## Big Search Plane Lost

WHITEHORSE (CP)—Two planes dived through darkness early today over Arctic wastes northwest of here looking for possible fires or flares from a missing C-47 plane, carrying twelve Canadian and United States airmen which vanished yesterday while searching for the American transport which disappeared January 26 with 44 persons on board.

Search officials said distress signals were picked up late last night on the 82-80 distress frequency. Efforts to obtain a "fix" on them were fruitless. The signals reportedly were different from those heard earlier in the day by planes and a coastguard station along the Pacific Coast.

## Horsfall Singers Are Here Tonight

Basil Horsfall and his Operatic Carnival troupe, presenting a one night stand in this city tonight, arrived aboard the Prince George this morning following an engagement in Ocean Falls last night before a crowded and appreciative audience.

Mr. Horsfall, director of Theatre Under the Stars is in his fifth season of guiding his company of four persons through Canadian cities.

The troupe delighted Prince Rupert audiences over a year ago with their presentation of "A Night in Vienna" and Cavalcade of Song". The group consists of Boris Fawcett, Canadian baritone, Winn Hutt, contralto, Hubert Leth of the San Carlo Opera Company and Vera Bryson of Vancouver's "Theatre Under the Stars".

Ring men closed out the day's program of swimming, fencing and lawn bowling and, at the end, Australians had practically clinched the unofficial championships with over three hundred points.

The Aussies added two more British Empire titles to their already impressive lot of thirteen first places. Each is good for ten points.

Only Len Walters, 18-year-old Vancouver bantamweight, was able to gain a first-round victory, a three-round decision over New Zealand's Bobby Broadhurst.

Ocean Falls swimmers Allan Gilchrist and Jim Portelance failed to qualify.

Canada looks to Eddie Haddad, Navy boxer from Esquimalt, for honors.

Dr. George Athens of Vancouver took a second place in tower diving.

Coalition Crisis

WINNIPEG—Manitoba's 10-year old coalition government faltered a bit today in the wake of a caucus blow-up between Liberal-Progressive and Progressive Conservatives over cabinet representation. The reason for the Progressive-Conservative withdrawal is reported to be the suggestion that one Progressive-Conservative be dropped from the 12-member Cabinet. The Liberals hold 8 seats for four held by the Conservatives.

INDIAN BILL OF RIGHTS

OTTAWA—A Bill of Rights for Canada's 135,000 Indians will likely be presented to Parliament at the session opening February sixteenth. The bill, providing for an almost complete rewrite of the Indian Act, has been in the hands of legal experts of the Department of Justice for more than six months.

SHOWLER DEFEATED

VANCOUVER—Ald. Bert Showler was last night defeated as President of the Vancouver and District Trades and Labor Council, a post he had held for eight years. By a vote of 143 to 127 he was defeated by Jack Stevenson of the Carpenters' Union. In a final ruling as President, Showler ruled two alleged members of the Labor-Progressive party as ineligible for office in the council. L. P. P. delegates walked out in protest.

Reports said the Princess Mary made a normal landing and secured bow and stern lines despite a high wind but a strong wind snapped the stern line and the stern swung toward Rip Point and grounded.

The Princess Norah is taking over the run.

The Princess Norah is taking over the run.

T. L. CHURCH M. P. DIES

TORONTO—Thomas L. Church Progressive-Conservative M.P. for Toronto Broadview, died in hospital. He was 77, a veteran Parliamentarian and former mayor of Toronto. He was first elected to Parliament in 1921 and was re-elected at every election since.

MANY COMMUNISTS

WASHINGTON—Federal Bureau of Investigation Director J. Edgar Hoover was reported to have told senators today that there are about 540,000 Communists and "fellow travellers" in the United States.

CZECHS LEAVE

MONTREAL—Two Czech mission staff members, ordered out of Canada by the government, took off for Europe by air today, an official of the Royal Dutch Air Lines told Canadian Press. Yesterday they had indicated they might ignore the order to leave. However, they got away.

BIG BANK HOLDUP

PHOENIX, Arizona—Two men at least one of them armed, early today robbed the Bank of Douglas in downtown Phoenix and escaped with \$130,000 cash. They forced the janitor to let them in and made the first employee to enter open the safe.

RUSSIA AND H-BOMB

LONDON—British officials are treating with "cautious skepticism" a claim by Kenneth DeCourcy, the editor who predicted the Russians would set off an atomic blast in 1949, that the Soviets have already made three hydrogen bombs and exploded one. DeCourcy was available to answer questions.

The meeting was presided over by Mrs. Stuart Campbell.

### Empire Games—

## Australia Near Cinch

Canada Not Doing So Well  
in Auckland Competitions

AUCKLAND (CP)—Canada's boxers made their Empire Games debut at the Town Hall here last night and, just as swimmers and track athletes have found, Commonwealth competition was too tough.

Ring men closed out the day's program of swimming, fencing and lawn bowling and, at the end, Australians had practically clinched the unofficial championships with over three hundred points.

The Aussies added two more British Empire titles to their already impressive lot of thirteen first places. Each is good for ten points.

Only Len Walters, 18-year-old Vancouver bantamweight, was able to gain a first-round victory, a three-round decision over New Zealand's Bobby Broadhurst.

Ocean Falls swimmers Allan Gilchrist and Jim Portelance failed to qualify.

Canada looks to Eddie Haddad, Navy boxer from Esquimalt, for honors.

Dr. George Athens of Vancouver took a second place in tower diving.

## Mary Grounds In Big Gale

C.P.R. Vessel Refloated From  
Galiano Island Today

VICTORIA (CP)—The 2,159-ton Canadian Pacific coastal steamer Princess Mary, driven aground by the stern as a result of a 55-mile gust which snapped a line, was freed from the southern end of Galiano Island while docked at the government wharf last night. She was refloated at high tide today and proceeded to the naval dry dock at Victoria for inspection and repairs. Steering gear is believed damaged.

Reports said the Princess Mary made a normal landing and secured bow and stern lines despite a high wind but a strong wind snapped the stern line and the stern swung toward Rip Point and grounded.

The Princess Norah is taking over the run.

## Keep Road Open As Far As Tyee

There has been a foot and a half of snow on the Rainbow Lake summit of the Skeena River Highway since the week-end but plows continue to master the fall and the road is being kept open as far as Tyee. Before the last heavy snow motorists were reporting that they could get almost to Kwinitsa, being blocked by only a few small slides.

From the Terrace end cars were getting through as far as Shames up to the week-end but there has been new snow since then. Prior to last week cars had not been getting any further west than Remo.

## Terrace To Get Dental Clinic

TERRACE—With a view to the early establishment of a Dental Clinic in Terrace, the Terrace Parent-Teacher Association voted the sum of \$200 towards the initial expenses. Children of preschool and Grade One will be treated professionally by the local dentist, Dr. Kenneth MacPherson, and the project will be under the supervision of the Provincial Government Health Department which department will share half of the cost. A get-together of parents and members is slated for February 18 when a social evening is to be held.

At the meeting, Health Plans, on the need for dental care for children were shown by Miss F. Holton, P.H.N., and Dr. MacPherson was available to answer questions.

The meeting was presided over by Mrs. Stuart Campbell.

## William Lambie Club President

William D. Lambie was re-elected president of the Prince Rupert Club following the annual meeting last night.

Harry Hanson was elected vice-president and A. B. Brown was re-elected secretary-treasurer.

Other directors are R. M. MacLeod, G. C. Mitchell, W. F. Stone, W. J. Scott, L. M. Felsentha, Grant Stewart and J. C. Gilker. Thomas Spears was re-elected auditor.

Reports for the past year were presented by President W. D. Lambie, Secretary A. B. Brown, W. F. Stone, chairman of the entertainment committee, and Grant Stewart, chairman of the house committee.

The club has a current membership of sixty-four.

## More Coal For Steam Plant

Coal reserve at the dry dock steam plant will be swelled this week by the arrival today of the vessels Chilliwack with 400 tons and the Alaska Prince with 500 tons later this week. The shipments are from Union Bay. The Chilliwack was to have arrived Tuesday night but adverse weather conditions delayed it.

T.B. Black, Wednesday, reported no change in the power situation and no expected increase or cuts to present curtailments. He is slightly concerned about the heavy snowfall in this area, stating the hope that power lines will not collapse under the burden. He announced that snow depth at Falls River so far this month is thirty-six inches, the most of it occurring in the past few days. At Shawanaw, 26 inches has dropped so far.

Water continues to recede 1 foot per day at both company dams. At this rate, the power house at Shawanaw can operate for another 30 days without endangering the domestic flow to the city. Should the weather not change within that period, the plant will cease operating. Water for the city, following a shutdown, would be available for another 150 days.

### THE WEATHER

#### GALE WARNING

Gale warning for waters of southern Vancouver Island—Southwest gales, 46 knots, in the waters adjacent to southern Vancouver Island will decrease to moderate winds during the afternoon and become light overnight.

#### Synopsis

Forty mile gale force winds reaching 50 miles per hour, battered the exposed waters of the southern B.C. coast as another Pacific storm moved inland during the night. Rains and snow occurred in the vicinity of the Queen Charlottes and northern mainland. Amounts were not abnormal. Showers are expected to be fairly general along most of the coast during the day and snowflurries will occur over the interior regions as the storm moves eastward over the province. Temperatures remain near normal for the season. Afternoon highs will reach forty at the coast and the mid-thirties over the interior.

#### Forecast

North Coast Region—Variable cloudiness throughout the day, scattered showers and occasional flurries of mixed rain and snow this afternoon. Cloudy tonight and Thursday with intermittent rain Thursday. Little change in temperature. Winds light westwardly today and southerly (15 mph) Thursday. Low tonight and highs Thursday—At Port Hardy—30 and 37. Sandspit—25 and 35. Prince Rupert 25 and 35.

#### INTERMEDIATE

North Star continues to hold securely the position in the intermediate basement. Last night they were trimmed 30-29 by the more experienced Merchants team. Dumas led the scoring with 15 points far ahead of any of his team members or the North Star players. Referees Dominato and Carlson called 7 fouls on the winners and 6 on North Star, the latter team making the best of their foul shots getting nearly a perfect score of 6 converted and only 1 miss.

#### Merchants

Marshall, Christoff, 2; Dumas 15; Currie 1; Boulter 2; Anderson 4; Walsh, Davidson 6. Total 30.

#### North Star

Wesch 3; Smith 3; Hartwig 2; Young 2; Sedgwick 2; Simonson 2; Ketcheson, Hamilton, Parnell 6. Total 20.

## REGULAR SAT. DANCES AGAIN

Since the Moose Hall burned down last month, dance enthusiasts began to wonder where these regular events would be staged in the future. Arrangements didn't take long until it was announced regular Saturday night dances would be staged in the Oddfellows' Hall. Coming to the aid of dancers were the Four Dukes orchestra.

If it was an industrial site that was referred to Robert McKay felt there should be no delay. However, if it was residential there should be a protest.

At the suggestion of Dr. L. M. Greene, it was decided to ask the public works department to speed up the highway work between Prince Rupert and Port Edward.

Dr. Greene felt that Mr. Kenney's comment might incite the public works department to move speedily.

## Unemployment

FOR RELIEF OF UNEMPLOYMENT, those in a position to give jobs are being invited to do so, for the longer anyone with nothing to do, the more insecure he or she becomes. There is an increasing lack of work all over Canada. Today, there are more than three hundred thousand, the government admits, although Labor and Government are not in entire agreement. Nevertheless it is unquestionably large.

Without suggesting the prospect of history being repeated, there are a few points of resemblance comparing the present situation with what it was in 1929 when the stock market collapse brought on a depression lasting almost a decade. Those, whose memories go back that far can remember the price drop—first, farm produce and merchandise, then wage cuts and finally relief all along the line. Reduced prices might enhance purchasing if there is the power to purchase.

In the United States today agriculture is down, and this is most unwelcome in Canada. But there may be little real reason for visualizing a return to the melancholy thirties. The world outlook, while it has its disappointments and anxieties, is different from twenty years ago. Seasonal labor will shortly be back. The end of an extraordinary winter is at hand. Industry is not declining. There are too many orders representing work and wages waiting to be filled and too many large scale plans maturing.

## Death Takes City Woman

In failing health for some time Mrs. Lily Phinney, 43, of the Fraser Rooms, died in General Hospital Saturday. Born at Aiyansh in the Naas River district, she had lived there most of her life before taking up residence in Prince Rupert.

She is survived by her husband Edgar, a young son, Rennie and a sister, Mrs. Jimmy Adams of Port Edward.

Funeral services will be held in the B.C. Undertakers funeral chapel Thursday. Archdeacon E. Hodson will officiate and burial will be in Fairview cemetery.

## Ray Reflects . . . ... and Reminiscences

The Tea Bureau of Toronto brings the possibly startling information that 300,000 Canadians or a good five per cent, drink a cup of tea every morning before breakfast. We might toy with what seems an excellent idea if the tea could be served in bed.

An Edinburgh real estate firm has been commissioned to transact a private deal for the sale of thirteen miles of the banks of Loch Lomond. The average investor will be well advised to refrain from taking the high road.

The practice of dumping, in paper cartons, ashes hot enough to set fire to two different multiple dwellings in Prince Rupert cannot be blamed on juvenile delinquents. It's time for action with teeth in it when presumably responsible adults pull offences like that—particularly now when an outbreak has a greater than average danger.

Andrew Thompson, O.B.E., chief of Canada's Meteorological service, says he's baffled at the changing weather conditions. Prince Rupert people, following the forecasts, broadcast daily, were perfectly aware of that fact six months ago.
