# Big Four Still Trying to Reach Settlement

## Session on Austria, Germany Adjourned

PARIS (CP)—Big Four foreign ministers have reached their unofficial deadline to make another attempt at reaching an accord on an independence pact for Austria and a German rule pact. Deadlocked early today after a gruelling series of sessions, ministers recessed until Sunday and set still another meeting for Monday.

Unarmed observers said agreement on the German question is near.

## SEARCH FOR ULMER ENDS

Search for Martin Ulmer, Vancouver fisherman, who has been missing for almost a month on the west coast of Graham Island has been abandoned. Staff sergeant G. A. Johnson of the Vancouver Police and Marine Searcher Tom Moorehouse, who has been on the Islands for almost 10 days directing the search, returned to the mainland by air Wednesday afternoon.

Search for the missing man called off more than a week of ground parties have been to scout the area between Athlow Bay and Tartoo where Ulmer disappeared May 22 after he took to the water when his gillnet boat became disabled.

A 25-year-old Vancouver fisherman was the subject of a 10-day search which covered a large area on the rugged west coast of Graham Island.

Search headquarters here said morning that Constable J. Fletcher of Queen Charlotte would continue on the alert for signs which might solve the mystery of Ulmer's disappearance.

## ISLAND 'PHONE SERVICE STARTS

Frequency modulation telephone service between Prince Rupert and five Queen Charlotte Island centres went into effect yesterday and was described as a "beautiful circuit" by City Telephone Superintendent Bruce Love.

"It's just like talking to someone in the city," he said.

The service, which is not interfered with by static or any of the obstructions often encountered by ordinary radio-telephone, connects the city with Port Clements, Massett, Tleil, Queen Charlotte City and Dead Tree Point. It is operated by the Dominion Government Telegraphs with connection through the city exchange.

Rates, chargeable for the service have not yet been announced, Mr. Love said.

## CITY STREET PAVING STARTS

First step in the city's street paving program was made Thursday afternoon when city workmen began blacktopping the Hays Creek Bridge on Sixth Avenue East, preparatory to surfacing along Hays Cove Circle and Seventh Avenue to McBride Street.

The work will continue without interruption providing the weather remains dry enough to lay the mixture. The immediate program calls for the paving of a 25-foot strip on Second Avenue from McBride to the Park Avenue intersection and resurfacing the Morse Creek bridge.

Thereafter, a number of other streets, including Hays Cove Avenue, portions of the Seal Cove bus route and several downtown streets will be surfaced.

The asphalt mixing plant behind Roosevelt Park began its first quantity production of hot-mixed road material shortly before noon yesterday. It was trucked to the Hays Creek bridge where it was applied to the street with a special spreader bought especially for the purpose. The spreader which is attached to the trucks, lays a six-foot strip of the mixture at any depth desired by the workmen.

Three strips were necessary to surface the bridge and it is understood that the same width will be carried along Seventh Avenue.

## BESNER PLEASED WITH ELECTION

Olier Besner, who has been in the city for the last week looking into details of the new hotel which it is proposed to construct here, said Thursday night on the Prince Rupert return to Vancouver, accompanied by his stepdaughter, Miss Agnes Roberge.

Mr. Besner, who is one of the pioneers of this city, expressed gratification at the result of the provincial election on Wednesday.

"I feel that Canada is in front as far as world progress and prosperity are concerned," he said. "British Columbia is expanding rapidly and such expansion must be in this central and northern part of the province."

"Your citizens should benefit greatly by such expansion but, at the same time, consideration should be given to returning a federal candidate who will work for the district and who is friendly to the government at Ottawa."

## FINAL RITES FOR LEE MAAH

The funeral of L. P. Maah, pioneer business man of Prince Rupert was held Wednesday evening at eight o'clock. Service, conducted by Rev. R. A. Wilson, took place in First United Church, many being present. The hymns were "Rock of Ages" and "We Cannot Think of Them As Dead." Organist was Henry Pluym. The Twenty Third Psalm was read.

Mr. Wilson, in reference to the life of Mr. Maah, told of how, as a youth, he embraced Christianity. Throughout all his days he displayed those high qualities in keeping with his faith and trust, becoming endeared to all who knew him.

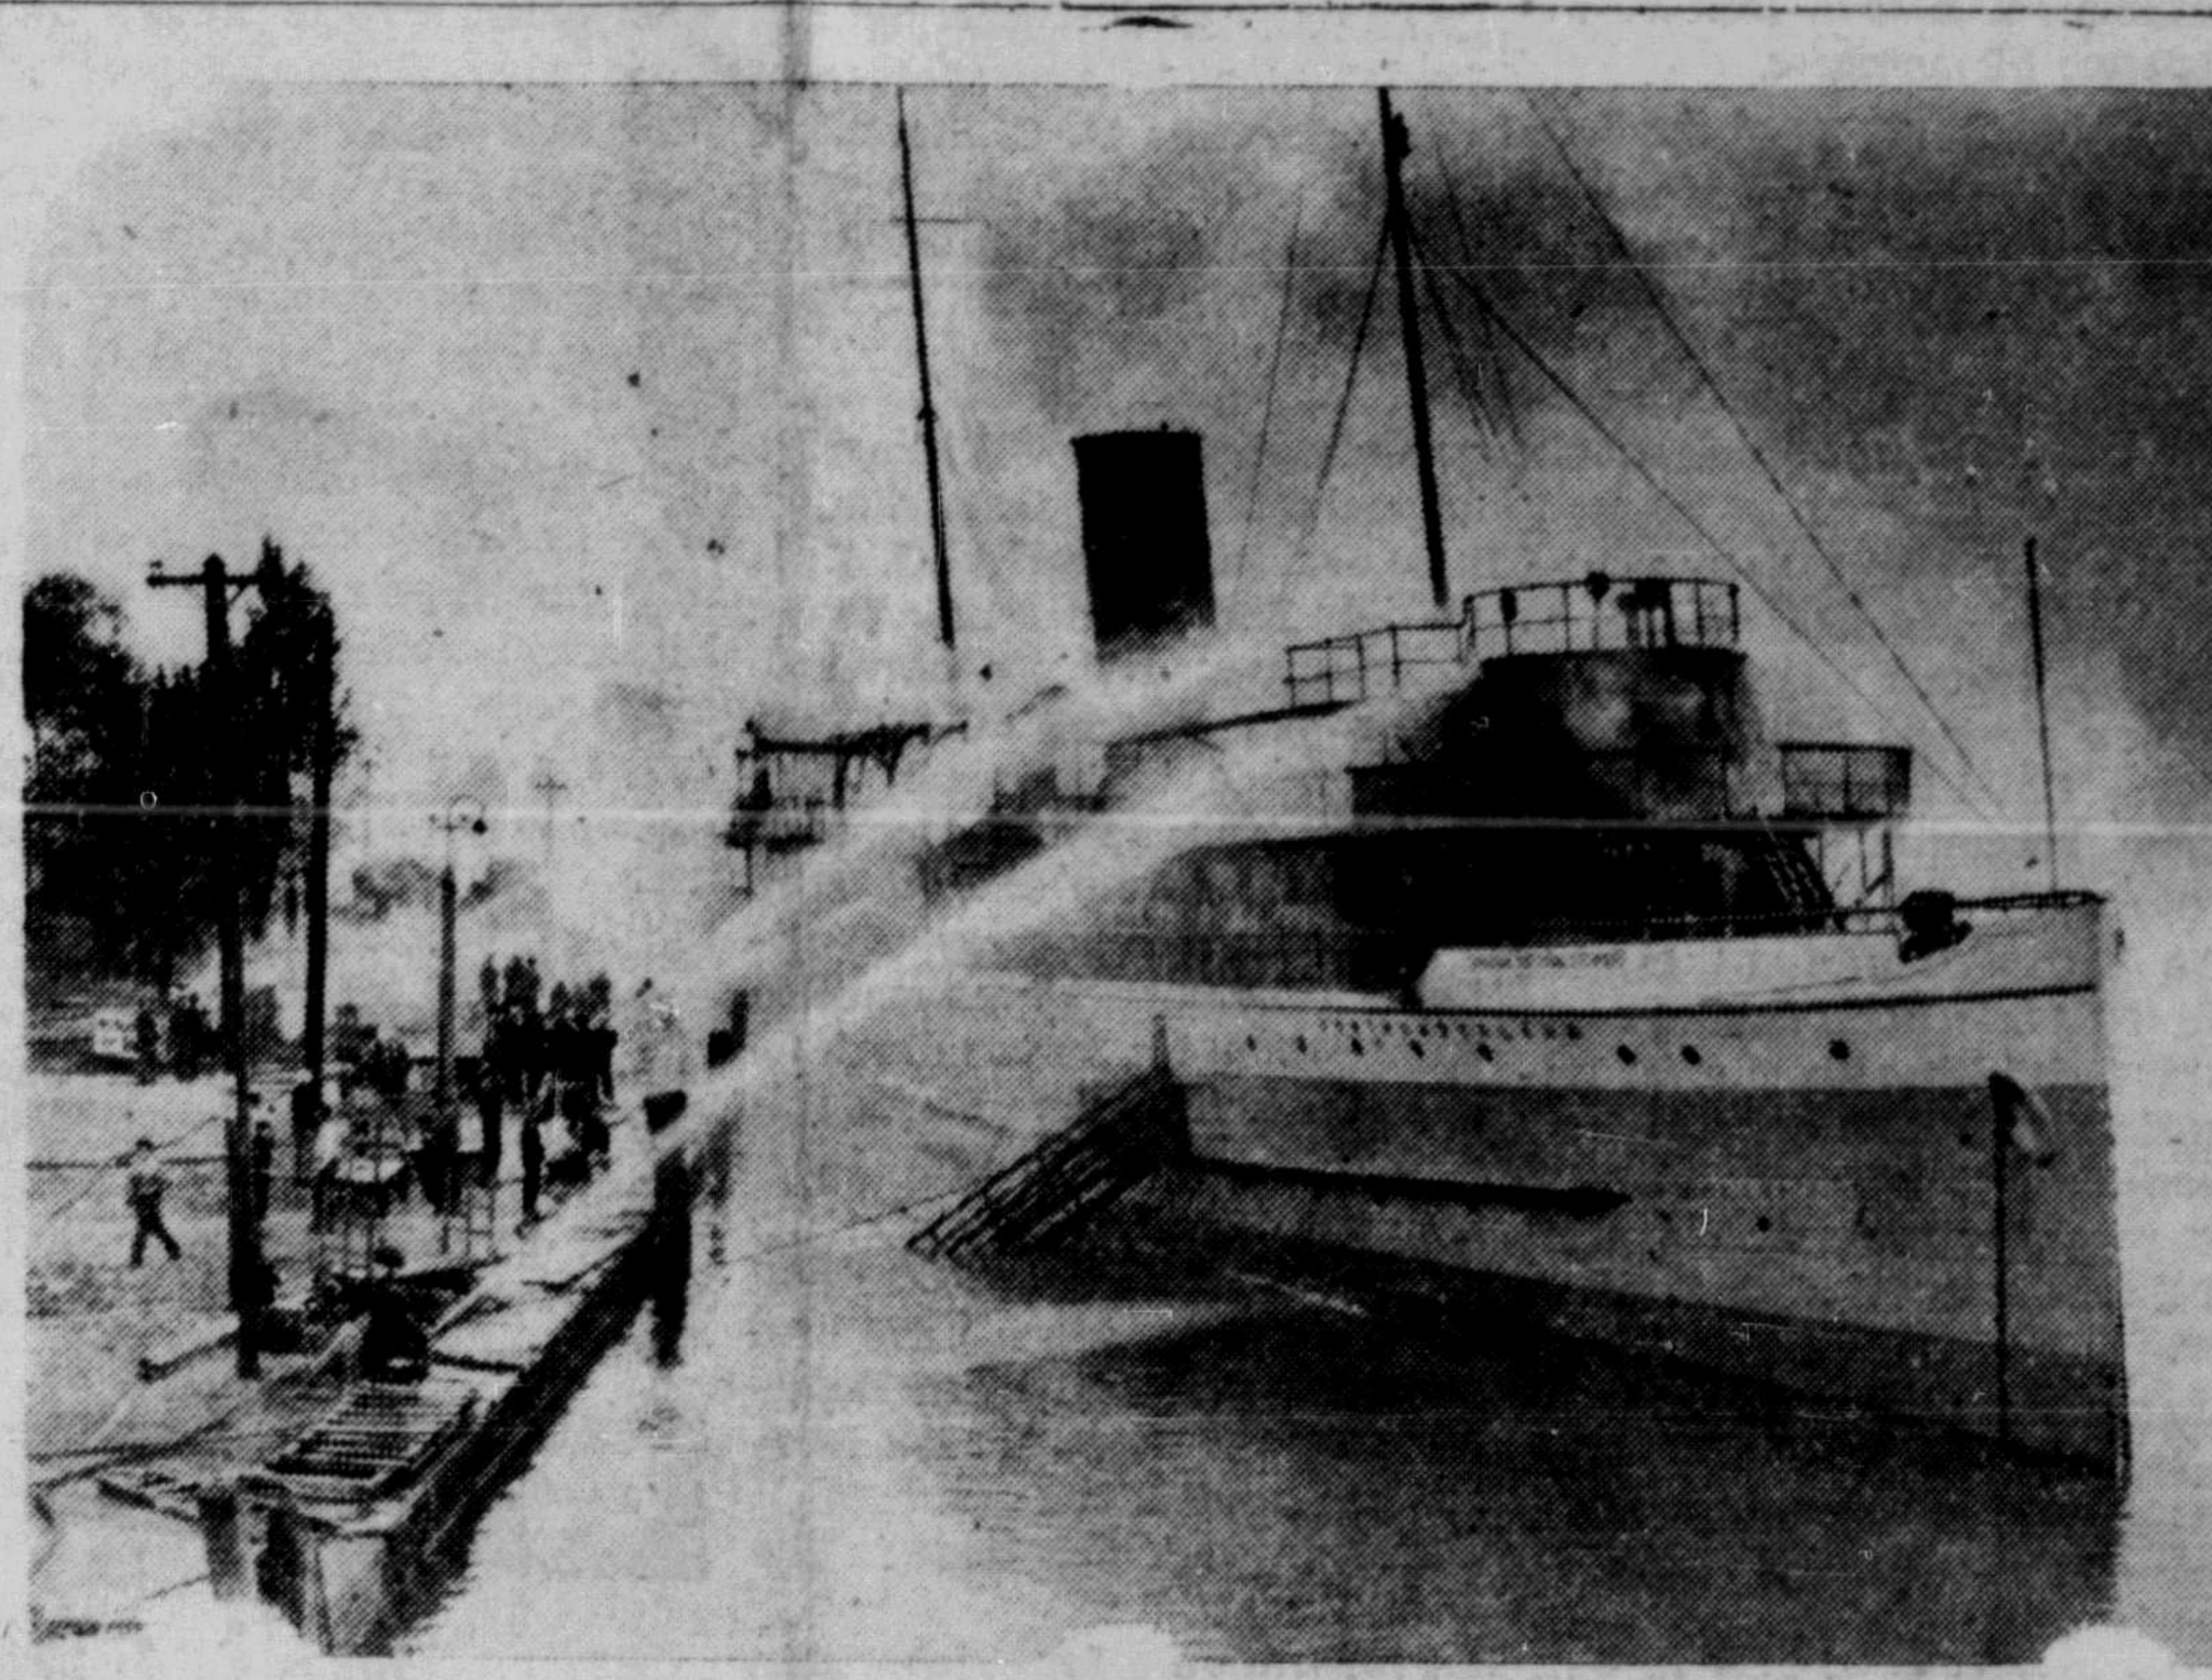

The pall bearers were Joe Howe, Hoy M. Wong, H. T. Lock, G. M. Seaman, Wm. Dunn and Andrew Thompson. Honorary pallbearers were Dr. R. G. Large, Jas. H. Thompson, J. S. Wilson and H. M. Foote.

The remains of Mr. Maah will be sent next week to Vancouver, in which city there will be burial.

## EASIEST THING IN WORLD IS TO BE FRIENDS, GYRO HEAD ASSERTS

District Convention Ends On Plane of International Goodwill and Fraternal Felicitations

The best and easiest of all human relationships is friendship, declared Leon E. Isaksen, Madison, Wisconsin, president of Gyro International, who made an impressive and deeply sincere address last night at the district governor's dinner which, followed by the governor's ball, marked the conclusion of a highly successful two-day District IV convention, activities of which centred at the Civic Centre and which constituted a program of wide gamut.

"Yes, the easiest thing in life to do is to remain friends," declared Mr. Isaksen. "If only some of the nations today could realize that fact!" Gyro International knew no boundaries in the making and keeping of friends. He hoped that the day would soon come when tariffs and other artificial barriers which existed between Canada and the United States would be completely removed.

Mr. Isaksen congratulated Prince Rupert on the fine job it had done in the staging of the convention. This club was but an example of this district of great distances which was not only large geographically but was the largest in membership and vigor of all the Gyro districts.

It had been a great pleasure to come to Prince Rupert, a visit and an experience which he hoped he might enjoy again. Meantime, he urged all local Gyros, as well as district delegates, to make an especial effort to attend the 1950 international convention in Banff.

Last night's dinner, conducted by the president of the local club, Maurice Brydges, was the occasion for the installation by the international president of the new district officers.

**OFFICERS INSTALLED**

Lieutenant-Governor, Jack Hickenbotham, New Westminster.  
Secretary-Treasurer, Richard Marshall, Seattle.

Trophy awards were announced—Vancouver, Washington, receiving the mileage trophy and Pentiction, the district bulletin cup.

Appreciation was voiced of the splendid work of Wilson Hunt of Pentiction during his term of office as district governor. A past president's jewel was presented by Sandy Wood of Tacoma.

A ring presentation was also made to Russell Jordan, the retiring district secretary-treasurer.

There were bouquets for Mrs. Hunt, Mrs. Lockett and Mrs. Jordan in acknowledgement of

## WOULD TAKE OVER BANKS

EDMONTON (CP)—M. J. Coldwell, C.C.F. leader, promised here last night that a C.C.F. government would bring Canada's chartered banks under public ownership "to break the power of the financial monopolies and bring currency and credit under control of all the people whom it should serve."

## OPPOSED TO FREE GOLD

OTTAWA (CP)—Finance Minister Douglas Abbott told a Montreal rally last night that he is still against allowing mines to sell their gold on the so-called free world market. The free market would not absorb all of Canada's output and she would be faced with the problem of disposing of the remainder.

## FAVORABLE FOR CROPS

WINNIPEG—Crop conditions continue favorable in Manitoba where moisture reserves have improved in recent weeks. In Saskatchewan the crop outlook is improving in many sections but rains are needed immediately in a large area centering on Saskatoon, also in the south-central districts of the province, according to the weekly crop report of the Department of Agriculture of the Canadian National Railways.

Moisture reserves are poor in east-central Alberta with wheat stands appearing thin and short. The Peace River district reports conditions satisfactory.

Weeds and slight frost damage are evident in some sections of each province and grasshoppers are numerous, principally in Saskatchewan and Alberta, while in Manitoba lighter infestations appear.

Weather was warm and dry in

## THREE MORE POLLS REPORT

Reports from 44 out of the 46 polling stations in Prince Rupert riding give John D. McRae, Coalitionist victor in the provincial election Wednesday, a total of 2,620 votes as compared with 2,012 for W. H. Brett, the C.C.F. candidate.

The three stations which reported after press time yesterday were:

	McRae	Brett
Wark Channel (Victory Cove)	3	2
Billmore	0	6
Osland	3	6

Mr. McRae's majority, with only two small polls and the absentee vote still to report, now stands at 608.

Polls still to report are the two small Porcher Island stations of Hunt's Inlet and Ooua River.

## Gyro Club Makes Finest Gift; \$10,000 Swimming Pool to City

Gyro's finest contribution to the recreational facilities of the city, many of which it has already made, was formally opened and turned over yesterday afternoon at McClymont Park when Mayor Nora Arnold received from District Governor Wilson Hunt a deed to the \$10,000 swimming pool which has just been installed.

"This pool," remarked Mayor Arnold, "is the crowning achievement of the wonderful work which the Gyro Club over the years has done for this city. It is with the greatest pleasure I receive this deed and I can assure the Gyros that it will have a permanent and honored place in the records of the city."

The mayor then asked the crowd of hundreds of spectators and children assembled in the bright sunshine on the scenic slope of McClymont Park to give a hearty round of applause to the Gyros, a suggestion which was acted upon with loud and immediate enthusiasm.

Pupils representing the various schools of the city then took an initial plunge into the sparkling water to mark the conclusion of the ceremonies.

Maurice Brydges, president of the local club, introduced the district governor who also added his words of congratulations to the Gyro Club for this and its many other good works of similar character.

Proceedings were enlivened by the attendance of the Prince Rupert Shrine Club's Band under the leadership of Bandmaster Peter Lien which played a program of spirited numbers.

Opening of the swimming pool was one of the highlight events of the activities in connection with the Gyro district convention which has been in progress here during the past three days.

**THE CCF AND THE NORTH ATLANTIC PACT**  
The record of the CCF party in foreign affairs is remarkable. This Party opposed to the brink of the last war and beyond it the whole basis of our present foreign policy. Among all parties tinged with isolationism it was the Supreme isolationist. It opposed any Canadian Military expedition abroad, while that impossible proposal was quietly forgotten and the CCF accepted internationalism at the San Francisco Conference after the war, it reverted to its old theories in the Defence debates two years ago. The CCF Party in British Columbia five weeks ago went on record at a party convention, held at Vancouver, B. C., as opposing the Atlantic Pact.

What answer can their Federal Representative give to this as a CCF Party Member?

### HEALTH UNIT STOOD BY FOR SKEENA FLOOD

Provision for maintaining public health facilities if the Skeena River had risen to flood level, a condition which did not arise, were made by the Prince Rupert Health Unit during May, according to the monthly report of the unit prepared for submission to the Union Board of Health yesterday.

The periodic meeting was postponed due to a lack of attendance of members.  
The report, prepared by Senior Public Health Nurse, Miss Joyce Leslie, stated that a close watch was kept on river conditions in the Skeena Valley and plans made to deal with problems created by a flood, should it arise.

Work of the unit both in the city and outside points was confined to routine practices with no new projects being undertaken. Child health clinics and school immunization work was done at several places.

In Prince Rupert, 64 infants and 68 pre-school children attended child health clinics. Immunization in the schools were completed with 15 school children receiving protection against diphtheria and 47 against small pox.

Acute communicable disease during the month was not serious but there was a sharp increase in the amount of tuberculosis work done. Two cases of the disease were sent to hospitals in the south and six more are awaiting admission. Many contacts and suspects were examined and visited. Home visits in connection with this phase of the work totalled 26.

Investigation of complaints about the number of rats in the city showed that residents are, apparently, becoming lax in providing adequate garbage containers. Little co-operation is being shown by home owners in connecting private sewage systems to the city sewage system, the report stated.

A child health clinic was held at Terrace where there was an attendance of 11 infants and six

### ROTARIANS ARE SPEAKERS

Impromptu speeches on topics drawn from a hat were made by five Rotarians at their weekly luncheon meeting at the Broadway Cafe Thursday afternoon. Names of the speakers were drawn from a hat by Sergeant-at-Arms Fred Scadgen. The entertainment feature was prepared by P. H. Linzey, entertainment chairman. Speakers who made two-minute addresses, were M. F. Stuart, Dr. G. E. H. Montgomery, A. D. Ritchie, T. N. Youngs, G. R. S. Blackaby and Robert McKay. Chairman of the meeting was Lee Gordon, in the absence of Club President D. C. Stevenson. Guests were C. S. Davidson of Hope, Howard Martin of Montreal and W. G. Stone of Vancouver.

pre-school children. Visits were made to Usk and Cedarvale. Senior Sanitarian A. G. Boas visited Terrace several times. Terrace now has its own safe water supply and efforts are being made to have all residents subscribe to it, rather than taking water from other sources. A preliminary survey of cattle in the area has been made in preparation for tuberculin testing which is to be done this summer.

In the Hazelton district, visits were made to all schools and immunizations were performed at homes and schools in Hazelton, New Hazelton, Kispiox, Morfeetown and Kitwanga. Similar work was done in the Smithers area. Preparation for tuberculin testing the dairy herds in the Smithers area, which provide much of Prince Rupert's milk supply, are being made.

Recent events may possibly remind that the press has assisted in turning at least a few votes.

Air travel, in and out of Prince Rupert, continues to expand. No one gives a second glance at a plane. Every day, parties take off for Vancouver in early afternoon to arrive there in time for dinner and show, should that be the inclination. But it seems only yesterday there was great eagerness to be in Hazelton in time to see the first plane ever sighted in Skeena, swoop down at Mission Point. Now there was a real, an unrivalled novelty.

Despite the cost of up-keep, more and more cars keep coming to Prince Rupert, now the Skeena Highway is functioning. And that reminds us. The difference between a car and a federal election is not the cost of up-keep. It's the keep-up.

Just a few more days — say around June 27 — will tell whether or not Mr. Drew should be included in what is known as the party of the forgotten men — Bracken, Manion, Meighen, Bennett and others that might be mentioned. However, this is presumptive! Let Drew live out his life and, meanwhile, it's just as when public matters are to be well to remember that where climatic decisions, the press can hardly be said to count, or, in other words, not to be taken way the Tom will leap.

# Keep UP-TO-DATE on OVERSEAS AIR MAIL RATES and REGULATIONS

Fast transoceanic mail planes now give such frequent and speedy service that it is wise to use OVERSEAS AIR MAIL for all your correspondence abroad.

**BUT BE SURE YOU USE IT CORRECTLY!**

There are two different ways to speed your messages abroad—regular OVERSEAS AIR MAIL . . . and special CANADA AIR LETTERS. Service is identical, whichever you use, but there is a vast difference in rates and regulations. It may save you money, delay and embarrassment, to know the regulations thoroughly.

Regular OVERSEAS AIR MAIL	Special CANADA AIR LETTERS
To United Kingdom, Northern Ireland, Eire and Europe, rates are 15¢ for each 1/4 ounce.	These handy, folding letter forms may be purchased at any Post Office for 10¢ or 15¢, already stamped.
To Central America, Cuba, Mexico, Bermuda, West Indies and South America, rates are 10¢ for each 1/4 ounce.	The 10¢ air letter may be mailed only to United Kingdom, Northern Ireland, Eire, Central America, Cuba, Mexico, Bermuda, West Indies and South America.
To Hawaii, rates are 7¢ for the first ounce and 5¢ for each additional ounce.	The 15¢ air letter may be mailed to all other countries, including Continental Europe, to which air service extends.

**WARNING!** One sheet of lightweight paper and a lightweight envelope weigh about 1/4 ounce. Always weigh letters to be sure they carry enough postage. If underpaid, the recipient pays double the deficit.

# "My Children Love Their Cereal and Carnation"

says Mrs. Arthur Laveque,  
Toronto

If you have children who balk at finishing up their cereal every morning—try giving them undiluted Carnation Milk to pour on it. Maybe you'll be surprised. Mrs. Arthur Laveque of Toronto has six children who were all Carnation babies, and she finds the morning cereal no problem with Carnation in the cream jug.

Carnation is pure, whole, cows' milk, evaporated to double richness. Homogenization and heat-refinement make it creamy smooth and richer tasting. And you can keep Carnation on hand without refrigeration. Join the millions who use Carnation Milk regularly. And remember that Carnation provides all the food values of pasteurized whole milk plus 400 units of "sunshine" vitamin D in every pint you use.

### MERCHANTS DOWN COMMERCIALS IN SECOND SWAT LEAGUE GAME

Merchants 2, Commercial Hotel 1

Failure of a ninth-inning strategy, which had it been successful, would have sent the game into extra innings, brought Commercial Hotel a 2-1 defeat at the hands of Merchants in the second game of the city baseball league schedule at Roosevelt Park last night.

The gambit was dreamed up by Lorne Vanetta, Commercial first baseman, who came to bat with one out and a man on third. The score stood at 2 to 1 for Merchants. Vanetta bunted, expecting to sacrifice and bring in Cembella.

Vanetta was pegged out on first, all right, but the base coaching at third failed because Cembella was held on base and the hoped-for run was never scored.

The game, witnessed by a full gallery of fans, was scoreless until the eighth inning when Vanetta marked the first run off a single.

Merchants brought in two runs in their turn at bat, one by Doug Kerr on a single and one by third baseman Cliff Dahl, who uncorked a double.

Both Merchant moundsmen Jack Rosedale and Commercial pitcher Dick Letourneau turned in good performances, backed up by competent field play. Both struck out 11 batters. Letourneau allowed no bases on balls while Rosedale granted five. Merchants took six hits off Letourneau and Commercial claimed eight hits off Rosedale.

### CHEERS FOR E. T. KENNEY

TERRACE—Three rousing cheers were given for the Hon. E. T. Kenney when he appeared on the stage of the Civic Centre after his re-election had been announced on Wednesday night. A dancing crowd was gathered there and Mr. Kenney's victory speech was received with great enthusiasm. He repeated statements he had made at the polling booth after the finish of the count by the large majority Terrace had given him, he felt vindicated in his support of free enterprise versus socialism. He pledged himself again to work for the best interests of northern British Columbia and especially for Skeena riding. He spoke in glowing terms of the expansion of industry which will come to the district. "Let us endeavor to forget," he said, "the 119 votes (in Terrace) against us today and work together to promote the best interests of Northern B.C. The finest portion of B.C. is here and I am your servant."

Mr. Kenney left early on Thursday morning for Prince Rupert, driving in with Will Robinson and enplaning for Victoria.

### Sport Shots

This evening sees the first game in the Dominion Day Cup football competition when the Heavy Battery meets the Canadian Legion. This is a knock-out competition and the winner of this evening's game will meet General Motors on Dominion Day in the final.

For this evening's game the Canadian Legion committee has made some changes in their usual line-up. Krause will be in goal again and, with Eddie Dawes away fishing, Eby will be partnered at back by Alexander. The chief change is in the half-back line where Ken Yelland takes over in the key position. He will be flanked by Greer and Charlie Sunberg. Cornwell will take over the centre-forward position and should give the opposing defence a lively time. Ralph Smith and Baxter will form the right wing and Manager Alex. Haig hopes to have Bobby Armstrong at inside left with Davey Murray outside left. Capable replacements are Price and Jim Bremner. Andy Wyatt has been nursing an injury but it is hoped he will be out again in a couple of weeks.

The Heavy Battery hopes to field a full team although in their last game they needed only ten men to defeat the General Motors. Herbie Morgan will be between the sticks and will have Ferguson and Dunbar in front of him. Mazzone, Stan Velch and Darrow Gomez will be the half-backs and this is a strong line. Mike Colussi will take over at centre-forward with Pavlikis and Ward on the left wing, a dangerous pair. Vanetta and Parkhouse should be a fast right wing. Spares will be Stan Steed and White, the latter from Port Edward.

Kick-off is set for 7 p.m.

LAI D AT REST AT TERRACE

TERRACE—Final rites for the late Joseph Albert Morris were held in the Pentecostal Church on Tuesday afternoon with the Rev. Percy Mallett officiating. Many beautiful wreaths banked the casket showing the great esteem in which the deceased was held by all who knew him. Mrs. F. Gibbs sang "If I Walk in the Pathway of Duty" and the hymns sung were "Jesus Saviour Pilot Me" and "Rock of Ages." Miss Grace Little was organist. Interment took place at the Kalum cemetery, pallbearers being Mr. Best, George Best, Arnold Best, Mr. Crego, Don Huil and Grieg Siebin.

and family; Mr. and Mrs. Murdo MacKenzie.  
In memoriam gifts were received from Mr. and Mrs. Gus Mostad and family, Mr. and Mrs. Lars Olsen and family, and Mr. and Mrs. Mandus Pulson.

Liberals mean what they say. Look over the record of the last five years — the most impressive period of prosperity and growth in our history. It shows that Liberal performance exceeds Liberal promises.

Under Liberal policies, Canadians can be confident that this forward march will continue — that Liberal promises will again be carried out.

British Columbia has benefitted in good proportion in many ways: more jobs - more income - more production and trade - more family allowances - more savings - more Old Age Pensions - National Health Aid to Home Builders and Lowered Taxes as well!
