WOULD HAVE MUNICIPAL ALLOCATIONS REVERSED

Reports Victoria Suggestion to Give Municipalities Two-Thirds of Sales Tax Revenue

Prince Rupert will support a suggestion by the Victoria that the present allocation basis of Assistance and Municipal Aid tax be reversing the municipalities two-thirds of the instead of one-third which is now allocated. Nora Arnold, in recommending that the Victoria's position, that "I feel very strongly about this. I believe I would endorse it. Every day is up against it."

THIRTY-FOUR DAY HALIBUT SEASON

The 1949 Area Two halibut fishing season will last 34 days, according to an announcement made Monday by the International Fisheries Commission office here. The season, which opened May 1, will terminate at midnight, June 3, according to the commission order. Quota for the area, set by the commission, is 25,500,000 pounds.

There was some confusion on Monday with an announcement that the date would be June 4. The final day of fishing will be definitely June 3.

NEW COASTAL LINER—This is an artist's sketch of the passenger and auto ferry being built for the Canadian Pacific to operate between Vancouver and Nanaimo. Weighing 6,000 tons, the vessel will carry 1,500 passengers and 130 cars. It is specially designed to handle automobile traffic between these two points which has doubled since 1939. The Canadian Pacific opened a fine new \$2,500,000 pier at Nanaimo yesterday, Premier Byron Johnson officiating.

KINSMEN'S CELEBRATION GOES ON IN SPITE OF RAIN SHOWERS

Threatening skies and even occasional showers did not discourage participants in the Kinsmen's May 24 festivities. The parade, made colorful by a large group of costumed children, decorated bicycles and toys, a number of floats and decorated cars moved off on schedule to the music of the Shrine Club Band under Peter Lien.

A tiny drum majorette, holding hands with a good fairy, led the parade up Third Avenue. Behind her came little old-fashioned ladies in hoop skirts, pretty wee lassies in gay crepe costumes, a cowboy, an Indian chick, tramps in patches, a X-B chuck wagon, fancy tricycles, scooters, doll buggies and at least one be-ribboned pet dog.

Following the children was the fire truck, the Scout and Club floats, a string of decorated vehicles, including a tractor, representing Bob Parker's Garage, and a number of other crepe and ribbon-decked conveyances. The band marched ahead of the beautifully designed Kinsmen float bearing the Queen-elect and her "Royal" attendants. The Kinsmen prize car carrying retiring Queen Barbara Ball was the last car in the official parade.

Through the courtesy of Arrow Bus Lines, a bus was provided to transport the young participants in the parade. They were taken out of the parade at the Post Office and given a free ride to Roosevelt Park.

The Queen's float was drawn up in front of the grandstand where Queen-elect Margaret Youngman, Princess Gwen Speer, Lynn Nickerson, Rolande Turcotte, Laura Erickson and Barbara Ball, last year's queen, was introduced by Stan Saville. Queen Margaret then received the sceptre, symbol of her authority, from Barbara. Queen Margaret then proclaimed the official opening of the sports and received three cheers and a tiger from her loyal subjects.

Before the races got under way, free ice cream bars were issued to all school and pre-school children on the grounds. In all there were 28 races ranging from 30-yard dashes for boys and girls under 5 years to relays, for boys and girls, 14 years and under. In practically every race there was a large number of competitors. The sack and three-legged races provided thrills and spills and an opportunity for clowns Benny Windle and Louie Van Pykstra to get in a special bit of entertainment.

TWO CANDIDATES NOMINATED
Nominations for the provincial election closed at noon today. There were only two nominations for Prince Rupert—W. H. Brett, C.C.F., and John D. McRae, Coalition.

The first known international telephone connection was made by submarine cable between Windsor and Detroit in 1881.

TRANSIT STRIKE ACTION FAVORED
VANCOUVER—Three thousand street railway employees of Vancouver, Victoria and New Westminster voted in favor of strike action to support wage claims in government-supervised balloting, it was announced yesterday, but further negotiations may yet obviate the calling of a strike.

The vote was 1999 to 435 in favor of strike action.

In another vote, 2147 to 293, the men rejected the majority recommendation of a conciliation board which went into differences between the street railwaymen and the company.

President Dal Grauer of B.C. Electric, said the company was ready to negotiate further. Union representatives said they hoped to have an early meeting with the company.

As a result of the strike vote the three major British Columbia cities are faced with the possibility of a transportation tie-up.

The majority recommendation of the conciliation board would have granted the employees a 40-hour week without reduction of take-home pay by July, 1950.

The employees asked an immediate 40-hour week and an 8 1/2c hourly increase.

Present salaries are based on a 46-hour week.

Union officials (Amalgamated Association of Electric, Street Railway and Motor Coach Employees of America, Trades and Labor Congress of Canada) said the vote, backed by 82 percent of the membership, did not necessarily mean an immediate work stoppage.

Lloyd Easler, business agent, said the Union would try to negotiate further with the company.

Mrs. Blackaby, after Mrs. Munthe had brought greetings from the I.O.E. Service, friendship and faith were the ingredients which supported the unity of freedom-loving people, she said.

The program included selections by the school rhythm band, a play, by the children of grade two, folk dancing by grade three, three songs by the school junior choir and by the grade three and four choir a play, "A Primer in Democracy," and folk dancing by grade five.

Thanks for sponsoring the Empire Day observance was expressed to the I.O.E. ladies by Mr. Bateman and the children.

Offer To Pay Strikers In Demanded West Marks

BERLIN (CP)—The Russian-controlled German railway system today proposed a settlement of the bloody five-day Berlin railway strike with an offer to pay the strikers in west marks. This would meet the main demand of striking west Berlin railway workers.

CLOVER LEAF WINNERS AGAIN

VANCOUVER (CP)—Vancouver Clover Leafs' height paid off as they took the second game of the Dominion basketball championships 77 to 63, giving them a two-game to nil edge in the best-of-five series.

Windsor Assumptions were down 24 to 12 after the first quarter in which they argued over fouls but came back 32 to 27 at half time. That was the best they could do, however, and they faded badly the rest of the way.

The Leafs won the first game 62 to 58 Saturday. In that game the Raiders led the Leafs 42 to 38 into the third quarter of the first game of the best of five series.

Weber, playing defensively, waited for five fouls against Freddy Thomas, the Assumption's negro threat. Then he turned on the power.

The Leafs are gunning for their third straight title which would make a record in 25 years play. They reign strong favorites to sweep the third game Thursday for the Dominion championship.

Rupert Man Is Car Winner

Today C. G. Silversides, is richer by one 1949 Ford Sedan as the result of having held the winning ticket in the Kinsmen's May 24 quiz contest. His number was 11549.

Hector Richmond of 2657 Cranmore Road, Victoria held the second lucky ticket which wins for him a Fleetwood chair-side automatic combination radio with 12 record changer.

Mr. Richmond's ticket was number 14365.

May Queen Margaret Youngman drew the winning tickets at 1:30 from the wire drum, containing more than 3000 ticket stubs.

A huge crowd that had gathered at the Civic Centre to dance and play the games, witnessed the event which was announced by Ronald Barbour, who organized the ticket campaign with the aid of his committee.

The Monte Carlo dance was officially opened at 10 p.m. by Queen Margaret attended by her princesses. From then until 2 a.m. the music of the "Dukes" supplied sweet rhythm for the dancers.

SCHOOL BYLAWS TOTALLING \$407,000 COMING BEFORE RATEPAYERS IN FALL

Bylaws which will ask Prince Rupert city and district ratepayers to approve the borrowing of \$407,515 for construction of two new schools here will be presented late in September, under a decision made Monday night by city council.

The bylaws, requested by the school board, will be designed to raise money to build new schools to replace the present King Edward elementary school building and the first wing of a replacement for Booth Memorial High School.

Preparing Battle As Reds Enter Shanghai

Nationalists Withdrawing From Great City Leaving Destruction in Their Wake

SHANGHAI (CP)—The Communists marched into Shanghai today and a roaring battle, far worse than the siege, developed. Retreating Nationalists, trying to find their way back to Woosung and escape, blowing up everything they could.

Government soldiers, apparently, blew up fuel tanks and ammunition dumps in Kiangwan air field.

While cannonading the city as the Reds moved everything available to their fortress.

Communists were determined to make the Nationalist position a bloody avenue to close it.

The Nationalist rear-guard was in its last moments. They want the city without a fight.

MAYOR OPENS BOWLING ALLEYS

Mayor Nora E. Arnold failed to make a strike but she definitely made a hit at noon Monday when she officiated at the formal opening of the new Prince Rupert Bowling Alleys.

Her Worship rolled three brand new balls down the glistening new alley in the presence of the management, contractors and a few friends thereby officially opening the new recreation centre on the upper floor of the McKenzie building at the corner of Third Avenue and First street.

She then congratulated Eddie Mussellam, manager of the new enterprise on the attractiveness of the alleys which continued in operation for the rest of the day with contributions by players going to charity purposes.

RETURNS FROM FLIGHT SOUTH

Pilot Bill McLeod of Queen Charlotte Airlines brought his De Havilland float plane down at Seal Cove at 7:10 Sunday night after a flight to Duncan, Vancouver Island, where he took Jack Bulger and Dr. W. S. Kergin on account of the illness of Mr. Bulger's daughter, Mary Margaret. The party had flown south Saturday morning, landing at Cowichan Bay, disembarking Mr. Bulger and Dr. Kergin. The latter consulted southern doctors during a brief stay at the southern town.

Mr. Bulger remained in Duncan. Northbound, the plane left Vancouver at 1:40 Sunday afternoon, stopping at Sullivan Bay for fuel. Miss Bulger was said to be in serious condition although slight improvement was reported yesterday.

EMPIRE DAY AT CONRAD SCHOOL

Children of Conrad Street elementary school took part in an Empire Day program at the school Monday afternoon, hearing speakers from Municipal Chapter Imperial Order, Daughters of the Empire, who earlier in the day had taken part in a similar observance for other city schools at the Capitol Theatre.

Mrs. Jens Munthe, Regent of Municipal Chapter, and Mrs. G. R. S. Blackaby, with other officers of the order, carried the first part of the program, after which the various classes went through dances, exercises and songs in an hour-long program.

Acting as chairman was Principal T. G. Bateman, while accompanists for the musical numbers were Miss Jean Urquhart and Gwen Spear.

The meaning of the bonds which unite the Commonwealth were explained in an address by

Fighting the Press

WITH A TYPICALLY socialistic diatribe about the "capitalistic" press, Harry Archibald, the federal C.C.F. candidate, says it is not the Liberal candidate but the local press which he is fighting in this campaign. We don't know how he gets that way but we appreciate the recognition and wonder if the Liberals, some of whom think we have been a little too friendly with Mr. Archibald, will sit up and take notice.

Doubtless, Mr. Archibald has been stung by our comments on his purported original standing in regard to the Atlantic pact but, if he looks back, he will find we later made very sympathetic comment a few weeks ago when his position became more clarified and it seemed he had either been misrepresented at first or had had made volte facto in view of the weight of public opinion, particularly among some of his own party followers right at home.

The Daily News has no apology to make for having criticized Mr. Archibald when it was reported he had tendency to oppose this anti-Communist international measure. If he should in the future show any tendencies in that direction, which we hope he will not—we would again protest not because he is Mr. Archibald personally, a C.C.F.'er in politics but because we do not think such views are a credit to this riding.

If Mr. Archibald thinks he has been done badly with by the Daily News, we can at least say we have endeavoured at all times to be fair with him, offering criticism where it seemed due and credit also as we have done. But we do not feel Mr. Archibald should expect us to cater to him and extol his every attitude no more than we have done, intend to do or expect to do for Liberals, Tories or those of any other political stripe.

If Mr. Archibald finds he has to fight the press because it tries, within its limited lights, to be fair, he will just have to go on fighting us and we shall not worry too much about him. If he himself is as fair or tolerant as we try to be with all political parties, he will have nothing to apologize for or complain about.

MORE RADIO ASININITY

WIERD regulations of the Canadian Broadcasting Corporation which periodically bring ire of Prince Rupert radions to a high pitch when such important sporting events as the World Series and the National Hockey League broadcasts are denied emission from Prince Rupert's station CFPR appear to have bounced right back on the government party. Thursday night the national network carried a radio address by Prime Minister St. Laurent but, due to the asinine CBC restrictions, it was not available from CFPR. Monday, an address by the minister of finance, Mr. Abbott, failed to come through the local station.

Maybe all this will arouse the local Liberal campaign committee to some action of protest.

It is hard for the public to understand why the Progressive Conservatives and the C.C.F.'ers can get their national broadcasts piped out through CFPR while the government party is ruled out. Doubtless, there may be some technical explanation for it. Meantime, we may be dense but the whole thing just seems stupid to us and any explanation will have to be mighty good. Surely it should be a public service to broadcast the speeches of government leaders.

Letters to the Editor

GRAPHIC CRITICISM

Editor, Daily News:
When reading the reports and criticism of the musical and dramatic festival held here recently, it recalled to my memory a very nice, exact and skilled criticism of a violinist I read quite a long time ago, and I thought it might be of some interest to the music lovers of our city. It was as follows:

"The old man's face became ashy white as he played, and his white hair stood out from his head, the long thin fingers of the left hand chasing each other in pairs, and singly along the delicate strings, while the bow glanced in the lamp-light, as it dashed like lightning across the instrument, or remained almost stationary, quivering in his hand; held, as quickly as the wings of the humming bird strike the summer air. Sometimes he seemed to be tearing the heart from the old violin, sometimes it seemed to murmur soft things in his old ear, as though the imprisoned spirit of music were pleading to be free on the wings of sound, and that sound, sweet as love, that is strong in death, feverish and murderous as jealousy, that is as cruel as the grave, sobbing great sobs of a terrible death-song, and screaming in the outrageous frenzy of a furious foe, wailing thin cries of misery, too exhausted for strong grief, dancing again in horrid madness, as the devils dance in hell, over some fresh sinner, they have gotten unto themselves for torture and, then at last, as the strings bend to the commanding bow, finding the triumph of a glorious rest in great broad chords, splendid in depth and royal harmony, grand enormous and massive, as the united choirs of Heaven, the long sweet notes sighed themselves to death.

Thanking you in anticipation,
J. G. STEEN.

CIVIC CENTRE ACOUSTICS

Editor, Daily News:
From the many complaints I have heard of the very bad acoustics at the Auditorium it appears most imperative that no effort should be spared to rectify this matter. When members of a Drama Group have spent considerable energy in learning a play, it's most distressing when complaints are received that their voices are inaudible.

When attending last Friday's Drama Festival I myself found that with a few exceptions the speeches of the actors were quite inaudible. I suggest that one of the local organizations or jointly could organize some function which would afford the necessary funds to cover in the rafters and beams which are responsible for all the trouble.

W. D. GRIFFITHS.

STREET PROGRAM BYLAWS COMING

City Council Monday night authorized City Clerk H. D. Thain to proceed with necessary advertising and notification of property owners preparatory to drafting a local improvement bylaw to cover street surfacing in the Rushbrook Heights area.

The move was made on recommendation of council sitting as a committee of the whole, in which proposals for the project were discussed last week. The bylaw, when prepared, will call for the borrowing of about \$50,000 to repair streets and replace plank roads with gravel surfacing in the former Wartime Housing area.

Residents of the district, particularly on Herman Street, Herman Place and Second Overlook, have petitioned the city for such improvements. Under financing plans being considered by the city, the project would be built on a local improvement basis, cost of which would be retired over a 20-year period.

Annual cost to property owners in the area would be in the neighborhood of \$20.

fortunate in having a man of the calibre of Byron Johnson at the head of affairs as Premier and leader.

... well practically unanimous

YOU CAN still find people who "don't believe in banks" ... who keep their cash in old coffee pots, or hide it in the woodpile, or carry it around.

But most folk nowadays keep their money in bank accounts. They can get it whenever they want it; and they can pay their bills by cheque. Canadians have more than seven million such deposit accounts. In terms of Canada's adult population, that makes it practically unanimous.

The banks, in turn, know they must earn this confidence by giving you the best service they know how.

Today you can take your account to any bank you choose. And what is in your bank book is strictly between you and your bank. It is your own private business.

State monopoly of banks would wipe out competition and would open your bank account to the eye of the state official.

... and it takes
A WASHER
to do a thorough job
with less hard work for Mother!

You save many a back-aching hour of rubbing, scrubbing and wringing, when you do your washing the easy, electric way. Steady gentle action forces soapy water through all parts of the clothing many more times than is humanly possible. So whether you wash once or several times a week, let a new electric washer take the drudgery out of this tiresome, but all-important part of your housework.

Sport Shots

There will be a lot of youth galloping over the playing field at Roosevelt Park tonight when junior baseball players display their skills in a full dress practice. Veterans of the Senior League will be on hand too but

mainly in the role of observers and judges. Officials of the city teams are looking for recruits and youngsters that show up well tonight will be candidates for the senior rosters.

The fate of this year's Softball League was left undecided at a meeting called for last Wednesday night and attended by representatives of two prospective teams. In the hope that

Ralph Morin and daughter, Miss Yvonne Morin, returned to the city Tuesday afternoon by air from a trip to Vancouver.

William Tocher, of Nelson Bros. Port Edward, left today by air on a business trip to Vancouver.

a large turnout of players and fans will attend another meeting being held tonight the organization of this year's league is being held off till that time.

MARRIED IN EVENING SUN

The glow of the evening sun illuminated St. Peter's Anglican Church, Seal Cove on Friday at 8 o'clock when Betty, third daughter of Mr. and Mrs. A. Duffus, Eighth Avenue East, became the bride of Robert Menzies, elder son of Mr. and Mrs. Vic Menzies, Hays Cove Circle.

Archdeacon Hodson officiated while Mrs. Helen Marchildon presided at the organ. To the strains of the Wedding March the bride entered the church on her father's arm. She wore a white crepe dress with lace bodice and deep lace peplum and a finger-tip veil. She carried a bouquet of red roses and lily of the valley. Her sister Margaret, was bridesmaid. She wore a dress of similar pattern in a pale dusty rose and carried a bouquet of carnations, irises and purple heather. The

groom was attended by his cousin, Ted Menzies.

A reception was held in the Valhalla Hall where the bride's mother, wearing a wine dress with grey accessories, and the groom's mother, in grey with green accessories, received the guests.

The toast to the bride and groom was proposed by Archdeacon Hodson, the groom replying, and a toast to the bridesmaid was proposed by H. E. E. Faure, the groomsman responding.

A telegram of congratulations was read from the bride's sister and brother-in-law, Mr. and Mrs. J. E. Murray of Kelowna, and a cablegram from her uncle and aunt, Mr. and Mrs. J. P. Nicol, Garmouth, Morayshire, Scotland.

Supper was served, while the bride and groom cut the wedding cake in the traditional manner.

What City Council Did

... Approved a recommendation by the committee of the whole that, in securing a replacement for Wire Chief F.M. Kempton, who has resigned, every endeavour be made to obtain a man who will be capable of taking entire charge of the telephone department.

... Authorized the city to undertake to defray one-half the cost of installing a two-way radio system between the police office and the police car.

... Received a request from Alderman Stone, chairman of the police committee that the board of works paint yellow lines on sections of street where parking is prohibited. The police department has been having the work done by prisoners. Alderman Whalen agreed but commented that the board of works had received no such request from the police department.

... At suggestion of Mayor Arnold decided to send official congratulations to the city of Nanaimo on the 75th anniversary.

... of its incorporation and the establishment of the coal industry there. Mayor Arnold told the aldermen that the Mayor of Nanaimo will be the operator of the only Canadian boat to take part in the international cruiser race from Tacoma to Jun-eau in July.

... Approved suggestions by Alderman Casey that Conrad Street be given an application of calcium chloride for dust control and of Alderman Black that certain sections of street in Westview be given the same treatment.

... Accepted a bid by Greer and Bridden of \$850 for structural repairs to the fire hall, including strengthening of the foundation.

... Appointed Mayor Arnold and Alderman Black, Stone and Rudderham as delegates to the annual conference of the Union of Central B. C. Municipalities with provision that Alderman Rudderham would serve as delegate providing one of the other three is unable. The conference, at which northern resolutions will be prepared for the conference of the Union of B.C.

Municipalities in September, is scheduled to be held at Burns Lake on June 29 and 30.

MARRIED IN EVENING SUN
(Continued from Page 4)

The guests then enjoyed several hours of dancing to music by Jean de Carlo. The happy couple motored to the interior for their honeymoon. On their return they will reside at 820 Alfred Street. The groom, who was born in Prince Rupert, and the bride are well known and popular among many young friends.

SHORT SPORT
(Continued from Page 4)

Softball for many years has been one of Prince Rupert's popular pastimes for both players and sport fans. It is a game for the expert and the dabbler, for the young and the old, and holds its attraction for the fan in the fact that the final outcome of every game is quite unpredictable.

There are rumors that this year will see a four team girls' league in operation. There are definite entries from North Star and Gordon and Anderson in the Men's and the small group attending last Wednesday's meeting formed themselves a small committee to find other sponsors.

POSTMAN'S ROUTE
TEST PROVES
NEOLITE BEST

A postman was requested by Goodyear to test NEOLITE. He wore a leather sole on one shoe, NEOLITE on the other. Photo graph below shows results.

Unretouched photograph shows hole worn in leather sole (right). Note good condition of NEOLITE sole.

On good roads and bad, rain or shine, a mailman's job means lots of walking every day! The shoes you see at right received equal treatment, week in, week out—until the leather sole had a hole in it!

But not the NEOLITE! This amazing new KIND of sole remained in perfectly wearable condition — giving dramatic evidence of its wonderful durability!

Waterproof, healthful, gloriously comfortable, excellent insulators against both heat and cold, NEOLITE soles are your best buy on new shoes or as resoles—for the whole family.

Carrying 253 passengers, on a four sponsored by the Portland, Oregon Journal, the Canadian National Steamships cruise vessel Prince George, docked here at 11:55 Monday morning en route to Ketchikan, Juneau and Skagway on the first trip of the season. The cruise party is directed by Vernon R. Churchill, assistant to the publisher of the Journal. Capt. Ernest Caldwell is skipper of the vessel and Bert Robson is purser. During their two-hour stop, the visitors toured the city and visited the Canadian Fish and Cold Storage Co. plant at Seal Cove. After reaching Skagway on the 10-day cruise, the passengers will be taken by train to Carcross. The Prince George will stop at Wrangell, Ketchikan and Prince Rupert southbound, then direct to Victoria and back to Vancouver.

Regulation Would Raise Coast Passenger Fares

By FRANK H. BROWN, C.B.E.

Former Deputy Minister of Taxation for Canada

The proposal that coastal steamships fares should be subject to the Board of Transport Commissioners at Ottawa, is objectionable from the standpoint of coast residents because, if effective, it could only result in further increases in passenger fares.

The basic reason for the so-called "never worse" service this winter to coastal points is that the rates fall far short of the expenses of carrying the relatively thin stream of passengers and freight which moves in this area for at least six months of the year. Wages, fuel, provisions, supplies, repairs, which account for 4/5 of the costs of ship operation, have all gone up more than 100 per cent since 1939 while fares have risen by only 25 per cent. Even the recent increase will leave the fares only 44 per cent above pre-war.

The inadequacy of the rates shows in the published statements of one of the companies concerned which lost \$194,134 in the four years ended Jan. 31, 1948—this is in spite of Dominion government subsidies. Last year is not likely to have shown anything better nor is it probable that the two railway companies giving service in the area did much better on their operations in this particular sector. Even the small new company, with low capital costs, can be having no easy experience in its attempts to give service.

Complainants about service in these waters should observe that one company spent over \$2 million for new ships in the last three years and must be highly disappointed that increased costs have made it impossible to run its vessels in accordance with plan.

No fair-minded body such as the Board of Transport Commissioners, once possessing the facts, could have failed to grant substantially higher fares two or even three years ago.

Which is better for coast residents—increased, if equitable, fares under regulation of Ottawa, or relatively low fares

under regulation of free competition. If one were a company operator, one might possibly be interested in the proposal for Ottawa control, despite its time-wasting aspects, but surely no user of the services can endorse a proposal meaning higher rates.

First of the week visitor in port was Frank Waterhouse freighter Southholm, Capt. William Gleeson, which arrived at 1:30 p.m. Sunday from Queen Charlotte Islands and Alice Arm to unload coal, cement and other commodities here after which she sailed at 9 o'clock Monday morning for Massett to load lumber after which she proceeded south.

LAND REGISTRY ACT
Re: Certificate of Title No. 13021-1 to the North Westerly Five (5) acres, more or less of Lot Six Thousand Two Hundred and Fifty (6250), Range Five (5) Coast District.

WHEREAS satisfactory proof of loss of the above Certificate of Title, issued in the name of George William Hout has been filed in this office, notice is hereby given that I shall, at the expiration of one month from the date of the first publication hereof, issue a Provisional Certificate of Title in lieu of said lost Certificate, unless in the meantime valid objection be made to me in writing.

DATED at the Land Registry Office, Prince Rupert, B.C. this 29th day of April, 1949. A.D.

ANDREW THOMPSON,
Deputy Registrar of Titles (128)

"GOVERNMENT LIQUOR ACT"
Notice of Application for a Club Licence

Notice is hereby given that on the eleventh day of June next, the undersigned Branch Number twenty-seven of the Canadian Legion, British Empire Service League intends to apply to the Liquor Control Board for a Club Licence in respect of premises formerly known as No. 3 Officers' quarters, a two storey frame construction, approximately 196' x 36' with addition 50' x 6' and situate upon certain lands described as (1) Part of Waterfront Block E of the subdivision of parts of Lots 251 and 1992, Range 5, Coast District, Map 1965; and (2) Lot 1, subdivision of Block 3 of Waterfront Block E as shown on Map 2028, containing approximately 2,903 acres, Prince Rupert Land Registration District, in the Province of British Columbia, to entitle each member of the said Club to keep on the premises a reasonable quantity of liquor, for personal consumption on the premises, and entitling the Club to purchase liquor from a vendor and to sell by the glass the liquor so purchased to its members and guests for consumption on the Club premises in accordance with the provisions of the "Government Liquor Act" and the regulations promulgated thereunder.

Dated at Prince Rupert, B.C. this 10th day of May, 1949.
CANADIAN LEGION, B.E.S.L., Branch Number 27.
(Philip M. Ray)
Secretary-Manager (132)

NEW SWIMMING RECORD MADE

VANCOUVER, B.C. — Irene Strong, Olympic swimming star, knocked 13.1 seconds off the Canadian senior women's record for the 300-yard individual medley at the week-end, replacing the old Canadian set at 4 minutes 16.4 seconds. Joan Langdon, also a Vancouver amateur, set in 1941.

WHAT ABOUT Self-Winding Watches?

Some people are afraid to buy them because they do not know how they work.

They have a weight inside the case which swings to a different position every time the wearer's arm is moved and this winds up a small wheel a tooth at a time and keeps the watch always wound.

The watch runs more evenly than one which is wound only once a day. They are satisfactory and convenient.

Two of our staff have been using them for some years.

Prices range from \$45 to \$95

No luxury tax now.
