## DON'T BE MISLED," WARNS ERNEST BEVIN

ERNEST BEVIN TODAY—Premier Angus L. Macdonald of Nova Scotia, fourth appeal as head of Nova Scotia's government. Opinions return of his government.

### Western Seamen May Break Away

**NEW \$80,000 WHARF STARTED**

Construction of an \$80,000 wharf at Seal Cove for the Department of Transport began this morning when the contracting company, Horie-Latimer, drove the first of the creosoted piles which will form its base. The wharf which will be the base for the department's lighthouse tenders, will be situated on the north side of the former Air Force flight apron at Seal Cove and is expected to be completed during the summer.

### New Move In Marine Strike Being Hinted

**Possibly Suggested But Not Confirmed By Trades and Labor President Bengough**

VANCOUVER (CP)—The Vancouver Sun said today that a separate peace between the west coast section of the outlawed Canadian Seamen's Union and the Trades and Labor Congress of Canada is possible. It said that such a development was hinted by Percy Bengough, president of the Trades and Labor Congress of Canada, in a telephone interview. Such action would split the British Columbia section of the C.S.U. from the main striking body led by Harry Davis of Montreal.

The Congress executive has already suspended the C.S.U., which has been striking for four months against eastern ship-owners, without giving reasons. The owners have hired rival Seafarers' International Union members.

There is no strike against west coast owners for the contract with the Union runs to October.

The Sun says the implication is that, if James Thompson, West Coast head, applies for a separate federal charter, he will get it. The newspaper added that Bengough is critical of the Vancouver Trades and Labor Council which last night refused to treat as final, the suspension of the C.S.U.

In Ottawa Bengough told the Canadian Press that it would be possible, under some conditions, for the West Coast section to get a charter from the Congress. He declined to say, however, if there was any likelihood of the 1000-member West Coast branch breaking with its parent.

Meanwhile in Vancouver an S.I.U. crew was put aboard the strikebound steamer Triand while the police patrolled nearby in case of violence. Thirty-four men were put on. Eight had gone aboard before but were beaten up by a band of masked, axe-wielding raiders May 26. Three are still in hospital. C.S.U. pickets withdrew after a Supreme Court injunction.

In Supreme Court Mr. Justice A. M. Manson yesterday ruled that the strike was illegal. He found all contract relations between the Union and eastern owners had terminated before the strike was called. He said that some of the circulars used by the pickets were in contempt of court but declined to send James Thompson to jail for contempt.

Mr. Justice Manson made his ruling in hearing application of the Union to have the injunction against picketing set aside. His Lordship said the purpose of the picketing was calculated to intimidate officers aboard the steamer Seaboard Star. This was inconceivable when contract between the parties was ended.

James Thompson said his division will continue to act on orders of the Union's national office. He made no comment on the suggestion that his body might break with the T.L.C. He said the Union will continue to strike against the Eastern lines as long as it is asked to do so.

### Flash

**ALBERNI THIS WEEK**  
While there was no further word today, the local Department of Transport office was expecting that the lighthouse tender Alberni, now beached at Safety Cove following a mishap in Fitzhugh Sound at the first of the week, might be here by the end of the week for docking. Last word that the Salvage King was standing by the Alberni assisting in patching her up for the trip to Prince Rupert.

**FIRE CHIEF KILLED**  
ST. PAUL—The fire chief and two firemen were killed today in the fall of the wall of a warehouse in which they were fighting fire.

**FIRE ABOARD SHIP**  
MONTREAL—Six firemen were overcome today while fighting a fire in the hold of the Canadian National Steamships Lady Nelson. Little damage was done to the ship.

**RADIOLOGIST DIES**  
VANCOUVER—Dr. C. Wesley Proud, director of radiology at St. Paul's Hospital, died today from a heart attack. He had long been prominent in cancer research.

### China Watches Big 4 Parley

NANKING (CP)—Chinese Communist leaders were reported today to be watching the Big Four foreign ministers' conference as a guide for relations with the western powers.

Failure of the Big Four foreign ministers to ease tensions of the cold war is expected to further strain Chinese Red relations with the west.

Friction is deepening between United States and the Communists. For six months the United States consul general in Red Manchuria has been isolated from all contact with the outside.

Britain is having difficulty getting the damaged sloop Amethyst out of the Yangtze River base. Her crew members aboard are well but bored.

Communists are believed to be demanding an admission from Britain that they were responsible for the Yangtze incident as the price for giving the ship safe conduct downstream.

The mouth of the Yangtze River was closed to navigation today by the Communists who feared it had been mined by Chinese Nationalists. Two ships, one British and one American, are caught by the closing order.

### Atlantic Pact Shield Against Biggest Army

**WANTS TO BRING THREAT TO AN END NOT BY WAR BUT BY EXAMPLE**

Blackpool, Eng. (CP)—Foreign Secretary Ernest Bevin today described the Atlantic Pact as a western shield against the biggest army in the world—Russia's. "It is the largest army, the greatest power in the world, that is mobilized today," Bevin said, "and I want to see that brought to an end, not by war but by example—by remaining firm ourselves."

### NOVA SCOTIA VOTES TODAY

HALIFAX (CP)—Voters visited polling places in slowly increasing numbers today to cast ballots to name Nova Scotia's fifteenth administration since Confederation.

The electors have 96 candidates from which to pick a 37-member Legislature. Both Liberals and Progressive Conservatives have named full slates.

Premier Angus Macdonald is contesting his home constituency of Halifax South to renew a mandate held almost continuously since 1933.

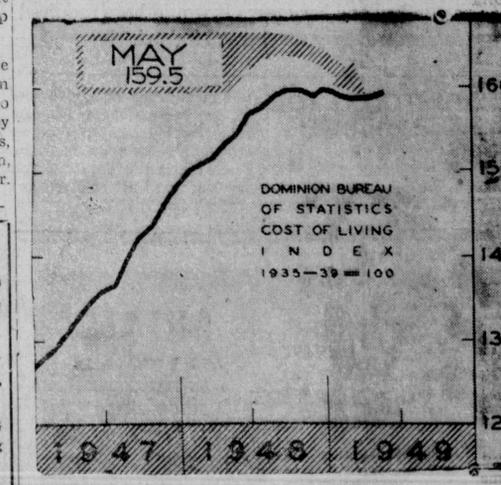

The Progressive Conservative leader is a Halifax barrister, Robert L. Stanfield. The C.C.F. House leader is Russell Cunningham.

### THE WEATHER

**Synopsis**  
The leading edge of another Pacific disturbance was moving inland over the British Columbia coast this morning. Rain now falling on the exposed areas of the west coast will become showery during the forenoon and scattered shower activity will spread to the interior during the day afternoon. Temperatures will be somewhat lower than those of the past few days. Although unsettled weather is expected to continue into the next 24 to 48 hours, tomorrow should bring considerable improvement to most regions.

**Forecast**  
Queen Charlottes and North Coast—Overcast with rain this morning, becoming cloudy with showers during the afternoon, widely scattered showers tonight and Friday. Winds southeasterly (25 mph) shifting to southwesterly and decreasing to 15 mph by early afternoon. Little change in temperature. Lows tonight and highs Friday—At Port Hardy 47 and 57, Masset 45 and 55, Prince Rupert 45 and 57.

**Baseball Tonight**  
**ROOSEVELT PARK**  
6:30 P.M.  
Commercial vs. Merchants

**LIVING COST RISES**—Canada's cost-of-living index continuing its upward trend of the last two months climbed another fifth of a point during April to reach 159.5 as of May 1. It rose one-tenth of a point during March to reach 159.3. The increase in April was attributed by the Dominion Bureau of Statistics to seasonal rises in the cost of foods. (C. P. Photo)

### TEACHER REPLACEMENT, PUPIL INCREASE ARE BOARD PROBLEMS

Replacement of at least a dozen elementary school teachers and provision for what may be an unprecedented flood of new primary students are problems of the School Board prior to the opening of the school term in September.

Last night the Board received with regret resignations of eight elementary school teachers and two from Booth High School. It considered applications for two at Booth and one on elementary staff.

Replacement of at least a dozen elementary school teachers and provision for what may be an unprecedented flood of new primary students are problems of the School Board prior to the opening of the school term in September.

According to Mr. Chell, Borden Street, which had an initial enrolment of 218 last September, is expecting 242 pupils when the 1949-50 term opens. Conrad Street, which opened last

### PULP AND PAPER WAGE RATE SAME

VANCOUVER (CP)—British Columbia's 5,000 pulp and paper workers will get the same basic wage as last year. Under a new contract signed, their wages were pegged at \$1.06 hourly. The Union, however, received concessions in working conditions, including two additional holidays with pay and two weeks' vacation with pay after three years service.

### EXPLOSION AND FIRE

ST. FERDINAND, Quebec (CP)—Three men suffered serious injuries and fifteen were treated for cuts, bruises in an explosion which rocked this village. The explosion came during a fire and splintered to matchwood a large frame dwelling of Theodor Tanguay, aged 55, one of the injured. It is believed that dynamite, which was stored in the basement of the home, caused the blast. Pieces of the house flew 500 feet into the air.

SO MAGNIFICENT—So badly damaged in stranding outside of Halifax, she will be out of commission all summer to undergo repairs.

### CANADIAN AIR SERVICE BEST

REGINA (CP)—Progressive-Conservative Leader George Drew, speaking in Saskatchewan, again said that the aim of his party was to make the nationally-owned Canadian Broadcasting Corporation and TransCanada Air Lines more efficient. Canadian air services should be operating all over the world because the country produces the best pilots and air crews.

### INCIDENT ON NAVAL SHIP

OTTAWA (CP)—A naval spokesman said today that a "court signal" had been received at headquarters reporting a short-lived "incident" aboard the frigate Swansea at Halifax. The spokesman said that the incident, which involved eight young seamen, were investigated "on the spot" by the executive officer and Lieut. G. P. T. Dawson of Montreal, the commanding officer. Seamen had failed to immediately resume work when piped to do so. They, however, took up their duties after the executive officer had spoken to them.

## Labor Conference

ALMOST ALL MEMBERS of the British government are at Blackpool this week to take part in the annual Labor Party conference. Conference debate will be of critical importance in deciding the shape of the Labor Party election manifesto for the next general election. The conference will not be able to amend "Labor Believes in Britain," nor to vote on it but the trend of the debates will guide the national executive committee of the party who will be responsible for drawing up the final election manifesto after the conference—though it will not be published until the election is near.

This year's Labor Party conference is the largest ever held. The 1,480 delegates are 100 more than the record attendance last year. The delegates are fairly evenly divided between Trade Union representatives and local party representatives. There are 68 trade Unions affiliated with the Labor Party sending 548 delegates, and 570 constituency parties sending 588 delegates. Other delegates represent the co-operative organization and Members of Parliament and adopted general election candidates also can attend. If there is any voting at the conference the opinion of the large unions is liable to be decisive because on a "card" vote the vote of each delegate varies according to the number of members he represents, and the bulk of the Labor Party membership is in the trade unions.

Though this need not be the last Labor Party conference before the general election (which must be before the five years term of this Parliament expires on August 1, 1950) it is certain to have proven a decisive conference so far as its effect on election policy is concerned. It is not, therefore, surprising to learn that 300 journalists representing papers in the United Kingdom, the Commonwealth and many foreign countries are in Blackpool this week.

## NEED FOR COASTGUARD

IT IS A LUCKY THING that the lighthouse tender Albemni sprung her leak at the first of this week in an inside channel like Fitzhugh Sound and not, say in the middle of Queen Charlotte Sound, Hecate Straits or Queen Charlotte Islands which she so often frequents in the course of her duties. Otherwise, it might have been a major disaster involving thirty men, most of them well known and long standing family people of Prince Rupert. Indeed, the incident of the Albemni might have been a much worse thing. Comparatively, it was not a very serious affair.

Maritime interests, appropriately enough, cite the incident of the Albemni as another instance of the need of an adequate coastguard service in these British Columbia waters. Two fish boats aided the 159-foot steamer in getting from Clarke Point, where she encountered her difficulty, and towed her from Calvert Island to Safety Cove. It does, indeed, seem to be a disgrace that shipping off the British Columbia coast should depend upon passing fish boats for such service. Had the Albemni suffered her trouble at some less fortunate place, it would have needed more than a couple of fish boats to rescue her and her crew. It would have required a strong and speedy coastguard indeed.

**HEADSTONES FOR 375,000 SOLDIERS**  
HEADSTONES FOR LONDON—Supply and erection of 375,000 headstones for the graves of 375,000 Common-

wealth fighting men who died in the Second World War are being carried out. The graves are all over the world, including Canada and the United States. The work will not be completed earlier than in 1953.

## Ray Reflects . . . . . . and Reminisces

Welcoming settlers to Terrace recently, Hon. E. T. Kenney, said there had been a time when he knew every man, woman and child in the community, but now, so great is the influx becoming, he had to confess he was almost beginning to feel like a stranger himself. We know the feeling. Take Prince Rupert for example. How many, here forty years ago, are still up and around. Not so many, and of those who are, few feel like hiking a mile as a breakfast appetizer. And like enough you will look around a while to find a familiar face anywhere.

There's one thing about all this fine, new big hotel that perhaps you have given no thought to. Eight stories will completely cut off the view of citizens who like nothing better than stand on the plank sidewalk of Second Avenue between Third and Sixth Streets, point at the harbor and argue about the name of some unfamiliar looking boat coming up the bay, about half way across.

A swanky swimming pool, and up to the minute administration information bureau, each to be built of pink granite will stand in Jasper Park. Thus, a famous holiday resort will become even more attractive as well as allowing a gracious concession to the play of public

opinion. Pink can make such a cool, subtle, reasonable appeal.

Letters, articles, the spoken word and the screen, all more or less reflecting on the press, continue to come and go but where is the sense in being resentful? Now here's another little yarn about the clergyman who, leaving home on a lecture tour asked the raw young reporter not to publish what he said—for this might spoil attendance at other meetings. Next morning, he read: "Rev. — told some excellent stories, but, unfortunately, they cannot be printed."

Frank Ellis of West Vancouver is looking for a photograph of the flying boat that carried Wolfgang Von Gronau and two companions on his world flight in 1932. It would illustrate a story on outstanding flying in Canada and Newfoundland. Von Gronau was in Prince Rupert, and a picture of him was taken as he walked from his plane at Seal Cove that August afternoon, to drive into town. Included in the "snap" are two other figures, the late John Dybhavn and W. J. Raymond, local newspaperman.

During the latter part of the present month, the Canadian Ophthalmological Society, the Obstetrician and Gynaecologist Society, and the Canadian

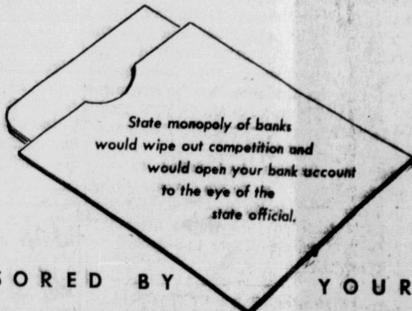

in strictest  
confidence...

THAT'S THE WAY you want your money matters handled. That's the way your bank handles them.

When you deposit money, cash a cheque, make a money transfer, arrange a loan, you want it done speedily, efficiently . . . and above all, confidentially.

It is only natural that your bank should work that way for you, for privacy is traditional in Canadian banking. In any case, the competition of other banks assures it.

Canada's ten chartered banks — competitive, efficient, private — provide for millions of customers a service unexcelled in the world.

## Letters to the Editor

### LETTER FROM PREMIER DOUGLAS

Editor, Daily News:  
Having read a recent interview in the Daily News with P. J. McCormick, while on a visit to the city, I took the trouble to send a copy of the paper to Premier T. C. Douglas of Saskatchewan. I thought Mr. Douglas' reply might be of interest to you and the people of Prince Rupert and so I am suggesting that it might be fair for you to print it:

"Dear Mrs. McCarthy: Thank you very much for your letter of May 18th and for sending me copy of the Prince Rupert Daily News containing an attack on the Saskatchewan Government by P. J. McCormick."

Otolaryngological Society will hold their annual conventions in Jasper Park. It's "hard to see what a beautiful place like Jasper has ever done to deserve this."

Today's vote in Nova Scotia will give at least some indication of what kind of a bearing balloting in Newfoundland can have on voting in P.E.I., N.B., Que., Ont., Man., Sask., Alta. and B.C. And we may as well throw in Yukon. Meanwhile, all stout partisans are at liberty to take what comfort they can from whatever Evangeline says tomorrow.

"The Crown Corporations, far from losing money, made \$3,500,000 last year and \$5,000,000 the year before. Our hospital scheme is cheaper than that of British Columbia since adults are required to pay only \$10.00 per person instead of \$15.00. "The Government, far from losing support in the last election, got 25,000 more votes in 1948 than it did in 1944.

"Car insurance, contrary to being unpopular, has sufficient public approval that both the Liberal and Conservative parties in the campaign last year promised to retain it if they were elected to office.

"There is no more truth in Mr. McCormack's statement that people are leaving the province by the thousands than there is in any of the other statements he has made. I have had clippings sent to me from a great many British Columbia newspapers and the same vicious attack on the C.C.F. Government is being made through-

out the province. I am sending you under separate cover a copy of the 1948 Progress Report. I think some of the information it contains will be of value to you.

"Thank you very much for writing me in this connection. Yours sincerely,  
"T. C. DOUGLAS."  
Thanking you for the courtesy of your space,  
Mrs. Robert McCarthy.

### SHOCKED BY CEMETERY

While passing through your city this week I visited your cemetery to look at the grave of a relative.

What I saw in your cemetery is beyond writing. I mean, who looks after it? Do the people of Prince Rupert pay regular rates to the city for the upkeep of the cemetery? If so, there must be something the matter with their heads to stand for such treatment.

Thanking you, Mr. Editor, and hoping this will start a movement for a dry, respectable and tidy cemetery for Prince Rupert.  
(MISS) BOBBIE RITCHIE,  
Prince George.

Lutheran tea and home cooking, June 11, Saturday 2-6. Delicatessen table, lutefish, fish-cake. (135)

Mrs. George Stanbridge and daughter are sailing tonight on the Prince Rupert for a trip to Vancouver.

Mrs. E. W. Becker returned to the city by air Wednesday from Vancouver where she attended a meeting of Parent-Teacher Association representatives.

The Canadian Legion Ladies' Auxiliary wishes to announce that the "Bring the Missus Night" will be Friday, June 17, and not June 15. The tea at the home of Mrs. Charles Anderson, June 22, is in aid of furnishings for the new building. Decoration Day Parade, June 19, 2:30 p.m. (1t)

Mrs. George Phillipson and son Rodney left Wednesday on the Princess Louise for Vancouver enroute to Montreal.

Of the strangers that keep arriving in Prince Rupert quite a proportion are here on the off-chance of finding employment, but locating the job is not always successful. Quite a few hail from the prairie provinces.

G. R. S. Blackaby, president of the Prince Rupert Chamber of Commerce and manager of the Bank of Montreal was able to leave Prince Rupert General Hospital yesterday after a brief sojourn but will be going back in again this evening for another short stay. Having been unwell of late, he is receiving a general check-up.

Sheriff M. M. Stephens, accompanied by his daughter, Mrs. Olson and her daughter, Polly, are home from a motor trip that took them as far east as Er-dako. The drive was found of much interest. The Skeena Highway was, on the whole, in good shape and the weather fair.

NEW ATOMIC ENGINE FOR SHIPS—Revolution on the high seas is a fair description of what will happen in the near future if a project to build an atomic power plant for naval ship propulsion is successful. A contract has been let by the U.S. navy and the job is under way. Problem of producing an atomic "fire" without flame has been solved and the question now is how to develop metals able to resist atomic reaction, corrosion and intense temperature. Ships of the future may look like the artist's conception above.

# DISTRICT NEWS

## OLD CHURCH FOR SCHOOL

Purchase of the old Catholic Church at Port Essington for conversion into a classroom building was approved by the Prince Rupert and District School Board last night after church authorities had accepted the Board's offer of \$1,500. The two-storey structure will provide two classrooms to take care of the 40-odd children at the Skeena River settlement as well as a teacherage on the second floor. It will replace buildings which have become inadequate since white and Indian schools were combined under the Prince Rupert school district. Use of the former church will involve renovation and repair work which was turned over to the Board's building committee for attention.

## GOOD SUPPORT FROM INTERIOR

After successful meetings at such interior points as Cedarvale, Woodcock, Hazelton, New Hazelton, Smithers and Telkwa, Te Applewhite, Liberal candidate for Skeena in the forthcoming federal election, is returning to the city by motor today from the interior, accompanied by W. M. Watts. Particularly encouraging were the meetings at Hazelton, Telkwa and Smithers. There were large and sympathetic audiences. C. P. Bussinger was the chairman at Telkwa on Tuesday night while Len Evans presided at Smithers last night. Mr. Watts took the platform at Smithers in support of Mr. Applewhite. Goodly numbers of ladies attended the meetings.

## MRS. NEWELL IS HONORED AT PARK FETE

STEWART—The Women of the Moose gave a birthday party to Past Regent Mrs. W. L. Newell at her home. The party, which was a surprise to Mrs. Newell, was a thoroughly enjoyable one both to the honored guest and the others. It was held after the regular meeting of the Chapter last Thursday. Nomination of officers for the ensuing year resulted as follows: Senior Regent—Mrs. D. Geddes. Junior Regent—Mrs. J. McKay. Chaplain—Mrs. H. Rozare. Treasurer—Mrs. H. C. Bennett and Mrs. G. Kustas. Recorder—Mrs. W. R. Tooth. The election will take place at next regular meeting and the installation at the following meeting. Miss Juanita Hawkins was chairman of the Chapter night program which followed.

## News of Francois Lake

Peter Reed returned from Vancouver and brought four purebred Jersey cows with him from the Tweed Ranch. Mr. and Mr. W. J. Hickey and their nephew Joe Hickey, of Kinmount, Ontario, are visiting here with James Hickey. They came by car and took thirteen days of travelling. Mr. and Mrs. W. E. Funnell

## EMPIRE DAY AT STEWART

STEWART—The Stewart Branch of the Canadian Legion celebrated Empire Day with a whist drive and dance in the Canadian Legion Hall. There was a good turn out and everyone had a good time. Music was supplied by Mrs. A. L. Behnson on the piano and Billy Orr on the drums. Sam Kirkpatrick was master of ceremonies of the old time and square dances. Mrs. R. Sharpe won the ladies' first prize, the consolation prize going to Mrs. Don Norton. George Nelson was high man and Sam Kirkpatrick won the consolation prize. Three items were raffled. An electric record player went to Mrs. J. Stewart. A set of wine glasses was won by Bill Kilroy of Hyder, Alaska, and a set of table knives by Master Ralph Sharpe. J. Bouzek was master of ceremonies of the whist drive. Lou Behnson assisted with the dance and J. P. Garlick looked after the supper, the materials for which were supplied by the Women's Auxiliary. Sports for the children took place on Tuesday.

Bill Ablitt and Len Ferguson of Vancouver are spending a few weeks here fencing and doing other work fixing up his farm. It was formerly the Atkinson farm.

Activities died down at the Landing after the Yarrows men left, but are resuming again with the work going ahead on the enlarging of the wharf. The pile-driver is now placed on the deck of the new ferry ready to

# Re FRESHing!

THEY'RE CHAMPIONS IN THEIR CLASS—Grand champion beef steer at the Saskatchewan winter fair held in Regina was the shorthorn animal pictured above. Owner and exhibitor of the steer was Walter Clark of the Greenhaime Farm, Inchkeith, Sask. Judge Dean J. W. G. MacEwan, of the University of Manitoba, said the steer was "as near perfect an animal as could be found." They don't come any better at the Toronto Royal, he declared. The steer sold for 90 cents a pound at the fat cattle sale.

**THE MORE YOU KNOW ABOUT WATCHES . . .**

the more likely you will be pleased by what we have to show you.

Our showing represents the highest skill in watch construction.

We sell watches that stand for year-in and year-out service. Should last for 20 years or longer.

And yet in spite of all this our prices are no more than other places in Canada.

We handle the famous Waltham, Hamilton and Elgin as well as the other well known makes.

The prices run from around \$30.00 to \$90.00, and the tax is off.

My roof leaked like a sieve

\*DUROID fixed it like this . . .

First—to aid in determining the required quantity—we checked our roof for size.

Then—my wife and I visited our local Sidney Dealer and viewed DUROID samples for color. She chose red. I picked green. That's right—the roof is red.

Easy-to-follow directions for application were contained in every bundle. So in no time at all we had finished the job. Bright DUROID Shingles were applied right over the old roof.

It was amazing—our home was new again! No more leaks—no more patching or painting. Our colorful DUROID roof provided a permanent end to expensive repair bills and seasonal upkeep.

\*SOMETHING TO REMEMBER! Genuine DUROID Shingles are made only by Sidney Roofing and Paper Co. Ltd. See your Sidney dealer today.

**VANCOUVER GIRLS IN CANADIAN BALLET**—Marina Katronis zips up Margaret Morley's costume before going on stage to perform in the second Canadian Ballet Festival which was held in Toronto, Ont., before a capacity house. Both girls are from Vancouver, with the Panto-Pacific ballet troupe. Other cities represented in the festival were Winnipeg, Montreal, Ottawa, Hamilton and Toronto.

**RESIDED HERE NIGH 40 YEARS**

**Mrs. Elissa Gustafson Passes Away in Eighty-Second Year**  
Resident of Prince Rupert since September 1910 when she came here from Scandinavia, Mrs. Elissa Christina Gustafson, wife of Edward Eric Gustafson, for many years foreman of the city waterworks department, passed away at noon yesterday at her home, 353 West Ninth. She had been in failing health since suffering a stroke eight years ago and for the past two-and-a-half years had been bedridden.

Mrs. Gustafson was born in 1867 in Grimsosund, Norway, but came here from Sweden with her husband and young son. Residence in Prince Rupert had since been continuous.

In addition to her husband and son, Carl Gustafson, now waterworks foreman, Mrs. Gustafson is survived by a married daughter, Mrs. J. H. (Arnolda) Berg in Trondhjem, Norway.

**MOM WAS THE STAR**—Margaret O'Brien, 12-year-old movie star, was reduced to playing a supporting role and her mother, Mrs. Gladys O'Brien, was the star of the occasion when Mrs. O'Brien, wed orchestra leader Don Sylvio at Palm Beach, Fla. Mrs. O'Brien said that Margaret "turned on the tears" when she learned that she would have to share her mom with someone else. She also sobbed almost constantly during the ceremony and afterwards refused to kiss her stepfather for the benefit of photographers.

**13-YEAR-OLD SAVES FRIEND FROM DROWNING**

A marine tragedy was narrowly averted at the Salt Lakes recently when a 13-year old girl brought her swimming skill into full use to rescue her 20-year old friend who had slipped into deep water while wading.

Shirley Yurgensen, 13-year old daughter of Major and Mrs. W. Yurgensen, Salvation Army, responded to cries for help when her friend, Virginia Clark of Mill Bay, floundered in the deep water and disappeared.

Shirley was swimming some distance away when she heard cries of people on the shore and saw Virginia disappear. She swam to the spot and found her friend under water. She got beneath the girl and pushed upward, then pulled her to shore.

In her attempts to cry for help, Virginia had swallowed a considerable amount of water which made timely rescue.

"Shirley is a very good swimmer and she didn't think she was doing anything exceptional when she helped Virginia," Mrs. Yurgensen said. "However, she was shaking more than Virginia was after it was over."

Virginia, whose parents live at Mill Bay on the Naas River, is staying at the Salvation Army hostel for native girls while in the city.

**Derailment Cause Of Train's Delay**

Due to the derailment of four cars of lumber on an east-bound freight train between Goat River and Loos, just east of McBride, tonight's passenger train, due from the East at 11:30 daylight time, is reported nine hours and thirty minutes late so will not be arriving until 9 o'clock tomorrow morning. The lumber cars, while going off the track, did not turn over. Principal reason for delay was the getting of equipment to the scene of the run-off.

**Chieftain Urges Coalition Support**

At the Mackenzie riding coalition nominating convention held a few days ago at Powell River, Billy Mitchell, acting chief of the Squirrel Cove Indian band, addressed the delegates who were present to formally nominate Battelman M. MacIntyre as Coalition standard-bearer. Chief Mitchell, in a straightforward address, pleaded the Indian cause and what it meant to his race to receive the benefits of education, health and better living conditions. The Indians, he said, appreciated the Coalition government's forward move in granting the franchise to them and he felt this was the first step towards placing the Indian population on equal footing with their brother Canadians. He urged full support of the Coalition candidate in the June 15 election.

**Soccer Schedule**

Schedule for the North Trophy football series is as follows:  
June 10—Canadian Legion General Motors.  
June 13—General Motors Heavy Battery.

Henry Whitaker, for 36 years chief architect for British Columbia is retiring today, June 9, to carry on in private practice. Mr. Whitaker is well known in the north and in past years was a visitor to this city and district.

**GENERAL MOTORS GET NEW STRIPES**

A colorful event will materialize on the local sports field on Friday evening with the appearance of the General Motors football team in their new stripes.

When playing under the name of the High School last year the team had no outfit but played wearing their own variously colored shirts and long or short pants as they might find. This year the story is different. Sponsored by the General Motors through Douglas Frizzell, the team has been given a strip and warm-up shirts. The shirts are red with yellow collars and yellow cuffs. The shorts are yellow. The stockings are blue with yellow tops. The goalkeeper wears a green sweater. The warm-up jackets are like what last year's softball team wore.

The players are thrilled over their new stripes. They appreciate the active interest shown in their welfare and comfort by Doug. He in turn is particularly interested in the development and encouragement of the younger players. All he asks in return is that they play as hard as they can, as well as they can and in the best sporting spirit. The lads will try to do so.

The first game in their new outfits will be against Canadian Legion tomorrow evening in the North Star, City League Competition.

The team will be: Boulter; Robinson, Sunberg, Wilson, (John), Olson, Lien, McKay, Currie, Wilson (Pat), Mercer, Owens, Haugen, Simonson.

Father: "Well son, what did you learn in school today?"  
Son (proudly): "I learned to say 'yes, sir, no, sir, and yes, ma'am and no, ma'am."  
Father: "You did, eh?"  
Son: "Yeah."

**KIN TO WORK AT BOYS' CAMP**

A number of Kinsmen will celebrate Father's Day by tidying up the grounds of the Kinsmen Kiddies Kamp at Lakelse Lake, according to plans made at the Club's regular meeting held at the Commodore Cafe Wednesday night.

Ten members of the Club asked to be included in the work party after Herb Young, chairman of the camp committee, had reported on the condition of the camp grounds.

Bill Long and Bud Timmermeister reported on District 5 convention held in Penticton last month. To them the highlight of the convention was the election of R. E. Montador to the position of district deputy governor. The convention was in favor of the Kinsmen Clubs sponsoring the Polio Fund campaign and at a later date a committee will be appointed to organize the "March of Dimes" Week which will be tied in with the international campaign.

The importance of attendance at club meetings and conventions was stressed by a number of delegates and officers at the convention and it was urged that every club should strive to send at least one delegate to the next annual gathering of Kinsmen Club representatives which will be held in Nanaimo.

Guests at Wednesday's meeting were Robert Eburne and Albert Phillipson.

**'Disgraceful' Says Drew**

OTTAWA @—Progressive-Conservative Leader George Drew, speaking in Ontario, charged that the government has "handed over" Canada's largest aircraft plant at Montreal to a United States firm for a maximum payment of \$4,000,000. He identified the purchasing firm and described it as a "notorious" member of a "sinister" international armament ring which had been investigated by the United Kingdom during the last session of Parliament.

Drew said the disgraceful transaction was conducted by secret negotiation with no hint to Parliament or the people of Canada.

The air plant is crown-owned property.

Drew said that "one of the extraordinary features of this secret deal is the fact that the government knew there were Canadian aircraft manufacturers who were preparing to pay a very much larger figure for the plant."

Drew was the only one of the three major political leaders who spoke last night.

Prime Minister L. St. Laurent was resting at his home in Quebec, still suffering from an attack of laryngitis, while M. J. Coldwell, C. C. F. leader, was travelling from Saskatchewan to Vancouver.

**SHOWER FOR MARJORIE EBY**

In honor of the forthcoming wedding of Miss Marjorie Eby to Swinton Whyth of Vancouver, in July, a pretty cup and saucer shower was held at the home of her parents Mr. and Mrs. L. C. Eby, Fourth Avenue East.

The rooms were decorated with lovely tulips and spring flowers and the refreshment table was centred with a large cake, which was duly cut by the bride elect.

After a pleasant social evening the hostess served refreshments and the guest of honor was presented with a large gaily decorated cup and saucer overflowing with gifts.

The guests included Mrs. L. C. Eby, Mrs. A. Ivarson, Mrs. J. T. Langridge, Mrs. W. D. McAr, Mrs. G. McWhinney, Mrs. W. G. Murray, Mrs. Webster and Mrs. R. Cameron.

ments and entertainment were provided in the school hall.

Guests present were Rev. Father Raynor, District Commissioner Honora Silversides, Captain Margaret Anstey and Mrs. Doris Thompson.

Pictures were taken throughout the evening by Larry Moore.

**MET IN EAST, MARRIED HERE**

Miss Frieda Meadows of Port Hope, Ontario, Bride of Larry Black

Culminating a romance which commenced in the East when the groom was taking electrical engineering studies, Miss Frieda Blanche Meadows, only daughter of Mr. and Mrs. Arthur Meadows of Port Hope, was the pretty young Ontario bride of Lawrence (Larry) Byron Black, only son of Mr. and Mrs. J. Harry Black of Prince Rupert, at an interesting marriage ceremony which took place before a congregation of friends at 9:30 last evening in First United Church. Rev. R. A. Wilson officiated.

The bride, given in marriage by Crawford Moore, an old friend of the groom's family, was a picture of petit beauty in her ivory gabardine tailored suit with navy blue straw hat and navy blue accessories. The bride's bouquet was a colonial spray of white carnations with detachable orchid corsage for wearing with a white travelling suit. The matron of honor was the groom's sister, Mrs. D. S. Morton, who was charming in a cameo pink wool tailored suit with black picture hat and black accessories and colonial bouquet of pink carnations.

Douglas Pitt-Brooke was the groomsmen.

Both groom and groomsmen were attired in dark jackets and white flannel trousers.

Henry Pluyem presided at the pipe organ to play the processional and recessional music.

Following the ceremony, friends gathered at a reception at the home of the bride's parents to offer their congratulations and best wishes to the happy young couple.

Rooms were tastefully decorated with white and pink streamers and early summer flowers, featuring white wedding bells over the point where the couple stood and over the bride's handsome table.

Mrs. Black, the mother of the groom, received the guests in a striking robin egg blue dressmaker suit with navy blue accessories.

Appropriately proposing the toast to the bride was Crawford Moore. The groom responded.

Centering the bride's table was a beautiful four-tier wedding cake, one layer of which had been saved from the twenty-fifth anniversary cake of the groom's parents.

Mrs. Crawford Moore presided at the pouring table and serviteurs were Mrs. Len Griffiths and Mrs. Allan McBroom.

In another room were laid out numerous beautiful wedding gifts which were admired by the guests.

Later in the evening the couple sailed on the Prince Rupert for a brief trip to Ketchikan after which they will take up residence on Piggott Avenue in Rushbrook Heights. The groom is identified with the electrical staff of the Canadian Fish & Cold Storage Co.

**DREW WOULD RUIN CANADA**

If Dollar Were Devalued, Declares Prime Minister St. Laurent

QUEBEC (C)—Speaking here, Prime Minister L. St. Laurent said that Progressive-Conservative proposals to devalue the Canadian dollar would bring "chaos" to Canada within a year. The Prime Minister has moved to the federal election sidelines to rest his throat. His last speech was read for him because of a "minor attack of laryngitis." He expects to be speaking again by tonight.

**IS INVITED TO SHIPPING PROBE**

Since it was instrumental in the original representations calling for control of coastal shipping rates, the Prince Rupert Chamber of Commerce is being asked to submit a case to the royal commission on transportation when it sits in Vancouver on June 28 to go into this and other matters. Last year the coastal shipping companies made two separate increases in rates.

Duncan Kerr, secretary of the Associated Boards of Trade of Central British Columbia, has written to the Prince Rupert Chamber suggesting that Prince Rupert be represented if possible at the commission hearing in Vancouver.

**SUB TEACHERS GET INCREASE**

A request by substitute school teachers in the city for a higher rate of daily pay was granted by Prince Rupert School Board last night but the increase will not be retroactive to January 1 as the teachers had asked.

The Board agreed to increase rates for elementary substitute teachers to \$8 a day from its former \$5 level and to pay teachers substituting in the High School \$10 a day. The increase will go into effect immediately.

The Board considered the increases in line with the new salary schedule of the regular teaching staff and approved them after Inspector of Schools Joseph Chell had pointed out that government grants would

**What— neglect my health? ... not with today's living costs!**

**PIONEER OF CITY PASSES**

M. T. Lee, Tailor, Dies After Brief Illness

Lee P. Maah (M. T. Lee), one of Prince Rupert's pioneer business men, died in the city last night a little more than 24 hours after entering hospital. He was 74 years old.

A resident of British Columbia for 56 years, Mr. Lee was

covered nothing over \$7 a day under the School Act.

The four substitute teachers affected had asked that the increases be made retroactive to January 1 as was the case of the regular staff but the Board decided they should become effective now.

**C.C.F. Gets Good Campaign Reports**

Campaign Manager George Hills told members of the local C.C.F. Club, at a meeting which practically filled the clubrooms, that candidates W. H. Brett and H. G. Archibald were receiving encouraging support all over the provincial and federal ridings. Election matters were the principal subject of discussion after routine club business had been quickly disposed of.

**ELECTION IS NOT ORDINARY**

**Dr. L. M. Greene Defines Issue in Coalition Speech at Terrace**

"No ordinary election is facing us this time," declared Dr. L. M. Greene of Prince Rupert in a coalition election campaign address at Terrace.

"The two parties had two very different philosophies of thought. One believed the state is supreme and individuals were regimented to the benefit of that state.

The Coalition believed man was supreme and not to be ordered around. The party believed in personal freedom which was lost in every country that had adopted socialism. Even in England under a very benign Labor Government the people were not free and Dr. Greene told the story of the farmer who contrary to state decrees planted grain which he knew would grow better than that ordered by the government. A few days before the harvest a bulldozer was sent to that farm and the grain crushed into the ground. There was no personal freedom there at all. The C.C.F. was soft peddling this aspect of socialism which meant resignation of the individual.

Coalition had given the province the best government B. C. ever had. The speaker named the C.C.F.'ers "Wolves in Sheep's Clothing but nevertheless Wolves."

Speaking of the C.C.F. government in Saskatchewan, Dr. Greene said the government had

advanced in social services but not as much as B.C. Certain industries had been purchased by that government and all Corporations were either not operating or operating at a loss. The speaker listed these industries. \$500,000 was paid for a woollen factory which cost the taxpayers \$147,000 loss. A shoe factory which cost taxpayers \$180,000 to buy and was closed down. After a labor dispute, a box factory was taken over and so far, had cost \$10,789. A tannery cost \$175,000, fish food plant \$750,000 and closed down, brick factory \$28,280. Not one of these industries had made one cent. "We too shall pay for losses if we put the C.C.F. in power in B.C.," declared Dr. Greene.

Not one C.C.F. candidate ever operated any business to the extent of 1% of 1/10 of the ninety two million budget. The coalition party have good, tried and true seasoned men of unquestionable integrity and these must be returned to office. Among the many accomplishments of the past four years were, Better Schools, Power lower in cost, land clearing accomplished, big industry in the establishing of the celanese mill and the probability of an even bigger industry coming. In the future, Northern B. C. projects included replacement of highways, extending of P.G.E. and the Aluminum project. He concluded his address by saying that "we in Northern B. C. should get everyone to vote for the man who has done more to advance this north country than anyone else—E. T. Kenney."

Starting off on a humorous vein with his recollections of the banquet celebrating the opening of the Skeena Highway a few years ago, Dr. Greene expressed his pleasure at being here in the community he had come to know and like. This was the first time he had been associated with Mr. Kenney, a doctor and politician together on the same platform was unusual.

**PEOPLE WANT NO REGIMENTATION**

"As far as I can see the people are showing a very general tendency to favor private enterprise and democratic principles rather than state monopoly and control," said Olof Hanson yesterday, following his arrival from Vancouver, in speaking of the federal and provincial election trend. "People still want to have a form of government which will permit of their freedom to think, say and do what they like instead of being regimented by the state which would come under a socialistic government."

At Ocean Falls Tuesday night, Mr. Hanson met with an enthusiastic crowd of Liberal supporters and he states that the feeling there is very much in favor of the party candidate, Ted Applewhite.

Mr. Hanson will be proceeding in a day or so to the interior to take an active part in the Applewhite campaign.

Father: "Ned, why are you always at the bottom of your class?"

Ned: "It really doesn't matter, dad, we get the same instruction at both ends."

**CANADIAN TO PLAY IN FRENCH MOVIE**—It's a big jump from a Canadian ministry to the heroine's role in a French movie but chique Suzanne Cloutier apparently has made it in a single stride. The daughter of a minister photographed at her hotel in Canada, Miss Cloutier, Paris, will be the star of the next film made by French producer Julien Duvivier. Fittingly enough for a minister's daughter, its title will be "Au Royaume Des Cieux" (domain of the Gods).

**TEACHER REPLACEMENT**

(Continued from Page One)

year with 210, is expecting 234 at the beginning of the coming term and King Edward, which had 275 last September, anticipates 315 three months hence.

Mr. Chell suggested that an additional elementary teacher be hired and that one teacher on Booth staff be dropped. Booth, which currently has an enrolment of 433, now has two extra teachers. One of these, he intimated, could handle any increase which might be expected at the start of the new term. He also recommended employment of a relieving teacher to serve all the elementary schools to free principals from classroom duties and allow them time for administration work.

School enrolment in May with percentage attendances in brackets, follow:

- Booth 433 (91).
- Borden Street 225 (94).
- Conrad Street 214 (95).
- King Edward 287 (95).
- Digby Island 22 (92).
- Port Essington 46 (94).
- Port Edward 16 (87).
- Port Simpson 9 (95).

**Barbara Brent's BUYS AND WHYS**  
A WEEKLY INFORMATION SERVICE  
MONTREAL, June 9th—Is the cost of many of the things you buy still giving you a headache? Do you wonder why so many of them cost so much more than they used to? Perhaps it's because of all that Government sales tax, especially when it comes to clothes and household furnishings. Wouldn't it be wonderful if you could buy for less because the tax had been reduced. That's just one of the good things the Progressive Conservative Party intend to do. They plan to reduce the sales tax which increases the price of many articles more than eight cents on each of your precious dollars. So help them to help you and your family by voting. The Progressive Conservative Party believe that women's opinions are important to good Government. They want women to play a more important part in planning the future. There will be an election 27th June. It will be a bright day if you and other women use your vote to help elect the Progressive Conservative Party. Every vote is important... please use yours. This message contributed and paid for by The Progressive Conservative Party.

**"I Married A Wonderful Woman"** is what your hungry husband will think when you appeal to his appetite with this delicious **BENSON'S CORN STARCH RECIPE . . . Welsh Rarebit**  
1 1/2 tbsps. Benson's Corn Starch  
2 tbsps. butter or other fat, melted  
1 1/2 cups milk  
1/4 cups grated sharp cheese  
1/2 tsp. salt  
1/4 tspn. pepper  
1/4 tspn. paprika  
Dash cayenne  
1/2 tspn. dry mustard  
1 tspn. chopped parsley  
Blend Benson's Corn Starch with melted fat in top of double boiler over boiling water. Add milk gradually, stirring until sauce is thickened. Add grated cheese and stir until melted. Add seasonings and parsley (as stated, or to taste). Serve hot over lightly buttered, fresh hot toast cut into fingers or circles, or over heated crisp soda crackers. Serve with crisp celery and carrot sticks, tossed green salad, or broiled tomatoes, dusted with salt and pepper. Serves 4 to 6.

**Look Your Very Loveliest Under The Summer Sun!**  
Give your complexion the flattery of Tropic Tan in NEW WOODBURY POWDER. A beautiful, glowing bronze. Tropic Tan is that rarely another tan shades—its looks natural on your skin—not the least bit "powdery". You see Woodbury has developed a "super-blender" that whisks color into powder and powder into color with such terrific speed that shades are finer-blended than was ever before possible. As a result Tropic Tan and the six other Woodbury shades have a richness and warmth that will delight you. You'll find Woodbury Powder in three convenient sizes—including the "purse" size . . . 65¢, 37¢, 19¢.

**A Party Month Is This Month Of June . . .** and be it a small, friendly gathering or something more pretentious, the wise hostess knows what a joy it is to entertain with JELL-O close at hand. For there's no end to the delicious varieties of desserts and salads that are possible with Jell-O Jelly Powders. And with Jell-O combining so beautifully with the summer's bounty of fruits and vegetables . . . the "best of" favorites is almost endless! Serve quick, easy and wonderfully economical Jell-O desserts and salads often. There are seven, delicious, "looked-in" Jell-O flavours.

**Believe It Or Not**—(but do try it, anyway!) . . . a good, hot cup of tea is the most "cooling" thing you can drink on a hot June day! But to be truly refreshing . . . it must give you full flavour satisfaction . . . that's why I urge you to make TENDER LEAF TEA your hot weather "refresher". There's a world of Quick Comfort in a cup of Tender Leaf Tea. It has a "sparkle" to it that can only be explained by those fit to top leaves. So when you're "down and out" and yearn for the Summer heat . . . give yourself the real flavour treat of Tender Leaf Tea . . . always rich—fragrant and grand-tasting!
