitate the use of this port in serving such Alaskan industries as the Ketchikan pulp mill as the Jones Act under statehood would become inoperative.

The Howard S. Wright company of Seattle, Everett and Bellingham has been awarded the contract for installation of pulp mill machinery in the new plant. It is possible that Morrison Knudsen and company of Boise will handle the major part of construction.

The Wright company plans to send Earl Peters, one of its

considerable power will be sought from KPU during the operational stage. This arrangement would make it unnecessary to build expensive power facilities in the Manzanita and Mirror lakes watershed.

400 HOUSES PLANNED

The magnesium process, perfected by the Weyerhaeuser interests and now being used in that company's Longview mill, allows for virtually 100 per cent use of the log instead of dumping a residue of 40 or 50 per cent, as has been the custom with the limestone process.

If the magnesium process—which is being watched by the trade in general—is not out of the experimental stage by the time machinery is installed here, free lime probably will be used instead of limestone. It can be converted to the magnesium process, which is more efficient and more economical.

If the power installation is not needed, the general contract will include between 400 and 500 houses for pulp mill workers. It is not stated, however, whether these will be built by the company or by a separate financial institution. At least one life insurance company has surveyed the field for possible housing construction and local banks and individuals hope to take part in this phase of the over-all project.

Amendments have been added to exempt industries using new processes in Alaska, the exemption to be granted by the tax commissioner on the basis of jobs made for Alaskans, costs of production in competition with the field as a whole, permanence of industry, amount of capital investment and similar factors.

Several contracts already have been negotiated with construction concerns for the plant itself and it is planned to have 1000 to 1200 men on the job by summer. Some Ketchikan contractors have been consulted and will take part in the overall construction program, it is understood.

WASHINGTON D. C. (AP) — President Truman is expected to ask Congress for a free hand in allocating arms to Western Europe under the proposed \$1,000,000,000 military aid program.

The program is scheduled to go to the Capitol about the same time as the North Atlantic security pact.

Truman will send up the pact for Senate approval soon after it is signed here by the expected countries two weeks from today.

Free Hand to Help Europe

President Truman to Make Request of United States Congress

WASHINGTON D. C. (AP) — President Truman is expected to ask Congress for a free hand in allocating arms to Western Europe under the proposed \$1,000,000,000 military aid program.

The program is scheduled to go to the Capitol about the same time as the North Atlantic security pact.

The Daily News

Announcing . . .

INTERNATIONAL INDUSTRIAL JOINT EDITION OF

The Prince Rupert Daily News

—AND—

The Ketchikan Alaska Chronicle

Edited by the Prince Rupert Trades and Labor Council

Occasion—

The impending Statehood of Alaska whereby territories will be removed which at present prevent full use of the Port of Prince Rupert as the gateway to Alaska.

Industrial developments at Prince Rupert and Ketchikan, notably the establishment of multi-million dollar cellulose pulp mills at both cities—Prince Rupert already being well under way, Ketchikan's just to commence.

The International Industrial edition will bring history up to date in picture, news items and feature stories.

Publication Date—April 30 or thereabouts.

Circulation—12,000 copies throughout Canada and the United States including members of Parliament in Canada and Congress of the United States, administration members of the Dominion, the provinces, the States, leading newspapers and libraries.

Regular subscribers of the Daily News and the Chronicle will receive the edition.

Advertising Rate—\$1.50 per column inch. Full Page \$150; Half Page, \$80.

Orders for advertising or copies of the edition should be sent to—

Prince Rupert Daily News Ltd. Prince Rupert

Calumet Horse Equals Record

MIAMI (AP) — Coalown, Calumet Farm's great four-year old, Saturday equaled the world's record for the 1 1/4 miles by winning the Gulf Stream Park's \$20,000 handicap with seven lengths to spare. Carrying 128 pounds, Coalown galloped over the wire in one minute, 59 4-5 seconds which was the record time set nearly ten years ago in Brighton, England, by St. Andrews II and equaled for the first time on the American turf by Shannon II.

National Guard of Eskimos Is Being Organized On Alaska-Soviet Line

JUNEAU, Alaska, (AP) — The Alaska Senate unanimously passed a bill yesterday to establish territorial national guard units of Eskimo scouts along the coastline facing Russia across Bering Sea.

A similar bill had previously been passed by the House but the Senate's re-written version, with emphasis on the Eskimo scouts, must now go back there for concurrence.

The National Guard bill provides for two scout battalions along the far western and northwestern coasts for training as "eyes and ears" of the military. It carries a \$92,000 appropriation.

Canadian Survival

CANADIANS need not fear that Canada will attack or join in an attack on any other nation, but every Canadian must face the possibility that Canada will be attacked. There is good reason for high hope that the Security Pact among the North Atlantic democratic nations will give them such strength that any potential aggressor will be discouraged. Canada is less likely to be attacked than it was before its statesmen proposed a security agreement among its peace-loving neighbors; but Canadian safeguards are also essential.

Fortunately, the measures which should be taken to preserve life and to protect resources in the event of an attack are also those which Canada should take to prevent the deterioration of its own people in overcrowded conditions which are physically, mentally and spiritually unhealthful. The decentralization of Canadian life to restore the benefits of ample space and healthful environment to Canadian people is an important objective of this generation.

Canada was pioneered and developed by the ability of its people to practice the arts of survival and progress. In the event of a military attack, our means of survival are too vulnerable in metropolitan areas. Not only should the utmost protection be provided for all vital production and services but the people of Canada should be trained to scatter and to look out for themselves in small groups in the vast areas in which life can be maintained by people skilled in the use of a few simple tools.

THE BUILDING INDUSTRY

FROM five to ten per cent of the populations of the leading nations are employed in construction.

No other industry soars more quickly to boom heights during good times or falls more rapidly to slum depths when demand slackens.

No other industry is more important to world prosperity and full employment.

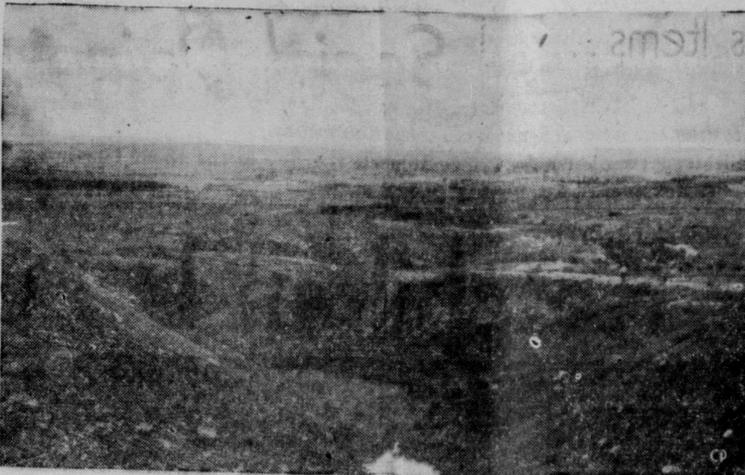

The very same war which reduced building supplies through battle damage and lack of coal and transport has greatly multiplied the need of materials for reconstruction. Even in those countries which escaped heavy bombing damage, home building was suspended for four or more years of war.

The world now needs for building approximately two and a half times as much timber, bricks and glass as before the war, three times as much cement, and three and a half times as much steel.

Manpower shortage in the construction industry is less acute than it was two or three years ago but scarcities of traditional materials continue.

At the end of 1947 the cost of dwelling houses in Canada had increased 110 to 125 per cent since 1939. In other countries the costs had advanced as follows: United States, 106.7 per cent; Australia, 80 to 85 per cent; Great Britain, 130 per cent; Netherlands, 350 per cent; Sweden 153.2 per cent.

It is obvious that these prices must be brought down through stabilization and modernization of the construction industry if people are to get the homes they need and if the building tradesmen are to enjoy full employment.

UNGAVA IRON ORE BED—Here is typical barren formations that characterize Quebec's northeastern Ungava. The endless successions of valleys represent dried up river beds containing some of the world's richest iron ore. Most conservative geologists estimate there are at least 2,500,000,000 tons of ore there. Some say five times that amount.

LETTERBOX

Editor, Daily News:

DEMOCRACY AND LIQUOR

Democracy and the British Columbia liquor laws are enemies. They clash at every important point of contact. A true Democrat is a person who concedes to all people every right and privilege he himself enjoys. He protects his own liberty by defending the liberty of others. A Democrat confides in the people he lives among. He feels they are his friends or will be given a proper opportunity. In short he believes people will be decent, law-abiding and good neighbors if governed by decent, common-sense laws.

A Democrat has no use for hypocrisy in any form or place. He believes that honesty is among the highest virtues of his race. A Democrat knows the frailties of mankind, and in his judgment makes reasonable allowance for them. A Democrat on his journey through life never tries to snare or trap his fellow man in order to punish without good and sufficient reason because the foundation of Democracy is based on confidence in people.

A Democrat believes cause and effect, supply and demand to be natural laws that man must recognize.

To penetrate and understand the mass mind of Democracy is beyond human ability. The key to that secret is hidden and there lies the safety valve of civilization.

A Democrat believes the finest flower in the garden of Democracy is the right of people to disagree.

A Democrat believes when all think alike, some are not thinking at all.

A Democrat may not agree with a word you say but millions of Democrats have given

their lives for your right to say it.

Democracy loves courage but dislikes cowardice.

Democracy would like to see some courageous action taken by the B. C. Government in revising the liquor action to a common sense basis.

Democracy believes in Sunday schools, churches or any form of religious worship people want.

Democracy also requires the service of liquor stores, beer parlors, clubs, etc. While antagonistic sentiment may prevail between them, nevertheless, they are institutions of the Democratic people, holding equal rights in their respective spheres.

What Democracy demands is efficient service from all sources whether it be church or state.

What a Democrat objects to in the administration of the liquor business is the Liquor Act which appears to be designed for the purpose of incriminating people instead of serving them.

The person who drafted the Act must have been a poor lawyer, hungry for police court work. If the Act was strictly enforced against all offenders, ninety percent of the adult population of British Columbia would be in jail.

What a Democrat wants from his government is reasonable, sensible service in the distribution of liquor, not police court fines or jail sentences.

Democracy being the Fort of the poor man, we demand in its name the same privilege as our more fortunate brothers—the right to procure a single drink of liquor if we feel we require it.

GEO. B. CASEY.

KING EDWARD P.T. TEA SALE

St. Patrick's Tea at Delightful Affair Friday Afternoon

King Edward School was the scene of activity Friday afternoon when a large crowd of parents and friends attended the annual St. Patrick's tea and sale held under the auspices of the Parent - Teacher Association.

The guests were received by the president, Mrs. R. E. Mortimer. The tea tables were centred with novel Irish hats, sprouting green shamrocks, the work of Miss Evelyn Sweeney's division.

Tea arrangements were in charge of Mrs. M. E. Lemon and Mrs. John McLeod, assisted by Mrs. W. W. Bowes, Mrs. F. E. Anfield, Mrs. Hans Knutson, Mrs. Oscar Gliske, and Grade 6 girls. Serviteurs for the afternoon included Mrs. S. Veitch, Mrs. F. J. Skinner, Mrs. Alf Ritchie, Mrs. D. A. Morrison, Mrs. W. Noble, Mrs. Armand Lund, Mrs. M. C. Brydges, Mrs. F. Calderone, Mrs. F. J. Hemsworth, Mrs. Wilfrid Taylor and Mrs. H. M. Lindseth.

The home cooking table, under the supervision of Mrs. Barney Roald and her assistants, Mrs. Bernhof Pedersen, Mrs. A. Hardy, and Mrs. Gunnar Selvig, was laden with cakes, pastries and dainties.

The White Elephant sale attracted many customers and varied were the purchases from its ample stock. Mrs. Eleanor Piche was in charge, assisted by Mrs. Len F. Brewerton and Grade 6 girls.

Cashiers were Mrs. Jacob Strand and Mrs. C. H. Insulander.

Many parents availed themselves of the opportunity of visiting the class rooms while lunch was in session during the half hour prior to the opening.

St. Laurent, Drew Lunch Together

Coldwell and Low Also There on Behalf of Crippled Children's Easter Seal Drive

Prime Minister St. Laurent caused a little raising of Ottawa eyebrows when during Rotary luncheon today at Chateau Laurier he sat side by side at the same table with his three leading opponents in politics—George Drew, Conservative; M. J. Coldwell C.C.F., and Solon Low, Social Credit for the opening of the Crippled Children's Easter Seal drive. The event signalled distribution of 90 million Easter Seals to raise \$225,000.00 for crippled children.

Prime Minister St. Laurent bought the first sheet of seals opening the campaign from "Timmy," a crippled 11-year old boy who is symbolic of the work done by service clubs and their society in alleviating crippling conditions. Sitting at the same table just to make it a good round robin, were Hon. J. G. Gardiner, agriculture minister, and Hon. Paul Martin, health minister. All four leaders spoke in favor of the same subject, most likely for the first and only time during this session.

"Timmy" has been crippled since seven years of age. After two years in bed, he now walks with the aid of braces. Much of his assistance and help came through such services.

HALIFAX HAVING SHIPPING BOOM

HALIFAX—Sixteen hundred longshoremen are experiencing one of the greatest waterfront booms ever known here. Only during the war was there anything to approach it.

There are sixteen freighters and a few passenger craft in port and others enroute here from all over the globe. Loaded ships are clearing for distant ports. Freight is piled high in the warehouses.

A large consignment of Canadian rye will soon be on the way to Capetown.

BAD FLU EPIDEMIC

GOBOURG, Ont., 9—Cobourg recently experienced the worst flu epidemic in several years. There was no way of officially determining the number of cases, but it made a noticeable cut in attendance at schools and industry.

Modern Etiquette

By ROBERTA LEE

Q. Should a hostess wait an indefinite length of time for all the guests to arrive for dinner?
A. No longer than 15 or 20 minutes after the time mentioned in the invitations. Then, even though there are one or two guests who have not yet arrived, the dinner should be served.

Q. I have broken my engagement.

Albert Wilson, Terrace, Buried

Funeral services for the late Albert H. Wilson, long-time resident of the district were conducted in St. Matthew's Church Friday afternoon. Rev. F. Mallett officiated and the organist was Mrs. C. J. Norrington. The funeral hymn was "What a Friend We Have in Jesus." Interment took place at Kalum Cemetery. Pallbearers were George Anderson, Jeff Lambly, Eugene Harrison, Hans Koch, Orville Spencer and John Olsen.

ATTENTION MOTORISTS—Extra miles is time wasted on highway driving, pick up your needs at your Imperial Station on the highway entrance, Midland Pines. (69)

Ronald C. Barbour returned to the city on the Coquitlam yesterday after spending a couple of weeks at Massett in connection with the development of the new Limberlost resort at Sangan River.

Neil Kingston returned to the city yesterday on the Coquitlam after making the round trip to Massett on business. He reports work of improvement and extension of the new Limberlost tourist resort at Sangan River is proceeding satisfactorily under the direction of his son, Ross Kingston. Lumber has been ordered from the Anderson mill at Massett for the recreation hall and 10 new cabins which are being built for use this year.

REGULAR MOOSE Meeting Tuesday 22, 8 p.m. sharp. Initiation of Candidates, Refreshments. (67)

Norman Nelson of Nelson Bros. Fisheries arrived in the city Sunday night on the Catalina from Vancouver on a business trip to the company plant at Port Edward.

Mr. and Mrs. George Sellars, who arrived in the city a few days ago from Dawson and have been visiting with Mr. and Mrs. G. W. Abbott, Fifth Avenue East, sailed last night on the Coquitlam for Vancouver. Mr. Sellars for many years was located in Prince Rupert as a member of a staff of a local wholesale house.

HOW CAN I ???

By ANNE ASHLEY

Q. How can I improve the appearance of window shades that have become soiled, and are not washable?

A. Take them off the roller, turn them upside down, and make hems at the other ends. They will look like new, because the end near the roller is seldom soiled.

Q. Should the gravy be poured over the meat when putting away in the refrigerator?

A. No; the meat will keep longer if kept separate from the gravy. The gravy is likely to sour more quickly and taint the meat.

Q. How can I prevent costume jewelry from leaving greenish marks on the skin?

A. Wash it in warm water and baking soda occasionally. Rinse and dry carefully afterwards.

PARTY PRECEDES JAYCEE DANCE

Mr. and Mrs. W. Landon entertained at a delightful cocktail party at their home on Friday evening after which the party proceeded to the Junior Chamber of Commerce St. Patrick's dance. The guests included Mr. and Mrs. O. Odegard, Mr. and Mrs. E. Williams, Mr. and Mrs. R. Tough, Mr. and Mrs. H. Lindseth, Mr. and Mrs. H. Hampton, Mr. and Mrs. D. McNab, Mr. and Mrs. E. Lindseth, Mr. and Mrs. P. Berg, Mr. and Mrs. A. Martin and Mr. and Mrs. J. Steeves.

ST. PATRICK'S AT TERRACE

TERRACE—St. Patrick's Day was celebrated in Terrace with a very successful tea and sale, card party and entertainment by the ladies of the Catholic Women's League. For the occasion the hall was decorated with Irish motifs and the young servitors looked very charming in their green shamrock aprons and caps.

During the afternoon, Mrs. A. H. Irving, as "Madame X," dressed in the traditional fortune teller's costume, passed from table to table reading the cups of the patrons.

The prize of \$5 for the correct solution of a Shamrock crossword puzzle was won by Mrs. Dudley Little.

Receiving the guests were Mrs. Doll, president of the C. W. L., and cashier was Mrs. E. Whalen. At the apron stall were Mrs. H. Cote and Mrs. Kofoed; home cooking, Mrs. Christy, Mrs. J. Gordon, Mrs. G. West, Serviteurs were Rosemary and Lyn Tetrauit, Ivy McConnell, Gloria Irving, Yvonne Normandeau. Assisting in the kitchen were Mrs. Hobenschild, Mrs. McDonald, Mrs. J. Lever, Mrs. J. de Kergommeaux. Miss Agnes Tetrauit was in charge of the crossword puzzle.

Generous donations from a large number of city merchants provided a good stock of new articles while the "white elephant" table was laden with second hand clothing provided by the ingenuity of the ladies of the organization.

More than a score of ladies took part in the event either acting on the sales floor during the day or assisting in organizing it in advance. President of the W.A. is Mrs. Andrew Thompson.

A reunion after a quarter-century of separation was experienced at the week-end by K. C. Aird, 227 Fourth Avenue East, and his sister, Miss Selina Aird, who arrived here Friday night by train from Edinburgh, Scotland. Miss Aird plans to make her home here. She crossed the Atlantic on the Aquitania.

Surprise Shower Held at Terrace

TERRACE—A surprise shower for Miss Judy Curtiss, whose marriage to Alex Holden will take place on April 2, was held on Wednesday evening at the home of Mrs. L. Johnstone. Hostesses were Josephine Jordan, Mrs. Edna Cooper, and Miss D. Haugland. Seated in a "Bride's Chair," the happy bride-to-be opened a basketful of lovely gifts. This was followed by the serving of refreshments. Those present or sending gifts included, besides the young hostesses and honoree, Mrs. Pat Hobenschild, Connie and Pat Tumilson, Lillian, Sarah and Margaret Miles, Mrs. Ford Jackson, Mrs. H. Holden, Mrs. C. Holden, Doreen Murie, Mrs. Roberta Berry, Violet Jackson, Mrs. Lambley, Leah Carruthers, Betty Curtiss, Mrs. Curtiss, Irene Haugland, Merle West, Elsie Crego, Onolee and Jean Kirkaldy, Colleen Whalen.

Stay put in your frame, Mr. Withers!

IN HIS DAY, Mr. Withers was considered a very able life insurance agent. The idea of life insurance was pretty new then. And Mr. Withers had to keep his foot in the door most of the time as he tried to convince people that this type of protection was worth what it cost. He served his generation well. But times have changed! People no longer need to be told about the value of life insurance. What they need now is advice on the amount and the kind of life insurance they should own. And the modern life insurance representative has kept up with the times.

A helpful citizen in your community. When your agent sells you life insurance, he also helps to improve your community. For a large part of each life insurance dollar is put to work, through investments, to build schools, bridges, highways, industrial plants and many other projects that create jobs and make for better living. You share in these improvements, made possible through the efforts of your helpful fellow-citizen—the modern life insurance agent!

LOCAL NURSES IN AUSTRALIA

Miss Williams and Miss Keith, Formerly of Prince Rupert, Like Ballarat

Two former members of the nursing staff of the Prince Rupert General Hospital, who left here recently for "Down Under," have joined the staff of Eildon House Hospital at Ballarat, near Melbourne in Victoria, Australia. They are Miss Gwendolyn Williams, whose home is at Cumberland, Vancouver Island, and who is a graduate of St. Paul's Hospital, Vancouver, and Miss Katherine Keith of Havelock, New Brunswick, graduate of Ottawa Civic Hospital.

A Ballarat newspaper, which has been received here, shows a picture of the two girls and prints an interview. They have been, apparently, favourably impressed with Australia and like the country and the life. They compare nursing work in Australia with that in Canada.

NOW COMES THE LEADER WITH A 7-YEAR ADVANCE IN O

Welcome the New

CHEVROLET

The Styleline De Luxe 4-Door Sedan

The most Beautiful **BUY** of all

We cordially invite you to see the new Chevrolet—the first completely new car the leader has built in more than seven years—and *the most beautiful buy of all!*

You'll find it's the most beautiful buy for styling, for driving and riding ease, for performance and safety, and for sturdy endurance born of quality construction throughout... because it alone brings you all these advantages of highest-priced cars at the *lowest prices* and with the low cost of operation and upkeep for which Chevrolet products have always been famous.

Yes, here's the *newest* of all new cars—pre-tested and pre-proved on the great General Motors Proving Ground—and pre-destined to win even wider preference for Chevrolet as *the most beautiful buy of all*, from every point of view and on every point of value. Come in and see it—*today!*

*First for Quality
at Lowest Cost*

Long Motors Ltd. Corner 7th & 3rd Avenue

Special Showing - Civic Centre Auditorium
WEDNESDAY 7:30 p.m. --- Shrine Band in Attendance

CHEVROLET

the only car bringing you all these fine-car advantages at lowest cost!

SEEK ITS "LUXURY LOOK"!

new Leader-Line Styling is lower, wider, racier. New Dual-Cool radiator grille. Single-Sweep front and treatment, and fleet-as-a-rocket lines all around... most beautiful development of the new "functional" cars.

CONTROL FROM EVERY ANGLE!

Leader Bodies by button door-opening masterpieces by fine coachcraft lines, extra-fine up-variety of alluring more beautiful from inside and outside —

AT EVERY POINT!

ize Interiors featuring "Five-Foot Seats," head, leg and elbow-ordinary seating for grown passengers; and that the giant capacity.

ENJOY ALL!

Visibility, with windshield, thinner and 30% more abundant, permits you to enjoy all, and to travel safely.

SEATS THAT "BREATHE"!

the additional pleasure of riding in a "car that completely effective heating" and ventilating warm air to every nook and corner of the interior — and keeps glass clear in all weather. (Heater optional at extra cost.)

WHO RIDES A REVELATION!

Improved Unitized Kneecaps, combined with new airplane type shock absorber and rear, and extra low fenders, gives the stability, and road-safety you have need.

ONLY ONE WORLD'S CHAMPION ENGINE!

the finer results of Chevrolet's sturdy Valve-in-Head engine in all Chevrolet models... together with all its money-saving economy of operation and upkeep is the world's champion engine for miles served, owners 10 years tested and proved.

THE COMFORTS!

Starter for simplest, ease; Hand-E-Gearshift with Automatic Transmission for maximum ease; and Firm Foundation Frame for ride-steadiness unsurpassed in Chevrolet price range.

STOP SWIFTLY AND SAFELY!

Certi-Safe Hydraulic brakes even faster stops with assurance the highest effective braking action for your family.

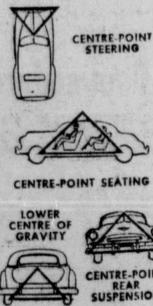

SAVE MORE MONEY, TOO!

Chevrolet is designed, engineered and built to speed and spare your pocketbook, for it brings you all these other important improvements at the lowest prices and economy of operation and upkeep.

NEW CENTRE-POINT DESIGN!

able 4-way engineering advance exclusive in its field, and consisting of — Point Steering — Centre-Point — Lower Centre of Gravity and — Point Rear Suspension gives the new riding and driving results without parallel in low-cost motoring. That new kind of riding-ease and a new kind of motoring, heretofore reserved for owners of expensive cars. Remember—only new Centre-Point can give you all these finer motoring and only the new Chevrolet brings you Point Design at lowest cost!

CHEVROLET A PRODUCT OF GENERAL MOTORS

MOVIE KISSES MERE ROUTINE

By GENE HANDSAKER
HOLLYWOOD (AP) — Ever wonder what a movie wife thinks when she sees her handsome husband passionately kissing other women on the screen? Brenda Marshall used to blow her top or, as she says, flip my lid. It tormented me. Her husband is William Holden.

Driving home from the preview of one of his pictures, he asked, "Well, how did you like it?" Brenda snapped bitterly, "How you kissed that Claire Trevor!"

Bill was silent and angry for several miles. Finally, he exploded, "Is that all you can say about the picture?" There followed, Bill says, "one of our worst fights."

The problem was "a big fighting point," Brenda adds. "I'd lose all sight of whether a picture was good." One day she visited his set and planted herself where he'd see her when he went into a clench.

"Anything to throw him," Brenda admits. Bill led her aside and said, "Get off the set. You're upsetting my leading lady."

This was several years ago. Brenda has become reconciled—even proud. "After all, which could be more intriguing than to be married to a big romantic star?"

FANS PHONE
It didn't annoy her a bit when three New York telephone operators, on their afternoon off, recently made a party-line call to Bill at a restaurant here. Just wanted to talk with their movie hero. "As long as it's the females who are being aggressive," Brenda smiles. "Now, if it were the other way around..."

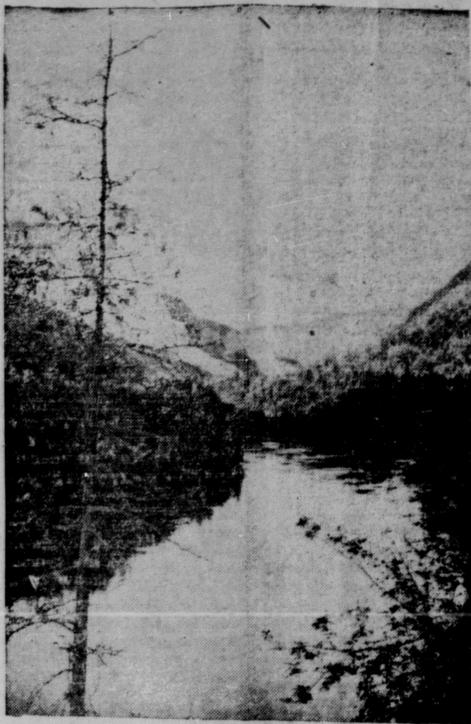

It did annoy her that Bill never complained about her own movie love-making—with Errol Flynn and others. ("She didn't do so bad," Bill remarks.) Except for the forthcoming "Whispering Smith," Brenda has sidetracked her career to bring up their children. He calls her by her real name, Ardis.

The Holdens live in the big-homes-and-lots-of-lawn suburb of Toluca Lake, in the San Fernando Valley. Around 7 p.m. their three youngsters—11 to 2½ years—are in nighties and bathrobes on a living-room davenport, absorbed by blackface comedy on television.

No actor is a star to his own kids. Youths who come to the door for Bill's autograph are, to 11-year-old Virginia, "silly." Fan magazine photos of the Holdens are noted by the Children with-out comment. After attending "The Man From Colorado," five-year-old West (short for Peter Westfield) said merely that he had seen "a westerif picture." Bill prodded, "Did you see daddy in it?" Disinterestedly: "Yeah, I saw you."

West reported sadly the other day, "Rickey (a playmate) says you're nothing but an actor." Bill retorted, "Tell him his father is nothing but the vice-president of an oil company!"

FORM A.A. CHAPTER
AMHERST, N.S. — A chapter of Alcoholics Anonymous has been formed here. Meetings will be held every Wednesday and it is understood that a number of citizens are taking an active interest in the organization.

FOR SALMON ENTHUSIASTS—Some of the finest salmon fishing in the world can be found in the waters of the rivers and streams of Newfoundland. Few tourists have experienced the thrill of landing the big ones that abound throughout the country. This is the Lower Humber River in the Humber Valley which is one of the finest salmon rivers in Newfoundland.

What's New at CIVIC CENTRE

DOLL DRESSING—There are just two more doll dressing classes this season. This Wednesday all the girls are to bring their dolls with all the clothes they have made for them. A sewing machine is being borrowed so that all the partly made clothes can be sewn up and finished. Though the Hobby Show is some time off on April 27 it is hoped to have all the dolls ready for it before the end of the classes. The clothes being made for the big doll that is to be raffled are being brought next week so the doll can be put on display.

HOME FURNISHING COURSE—Miss Eileen Cross, home economist of the University of B.C. Extension Department, will arrive in Prince Rupert on March 26. Her course in home furnishings will be given over a two-week period with two evening class groups—one meeting Mondays, Wednesdays, and Fridays of each week, and the other Tuesdays, Thursdays and Saturdays. Registrations are now being received at the Civic Centre office with participants stating which class they will attend.

DEMON IN SMITHY
MONTREAL, Q.—Zoulou, a Montreal police horse, will be sold to the highest bidder soon —because he has an Achilles heel. One of the most popular horses with city mounted policemen, Zoulou could not see the sense of being shod. Whenever this was attempted the otherwise docile animal would kick and become the demon of the city stables.

They will be able to make slip covers, hassocks and can also recover other items of their own furniture. Those interested in making hassocks should speak early to their butcher or grocer for butter or cheese boxes.

MISS DOBBIE IS NURSES' HEAD

Miss Edna Dobbie R.N., has been elected president of the Prince Rupert Chapter of the Registered Nurses' Association of British Columbia with Miss Margaret Steeves as vice-president; Miss Barbara Johnson, secretary, and Miss P. M. Mooney, treasurer. Miss Dobbie was appointed delegate to a convention of the Graduate Nurses' Association of British Columbia to be held in Vancouver April 22-23. A dance and raffle will be held April 29.

Mrs. D. McNicoll sailed last night on the Coquitlam for a trip to Vancouver.

It's so different today

Raiding the store-room was not encouraged in stern pioneer days. But today raids on the pantry for delicious Post's Grape-Nuts Flakes should bring no reproof. You need never run short of this healthful, ready-to-eat, easy-to-digest cereal. It's perfect for the between-meal snack.

Post's Grape-Nuts Flakes have that unbeatable Grape-Nuts flavor in popular, honey-golden flake form. They provide nourishment everyone needs—useful quantities of carbohydrates, proteins, minerals and other food essentials. So quickly served; so truly good. Your grocer has Post's Grape-Nuts Flakes.

I'M SORRY I'VE BEEN NEGLIGENT, DEAR

I PROMISE, FROM NOW ON I'LL STOP IN AND KISS MRS. WOODEY FIRST

Reduced Prices On . . . DIAMONDS

The New York diamond market has been rather quiet recently and prices have taken a temporary drop.

For the next 30 days we are able to offer some very tempting values. In some cases the reduction is as much as 20% to 25%.

Now is a good time to buy—a \$100 ring would thus cost only \$80 and a \$50 ring only \$40. Other prices would be accordingly.

However these prices can only last as long as the market is slow or until present stocks are gone.

Glad to show our stock any time.

**Between
the BASKETS**

The Bo-Me-Hi Rainmakers came through with a fourth quarter drive that gave them their big margin of victory in Friday night's Senior basketball. Their offensive functioned perfectly as all players were clicking on their floor plays.

Only in the first half did Brownwoods hold the powerful students down as each team played a crowd-pleasing game. The teams traded baskets with the lead changing many times in the first half. Outside shooting by both teams was good. Brownwoods held a 13 to 12 lead at the quarter. The second quarter was slower than the first and the shooting was off. Bo-Me-Hi took over the lead at the half 21-19.

At the start of the third quarter the play continued along lines similar to the previous periods. Both teams played heads-up ball. With 5 minutes to go in the third quarter, Brownwoods were in the lead 34 to 31. Then the Rainmakers caught fire and banged in 7 points to take a 38-34 lead as the third quarter ended. Their high-powered offensive speeded up in the fourth quarter, and they rammed in sixteen points to only 2 for their opponents. Outcome of the game was definite now as Bo-Me-Hi continued on the merry way of piling up their lead.

Bo-Me-Hi's strength on the bench had much to do with their victory. Art Olson and Carlson controlled the backboards and were also outstanding on offense. Brownwoods first stringers tired out in the fourth quarter and their defense was split wide open by the fast-breaking Rainmakers.

Brownwoods took 101 shots and made 15. They scored 10 of 25 free throws. Bo-Me-Hi took 89 shots and made 24. They scored 10 of 21 free throws.

AIRING STANLEY CUP FROM HERE

There is good news for the radio hockey fans. Announcement was made yesterday by Manager C. H. Insulander of Station CPFR that authority had been given for the broadcasting of the Stanley Cup National Hockey League play-offs from the local station commencing March 26, the coming Saturday night. The authority came after the matter had been taken up with the Canadian Broadcasting Corporation a few days ago by the Prince Rupert Chamber of Commerce.

LADIES' BOWLS "A" SCHEDULE

March 21—Variety vs. Scuby's, G. & A. vs. Orange, Westview vs. Taft & Odowes, Annettes vs. Savoy's, DeJong's vs. Manson's.

March 23—Westview vs. G. & A., Taft & Odowes vs. Scuby's, Variety vs. Orange, Savoy's vs. Manson's, DeJong's vs. Annettes.

WINS \$50,000; IS NOT EXCITED
COURTENAY, Vancouver Island—Thomas McQuillan, local logger, has won \$50,000 in an Australian sweepstake. Unperturbed about his good fortune, Mr. McQuillan plans making no drastic change in his way of living. In fact he intends to keep right on with his work.

Constable J. G. J. MacDonald, provincial police, sailed last night on the Coquitlam for a trip to Vancouver.

MACEYS REACH TOP OF MIXED 5-PIN LEAGUE

Macey's XXX crowded to the top of the Mixed Five Pin Bowling League last week, crowding out Kingpinners who forged to the surface a week previous. Macey's, who long have been just under the top spot, reached the pinnacle on the strength of winning three games from Brownwoods Thursday night.

Men's high individual scores were bowled by Tommy McMeekin of Headpinners who rolled 335 for single game and an aggregate of 715 for three games, averaging 238.

Ladies' high scorer was L. Smith of Silver Streaks whose top mark for the single game was an amazing 349. Her three game total was 759 for an average of 253. In both departments the men were outclassed.

Canada produces some of the World's Finest Lumber

Canada has almost unlimited timber. From British Columbia to the Maritime spruce her lumber is in demand throughout the world.

Canada produces one of the World's Finest Whiskies

To a hundred and three countries Canada sends one of the world's finest whiskies—Seagram's V.O. Delightfully different in taste, Seagram's V.O. Canadian Whisky is known all over the globe for its

smoothness, light body and delicate bouquet. For the lightest, cleanest-tasting whisky you have ever enjoyed, try Seagram's V.O. Canadian Whisky. Men who think of tomorrow drink Seagram's V.O. today.

WHY SEAGRAM'S SELLS CANADA FIRST

This is an adaptation of one of a series of advertisements designed by The House of Seagram to help promote the prestige of Canada and sell Canadian products to the markets of the world.

The advertisements, which are appearing in magazines and newspapers published in various languages and circulated in all parts

of the world, are in keeping with the belief of The House of Seagram that the future of every Canadian business enterprise is inextricably bound up in the future of Canada itself; and that it is in the interest of every Canadian manufacturer to help promote the sale of all Canadian products in foreign markets.

BO-ME-HI WINS SENIOR SEMI-FINALS DESPITE LOSS OF GAME

RESULTS DO NOT EFFECT TOTAL POINT STANDING OF STUDENTS—TIE HOLDS UP DECISION IN LADIES' LEAGUE GAME

Although suffering a 48 to 33 defeat, Saturday night, Bo-Me-Hi managed to hold on to their total point edge and won the senior basketball semi-finals from Brownwoods by an aggregate series score of 91 to 88. The students now meet the Co-op team in a best two out of three series after they return from the tournament in the south for which they left last night.

Morgans put on a determined effort to overtake the 11-point lead that Merchants carried into Saturday night's intermediate contest but all they could do was cut it down 2 points on their 28 to 26 victory. Merchants took the series 60 to 51 and will now meet Fashion in the finals.

quarter Brownwoods took a 15 to 8 lead with playing that looked like they would swamp the students. The pace in the second quarter slackened off but Brownwoods cut down the lead another point as they led 24-16 at half time. They were then only 10 points down on the series total.

too much for them and they lost the series. Morgan's took 77 shots and made 9. They scored 10 of 16 free throws. Merchants took 48 shots and made 16. They made 6 of 16 free throws.

LADIES' GAME TIED

In the ladies' league game, Peoples Store cut down an 8-point High School lead and at the end of regulation time they had tied the series score up at 23-all. Play went into two overtime periods with neither team scoring. Then the game was called by both coaches as the players were very tired. A third game will be played next week to decide who will meet Doms for the championship.

In the first quarter High School lost their high scoring forward, Christine Currie, who suffered a possible broken finger. She was taken to the hospital where the injury was examined. She returned later to watch her teammates hold the rampaging Peoples quintet. Peoples had the edge in shooting although several times in the last quarter easy lay-ups were missed by anxious players. Peoples had a chance to win the game when with one second to play, a technical foul was called on High School, Jackie Budnich made the try but missed. This sent the game into overtime.

In the overtime periods both teams had several chances to win the game by scoring a free throw but missed.

High School took 41 shots and made 4. They made 2 of 15 free throws. Peoples Store took 41 shots and made 6. They made 6 of 20 free throws.

JUNIOR LEAGUE
In the junior game, Kinsmen emerged the series winner by virtue of winning each game and won the series 35 to 29. Kinsmen won the second game 22 to 10. In the third quarter they enlarged their lead to 22 to 16. In the final quarter Morgan's started to click and their offensive banged in baskets to cut down the lead, but 11 points was

The outstanding play of the previous night by the Rainmakers was missing. They played a poor game. In the third quarter Bo-Me-Hi and Brownwoods battled on even terms. The loss of Thompson in the third quarter seemed to hurt Brownwoods' chances but they made up for it with a fight that carried them to within 3 points in the fourth quarter. The pace quickened in the fourth quarter with Brownwoods forcing the play over the whole floor. Carlson came through with 6 points in the final quarter mostly on rebounds, which kept Bo-Me-Hi in the game.

Time was running out for the fighting Brownwoods squad as they edged closer to the faltering Rainmakers. They came within two points of Bo-Me-Hi but then the bell sounded and they went down to the series defeat although completely reversing their play of the previous night.

Bo-Me-Hi took 74 shots and made 11. They capped 11 of 20 free throws. Brownwoods took 80 shots and made 18. They made 12 of 21 free throws.

MERCHANTS WIN

In the intermediate game, Merchants, although losing 28 to 26 to Morgans, took the series by virtue of their 34 to 23 victory the previous night. Morgan's fought hard but only in the final quarter did they make any headway. Merchants were content to play a steady game and hold on to their 11 point series lead. At the half they led 14 to 10. In the third quarter they enlarged their lead to 22 to 16. In the final quarter Morgan's started to click and their offensive banged in baskets to cut down the lead, but 11 points was

High School took 41 shots and made 4. They made 2 of 15 free throws. Peoples Store took 41 shots and made 6. They made 6 of 20 free throws.

Bearded Gentry In Vogue Here

Bearded gentry are again the vogue in Prince Rupert this spring in anticipation of the forthcoming Gyro Club Klondyke Night at which \$50 will be awarded to the outstanding hirsute appendage. That there will be keen competition is already apparent as some fine growths are being cultivated. Already there have been twenty-five entries at the Capitol Barber Shop in addition to a goodly number of Gyros. The latest entrants are Al Manson, S. G. Furk, E. J. Blain, J. E. Peddie, H. Burrow, G. H. Hicks, Harry Seaman, R. J. Tubb, E. Mussellam, C. Skoek, M. J. Saunders, Eddie Dawes, Harold Heigerson, George Watmough, D. White and T. McNeice.

TRAIN SCHEDULE
For the East—
Monday, Wednesday, Friday,
8:00 p.m.

it's strictly between
You and Your Bank

How much you borrow, how much you save... how much you put in, how much you take out... that's your business. Your right to keep your private affairs private is a cherished principle of Canadian banking.

NEXT time you are in your bank, notice how many people keep their cheques face down... just like you... while they make out their deposit slips. Notice how they close their passbooks before handing them in—and get them back closed too.

Canadian bank service is recognized by everyone as confidential. Every employee, when he came into the service of your bank, took a solemn declaration of secrecy. Your relationship with your bank is the most vitally confidential business relationship you have.

Contrast this Canadian way with conditions in lands where freedom is denied—where every bank is a political tool, every banker a public official working for the State! State monopoly of banking, proposed by socialists here, would open your banking transactions to political intrusion.

KAIEN CREDIT UNION MEETS

10 Per Cent Cut in Interest in 1948 Announced

An atmosphere of optimism prevailed at a meeting held last week in the Club Lounge of the Civic Centre by the Kaien Consumers' Credit Union, under the chairmanship of George Viereck, union president, who is also treasurer of the Prince Rupert Fishermen's Credit Union.

Encouraged by the treasurer's report of a doubling of assets as well as a 100 per cent increase

in membership, those present learned that the union had, during the past year, increased its total to almost 130 members, now holding a total of over \$15,000 in assets.

Mrs. Florence Greenwood, treasurer, reported that loans totalling \$13,000 had been made during the past year. She pointed out that all loans were covered by insurance, assuring investing members of the safety of their investment. Mrs. Greenwood also stressed the value to the community of the psychological effect of constant savings as achieved through the endowment loan scheme in use by the credit union. In the past she declared, for many years established financial institutions have constantly emphasized the mounting value to urban communities of small but systematic savings over periods of time as a safeguard against sudden economic slumps.

In the report of the credit and supervisory committees, it was made evident that, as a community service, credit union membership is not limited to those having any one trade, profession, religion or political

SHIPS and WATERFRONT

Taking over the run from the Camosun which has been withdrawn from service for an overhaul at Vancouver, Union steamer Catala, Capt. John Boden, making her first call here in several months, arrived in port at 10 o'clock last night from the south and sailed early this morning for Port Simpson, Alice Arm and Stewart whence she will return here tomorrow to sail south at 1:30 p.m.

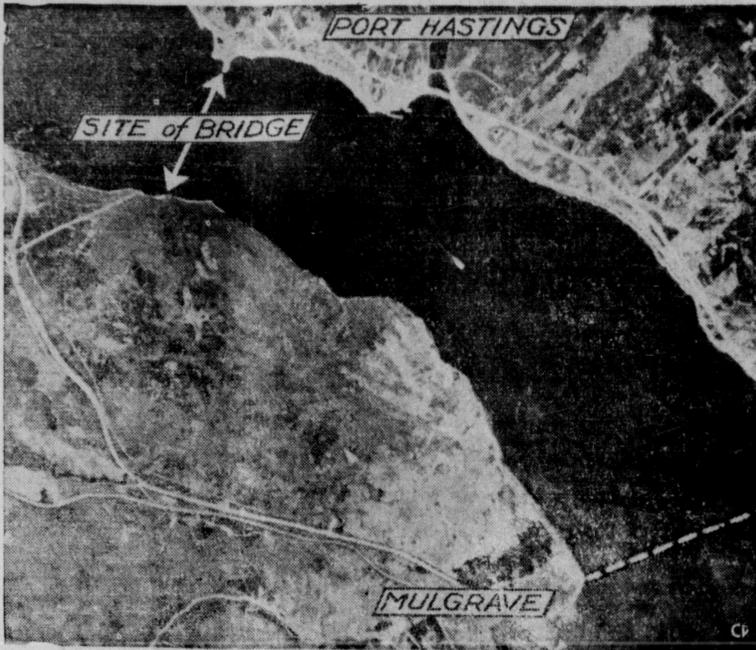

Union steamer Coquitlam Capt. Alf Aspinall, arrived in port at 1:30 yesterday afternoon from Massett and Port Clements and sailed at 10 p.m. for Butedale, Namu, Westview and Vancouver.

belief. The rate of interest paid on share savings was almost equal to that of many approved bond issues, it was reported, and also that a real contribution to economy in the family budget is made by the declaration of a 10 per cent rebate to all borrowers of the interest paid by them on loans in 1948.

Guest speakers on the program, H. C. Daykin and J. D. Siddons of the University of British Columbia Department of University Extension, addressed the gathering on the progress of co-operatives and credit unions with particular reference to the fishing field in countries throughout the world. They reminded those present that the Prince Rupert Fishermen's Credit Union, now the largest credit union west of Regina, is a local achievement reflecting favorably Canada-wide sentiment of community spirit in the development of community spirit in Prince Rupert.

The slate of officers for 1949 was elected including Messrs. Ward, Woodside, Delaney and Evans as directors, Messrs. Hills, Viereck and Mrs. Ritchie as credit committee and Charles Bellis as member of the supervisory committee.

A vote of thanks was accorded the outgoing office holders. After refreshments had been served by lady members present, a film showing skiing, and habitat handicrafts, rounded out the evening.

SITE OF BRIDGE—A campaign residents of Cape Breton and Nova Scotia have waged for 30 years ended with the announcement that a bridge will be built across the Strait of Canso linking the industrial island with the rest of the province. This aerial photo shows the site of the proposed bridge. It will be built between Cape Porcupine of the mainland, bottom, and Balacho Point on the island, a distance of 3,075 feet. The white lines in the photo are highways and south of highway on mainland is the C.N. railway line. Mulgrave will be the nearest centre on the mainland to the bridge and is the main terminus of the present ferry to Port Hawkesburg. Port Hastings will be near the island end of the bridge. Dotted line from Mulgrave indicates ferry route. (CP Photo)

Ray Reflects . . . and Reminisces

At the forty eighth annual sale of books in Calgary last week, one was sold for eight thousand dollars. We tremble violently even to think of the cost of a sirloin and baked potato.

James Stewart, of Hollywood, who appears on the screen as a reporter, is being called down repeatedly because he makes so many "boners." For example, he slips paper in the typewriter and the first thing he does is write the headlines. Wrong! Someone else handles that job. The copy is single spaced, too. Wrong! It should be double. And here's another boner. What Mr. Stewart calls his apartment has an air of luxury. Hence, the jeers. Comfort is distinctly out of place in a newspaper reporter's life.

Boy Scouts meeting tourists is a first class idea. Too many visitors to Prince Rupert plod around, feeling as lonesome as they look. They ache to have all the stored up questions promptly and intelligently taken care of and the Scouts have all the answers. In dress, and in every other way, they suggest the frontier—precisely what the tourists are looking for. Interesting persons wander this way every summer, and a Scout can never tell the value of contact, or just which way the trail will lead.

"No entangling alliances" counselled George Washington as the newly created United States started out to make headway in the world. Sound advice at the time. It served and served well, but even the father of his country himself couldn't foresee what has actually come to pass.

T. D. Pattullo is believed to have been the first local citizen to own and drive an automobile in this city. Another of the early cars was the justly celebrated "red devil," motive power of the fire department. In a not unkindly spirit, yet with some misgivings the pioneers looked on these signs of faith and progress in the north. For the sodden and uneven planking that provided the makeshift streets were unpleasant to walk on and made no appeal to the eye, let alone to drive over.

Mr. and Mrs. James Jordan were honored on St. Patrick's Day by the Ancient Order of Hibernians when its 1949 Oscars went to that distinguished couple for providing wholesome family entertainment. What? You haven't met the Jordans. Sure you have. Most of us know them as Fibber McGee and Molly. Here are radio comedians who do know their onions.

There is a great deal of point to the comment from the Pittsburgh Press that "the whole world is being swept by an epidemic of the gimmies." How true it is! Nearly everyone wants to be given something at the expense of somebody else. One of the penalties of government aid is the widespread lowering of the sense of responsibility. Individual stamina and self-determination go down when public expenses are going up. That kind of an arrangement destroyed the mighty power of Rome, when the barbarians came over the hill-tops.

Bus, street car and trolley drivers in Vancouver who are obliged to keep schedule are suggesting a slow-down of traffic if fatalities are to be avoided. What the men say is worth heeding, and the advice could be extended to include privately driven cars. Speed, speed, speed! No one notices any lessening in the rush racket.

GOOD SAMARITAN
PETERBOROUGH, Ont. — An exhausted deer was unable to reach firmer ground because of the slippery footing, and was rescued by L. Copp from the icy surface of Stony Lake. He dragged it by its front feet to the shore where the animal was able to gain its footing.

MINIATURE WOOD MUSEUM
ROSSBURN, Man., — A beautiful cabinet, containing more than 12,000 different pieces of wood of 11 different varieties is owned by A. J. Saley. The wood in the cabinet included African ebony, Dutch Guiana purple heart and Indian pau-douk.

BETWEEN BASKETS

(continued from page 6)

Intermediate League

Merchants took a commanding lead in their Intermediate League semi-finals as they defeated Morgan's 34 to 23. The conduct of the game was better than the usual intermediate games and was interesting to watch. Both teams played good ball with Merchants having the edge in the shooting, where it counts. The first quarter was slow with each team having difficulty in scoring and also getting into their stride. Merchants held the lead 6 to 3. The second quarter speeded up with Youngman coming through for Merchants with some lovely shots to keep them in the lead 15 to 11 at the half.

In the second half, Merchants' offence continued while Morgan's couldn't get going and their shooting was away off their mark. The final quarter saw the game continue on its pattern as Merchants took the victory.

Hebb played a good bucket position always feeding his forwards and coming through with 10 points for himself. Youngman of Merchants was top scorer of the game with 12 points.

Morgan's attack failed to get rolling and this held down their scoring power.

Merchants took 68 shots and made 12. They scored 10 of 18 free throws. Morgan took 65 shots and made 9. They scored 5 of 11 free throws.

Ladies' League
In the Ladies' game High School took a 13 to 5 victory

No More Harsh Laxatives!

Famous cereal brings lasting relief from constipation

"About 8 months ago, I decided to start eating KELLOGG'S ALL-BRAN. After a few days, I realized that regular use of this breakfast cereal was making my system work naturally. Constipation doesn't trouble me any more. Believe me, it's a great relief!" P. Lavelle, 4465 Renard Street, Montreal.

Yes, if you suffer from constipation due to lack of bulk in the diet, you may never have to take another harsh laxative again. Simply eat KELLOGG'S ALL-BRAN daily and drink plenty of water. A wholesome cereal. Eat an ounce as a cereal or in muffins for constipation relief. If after using one package you are not completely satisfied, get double your money back as guaranteed on the package. Get delicious ALL-BRAN from your grocer. Made by Kellogg's of London, Ontario.

TODAY to WED.
SEE IT FROM THE BEGINNING
Regular Prices

over the defending champs. Peoples' Store, which gives them an 8 point margin to work on for the second game this evening. The first quarter was slow with less shooting and more floor play. The ball was tied up too many times to make a good show. High School scored the only field goal in the first quarter and took the lead. In the second Peoples did most of their scoring of the night as they netted 4 points to make the score 5-4 for High School at the half. In the second half Peoples' Store was completely shut out except for a free shot in the fourth quarter, while High School continued to do all the scoring and built up their lead. The game was a close-checking one, with Jackie Budinich, high scoring forward of Peoples' Store, being held to her lowest score this year. This had a disastrous effect on the Peoples' Store scoring power, as she is the mainspring of their attack. Peoples' Store took 34 shots and made 2. They made 1 of 9 free throws. High School took 28 shots and made 5. They made 3 of 13 free throws.

Junior League

Kinsmen came from behind a first quarter deficit to win their game from Rupert Hotel 13-9. In the first quarter Rupert Hotel did all their scoring and quickly went into a 6-1 lead, lengthening it into 8 to 1 at the end of the quarter. In the second quarter Kinsmen started to take over. The scoring and to cut down the opposing lead. The score was 8-7 for Rupert Hotel at the half. The play of the third quarter was close and on the ragged side as neither team scored from the

floor but Kinsmen 8-11 as Penell threw for the third quarter. The quarter play was ragged and rough scoring 5 points. Hotel quickly was 13-9. The game was not indicative of play that these teams are capable of. Classified scores of games follows.
