Reports and Elec-New Oil Line
To Edmonton

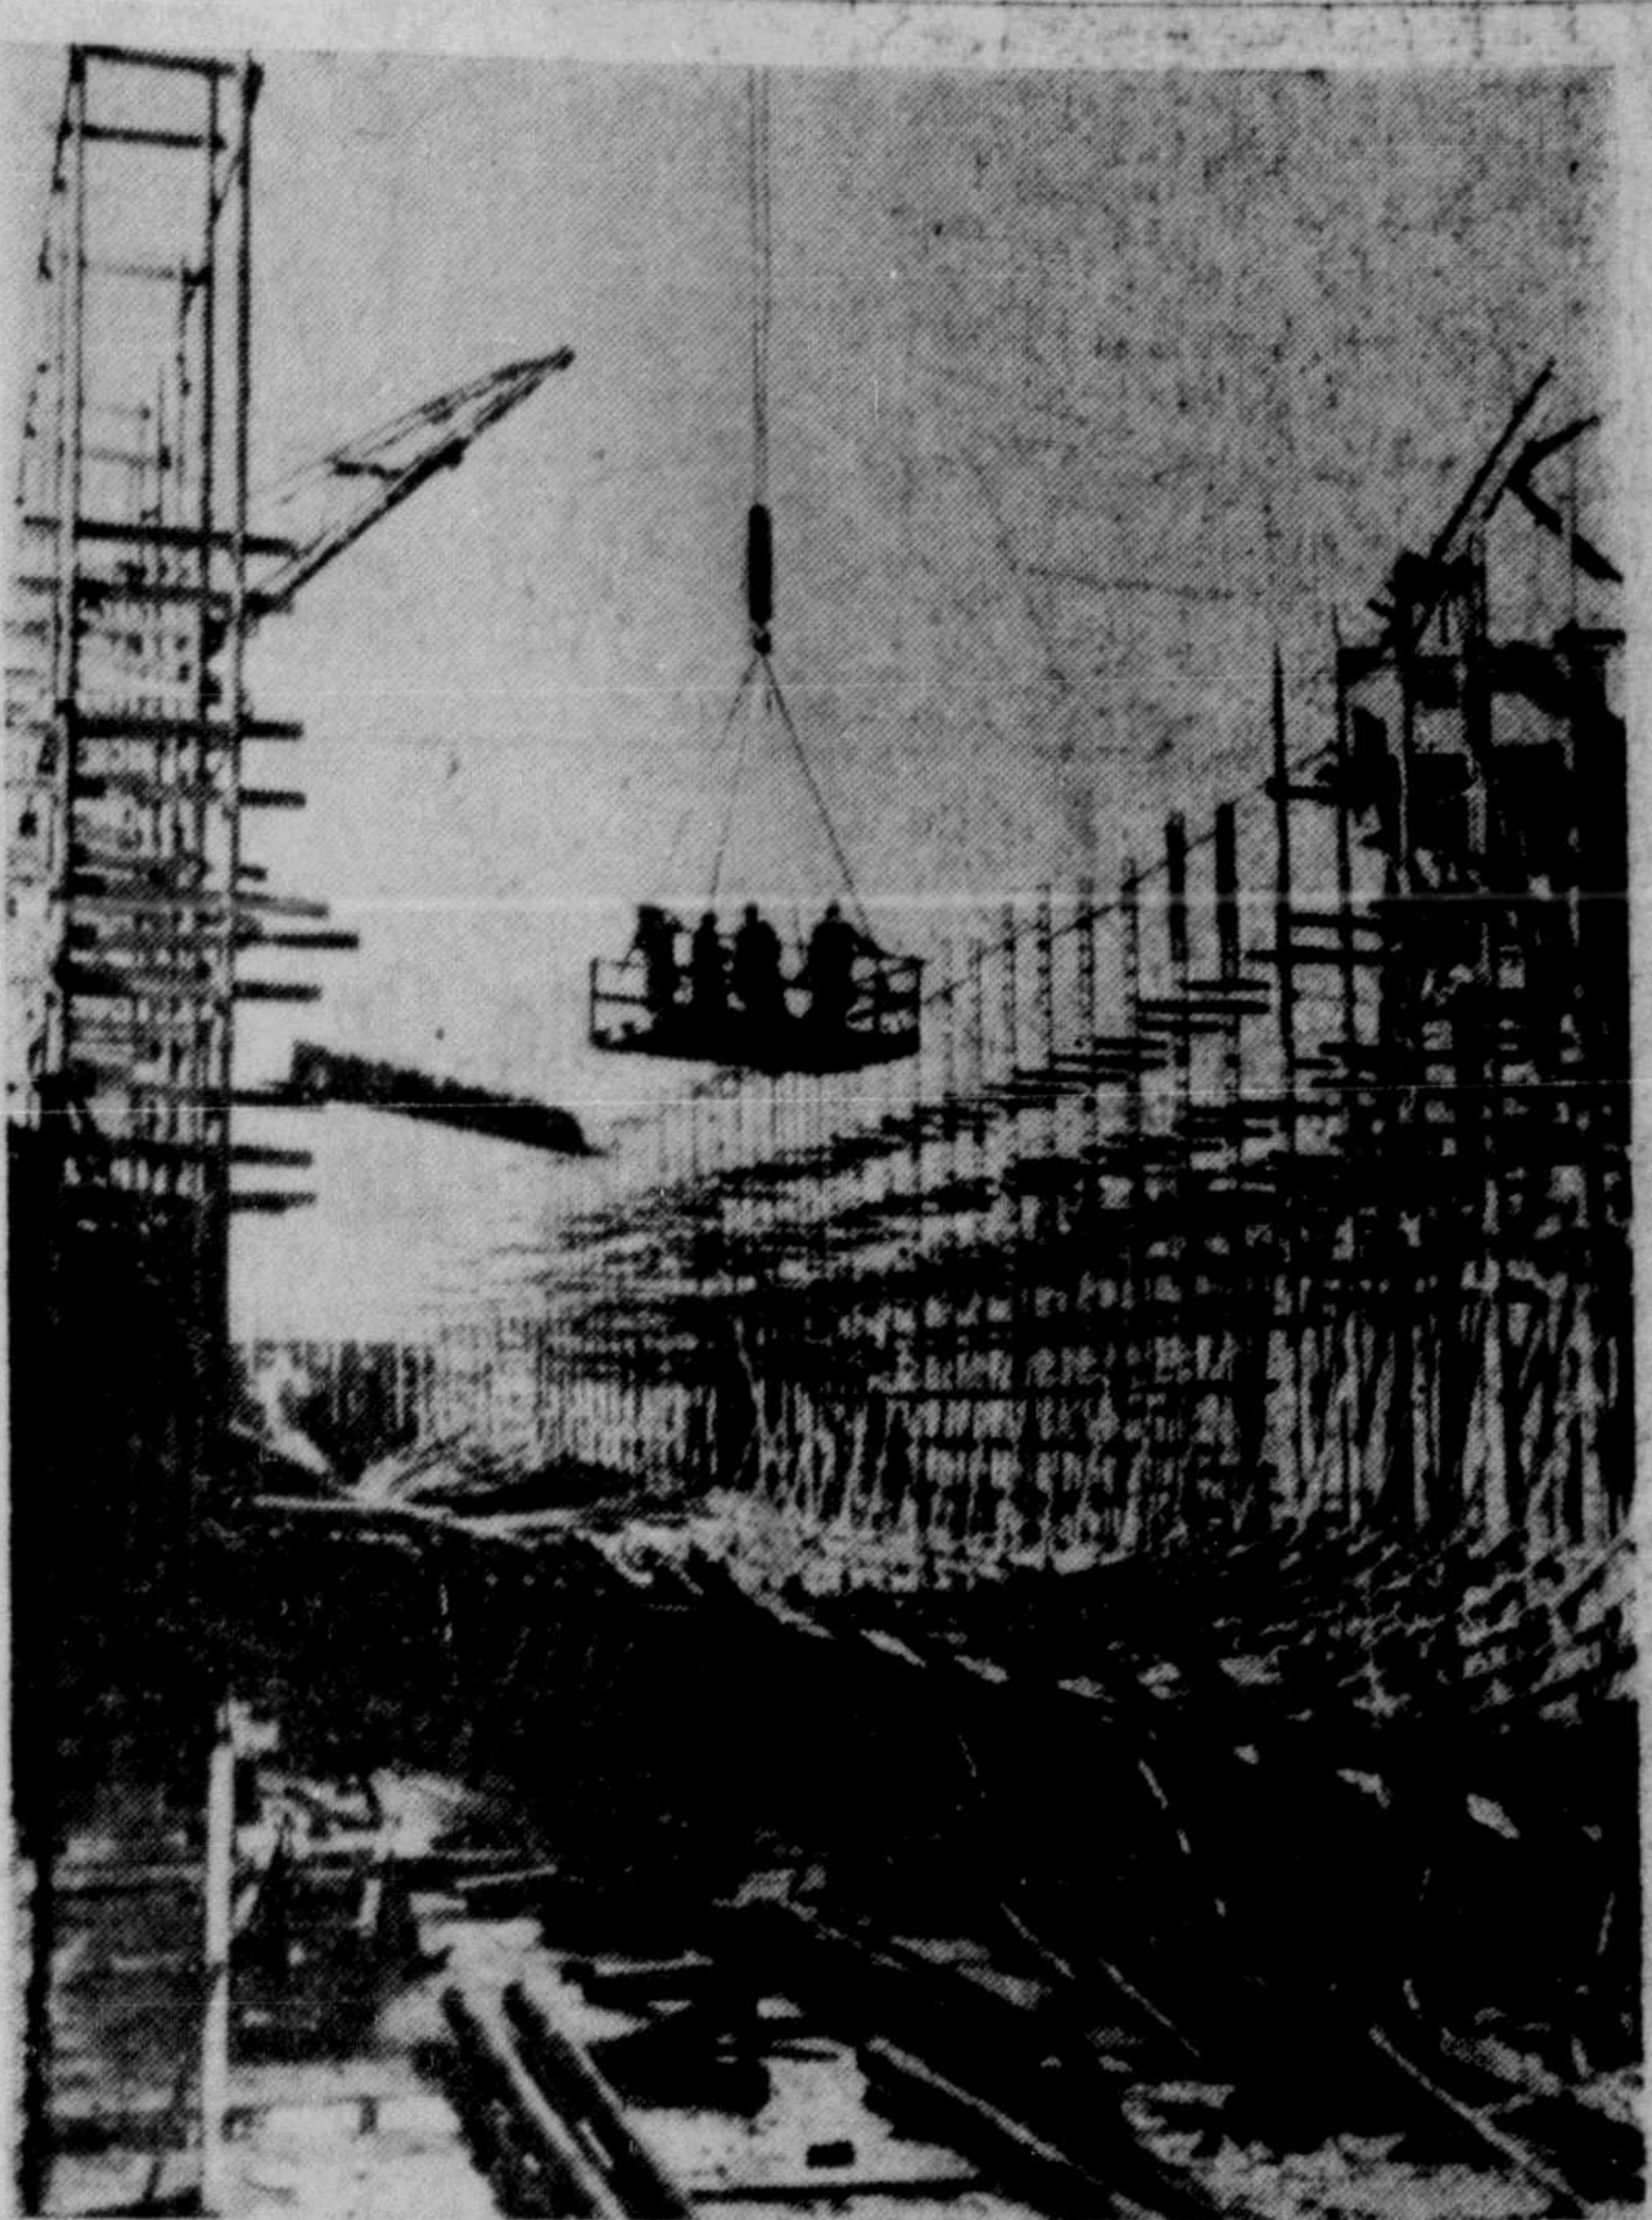

VANCOUVER.—The British American Oil Company Limited, today announced plans for construction of a crude oil pipe line from the Redwater oil field to Edmonton, Alberta. The proposed pipe line will be of sufficient size to transport more than ten thousand barrels per day of Redwater crude. Survey of the proposed route of the line is now under way and actual construction will be commenced during the summer of 1950 and completed before the end of the year.

British American, through its transportation subsidiary, the B. A. Alberta Pipe Line Limited, now operates a crude oil gathering system and tank car loading facilities in the Redwater field serving approximately 100 oil wells.

The proposed Redwater to Edmonton pipe line will connect to British American's present gathering system and will provide pipe line transportation direct from Redwater wells to British American's refinery at Edmonton which is scheduled for completion early in 1951.

Facilities will be erected at Edmonton for loading oil in tank cars for shipment to British American's Calgary refinery.

British American is presently providing Redwater producers, other than itself, with a market for more than 5,000 barrels per day of Redwater crude. Of British American's crude oil purchases in the Redwater field, approximately ten percent is oil owned by British American, the remaining 9 percent being owned and produced by other Alberta producers.

LAY KEEL FOR LARGEST U.S. SHIP — The keel for the biggest passenger ship ever built in the United States is shown being lowered into place at a Newport, Va., dock. In foreground on a level with the keel is a platform bearing technicians and newsmen. The vessel, which probably will be christened the S.S. United States, will be second in length only to England's Queen Elizabeth. All mechanical details are secret and it is rumored that it will be built in such a way as to be easily convertible into an aircraft carrier.

Search Is
CurtailedRemaining Five Men From
U. S. Bomber Believed Per-
ished in Sea

The nine-day intensive hunt for five missing members of the crew of a U.S. B-36 bomber in the jungle-like bush and forests of Princess Royal Island, ninety miles down the coast from Prince Rupert, was curtailed today. Following the picking up of a life raft in Hecate Straits earlier in the week, searchers came to the conclusion that the five men had probably perished in the sea. Twelve of the crew parachuted out in safety after the big plane was ditched in flames before dawn on Tuesday morning of last week. They were subsequently picked up from the shores of Princess Royal Island, the most of them by the Canadian Fishing Co.'s fish-packer Cape Perry which delivered them to the United States Coastguard whence they were flown to their base at Port Worth, Texas.

The Canadian destroyer Cana- and three United States coast- guard vessels have been with- drawn from the search which will be continued on a reduced basis by air and sea for the five still missing men who bailed out of the fire-stricken bomber.

A Royal Canadian Air Force speed launch is remaining at the scene and helicopters will be operated for awhile longer in con- junction with an overland search.

THE WEATHER

GALE WARNING

North Coast Region — Gale warning continued. Cloudy with frequent showers today. Continuous rain tonight and Friday morning. Cloudy with showers Friday afternoon. Little change in temperature. Southeast winds. 40 mph shifting to southwest (30 mph) this afternoon. Winds southeast 30 Friday. Lows tonight and highs Friday. At Port Hardy, Sandspit and Prince Rupert, 35 and 42.

Synopsis
Gales up to 70 miles per hour were howling over the Queen Charlotte Islands this morning. These winds accompany a storm which brought rain to the entire B. C. coast overnight. Strong winds are developing along the south coast and gale warnings have been issued for all waters adjacent to Vancouver Island. The storm will move inland over the south coast this afternoon. It will weaken rapidly as it passes over the interior bringing a few showers of rain or snow to those regions. Another storm is brewing about 1000 miles off the coast which will bring strong winds and more rain to the coastal areas tomorrow morning.Wants Pact
With Japan

OTTAWA — Canada wants an early start on drafting a peace treaty with Japan with or without participation of Russia and China, External Affairs Minister L. B. Pearson told the House of Commons. The government, he said, would like to see the two Communist powers take part in the drawing up of a Japanese peace treaty but it would not tolerate dictation by China or Russia.

Education,
Resources
And Liquor

VICTORIA — Education, natural resources and liquor occupied the stage as the debate on the address in Reply to the Speech from the Throne continued in the Legislature yesterday.

Sydney J. Smith, Coalition, Kamloops, told the House that "commendable advances in education encouraged production of experts or specialists with less interest on the part of the public." He criticized "unjust" distribution of cost of education.

Leo T. Nimsick, C.C.F., Cranbrook, attacked "spoliation" of the province's mineral and lumber resources and said that the people of British Columbia were not receiving a fair return from the use of lumber.

A plebiscite on liquor distribution to "put the question in the hands of the people," was asked by C. W. Morrow, Coalition, North Okanagan. Morrow also said that capital expenditures were raising the rural school mill rate which the government was supposed to peg at eight mills.

Premier Johnson intimated yesterday that night sessions would start next week with a view to bringing the session to a close by March 18.

Finance Minister Herbert Anscombe may bring down his budget next Tuesday. It is expected for the first time to call for spending of more than \$100,000 in a fiscal year.

World Awaits Outcome Of British Election;
Record Vote Appears In Making TodayGovernment To
Operate MinesDrastic Measures Looming
As United States Coal
Situation Worsens Sharply

WASHINGTON, D.C. — With only two days to go before the United States government really begins cracking down the contempt of court, a move was started in Congress yesterday for the federal seizure of the pits on terms the miners like. The proposal would give President Truman power to take over the mines with any profits under the seizure going to the federal treasury. That would tend to put pressure on the operators. In past seizures profits have gone to the owners.

Meantime John L. Lewis, president of the United Mine Workers of America, and the operating companies were reported to be nearing agreement today for a new contract.

At the same time the impending coal shortage has become so critical that ten states were clamping on emergency restrictions imposing rations to protect, if possible, supplies of coal to hospitals and essential services. Places of entertainment and school were being closed down. Further workers were being laid off by the thousands in industries such as steel and automobile manufacturing depending upon coal for their materials.

Doctor Admits
Mercy Killing

MANCHESTER, New Hamp- shire — The state said today that Dr. Herman N. Sander had admitted killing a 59-year-old cancer patient with air injections and claimed he did so at the pleading of a husband to end his wife's suffering.

Dr. Sander is charged specifically with killing Mrs. Abbie Borroto by giving her air injections by hypodermic as she lay dying of cancer in hospital last December 4.

Dr. Sander is quoted as having said: "I might have broken the law but the law was not right and should be changed." He said Mrs. Borroto might have lived two more days.

The prosecution has announced that the death sentence will not be sought in the case.

WOMEN'S DAY OF
PRAYER FRIDAY

Once again the women of all Prince Rupert churches are getting together tomorrow afternoon for the annual World Day of Prayer to be held at the Salvation Army Citadel. Principal speaker will be Mrs. G. R. S. Blackaby and women from various other city churches will participate as prayer leaders. Mrs. W. D. Smith will act as organist and Mrs. P. E. Anfield will be vocal soloist. Mrs. W. C. Poulton and Mrs. Basil S. Prockter are organizers of the service.

Flash

LEWIS' LAST CHANCE

WASHINGTON — Today brought John L. Lewis just about his last chance to head off the danger of a multi-million dollar fine against his 370,000-odd striking coal miners. The chance is a quick agreement during the day or night on a strike-ending contract looked slim to govern- ment observers sitting in on ex- conclusive negotiations between Lewis and the coal operators.

SURPRISE IN TRIAL

MANCHESTER, N.H.—There was a surprise development in the trial of Dr. Hermann N. Sander today when the defence announced it would present a medical witness who would testify that Mrs. Abbie Borroto was dead before he (San- ders) injected air into her veins.

BASKETBALL UPSET

VANCOUVER.—In an upset in inter-city basketball finals last night, Eagle-Time defeated Cloverleafs by a score of 44 to 38. The teams are now tied one-all in the best of five series.

HEADING OFF STRIKE

WASHINGTON — President Truman is expected to set up by tomorrow an emergency fact-finding board in the effort to head off a strike of rail- waymen who are seeking a 40-hour week for yard service employees.

PARKING METERS

CRANBROOK — The city council here has decided to in- stal parking meters on business streets in an effort to relieve congestion of automobiles particularly during the summer tourist season.

TELEPHONE PROFITS

VANCOUVER — British Columbia Telephone Co. reports net profits of \$578,000 in 1949 which was not large enough to meet dividend commitments of \$976,000. The net profits were down from \$798,000 in 1948.

COLD ON PRAIRIES

EDMONTON.— It is bitterly cold on the prairies again with temperatures averaging 20 below. Prince Albert recorded 41 below last night.

DIES AFTER BOUT

NEW YORK—Lavergne Toach, popular Texas middleweight boxer, died today of head injuries received last night in losing a 10-round fight by a knockout in the last round to George Small of Brooklyn.

GENERAL PEARKES

OTTAWA—Major General G. R. Peakes, Progressive-Con- servative, Nanaimo, introduced the Chinese blockade into a six-hour debate on the Speech from the Throne. He criticized shipping laws which had forced Canadian seamen aboard the freighter Lake Canin to deliver cargo to Shanghai despite attempts of Chinese National- ist warships to head them off. General Peakes urged that the government set up a National Maritime Board to provide for continuous negotiations on such matters, giving the opportunity for grievances to be settled.

EMPHASIS ON PREVENTION

VICTORIA—E. E. Winch, C. C. F.—Burnaby, suggested in the Legislature that the provincial health plan from curative to preventative medicine. He asked that doctors be placed at health centres to prevent illness. This would lower cost of the scheme, he said.

NEGOTIATIONS DEADLOCKED

VANCOUVER — Negotiations are deadlocked between the pulp and paper industry and the new contract for 3000 work- ers. The International Brother- hood of Pulp, Sulphite and Paper Mill Workers (CIO) is ap- plying for a conciliation of- ficer under the Industrial Con- ciliation Act on the issues of wages, 40-hour week and on- eration on Sundays and Holi- days.

Odds Slightly
In Labor Favor

LONDON (CP)—Heavy voting marked the start of Great Britain's general election which is deciding whether the British people want a Socialist govern- ment to continue running their little island for another five years. Large turnouts were reported in the early hours at polls in London, Hull, Birmingham, Liverpool and Glasgow. The choice is before more than 34,000,000 voters. Their choice is:

Re-election of Prime Minister Attlee's Labor government, pledged to put still more in- dustries under state control or, Return to Conservative rule under the wartime Prime Min- ister Winston Churchill who has promised to halt nationalization but retain Britain's welfare state security measures.

Odds were quoted at 10 to 11 today against Conservatives.

Long queues lined up at the polls for early voting.

Weather was dry this morn- ing in Eastern England and rainy in Scotland and the west. Later in the day it rained throughout the country.

Late this afternoon (Pacific Standard Time) early results should be indicated but it will be tomorrow before more than a trend is known.

The world awaits the results as Britain chooses between more Socialism and less Socialism.

The voters in 622 constituencies are making their decision among three major parties in selecting the thirty-ninth Parliament of Great Britain and Northern Ire- land, the world's oldest legislative assembly.

The results from about 240 ridings will be known tonight.

Chief personalities are Prime Minister C. R. Attlee who, at 67, is more popular than ever before with his own Labor party, and the Conservative leader, Winston Churchill, embodiment of eternal England who, at 75, fought his thirteenth election in the same zealous way he fought his first 50 years ago.

American Loan
To Yugoslavia

WASHINGTON D. C. — The United States is reported to be about ready to grant an emergency loan to Yugoslavia. The idea is to keep Yugoslav economy from being strangled by a trade boycott led by Russia. American officials said the loan would be small—\$10,000,000 or \$15,000,000.

More Wheat For
United Kingdom

WASHINGTON D. C. — Great Britain today received authority to buy \$45,000,000 worth of Canadian and American wheat under Marshall plan. Of the total \$30,000,000 will be used to buy wheat in Canada, the announce- ment said. The remaining \$15,000,000 is earmarked for wheat flour from the United States. May 31 is the deadline for the completion of the wheat con- tracts.

Quid Pro Quo

THIS IS THE SEASON of the year when we talk in delightfully vague terms of the value of the tourist industry and the desirability of bringing more and more tourists to our community and district. Possibly, we are so engrossed with the interest in the dollars and cents that are to be derived from their presence, either directly or indirectly, that we do not think too much of what we are going to offer them.

The fact of the matter is that it is not difficult to get tourists. By steamer and railroad they have these many years beaten a well-established trail here. The only limit is our capacity to handle them. By highway the tourist volume is increasing steadily year by year.

So, we would say, we do not need to exercise ourselves too strenuously in our efforts to bring tourists here but should be more concerned as to what we are going to do for them when they come, to make it interesting and comfortable for them when they get here, to make sure that they will have so enjoyed themselves that they will want to return and will interest others in coming.

Nature has endowed us with invaluable and unique primary attractions—beautiful scenery comparable with the best in the world, refreshing weather which everyone seems to appreciate more than ourselves, the fish and the game. Those are the natural assets upon which we have to capitalize. Meantime, we should make sure that, instead of enhancing what we have, we do not detract from it by community untidiness, lack of development and neglect to organize or even provide service.

Things like this do not just take care of themselves. We should do something about providing better and more adequate accommodation, reception and guidance of our visitors, organization to give them a good time, tours to points of interest, making ready to handle hunting and fishing parties. We have been doing a good deal of talking about these things but a lot of it has gotten little further than the talk stage. Nobody has been doing very much about it. Action along these lines, as we see it, is the real job. We ought to be getting our goods ready to sell before we start advertising them too intensively.

Ray Reflects and Reminisces

An inquisitive acting seagull alighted on a roof next to the News offices Wednesday and gazed through a rear window into a room where two typewriters were in action. Wonder if there isn't some way to have a gull understand what "Waterfront Whiffs" is all about. He could name his own wage scale.

It's not every day a busy housewife has a Prime Minister drop in to suggest a little chat on things in general.

Kitchen and living costs are handy to each other, and millions of women in England and Scotland are fully aware of it. Which way they cast their ballots in today's election will come near to determining the outcome.

It took millions of dollars and forty years of agitation to build the Skeena River Highway and a splendid road it is—great both from utilities and scenic standpoints. Why should winter keep it closed or nearly so. It could be open all the time if there was the will to have it so. Whatever the north wins should be played up, not played down.

Premier Atlee personally solicited support, making door to door calls during the campaign.

Join the Navy, and see, at least, part of the world! Three men from H. M. C. S. Chatham of Prince Rupert will spend the next few months on H. M. C. S. Ontario in Mexican and Southern California waters. Right you are, mate! Getting around, before contracting rheumatism, a permanent grouch and old age gives pleasures and advantages that are apt to remain with one.

Officially the invasion of Alaska is not intended to be taken seriously. But late reports suggest that few are in good humor. Who would be, if he had to sleep outside in 40 below zero, even warmly clad and in frost-defying sleeping bags.

'Phone Workers Strike Deferred

WASHINGTON, D.C. — C.I.O. telephone workers yesterday agreed to postpone for sixty days their country-wide strike set for Friday in the United States over wages, hours and working conditions. President Truman had asked that both the Union and the company agree to a truce.

Classified ads bring results.

Carrying On Despite Age

LONDON—Electorate was wondering what Winston Churchill meant when, in a recent speech, he said "in my old age".

Some think that if he wins the election, he plans to guide the country for only a limited time and then turn over the leadership to a younger man. Churchill is 75. Anthony Eden, 50, would likely be the next in line.

Churchill's words were: "Ever the wildest daydream of my youth has been accomplished. The only reason I am, in my old age, working and ready to give all the strength that I can, is that I fear greatly for the state into which our country is getting."

This Invitation Did Not Pay

William Hermanson has been out of work for some time due to a leg injury, and, as a fisherman, compensation money is not a great sum. And on top of that, an yeilden would protest if he were invited into a cafe for a meal by a group of slightly intoxicated people, and with only a few cents in his pocket, become stuck with the bill, which may run into a few dollars.

Mr. Hermanson didn't think this was right at all. So, naturally he protested. And it is known that a man, or even a woman, in a tipsy condition, can create quite a disturbance. It was then that two constables of the city police walked in and promptly whisked the soul to a quieter atmosphere. Next morning, before Magistrate W. D. Vance, the accused, who could barely stand erect because of his injured leg, quietly explained his position during the previous night. The magistrate may have been sympathetic, but breaking a law cannot be put up with, so Mr. Hermanson was fined \$10 and costs. He was picked up early this morning in a Second Avenue eating establishment.

An Important Announcement about

NEW MARGENE

When the sale of Margarine in Canada became legal 12 months ago, MARGENE was the first brand to appear on the market.

At that time Margarine had been banned from Canada for 25 years. There was no way of knowing what flavour and what texture would best appeal to the Canadian palate.

In the intervening 12 months, Canada Packers has carried on week-to-week tests to find out exactly the flavour Canadians wish.

We feel we have it in the NEW MARGENE—the flavour and the texture Canadians like.

If you have not tasted the NEW MARGENE try it now.

SPREAD IT on hot toast;
SERVE IT with hot vegetables;
BAKE with it.

You will like the NEW MARGENE

BUYS AND WHYS

A WEEKLY INFORMATION SERVICE

MONTREAL, Feb. 23rd—I've just made reservations to go direct from Montreal to Italy on the first sailing of the "T.S.S. Columbia". Just \$241.00 return! Such a wonderful opportunity to go to Rome for Holy Year! The "GREEK LINE'S T.S.S. COLUMBIA" will make seven sailings—commencing April 26th. It's the chance of a lifetime to travel in comfort on this spacious ship—at such low cost! Because of the tremendous demand for accommodation, I suggest that you write to me soon—1411 Crescent St., Montreal, P.Q.—for further information.

To Send For This Wonderful Special Offer! It's the handiest kitchen convenience I've seen for many a month! No wonder it's selling (for 89c) like hot-cakes—in the States. But you can have it for just 25c and 10c to cover mailing! It's a Plastic Juice Container that's unbreakable—non-toxic—spill-proof and it holds five cups of left-over juices. Simply put the juices you want to keep fresh in this container in your refrigerator. It "seals in" the vitamins! All you do for your—send me—Barbara Brent, 1411 Crescent St., Montreal, P.Q.—a 35c Postal Note or postage stamps from a Bovril Cordial or Concentrate bottle. (The container easily when soaked in warm water for ten or fifteen minutes. Luscious BOVRIL! Makes such a wonderful hot drink. Meat dishes so deliciously...no wonder it's a family favourite in many Canadian homes!

Here's An Extra-Special Offer, Mothers! Heinz have designed very handy plastic cap covers that fit over the tops of HEINZ BABY FOOD tins when baby doesn't eat a full tin at one mealtime. Simply leave the balance of the Baby Food in the tin, cover it with this plastic cover and store it in your refrigerator. And another wonderful time-saver is the Baby Food Saver—a plastic scoop for removing the last delicious morsels of Heinz Baby Food from the tin. THREE plastic cap covers and TWO Baby Food scoops are yours if you'll simply write to me—Barbara Brent, 1411 Crescent St., Montreal, P.Q. Enclose only 10c in coin or postage stamps and 3 labels from Heinz Baby Food tins. And be sure to tell me whether your baby is a boy or a girl so I'll know whether to send these five "baby specials" in pink or blue!

A Party, Mum... the cry, how much for the young fry to celebrate. Simple JELLO JELLY is the answer, bright and appealing for gay parties more than any one of Jell-O's "locked-in" flavors. Economical as it is good.

JELLO WHIPS... Jell-O (any flavor) in hot water, mix with 1 cup of milk, chill until firm. Chill Jell-O. When slightly firm, place in bowl of mixer. Beat with rotary whisk until thick and creamy. Pour over fruit. Chill. Unmould. Serves 6.

Are Preferred By Babies!... that's what a mother I know says. JERGENS LOTION! It's truly amazing for baby's skin. It's so smooth and soothing to baby's skin... babies just love it! And tests show it does better for baby's skin than any other lotions. Yes, it does a really superior job of protecting baby's skin from rashes and skin. You see, it's absolutely sterile—simply promotes the growth of infecting germs! All reason why Jergens Lotion is preferred by more and more babies!

Here's A Recipe For A Happy Home, taken from the "BANK OF MONTREAL Cook Book"... Family-Size Recipe for Saving for Holidays, for Emergencies or Opportunities! 1 Household Savings Account for Father and Mother, 1 "Sunshine" Account for Sister's Holiday, 1 Savings Account for Junior's paper-run money... preparing for college expenses, 1 Packet of Canada Savings Bonds held by the B of M. Do not allow to cool or dry up, but pour in ingredients regularly. The recipe may be adapted to any size of family.

And, remember, all ingredients in this recipe may be obtained with the assistance of the friendly, helpful people on the counter at your nearest branch of the B of M!

And Your Baby's Laugh... this wonderful dish for tiny tots!... (smoo-o-o-th) "Cream of Wheat" in a gay baby bowl... tempting and smooth and, oh, so appetizing... with lots of milk, too, of course! 5 Minute "Cream of Wheat" is so good... and so good for baby! For it contains Iron, Calcium and Phosphorus for diets deficient in these elements. So make a mealtime habit of good "CREAM OF WHEAT"! You might try playing "Guess What?" with your youngster sometime. Bury stewed apricots or a spoonful of jelly in "Cream of Wheat"—then let him find out what's 'way down bottom of the bowl!

Like a "flash-flash" gossip columnist today! Surrounded by a few Frigidaire dealers and salesmen, I've just had a glittering preview of the new 1950 model FRIGIDAIRE REFRIGERATORS! And gals, are you something! The big news is that there's a new model in the line after an absence of years and that means uncovered foods don't spoil. All models are superbly styled by Raymond and the metal trim of the Cold-Wall model is a glorious Ice-Blue color that's really something to see. Storage space has been increased. I saw models with adjustable shelves and new twin fruit and vegetable Hydrators that are deep! But I just haven't space to tell you of all the wonderful features. See them at your Frigidaire dealer's soon!

"It Must Have Been An Extra Large Washing" that made my back ache so terribly last wash-day, writes a reader. "Believe me, I was a first-class candidate for the 'Wash-Day Blues' 'til I remembered what you'd said about SLOAN'S LINIMENT in your column. I went right out and bought some, then my husband patted it on my aching back. It worked like magic!... Many thanks for the tip! Yes, Sloan's soothing, penetrating heat goes right to the heart of the hurt! It brings welcome relief to folks suffering from back-ache, sprains, stiff neck, rheumatism or neuralgia. And you'll be surprised at its reasonable price!—just 40c a bottle at your favourite drug store!

Know a "beauty find" when they see it! That's why, stars, who responded to a recent survey, WOODBURY POWDER... Woodbury Powder, too—forever after—once it's on your skin! Something new and exclusive... Woodbury Powder gives a smooth-as-satin look to your skin! Just try the beauty magic of Woodbury Powder! It comes in seven beautiful shades of them for you... 15c, 37c and 55c at your favourite cosmetic counter.

These Men & Happy Marriage? The wife's careful attention to matters of intimate feminine cleanliness certainly helps! That's why ZONITORS are preferred by thousands of fastidious women. These graceless—stainless—snow-white vaginal suppositories are daintier—more convenient—powerfully germicidal, yet absolutely safe to delicate tissues! They're a truly satisfactory method of feminine hygiene! Ask your druggist for Zonitors tomorrow—and write to me—Barbara Brent, 1411 Crescent St., Montreal, P.Q.—for a booklet giving frank facts on feminine hygiene. It will be sent to you in a plain wrapper.

P.T.A. Talks Music, Study

The highlights of the monthly meeting of the Borden Street School Parent Teacher Association on Tuesday evening were a talk on classical music by Miss M. A. Way and discussion on the value of study groups in the P.T.A. led by Rev. Lawrence G. Sieber.

In an informative and interesting talk Miss Way pointed out that music had more to offer than even the best poetry. It had a beneficial effect on people. The quality of music did not depend on its difficulty or complexity but on its refining influence on its listeners. It gave to people a satisfaction that was both intellectual and emotional. One of Miss Way's pupils, little Sylvia Helland then played a Sonata by S. Kulau in a competent and accomplished manner. The interpretation and execution of the number were a tribute to the talents of the young player and to the efficiency of her teacher.

Mr. Sieber's talk on the value of study groups in the P.T.A. was based on his actual experiences in such work. Participation in such activities was enlightening, broadening and satisfying. Among parents and teachers much of the interest would naturally centre around the child and study groups would enable the grown-ups to understand their children better and so deal

more adequately with the various situations that arise so often. "Keeping up with our children" requires a readiness and resourcefulness that strains the understanding of most parents. The exchange of problems and their discussion will often provide a solution that the individual parent would not have reached on his own but that could be reached through the P.T.A. groups. The talk was effective and timely and as a result four groups will be formed with Mrs. Ken Harding, Mrs. M. Halverson, Mrs. A. J. Dominato and Mrs. H. T. Logan acting as conveners.

Interesting films shown with Jack Evans as projectionist were "Designing Women" and "Shop Talk."

Mrs. H. C. Flood presided over the business meeting when, in addition to routine business, thanks of the children were expressed in appreciation of the presentation of a projection screen, and uniforms for the basketball team. Plans were also laid for the sale of home cooking to be held at the school this Thursday afternoon. Refreshments were served and this gave the usual opportunity for parents and teachers to discuss matters of common interest and also to visit the classrooms. An outstanding item of interest was the "Valentine Hearts Home" made by the pupils of Grade Four under Mrs. Cobb. The originality and craftsmanship aroused the greatest admiration of all.

ADVERTISING IN THE DAILY NEWS

Health Board Annual Meet

Ald. James Forman has been re-elected chairman of the Prince Rupert and District Union Board of Health, annual meeting of which was held recently. Dr. Duncan Black, medical director of the unit, takes over as secretary and Miss Freda Hilton is acting as treasurer pending appointment of a permanent statistician.

Dr. Duncan Black who recently assumed the post of medical director of the unit, is planning to carry out a tour of the district in the near future. Accompanied by Miss Hilton and Armine Boas, sanitarian, he will visit Smithers and Hazelton and the middle of March will pay a visit to the Queen Charlotte Islands. He will visit all the schools during Terrace and Hazelton during May and June.

The board heard that a dental clinic will be opened at Terrace after Easter, to be operated by Dr. K. McPherson, the new resident dentist there.

Raid Warnings Being Revived

PORTLAND — Raid warning networks are being revived now throughout Washington and Oregon, and at the same time, the people will be cautioned against hysteria or "undue concern".

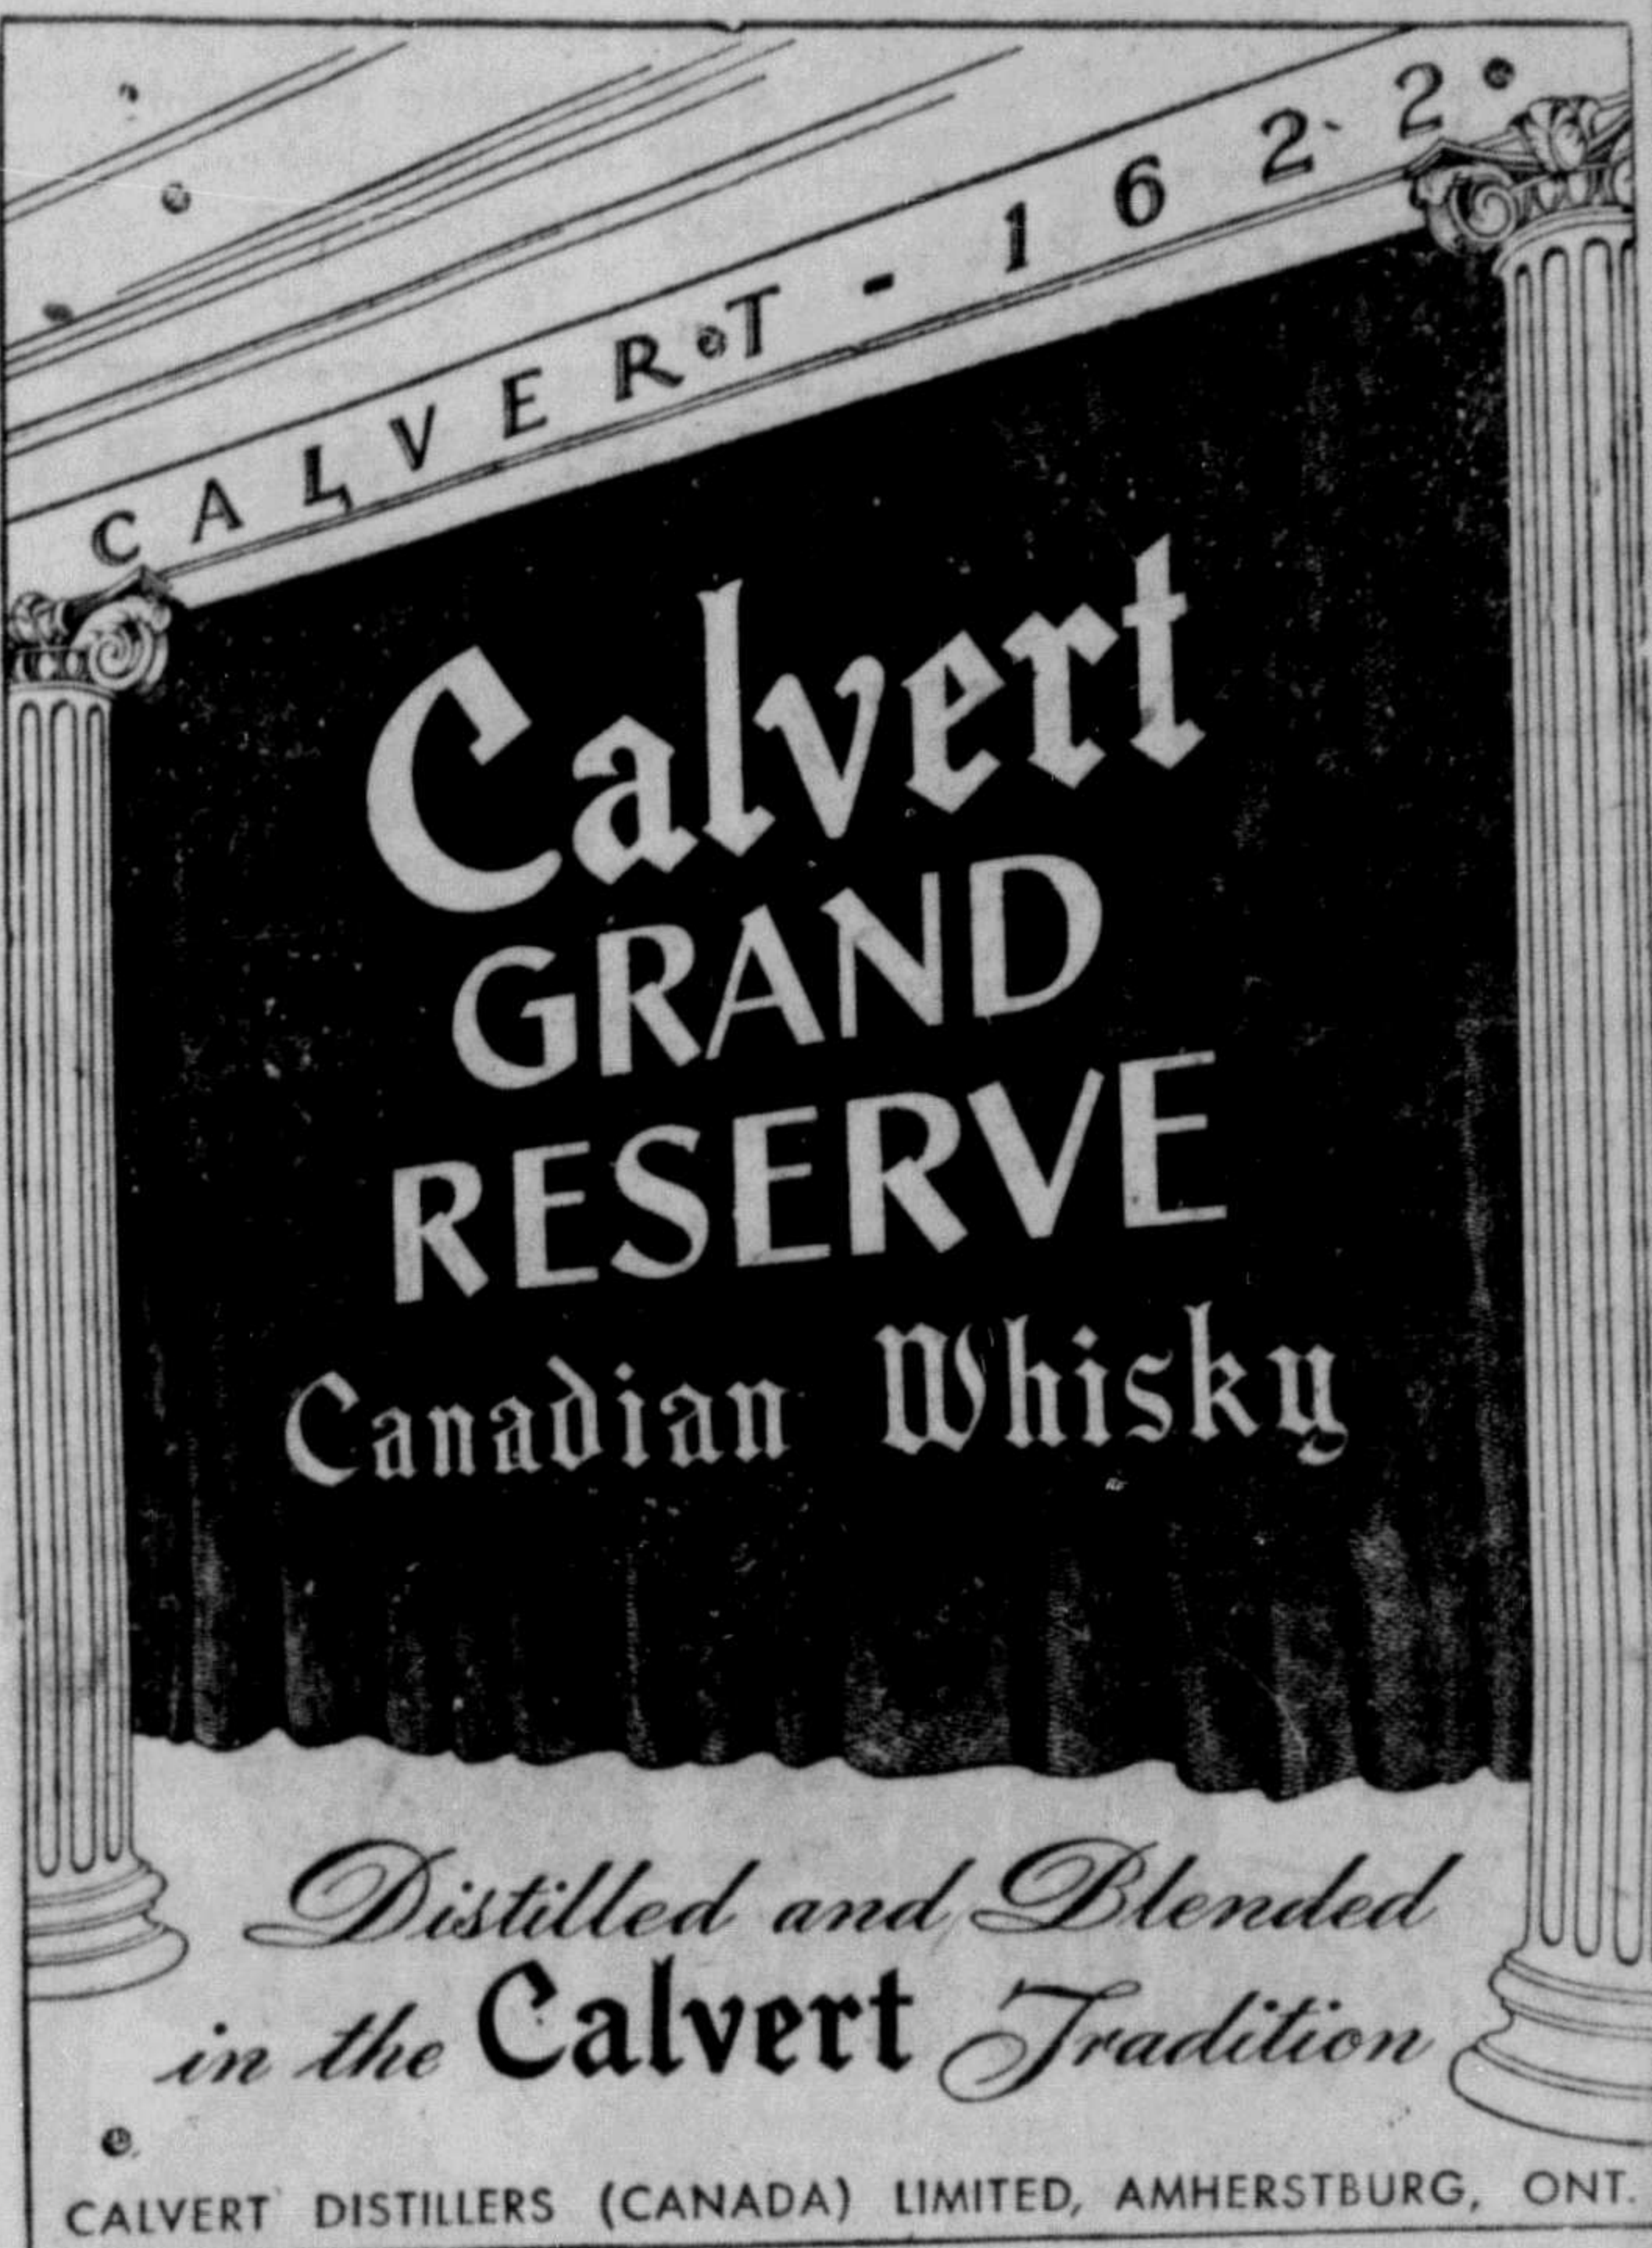

The re-establishment of the system that was in effect during the war is nothing more than a precaution. It's an insurance policy, during a period when there are possibilities of conflict.

In a list of incorporations published in the B. C. Gazette last week appears the following: Rupert Cement Products Ltd., \$50,000, corner of Second Avenue and Park Avenue, Prince Rupert.

Watch These 4 Teething-Time Troubles Of Baby

✓ Digestive upsets
✓ Fever
✓ Fretfulness
✓ Constipation

Don't let your baby fret needlessly during teething time. Get a box of Baby's Own Tablets used so successfully for over 50 years by mothers. They help soothe your little stomachs, and clear out harmful wastes that make baby fretful and restless. Then see how quickly baby's fever usually subsides and your tiny one becomes restful and contented. No "sleepy" stuff—no dulling effect. They can be used with full confidence. Easily crushed to a powder if desired. Be on the safe side—ask your druggist today for Baby's Own Tablets, 29 cents.

From Coast to Coast, Libby's

Canada's Leading Health Drink

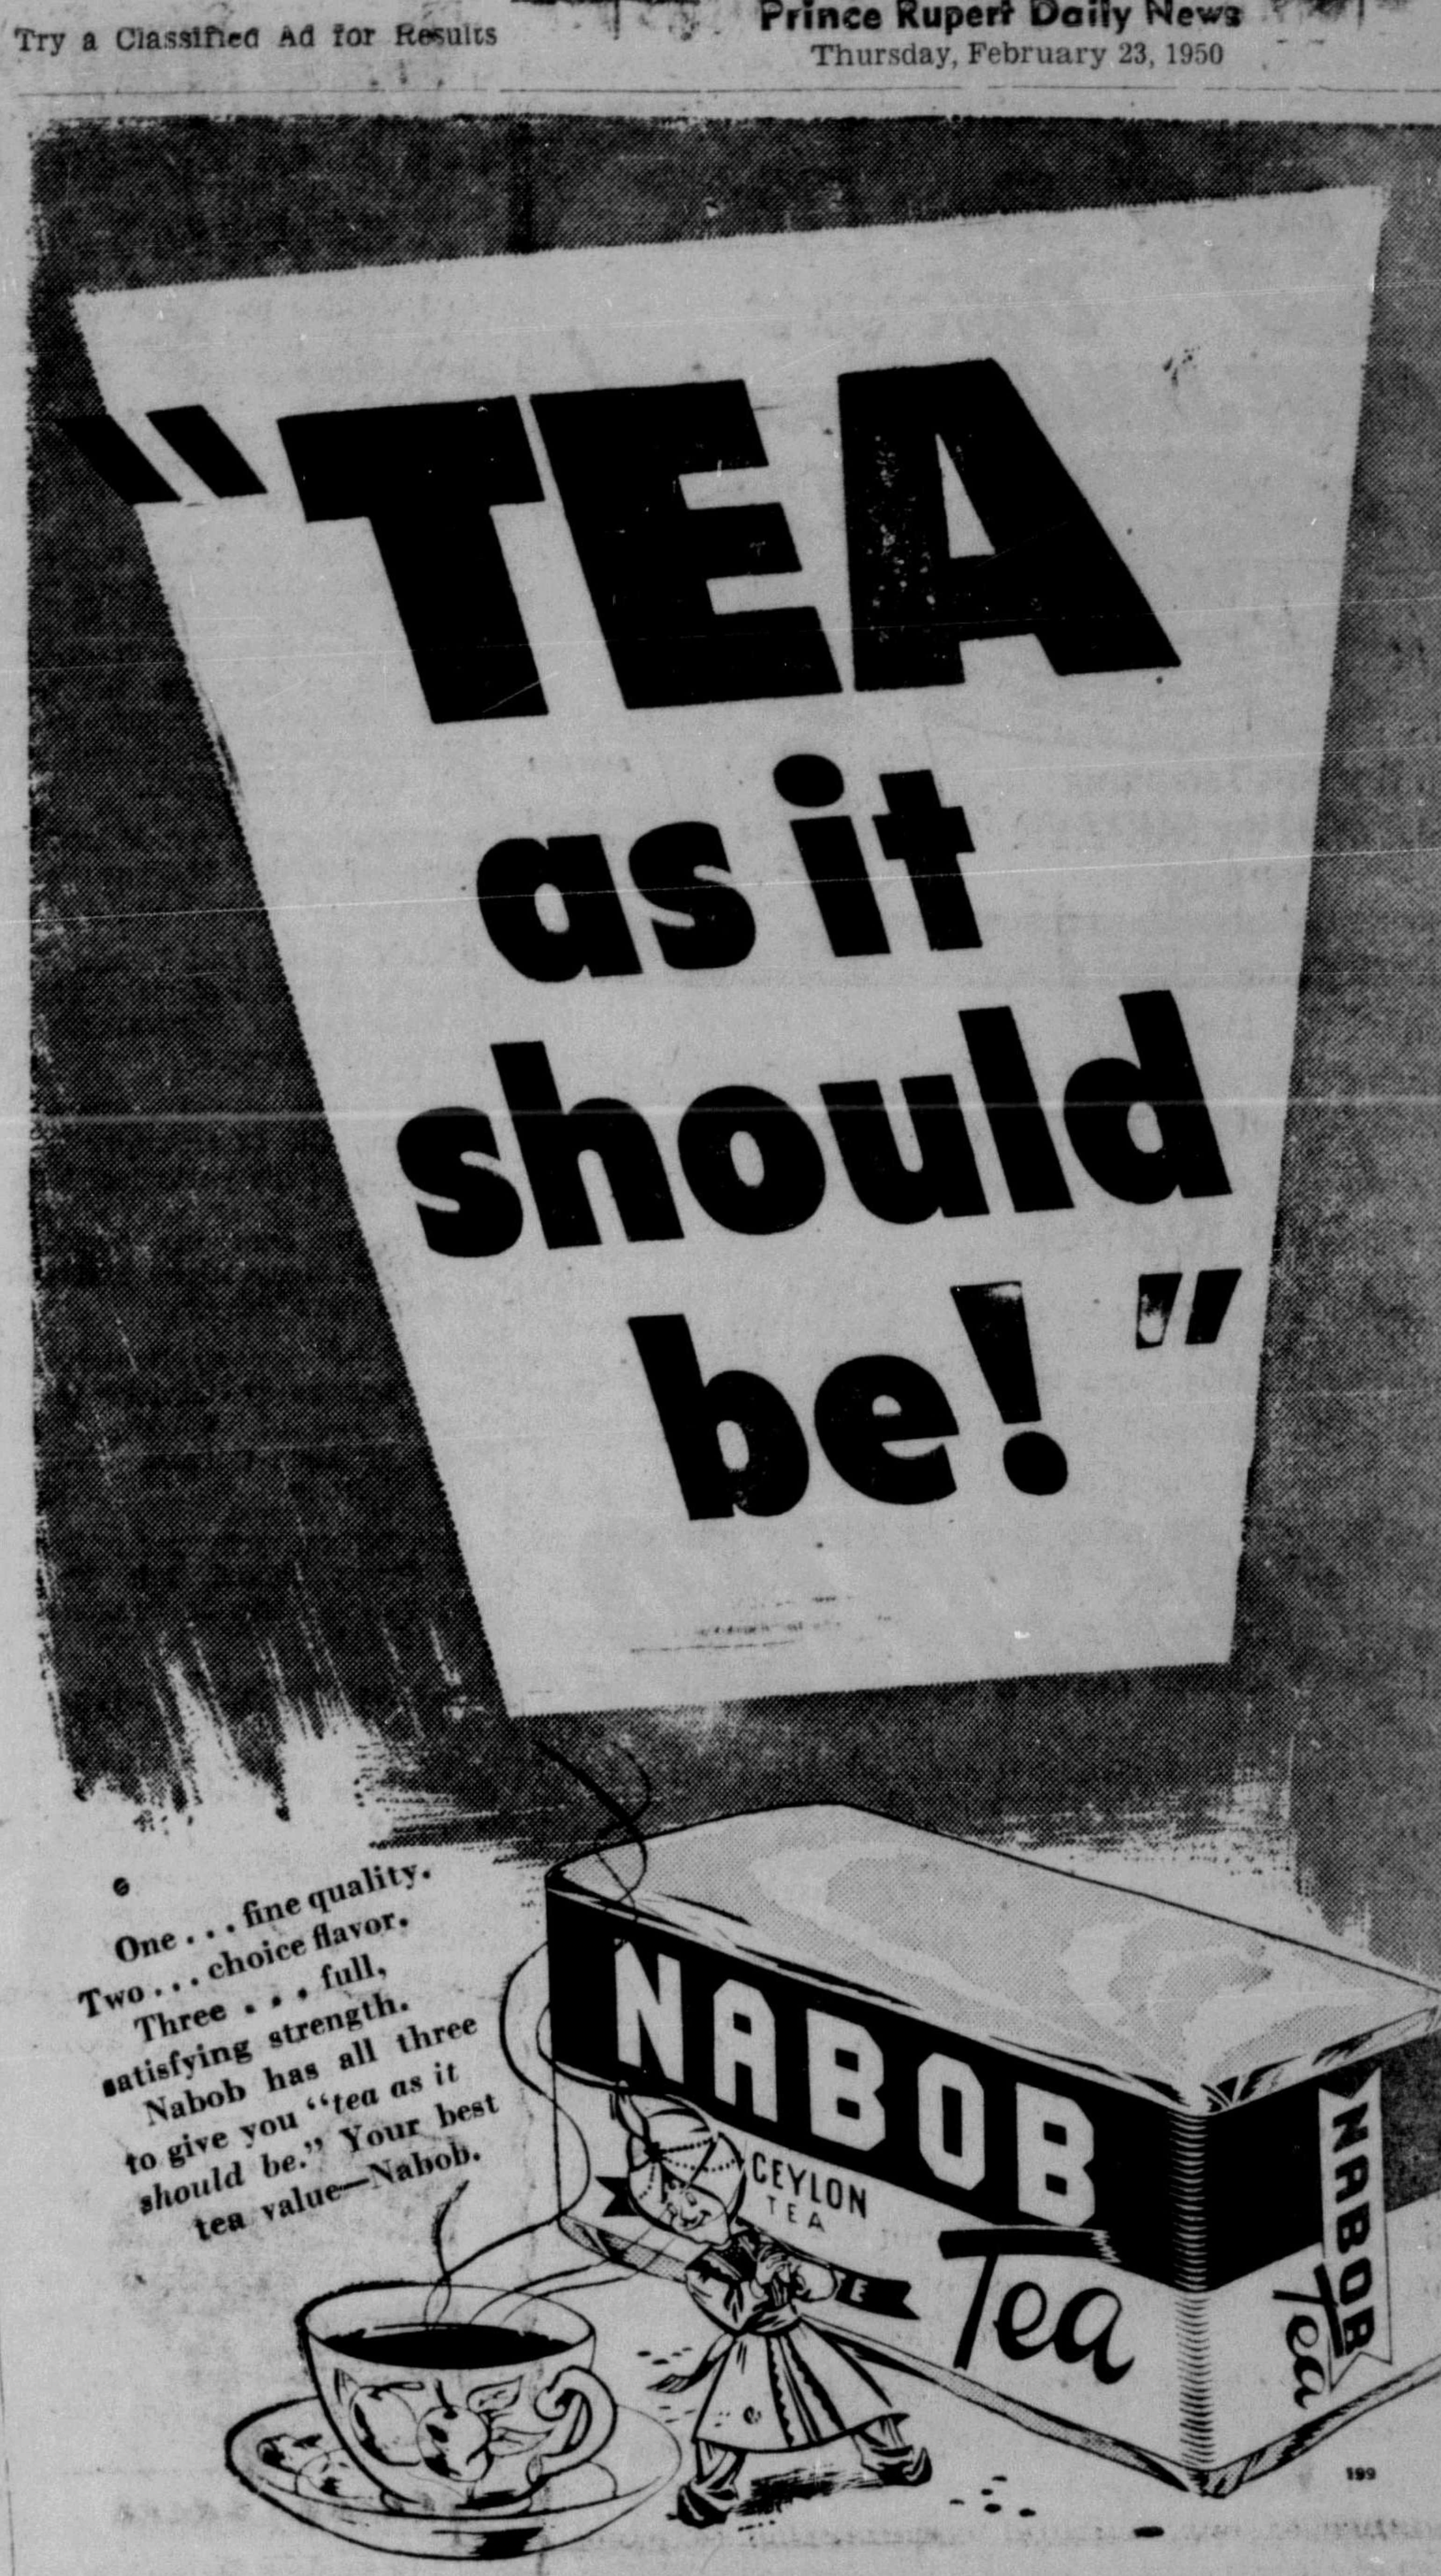

Libby's is the "Gentle Press". Tomato Juice—the choicest juice from firm, red-ripe tomatoes. Served cold, this famous tomato juice is a delicious appetizer at breakfast, lunch or dinner. Heated just to the boiling point, it's a super cold-weather beverage.

Try it both ways. Serve it often. Libby's is an excellent dietary source of vitamins A and C which your family needs for growth, for appetite, for sparkling teeth and strong, straight bones. Keep a supply of Libby's in the refrigerator and encourage the youngsters to help themselves.

FIRST IN FAVOUR—FIRST IN FLAVOUR

DOUBLE YOUR MONEY BACK

if you don't agree that Libby's "Gentle-Press" Tomato Products—Juice, Catchup, Chili Sauce and Soup—are the best you've ever tasted.

"TEA as it should be!"

One... fine quality.
Two... choice flavor.
Three... full, satisfying strength.

Native Athletic Club's Election

KITWANCOOL—Newly elected officers of the Gitangow Football Club for the year 1950 are as follows:
President—Albert L. Douse.
Vice President—Walter S. Douse.
Baseball Manager—Morris Williams.
Baseball Captain—Willard Williams.
Football Manager—Rufus Good.

Victoria Curling Rink Approved

VICTORIA—Overriding the recommendation of Town Planning Commission, city council this week gave the green light for the establishment of a curling rink on property adjacent to the Memorial arena. J. E. Neely is president of the Victoria Curling Club.

Football Captain—Willie Williams.
Baseball Coach—William Smith.
Football Coach—Edgar Good.
Secretary—Ivan Good.

Ladies' Bowling Race Is Closer

Rosa Lee's retained their leadership of the Ladies' Bowling League this week by virtue of a two games to one victory over Pinheads and Brownwoods, all two games to one victory over plumpers, retained the runner-up spot. Lyons, with their three games to nil win over Annette's showed they are an aggregation to be contended with. Incidentally they moved into a three-way tie with Plumpers and Annette's for third place.

Pearl Menzies of Savoys had the high single score for the week of 357 and the high three-game aggregate of 756.

The team scores were as follows:

Wallace Pharmacy 3, Big Sisters 0.
Seal Cove 3, Scuby's 0.
Lyons 3, Annettes 0.
Stars 3, Belmont 0.
Rupert Radio 3, Lucky Strikes 0.
Rosa Lee's 2, Pinheads 1.
Toilers 2, Variety 1.
Savoys 2, Boosters 1.
Noble & Wick 2, Black Cats 1.
Plumpers 2, Brownwoods 1.
Wrathalls 2, Gordon & Anderson 1.
White's 2, Commercial 1.

The numerous ties played by Montreal Canadiens raises the question of resumption of overtime play in the National Hockey League. But Elmer (Montreal Herald) Ferguson doesn't think much of the idea. Says he: "Limited overtime seldom means anything. Both teams will play close-knit hockey to protect their status but that isn't the point. Hockey is a game of one hour's duration which is enough to establish superiority, if there is any superiority. If there isn't any, then a tie is a fair reflection of the game."

Canadiens, when they tied their latest joust with Toronto Maple Leafs, also tied their own record of 15 games in a season which have ended in no victory for either side. The first time Canadiens marked up so many ties was back in 1928-29.

Fergie points out that there is no overtime in soccer or boxing. "From a more practical viewpoint, even if there was a demand for overtime play in hockey—and there isn't, from any important source—it would be impossible under the 70-game schedule, where hair-line travel arrangements are an essential," says Fergie. "But hockey doesn't require overtime, except in play-off matches, where anything except games to a finish might arouse unfavorable reactions."

For a minute it looked as though Canadiens' Rocket Richard and Maple Leafs' sturdy Bill Juzda were going to come to blows. Richard was slammed heavily into the boards by Juzda and both tumbled to the ice. They arose and skated away. Richard suddenly wheeled back and went straight for Juzda. It looked like the forthcoming settlement of unfinished business. Juzda threw up his hands in a protective position. But all Richard wanted was his own stick. He snatched it from Juzda's hands, politely handed Juzda the stick that belonged to him. During the tumble they had picked up the wrong sticks.

SAVED BY BABY

EVESHAM, Worcestershire, England—Mrs. Margaret Halder, busy with her washing, heard her baby cry. She went to attend the child. When she turned she found the washhouse where she had been working had been struck and demolished by a truck.

Mercurys Lose To Harringay

LONDON—Edmonton Mercurys, Canada's term for the world hockey championship, drew two to two with Harringay Racers last night. The match was the second of a two-game series for the Francis Gentle trophy which was won by Harringay on an aggregate score of eight goals to five.

The Mercurys leave today for Sweden where they will make a short tour before returning to London for the world championship in March.

Better Lead in Bowling

Royal Hotel knocked out its nearest rival W.E.A.C. in the Sunday 10-Pin League to forge nine big points out in front. But the big upset for the day was the Liquor Control Board's mighty triumph over the Savoy Hotel Squad. A much improved Grotto team took the Prince Rupert Plumbing five for three points and 99 Taxi upset the Commercial Hotel.

High game for the day was rolled by Vernon Clecone with 221 while W. Smith, also of the Royal Hotel squad, took high three game honors with 544.

High aggregate score honors went to the Royal squad with a 2547 pin total which equalled the season's high, set by the Royals and also tied by 99 Taxi.

Game results were:
Liquor Control Board (3) 727, 765, 833-2265; Savoy Hotel (1) 807, 665, 726-2198.
Commercial Hotel (1) 761, 806, 780-2347; 99 Taxi (3) 783, 805, 592-2480.

Prince Rupert Plumbing (1) 770, 762, 757-2289; Grotto (3) 740, 816, 830-2336.
W.E.A.C. (1)-735, 864, 846-2445; Royal Hotel (3) 824, 837, 886-2547.

League standing to date are:
Royal Hotel 25 pts.
W.E.A.C. 16 "
Grotto 16 "
Commercial Hotel 15 "
Pr. Rup. Plumbing 13 "
99 Taxi 12 "
Savoy Hotel 10 "

Gyros Hear Of Strange Land

Rev. Charles L. Lomas Speaker at Yesterday's Luncheon

Seven hundred miles inland from Nigeria's port of Lagos lies an isolated country of West Africa populated by a strange and primitive people whose life and customs were the basis of an intriguing descriptive story which the Prince Rupert Gyro Club heard at luncheon yesterday from Rev. Charles L. Lomas, skipper of the Anglican mission boat, Northern Cross, who was a padre in that part of the world in World War II.

Little known to the outside world as it may be today, these states of northern Nigeria have a known history dating back 1000 years and a civilization of their own which is traceable through the centuries by the records of their own script. Principal among the cities in that land of tropical jungle is Kano, economic centre of a nation which also has a currency of its own and whose main export is 240,000 tons of peanuts a year. It is a land of long dry summers and hot rains.

It was Mr. Lomas' description of strange and almost barbaric customs (the people are traditionally Mohammedan although Christianity has been introduced in recent years) that proved of particular interest. He told of the primitive medicines made from dried animals, the seclusion of wives including the daughters of the Emir with their strange beauty, the houses of seasoned clay smeared with mica which are impenetrable even by rifle fire, the rampance of murder and the disposal of the dead.

After hearing Mr. Lomas' discourse, the Gyros said they could have listened to much more and they invited the speaker to come back and continue his story. The speaker was introduced by J. S. Lindsay and was thanked by Dr. K. G. Large.

The meeting observed a minute silence out of respect to the memory of the late Arnold Flaten who passed away a few days ago in Victoria.

President A. J. Domingos was in the chair and E. S. Gladding was a guest.

Stanley Saville of Prince Rupert and A. M. Patterson of Prince George are central and northern British Columbia representatives on the executive committee of the Red Cross in connection with the organization for the forthcoming annual appeal for funds. Hon. E. W. Hamber, Chancellor of the University of British Columbia and former Lieutenant Governor of British Columbia, is chairman.

News of Francois Lake

Mild weather is welcome and has given people a chance to sleep the night through without having to get up and replenish fires. Loaded trucks with lumber are crossing the lake day and night. Timbers have been hauled down ready for the building of the new wharf.

Sam Shaffer has returned from Edmonton where he had his periodical medical check-up.

At the annual Farmers' Institute meeting the officers were re-elected as follows: President, Neil Kelly; Secretary Treasurer, J. Keefe; Vice President, C. Corliss; Directors—J. Stretch and C. Snyder.

Mrs. J. Henkel is visiting her daughter, Mrs. J. O'Mears, at Alameda, and expects to be away for two months.

Mr. and Mrs. Wallace Antilla were in Prince Rupert last week, having left hurriedly after hearing of the death of Mrs. Antilla's father, Robert, Gordon.

Architects Busy—

Plans For New Hotel

With Apartment Project, Will Cost Three-Quarters of Million Dollars

Plans for the new Charles M. Hays hotel at Prince Rupert are now in course of preparation by Architect William K. Noppe, Nicola Street, Vancouver. It will have fifty rooms and cost about \$500,000. A five storey structure, it will contain on the ground floor, a lobby, dining room, coffee shop, ball room, theatre and stores. A club room will be in the area below the ground level.

Mr. Noppe is also planning conversion of the former United States army building on First Avenue into an apartment block. This will provide for sixty suites, the work to cost \$220,000.

You will be delighted with this fragrant tea

"SALADA" ORANGE PEKOE

Red Cross Drive Being Planned

Planning for the annual drive for funds for the continued work of mercy will be included in the business for the annual meeting of the Prince Rupert branch of the Canadian Red Cross Society which will be held tonight. Meantime Campaign Chairman Stanley Saville is asking for volunteer canvassers to operate in a block system details of which are to be arranged. Annual reports will also be presented tonight and officers elected. Present officers are R. A. Morley, president; H. A. Green, secretary, and Stanley Saville, treasurer.

NEWCASTLE, England—B' team yesterday defeated Holland 1 to 0 in an international soccer match here.

P.T.A. Enjoys Fine Program

Business Also at King Edward
Session Last Night

Vocal solos by Mrs. F. E. Anfield and Leonard Sykes, and Scottish folk dancing conducted by the "Thistle Club" were highlights of an enjoyable meeting of the King Edward School Parent-Teacher Association held in the school music room on Tuesday evening.

The president, Mrs. R. E. Mortimer, was in the chair and, despite the inclement weather, there was a good attendance of some 70 persons.

Considerable business was transacted. Mrs. J. Bowman was elected vice-president of the organization.

The King Edward School P.T.A. unanimously endorsed a resolution of the Prince Rupert Teachers' Association that teachers be given the right to hold municipal office. Principal R. G. Moore spoke to the motion.

Mr. Moore introduced Dr. Duncan Black, Director of the Prince Rupert Health Unit, who in turn introduced Mrs. Black to the members.

C. H. Insulander pointed out the need for another dentist in Prince Rupert so that school children might be accommodated. A motion was passed along this line.

Membership convener Mrs. W. W. Bowes reported a membership of 175 to date.

Mrs. P. Mark gave an interesting account of the founding of the Parent-Teacher Association first in the United States, then in British Columbia and in Canada. The Prince Rupert organization was formed on February 13, 1924, and in 1945 was divided into individual school groups.

Mrs. F. E. Anfield, accompanied at the piano by Mrs. G. D. Mead, sang two delightful numbers: "Lassie o' Mine" and "Spring Song." Mrs. Anfield accompanied Mr. Sykes whose selections, "The Hills of Home" and "The White Dove," were beautifully rendered. Both singers received hearty applause from an enthusiastic audience.

The meeting was then turned over to the "Thistle Club" who, with their president, W. G. Murray, were the special guests of the evening. Scottish folk dancing, old and new, was much enjoyed.

Delicious refreshments with a Scottish flavour were served under the capable direction of Mrs. B. Roald.
