Labor Government Meets Parliament

Nothing Contentious Although Attlee Still Talks Nationalization

LONDON (CP)—The Labor government, facing a new Parliament with a precarious majority, today presented a program devoid of controversial issues. The Speech from the Throne, read by the King at the opening of the thirty-ninth Parliament, made no reference to nationalization or any other matter liable to touch off a dangerous debate. Later, however, Prime Minister Attlee told the House that it was the intention of the government to go ahead with the nationalization of the iron and steel industry.

C.N.R. Restores Full Service

MONTREAL — The following statement was issued here this afternoon by Donald Gordon, chairman and president of the Canadian National Railways. When coal shortages forced the Canadian National Railway to reduce passenger services in Canada by twenty five percent, the railway management promised that the trains which were being temporarily discontinued would be put back into operation as soon as conditions justify it. Now we are keeping our word. Full C. N. R. train service will be restored as from Wednesday, midnight, March 3 all trains will go back on their normal schedules.

To the public who have given us their understanding support we express our thanks and say that the Canadian National will, as in past years, continue to provide fast reliable up to date transportation. In addition to restoring passenger train services, the management has given instructions that coal consigned to commercial and other users be given preferential movement over our line.

Sid Grauman, Showman, Dies

HOLLYWOOD — Sid Grauman, aged 70, veteran Hollywood showman whose theatre was famed for the footprints left in the concrete of the forecourt by film stars and other celebrities, died today.

Grauman built Grauman's Chinese Theatre in 1927. He was credited with originating such theatrical customs as trousered usherettes, red carpets and lavish movie premieres.

Talk Meeting With Russia

PARIS — British, French and American foreign ministers will discuss a possible meeting with Russia when they gather in London next month, Foreign Minister Robert Schuman of France said last night.

The meeting of the three western foreign ministers is reported by Foreign Office sources here to be set for April 12, simultaneously with a meeting of foreign ministers of twelve Atlantic Pact countries for the discussion of mutual defence problems.

Former French Premier Dies

PARIS — Albert Lebrun, aged 78, former President of the French Republic, died today. Son of poor farmers, Lebrun was elected president in 1932 and served until 1940 when he was deposed during the war by Marshal Philippe Petain after France's defeat by Germany.

Spurned, So Shoots Woman

Evidence presented at the inquest into the death of Frank Mah indicated that Mah had previously threatened Constance McMasters before firing at her in the King George Hotel last Friday. She was shot in the right temple but a curling pin had deflected the revolver bullet, saving her life. The bullet sped along the outside of the cranium.

The jury returned a verdict of suicide. On the day of the shooting affray, Miss McMasters had been shopping with a friend and then decided to return to her room at the Palmer Apartments. Short after, Mah arrived and demanded that she come with him. He held a revolver in his hand. She had no alternative but to obey his command and the pair descended the back stairs.

Doctor Cannot Explain Action

MANCHESTER, N.H. — Dr. Hermann Sander said today from the witness stand that "I never had any intention of killing Mrs. Borroto." The 41-year old country doctor, on trial for murder in the death of the cancer-ridden woman, said he called for a syringe on the morning of December 4 last after he looked at the patient and thought she was dead.

"It was my opinion she was dead," Dr. Sander testified. "I cannot explain what action I took then. Something snapped. Why I did it I cannot tell. It doesn't make sense." The doctor suggested he had acted on an obsession.

The case may reach the jury Thursday. Dr. Sander can be sent to prison for life if convicted of first degree murder. The state has not asked for the death penalty.

Negro Killer, Just Out Of Mental Hospital, Slays Four

NEW YORK (CP)—A 19-year-old youth, just released from hospital for the criminally insane, slaughtered four strangers and stabbed three other persons in a ten-minute rampage through crowded Brooklyn streets yesterday.

The mad killer, William Jones, a negro, was finally beaten into submission with gun bullets after police had pursued him along three broad-trailed blocks. Jones, turned loose last Saturday as being sane, would not tell police what made him grab a carving knife from a restaurant and rage through the tenement district, slashing at the heart of every passerby. The four who died were white men whom Jones had, apparently, never seen before.

Sees Hundred Million Here

CALGARY — Addressing the Canadian Club here recently, George Drew, national leader of Progressive Conservatives, suggested that a hundred million should be the figure to keep in mind as the future population—a target to shoot at, Canada has vast wealth in a material sense, but the real test of future strength, prosperity and happiness would be measured by the initiative, vision, spirit and character of the Canadian people.

Leftists Win Greek Votes

General Nicholas Plastiras' Party in Slight Lead Following Election

ATHENS — General Nicholas Plastiras, the old warrior who drove King Constantine into exile in 1922, emerged from yesterday's national elections in Greece as a powerful new Leftist force in Greek politics.

With nearly one-half of the votes counted today, Plastiras' National-Progressive Union held a slender lead over the country's two traditional parties—Former Premier Constantin Tsaldaris' Conservative—Populists (Royalists) and Sophicles Venizelos' Moderate Liberals.

Another new Leftist party, the Republican Front, headed by Former Foreign Minister John Sophianopolis, polled a sizeable vote that surprised the most of observers.

Conservative politicians said that the Communists—whose party was outlawed as a result of the civil war that ended last fall—turned their support to the Leftist parties.

Challenge Of Angola

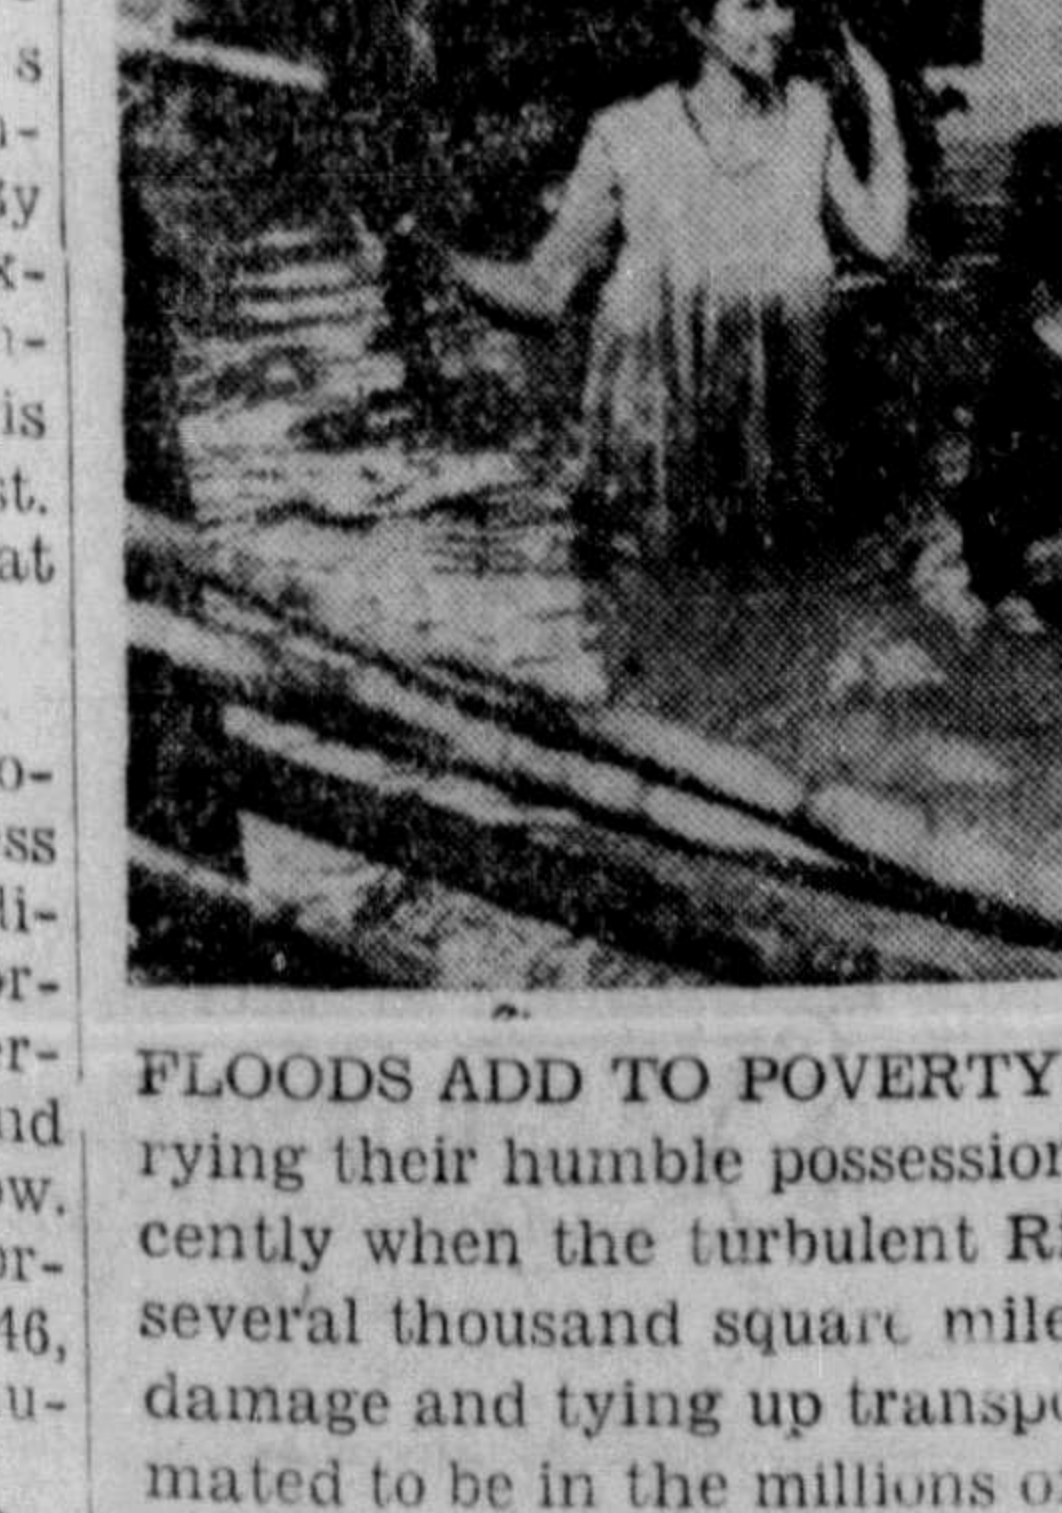

People of India Awakening to Better Things, Says Speaker

A large congregation at morning service in First United Church on Sunday heard an informative and challenging address by Miss Anne E. Copithorne, R.N., on the work of the church in Angola.

The service was under the auspices of the Women's Missionary Service with Mrs. R. E. Foster, Mrs. J. S. Irvine and Mrs. K. Faught in charge.

Miss Copithorne, who is home on furlough from West African mission fields, stated that there was an awakening among the young peoples of Africa and with it a longing for better things. They will make any sacrifices in their endeavours to break away from the terribly crushing power of witchcraft and its ever present oppressing, dominating sense of fear. The need for assistance is challenging. Over sixty percent of babies die within a year. Among young mothers the mortality is distressingly high. Leprosy is prevalent.

But the people are trying to make their own freedom. Out of sixty youths who graduated from High School education only ten could be given the chance owing to lack of funds. They themselves (Continued on Page 2)

FLOODS ADD TO POVERTY—Colombian natives are shown carrying their humble possessions as they evacuated their homes recently when the turbulent Rio Cauco and other rivers flooded several thousand square miles of farm area, causing heavy crop damage and tying up transportation facilities. Damage was estimated to be in the millions of dollars.

Going To Work

All Concerned at Least

ON D. C. — Sign contract sent more than 100 miners swarming today, ended a week of strikes in the coal fields of West Virginia.

The prize they are getting is 40 per cent "packable" assurance work for at least, perhaps, until 1952.

It meant getting the settlement from a four-week strike and some stability in what was called a "sick" plus higher coal prices.

Consumers may start pouring out their money.

Strike Menaced

A strike of Columbia coastal operators is expected to start soon.

A satisfactory agreement is expected to be reached by June 15.

The British Columbia Federation was unanimously during the daily delegates.

Include a wage increase and union control.

Today's draw for the English football Cup paired Chelsea and Manchester United in the final.

Upset might be expected Saturday, will be held on March 18 in London.

Education Week

THIS IS EDUCATION WEEK and it is fitting that we should concentrate at this time on a vital subject, although, indeed, it is something that should command our sustained interest throughout the year. Unfortunately, many people, in the pursuit of their daily vocations or pleasures, give little enough thought to the subject of education.

DEFENDERS OF PRINCE RUPERT

SUCH Western Members of Parliament as General Speakes of Nanaimo and Howard Green of Vancouver-Quadra have been consistently pounding at the importance of defences of the Pacific Coast which they see as being highly vulnerable area in any future conflict which might occur.

The perilous situation in this theatre should spur, even more effectively such projects as an air field for Prince Rupert, better and more consistent highway facilities, port organization, railway service and coastguard which we have been contending are also economic necessities.

THE SHRINE BAND

EVERY TIME the Prince Rupert Shrine Band, which is really the city band and deserving of support as such, makes its appearance it demonstrates increased proficiency. Indeed, it has now become a well rounded out and finished musical group of which the city may well be proud and which we are fortunate, indeed, to have.

The Shrine Band, as it is known today, originated as the Reserve Army Band here in 1942. It was then attached to the Prince Rupert Machine Gun Regiment. After demobilization the band was reformed into the Prince Rupert Civic Band and three years ago they came under the colors of the Shrine Club.

Education Week Is Business of Community

(By Nora E. Arnold)

At the beginning of this century the pace of life in Canada was easy and slow and children received much of their education at home. By education I do not mean just the subjects taught in a school curriculum. The girls learned the arts of home-making from their mothers. The boys learned the lessons of self-reliance, industry, and often their trades from their fathers.

Both boys and girls were trained in morals, manners and work habits by their parents who were to all practical purposes the sole arbiters of the order and economy of their children's lives.

Today the picture is entirely different. By various acts of a paternalistic government brought about by the wish of the people, our children now gain the greater part of their education along all lines outside the home. They learn the arts of home-making and often the rudiments of their trade at school. Their health habits and physical condition are the concern of government employees. Their recreation is mostly supplied by group activities both in and out of school and to a certain extent by commercialized recreation.

So it is well that our interest should be focussed as it will be this week on this matter of education, the ramifications of which extend more deeply and widely than we may realize in cursory thought.

Education Week is a challenge to you, Mr. Private Citizen, and you must take a lively vigorous interest in the education of this young generation, voicing your approval or disapproval. They are your children too, and it is vital for you to take part in this great business of training our young folks and fit them practically for the serious business of life.

SHIPS and WATERFRONT

Following overhaul in Vancouver, C.N.S.S. Prince George will be operated on two charter voyages under the sponsorship of the Oregon Journal, Portland, Oregon, due in Prince Rupert May 22, and the Los Angeles Chamber of Commerce, June 9. Both organizations have used the new ship for similar annual charters since she was completed in 1948.

Her passengers including a large party of Kitimaat natives coming here for the district basketball tournament to be held this week, Union steamer Coquitlam, Capt. John Boden, arrived in port at 4:15 yesterday afternoon and sailed at 11 p.m. for Alice Arm, Stewart and other northern points whence she returns here tomorrow morning to sail south at 1:30 p.m.

In drydock for re-fitting is Capt. Carl Giske's "Morris H." After unloading freight for various city and Watson Island firms, the Alaska Prince, Capt. Tom Garrick, sailed for Alice Arm where it will discharge general cargo and take on silver concentrate. It was expected to arrive at the northern port Sunday morning. The vessel arrived in the city Friday from the Queen Charlotte Islands. For Wood, Parr and McClay, the vessel delivered a heavy duty truck and oil products for Shell Oil and Standard Oil. At Watson Island she discharged 162,000 feet of lumber.

Having been delayed by making a special call at Port McNeill with sixty loggers for the Pioneer camp there, Union steamer Chilcoot, Capt. Harry McLean, arrived in port at 3 o'clock Friday afternoon from the south, sailing at 10 p.m. for Masset Inlet points whence she returned here at 5:45 last evening, sailing at 9 p.m. southbound. The vessel had a fair-sized list of passengers coming through and a good cargo of freight.

A new map, showing British Columbia roads, neglects to reveal the Skeena Highway, built about five years ago, and widely used by motorists from all over the continent. There is no known law against making this a public matter.

The building in New Hazelton that for all of forty years housed the Omineca Herald has been sold and in future will be headquarters of a garage business. When Chuck Sawle founded the Herald, there were precious few automobiles buzzing around New Hazelton or anywhere else in Skeena or Omineca.

"I am not asking for money," said Peter Lien at the concert in the Civic Centre Friday evening. Perhaps not, but there are many who have a suspicion that occasional cash contributions to the Shrine Band will be far from unwelcome. The band is already a local asset of outstanding popularity and value. But to keep it that way and see it expand as time goes on means cost and co-operation. The city has numerous groups, but few can Prince Rupert less afford to lose than this stimulating organization, pleasant alike to ear and vision.

queuing—something so foreign to their instinct and sense of freedom. True, a wartime measure, but there was nothing to indicate it would not go on indefinitely. Why be pushed around for good? Statehood for Alaska made progress in Washington Friday, but, when the measure reaches the Senate, say political seers, the battle will be sterner. There is no lack of grounds for argument. For example, many a territory became a State of the union when the white population was indeed small.

SPURNED LOVER
(Continued from Page 1)
to the front door of the apartment and was told to wait. A short while later he noticed Mah wave to him so he drove to the rear of the building. At this point, Miss McMasters recalled, the Chinese had the revolver in his coat pocket.
The woman stated that she had tried to act nervous in order to attract attention but the taxi operator testified he had noticed nothing wrong and added that Mah appeared normal but may "have been a little upset."
Ebbett also recalled that Mah had once remarked that his insurance policies would be transferred if "she didn't come back to him." Asked by Cpl. A. E. Wales, in charge of the inquest, if he had noticed a gun, Ebbett said he hadn't seen a gun.

On previous occasions, the woman said, the Chinese had threatened her and in one instance had attempted to choke her.
LETTERS PRODUCED
Letters were produced in court. Two were written by the Chinese, the other by Miss McMasters. Mah had written the letters, dated February 14 and 16. Miss McMasters, in her letter, stated that she "would be getting married in two weeks" and suggested that Mah stop bothering her.
Inside Mah's room in the hotel, the woman had told the Chinese that his intentions were "very foolish" in regard to threatening her with a revolver. While she was sitting on his bed, he stood at the bedroom doorway, holding the .32 calibre five cylinder revolver in his hand. She stated that her suggestion was to "figure things out" and attempt to settle the friction between them.
"He said he would get me dead or alive," Miss McMasters stated. "I said I wouldn't come back."
"We'll see about that," Mah said.
She stated they had argued for a while and that he made advances before he fired.
"Like from a distance, I could hear another shot," she said. She added that after she had risen, she noticed him on the floor, then ran out the door and down the stairs where an ambulance later picked her up.
Investigation by police later revealed that four shots had been fired. The other two entered the wall and floor of the bedroom. Another witness, B. Anderson, who resided further down the hall of the rooming house, stated that he had been awakened by three shots.
Police could offer no explanation for the two extra slugs.
Also, it was noticed that the Chinese had powder burns on both hands. Police say he probably held the gun in both hands as the cocking mechanism of the 1900 model revolver was damaged.
Other witnesses testifying at the inquest, conducted over by Coroner M. M. Stephens, were Sgt. Lance Potterton, Dr. L. M. Green, Const. John Brady, and Const. Jack White.
Jurymen were, Foreman D. Frizzell, Alfred Rivett, Stewart Donaldson, W. J. Scott, Don Llewellyn and Libero Basso Bert.

Brownwoods Stay In League With Upset Senior Victory

Downed Bo-Me-Hi in Thrilling Contest—Playoffs Getting Under Way—Fashion Wins Intermediate League

Brownwoods provided the fans with the upset of the season on Saturday night when they scored a 48 to 44 victory over Bo-Me-Hi in Senior Basketball League. There were thrills by the dozen as the lead see-sawed back and forth during the first half and the early stages of the third quarter. It was in the

third period that Brownwoods played their best ball of the night to forge ahead at 30 to 29 and take the period by a 35 to 29 lead which they never lost. Bo-Me-Hi were down 46 to 36 with about two minutes to play when they made their big bid of the night to score 3 points to Brownwoods. But it was too late, and Brownwoods were the victors.

It was an actionful game to watch from the bleacher seats. The fans were all for Bo-Me-Hi in the early stages but Brownwoods won many supporters because of their hustle and game-play and the final victory was a popular one. Pierce, Lavigne, Shier and Thompson worked like Trojans all evening as did Alek Bill, Gurvich and Sunberg. The Brownwoods had to win if they were to remain in the league and that they were determined to do. They have two more hurdles to overcome before they can get into the league play-offs as they are scheduled to meet Co-op in two postponed games and a loss in either will throw them out of the running.

Bo-Me-Hi lost the game by being too anxious. Ray Spring scored 14 points but was too tense all evening and missed 7 of 11 free throws. Carlson made three uncalled for personals in the final quarter, which gave Brownwoods the ball and unearned points. The students tried hard but they weren't there with the baskets when needed. Play roughened up toward the end with Carlson, Spring, and Lavigne all squaring off, but Referee Johnny Comadina calmed them down and the game ended with ill feelings under control.

Lineups—Bo-Me-Hi—Carlson 7, Spring 14, Webster 3, Sherk 3, McChesney 4, Ratchford, Kristmanson 2, Bill 6, Sharpe—Total 44

Brownwoods—Lavigne 8, Shier 10, Pierce 13, Bill 2, Owen, Gurvich 2, Thompson 7, Sunberg 4, Gill 2—Total 48

Tomorrow night will see the league play-offs get underway with the finals commencing in two divisions. Dom's will meet Peppie's in a best of three games series for the ladies' league championship, and Rupert Hotel will tangle with Kinsmen on the same basis for the Junior title. The intermediate series will start later in the month to coincide with the Senior play-offs. The feature game tomorrow evening will be Brownwoods do or die battle with Co-op and the fans can depend on plenty of action.

Intermediate Fashion won an easy victory over Merchants to take the Intermediate League title Saturday night. The score was 40 to 32 and there was never any doubt as to the victor. It was definitely Fashion's night and they took advan-

Legion Billiards In Semi-Final

Further progress in the Canadian Legion English billiard tournament was made over the week-end and only one game in the second round—F. Comadina vs. J. Lawrie—remains to be played. This match is holding up play in the third round which is otherwise, now ready to carry out into the semi-finals.

Matches played over the week-end included one in the second round when P. M. Ray (plus 35) was defeated by W. Strachan, with a similar handicap, by 150 to 112. Strachan later fell victim in the third round to Robert Murray (plus 15) by 50 points.

An exciting game in the third round was fought between J. Campbell (minus 30) and P. L. Petersen (plus 35) when Campbell just managed to overcome his 65 point handicap and win the match by the narrow margin of 6 points, 150 to 144.

Kitimaats Confident

Champions First Here For Native Basketball Tournament This Week

Kitimaat, winners of the district native basketball championship in tournaments here during the past two winters, arrived in the city yesterday afternoon on the Coquitlam from their village down the coast. First team in for the tournament, they are eager for the fray and confident of successfully defending the title.

Early this week many more teams from all parts of the district are expected and the problem of finding accommodation for them is already proving vexatious. In fact, warnings have been dispatched to the players not to bring any more persons than necessary unless arrangements have been made for their accommodation.

Lineups—Hill 14, Gill 14, Watson, Haugan 4, Intermela 5, Brev, Drake 3—Total 40

Merchants—Davidson 4, Walsh 5, Dumas 7, Currie, Christoff 5, Anderson, Marshall 4, Boulter 6—Total 32

Junior League Kinsmen won their second game of the two game total points series with High School with about as much ease as they did the first. The final score was 33 to 24 and the total two-game score 60 to 38. This gives Kinsmen the right to meet the top place Rupert Hotel in the play-offs, which start Tuesday night. Kinsmen played a good game all evening with scoring well divided among all team members and team play won out over the more rugged High School team. It was only in the second half that High School were able to hold their own and they outscored the "Kin" in the last quarter with some picture shots from way-out.

Lineups—Ancient Marvel The hanging gardens of Babylon had terraces ranging from 75 to 300 feet above ground level and were watered from storage tanks on the highest terrace.

Lineups—Kinsmen—Letourneau 9, Blackaby H. 2, MacKay 6, Blackaby A. 7, Penneff 6, Blackaby W., White 2, McAfee, Macintosh 4—Total 42

High School—Clark, Nickerson 3, Smith 3, Sheppard 4, Pedersen 7, Tait 4, Martin, Rhodes 2—Total 24

Metlakatla Is Winner

Downed Hartley Bay in Basketball at Neighboring Village

METLAKATLA—Three basketball teams from Hartley Bay invaded Metlakatla to play return games and all went down to defeat. The locals had lost two games at Hartley Bay recently.

As a curtain raiser at the return games at Metlakatla, the intermediates took the floor. The visitors had a good start by making two baskets before the locals even got started. Then Metlakatla commenced firing the basket and gradually forged ahead. At the end of the first breather, the score stood at 12 to 10 in favor of Metlakatla.

In the second period the locals out-shot the visitors and the score at the first half was 27 to 16 with locals on the long end. The total score at the end of the game was 63 to 40 for Metlakatla.

In the second game "Sane Dupers" of Hartley Bay went down to defeat against the onslaught of "35-45" team of Metlakatla, the score being 39 to 33 for Metlakatla.

In the third game and main event, the visitors made a good start in the first period, the score being 18 to 17 in their favor. The second period was hard fought and at the end of first half the score stood at 40 to 37 in Metlakatla's favor. The end of the third quarter Metlakatla was ahead at 64-63. The last quarter found both teams working hard and at the end of the game Metlakatla was on the long end of 92 to 74 points.

Referees were G. D. Ryan Metlakatla; Ed. Clifton, Hartley Bay. Score keeper, Richard Leighton, timer J. S. Ryan.

The following evening only one game was played, Hartley Bay intermediates versus Metlakatla. The first quarter was a well fought affair, and the two teams evenly matched. At end of first quarter the score stood at 19 all. The second quarter found Metlakatla gradually forging ahead and at the end of first half, Metlakatla was leading by 10 points, 41-31. The third period was in favor of Metlakatla, they held on to their lead all the way, the score reading 58-50.

The final period assured Metlakatla of victory. The score at the end of the game was 85-73, twenty-three fouls were called Metlakatla; Hartley Bay 14.

Lineups—Metlakatla—Roddie Wilson 29, C. Nelson 9, B. Leighton, Earl Ross 25, P. Robinson 8, Nelson 4, H. Leighton 12, T. Wilson 2, T. Ross 9, B. Leisk 10

Hartley Bay—H. Clifton 4, J. Robinson 6, C. Faton 8, Clifton 15, P. Bolton 3, G. Robinson 6, P. Robinson 2, C. Anderson 11, P. Ross 4, Mason 14

Referee—B. Nelson, Metlakatla; J. Clifton, Hartley Bay. Score—R. Leighton; Timer—S. Ryan.

OUCH!—This is Ken Reardon of Montreal National Hockey League figure to get headlines \$1,000, believed the highest in league history, became attributed to him in a magazine article. He says he intends to see that Cal Gardner of Toronto gets in the mouth—the same as Reardon received a couple of seasons ago. The fine is more of a bond. President Clarence Campbell of the NHL can petition at the end of his major-league playing fund. Presumably he'll get the \$1,000 back if he is of line in the meantime.

Clonkye Night—Terrace Men Emancipated

Beards and Costumes Contribute to an Outstanding Affair

TERRACE-Emancipation came on Saturday for the bearded men of Terrace who started out with such zest on New Year's Day to grow beards for a very worthy cause but whose ardor long since cooled, so much so that they have itched to be free of the uncomfortable whiskers. For the Kinsmen, a \$5 fine was levied on members who did not support the cause in a hirsute fashion.

So it was that on Friday night, the Kinsmen "Clonkye Night", that beards of all types bushy and scrawny—long and short—attractive and comical—were seen as the bearded men marched in a circle round the Civic Centre Auditorium to be judged by three ladies on the stage—Mrs. A. Kirkaldy, Mrs. E. Head, and Mrs. H. King.

Merriment galore reigned all evening at the Civic Centre from the moment one entered the hall to be greeted by the genial doorman, Jeff Lambly who was happy to be taking the money from the patrons. In a booth near the door, a brisk business went on all evening with the selling of phony money for real currency.

The large auditorium was crowded with dancers and on-lookers, many of the ladies being in costume of '98 as were also some of the men. Some of the dresses had actually been worn in the Klondyke and others were authentic costumes of that period. They were all interesting and the judges, three young

Gravel Hauled For Highway

All day Sunday, in warm sunny weather, six gravel trucks, operating for Wood, Parr and McClay, rushed back and forth to the gravel pit near the asphalt plant on Park Avenue, transporting material to the highway, beyond the city limits, which is under reconstruction.

Beginning about 7 a.m., the vehicles transported about 75 tons of gravel to a section of the road approximately 200 yards long and one mile past the city limits. This section of the roadway was noted as the most serious. Melting ice has heaved the road and this prompted the demand for immediate attention made in wires sent to Hon. Byron Johnson Thursday.

A government grader is working on the road and contractors are confident repairs will enable traffic to proceed without too much difficulty. J. E. R. Wood, of Wood, Parr and McClay, arrived in the city Friday and left this afternoon.

Mr. Wood expressed the hope that the project will be completed within five months. Referring to the wire to Premier Johnson, Mr. Wood pointed out that unusual weather conditions this year have helped to cause the poor state of the highway. He added busses carry a very heavy load and that his company have done everything in their power to maintain the highway.

Road May Open Within Month

Melting ice and snow caused by irregular weather conditions this winter have been a stumbling block in an effort to properly maintain the Vancouver-Prince Rupert highway.

H. W. Stevens, district engineer for the provincial department of public works, said today that the 45 mile stretch of road extending 20 miles past Terrace to Tye will remain closed for at least another month.

From two to six feet of snow remain in most sections of the highway and slides have been very frequent. More slides will probably occur, the engineer added. But Mr. Stevens explained, if the road is open for traffic next month, it will be one month earlier than in 1949. Last year, the highway was available on May 1.

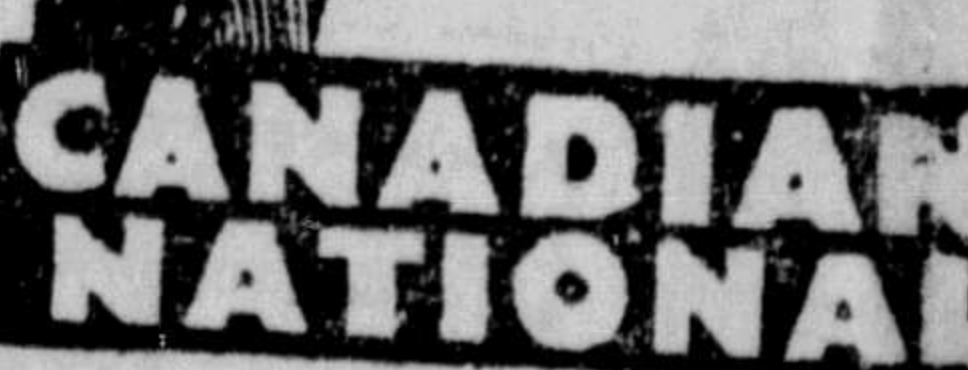

City ambulance responded to the call during the weekend. From the Princess Norah at 5 p.m. Saturday, Vincent Isaac and Enoch Joseph, arriving from Telegraph Creek, were taken to Miller Bay Hospital.
