Do We Want It?

FOLLOWING a couple of high class musical presentations during the past year or so in Prince Rupert we took occasion to express regret that lovers of good music, who are supposed to be so numerous in this city, had not accorded the support they might have in the way of attendance at those presentations. In the hope that there may be no reason for commenting similarly tomorrow, we thought it might be more timely to speak in advance about the concert to be offered tonight by that talented new young Canadian violinist, Donna Grescoe of Winnipeg.

We hear from time to time of the lack of cultural activities in Prince Rupert and the dearth of high class entertainment as compared with larger cities. When such artists as Miss Grescoe come to the city, we can tell by the attendance just how much is the demand for such things and how much of the talk of desire for these amenities is merely idle complaint which has no sincere motive.

The Civic Centre authorities are to be congratulated upon their persistence in bringing such high class entertainment to Prince Rupert. It is all part of their policy of doing everything to make Prince Rupert a better and more pleasant place to live. The best token of appreciation and approval that can be shown them is by the simple measure of the support they get in the way of patronage and attendance. It will be interesting to note how many turn out to hear Miss Grescoe tonight.

OLD AGE PENSIONS

THE AVERAGE monthly amount on account of the basic and supplementary old age pensions now being paid in each province may be seen in the following list as given in the House of Commons early this month.

Old Age Pensions—Alberta, \$32.23; British Columbia, \$29.29; Manitoba, \$37.86; New Brunswick, \$30.15; Nova Scotia, \$30.24; Ontario, \$37.06; Prince Edward Island, \$26.42; Quebec, \$28.94; Saskatchewan, \$37.12; Northwest Territories, \$28.75.

Supplementary Allowances paid by the Provinces—Alberta, \$7.50; British Columbia, \$10; Manitoba, \$10; New Brunswick, \$10; Newfoundland, \$10; Nova Scotia, \$10; Ontario, \$10; Prince Edward Island, \$10; Quebec, \$10; Saskatchewan, \$2.50, subject to means test. Northwest Territories may be authorized if requested. The foregoing, listed last June 30, is from Hansard.

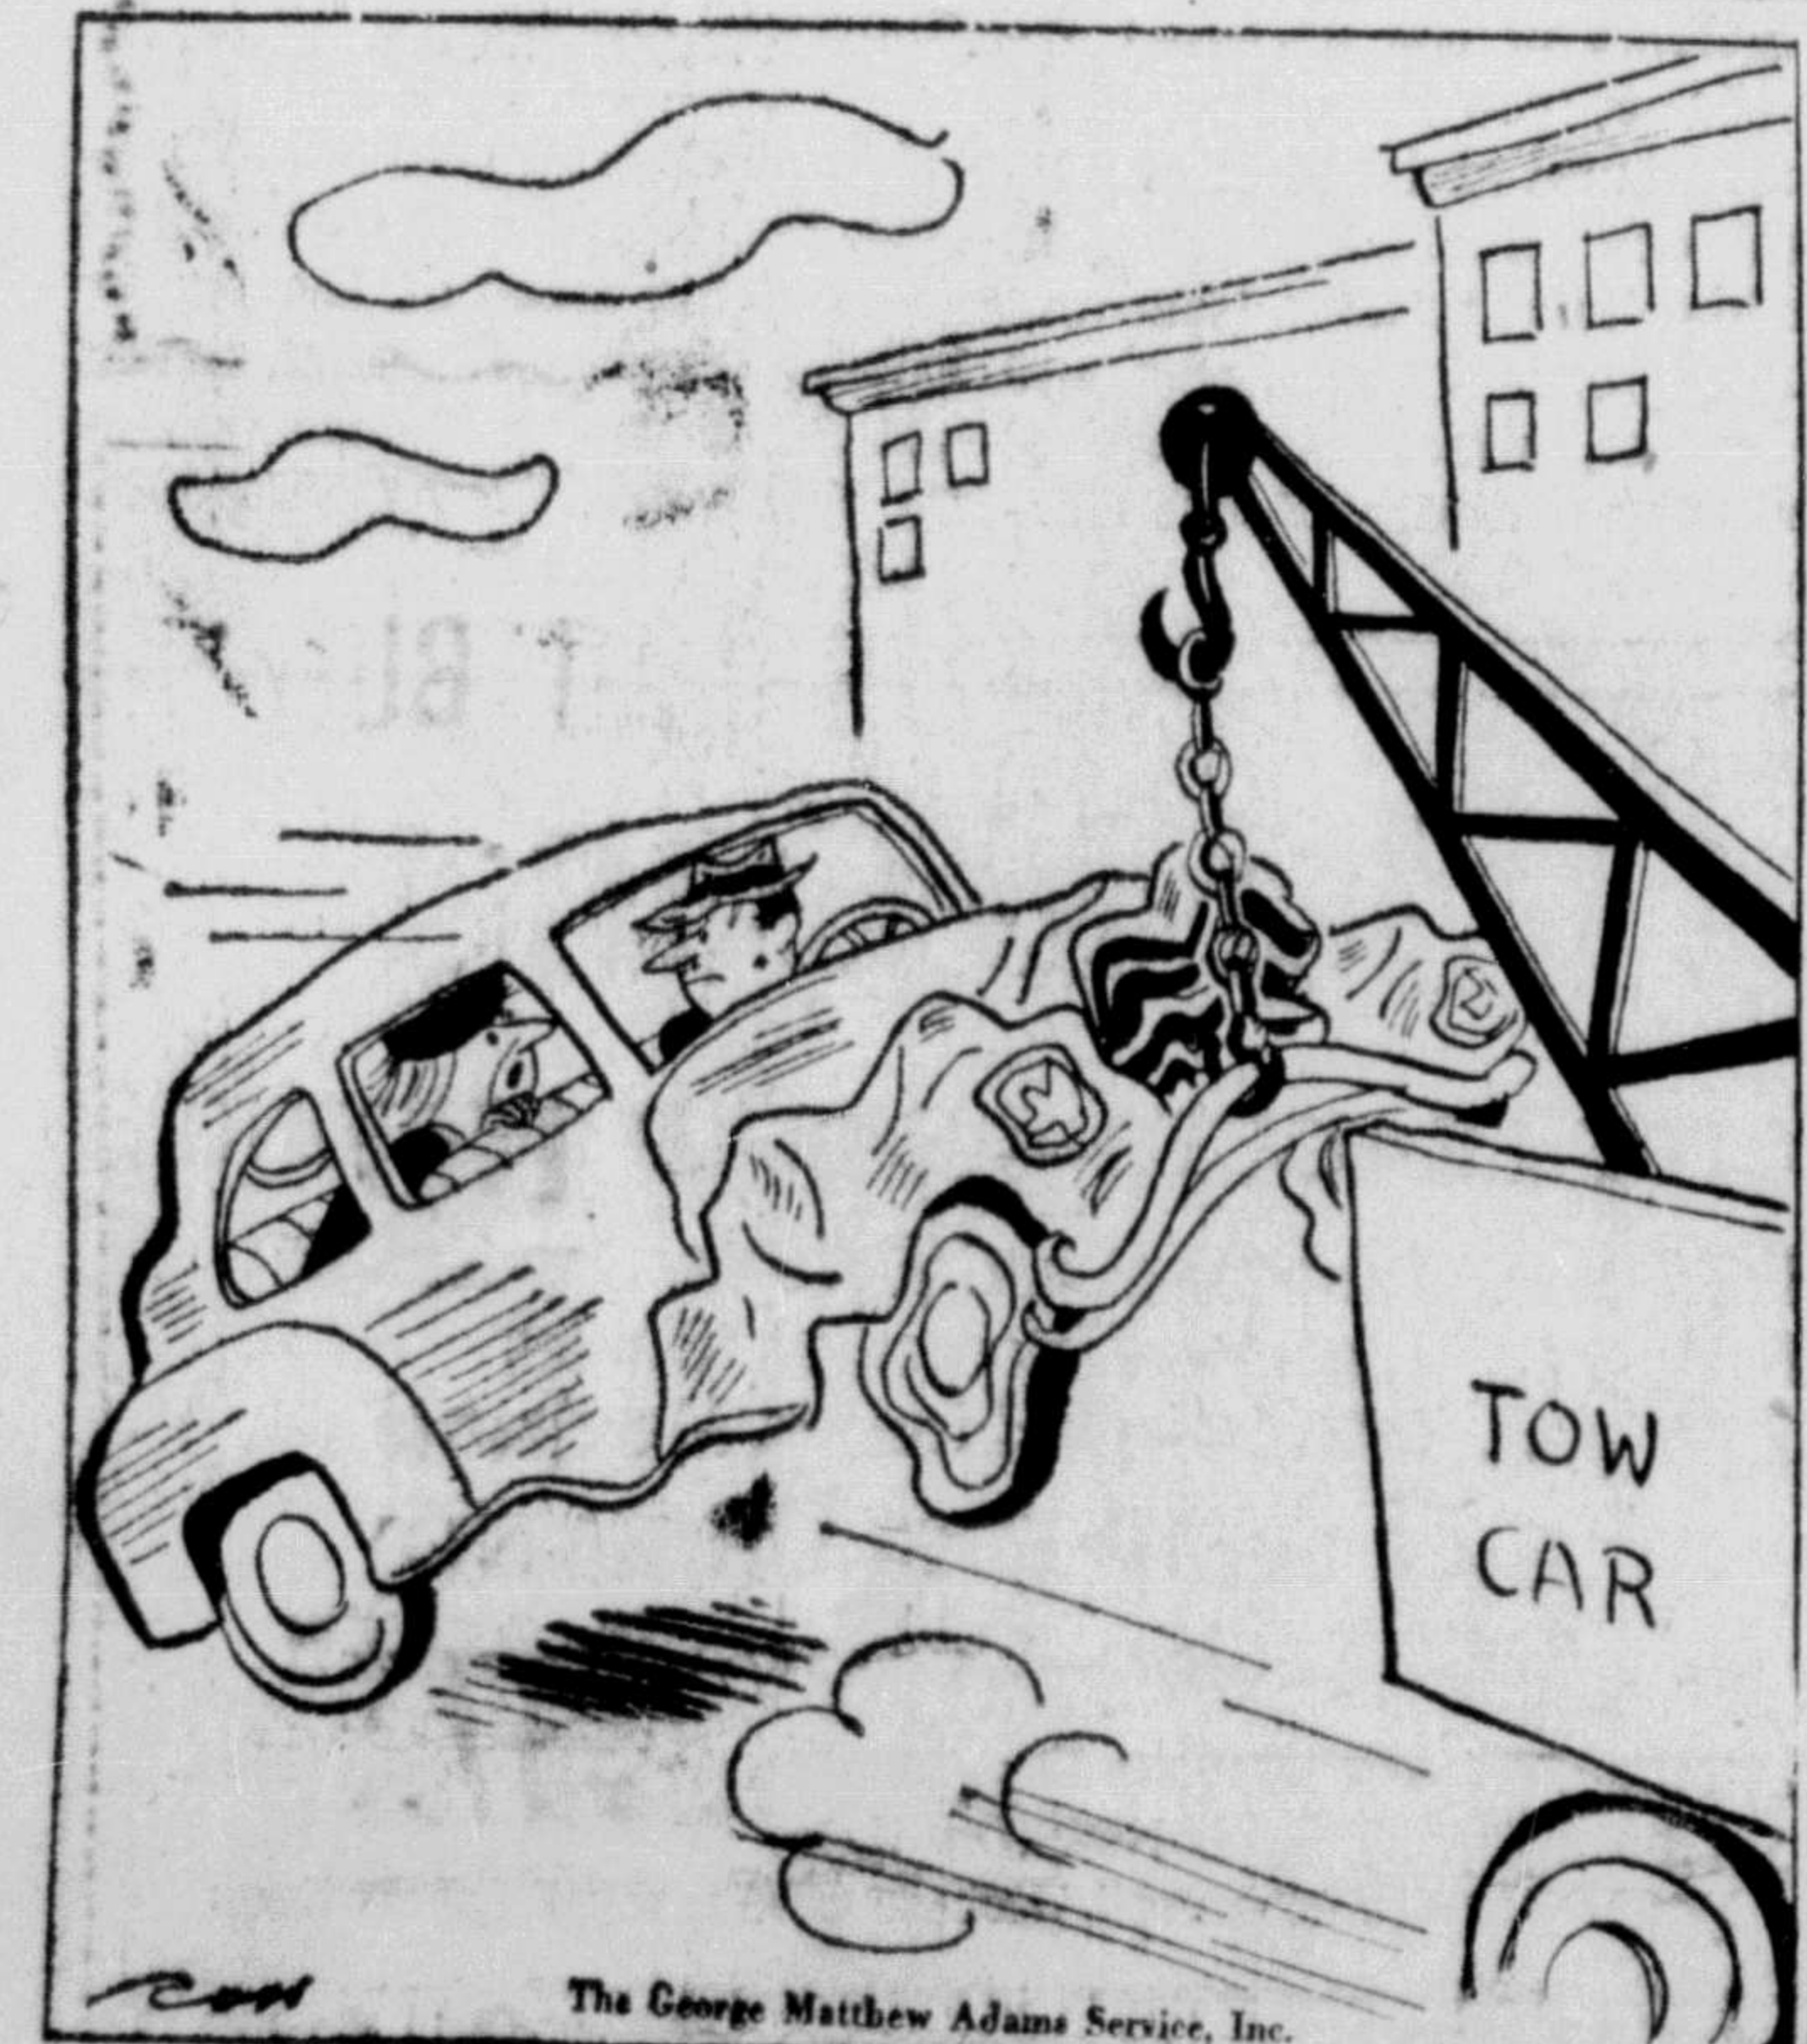

Since then, all provinces had not completed the work of adjusting pensions in accordance with the provisions of new agreements bringing into operation the amendments to the Old Age Pensions Act passed at the last session of parliament.

Soroptimists' TB Seal Drive

Meeting at the home of Mrs. Ralph Smith, the Soroptimist Club mapped out plans for the annual T.B. Christmas Seal campaign and a committee consisting of Miss P. M. Mooney, Miss Ann McLeod, Mrs. C. G. Ham, Mrs. M. O. Kullander and Miss Winnie Poxon was named to take charge. Miss Margaret McLeod was named

as the new secretary of the club. The president, Miss Muriel Vance, was in the chair and delicious refreshments were served by the hostess.

Mr. and Mrs. P. McInnes, of Slouss Lookout, Ontario, who have been visiting in the city for the last fortnight sailed on the Prince George last night for Vancouver enroute east.

And, further, when you lecture me not to be a backseat driver, don't turn around to do it!

Ray Reflects . . . and Reminisces

A Quebec railway conductor, Mr. St. Cyr, won \$77,500 in the Irish sweep. The first ticket he never punched, yet he won it. And it was just to bad about the Toronto man who had been buying tickets 20 years before he won \$31,000.

Individual, it's also a matter of life or death. Trouble teaches you two things: (1) How many friends you have, and (2) how many people were waiting to catch you bent over. —Quote.

Elmore Philpott, turning politician himself, ran for office in Monday's by-election. He did not win, yet to aspire for a seat was not a bad idea. After years of criticizing others, in point, he invited the public to take a few slams at him. The experience may give him several new angles on men and affairs. In his line of business, every little bit helps.

Abolition of capital punishment in Britain is seldom heard spoken of. It certainly was a few years ago when the subject was introduced with a flourish by the Labor government. Since then, it seems to have kept fading away. No one appears to know, today, whether or not there's a downright law, one way or the other. Premier Aitken and his advisers have their hands full of overflowing with problems of state. Perhaps, with the government, as well as with the m-

George Frizzell has watched Western Canada grow and develop from a frontier to a land of good sized cities, settled communities, huge railway systems, highways, airways, pipe lines to carry oil, grain growing on a major scale and expanding populations. And he's seen more than that. He has witnessed deep sea fishing in the North Pacific change from practically nothing to whole trains of halibut pulled out from Prince Rupert for the world markets. He was 89 this week. That's on the verge of ninety. Well George, we'll 'be seein' you again, next year!"

They got as far as blasting and digging basements for two hotels in Prince Rupert, long ago. One was to stand on Second Avenue and the other on First Avenue and McBride Street. Messrs Morrow, Frizzell and Sheady were behind the latter venture and they

C.P.R. WANTING HIGHER RATES

OTTAWA, ©—Attempting to carry its fight for higher freight rates to the Supreme Court of Canada, the Canadian Pacific Railway Thursday challenged the Board of Transport Commissioners' September 20 decision awarding the railways an eight percent increase.

The railroad, which claims the increase is too small, applied to the board for permission to appeal to the highest court. It wants to ask the court for a ruling on whether the board failed in its duty by not making final determination of the rate increase pending further board studies and report of the royal commission on transportation.

reckoned \$20,000 would erect a three floor block. There must have been an early winter for someone got cold feet! Think of it! Three floors for twenty thousand!

The home of the United Nations will occupy about seven acres between 42nd and 47th streets in the heart of New York City. It will be housed in a 65-storey block and take two more years to finish. A wonderful building was also erected for the League of Nations at Geneva, not long after conclusion of the First Great War.

Phone Rates Were Changed — Downward

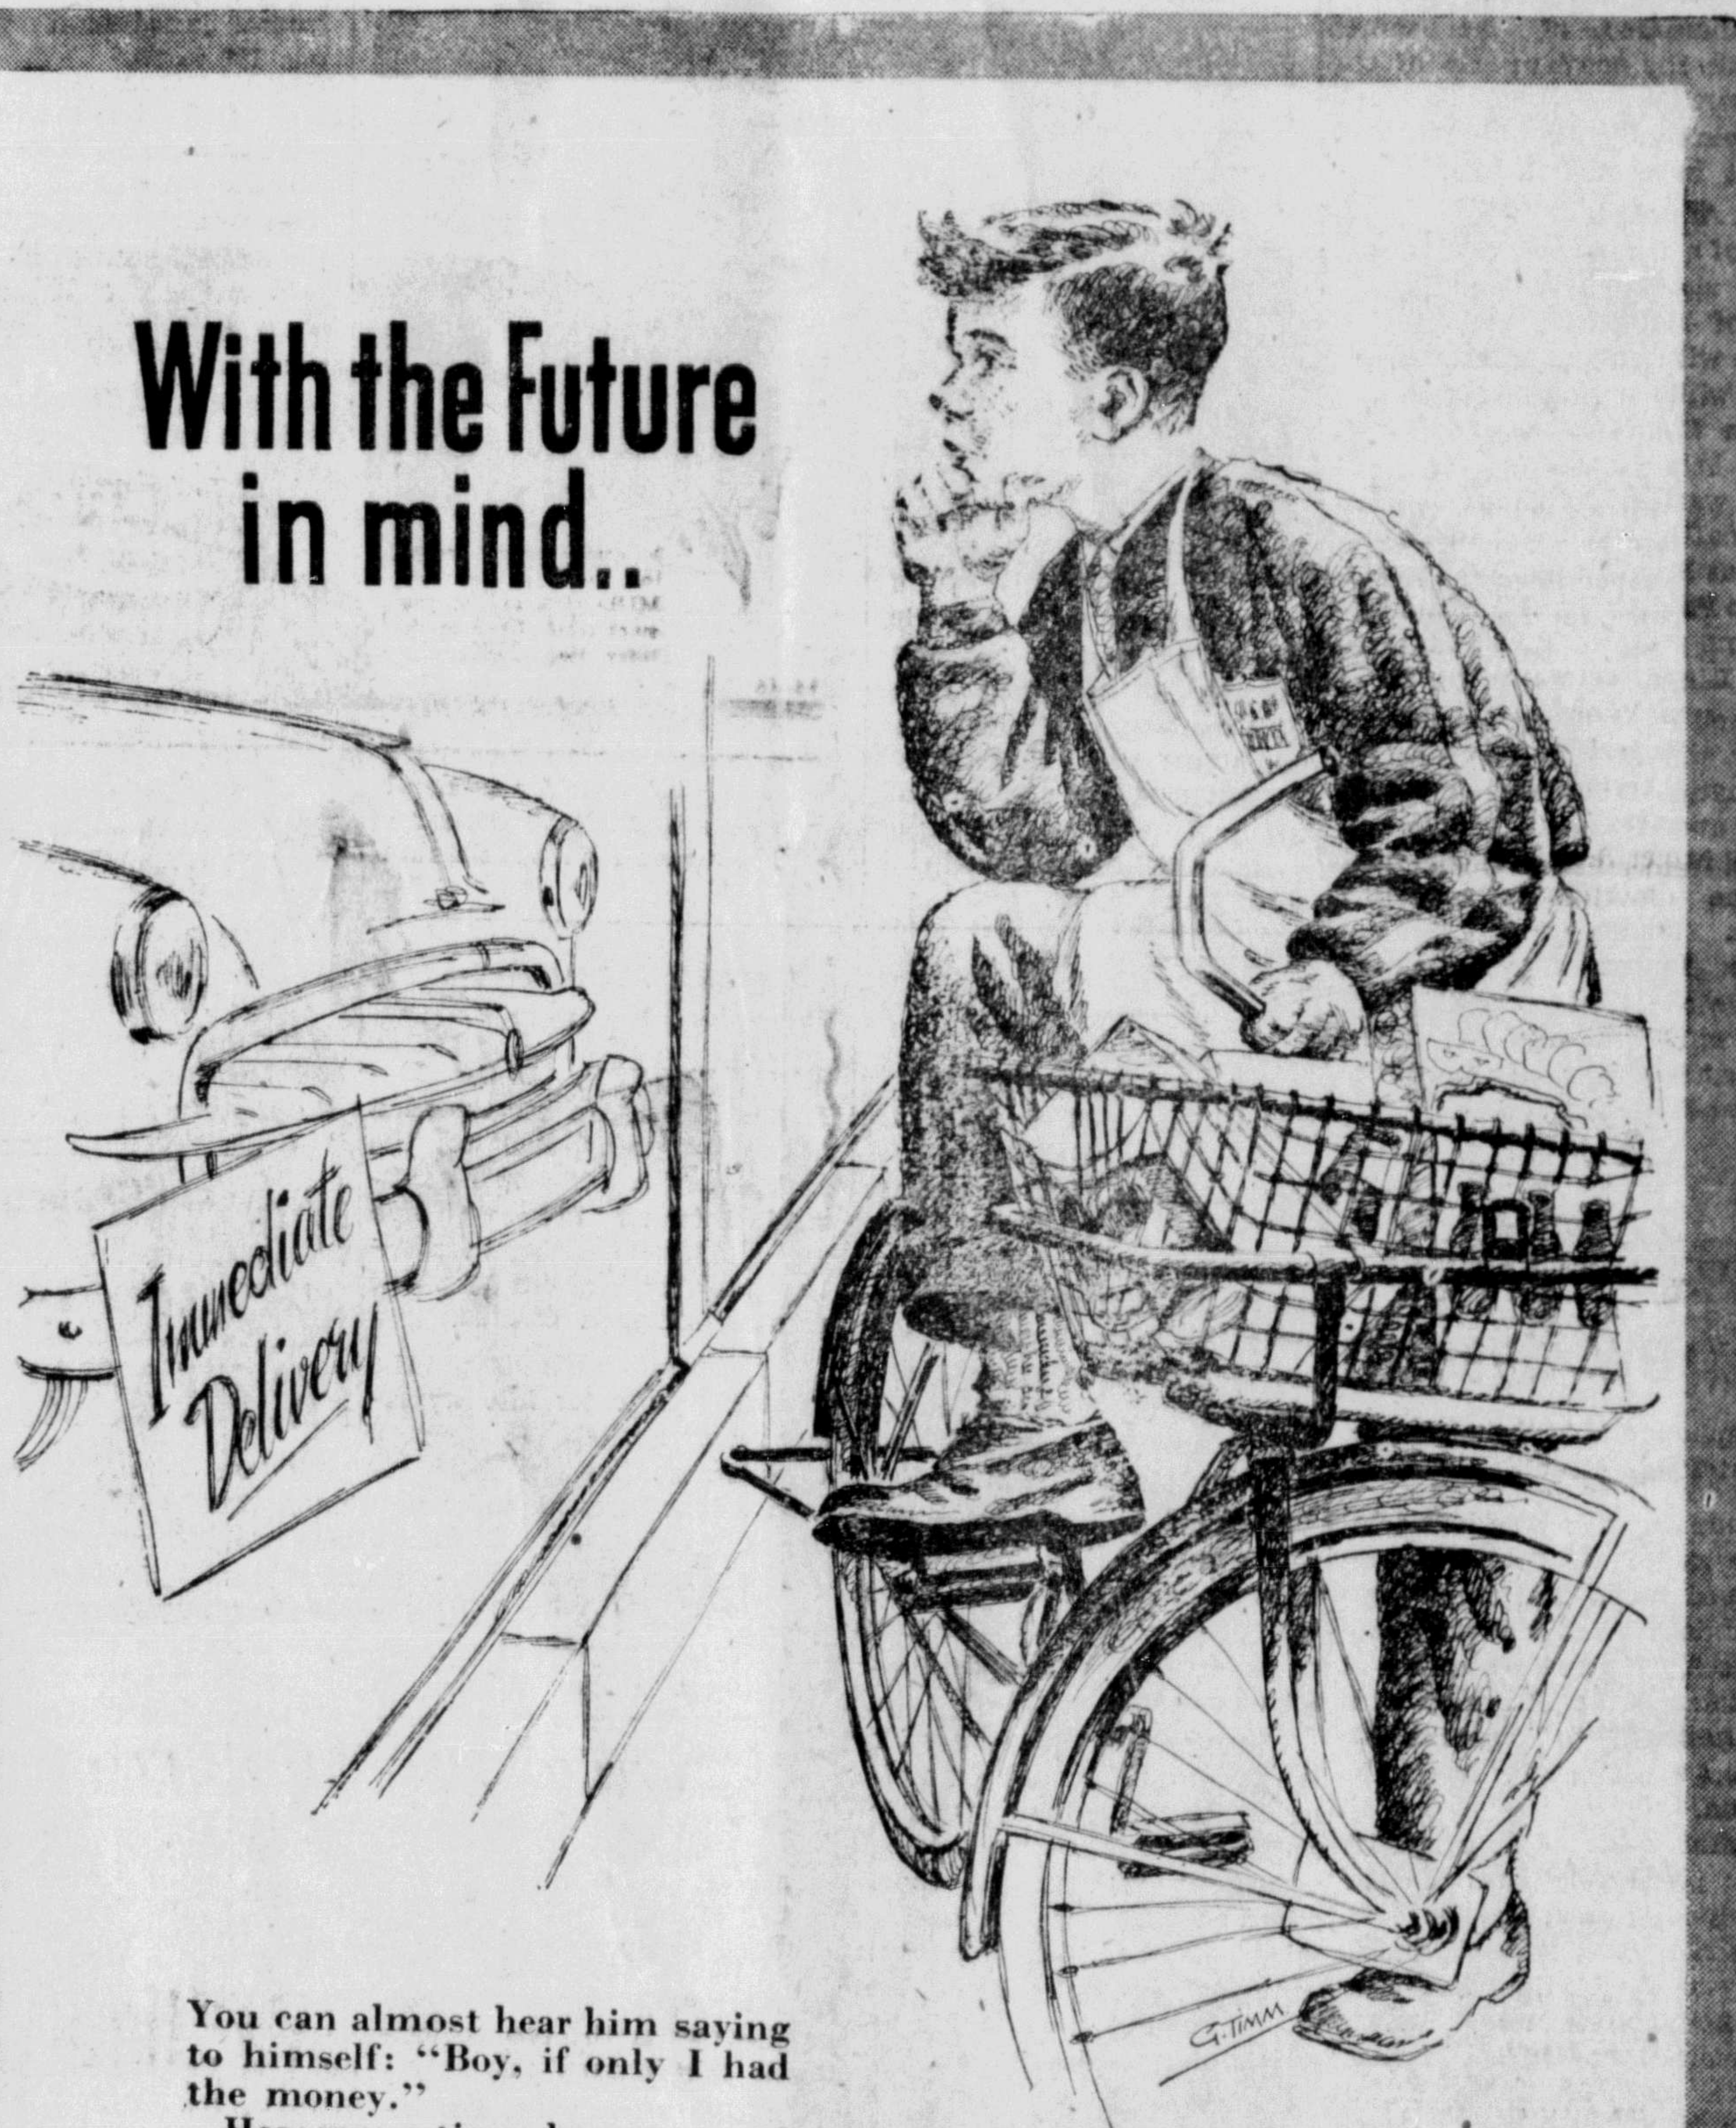

Prince Rupert's telephone rates have been changed since 1910. Utilities Chairman H. M. Daggett told city council in reference to a statement he made a week ago to the effect that the same rates are being charged as were instituted 39 years ago.

"I checked through the records the other day to find out if what I said was true," Alderman Daggett said. "I found that it was not."

"Actually the rates were changed once—in 1925. Then, they were reduced 25 cents under the 1910 level. So right now, subscribers are paying less than they did in 1910."

Miss S. Kurulok sailed last night on the Prince George for Vancouver.

You can almost hear him saying to himself: "Boy, if only I had the money."

How many times have you said that to yourself about things you want?

But it's well to realize that the one sure way to get what you want is to save for it. Canada Savings Bonds are an ideal way to go about it, because they make saving easy.

You can buy them in easy instalments as you go, through your Company's Payroll Savings

Plan, or they can be bought from a bank or investment dealer.

You can cash them at their full face value at any time, at any bank, and as long as you hold them, they earn you interest.

Hundreds of thousands of Canadians have bought, and are continuing to buy, Canada Savings Bonds. Make up your mind now to keep up this sound habit.

PORT EDWARD COUPLE MARRIED

Prince Rupert district residents share interest in the marriage rite at St. Andrew's Cathedral Wednesday evening which joined Rhoda Leighton, daughter of Mr. and Mrs. Robert B. Leighton, of Metlakatla and George Pettipiece, son of Mrs. Annie Pettipiece and the late Harold Pettipiece, of Port Edward.

Officiating at the ceremony, which was attended by a number of friends of the couple, was Canon Basil S. Prockter. The bride, who is a member of a well-known Metlakatla family, was given in marriage by her father. She wore a suit of turquoise blue with corsage of pink and white carnations. Her attendant was Mrs. William Patterson who wore a gabardine suit of similar design in dusty rose color.

Groomsman was Patrick G. Bolton, of Port Edward.

The couple have taken residence at Port Edward where the bridegroom is employed by Nelson Bros. cannery.

WHAT ARE WE TRYING TO DO?

We try to have what people want.

We want our goods as good as you expect them to be according to the price you pay.

We try to sell well known goods at the prices advertised all over Canada.

Community silver, Bulova and Gruen watches Parker and Waterman pens are examples.

We sell Big Ben clocks at the same price as the jeweller in Peterborough where they are made.

We try to be earliest with the latest new goods.

We are trying to build a reputation for reliability and service.

No high pressure: no marking up goods to give a discount off.

Just plain reasonable profit.

BASKETBALL OPENS— Band to Play as Melon-Tossing Season Gets Under Way Again

The curtain will ring up tomorrow night on a brand new basketball season — 1949-50 vintage. Of course, the contending teams will provide the main source of entertainment, thrills and upsets, but Mr. and Mrs. Basketball Fan will get an extra good bargain at Saturday's opener when the league gets officially underway after League Prexy Angus Macphee tosses up the first ball in the Senior League, Co-op vs. Bo-Me-Hi feature. The Prince Rupert Shrine Club Band will be there with a 15-minute musical interlude during the pre-game warm-up period and more music at the half time.

The night's entertainment starts off with two Junior features in the early evening, Sea Cadets playing Scouts and Kinsmen tangling with Stone's Kinsmen are the veterans in this division, the three other teams being entered for the first time. The Juniors have already had an opportunity to show their wares and the pre-season games held last week were real crowd pleasers.

Merchants and Fashion meet in the Intermediate division and there are surprises in store for fans and players alike. Sid Woodside has been training his team for several years and aims at winning the title this year. He has added an extra section to the mantel piece at home to make room for Bert Morgan's Grotto Trophy. Fashion are an unknown quantity so far but they have a few of last year's regulars on the team and are well fortified with players from the now defunct Morgan's entry.

For the third successive year, headliners in the Senior Division opener will be Co-op and Bo-Me-Hi. Co-op won last year's encounter 33 to 26 and looked like sure winners of the league title. High School trailed throughout the season but when the chips were down and the final game played Bo-Me-Hi won the Cup play-offs.

This year Bo-Me-Hi is the un-

LUJAH' TRIED

Handel's "Messiah." If competence is established, the group may introduce the number on the annual minstrel show program which is its public entertainment objective again this winter. Chairman H. T. Lock is looking for more voices, particularly in the first tenor section.

The sparsely-settled districts lying to the north and south of the Canadian National Railways

COMMISSION IS GIVEN
(Continued from Page 1)

Lake by an official Radio Inspector of the Department of Transport. The report reads as follows:

"I have carried out a survey of radio reception conditions here today and have been unable to detect any radio interference from the power plant or from the overhead distribution system.

Neither have I been able to bring in any broadcasting stations up to the time of writing (9 p.m.)."

BOOSTER STATIONS

"During the past ten years repeated representations have been made to the Canadian Broadcasting Corporation by various Boards of Trade and other public bodies from Central British Columbia, and the situation regarding radio is fully set forth. But the time is now opportune to again stress that lines to transmit radio programs through to Prince Rupert are available and that the obvious remedy is to have repeater or booster stations installed at Vanderhoof, Burns Lake, Smithers and Terrace.

"The sparsely-settled districts lying to the north and south of the Canadian National Railways

would thus obtain decent reception facilities, and have access to the best Canadian programs instead of having to rely on United States reception, which during the day is extremely variable.

"It is extremely necessary that arrangements be made with the Radio stations at Prince George and Prince Rupert to release through these stations the full CBC Programs instead of only "sustaining" programs as at present.

"As is generally well known the entire area between Prince Rupert and Prince George is developing rapidly with many new industries being established, these requiring additional staff. The cultural entertainment of this vast area is far short of that available in the larger centres of Southern British Columbia, therefore it is essential that better radio service be given the area by the CBC. Better radio service is a very definite step forward in bettering the culture.

"With better radio service there is no doubt that more radios would be in service and thus produce more revenue in radio fees for the CBC.

"The providing of improved radio service by the CBC, as requested by this organization and others, would not only be sincerely appreciated by the population concerned, but would assist materially in the present and future development of the huge area of Central British Columbia.

Women's Institute Having Crisis—
New Rector Coming For
Anglican Church

An appeal is being made to all interested in keeping alive the Women's Institute in Terrace to attend the next meeting when a social will be held following the routine business meeting. The members have not been turning out at the regular monthly meetings as hoped for and, for a time it has been felt among the most active members that the activities of the other organizations in town are gaining preference in the community with the Institute coming out second best. Thursday night's meeting at the home of Mrs. W. Robinson was not well attended. Mrs. Harvey Phillip presided. Wool which was left over from articles knitted for overseas parcels was put up for sale and purchased by the members. Refreshments were served at the close of the meeting.

Mrs. McNabb entertaining.

Mrs. Maxted, senior, has arrived from Ontario to make her home with her son Jim, who so recently lost his wife.

W. Burke and Miss Valerie Booth left on Tuesday's train for Vancouver. Mr. Burke's position on the local teaching staff has been filled by Donald Cochrane of Vancouver who arrived on Thursday morning's train to teach at the High School. Mrs. Dudley Little is relieving temporarily for Miss Booth who is expected back as soon as her health is improved.

P. Murie sr., and Ronald Hartnell left on Sunday morning on a motor trip to the southern part of the province. They expect to be away about two weeks.

Arthur Murray sailed yesterday afternoon on the Princess Louise for a business trip to Vancouver.

Fred Nash, accompanied by R. Walker and Edgar Hamlin left on Tuesday morning's train for Hazelton and Vanderhoof on survey work.

St. Matthews W. A. met at the home of Mrs. R. Corlett last week, the meeting having been postponed for a week due to the death of the vice president, Mrs. Edna Maxted, who was to have been the hostess at her home this month. Two minutes silence was observed in her memory. In view of the fact that a minister, Rev. James Russel of St. Barnabas Church, New Westminster, is expected here in the New Year, the W.A. will undertake to have the rectory cleaned and prepared for the coming of him and his wife. Some effort is to be made to have double doors made for the vestry by the addition of another door. General regret was expressed by the members at the recent accident of Mrs. Gibson, president of the Diocesan W.A., who was expected in Terrace on Tuesday on her return from the Dominion Annual in St. John, but who was forced to cancel her visit due to breaking her ankle in Vanderhoof. Refreshments were served by the hostess following the close of the business session. The next meeting will be held at the home of Mrs. de Kergommeaux with

DAN MCKINNON
TERRACE DIES

TERRACE—Donald Alexander McKinnon, Klondyke and Terrace pioneer, passed away at the local hospital at 9 p.m. on Wednesday after a long illness. Born in Bruce County, Ontario, on February 16, 1863, deceased came to Terrace in 1911 from the Klondyke where he was married to Miss Mamie McMahon in Skagway. He was liquor vendor for many years, retiring about eight years ago. He is survived by his wife. Funeral services are being held this afternoon.
