POLIO SOURCE

Canadian Destroyer Picked Up Malady at Mexican Port

VICTORIA @—The poliomyelitis outbreak aboard the tribal class destroyer Athabaskan is believed to have originated from a Mexican port, the Navy said last night, withholding the name of the port. The ship docked there for four days while enroute to Esquimalt from Halifax and the afflicted men in the crew went ashore.

Today six members of the crew are in hospital, four of them in respirators, and have been definitely diagnosed as polio victims. There has been one death, Electrical Artificer Edward Zimmerman of Victoria, who died off the Oregon coast after the Athabaskan left Mexico.

BRAVE BOY

Terrace Youth Receives Coveted Silver Cross

Official recognition has been given the bravery of Roy Arthur Clifford, by reason of his effort to save the life of his brother William, aged 3, who perished in the burning of the Clifford home at Terrace last September 23. Roy is aged 15 years. He has won the coveted Silver Cross of the Boy Scouts' Association of Canada.

Another person honored in the Dominion Day list is Scoutmaster Roland Cole of Ocean Falls who will wear the Medal of Merit.

Arthur Clifford, a member of the Terrace Boy Scout Troop, dashed upstairs in their blazing home and carried his youngest brother outside when a sudden fire of unexplained origin swept the Park Avenue residence of Mr. and Mrs. Frank Clifford in the early evening.

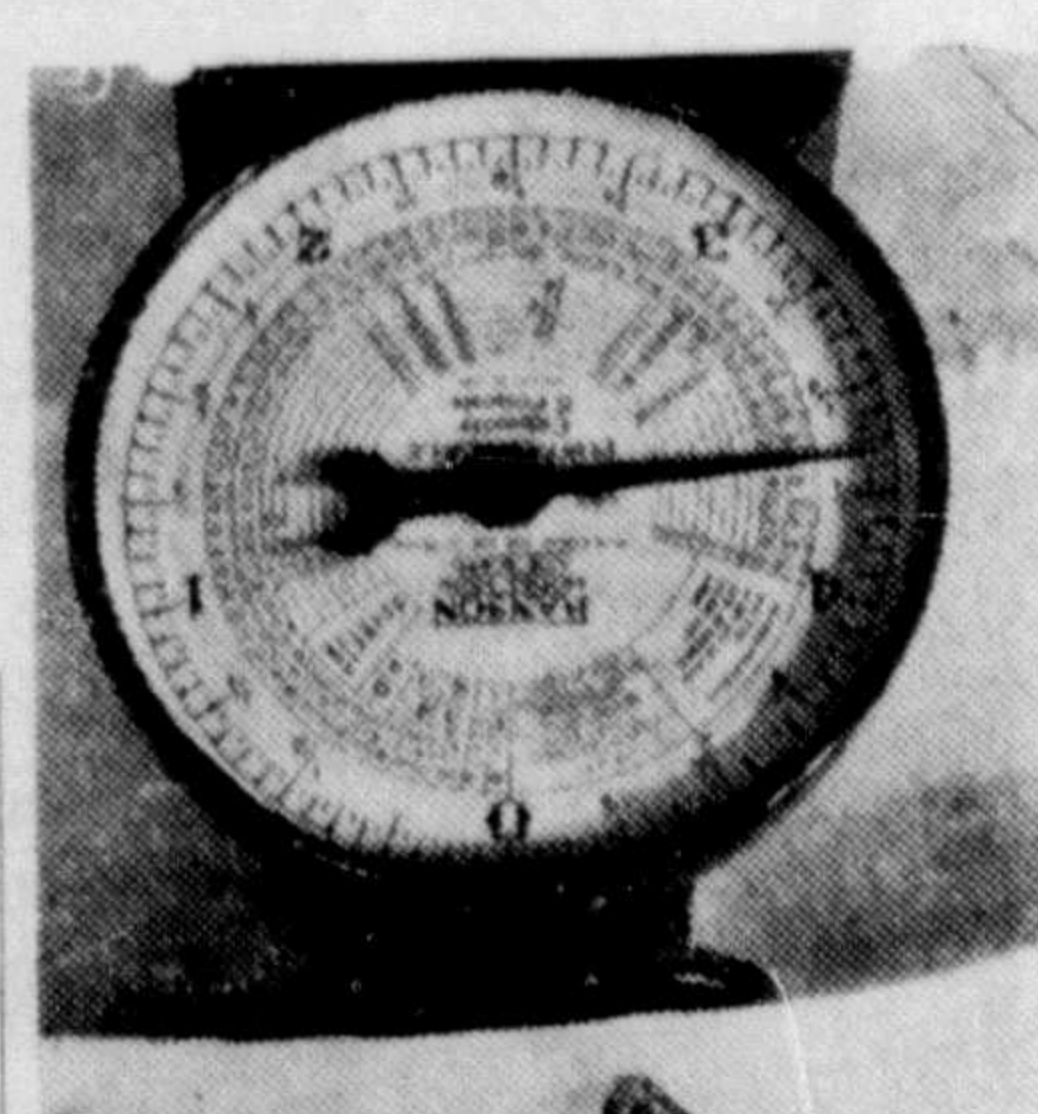

He received severe burns which kept him in hospital here for several weeks. Billy died within a matter of minutes after he had been brought to Prince Rupert General Hospital three hours after the fire broke out.

Mr. and Mrs. Clifford were away from home at the time and Roy was in charge of his two smaller brothers.

A crew has gone to the property.

Warnings were posted at the Tempelhof airdrome, the Berlin terminal for the American and British transports. The Allied planes are warned to fly about 5000 feet and well within the corridor. It was reported that the Allied planes had already been met by the German fighters which flew in formation and accompanied them part of the way.

Communists in Berlin today announced a two-year plan to tie Berlin economically to the Soviet occupation zone of Germany. They warned Berliners not to pin their hopes for the future on the western air bridge over the blockade.

A late report says that Russian authorities have disclaimed all responsibility for safety of United States aircraft supplying Berlin.

No answer has yet been received from Moscow to the western powers' demand that the blockade be lifted.

Stores Assistant Eddie Haddad Royal Canadian Navy, Canadian amateur lightweight boxing champion and No. 1 man on Canada's Olympic boxing team, will arrive in Halifax shortly to undergo special boxing training under Naval auspices in H.M.C.S. "Stadacona," the R.C.N. training base on the east coast. Haddad will leave Halifax for London and the 1948 Olympic Games on July 15 aboard the liner Aquitania. His coach and second, Leading Seaman Gordon Grayston, R.C.N., will join Haddad in Halifax but Olympic officials have not yet decided whether or not Grayston will be permitted to accompany his young charge to London.

The 26-year old Navy brawler won his Dominion title and the opportunity to represent Canada at the Olympic Games this summer during the recent two-day combined Dominion championship bouts and Olympic trials in Montreal. Haddad was named outstanding champion of the tournament and was the first man chosen for the Olympic team at a special meeting of boxing officials held following the final matches.

Selection of Haddad for the Canadian boxing team climaxes a brilliant career in the ring in Manitoba and on the Pacific Coast. Before joining the R.C.N. in June, 1946, he won the Manitoba lightweight championship. The following year, while serving with the Navy in Victoria, he punched his way to the top in his class in both the British Columbia Golden Gloves contests and the Pacific North West championships. He was named "Golden Boy" for the year. He repeated his performance this year, winning the B.C. championship in Vancouver in February and taking top honors in the P.N.W. meet held shortly afterwards in Seattle. In March he was an easy victor in the B.C. Provincial Boxing Championships, also staged at Vancouver. An added honor this year was the award to Haddad of the Sid Thomas Memorial Trophy, presented annually to the outstanding amateur athlete of Victoria.

Born and educated in Winnipeg, Haddad received his early boxing training with the Y.M.C.A. and the C.N.R. Athletic Club, of that city. His impressive ring record—38 consecutive victories—makes Haddad one of the most outstanding lightweight boxers ever developed in Canada. Much of the credit or Haddad's showing during the past two years must go to Leading Seaman Grayston, who also is a boxer with an excellent record. A light heavyweight, Grayston won several Naval and civilian boxing crowns during the war years.

BRAZILIAN MIDDIES TAKE A WALK—Cadets of the Brazilian Naval Academy are shown leaving a launch at Rio de Janeiro after they walked out of the naval institution in protest against the school's operation. In a dramatic gesture, a total of 243 cadets quit in a long drawn-out dispute with naval "brass." All those who took part in the walkout were stricken from the rolls and are no longer eligible for military service. Only 32 cadets remained.

SWIM CLASSES
First children's swimming class of the summer season opened Tuesday afternoon at McClymont Park pool when Miss Margaret Slinn, Civic Centre physical instructor, and Miss Rose Marie Hartwig gave elementary instruction to almost a score of youngsters. The swimming classes are part of the midsummer park supervision program which this year is visited by the greatest number of children.

NEW UNIFORM FOR SWEDISH SOLDIERS—The new battle-dress for Swedish soldiers is worn by Private Kampe (left), who is shown with Private Stahl, wearing the old type of dress equipped with haversack. Instead of the haversack the modern soldier has eight big pockets which have room for everything the haversack contained. The new military look was unveiled at the Swedish army training school at Rosenberg.

The ball game between Prem-

one-sided affair. The Stewart
team was too strong for the
Hill-Billies and won handily
with a score of 12 to 1.

GARDEN WEDDING

Pretty Setting For Wedding
of Well Known Northern Girl

On Saturday afternoon last at
3 o'clock in the lovely gardens
overlooking magnificent Semiah-
moo Bay, the home of Rev. and
Mrs. Roy MacDonald, Ocean
Park, William Lloyd Michael,
son of Mr. and Mrs. Edgar
Michael, Owen Sound, Ontario,
took as his bride, Miss Fidelia
Anne McDames of Prince Rup-
ert, youngest daughter of Mr.
and Mrs. Alfred L. McDames of
Skeena Crossing.

The bride, given in marriag-
e by S. Mallinson, White Rock,
was lovely in a fitted gown of
white silver brocaded satin. Her
full-length veil was held in place
by a tiara of orange blossoms
and her colonial bouquet was of
gardenias and pink carnations.

Mrs. Robert Montgomery, who
made the bridal gown, flew down
from Prince Rupert especially
for the occasion and made a
gracious matron of honor in a
lovely rose shot taffeta gown.
Little Molly Montgomery made
a pretty little flower girl in blue.
Rev. Roy MacDonald, assisted
by Rev. Andrew Rutherford,
performed the double ring cere-
mony amid the sweet music of
the birds and the bright sun-
shine.

Dr. W. E. Austin was groom-
man and also proposed the toast
to the bride. The reception was
held in the garden where Mrs.
Roy MacDonald outdid herself
in making the occasion a suc-
cess. Mrs. MacDonald had a
beautiful table set in the garden,
decorated with the wedding cake
made by the bride.

The esteem in which the couple
are held was evidenced by the
beautiful gifts and messages of
congratulations received.
After the bride changed into
a beige suit with white acces-
sories, the happy couple roared
away amid showers of confetti
in their motorcycle trimmed
suitably by friends.

Mr. and Mrs. Michael will re-
side in their new home which
they have about completed at
Port Mann townsite, North Sur-
rey.
Those who attended included:
Rev. and Mrs. Roy MacDonald,
Ocean Park; Rev. and Mrs. An-
drew Rutherford, Milner; Mr.
and Mrs. S. Mallinson and Diana,
White Rock; Dr. and Mrs. W. E.
Austin and Garth, Vancouver
B.C.; Mrs. M. Jory, Ocean Park;
Mrs. T. Barlow and Miss Edith
Barlow, New Westminster; Miss
Clover Stevenson, Vancouver;
Mrs. Robt. Montgomery and
Molly, Prince Rupert, and Miss
Barbara Myros, Hazelton.

The bride is well known in
Prince Rupert where she attend-
ed Booth Memorial School and
is in various towns along the
Skeena where she taught school
for five years. Mr. Michael is
well known in Toronto and is
motorcycling circles of Vancou-
ver. Both are veterans of Army
and Air Force.

COAT OF TAN

Ald. Brooksbank Back From
Motor Trip to California

Wearing a fine pigmentation
of California sun tan—the
natural variety—obtained while
relaxing at Lake Tahoe and Pa-
cific Grove, Ald. Arthur Brooks-
bank returned home Monday
evening from a five weeks' holi-
day trip. Looking fit as a fiddle,
he appeared ready, if anyone
wanted to, even to renew the
anti-chlorination battle in which
the pros won a round while he
was away.

With Mrs. Brooksbank and his
daughter, Mrs. Edward Lipsett
III, Ald. Brooksbank's trip ex-
tended as far south as Santa
Barbara with visits at such
places as Seattle, Sacramento,
Reno, Carson City, Yosemite
and Crater Lake.

THIS AND THAT

"Getting a little fresh air dear?"

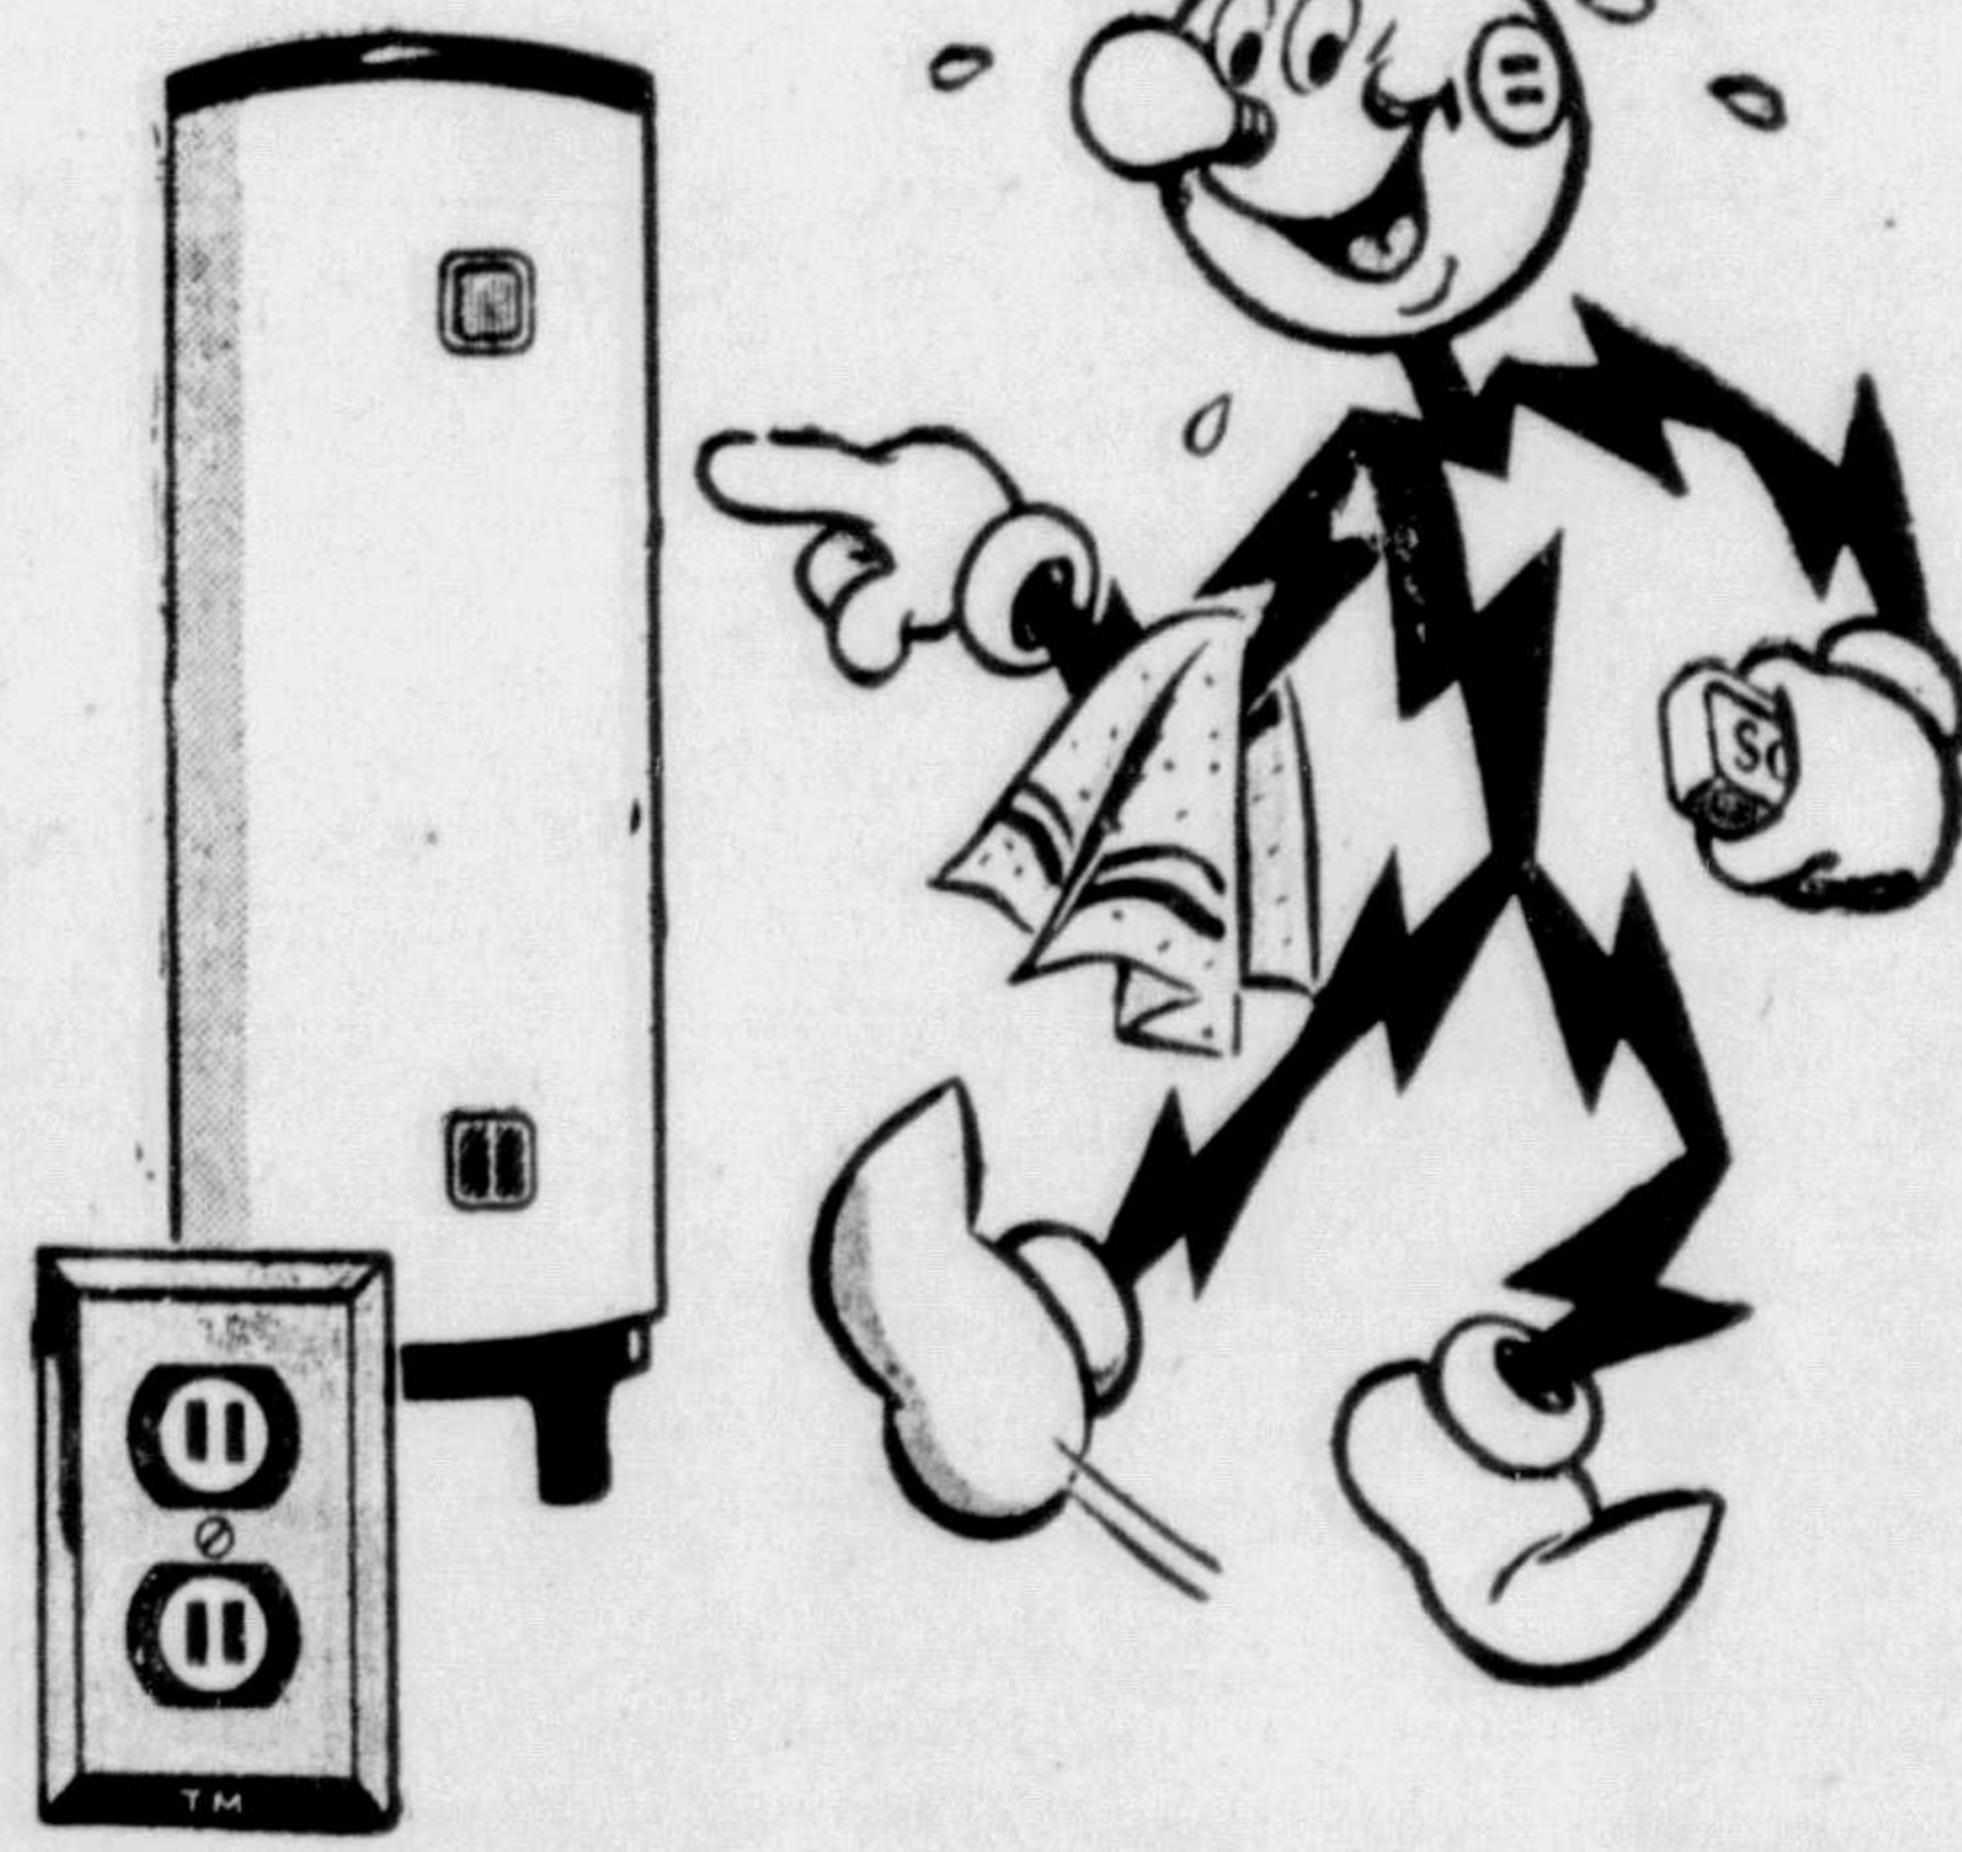

Reminiscences
By W.J. and Reflections

Believe it or not, there once
was a time when a one cent coin
had buying power. Yes sir! It
could command a purchase and
was not the beggarly, niggardly
poor relation bit of abashed
looking currency it is today. O
hast thou forgotten the rosy
ed apple, the stick of striped
andy, or "a cents worth of ??"

There is usually something to
take the joy out of life. Some
day there may be a chance to
ship wheat through Prince Ru-
pert, and Ottawa's reaction will
be "Excuse No. 36." Last time,
I came rested on wet weather in
northern Alberta. This was
years ago. Next time it may be
shortage of bakers overseas or
horned mines afloat in Hecate
Straits.

General W. T. Sherman had
his ideas about accepting a pres-
idential nomination, too. He was
like General Eisenhower, only
more so. Pressed again and
again to allow his name to go
before the convention, the man
who marched through Georgia in
'64, said: "If nominated, I

TOO BEAUTIFUL

Words Cannot Describe
Maligne Lake Says
Photo Article

JASPER—"There are no words
to describe it, no artist can
paint it, or no camera can re-
cord the actual beauty of Mal-
igne Lake."

In these words Herbert Patch-
in of Lexington, Virginia, mem-
ber of the 1948 U.S. camera tour
to Jasper National Park, sum-
med up the party's feelings
with regard to this famous spot
buried away in the heart of the
Canadian Rockies.

Comprised of 30 persons from
all parts of the United States
and conducted by Norris Hark-
ness, photography editor of the
New York Sun, the tour yester-
day concluded a nine-day visit
to Jasper Park in which they
visited Mount Edith Cavell, Mal-
igne Lake and the Columbia Ice-
field, making their headquar-
ters at Jasper Park Lodge.

Top-ranking camera enthusi-
asts, both still and motion pic-
ture, the party came well equip-
ped for their work and literally
thousands of shots of the great
natural beauty of this world's
largest national park were tak-
en. Without exception all mem-
bers expressed their complete
satisfaction and their ardent
desire to return to Jasper again.

that had the situation well in
hand.

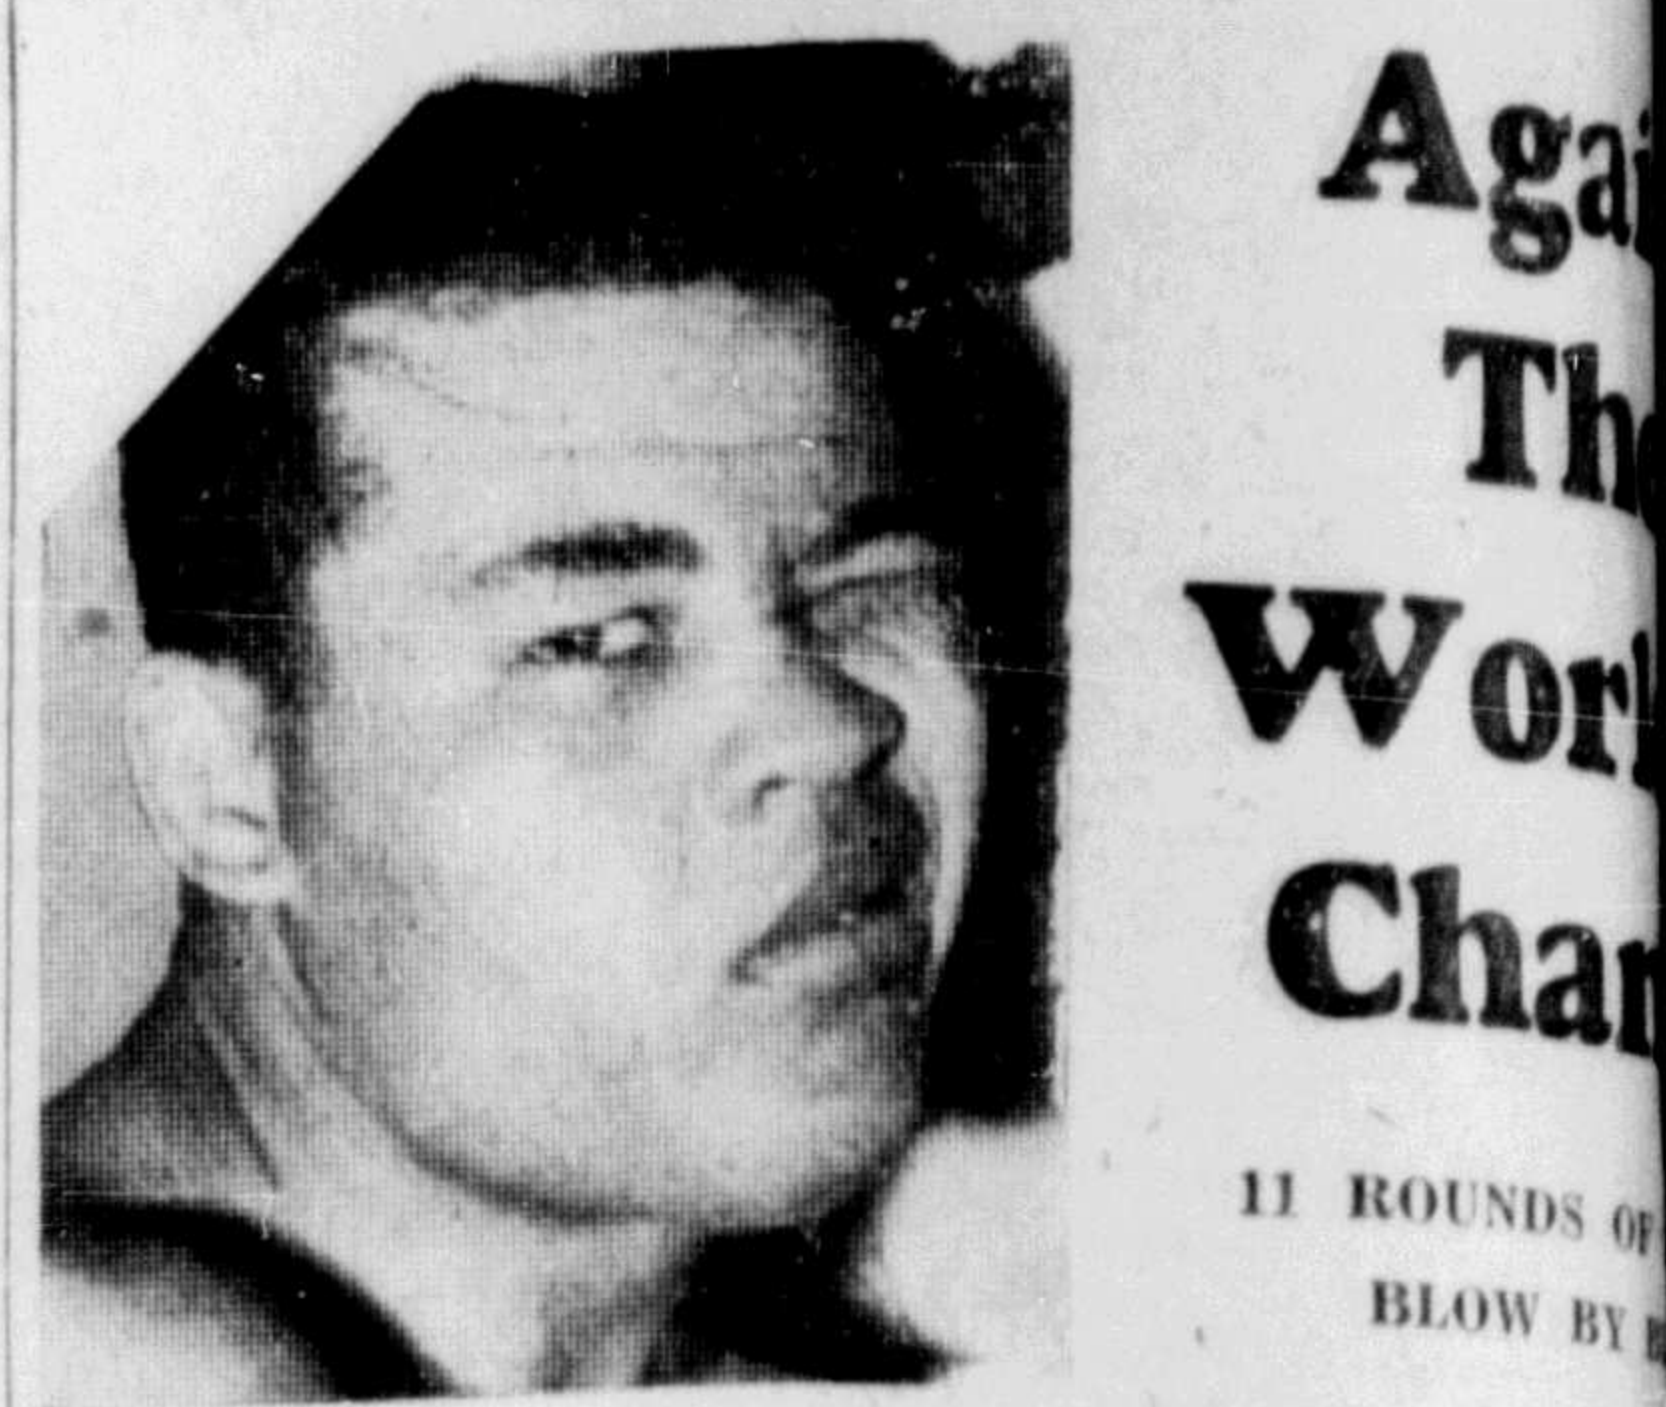

The flattie had been out in
the sun for several weeks so
when the crew finally lugged
and heaved the boat over the
last stretch of rocky shore and
launched her, she took aboard
a few gallons of water before
the seams swelled tight. After
lunch all hands manned the
pump. When the bilge was prac-
tically dry they borrowed a pair
of oars and everyone who took
part in the great trek and
launched went for a shake-
down cruise along the fisher-
men's floats.

EVERYTHING HASN'T
RAISED IN PRICE . . .

• It may surprise many but 1847 Rogers'
Community Silver flatware is the same price
before the war.

And as the tax is now off it should be
attractive.

Bulger's always sell standard goods at Cap
advertised prices even though express charges
more than those of places nearer to the factory.

For instance a Big Ben clock or set of silver
for the same price as in Ontario where it is
made.

A large part of our stock is made up of stan-
dard advertised goods and we try to keep the bal-
ance line with the prices of other cities. And we
warrant the satisfaction of our goods.

Something from Bulger's is always
worth having.
