Board Convention Urges Repeal of B.C. Liquor Laws

Plebiscite Asked Despite Opposition Within Prince Rupert Delegation

ASSOCIATED BOARDS OF TRADE OF BRITISH COLUMBIA convention here Friday present liquor distribution system in B.C. for lack of effectiveness in consumption of liquor and, by resolution, urge the provincial government to hold a plebiscite on the will of the people concerning the present liquor laws and the proposed amendments.

Vanderhoof's resolution that the Turgeon Highway from Vanderhoof into the Omineca mining country be extended the short distance to Finlay Forks and the north side of the Peace River was approved. Those speaking in its favor were Senator J. G. Turgeon who had been instrumental in the original building of the road with federal aid as an artery opening up gold mining areas.

Among special guests heard at Friday's convention session were G. M. Norris, Vancouver Board of Trade, Major H. Cuthbert Holmes, president of the Associated Boards of Trade of Vancouver Island, Victoria, Thomas Robertson of New Westminster, representing Associated Boards of Trade of Fraser Valley, C. A. Berner, divisional superintendent, Canadian National Railways.

L. C. Stevenson of Prince George, reported on the last meeting of the Pacific Northwest Trade Association.

Friday afternoon a reception was held preceding a dinner meeting where delegates were the guests of the Smithers Chamber and heard an address by Senator J. G. Turgeon.

Ladies of the convention were entertained Friday afternoon by Mrs. Olof Hanson at her Lake Kathryn home. In the morning they were guests of Mrs. R. J. Collison at the coffee hour.

Concluding social function was a dance Friday night at the Smithers Elks' Hall. The convention concluded this morning when four more resolutions were considered, officers elected and next year's convention venue chosen.

There are eighty-seven registered delegates and guests.

NATIONALISTS MAKE BID TO HOLD CANTON

CANTON — Press reports said that the Nationalists have sped strong reinforcements into the mountains less than 170 miles northeast of Canton in an attempt to check the Red's southward rush. Report is probably true because large numbers of troops have been passing through Canton in the last few days.

The loss of Tayu, 170 miles northeast has put the Communists only five miles from the border of Kwangtung Province of which Canton is the capital and the temporary haven of the Nationalist government.

Philippine consular officials arriving at Mania from Amoy said that the big port on the southeast coast appears about to fall.

From the far northwest an official despatch said that Communists had pressed to a point twelve miles southeast of Lanchow before being thrown back. Lanchow is the capital of Kansu province, Nationalist stronghold.

IT'S WINTER IN ARGENTINA

BUENOS AIRES— This city has had its coldest day of the year to date. There was a temperature of 26.24 degrees, ice, uncommon in the Argentine winter, glazed the streets. For the first time in fifteen years there was a snowstorm at Mar del Plata, a fashion resort 200 miles south of Buenos Aires.

1,750 X-RAYED IN FIVE DAYS

A total of 1750 people received x-rays at the two travelling x-ray clinics in the five day period between Monday and Friday, Prince Rupert Health Unit reported today.

Friday's total at the mobile unit which visited Cow Bay and the Fishermen's Co-operative was 242 and at the breakdown unit in the Health building 231 were x-rayed.

Since the two units moved into the city, the mobile machine has x-rayed 738 and the breakdown has handled 1,012.

The breakdown machine will remain at the Health Unit building until the end of the month and the mobile unit will leave next week to visit interior towns.

WOULD REMOVE YULE TREE DUTY

WASHINGTON — Senator R. Baldwin has moved that in future, import duties on evergreen Christmas trees be eliminated. Every season, thousands of trees of his description are imported from Canada.

Oldest Newspaper Observes Birthday

QUEBEC — The Quebec Chronicle-Telegraph is now observing its 185th anniversary. Next month, the Chronicle-Telegraph will formally note that with The Courant of Hartford, Conn. (U.S.A.) it is the oldest surviving newspaper enterprise in North America.

TRADE BOARDS PARLEY CLOSES

SMITHERS — Prince George was chosen as the venue for 1950 convention of the Associated Boards of Trade of Central B.C. by delegates to the 1949 convention which concluded here this morning.

Officers elected at the final session today were: President, George Ogston, Vanderhoof.

First Vice-President, W. J. Scott, Prince Rupert. Second Vice-President, Miss Elizabeth Winn, Juneau. Secretary, Duncan Kerr, Terrace.

Final resolutions included two calling for action by Canadian and American governments in regard to B.C. highways.

One sought continuation of the Whitehorse-Atlin road to Tuleagueh on the Taku River and thence, across the Alaska panhandle to Juneau.

The other sought improvement and year-round maintenance of the highway from Prince George to Prince Rupert and the Haines cutoff and the connection of Haines and Prince Rupert by a ferry service suitable for motor vehicles.

Final endorsement also was given to a resolution urging construction of a landing field at Tugwell Island and a vote of appreciation to Prime Minister St. Laurent for the \$15,000-a-mile subsidy for extension of the Pacific Great Eastern Railway.

The Junior Chamber of Commerce of Smithers and the Fort Fraser and District Board of

FOUR OF THE BEST—Competitors for the title of Miss Canada shown here, from left, are: Betty Brown of Mimico, Ont., and Patricia Bullock of Lethbridge, Alta., in the back row; Norma DuPont, Quebec, and Aldene Markie of Toronto in the front row. (C. P. Photo)

VANISHING LANDMARK—Vancouver's skyline won't look the same when wreckers complete the job of razing the old Vancouver Hotel, long a city landmark. It is expected that demolition of the huge building, begun three months ago, will be finished by mid-October. (C. P. Photo)

FINNISH LABOR FACES SPLIT

HELSINKI — Finland's central trade union federation has acted against the Communist union's growing offensive. It ordered them to cancel the strike call or face expulsion.

ESCAPES SERIOUS INJURY IN FALL

Walter S. Bird, employee of the British-American Oil Company, was taken to the Prince Rupert General Hospital yesterday afternoon in the ambulance after having fallen from the dock on to the deck of the boat Merle C.

Mr. Bird was alone at the time of the accident which occurred when he was fueling the boat. In spite of the fact that

EARL JOHNSON COMMITTED ON MURDER CHARGE

Earl Johnson, 34-year old Nanaimo fisherman was committed for trial this morning by Magistrate W. D. Vance following his preliminary hearing on a charge of murdering his brother, Vivian (Vic) Johnson aboard the seine boat Izumi III here on August 13.

Vic Johnson, skipper of the vessel was shot to death with a .22 calibre rifle in the forecastle after he had ordered another brother, Clifford, from the boat in a family quarrel.

The tall Negro will come up for jury trial at the fall sitting of the Assize Court here September 26.

His committal followed a preliminary enquiry in which Mrs. Jenny Johnson, wife of the slain man, told how she had seen the shot fired and her husband slump to the floor and die within a matter of seconds.

According to witnesses the quarrel which preceded the shooting had its immediate beginning when Vic Johnson objected to Cliff and Michael Patrick (Mickey) Dolan, another crew member and a brother-in-law of the Johnson boys, bringing liquor aboard the Izumi III.

Witnesses testified that Vic Johnson also had accused Clifford of trying to claim the attentions of his wife who was cook aboard the fishing boat.

The hearing, which began Friday afternoon, was conducted by Crown Counsel T. W. Brown. Mrs. M. Willa Ray, acted in behalf of the accused man.

Dr. J. A. Macdonald, autopsy, testified that examination of the lung cavity where the bullet came to rest showed that in addition to the .22 calibre slug, there was a .38 calibre bullet lodged near the lung.

RAID ON CARNIVAL RESULTS IN SEIZURE OF CAR, OTHER PRIZES

WILL TAKE CASE TO SUPREME COURT ASSOCIATION LEADERS SAY

VANCOUVER (CP)—Four officials of the West Point Grey Community Association were served with summonses on charges of conducting a lottery. The charges followed a police raid on the Carnival on Wednesday in which an automobile and other prizes were seized.

Officials of the association announced that they will fight the case and take it "to supreme court" if necessary.

In addition to prizes, tickets with stubs, printers' forms, and other printed matter were seized in the raid on the printing shop. All this paraphernalia is said to have been connected with the draw.

City Prosecutor Gordon Scott, who advised police officials to lay the charge under the Criminal Code, said that he is confident they can make the charge stick. Last year a similar charge was laid against the Kinsmen Club in their draw but the jury decided it was not illegal.

ARMS PROGRAM FIGHT STILL ON

WASHINGTON — The United States government forces bent an uphill fight today to salvage \$1,450,000 foreign arms program which was attacked by services committee.

RESOUNDING DIN ANTICIPATED WHEN CITY, SMITHERS TEAMS MEET SUNDAY

Smithers ball teams, like Bulkley Valley potatoes, are always good . . . and like the ground crop, some years they are better than others. While no report of the quality of the spud harvest is at hand, indications are that the baseball team is up to standard calibre.

When the teams met earlier this season, they divided games and in both cases the winners built up early leads only to have the losers come back to make strong comebacks that just failed. Both games turned out to be slug-fests, though many tight pitching battles have been contested between the two teams. No matter how the games go, the Smithers-Prince Rupert series usually provides the best and most exciting baseball entertainment of the season.

fight with these. I don't need a gun," Mrs. Johnson testified. "Earl loaded the gun. He just held it. When he lifted the gun my husband said: 'Alright, if you are going to fight that way, I'll fight this way, too.'" Mrs. Johnson testified.

Mickey Dolan testified that Ericson, Senkpiel, Carl Spicer, at that time, Vic said: "Jenny you don't want me to use this and get my knife."

The knife was one used for cutting fish nets and general work on the boats. It had a short blade.

Dolan stepped between the two men and Vic said: "Mickey you don't want me to use this on you, too," the woman declared.

"Mickey kept pulling on Vic's coat, then Earl fired."

After the shot was fired, Vic slumped against the engine. As soon as Earl fired, I took hold of my husband.

"I asked him if he heard me. He said: 'Look what my brother's done to me. He was sliding down.'"

"As I went down into the forecastle I picked up an axe and when my husband spoke, I went toward Earl. He said: 'I'll shoot you, too.'"

(Continued on Page 5)

TRAINS COLLIDE IN EASTERN U.S.

CANAAN, N.H. — Two diesel Boston and Maine passenger trains crashed head on, on a siding here yesterday. Forty-four passengers were injured but none seriously. Four eastern Canadians were listed. A trainman's error in switching sent the Montreal-bound Ambassador into the southbound Ambassador out of Montreal which was standing in the siding. A wooden milk car behind the engine was smashed to matchwood and took most of the shock.

The House of Representatives. The latter body slashed the budget in half. The funds were meant to supply members of the Atlantic Pact with arms.

However, observers said that it seemed unlikely that the Democrats would be able to muster a majority in the Senate.

foreign relations and armed services committee.

PLAYERS EXPECTED TO BE ON HAND FOR THE SUNDAY GAMES

include Jack and Gordie Hetherington, Goodwin, Norm Klipatrick, Bill and Archie Leach, Cliff Emerson, Senkpiel, Carl Spicer, Spike Arnold, Bob Fowler and possibly the Giddings brothers from Telkwa.

The local squad will be virtually the same as the line-up that was ready to repel the Ketchikan invasion last weekend. Dave Abel is hobbling around on a badly sprained ankle and is unlikely to be ready for Sunday. However, Herb Morgan is ready to go the eighteen innings and he will undoubtedly fill the bill in the capable Morgan manner. Both Letourneau and Rosedale have had a longer lay-off than they would have had last weekend for the Ketchikan series so they should be in top shape.

Starting time of the evening game has been set back to 6:30 to avoid conflict with eating habits. However the contest will be called promptly to allow the visitors to get an early departure for home.

Tides table with columns for August 21, 1949 and times for high and low tide.

## Weatherproof Publicity

THE VICTORY of the Prince Rupert Job's Daughters' drill team at the international competitions at Spokane Thursday night was a notable achievement which sent a wave of pride throughout the city. Without question, it was the major conversational topic of the day and it is this reaction which brings up an interesting point.

Detractors from Prince Rupert base their unpleasant comments almost completely on the weather, which even the most ardent Rupert booster must admit, strains the patience at times. But rare, indeed, are those who can find cause for disliking the people of this city.

After all, it is the people that make a community, not the weather, and such achievements as that of the Job's Daughters are forcible factors in letting those in other parts of the world know just what we are like and what we can do. A spell of fine weather certainly does no harm, but it has not nearly the publicity value of a triumph such as that group of girls has achieved.

The Job's Daughters' triumph is another trophy in a growing list of accomplishments by which local groups and individuals are bringing fame to the town. To Mr. and Mrs. Alex Mitchell and others who made it possible and to the girls themselves should go heartfelt appreciation.

If Prince Rupert people continue to accent excellence of accomplishment both at home and while away, the right kind of weatherproof publicity will follow.

## SEES BATTLE BETWEEN REDS AND CHURCH

PORTLAND, Ore. (AP)—Sen. J. Howard McGrath, National Democratic Chairman, asserted that the time has come for Catholics to rise up as a "church militant" in a battle for Christianity and Democracy. "Only the bold offensive wins," the Rhode Island senator said in a speech prepared for delivery at the supreme convention of the Knights of Columbus.

He referred to Democracy's troubles throughout the world, and warned, "In Europe and Asia the old barbarities are reappearing with a new scientific vengeance."

But the United States has a problem, too, he continued. McGrath called it "Crass Materialism, which would elevate and glorify sense and sensuality, above spirit and conscience."

As a result "piety and patriotism alike demand a re-minting of the coinage of our Christian civilization," he said.

This cannot be done "by affecting a sly piety or some sentimental vaporing," McGrath advised. It must be accomplished "by example and a determined manly application in the manner of St. Paul—resolute and muscled in character," he said.

## VETS HONOR DIEPPE SHRINE

PARIS—Thirty-two veterans of the battle of Dieppe, representing various Canadian military units, Friday took part in the ceremonies at Dieppe in memory of the engagement fought there, August 19, 1942.

The veterans arrived in Paris August 16, where they met Canadian Embassy officials. There was a special ceremonial at the Arc de Triomphe. Today the party will return to England where, Saturday and Sunday they will have the opportunity to renew English acquaintances. Principal centres from which the members of the detachment were drawn are: Montreal, Toronto, Hamilton, London, Windsor, Winnipeg, Regina and Calgary.

Derailment of a freight train on the McBride subdivision of Canadian National Railways, east of Prince George will cause tonight's passenger train from the east to be eight hours late. Thirteen freight cars went off the rails.

"And if we Catholics must stand alone in that battle—far better the valiant few than the indifferent many. The Spartan advice still holds: 'If thy sword is too short stay close to thine enemy,'" he urged.

# Services in the Church

## DIRECTORY

Services in all churches at 11 a.m. and 7:30 p.m.; Sunday School at 12:15 except as shown.

**ANGELICAN CATHEDRAL**  
4th Ave. W. at Dunsmuir St.

## SATURDAY SERMON

### MOST IMPORTANT

(By Archdeacon E. Hodson, St. Peter's Church)

Amos 5, 24: "Let justice roll down as waters, and righteousness as a mighty stream."

Justice and righteousness are more important characteristics in a people than ritualistic practices and church attendance.

Amos, the prophet, whose words head this sermon, is speaking to a church-going, outwardly religious people.

But Amos noted that these seemingly outwardly religious people were oppressing the poor, taxing them beyond their means.

The prosperous dwell in homes of hewn stone, while the workers housed in hovels.

Judges accepted bribes and the needy could not get justice.

These evils were not occasional but were widespread. And Amos stands up to rebuke the hypocrisy of it all.

The prophets' remedy was that a change in character was necessary to remedy the condition. He felt that the men themselves were the real problem.

It would be useless to attempt to change conditions unless the man himself was changed. "It is not the sty that makes the pig but the pig that makes the sty." Social reform depends upon personal reformation.

A merely formal religion is no use. It may leave the character strictly unchanged. The Nobles of Israel whom Amos condemned were very religious outwardly, they attended religious feasts and took part in Solemn Assemblies. They were generous with burnt offerings and meal offerings. They would sacrifice fat beasts as peace offering. Yet their religion only touched the surface of their lives. Aquisitiveness was their driving motive.

This ancient characteristic has lasted down to our own day and generation.

The acid test of religion is not ritual and sacrifices, but the attitude of one's heart. Israel's leaders might count up the total annual expenditures for ceremonies and sacrifices out Amos demanded that their religion show its fruits in integrity of purpose and kindness of heart. "Let Justice roll down as waters and righteousness as a mighty stream."

Throughout the religious history of the world we constantly see these two extremes, religion without morality, or morality without religion. Neither extreme is safe. Morality will endure only if supported by strong religious convictions. Religion will be respected only as it shows the fruits of upright living. True religion will show itself in deeds of justice and

righteousness. To Amos, lavish expenditures for religious rites were a mockery when the poor were losing their homes and forced to go bare-foot.

The demand of Amos was that justice roll down like waters, and righteousness like a perennial stream.

This Justice is a social rather than an individual quality.

It is respect for personality, fair play between man and man. To live according to this ideal is to render true service to God. Jesus linked up love to God with love to our neighbours. Our service to God is judged by our attitude towards our fellow man. Incense, stained glass windows, and soft music can never take the place of honesty, fairness and sympathy, in our personal relationships.

"Let justice roll down as waters, and righteousness as a mighty stream." We need it in our own day and generation.

Local friends have recently heard from Mr. and Mrs. Alex Finnie, pioneer residents of Prince Rupert, who, about a year ago, moved to Fraser Valley becoming re-established at Chilliwack. They are well, have a fine garden and have not forgotten Skeena and the north.

**THE WEATHER**

**Synopsis**  
Moist air covers British Columbia and it has been cloudy along the coast. Some rain has fallen in the North Coast region but not as far north as Prince Rupert where the temperature reached 69 on Friday afternoon. The southern interior valleys have been sunny and warm while other parts of the province east of the coast range have had cloudy skies with temperatures near the normal values for this time of year. Little or no change is expected in most regions today or Sunday. Regional forecasts valid until midnight Sunday.

**Forecast**

**North Coast Region—**Cloudy today and Sunday. Little change in temperature. Winds light. Low tonight and high tomorrow at Port Hardy 52 and 65, Masset 50 and 60, Prince Rupert, 52 and 65.

**TO WHOM IT MAY CONCERN**

Kindly address all mail for the Belgian Vice Consulate in Prince Rupert to the Belgian Consul, Mr. L. J. Dupuis, P.O. Box 1043, Vancouver, B. C., until further notice. (195)

**AID RUSHED TO TWO VESSELS**

**HALIFAX X**—Rescue ships ploughed through high-running seas last night toward two vessels crippled by vicious Atlantic storms.

The 4,200-ton Panamanian freighter Evgenia V flashed an SOS from her position 80 miles southeast of Halifax today. Her steering and emergency gear were both gone and she was drifting helplessly in heavy seas.

The rescue tug Foundation Josephine raced out of Sydney, Nova Scotia, to aid the vessel and at the same time the Canadian destroyer Iroquois steamed out of Halifax. The Iroquois is expected to reach the Evgenia tonight. She will stand by until the Foundation will arrive on the scene some ten hours later.

Meanwhile a United States Coast Guard cutter bucked through rain and wind towards the crippled Baltic refugee schooner Amanda which had low food and water rations. A newborn babe and the mother on board are in serious condition. (195)

**AIR CADET HEAD**—Col. D. A. Ross of Vancouver, right, president of the Air Cadet League of Canada, is shown talking over progress of the organization he helped found nine years ago. Col. Ross chatted with Eric Duggan of Edmonton during a recent visit to the Alberta capital where he welcomed 12 United States air cadets on a tour of western Canada. (C. P. Photo)

## SPORTS

### 25 Years Ago

W. M. Brown and W. Brass each scored 85 and were high men at the weekly shoot of the N. B. C. Regiment at McNichol Creek.

The first of the two-game football series at Ocean Falls between Ocean Falls and Prince Rupert representative team resulted in a 1-1 draw while the Ocean Fallers won the second game by one goal to nil. McDougall was the scorer for Prince Rupert after good combination between Erskine, Warren and himself.

The Prince Rupert representatives were S. Gawthorne, O. K. Lord, J. Marks, P. Cameron, W. Murray, F. Hunter, J. Andrews, E. Warren, S. Erskine, McDougall, A. Mitchell, G. P. Tinker, Kelsey and Westwood.

Accompanying the team as spares were H. Astoria and W. Lambie. Fred Roberts was manager and refereed one of the games. The popularity of the game in Ocean Falls is shown by the fact that 1200 people watched each match.

**MURDER SUSPECT**—Police throughout western Canada are hunting for Donald Winslow Henderson, 35, in connection with the slaying of his attractive, dark-haired fiancée, 24-year-old Yvonne Levesque of Pincher Creek, Alta., at an east-end Calgary auto camp. This picture of Henderson was taken in 1945 when he served in the Royal Canadian Electrical and Mechanical Engineers. He is a graduate in mechanical engineering from the University of Saskatchewan.

## BATTERY HOLDS UNBEATEN RECORD, DOWNS MOTORS IN MOBLEY CUP

**BATTERY 2, MOTORS 1**  
Last evening's football game in the MMobley Cup between the Heavy Battery and the General Motors provided another exciting and hardfought battle with the Battery maintaining their unbeaten record in the competition by winning by two goals to one. The Battery were without their sharpshooting centre forward Nick Pavlikis but Darrow Gomez took over the shooting chores and scored two good goals for the gunners. Pat Wilson got the Motors' solitary goal on a pass from Bob Currie.

Both teams were short at the start. Parkhouse and Ward began an offensive that was turned back by Lien. Then John Wilson cleared effectively but Parkhouse and Ward attacked again and Boulter did a good job in intercepting and clearing Ward's cross. Bishop and Joe Ward combined nicely for Motors. Darrow Gomez broke up an attack and from his pass Billy Gomez drove wide. Owens centred but Dunbar returned the ball. James and F. Gomez relieved pressure by the Motors.

Then Owens, Bishop and Price indulged in a beautiful bout of passing but Dunbar cut in and cleared. Halverson sent in a good long shot. Veitch did well to block Bishop's hard drive. Parkhouse broke through but Boulter cleared at expense of a corner. John Wilson again blocked an attack and cleared well. Morgan stopped a hard drive by Bishop. Battery were now at full strength. Dunbar crowded Pat Wilson out.

Parkhouse shot wide from Vuckoviche's centre. Pat Wilson made a clever run and centred well but his inside men were not up. Bob Currie now came on and made the Motors team up to ten players. He immediately crossed a dangerous centre. Parkhouse made a good run and Boulter saved on the line. John Wilson took a fine free kick. Mazzone was prominent. Pat Wilson and Owens made a neat run but Owens finished weakly and a good chance was lost. Morgan then caught a tricky cross from Pat Wilson and Boulter saved a grand shot from Darrow Gomez.

On resumption of play Parkhouse was dangerous as Battery pressed. Bob Currie made a good run but Dunbar cleared. James cleared his lines. Bishop was very clever and crossed a fine centre but no one connected. Boulter was very alert to catch a tricky header from

Darrow Gomez who nearly converted a good free kick taken by Frank Gomez. Joe Ward and Currie were good. Lien blocked Parkhouse at the expense of a corner.

Vuckovich took the kick and Darrow Gomez was on the spot to put the Battery a goal up. Veitch and Dunbar checked the Motors and then John Wilson was too good for Darrow Gomez. Currie had a good chance but shot weakly. Owens went close from Bishop's pass and then Motors had a lucky break when a shot from Darrow Gomez seemed to beat Boulter but came back into play and the claim for a goal was disallowed. Back came the Motors and Bob Currie persisted in following up a loose ball which he crossed off the byeline and Pat Wilson converted with a neat shot to tie the score. Mazzone sent his forwards ahead but John Wilson and Lien cleared. Joe Ward was very clever. Parkhouse's good shot was well saved by Boulter and then Battery staged an attack that had the Motors' defence in a rare tangle. The ball hit the crossbar, it bounced off players and there were miskicks but finally the attack was repulsed. Morgan fielded a shot by Price and Bishop headed away a dangerous centre by Darrow Gomez.

Pat Wilson made a clever run and crossed a beauty but neither Currie nor Owens could control the ball. Then from a free kick just outside the penalty area, Darrow Gomez put his team a goal up with a well placed kick. Veitch sent back the Motors' and Morgan saved from Owens, but though the Motors' tried hard they were unable to equalize.

Heavy Battery — Morgan; James, Dunbar, Mazzone, Veitch, F. Gomez, Vuckovich, D. Gomez, Parkhouse, W. Gomez, Dave Ward.

General Motors — Boulter; Lien, John Wilson, Halverson, Bishop, Joe Ward, Bob Currie, Pat Wilson, Price, Owens.

S. P. Woodside again handled the whistle efficiently and Sonny Dickens and C. Sunberg were on the lines.

**COMMENTS**—It was a grand exhibition of the game, though there was some loose play at times. Playing once again with only ten men the General Motors put up a great fight. Their defence was very good but though their forwards backed up by Bishop and Joe Ward engaged in some beautiful passing plays they finished weakly. Boulter was again a star. His anticipation is good, he runs out to clear with nice judgment and he clears strongly. John Wilson gave a fine display at back tackling with judgment and clearing to advantage. Lien was hard to beat. Bishop gave a great display of offensive and defensive play at centrehalf. Joe Ward was able to turn out and was a clever constructive player. Halverson again did well. With only four forwards there was a definite weakness. Owens shot poorly. Price was slow. Bob Currie was good in spurts. Pat Wilson played very well at times and his goal was coolly taken.

Morgan was not severely tested but was equal to all but the one shot. James made his first appearance after being on the sick list and did well but it

**HOMEWARD BOUND**—Douglas Moorhouse of Windsor, Ont., packs his gear after attending the fourth World Rover Moot at Skjak, Norway. He was one of 29 Canadian Rover scouts who joined more than 2,400 fellow-rovers of 34 other nations at the week-long moot.

(C. P. Photo)

## Soccer Schedule

- (Mobley Cup)  
Aug. 22—General Motors vs. Canadian Legion.  
Aug. 26—Heavy Battery vs. Canadian Legion.
- (Stuart Shield)  
Aug. 29—Stuart Shield Competition—First Round.  
Sept. 1—Stuart Shield Final.
- (Mobley Cup)  
Sept. 5—General Motors vs. Heavy Battery.  
Sept. 9—Canadian Legion vs. General Motors.  
Sept. 12—Heavy Battery vs. Canadian Legion.

was Ian Dunbar who starred in defence. Veitch did well defending strongly. Mazzone was also hard to beat and his long drives bother the opposition. F. Gomez was a stumbling block. Ward was not so much in evidence as usual and Vuckovich was below form but took a good corner kick. Darrow Gomez was always a threat and got two fine goals. Parkhouse was always a hard trier and dangerous. Billy Gomez showed lack of practice.

While motors and horses have little in common, it seemed last night on one occasion that the Motors team had been collecting horseshoes for it was only with all the luck in the world that they managed to keep the ball out in one spell of attack by the Battery. But for a team that was able to field only ten players they put up a great battle. The Battery were full value for their win. A good shot as Darrow, makes all the difference to a team.

## CENTRAL CITY SPORTS ASSOCIATION SEEN AS NEED FOR THIS COMMUNITY

(Article Two)

In the previous article it was suggested that a central sports committee could perform a useful function, not at present being done by any group, of co-ordinating all outdoor sports activities. Two questions arise at once, namely what could it do and then how could it do it?

In the first place let it be kept in mind that the proposed central committee would not attempt to dictate any policy. It is suggested that it should consist of official representatives of the baseball association, the football association, the track and field enthusiasts and organizations sufficiently interested to support the plan. These representatives would meet early in the spring. At that meeting there could be a representative of the city parks board and the city engineer. The matter of playing fields would be discussed.

There would be ideas about the ground itself, its surface, what could be done to improve and maintain it. A long-term drainage plan could be considered. The need for improved grandstand accommodation, the type and material for such, how

it could be done, what way help; laundry room provision. The matter for scoreboards interiere with be easily seen. The track safely construct jumpers would baseballers are screen, the goalposts a the interested over their dening what there should reach that endorsement none would be From a long community speak with willingness to give full worthwhile Our ground A central city tion could be viding it. **CANADIAN SHIP REQUIRES AID**

VALETTA, Malta (P)—Two Mediterranean fleet vessels have been sent to aid the Canadian Liberty ship Mont Sandra adrift in the Ionian Sea with her propeller lost. A Royal Navy tug Brigand left Malta to stand by after a hurried call while the minesweeper Plucky was also standing by.

**CRIPPLED SHIP MAKES HARBOR**

HALIFAX (P)—One of the two ships crippled by storms off the Nova Scotia coast headed for port at the week-end. The other was waiting help. The Panamanian freighter Evgenia escorted by the Canadian destroyer Iroquois was due in the harbor about noon. She was bound from New York to Halifax when she lost her steering and emergency gear. A tug raced to Scatar Island off the east coast of Cape Breton Island where an 1800-ton floating drydock was beached yesterday after having sprung a leak. It will be refloated.

**EARL JOHNSON**  
(Continued from Page 1)

"I said: 'You'll have to load first.'"

The woman raised the axe, but Tony Silvey stopped her from striking, she said. Then she ran from the wheel house.

Mrs. Johnson said that Earl and Vic were always threatening each other.

Mrs. Johnson went to the Standard Oil dock and telephoned the police. When Corporal Taylor came aboard the boat, the woman struck Earl with the axe, wounding him on the left arm.

As Mrs. Johnson and Corporal Taylor entered the fore-castle, Clifford left the boat through a skylight.

When the shooting occurred, Mr. Johnson and Silvey were in the galley and Clifford and Earl Johnson and Dolan in the fore-castle with Vic.

Clifford Johnson testified that Vic was "after me, no one else" when he drew that knife.

Dolan testified that Vic had accused Clifford of attempting to become familiar with Mrs. Johnson.

Corporal A. H. Taylor of the city police said that Earl had appeared to be "very intoxicated" when he came aboard the boat after the shooting. Corporal Taylor said that Vic was slumped against the engine with the knife in front of him when he appeared.

Crown counsel T. W. Brown called Constable Fred Gibson to the stand. Constable Gibson stated that when he went aboard the Iuzumi III on Saturday evening, Dolan and Silvey were both intoxicated. Cliff Johnson was not on board at the time. Mrs. Jenny Johnson appeared sober. He went on board with Corporal Taylor. Mrs. Johnson was in the galley.

The three went into the fore-castle with Mrs. Johnson leading, followed by Corporal Taylor. On the way down Mrs. Johnson grabbed the hatchet off a seat and went towards the accused who was sitting on a bunk, wielding it in the air.

The accused grabbed her left shoulder. The body of Vic Johnson was beside the engine and the witness had to step over it. A knife lay between the deceased's legs.

Mrs. Johnson said nothing when Corporal Taylor took the axe from her.

In the fore-castle Mrs. Johnson accused Earl Johnson of having shot her husband. Corporal Taylor arrested the accused after Dr. Macdonald said that Vic Johnson was dead.

Witness corroborated statements made by previous witnesses.

Mrs. Ray, defence counsel cross-examined Constable Gibson as to the order in which he, Corporal Taylor and Mrs. Johnson had gone into the fore-castle, also when the axe was picked up by Mrs. Johnson.

Crown prosecutor T. W. Brown then called Sergeant Potterton to the stand. The various steps taken in the arrest of the accused, the identification of various exhibits, the proceedings at the autopsy were reviewed. Sergeant Potterton said that he had known the deceased reasonably well for the last twelve years. He had seen the various witnesses and had spent an hour with Mrs. Johnson. She was sober and at the first, excited. There was no indication that she had consumed any liquor.

Crown counsel recalled Corporal Taylor and cross-examined him with reference to the clothing and the state of the tear in the sleeve. No blood was then visible from the outside. In reply to a question from defence counsel, Corporal Taylor stated, that the cut in the sleeve was "approximately where Mrs. Johnson had hit him in the arm" and hit him hard."

After the summing up by Magistrate Vance the accused said that he had nothing to say. Magistrate Vance then ruled that a prima facie case had been made out against the accused and committed him for trial at the Fall assizes to begin September 26th in Prince Rupert.

At the suggestion of Crown Counsel T. W. Brown Magistrate Dolan Tony Silvey and Cliff Johnson. The magistrate expressed his appreciation of the way in which they had conducted themselves and had appeared for the trial. He was willing to release them in the meantime on their undertaking to be present when the case came up for trial in September. The witnesses gave the necessary undertaking.

**DISCUSS MOOT POINT**—Three members of a 29-man delegation of Canadian Rover scouts put their heads together during the week-long World Rover Moot at Skjak, Norway. Shown here, left to right, are: Gordon Bonney of Hamilton, Bob Bish of Kitchener, Ont., and Jim Webb of Peterborough, Ont. (C. P. Photo)

**TOAST OF THE COAST**—Joan McPherson, whom dazzled west-coast judges named Miss Vancouver this year is one of 30 lovelies who contended for the Miss Canada crown. (C. P. Photo)

**SMITHERS PAIR ARE JOINED IN MORNING RITES**

SMITHERS—A popular wedding ceremony was solemnized at the St. Joseph's Catholic Church on Wednesday when Margaret Mary Dunn, daughter of Mr. and Mrs. J. A. Dunn became the bride of James Ronald Goodacre, son of Mr and Mrs. C. R. Goodacre. Both families are of Smithers.

The lovely morning rite was performed in a floral setting by Rev. E. M. LeRay, O.M.I., of Smithers, assisted by Rev. O. Mohan, O.M.I. of Telkwa.

The bride's wedding costume was a gorgeous, trained white satin gown, low cut and buttoned down the back. Her flowing veil was held in place with a band of orange blossoms and mother-of-pearl. The train was carried by two small page boys, Casey and Dinty Moore. She was given in marriage by her father and carried a white prayer book and bouquet of white carnations and heather. Matron of honor was Mrs. J. Silver, in a rose taffeta gown with picture hat and matching accessories. Bridesmaid was Margaret Le Doux of Victoria who wore a floor length gown of pale yellow nylon with picture hat to match. Each carried a bouquet of Michaelmas daisies and roses.

Attending the bridegroom was his brother Clarence Goodacre. Ken Warner, Walter Watson and Mickey Dunn were ushers.

Miss Cecilia Hibber sang Panis Angelicus at the offertory and during the signing of the register, Carl Spicer sang Ave Maria. Miss M. McDonell was organist.

The ceremony was followed by a wedding breakfast at the parish hall for the immediate families and friends and a reception in the afternoon at the Anglican Hall. The couple left after the reception for a short honeymoon at Kamloops. For travelling, the bride wore a wine-colored gabardine suit with black accessories and corsage of white carnations.

**WED QUIETLY AT UNITED CHURCH**

A quiet informal wedding in the presence of a few friends took place at the First United Church, Prince Rupert, on the evening of August 19, when Miss Ramona Mae Tarlishy, daughter of Mr. and Mrs. Harry G. Tarlishy of Prince Rupert, became the bride of William Andrew Patterson, also of Prince Rupert. Reverend Lawrence G. Sieber, minister of First United Church, performed the wedding ceremony.

Mrs. Myra Gilchrist was matron of honor and John Young, Foxwarren, Manitoba, was the groomsmen.

Following the ceremony, a reception was held at the home of Mrs. Gilchrist when the newly-weds were the recipients of hearty congratulations from their friends.

**DOLLY HAUGLAND SHOWER HONOREE**

Miss Elizabeth (Dolly) Haugland, eldest daughter of Mr. and Mrs. Emil Haugland, who is to be married next week to Pete Murie of the Terrace Hotel, was the guest of honor at a miscellaneous shower at the I.O.O.F. Hall on Wednesday evening.

Taken by surprise the bride-to-be was brought into the hall and seated at a small table, where her mother, Mrs. Emil Haugland, and Mrs. Murie, mother of the future bridegroom were already seated. The table was lovely with a pretty lace cloth, and tapers in crystal holders, flanked a small wedding cake, iced and beautifully decorated.

Numerous parcels, daintily wrapped, were placed in a cleverly contrived "Wishing Well," and handed to the guest of honor to unwrap.

Over sixty ladies were present at the affair, and after the bride to be had thanked those present in a very nice little speech, refreshments were served at long tables, decorated with bowls of gorgeous sweet peas, and dianthus, the gift of Mrs. Claude King.

Hostesses for the happy affair were Mrs. Delma Frank, Mrs. Carmen McIlroy, Mrs. Josephine Harrison, Mrs. Ken Kerr, Mrs. Flo Campbell, Mrs. Eva Pache, Mrs. Pat Judd, Mrs. Doris Finlayson, Mrs. Kay Graaf, and Miss Ina Smith, and Mrs. Edna Cooper.

**TERRACE TOPICS**

E. T. Applewhite, M.P., called in for a brief visit in Terrace while on his way to the convention of the Associated Boards of Trade at Smithers. Frank Skinner was also one of the Prince Rupert delegates calling in for a short while.

Mr. and Mrs. Duncan Kerr, Sam Kirkaldy, Mrs. C. R. de Kergomomieux left on Wednesday afternoon for the Associated Boards of Trade convention at Smithers. Will Robinson and Harry King will be early on Thursday morning. Mrs. T. Fraser also attended the convention, leaving on Wednesday night's train.

## TRADE, CURRENCY REVISION SEEN NEED FOR WORLD PEACE

SMITHERS—With dismal international clouds veering down upon the world, settlement of the problems of currency and trade would be of paramount importance in the composing of the current world crisis and their solution would require the best energies of all the people.

Senator Turgeon stressed the importance of the effective development of the natural resources and the secondary industries of this great new era of a Canada.

He dwelt upon the matter of radio service to central British Columbia and suggested that if the Canadian Broadcasting Corporation should continue in its failure to give adequate service, the district should turn to private companies.

A. M. Patterson, president of the Associated Boards was in the chair at the gathering. Sam Cocker of a Vanderhoof proposed a toast to the ladies with Mayor

Arnold of Prince Rupert responding. W. L. Baker of Ketchikan brought greetings of the Governor of Alaska. C. D. Muirhead of Smithers welcomed the guests and Dr. L. M. Greene replied.

Culminating feature of the evening was the making of a presentation by G. R. S. Blackaby, president of the Prince Rupert Chamber of Commerce, of a handsome desk writing set to E. T. Applewhite, retiring secretary of the Prince Rupert Chamber and M.P.-elect for Skeena, as a token of acknowledgement of his great services as secretary.

Mr. Applewhite replied feelingly, declaring that those who put their efforts and energies into public service would always be rewarded with feelings of satisfaction for such work. It was but a repayment for the privilege of being the citizen of such a blessed land. He hoped that when he went to Ottawa, the "folks back home" would not forget him but would send their helpful criticisms and possibly the odd word of encouragement.

### MAYOR, M.P. CONGRATULATE DRILL TEAM

SMITHERS—Mayor Nora E. Arnold of Prince Rupert and E. T. Applewhite, M.P.-elect for Skeena, both attending the Associated Boards of Trade convention here, sent telegrams to Spokane Friday congratulating Prince Rupert's Job's Daughters on their victory at the international drill team competitions.

PLAQUE ON SS. PRINCESS KATHLEEN

PROUD RECORD OF A LADY—This plaque, situated in the forward saloon of the Canadian Pacific B. C. Coast Steamship luxury cruise ship Princess Kathleen tells the story of her 25-year record in peace and war. The 5,995-ton vessel, which went into the Vancouver-Alaska cruise service in June after reconditioning from wartime service is probably one of the most widely travelled coastal ships afloat. Her specifications and history are briefly recorded on the plaque. The rosettes surrounding the legend names the places she visited during wartime service.

### The Experts Say - -

**Iced Tea**—It sounds like summer but a tall, cool glass of iced tea is the ideal refreshment to serve in the garden of a summer evening. It also is an excellent beverage to serve at gatherings such as weddings, garden parties, bridge club gatherings.

But preparation of 50 glasses can become a problem if the housewife is not used to making such large quantities.

A home-made tea bag should be made by cutting a piece of cheesecloth 20 inches square. Measure 1 1/4 cups of tea into the square of cloth, bring the ends of the cloth together and tie with a long string, leaving plenty of room for the tea to expand. This is enough tea for 50 cups.

When iced tea is being made, fill the bag with 1 1/2 cups of tea leaves. Put this into a large, warmed container and pour over it one-half gallon of furiously boiling water.

When the tea has brewed for 10 minutes, remove the tea bag. Add 1 1/2 gallons of cold, fresh water.

To serve a glass of iced tea, first put ice into a glass, fill the glass with tea and serve with a thin slice of lemon on the side. Add simple sugar syrup to taste.

(Make syrup by heating equal parts of sugar and water together until sugar dissolves.)

**Golden Rules**—Here are five golden rules for tea making:

1. Use good quality tea—it produces better tea and yields more cups to the pound.
2. Bring freshly drawn water to a strong bubbling boil. Over-boiled water or merely hot water will make tea taste flat and insipid.
3. Heat the pot or tea-making receptacle.
4. Measure the right amount of tea—for small quantities, one teaspoon for each person

### A. S. CARTER RITES FRIDAY

Final respects to the memory of Alfred S. Carter were paid Friday morning, service being conducted by Rev. G. E. Sendall at ten o'clock in the chapel of the B. C. Undertakers. The hymns "Rock of Ages" and "Abide With Me" were played by Mrs. Marjorie Smith.

Pall bearers were Noel Jones, James Clark, Thomas Littlefair, E. Marsh, John Kasper and W. J. Raymond. Mr. Sendall briefly, and with feeling, described Mr. Carter's life as a long and full one.

Among those who sent flowers were the Grand Cafe, George Low and W. J. Raymond.
