Wicks Names Five-Member Labor Board

VICTORIA (AP)—Labor Minister Lyle Wicks Thursday appointed a new five-member labor relations board which will be headed by deputy labor minister W. H. Sands.

The new board will take up its duties immediately to replace a board which was dismissed Wednesday with the proclamation of the Labor Relations Act.

For the first time in Canadian history a woman will be a member of such a board. She is Mrs. Frauena Eaton.

The other members are: H. J. Young, G. A. Little, and Charles Mordoch, all of Vancouver.

All five are also on the Board of Industrial Relations, which administers the Hours of Work Act, the Male and Female Minimum Wage Act, and other B.C. labor legislation.

Their appointments mean, in effect, there will be only one board, eliminating duplication.

Board members dismissed on Wednesday were C. A. P. Murison and Fred Smeltz, management representatives, and George Home and Jim Baton, labor representatives.

Col. D'Arcy Baldwin, chairman of the old board, resigned recently. The other four were dismissed at a cabinet meeting Wednesday and received gold watches.

The two labor members were representatives of the largest labor bodies in the province. Mr. Home is secretary of the B.C. Federation of Labor (CCL) and Mr. Barton is president of the Trades Union Congress (TLC).

The witness also testified that his daughter had a dislike of hospitals and "insisted" that she should not be taken to a hospital.

Guatemala On Brink Of Revolt

Resistance Force Believed Poised

TEGUCIGALPA, Honduras — (AP) — Armed Guatemalan exiles were reported massing today along their jittery homeland's frontier with Honduras amid indications that this may be D-day for a revolt against President Jacobo Arbenz Guzman's regime.

The belief stemmed in part from Guatemalan ambassador Amadeo Chinchilla, who said he had received reports that resistance forces would launch a rebellion today against Arbenz.

Reports from censorship-blighted Guatemala said authorities there were preparing a massive public demonstration today. Observers here interpreted it as a possible move to mobilize pro-Arbenz forces for action in case of a revolt.

Here in the Honduran capital, armed Ketchikan men, apparently recruits for the exile resistance movement directed from here by Carlos Castillo Armas, continued to leave the city, presumably for the border.

A two-engine transport plane with drawn curtains alighted a dozen men out of Tegucigalpa Thursday night. The group carried side-arms and lugged a radio and several wooden crates aboard.

Earlier reports said an armed boat pulled out of the Honduran port of La Ceiba and headed for Guatemala. Informants said it was moving into position for a strike against the major Guatemalan port of Puerto Barrios.

Col. Rodolfo Mendoza, former chief of the Guatemalan Air Force who fled here last week to take part in Castillo Armas' movement, was interviewed over the exiles' secret radio Thursday night. This indicated he might already be near the border.

Castillo Armas, however, was still at his headquarters in Tegucigalpa Thursday night. In a rallying call from there, he said his forces "will not cease our victorious fight until we eradicate communism and expell Arbenz and his followers from the sacred soil of Guatemala."

Reports spread that Nicaragua has been aiding the resistance movement, but Castillo Armas said the operation "is directed exclusively by patriotic Guatemalans."

First Shipment Scheduled For Ferry Slip Next Week

Shipments from the new pulp mill at Ketchikan over the GNR line via the Prince Rupert ferry slip are scheduled to start next week, W. A. Whyte, CNR general freight agent at Vancouver, reported here today.

Mr. Whyte, who visited Ketchikan yesterday with Arthur Kemp, district freight agent here, said that everything appears to be ready for the loading of 20 cars which will comprise the first shipment. The cars will be lined up here early next week for their water journey north.

At full operation, the Ketchikan mill will produce 300 tons of pulp per day for 360 days a year. To handle the output there will be two or three shipments out of Ketchikan each week. The loaded cars will proceed through Prince Rupert to eastern U.S., where the parent American Viscose Company has seven plants for processing the pulp.

Total shipments by rail per year are expected to be about 100,000 tons.

Mr. Whyte is in town with J. J. Behan, CNR manager at Vancouver. They will visit Kitimat tomorrow before returning to Vancouver.

100 Ice Boxes Burned in Drive

CLEVELAND (AP)—Close to 100 ancient iceboxes will go up in flames tonight in ceremonies at suburban Fairview Park. The boxes, regarded as death traps for children, were collected from throughout Cleveland during a month-long drive.

TUZLA, Yugoslavia (AP) — Ten persons were killed in this west Yugoslav coal mining town on Thursday following floods that set off underground gas explosions.

FARMERS AND TOWNFOLK in trucks and boats carry sandbags to the combined power plant and pumping station at the town of Athabasca, 100 miles north of Edmonton. The station was threatened by flood waters as the Athabasca river approached its flood crest. At least 400 men were involved in the 24-hour project. The rising waters, the result of a week of heavy rain in Northern Alberta, also swept away about 5,000,000 feet of lumber stacked along the river bank.

Rejection Forecast By Union Official

A vote tomorrow morning by approximately 1,200 members of the United Fishermen's and Allied Workers Union, Prince Rupert local and the Native Brotherhood of B.C. will determine whether the salmon fishing season will get underway Saturday midnight.

The two unions are holding a vote to decide whether they will accept the cannery operators' latest price offers by the Fisheries Association of B.C. The meeting is to be held at 10:30 a.m. in the Canadian Legion auditorium.

The local fishermen are part of 5,000 B.C. salmon fishermen who are scheduled to go on strike tomorrow following a breakdown of salmon price talks in Vancouver yesterday.

Some locals on the B.C. coast voted last night and some today, Mr. Parkin said, and the result should be known by 5 p.m. tomorrow afternoon.

Union officer Alex Gordon, in Vancouver last night said: "It is almost certain that the strike vote to be completed tomorrow will reject the operators' offers."

Salmon prices talks broke down last night with no new concessions being made by either the operators or union, he said.

Completed By Noon

Tom Parkin, northern representative here for the UFAWU said today that it is hoped to have the vote tallied as soon after lunch tomorrow as possible.

Norman Bells, manager of the Prince Rupert Fishermen's Co-op said that he didn't know what the gillnetters and seiners of the Co-op would do, because they were fishing for themselves.

B.C. Packers spokesman Doug Souter said that he didn't think the pending strike would affect the plant here but it would certainly hit B.C. Packers as a whole.

C. E. Starr of Pacific Fisheries said that a gillnet strike "will not affect us much here, but he imagined that any strike would be settled before the season advanced very far."

Landings Up, Prices Down On Exchange

Landings of halibut increased today as more boats arrived in Prince Rupert from Area 3.

Five boats sold their catches on the Prince Rupert Halibut Exchange, while four, all American, sold directly to companies.

Landed at the exchange this morning were 249,000 pounds which went at prices slightly lower than yesterday, averaging 19.8 cents for mediums.

Individual catches with the prices in brackets are as follows: Yquinna (U.S.) 36,500 pounds, mediums 23,000 (19.8); large 13,000 (18); chicken 500 (14) sold to Booth Fisheries.

St. John (U.S.) 45,500 pounds, mediums 25,000 (19.7); large 20,000 (18); chicken 500 (14) sold to Pacific Fisheries.

Combat 53,000 pounds, mediums 30,000 (20); large 20,000 (18); chicken 3,000 (14) sold to B.C. Packers.

Aleutian Queen 61,000 pounds, mediums 40,000 (19.8); large 20,000 (18); chicken 1,000 (14) sold to Atlin Fisheries.

Western Spirit 53,000 pounds, mediums 37,000 (19.8); large 14,000 (18); chicken 2,000 (14) sold to B.C. Packers.

Also unloaded today were four U.S. vessels who sold direct to companies. They were the Yukon with 45,000 pounds and the Pioneer III with 37,000 pounds, both of whom sold to Atlin Fisheries. Selling to B.C. Packers were the Lorelei II with 60,000 pounds and the Hoover with 53,000 pounds.

New Life Given Indo-China Talks

GENEVA (Reuters) — Indo-China peace talks resumed in private here today with hopes of success boosted by the election of a new French government.

The parliamentary vote in Paris Thursday night installing Pierre Mendes-France, who is pledged to obtain a quick ceasefire, followed apparent concessions here by China which gave new life to the deadlocked negotiations.

Georges Bidault, French foreign minister who flew back here for urgent talks when it appeared the Western powers might seek to suspend the conference, now is likely to quit the Geneva scene. His party will not be in the new government.

Many observers here believe Mendes-France himself will come here as his own foreign minister.

The six non-Communist delegations worked until late Thursday night on a detailed study of the new Communist proposals.

High Voltage

ALUMINUM CABLE from Canada was used in a Peruvian high-voltage power line, installed at altitudes of from 13,000 to 15,000 feet—the world's highest. Canada supplied not only the cable but also the technical assistance required on this record job. We imagine that aluminum's light weight was particularly appreciated by the llamas or whatever other beasts of burden were used to get the cable to the top.

In the rugged mountain country of British Columbia where Alcan's own huge Kitimat development is going on, the aluminum transmission lines used represent another record: they are the largest-diameter overhead power lines in the world. Aluminum Company of Canada, Ltd. (Alcan).

Government Rejects Bids for Veterans

OTTAWA (C)—Pleas for more and bigger allowances to Old Soldiers of the First World War rematurely aged by combat duty have been made by members of all parties in the Commons. The government has rejected the requests.

Opposition members and some liberal back-benchers Thursday asked for improvements in war veterans allowances paid to so-called "burned-out" veterans more than 60.

They urged the government to accept the requests of the Canadian Legion to increase the allowances to \$60 a month from \$50 for single veterans and to \$120 from \$90 for married veterans.

A second legion request received equal support—to boost the ceiling on permissible income to \$1,200 from \$720 for single and to \$2,000 from \$1,200 for married veterans. The present income ceiling allows additional income of \$120 a year without a reduction in the allowance.

SOME \$40,000

Allowances now are paid to some 40,000 veterans or widows. Col. A. J. Brooks (PC-Royal) urged immediate action. The average age of recipients was 64 or 65.

"They are dying off very quickly. A month or a year or two years means a great deal to them."

Clare Gillis (CCF-Cape Breton South), Victor Quelch (SC-Acadia) and Elmore Philpott (L-Vancouver South), all First World War veterans, were among those who supported the plea.

Veterans Affairs Minister Lapointe said the question is under continuous review by the government, but he pointed to the cost. He said that granting of the Legion's two requests would mean an additional \$18,000,000 to \$19,000,000 a year above the \$27,715,000 now paid in allowances.

Other requests that allowances be paid to First World War veterans who served in England would cost another \$5,670,000.

Granting all demands would increase the outlay on allowances 95 per cent.

STANDARD of BRITISH COLUMBIA
presents its finest gasoline achievement

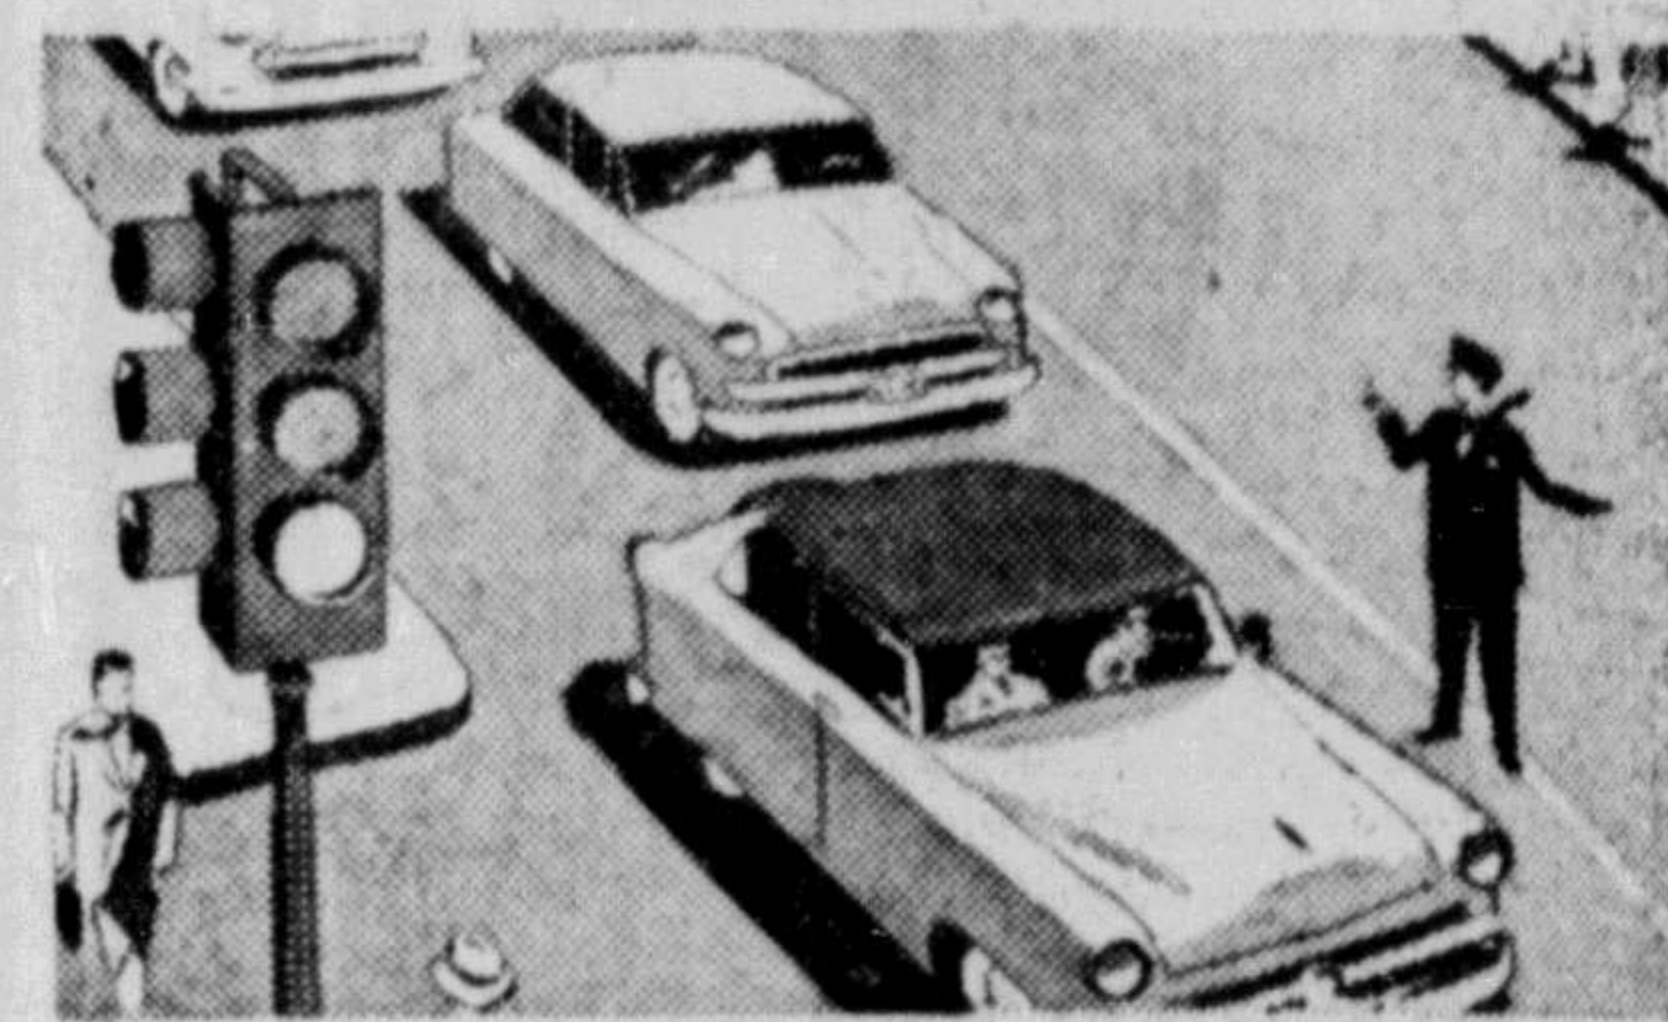

**At no increase in price... a new kind
of motor fuel that ends forever the
biggest single cause of engine trouble**

**World's first
"Detergent-Action"
gasoline**

**Cleans up carburetors...
first tankful stops deposits**

Carburetor trouble accounts for about 30% of all engine repair work... yet, until now, no one knew their cause. Then Standard scientists discovered that tiny bits of gum, carbon and dust from engine exhaust are drawn into the carburetor. They stick there and form a ring of deposits that soon grows thick enough to choke off the engine's air supply when it's idling.

**Smooths out rough idling...
ends stalling in traffic**

These carburetor deposits caused engines to idle rough, lose power, waste gas, die at stop signs. But, knowing the cause, Standard scientists could perfect a cure—"Detergent-Action" gasoline. While you drive, this new kind of motor fuel cleans out carburetors in old cars, keeps them clean in new cars from the first tankful. After thousands of test miles, cars using "Detergent-Action" Chevron Supreme and Chevron Gasoline no longer stalled at stop signs; they ran smoothly, quietly.

**Steps up power and
cuts down gas waste**

Operating costs dropped, too. One taxi fleet reports gas savings of \$1200 a month. In other tests, need for carburetor repairs practically disappeared. "Detergent-Action" Chevron Gasolines eliminated all carburetor trouble except those due to mechanical causes. You can enjoy the same kind of savings in your car upkeep costs. Fill up with "Detergent-Action" Chevron Supreme or Chevron Gasoline and drive a thrifter, safer, smoother running car... available only at

Anfields Honored At Cathedral

Two well-known figures in Prince Rupert were feted last night at St. Andrew's Cathedral, when men of the Cathedral Men's Club tendered a dinner in honor of Mr. and Mrs. Frank E. Anfield, who will be leaving the city shortly to take up residence in the south.

About fifty members of the Men's Club, the choir of the Cathedral and parishioners attended the dinner.

Peter Lien, organist and choir leader, spoke in recognition of Mrs. Anfield's devotion to the church, and presented her with a long play record of Bach and Handel Arias as sung by Kathleen Ferris. A record company gift certificate was presented to Mr. Anfield by the Rev. Canon Basil S. Procter, who praised the work of Mr. Anfield over many years in the church.

In replying, Mr. Anfield paid tribute to the Cathedral and its parishioners, saying, "the men must draw together in its support, and the parishioners must move forward with their church."

Also honored guests at the dinner were the Rt. Rev. Horace G. Watts, Bishop of Caledonia, and Mrs. Watts.

MILITARY TRAINING • CAREER OPPORTUNITIES TRADES APPRENTICESHIP • FORMAL SCHOOLING

In its vital job of guarding Canadian freedom, the Army has a continuing need for highly qualified soldiers and soldier tradesmen. To help meet this requirement, the Soldier Apprentice Plan was established.

Combine thorough trades training, schooling, sound discipline, with understanding of the spirit of youth and you have the elements of this Canadian Army's Soldier Apprentice Plan for young men of 16. The Soldier Apprentice training is designed to enable capable young men to gain promotion to higher ranks in the Army.

- a thorough trades training in one of 16 military trades.
- the academic training necessary to learn a trade and to gain promotion.
- the general military training of the Canadian soldier.

Soldier Apprentices are eligible for all Army benefits, including 30 days annual leave. They receive half pay of a private soldier recruit while 16 and on their 17th birthday they receive the full pay.

To be eligible, the young man must be qualified at least for high school entrance. He must have attained his sixteenth but not his seventeenth birthday.

Training begins in September and applications should be made now. After interviews, suitable applicants will be enrolled with instructions to report for training on September 12th.

HEADGEAR PROVES ITSELF

A Little League contest between Super-Valu and Kinsmen, postponed from Monday was called off again last night. The game saw the Little Leaguers' head-gear put to the test as Gerry Jensen of Super-Valu emerged unscathed after being hit on the head by a ball pitched by Kinsmen's Dick Hebb. Tonight Super-Valu will go against North Stars, weather permitting.

Rocky Retains Title In Bloody "Slugfest"

NEW YORK (AP)—Ezzard Charles has joined the impressive list of those former heavyweight champions who tried to win back the title and found the burden too great, but none who watched the Cincinnati Negro take the terrible beating he did from Rocky Marciano on Thursday night will forget the stout-hearted display he gave.

In defeat, Charles probably knew his greatest hour. Never again will anyone in his right mind suggest that he has no stomach for fighting. There were a half-dozen points at which he might have conceded, might have withered under the barrage of blows that Rocky poured into him over the final nine rounds, but at the end Ezzard still was on his tired legs and trying to fight back.

ROCKY MARCIANO
... toughest ever

Marciano, who has a burning ambition to be accepted as a great champion, probably made some progress toward that goal. He didn't win by a knockout, but he might have done something even more impressive in demonstrating that he could give a beating to a man of Charles' skill over the full 15 rounds.

UNDER HANDICAP

If Rocky isn't great, he is a wonderful competitor. For the last 11 rounds he fought under the handicap of a cut over his left eye that streamed blood off and on and soaked both gladiators with gore.

He took everything a game adversary could throw back at him and never wavered. He came from behind and pounded out his victory, as a champion should. There is no man in sight now to stand against him.

On our score card the final tally was nine rounds for Marciano, four for Charles and two so even that we couldn't split them apart. This was slightly longer in Rocky's favor than the consensus of the three officials, who were, however, unanimous in the opinion that the title had not changed hands.

There can be little question of which man took the greater punishment. Charles did, by far. Though Marciano shed the more blood, he never once gave any evidence of being hurt. Charles teed off on the solid Rock perhaps 50 times, flush on the button, yet not once did the champion flinch or back up or do anything except keep slogging forward to throw his bludgeoning left hooks and his looping right.

Charles, on the other hand, appeared very lucky to finish one of four rounds after Rocky first tagged him in the sixth with a left hook to the button and changed the entire aspect of the battle. Up to that time the duel had been practically a one-way street for Ezzard.

Then Rocky exploded his first really good one on Ezzard's whiskers. It shook the man right down to his feet. The thought ran around the ringside that the end was at hand.

Rocky stalked his man, wasted few punches and tried to put him away. He nearly tore Ezzard's head off with long rights that he threw like a catapult. He raked him with lefts.

Remember when

A defence force of RAF fighter planes hovered above the track as Mrs. Macdonald Buchanan's colt Owen Tudor won the wartime English Derby, transferred to Newmarket from Epsom Downs, 13 years ago today. A crowd of 50,000 saw jockey W. Nevett bring the 25-1 starter home first in a driving finish.

Yet Charles stayed up, and, to the electrification of the great crowd of 47,585 in Yankee Stadium, now and then shook his head like a bull tormented by the torador and fought back.

EZZARD CHARLES
... game challenger

As the rounds wore on, the trunks of both fighters became soaked with blood. Charles' face gradually swelled until, in the closing rounds, his features became grotesque.

When the last bell sounded, the man from Cincinnati had enough left to tap Rocky on his chest and smile a warped smile through his battered lips.

It was a fine ending to a great fight.

"I Want Him Again" Says Battered Charles

By MURRAY ROSE

NEW YORK (AP)—"He gave me a helluva fight. He deserves a return fight if he wants it." Thus spoke heavyweight champion Rocky Marciano following his thrilling come-from-behind 15-round decision over game, undaunted Ezzard Charles in the savage scrap in Yankee Stadium Thursday night.

"I want him again," snarled the battered, unfazed 32-year-old Charles. "I thought I won. I think I came closer to knocking him out than he did me. The next time it will be different."

The lean Cincinnati Cobra, who failed for the second time in an attempt to become the first ex-champion to regain the prized heavyweight crown, may get his chance in September.

ENTITLED TO IT

"Charles is entitled to the return," said Al Weill, manager of the all-conquering Brockton bruiser. "It was a great show and a great fight. If Rocky's cut comes out okay, I'd say a September fight with Charles in New York is a great possibility."

MAYBE TOUGHER

"It was as tough as my first fight with Jersey Joe Walcott, maybe tougher," said the 29-year-old unbeaten Marciano, who went 15 rounds for the first time in his career. It was only the sixth time Rocky had to win by votes of the officials and one of the few in which he failed to floor his opponent. He swept his other 40 by knockouts.

The gash over Rock's left eye—opened in the fourth round—required 10 stitches by Dr. Vin-

cent Nardiello. The physician cut away some old scar tissue in his post-fight operation at St. Clare's Hospital. Charles required some treatment too for his swollen features.

White Sox Facing Test As Yanks Visit Chicago

By BEN PHLEGAR
Associated Press Sports Writer

If the Chicago White Sox intend to be pennant contenders the next time the New York Yankees come to visit, they better figure some way to beat the champs in the four-game set starting tonight.

The Yanks won't be back in Chicago until July 27 and by that time it may be too late. In fact, the way Cleveland has been going, it just might be too late for either the Yankees or the White Sox.

This is especially true since the Indians figure to fatten up on the hapless Boston Red Sox while Chicago and New York are tangling with each other.

All three of the contenders won Thursday. Cleveland ran its winning streak to eight games with a 6-4 triumph over Washington. The White Sox outlasted Philadelphia 6-4 and New York breezed over Baltimore 9-2. Boston lost its ninth game in its last 10 starts, 2-1 to Detroit.

Indians Make Pennant Try Despite Spot

By The Canadian Press

While the Spokane fans tussle with the problem of providing a home for their orphaned Indians, the club is making a determined effort to get back into the Western International Baseball League pennant chase.

The Indians, midway of what could be their last WIL road trip, hung up their fourth straight win Thursday night in downing Edmonton 7-2 and 4-1. That hoisted them into third place, 5½ games behind pace-setting Vancouver.

The Spokane club, left without a home when league officials declared the franchise forfeited last Sunday, is playing this week under direction of the league while a civic committee works on a community ownership plan.

The committee has until Monday to develop a program to take over the franchise and equipment from former owner Roy Hotchkiss.

Spokane Mayor Arthur Meehan, head of "Save the Spokane Indians, Inc.," said Thursday after a conference with Hotchkiss the committee must raise \$39,866.41 by Monday to keep the team in the league. Meehan said the committee was confident it could get the money but the "question is can we get it in time."

Poor attendance was one of the reasons for Spokane's plight. That plague hit Vancouver on Thursday night. Only 104 fans, the smallest crowd in the history of the stadium, turned out on a drizzly night to watch the Caplans upset Victoria 8-2. The win stretched Vancouver's margin over runner-up Yakima to five full games.

Yakima split a doubleheader with Salem, winning the nightcap 2-0 after the Senators took the opener 7-1. Calgary thumped Lewiston 11-2 and Wenatchee shaded Tri-City 7-6.

At Yakima, Salem scored three runs in the first inning of one opener and never was headed. Danny Rios turned in a three-hitter for Yakima in winning the afterpiece.

Home runs by Charlie Lundgren and Gene Lillard crushed Lewiston at Calgary. Lundgren's two-run homer in the third snapped a 2-2 deadlock. Lillard added a grand-slammer in the sixth.

Ted Shandor held Tri-City scoreless for six innings at Wenatchee while his mates piled up a 6-0 lead. Three Wenatchee errors and two singles and a double let five Tri-City runs in the seventh. Tri-City scored once more in the eighth, after Tommy Munoz' homer had given Wenatchee an insurance run in the seventh, but Shandor managed to end the rally.

Slip in Card-Reading Trips Up Mr. Champion

"You never pay any attention to what the opponents play," stormed Mr. Champion. "You don't infer anything from the fall of the cards. I've forgotten more about card-reading than you'll ever know."

Mr. Champion was talking to Mr. Muzzy who had played the previous hand at a makeable game and flubbed it.

Against today's four-heart contract Mr. Masters opened the queen of spades. Dummy's king was trapped and the defenders took the first three tricks, ending in Mr. Masters' hand. He then shifted to the jack of diamonds and Mrs. Champion won with the king on the board.

There followed deadly silence, broken at last by Mr. Muzzy. "The... I undoubtedly know of what you've forgotten about card-reading."
