

100 Men Now Working At Watson Island

Tacoma Not Favorable to Paying Railway From B.C. to Alaska

Time Washington Would Include
E. In Projected North Line

WASH. (CP)—While indications are in Washington that the U.S. Senate may pass the bill, approved by the House of Representatives, making the Pacific Great Eastern Railway in British Columbia part of a railway to Alaska, the government of Canada has considered and rejected the idea of helping to build a link between British Columbia and Alaska, in the north.

considered a proposal to spread a network of lines through Northern British Columbia, British Columbia, the Yukon and Alaska. One major advantage would be as a vital transportation link in any defence of the continent. The government's feeling, however, was that the cost would not be justified and that full advantage was not being taken of existing transportation facilities.

Senator Magnuson placed the legislation before Congress that would authorize President Truman to open negotiations with the Canadian government for survey of a 1400-mile road from Prince George to Alaska. The bill has been approved by the House of Representatives but awaits Senate approval.

A United States company, it has been indicated is prepared to spend \$300,000,000 to complete the Pacific Great Eastern Railway, owned by the British Columbia government, to the northern boundary of the province. It is estimated that another \$375,000,000 would be needed for the Alaska section.

Premier Johnson, at Washington on Tuesday, hurriedly discussed with two United States members of Congress proposals that the United States negotiate with Canada for the survey of the railroad from Prince George to Alaska.

Johnson then told Senator Magnuson (Democrat-Washington) and Representative Henry Jackson (Democrat-Washington) informally that negotiations regarding the proposed agreement must be discussed by the United States Department of State with the Canadian federal government.

Magnuson said later that if the legislation authorizing the President to open negotiations is passed, the negotiators must keep in mind the fact that British Columbia owns the Pacific Great Eastern Railway which would cover part of the proposed link.

TWO HURT IN CAR MISHAP

Two persons were taken to hospital early this morning for treatment of injuries sustained when the car in which they were riding went off the road and turned on its side on Eleventh Avenue shortly after midnight. Injured were Allan Wainwright, who received a possible fracture of the shoulder, and Earl Webber, who suffered a severed arm tendon in the upper arm. Driver of the car was said to be D. Menzies. The car received considerable damage.

STAN LEONARD'S GOLF IS HOT

VANCOUVER (CP)—Stan Leonard fired the hottest golf of his career yesterday in spreading a star-studded field in the \$2000 British Columbia open. Leonard scored closing rounds of 65 and 68 to finish with 13 under par for a 271 total. The Vancouver star was seventeen strokes better than Chuck Congdon in the Tacoma pro's victory in the Canadian open in 1948. Vancouver's Freddie Wood wound up second with 290.

NORWEGIAN LECTURER

Fridtjof Endresen of Association of Norsemen coming here to narrate color films of Norway at Sons of Norway Hall tonight. He arrived by plane this afternoon from Vancouver and will proceed tomorrow to Alaska, his itinerary to include Ketchikan, Petersburg and possibly Anchorage for a visit with his old friend, Col. Berni Balchen, noted Norwegian flier, now attached to the United States Army. Mr. Endresen is an Oslo school teacher specializing in languages with a fluent command of French and English. He is also an authority on athletics and has officiated in four Olympics, having been a judge in the Olympic Games in Los Angeles in 1932. He is also an international ski judge.

GALE HALTS BOAT SEARCH

High winds today halted the search in Hecate Strait for George Powell, 36-year-old Metlakatla fisherman, missing since his disabled gillnet boat went adrift in a storm near Bonilla Rocks on Monday.

Department of Fisheries searchers who scoured the area west of Porcher Island and south to Banks Island by sea and air yesterday drew a blank. The protection vessel Kitimaat cruised the Porcher Island area and visited the village of Kitkatla on the chance that Powell might have found shelter there, but he was not found.

A Queen Charlotte Airlines Norseman plane piloted by Capt. Doug McQueen scouted the west coast of Porcher Island, Brown Entrance and Bonilla Island yesterday without results.

Both the Kitimaat and the aircraft continued south Wednesday evening, leaving the provincial police in charge of the search.

The provincial police boat from Ocean Falls was on its way north today to continue the search but it is expected that little can be done until the current gale subsides.

The P.M.L. 15 of the Prince Rupert detachment is at present at Alice Arm on patrol duty.

Royalite Getting Ready To Drill For Oil On Island

Representatives of Royalite Oil, which is to drill for oil on Graham Island of the Queen Charlotte group, were in the city at the first of the week on their way to Vancouver after a visit to the islands making preliminary arrangements for the drilling of a test well which is expected to get actually under way within the next three or four weeks.

Flash

OIL IN GULF ISLANDS
VICTORIA—Hunt for oil in British Columbia may be extended to the Gulf Islands in the Gulf of Georgia between Vancouver Island and the mainland, it is reported here. Reports say that Royalite Oil Co. agents are seeking lease of rights on the Gulf Islands bordering the United States.

BUDGET OCTOBER 20

OTTAWA—Finance Minister Douglas Abbott told Commons yesterday that the 1949-50 budget, originally introduced last March, will be re-submitted October 20. He told newspapermen that the budget "will be substantially the same."

HOCKEY OPENER

DETROIT—Two big goals by Centre George Gec counted heavily last night as the Detroit Red Wings opened their defence of the National Hockey League championship with a 2 to 1 victory over Boston before 11,661 fans.

SAW BURNING BOAT

CAMPBELL RIVER—Pilot W. Peters of Queen Charlotte Air Lines yesterday reported sighting a fishing boat on fire in Johnston Straits, 33 miles north of here. Further search has revealed no trace.

NAVIGATOR IN TOW

VICTORIA—The Panamanian-American freighter Navigator which became helpless in a Pacific storm, has been taken in tow by the United States coastguard and yesterday was 800 miles from Vancouver Island, heading here. The Salvage King was due to reach the stricken ship today and possibly take over the tow.

BULGARIA CHARGED

BELGRADE, Yugoslavia—Yugoslavia formally charged Bulgaria today with breaking off its friendship pact with this country as an excuse for "new unfriendly acts." Bulgaria denounced its treaty of friendship and alliance with Yugoslavia October 1, along with most of the other Russian-led cominform countries. The note said Bulgaria's hostile acts had made the pact only a "useless piece of paper long before it did so formally."

Mrs. George Mead left by air today for Vancouver, having been called there on account of the illness of her mother, Mrs. E. T. Todd.

J. S. Wilson left by air today for Vancouver, where he will attend a meeting of the provincial command of the Canadian Legion, of which he is northern zone representative.

BUSMAN'S HOLIDAY—Delegates to the third North American Broadcasting Conference, now under way in Montreal, had a look at the Transport Department's marine radio facilities when they took a cruise on the St. Lawrence River aboard the government ship Ernest Lapointe. Left to right, are: Alan D. Hodgson, chairman of the Bahamian delegation; C. P. Edwards, deputy transport minister for air services; Capt. Robert Marchand of the Lapointe; Rosel H. Hyde, U.S. federal communications commissioner and chairman of the U.S. delegation; and Dr. Jose R. Cutierrez, vice-chairman of the Cuban delegation. (C. P. Photo)

No Election This Autumn

LONDON (CP)—Prime Minister C. R. Attlee today turned thumbs down on demands for a general election this fall, deciding that Britain's Labor government would ride out Britain's economic crisis.

Announcement that no early election would be held was made, an official statement said, to quiet "disturbing effects on trade and industry" which would be caused by widespread speculation on a vote this fall.

The Labor government's five year term runs until next July but Prime Minister Attlee could call a general election at any time by petitioning the King to dissolve Parliament.

Big Bomber Is Wrecked

Thirteen of Atom Dropper's Crew May Have Perished

ISLEHAM, Cambridge, England (CP)—A United States B-50 heavy bomber today plowed into a fog-covered wheat field and exploded, killing twelve or thirteen members of the crew.

A terrific blast, heard twelve miles away, shook down ceilings and smashed windows in nearby homes.

A Royal Air Force rescue squadron recovered twelve bodies from smoking, twisted wreckage within two hours after the crash.

A United States Army Air Force spokesman said that thirteen may have been on board.

The plane was designed to carry conventional arms as well as atom bombs.

The Royal Air Force threw a guard around the wreckage to protect secret equipment.

Terrace And Hazelton Busy As Winter Nears

Highway Valuable and Intriguing—
Communities Thrive With Industry

(By W.J.R.)

Sullen skies, chill winds, day-long rain, gusts of snow and yellow-hued leaves fluttering to earth along the Skeena River and across the Bulkley country prevail just now. Different in deed from the warmth and charm of summer! Most people, however, refuse to accept the present discomfort as a prelude to something even more wild and stern.

Hope springs eternal. They have a feeling the air will again be gentle and the sunlight strong and constant before anything like real winter is as much as suspected.

Meanwhile, progress goes on. Long-range plans and a thousand busy men are turning Port Edward into a major industrial centre. The streets of Terrace, even on a day when gales howl and rain coats are worn, are full of traffic. Tommy Fraser's Omnica Herald, situated in the heart of the town, is housed in a neat, trim building with stucco front outside and lots to do inside. This is one of the newest, if not the newest establishment there. When a visitor from Newspaper Row in Prince Rupert looked in late last Friday afternoon, it was to find the proprietor well occupied.

The highway distance between Terrace and New Hazelton is around ninety miles. It was covered in approximately five hours Saturday evening—with rain descending, or thinking of doing so, most of the time.

Cars are multiplying in the spacious and scenic region where, not so many years ago, they were practically unknown. Everywhere are signs of how invaluable the highway is becoming. Today, the absence of a road linking the interior with the sea would be unthinkable. This one is developing into one of the outstanding mountain drives not only in British Columbia, but in all Canada.

To anyone fresh from Prince Rupert it was stimulating to skim smoothly along, listen to crisp comment by Gordon Temple of Terrace, and try to follow the trend of a majestic landscape, as darkness kept closing in. But it was not all a deepening twilight. There were glimpses of starlight and sometimes a little misty moonlight in which the winding course of the river could be traced—occasionally far off and dim, and

Construction Progress Is Satisfactory

Much of Concrete
Poured—Steel
Going Up

More than 1,000 persons are now directly engaged in the construction of the high alpha cellulose plant of Columbia Cellulose Company Ltd. on nearby Watson Island, it was announced here today. This figure, a new highmark, includes the office staff of pulp company and workers on the payrolls of the various contractors.

Meanwhile, the general construction program is proceeding satisfactorily, with one of the larger steel structures already under its concrete roof and a second about to reach that stage.

Considerably more than one-third of all the concrete necessary for the construction program has been poured thus far. The fabrication of wall panels and roof slabs on the plant site has been accelerated in recent weeks, with the result that approximately 42 percent of the total requirements are now ready for assembly.

In connection with the building of a fresh water line from nearby lakes to the filtration plant, concrete pouring for the floor and curb of one of the three tunnels is now well advanced. The laying of the wood stave pipe line also has got under way. The underground fire lines are now more than half completed.

Latest reports from manufacturers and suppliers of equipment for the plant indicate that the machinery program is well ahead of schedule.

CANADA FEELS STEEL STRIKE

OTTAWA (CP)—Steel belt tightening in some parts of Canada became evident today as the United States steel strike swept to its two-week mark. Reports reaching government quarters show one major iron and steel producer in Ontario has already been hit. In the face of dwindling supplies of American steel products, a company has been forced to curtail output in piping and tubing used in the plumbing industry. Workers have been released temporarily.

Intermittent rain Friday. Little change in temperature. Winds southeasterly (25 mph), shifting and decreasing to southwesterly (15) this afternoon, then increasing to southeasterly (30) and gusty Friday afternoon. Lows tonight and highs Friday—At Port Hardy, Sandspit and Prince Rupert, 45 and 50.

THE WEATHER

Synopsis

Sharp frosts occurred in the southern interior valleys during the night and ground frost touched a few of the lower areas near the coast. Cloudy skies are general over the northern regions of the province and rain is falling over the northern coast in advance of an active disturbance centred in the Gulf of Alaska. Strong southerly winds which developed in the exposed waters of the Queen Charlottes during the night are expected to decrease to moderate this afternoon. Another storm centred about 1500 miles offshore will move into the Gulf of Alaska tomorrow. Unsettled weather is expected to continue over the northern coast with cloudiness spreading to the southern coast tonight and Friday.

Forecast

North Coast Region—Overcast with continuous rain, becoming intermittent this afternoon.

South Coast Region—Overcast with continuous rain, becoming intermittent this afternoon.

CITIZENS ASKED TO SUPPORT MOVE FOR PUBLIC HEALTH PATHOLOGIST

Organizations in the city will be asked by the Prince Rupert and District Union Board of Health to lend their support to a move to have a full-time pathologist at the Prince Rupert General Hospital to replace Dr. R. E. Coleman who recently resigned.

Decision to take action in this regard was made at a meeting of the Board Wednesday afternoon at which members were told that public health requirements in the district demand the services of a full-time pathologist.

Employment of a laboratory technician without the service of a pathologist as well makes it impossible for the necessary analysis of food, milk and other specimens necessary for public health protection, since the technician's time is largely taken up with work for the hospital itself. Attempts to get satisfactory analysis of specimens by sending them to laboratories at Vancouver have also been unsuccessful. (Continued on page 4)

ODDFELLOWS PAY SMITHERS VISIT

Members of Prince Rupert Lodge, I.O.O.F. and Lakelse Lodge of Terrace paid an official visit to Bulkley Lodge at Smithers Saturday, Sunday and Monday, returning home early Tuesday morning after an enjoyable trip. In the exchange of ceremonies, a Prince Rupert candidate received the third degree, conferred by the Smithers Lodge, and a Smithers candidate went through the initiatory ceremony under a degree team from Prince Rupert and Terrace.

Activities included attendance at a church service, at which Rebekahs were also present. The service was held at the Smithers Anglican Church. A dinner was held Sunday afternoon. Chairman of arrangements for the Prince Rupert Lodge was David Owen. J. A. Barman was in charge of the Terrace Lodge.

MARRIED ON THANKSGIVING

Miss Helen Richmond Becomes Bride of Roy Johnson

A Hazelton girl and a Prince Rupert man were the principals in an interesting wedding which took place before a gathering of relatives and friends at 3 o'clock Monday night in St. Paul's Lutheran Church.

Rev. Earl Solland officiated at the ceremony in which Miss Helen Richmond, daughter of the late Henry M. Richmond and Mrs. Richmond, became the bride of Roy Arthur Johnson, son of Regnus Johnson and Mrs. Agnes Simonsen.

The church had been adorned with floral decorations for the occasion.

The bride, given in marriage by her brother-in-law, Leonard Halstad, was charming in her white satin gown with net and veil. She carried a bouquet of American Beauty roses and carnations.

Miss June Dunne, in yellow taffeta, and Miss Tessa Richmond, in mauve taffeta, were the bridesmaids. Each wore floral coronets and carried colonial bouquets.

Little trainbearers were Misses Sandy Halstad niece of the bride and Donna Deane. The former had a white floor length frock and the latter yellow. Each had floral headresses.

Groomsman was Carl N. Mostad and usher was Einar Lynum. During the ceremony there was bridal music by Mrs. Earl Solland at the organ.

Later a reception was held at the Sons of Norway Hall where invited guests gathered to extend their felicitations to the couple who received congratulations and best wishes under a white wedding bell in a bower of pink and white flowers and streamers.

Toast to the bride was proposed by Rev. Earl Solland and responded to by the groom. The bride cut a handsome wedding cake. Buffet refreshments were served.

Mr. and Mrs. Johnson, who are planning a honeymoon trip to Hazelton, will reside at Pigott Avenue. The groom is a halibut fisherman. The bride has been identified with the staff of Sheardowns.

It's so different today

In European Courts long ago it was considered a supreme honour to be allowed to watch the King eat his breakfast. But no king ever enjoyed a more wholesome, delicious, satisfying dish than the wonderful TWO-GRAIN cereal, POST'S GRAPE-NUTS FLAKES—made from sup-ripened wheat and malted barley.

Here's a royal breakfast... crisp, sweet-tasting, honey-golden flakes with the distinctive GRAPE-NUTS flavor. Extra good for young and old because they provide nourishment everybody needs—useful quantities of carbohydrates, protein, minerals and other food essentials. Get POST'S GRAPE-NUTS FLAKES at your grocer's today.

CAMBRAI CHAPTER DEDICATES FLAG

A new Union Jack, which will replace the flag carried by Cambrai Chapter, I.O.E. since inception 15 years ago, was dedicated at the chapter's monthly meeting in the Civic Centre Tuesday night by Rev. Lawrence Sieber of First United Church.

The dedication ceremony was the highlight of the meeting which was attended by 15 members under chairmanship of Mrs. G. G. Withers, chapter Regent.

Business session of the meeting was concerned with plans for the chapter's fall bazaar, at which a fur coat will be raffled and discussion of the proposed observance of the I.O.E.'s golden anniversary on February 13, 1950. A report also was

received on the recent tag day in aid of the blind.

At the conclusion of the business session, refreshments were served. Winner of the monthly raffle was Mrs. G. G. Withers.

BABY'S GAS PAINS NEED QUICK HELP—

Don't take chances—don't let baby be miserable and lose needed rest from gas pains in stomach or bowels when Baby's Own Tablets—gentle and reliable—quickly help soothe little stomachs and clear a way out of gas. Easy to take—quickly crushed to a powder, if desired. See how soon baby is happy and comfortable again. No "sleepy" stuff—no dulling effect. Used with confidence for over 10 years by thousands of mothers. Try Baby's Own Tablets, too, for teething fevers, simple fever, constipation and other minor ills, etc.

Says Mrs. R. G. Cook, Winnipeg Home Economist

In cream sauces for casserole dishes and soups and vegetables—in special sauces for special serving—good cooks know they get super-smooth, super-delicious results with Carnation Evaporated Milk. And Carnation is so economical! It makes all milk dishes taste better too.

Use doubly-concentrated Carnation undiluted in recipes that call for cream, or to double the milk nourishment of a dish. For recipes that call for milk mix half Carnation, half water, to give velvet-blend goodness and all the food values of fine whole milk.

Still Using Carnation for her "Contented Babies"

Mrs. Cook, Graduate Home Economist, is mother of three husky boys who were Carnation babies. And like so many clever mothers, she still gives her youngsters the fine milk on which they thrived, in milk dishes of many kinds. Give your family the benefit of nourishing, thrifty Carnation Milk in all milk recipes.

TALK HEALTH AND SECURITY

OTTAWA (C)—All major opposition quarters of the House of Commons urged yesterday a sharper Parliamentary scrutiny of public health welfare, social security and housing.

A 2½ hour debate saw Progressive-Conservatives, C.C.F.'ers and Social Credit members

clamor for a permanent House committee on the four matters.

The proposal was defeated just before the House rose, however, after Acting Minister of Health Brooke Claxton vetoed the idea on behalf of the government. He said such a committee would eventually have the effect of breaking down the system under which the government assumes responsibility for such measures.

Citizens Asked

(Continued from Page One)

ful because of the time lapse required for shipment.

The Board moved that such organizations as the Hospital Board, the city, Prince Rupert Chamber of Commerce, Junior Chamber of Commerce, contact the laboratory section of the provincial Department of Health to have a pathologist placed here.

FULL-TIME DOCTOR

Action also will be taken to have a full-time medical director of the Prince Rupert Health Unit. For more than a year, the position of director has been filled by a local physician

and the Board felt that, because of the demands of the position, it is unfair to ask a doctor in private practice to take on public health duties as well.

The Board will communicate with the Department of Health in this regard.

Passage of a bylaw or an amendment to existing ordinances which will require that restaurants serving milk do so from sealed containers, to be opened in the presence of the customer and not from a bulk source, will be requested of city council, by Alderman J. N. Forman, a member of the Union Board of Health.

Desirability of serving milk from sealed containers was stressed by Sanitarian Armine

Boas at an earlier meeting of the Board last spring.

A bylaw which will set minimum standards for public rooming houses in the city also will be requested.

The Board members were formally introduced to Miss Freda S. Hilton, senior public health nurse, who recently replaced Miss Joyce Leslie, in that capacity, and Miss Margaret Anderson, statistician.

INCLUDE C.C.I.

Inspector of Schools Joseph Chell told the meeting that a recent visit to the Queen Charlotte Islands had revealed to him the desire of residents of the Islands to be included in the Prince Rupert Health Unit. It was arranged that Mr. Chell and Miss Hilton would visit the Islands in November and discuss the matter with school boards there.

Membership in the Prince Rupert Film Council was approved. Present at the meeting were Alderman W. F. Stone, who acted as chairman in the absence of Alderman J. N. Forman, Alderman Wilfrid McLean, Inspector of Schools Joseph Chell, Miss Freda Hilton, Sanitarian Armine Boas, and Miss Margaret Anderson.

THIS CANNED SALMON LOAF
costs so little—is so good!

1 lb. Canned Salmon
1 cup milk
1 cup bread crumbs
3 eggs
2 tbsp. lemon juice
salt and pepper

Squid milk, add crumbs and cook 5 minutes, stirring constantly. Add beaten egg yolks and cook over hot water (double boiler) for 5 minutes, still stirring. Cool slightly, stir in baked Canned Salmon, seasonings, lemon juice and finally fold in beaten egg whites. Turn into well greased dish, set in hot water and bake for ¾ hr. in 350-375 degrees F. Serves four.

What about Winter Drive with the HILLMAN?

READ WHAT A HAPPY COMMUTER HAS TO SAY ABOUT HIS HILLMAN'S PERFORMANCE

"I live on a farm 30 miles outside Toronto," writes Mr. Hockridge, "and it is essential for me to have completely reliable, year-round transportation to and from the city. I made the trip in my Hillman almost every day last winter—and didn't miss a single engine! Half-a-mile of road country lane (which drifts at the slightest whisper of wind) separates my farm from the nearest gravelled road. Yet this grand car took everything in its stride—snow, mud and freezing rain! Thanks to its great-hearted engine and extra-low gear, my Hillman carried me in perfect safety and comfort over drifts and ruts that would be a challenge to any car. For many reasons, but especially for its downright dependability—I'm glad I bought a Hillman. Thousands—yes, thousands—of motorists in Canada and the U.S.A. are enjoying the comfort, economy and world-famous driving qualities of the Hillman. For their convenience, a permanent network of dealers provides parts and service from coast to coast in both countries. Arrange now for a Hillman demonstration ride—you'll be glad you did."

PLANNING FOR LEGION WEEK

At the monthly meeting of the Prince Rupert Branch of the Canadian Legion last night plans were approved for the celebration of "Legion Week" from November 5 to 11 inclusive. The program:

November 5, "Poppy Day," in charge of the Ladies Auxiliary.

November 6—Church Parade to St. Andrew's Cathedral.

November 7—Card party in Legion Hall.

November 8—Bazaar with Bingo and other games.

November 9—"Bring Your Missus Night."

November 10—"Bring Your Missus Night."

November 11—Remembrance Day Ceremony at the cenotaph followed by Luncheon at the Armouries and the Armistice Ball at night.

Mrs. Ralph P. Smith was appointed to the executive committee to fill a vacancy caused by Miss Frances Thomson leaving the city to live in Vancouver.

A special appeal was made to members and the general public to purchase the \$50 building bonds now being sold to complete the new building on Second Avenue. The entertainment chairman announced that there would be a joint meeting of the Entertainment and the Ladies Auxiliary to plan events for "Bring the Missus Night" and other entertainment for Legion Week.

Fifteen Hoop Teams Entered

Basketball entry deadline at the Civic Centre yesterday found that enough teams were entered to provide competition in all divisions, as follows:

Junior—Sea Cadets, Scouts, Stones, High School, Kinsmen and Rupert Hotel.

Ladies—High School, Doms' and Peoples.

Intermediate—Merchants.

U.N. Assembly Elects New Officers

These are the seven key men in the debates of the United Nations General Assembly now holding its Fourth Regular Session at U.N. Headquarters. Standing behind Assembly President Gen. Carlos P. Romulo (Philippines) are the chairmen of the main committees in which most of the Assembly's work is done. They are from left to right: Canada's Lester Pearson; Chile's Hernan Santa Cruz; Venezuela's Carlos Stolk; Denmark's Hermod Lannoy; Greece's Alexis Kyrrou; and Poland's Manfred Lachs.

Fashion Footwear and North Star

Senior—Co-op, Bo-Me-Hi and Brownwoods.

The Scouts and Sea Cadets are new entries in the Junior field. Stones have dropped out of Intermediate competition this year and are fielding a Junior team, while North Star moves up from Junior to Intermediate play.

Last year's Savoy team members are nearly all signed up for Co-op who have several of their older players retiring to the gallery this season.

Tonight the basketball executive will meet to draw up league schedules, with play expected to get underway Saturday, October 22.

HAINES TRAFFIC OFF FOR WINTER

Tug and barge service which has been operated by Alaska Freight Lines between Prince Rupert and Haines, Alaska discontinued operations this week after carrying American Army commodities between Seattle and the interior of Alaska for the last four months.

Cause of the suspension was given as the condition of the Canadian section of the Haines Highway, which the Canadian government has formally stated, will not be kept open during the winter months.

The tug-and-barge service was a link in a transportation line in which foodstuffs were shipped in refrigerated rail cars from Seattle to Prince Rupert, then loaded in truck-trailer bodies on the deck of the barge and towed to Haines. There, they were re-loaded into trucks and wheeled over some 900 miles of road to Fairbanks and other Alaska army centres.

On its return trips, the service carried aircraft engines and other surplus goods from the Alaska army bases.

The Seattle tug Shinn towed the barge for the greater part of the summer, then was replaced by the Tacoma tug Donna Foss in August.

Civic Aid For Park

Gyro Club Would Have Help in Improvement and Development at McClymont Park

In view of the more extensive use to which McClymont Park is now being put since the Prince Rupert Gyro Club established its new swimming pool this year and the necessity for further improvement and development there, the Gyro Club, at its monthly business luncheon yesterday, decided to request the city to contribute through the Parks Board next year to such improvement and development. Decision to make the request was made after the club had heard reports from O. G. Stuart and E. D. Forward, on behalf of the playground committee, on the activities of the playgrounds during the season. The playgrounds had enjoyed a large measure of popular use during the summer months. It was suggested that, as far as McClymont Park pool was concerned, it would be desirable to concentrate next year on dressing room facilities.

Various other club activities were planned at yesterday's luncheon. A committee consisting of George Murray, M. G. Gormley, Frank Skinner, W. P. Stone, W. D. Lambie and J. S. Lindsay was appointed to take charge of the annual Apple Day sale. Committee for the annual Halloween hoedown was named to consist of Martin Van Cooten,

Air Rivett, Robert Parker, Joseph Chell and T. H. Wilford. W. J. Scott was appointed recording secretary, his jurisdiction being particularly over attendance matters.

The club received a letter from J. S. Wilson principal of Borden Street School, expressing appreciation of special prizes for pupils who had made good showings in the recent tag day work of the Gyro Club. A committee of parents, with W. M. Wilson man, went to work on a slate of officers for the November meeting. Election of officers. President Maurice was in the chair.

Terrace and Hazelton
(Continued from Page 1)

of an approaching headlight was
sighted. Passing, it was evident
that someone aboard had bag-
ged his moose. The horns were
neatly.

As distance lengthened, the
spreading coolness almost had a
nip to it and, small wonder, for
we were coming under the
shadow of the six thousand foot
peak of Rocher de Boule, snow-
covered for at least half of its
height.

New Hazelton is active. Sixty
perhaps more men find regular
work at the Silver Standard
mine. Electrical installation is
going on. More house building
is taking place than has been
recorded in years. Among those
who have completed construc-
tion, as well as having made re-
pairs or extensions, or soon will
have, are Mrs. Sawyer and son,
John, David Jordan, Robert
Willan, J. Kornelson, D. Living-
stone, Steve Homminick, Ernie
Hoot, Stan Benson, M. Dupas,
as well as others.

Rev. Mr. Matthews has been
stationed at New Hazelton for
some time which means regular
church service every Sunday.

Mr. and Mrs. Gus Christiansen
are home from Vancouver where
the former was given medical
attention. He is not entirely free
from the effects of severe burns
received about a couple of years
ago.

After having had a paper in
their town for all of thirty years,
people say they miss the Oka-
neca Herald. Somehow there is
a void they cannot but feel. The
paper moved down to Terrace
but the windows of the former
newspaper office are kept filled
with beautiful flowers in the cul-
tivation of which Mrs. Sawle has
always been so successful.

IN THE SUPREME COURT OF
BRITISH COLUMBIA
IN PROBATE

In the Matter of the Estate of Peter
Johnson otherwise known as Peter
Johannessen

— and —
In the Matter of the "Administration
Act"

TAKE NOTICE that by Order of
His Honour Judge W. O. Fulton,
made the 4th day of October, A.D.
1949, I was appointed Administrator
of the Estate of Peter Johnson, other-
wise known as Peter Johannessen,
deceased late of Ocean Falls, in the
Province of British Columbia.

ALL PARTIES having claims
against the said Estate are hereby re-
quired to furnish same properly ver-
ified to me on or before the 26th
day of November, A.D. 1949, after
which date claims filed may be paid
without reference to any claims of
which I then had no knowledge.

ALL PARTIES indebted to the
said Estate are hereby required to
pay the amount of their indebted-
ness to me forthwith.

DATED at the City of Prince Ru-
pert, in the Province of British Co-
lumbia, this 5th day of October, A.D.
1949.

GORDON F. FORBES,
Official Administrator,
Prince Rupert, B. C.

NOTICE TO CREDITORS
Cecil Hazen Hankinson

NOTICE IS HEREBY GIVEN that
all persons having claims against
the estate of Cecil Hazen Hankinson,
Late of Prince Rupert, B. C., who died
on or about the 18th day of May,
1949, are required on or before the
27th day of October, 1949, to deliver
or send by prepaid letter full par-
ticulars of their claims duly ver-
ified to THE TORONTO GENERAL
TRUSTS CORPORATION, one of the
Executors of the estate of the said
deceased, at the office of the TOR-
ONTO GENERAL TRUSTS COR-
PORATION, 590 Pender Street
West, Vancouver, B.C.

AND TAKE NOTICE that after the
last mentioned date the said Execu-
tor will proceed to distribute the
assets of the said deceased among
the persons entitled thereto having
regard only to the claims of which
it shall then have had notice.

DATED this 27th day of Septem-
ber, 1949.

UNITED CHURCH THANKSGIVING

There were large attendances
both morning and evening at the
First United Church on Sunday
when the annual Thanksgiving
services were held. At the close
of the morning service the quar-
terly Communion Service was
observed.

Speaking from the words, "He
took Bread," Rev. L. G. Sieber
reminded his congregation of
the interest Jesus always showed
in everyday affairs. To Him all
ordinary matters had a signifi-
cance of which He was always
keenly aware. Today people
had a tendency to take things
for granted and often it was
only when God's bounty seemed
to fail that they call upon Him.
God's promises never failed.
The miracle of the loaves and
fishes was repeated annually
but was not recognized. Bread
was the symbol of the an-
swer to man's spiritual need.
Assumption that one earned
food failed to recognize that, for
all material needs, there was
dependence upon God. It was
well that at Thanksgiving time
at least, expression was given
to recognition of God's unflin-
ting goodness.

At the evening service Mr.
Sieber challenged his listeners
with the questions of what they
expected from life, how much
was enough and what would
they do if they had enough. The
psalmist asked that he be free
from vanity and the true pos-
session of material things
should not prevent him from
appraising properly the greater
value of spiritual possessions.
And in the world today it is not
a shortage of material things
that caused suffering among
people, but a lack of brotherli-
ness in sharing possessions. More
than all there was a need for
the harvest of the spirit. It was
still very true that "Your heav-
enly Father knows of your
needs." He supplied them. Men
must learn to use them aright.

The Junior Choir sang ef-
fectively W. H. Jule's setting of
"Thou Didst Leave Thy Throne"
during the morning service, and
in the evening service the Sen-
ior, J. H. Thompson, E. M. Har-
ding and Wm. Dunn.

Miss Millicent E. Yule, R.N.,
arrived in the city Wednesday
on the Prince George to join the
nursing staff of the Prince Ru-
pert General Hospital. She has
recently been employed in Man-
itoba.

TO NATIONAL
CHAMBER MEET
C. N. R. Divisional Superin-
tendent C. A. Berner left by
train last evening for Montreal
where he will be delegate of the
Prince Rupert Chamber of Com-
merce at the annual convention
of the Chamber of Commerce of
Canada which will be held there
October 24 to 27. While in the
east, Mr. Berner will stop off at
Niagara Falls to visit his son-
in-law and daughter, Mr. and
Mrs. R. G. Winship. Mrs. Win-
ship is the former Bea Berner.
During the trip he will also
visit several railway terminals
on the western region.

FALL FIRES
DANGEROUS
Mr. D. F. Ford, the fire in-
surance adjuster for the Pro-
vince of British Columbia, on his
visit here, said that one of the
few things that had gone down
in price this year was general
fire insurance but he warned
that between now and the year-
end was the worst time of the
year for house fires due to in-
adequate precautions being tak-
en in the home.

One of the most common
causes of fires is found to be in
the furnaces. Especially those
that are in poor state of repair.

FALL FIRES
DANGEROUS
Mr. D. F. Ford, the fire in-
surance adjuster for the Pro-
vince of British Columbia, on his
visit here, said that one of the
few things that had gone down
in price this year was general
fire insurance but he warned
that between now and the year-
end was the worst time of the
year for house fires due to in-
adequate precautions being tak-
en in the home.

One of the most common
causes of fires is found to be in
the furnaces. Especially those
that are in poor state of repair.

FORMING NEW SCOUT TROOP

Rev. Canon Basil S. Prockter has turned over the leadership of First Prince Rupert Wolf Pack to Leonard Sykes, a recent arrival from Calgary where he was active in the Scout movement.

After having led the Cub Pack for three years, Canon Prockter is now turning his attention to the reorganization of First Prince Rupert Boy Scout Troop at the Cathedral which has been inactive since before the war.

The objective of the revived Cathedral Scout group will be 24 boys and already about half that number have been lined up.

Wilfrid St. Clair will continue as assistant cubmaster to Mr. Sykes who is in the employ of the Canadian National Railways here and who was ex-Akela of the Eighth Calgary Scout group before coming to Prince Rupert.

CITY TO RENT AIR MACHINE

The city will rent an air compressor from a Vancouver firm for the next two months before making a decision, on the basis of its requirements, whether or not it will purchase the piece of equipment.

Decision to rent the machine, rather than purchase it immediately, was a compromise rising out of a board of works recommendation that it be purchased to expedite road and sewer work which is being held up through lack of rock working equipment.

Cost of the new compressor was given by City Engineer Don Stewart as approximately \$4,000. The city can rent a machine for two months for \$500 and if it decides to purchase, the rental will be applied to the purchase price.

possession of the equipment on grounds that the machine presently owned by the city is "idle about one-third of the time."

Removal of the survey marker which denotes the city limits near the highway approach to Prince Rupert is posing an engineering problem which may have repercussions for years.

City Engineer Don Stewart has told council that the special marker had been removed from its present position on a rock bluff beside the highway and that its change of position was a serious matter from a surveyor's point of view.

"It was a special astronomically-placed marker which probably cost a great amount of money to put in place," he said. Nobody seems to know who removed it.

Removal of such markers carries heavy penalties, he said. Such markers are the basis of all property surveys and tampering with them jeopardizes all survey work in the area.

OLYMPIC FILM IS COMING HERE

1948 Olympiad Movies for Civic Centre Membership Drive

With the co-operation of Manager J. Harry Black of the Capitol Theatre the Civic Centre membership campaign gets a big boost this week-end when the 1948 Olympiad movies will be screened for Civic Centre members. Mr. Black has donated the use of the theatre for an after church showing on Sunday evening and Centre members will be admitted free on presentation of their 1949-50 membership cards. This novel idea is expected to provide the incentive for many prospective members to sign up for membership in the next three or four days taking advantage of the Centre's "Take three months to pay" plan.

The Olympiad film takes a full two hours to screen in its technicolor and has one gripping sequence after another. It is a graphic story of the 1948 Olympics held in England and also shows all the thrills of the winter sports, including the world hockey championships, ski-jumping, Barbara Ann Scott's skating triumphs, and many other outstanding performances.

The colorful march past King George VI is a dazzling scene which fittingly opens the games in England.

The film is produced by J. Arthur Rank, and brilliantly tells the story. Several local residents saw the film in Prince George a few weeks ago, and were so impressed with its gripping interest, that it was decided to bring the film to Prince Rupert in the interests of the Civic Centre.

BIZPRO WOMEN BACK CONCERT

After their regular monthly dinner Tuesday evening in the Civic Centre dining room, the Business and Professional Women's Club adjourned to the home of its president, Miss Honora L. Silversides, for a business meeting and a social hour.

The main item of business was the forthcoming concert of Miss Donna Gresco, one of Canada's foremost violinists, who will appear in the Civic Centre October 28. Miss Gresco's present tour across the Dominion is sponsored by the Canadian Federation of Business and Professional Women's Clubs and it is under this sponsorship that Prince Rupert people will have the pleasure of hearing the talented young lady.

The business meeting was followed by a social hour and the evening came to a close with the serving of refreshments.

Relieve Dry, Stuffy Nose of Head Cold FAST

Instantly—the moment you put a few drops of Vicks Va-tro-nol in each nostril—you can actually feel the soothing relief from stuffy head-cold congestion. Relief comes so fast because Va-tro-nol works right where trouble is. It relieves sniffles and sneezes, soothes irritating dryness, opens up cold-stuffed nose and you can breathe again.

JOB'S DAUGHTERS TRIP RECORDED

Echoes of the pilgrimage of the colorful drill team of the local Job's Daughters featured the last monthly meeting of the Bethel which drew a large attendance to the Masonic Temple. Formal reports were presented by Miss Mary McAfee, junior princess; Mrs. L. W. Kergin, as official observer; Mrs. Alex Mitchell, on the supreme session, and Alex Mitchell, on the drill team.

Later, at a social session, Alex Mitchell projected highly interesting moving pictures of the trip to the supreme session which was attended by between 1500 and 1600 Job's Daughters from various parts of Canada and the United States.

Miss Lorna Donaldson, honored queen, presided over last night's meeting.
