CAMERAMAN 'MAN-HANDLED' BY VANCOUVER POLICE

VANCOUVER (CP)—Chuck Jones, veteran Vancouver Province photographer, was ejected Wednesday from police headquarters as he stood in a hallway prepared to take a picture of 18-year-old Mary Mellish, charged with the knife-slaying of Sam Messer.

Jones was grabbed by the arm and pulled down a flight of stairs by burly police sergeant Jack Thompson.

Girl Remanded Without Plea On Charge of Killing Lover

VANCOUVER (CP)—A slim, 19-year-old ash blonde was remanded one week when she appeared in police court yesterday charged with slaying her boy friend.

Mary Victoria Mellish, blue-eyed mail clerk, was arrested and charged with murder following the fatal stabbing of Sam Messer, 21-year-old unemployed plasterer.

SPORTS WORLD MOURNS LOSS

Athlete of Half Century Lauded by Friends, Fans

Conacher, 52, excelled in football and hockey but he made a name in many other sports and was voted Canadian football player and athlete of the half-century in a 1950 Canadian Press poll. He retired from professional sport 17 years ago.

Prime Minister St. Laurent said: "The news of his passing will be met with the deepest sorrow by his colleagues in Parliament, by those whom he represented in Ottawa and by all sports-loving Canadians."

"No matter what task he undertook, whether in sports or in services to his community, it was typical of Lionel Conacher that he devoted his total energy to it."

Halibut Fishing Closes June 5 As Area Boats Approach Quota

Canada And Spain Sign Pact

OTTAWA (CP)—Canada and Spain have entered into their first trade agreement. It calls for more exports of Canadian dry salted codfish and reduced tariffs on Spanish olive oil, almonds and paprika.

Announcement of the bilateral trade pact, signed Wednesday in Madrid, highlighted the half-day Wednesday sitting in the Commons.

The Commons also:

1. Passed the decennial revision of the Canada Bank Act.
2. Approved the principle of a bill providing death benefits up to a maximum of \$5,000 for members of the civil service, including crown corporations, and the armed forces.

Under the trade pact, announced by External Affairs Minister Pearson, Canada and Spain agreed to most-favored-nation tariff rates. They also agreed not to impose discriminatory import and exchange curbs, except for balance of payment reasons.

Board Seeks City's Plans For Park Fill

The Prince Rupert Parks Board last night instructed chairman Pat Forman to find out the city's intention with regard to the Algoma Park sanitary fill.

The question was brought up by the board chairman who stated that he understood that the city had covered nine-tenths of an acre at the park already this year.

Mr. Forman said the original agreement called for some 5,400 square yards at the park to be filled to a depth of four feet for a cost of more than \$8,700 this year. The money is furnished through the Algoma Park trust fund.

Discussing the question of the Algoma Park fund, commissioner Art Murray also requested the chairman of the board ask the city if the Parks Board is responsible for the spending of the Algoma fund or if the city is.

"Shouldn't we make a test case on the spending of this fund for sanitary land fill?" Commissioner Murray asked.

"I for one would like to find out if it is legal," he said.

The board will write the city clerk requesting that he draw up a contract between the Parks Board and the Prince Rupert Baseball Association covering the erecting and dismantling of the outfield fence proposed for Roosevelt Park.

Carrier Blast Inquiry Opens As Death Toll Mounts to 90

QUONSET POINT, R.I. (AP)—Navy Secretary Charles S. Thomas, who flew to Quonset for a quick inspection of the stricken warship, and Capt. William F. Raborn, the Bennington's skipper for only a month, said there was no indication of sabotage.

Raborn said the cause of the explosion is "a mystery to me."

The "best information" was that the blast occurred "possibly at the five-inch fuse magazine."

He emphasized that this information has not been confirmed.

CBC, Employees Ask Conciliation In Negotiations

OTTAWA (CP)—A wage dispute between the CBC and its 1,100 office and program employees has been submitted for federal labor department conciliation.

Decision to seek conciliation was announced Wednesday in a joint statement by the CBC and Elndon Wilcox, national chairman of the Association of Radio and Television Employees of Canada, an independent union representing the workers involved.

The parties declined to disclose what wages the employees have demanded or what the CBC has offered.

Trains on Time Despite Slides

Small mud slides are occurring daily along the Canadian National Railways line, CN officials reported today.

The slides, which take about an hour to an hour and a half to clear, are not expected to delay trains, however.

The westbound train, out of Jasper last night, is expected to be in Prince Rupert on time.

Little Trouble Seen In Netting New Total

The International Pacific Halibut Commission announced Wednesday that Areas 1-B and 2, extending from Hecate Head on the Oregon coast to Cape Spencer in southeastern Alaska will be closed to commercial halibut fishing at 11:59 p.m. June 5.

Under control powers conferred by the United States and Canadian governments, the commission, which includes Capt. Harold Holland of Prince Rupert, sets fishing dates and quotas for different north Pacific areas.

The allotted 26,500,000-pound catch in Area 2, which runs from Willapa Harbor on the Washington coast to Cape Spencer, will be taken by midnight June 5 a commission spokesman said. The area opened May 16 and last January the commission increased the area's quota for 1954 by 1,000,000 pounds.

This means that 1,000,000 pounds more fish will be caught in two days less fishing than last year. Closing dates for Area 1-B, which always has a comparatively small catch, run concurrently with Area 2.

Prices at the Exchange show a slight increase this year over last. Average price for the 11-day period is 13.8 cents for mediums this year as compared to 13.3 cents in 1952.

Landings at the Halibut Exchange in Prince Rupert this morning totalled 156,000 pounds and Co-op landings were 113,000 pounds. High price for mediums was 14.9 cents paid by both Bacon and Royal Fisheries.

Individual boat landings, all from Area 2 and all Canadian boats with the prices in brackets are as follows:

R. G. Johnston 22,000 pounds, medium 18,000 (14.8); large 3,000 (14.5); chicken 1,000 (12.3) sold to Atlin Fisheries.

Connie Jean 18,000 pounds, mediums 10,500 (14.7); large 0, chicken 5,500 (12.4) sold to Booth Fisheries.

Bates Pass 30,000 pounds, medium 24,000 (14.9); large 3,000 (14.6); chicken 3,000 (12.5) sold to Bacon Fisheries.

Twinkle 36,000 pounds, mediums 25,000 (14.9); large 6,000 (14.5); chicken 5,000 (12) sold to Royal Fisheries.

Ocean Pride 52,000 pounds, mediums 42,000 (14.8); large 6,000 (14.4); chicken 4,000 (12) sold to B.C. Packers.

Co-op landings today included the Primrose with 7,000 pounds, Tor, 32,000, Neptune, 9,000, Nor Cape, 14,000 Cape Spencer, 21,000 and the MRB with 30,000 pounds.

Fence For Roosevelt Park Behind Schedule Board Finds

Progress on the building of a fence along two sides of the outfield of the diamond at Roosevelt Park is behind schedule, three members of the Parks Board found out last night.

Following the regular Parks Board meeting, chairman Pat Forman, and Commissioners Art Murray and Bob Eby visited Roosevelt Park to look over the progress being made with digging of post holes for the fence.

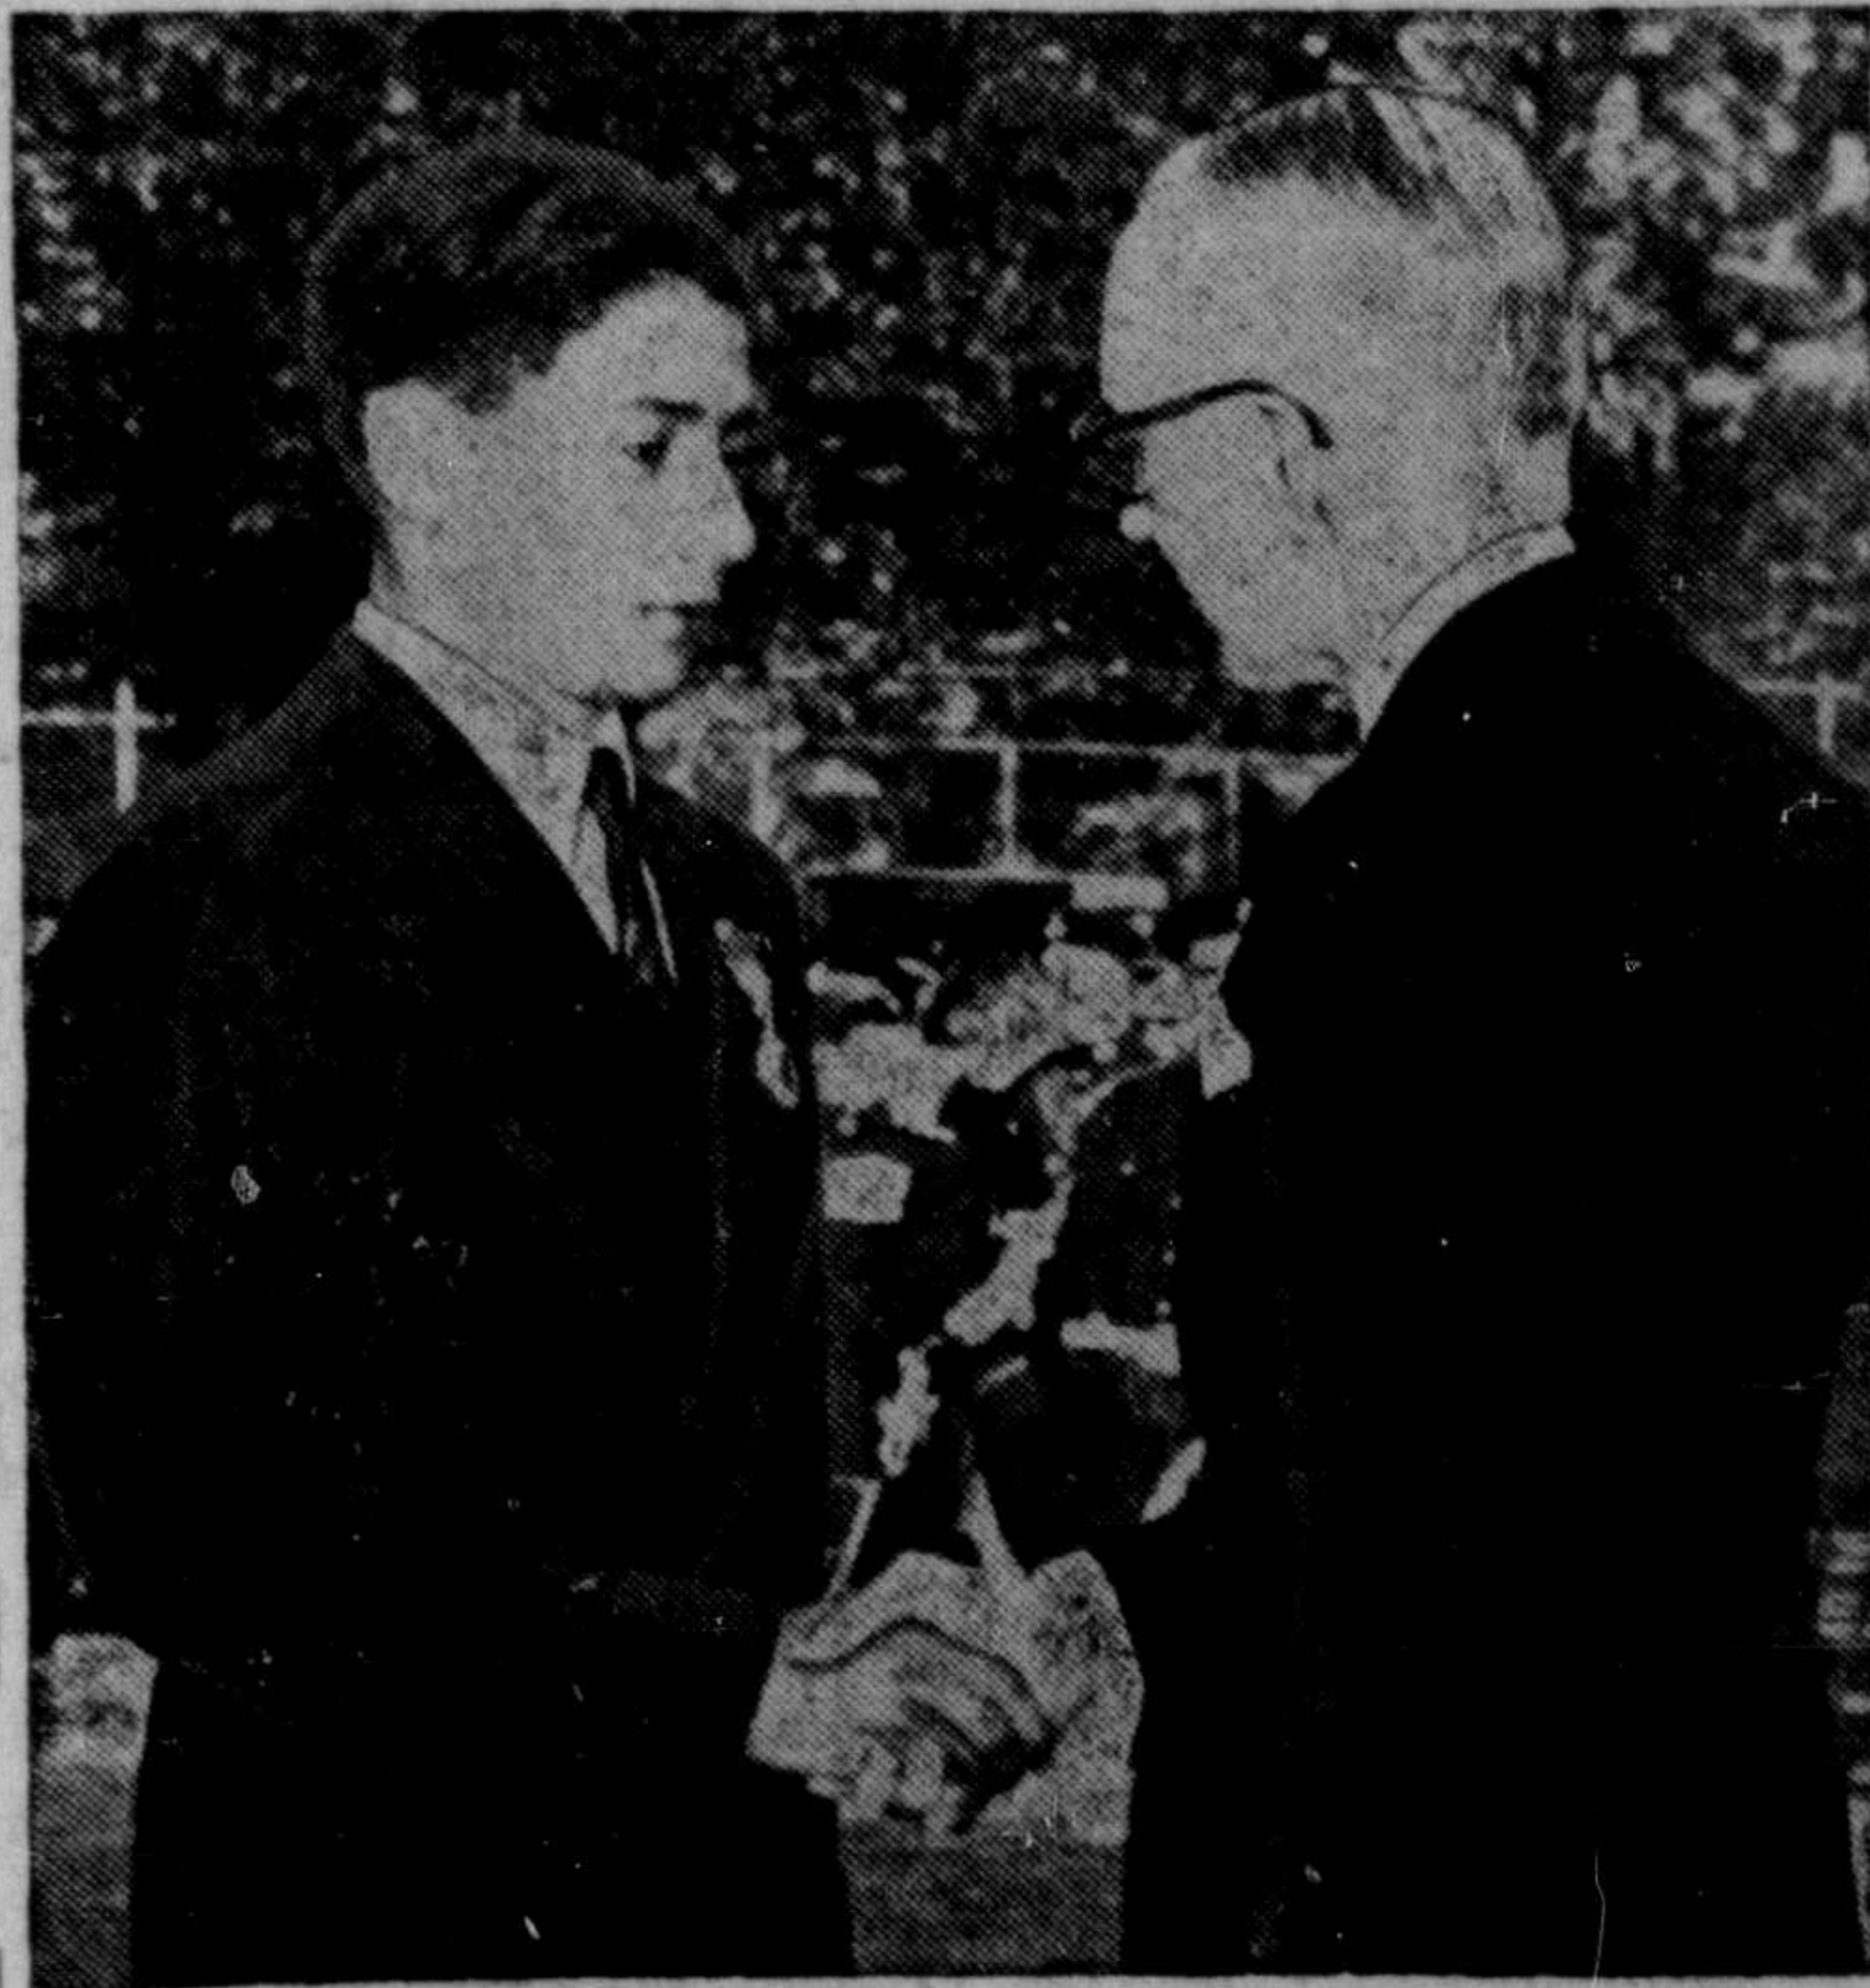

Commissioner Murray reported that he understood that the holes should all have been finished today. So far four holes have been dug.

The proposed fence is being erected as a joint proposition between the Parks Board and the Prince Rupert Baseball Association.

Inquest Slated For Monday

The inquest into the death of Lloyd Joseph Pedersen, was postponed yesterday afternoon until 2:30 Monday afternoon at the City Hall. At yesterday's preliminaries, held in B.C. Undertakers, deputy-coroner George Dawes swore in the jury which viewed the body of the youth who died Tuesday morning following a car accident early Saturday. Identification of the body was made by George Kenneth Laird.

The jury with William F. Stone as foreman consists of Eric Jones, William Bremner, Clifford Borge, Brian Forbes, and Bennie Sprinkler.

Salute to Air Cadets

STARTING this week and continuing through Monday, air cadets of Prince Rupert are staging a drive to promote public interest in their movement and gain financial support for their work.

With assured world peace still out of sight, this effort by some of the best of our youth must not be ignored. Of their own volition these school-boys have entered a course of training which will make them exceptionally well qualified to serve in the defence of Canada should that unwelcome need arise.

It is an acceptance of responsibility at a young age which commands our admiration and gratitude. How different their attitude is from that of some Canadians who are dedicated to selling out their country to others!

It must be remembered, of course, that not all air cadets have joined with the idea of graduating into the air force. Some will go into civil aviation and others will turn to entirely unrelated lines of work. But all are the same in their determination to grow up as useful citizens.

Although the RCAF gives material support to the air cadets in many ways and has set up a liaison branch for this purpose, the movement is not part of the air force. The boys are on their own, relying primarily on their enthusiasm and whatever support their community cares to give them.

In Prince Rupert their needs are looked after as far as possible by a volunteer sponsoring committee and the boys have progressed well, as was shown by their recent annual inspection. But without the support of everyone, their squadron will fail. Enthusiasm and hard work alone are not enough.

On Saturday they will make their only financial appeal in the form of a tag day. To wear their tag will be to offer the salute they so well deserve.

Preparations For Canadian Fair May 31 to June 11 Nearly Ready

By FORBES RHUDE
Canadian Press Business Editor

TORONTO (C)—The big cases being unpacked out at the exhibition grounds, bulky evidence that the Canadian International Trade Fair is again almost a half.

The dates are May 31-June 11 and during that period Canada and 26 other countries, who are the exhibitors, will lay out their wares for the appraising eyes of buyers from some 60 countries.

It is one of the world's biggest annual international get-togethers, with traders from far and near, speaking in many tongues, vying up what they see in terms of their buyer-appeal back home.

Only those with an interest in buying and selling are admitted, except for three days when the public is allowed a look.

Statistically, the exhibitors will cover some 235,000 square feet and will comprise thousands of items from kitchen gadgets to heavy machinery and aircraft through such a varied list as textiles, jewelry, leather goods, food, scientific instruments, farm implements, household furnishings, office equipment and so on.

Total space is less than last year's 264,800 square feet, but

higher than other years, and fair officials say there is wider variety than ever before, with less relative emphasis on the machinery section.

The fair was started in 1948 under the auspices of the department of trade and commerce. It has weathered the heavy years of trade restrictions, and meets this year in the more hopeful atmosphere created by lowering of barriers by a number of countries.

U.S. interest has steadily increased. Last year about 2,000 Americans registered, double the number of the year before, and inquiries indicate the figure may be doubled again this year.

About 1,000 visitors will be drawn from Europe and probably 25,000 Canadians will see the show, aside from the special audience of public days. Incidentally, Toronto hotels, guest homes and motels will be jammed.

Canadian firms have taken more than half the space, and other leading exhibitors, in order of space area, are: United Kingdom, Germany, United States, Italy, Sweden, Belgium, Austria, India, France, The Netherlands, Japan.

New Bank Act

IF I EVER get to the stage where grandpa takes his grandchildren on his knee, and they ask me what I did as an M.P. I can say:

"I moved the motion in parliament which made it possible for the banks to lend money on chattel mortgages."

"I hasten to add that the honor fell on me by sheer good luck—because I happened to be sitting nearest the chairman and he had to name somebody as 'the mover.'"

HERE IS the story of what the Bank act changes mean. Up till now, there have been two different ways in which people can borrow money, for family reasons.

• They could borrow it from the banks if their credit was good or if they could put up enough security or get enough people to endorse their notes. If they borrowed in this way, the banks were not allowed to charge more than six per cent.

• They could borrow from the registered small loan companies which were permitted under the law to charge twenty-four per cent per year on loans up to five hundred dollars with higher charges on sums over that amount.

BUT ONE of the chartered banks—the Canadian Bank of Commerce—has been experimenting with a small loan business of its own for the past 18 years.

That is, a citizen could (and still can) walk into any branch of the Bank of Commerce and apply for a personal loan. If granted, he would pay it back exactly as he would to a small loan company—that is, by monthly deposits into a special bank account set up specifically for this purpose.

The actual rate of interest paid on such loans worked out, in fact to 10.41 per cent per annum.

That is, it has been possible for a person to borrow money from the Bank of Commerce on the monthly repayment plan, for somewhat less than one-half the rate of interest which is permitted to the small loan companies.

IN THE cross-examination of the general manager of the Bank of Commerce, and later of the spokesman for the whole bankers' association, the following facts emerged:

The lawyers retained by the banks themselves are divided in their opinions as to whether or not the small loan business conducted by the Bank of Commerce is legal. The Commerce lawyers say, yes it is. The Royal Bank lawyers say no it is not.

But nobody has yet chosen to take the matter into the courts for a very obvious reason: That is, should the courts find that the Bank of Commerce system of small loans is not entirely within the letter of the law, the letter of the law would be changed, by the parliament of Canada, almost before you could say "Jack Robinson."

For as things now stand, a borrower can get a personal loan from the Bank of Commerce on the monthly repayment plan for 10.41 per cent per year—less than half what would otherwise apply.

By enabling the banks to take chattel mortgages the banking committee has made it easier for more people to get loans, cheap.

OTTAWA DIARY

By NORMAN M. MacLEOD

There's a growing feeling in Liberal circles which usually are well informed that this is Prime Minister St. Laurent's last session of Parliament.

The PM's health is said to be responsible for the alterations in his previous plans to run another election. Happily, there is reported to be nothing basically wrong with him. But his recent world-gridding tour by plane, with many legs of the journey flown at high altitudes, was a severe physical test for a man of his 70-plus years. And since his return he is understood to have been complaining of a feeling of chronic fatigue.

The pressures of the office of Prime Minister demand a high degree of physical fitness from the incumbent. Mr. St. Laurent isn't the sort of a person to be content with turning in anything less than a completely

Dawson Man Held For Murder

DAWSON, Y.T. (C)—Leo Devereau, a Dawson wood dealer, has been charged with murder in connection with the rifle slaying of an employee.

Police said 35-year-old Leonard Darrel Smith of Moose Jaw was killed Saturday night by a rifle bullet while he sat in Devereau's cabin.

Devereau was arrested after he phoned RCMP and told them about the shooting.

Smith had been employed by Devereau as a woodcutter for a short period.

Authorities were reported on their way from Whitehorse and other points.

That flag, seen flying in Prince Rupert on Monday, May 24, has been observed on previous occasions. The original reason for the display of the national colors, in the sky, at varying heights, is said to have been in honor of the birth of a princess who, becoming a Queen, led a long and distinguished life.

NEW PROOF

THAT MILLIONS CAN ENJOY THE NEED FOR LAXATIVE

—find relief from constipation this safe, natural way—without the injurious effects of repeated laxative use.

With all the progress of medical science over the past 30 years, authorities say there is no longer any reason why irregularity should be our most widespread human malady.

Nor is there any reason for developing the habitual use of harsh laxatives—of dosing with one preparation after another in the vain hope of finding, in some portion or pill, the "secret" of lasting relief.

Long-continued study of the problem has shown that one of the most common causes of irregularity is lack of bulk in the diet. And when this is the case, the common-sense correction is to be found not in the drug store but in your food store!

IT HAS LONG BEEN A MEDICALLY RECOGNIZED FACT THAT NATURE HAS PROVIDED, IN THE NATURAL FOODS MEN WERE INTENDED TO EAT, ALL THE ELEMENTS NECESSARY FOR THE LONG AVOIDANCE OF COMMON CONSTIPATION.

One of these elements is natural fibrous bulk, or vegetable cellulose, which normally and naturally aids the rhythmic process of elimination.

In no natural food is this natural bulk so ideally found as in the outer layers, or bran, of the whole wheat kernel which, as you know, is lost in modern milling.

Because of the known value of bran in promoting regularity the Kellogg Company has produced a complete, whole bran—with nothing taken away to lessen its effectiveness—sold under the name of Kellogg's All-Bran, the natural laxative cereal. How effective is All-Bran? This has

been demonstrated in a systematic clinical studies in leading medical journals.

In one study, people known to have delayed bowel function given one ounce of All-Bran for one week. They were clinically and with X-ray well made before, during and after the All-Bran.

OF THE 135 PEOPLE SHOWED DEFINITE CLINICAL IMPROVEMENT IN JUST SEVEN DAYS.

IN A FOLLOW-UP STUDY BETTER THAN 6 OUT OF EVERY 7 PATIENTS WERE GIVEN ALL-BRAN IMPROVED.

The greatest advantage of All-Bran is that it corrects the cause of irregularity due to insufficient chemical or drug-type laxatives. Chemical or drug-type laxatives, for overnight relief of a temporary stoppage.

When people use these products habitually—in a way that laxative makers never intended—they risk their digestive system in a way that nature never intended. In fact, correcting the cause, they actually make their condition

If you think you must take a laxative preparation occasionally, but do it wisely. Read the instructions completely. AVOID EXCESSIVE USAGE. But for lasting relief put your trust in All-Bran for breakfast and plenty of water.

This All-Bran plan has helped millions to re-establish and maintain healthful regularity. Why use

Mrs. W. D. Smith Heads Canadian Club

More Speakers Seen as Prince George Club Planned

Reports on a successful year's activities and election of officers, with Mrs. W. D. (Kay) Smith named president, highlighted last night's annual meeting of the Prince Rupert Canadian Club.

Mrs. Smith succeeds Mrs. Sheldford Darton in the presidency of the club which last fall changed its name from the Women's Canadian Club, opening its doors to men members, with considerable success.

In her report on the year's work, Mrs. Darton noted that formation of a Canadian Club in Prince George is in the offing, and said that if the new club is formed, a northern B.C. circuit will be formed, giving both clubs a better chance to hear speakers sent out by the national organization.

The meeting also was told of the biennial conference of the National Association of Canadian Clubs, to be held in Winnipeg in June.

Mrs. Smith was named delegate to the session, which because of its location, affords the club almost its first opportunity to have representation. Usually, the national sessions are held in the east.

The treasurer reported a balance on hand of \$280.88 as compared to \$200.30 last year, and reports were heard from representatives to the museum, Women's Co-ordinating Council, Civic Centre, Citizenship Council, Music and Drama Festival Association and Film Council.

Other officers elected were: Mrs. E. T. Appolewhaite, honorary president; E. Bartlett, vice-president; Mrs. T. W. Brown, secretary; Mrs. C. Mayo, assistant secretary; Mrs. P. Piche, treasurer.

Daily News Want Ads Get Results

CONFIDENTIALLY YOURS

by *Byrnie Hope Sanders*

MONTREAL, May 27th—Most of us enjoy doing the laundry... I know that for a fact! Reason is that we enjoy seeing results for our work... One tried a true way of getting results with laundered shirts, starched just right, is by using SILVER GLOSS... And the best of it is that you get beautiful results—with easier work. You'll find that Silver Gloss mixes in a jiffy; that it penetrates the fabric smoothly; that it irons with ease—and before you know it, there's a pile of men's shirts that give you a glow of pleasure because they look so professional. Silver Gloss is wonderful for shirts—for summer cottons of all kinds—for your table linens too!

Just To Remind You... I had forgotten something until a few weeks ago that I wish I had never forgotten. And you may have forgotten it, too. It's Laundry Blue—and the wonderful whiteness it can add to your white wash. Remember this—soaps and detergents—regardless of their colour—take out dirt. Bleach takes out stain. But Laundry Blue puts white in! If you have been forgetting Laundry Blue, you've been missing a surprising amount of whiteness that can be added to your white wash. Your husband's white shirts, your shoes and towels can all be so much whiter if you use Laundry Blue. You can add whiteness to a whole white wash for less than two cents.

No Worries About Coffee Prices... if you follow the lead of thousands of coffee-loving families who have switched to INSTANT CHASE & SANBORN COFFEE. For you'll find a saving up to 40c a pound over ground coffee! And you can serve it "Custom-made"—each one getting a perfect cup of coffee—just the way it's enjoyed most—mild, medium or strong!... It's such good coffee too—you couldn't ask for a richer-tasting, real coffee goodness! (No wonder when you think of the 100 years coffee "know-how" back of Instant Chase & Sanborn!) So... enjoy it at breakfast, lunch or dinner—and give yourself the heart-warming lift of a delicious cup in the middle of your day's work! Order it—today!

Forty Years Of "Knoe-Hoe"... in waxes and furniture polish has gone into the perfection of DRI-GLO, the wonder-working polish by O-CEDAR. I find great pleasure in using Dri-Glo because it is simple to use—and yet gives a mirror-like surface that lasts for weeks! Just wipe it on—let it dry—and wipe off! Dri-Glo gives a truly beautiful finish that preserves and protects your furniture... And it's smear-proof, too. If sticky little fingers leave marks—just wipe off with a damp cloth!... The surface is so jewel-hard that dust won't stick to it. I'm really enthusiastic about Dri-Glo. Do ask for the SPECIAL OFFER Regular size O-CEDAR DRI-GLO with a FREE velvety-soft O-Cedar dust cloth.

Ever Hear A Man Put It This Way? (I did!)... He said: "My office is equipped for efficiency—and that means I enjoy my work more. I like to think that our home—my wife's work centre—is also equipped for efficiency—and to help her enjoy her housework more." He and his wife showed me their beautifully equipped kitchen which they have developed over the past few years through the friendly, helpful services of the IAC MERIT PLAN. This plan is designed to make possible planned buying out of income for domestic appliances and other important purchases. Ask your dealer to tell you about it—the IAC MERIT PLAN of the Industrial Acceptance Corporation.

Vancouver Man To Teach Local Artists In Novel Outdoor Class Near Smithers

An outdoor art course, thought to be the first of its type in western Canada, will be staged this summer in the Smithers area, and already several local artists have planned to take advantage of the novel course.

Mrs. J. T. Harvey, well-known Prince Rupert artist who, with W. H. M. Collison, arranged details for the session, announced today that a Vancouver artist will instruct the outdoor classes. He is Fred Ames, popular head of the Vancouver school of art, whose decision to instruct the classes was termed a "boon to local artists."

The classes, scheduled for July 5 to 14 will be centred around Lake Kathlyn, near Smithers, a summer resort, but students, as well as painting lake and mountain scenes, will travel through the Bulkley Valley seeking other subjects.

The valley was termed a perfect spot for such classes by Mrs. Harvey, who noted that the scenery, varying from rugged

mountains to rolling farm land was among the loveliest in the province.

The student artists will visit especially Glacier Gulch on Hudson Bay Mountain and the Indian Village of Morricetown.

The course will be open to both children and adults, and will be designed mainly for beginners, although more advanced artists also may be assisted if they so desire.

The course will cost students only \$12 each, but each will arrange his own accommodation. Mr. Collison and Mrs. Harvey are

in charge of reservations and persons interested are asked to contact one or the other.

Mrs. Harvey, who hopes to make the course an annual affair, sees the scheme as a sort of miniature of the famed outdoor art classes at Banff, sponsored by the University of Alberta. As far as is known, this will be the first organized outdoor art course in western Canada, aside from those subsidized by universities, and Mrs. Harvey hopes that, if this one is successful, similar courses may be arranged in other B.C. areas.

Presbyterian Church Locale For Missionary Society Tea

The First Presbyterian Church was the scene yesterday afternoon of a delightful afternoon tea and sale presented annually by the Women's Missionary Society of the Church.

Mrs. H. Calderwood, president, and Mrs. E. A. Wright, received guests at the affair for which a gorgeous flowering cactus, and bright spring flowers set the decorative theme.

The huge cactus, covered with large pink blossoms, formed the unusual but striking centerpiece for the serving table, and dainty bouquets of brightly primroses centered the tea tables.

Mrs. H. Gamblin was in charge of the tea room, and presiding at the urns were Mrs. T. M. Spencer, Mrs. L. W. Kergin, Mrs.

E. J. Smith and Mrs. T. Beattie.

Mrs. Gamblin was assisted in the kitchen by Mrs. A. E. Wood and Mrs. J. W. Eastwood while serving were Miss Annie McLeod, Mrs. W. Bremner and Mrs. W. White. Cashier was Mrs. John Bremner.

Featured at the event was a sale of delicious looking home baked products, with Mrs. J. Hadden sr., and Mrs. W. Spark in charge.

Olive Sauce Tasty Trick For Spaghetti

This 'Special Ripe Olive Sauce' is a variation of meat sauce for spaghetti, noodles or rice which is unusual in that there is no skillet, cooking of ingredients. Olives, ground beef, tomatoes and seasonings are baked in the oven for about 40 minutes. Then a generous amount of cheese is added in and the sauce baked about 10 minutes longer.

- SPECIAL RIPE OLIVE SAUCE**
- 1/2 cup ripe olives
 - 1/2 pound ground beef
 - 1 minced small clove garlic
 - 1/2 cup finely chopped onion
 - 1 cup canned or cooked tomatoes
 - 1 teaspoon chili powder
 - 2 tablespoons oil or melted butter
 - 3/4 teaspoon salt
 - 1 1/2 cups chopped American cheese
- Cut olives in large pieces. Combine with beef, garlic, onion, tomatoes, chili powder, oil and salt. Pour into greased baking dish. Bake in moderately hot oven (375° F.) about 40 minutes. Stir in cheese and bake 10 minutes longer. Serve hot over noodles, spaghetti or rice.

"Big Train" Dies During Ball Game

By DAVE McINTOSH

OTTAWA (CP)—The Big Train, Lionel Conacher, an unmatched master in the Canadian sports world, has reached the end of the line.

He collapsed last night on third base during the annual softball game between members of Parliament and the Parliamentary Press Gallery. He died en route to hospital.

The 52-year-old Liberal member for Toronto Trinity had just smashed out a triple to left field in the top half of the sixth inning, scoring Bucko McDonald, former hockey star and Liberal MP for Parry Sound-Muskoka, with the run that put the MPs ahead 13-8.

As the gallery pitcher prepared to throw to the next batter, Conacher crumpled soundlessly to the grass on the lawn in front of the Parliament Buildings. He was dead on arrival at hospital 20 minutes later.

The hospital said he apparently died of a heart attack but that a post-mortem will be held because death occurred in a public place.

"When I went to bat, I left a lighted cigar on the grass," McDonald said. "By the time I got over home plate and got back to pick up the cigar, Lionel was on his face. It was as quick as that."

Rev. Dan Melvor, 81-year-old Liberal MP for Fort William and coach of the MPs' team, said he had decided that last year's game should be the last.

"This year I was pressured by several persons to keep the games going and one of them was Lionel Conacher," he said.

Wednesday night's game probably will be the last between MPs and newspaper men. It was the fifth and the MPs won them all.

LAST TIME AT BAT

When Conacher, Canada's greatest athlete of the half-century, pitched forward to the grass, everyone seemed to realize he had come to bat for the last time.

Dr. W. H. McMillan, Liberal MP for Wendouville, Harold E. Winch, CCF member for Vancouver East, and Norman Schneider, Liberal member for Waterloo North, tried to help as best they could. But there was nothing much anybody could do except wait for the ambulance.

After the ambulance came, Mr. Melvor said a brief prayer to "the great healer" for Conacher's recovery.

Maurice Jefferies of the Windsor Star, playing third base for the gallery team, said:

"He looked pretty grey when he came into third. 'I said to him, 'that was quite a clout.'"

"He didn't answer. A second or two later, he fell." Foster Barclay of The Canadian Press, coach of the gallery team, said:

"From previous games, I thought Conacher was pulling a fast one. He used to dance off the bases and get us all confused. Last year he scored a home run that way on a single."

"He seemed to be stretching out to draw a pitch and cause an error in third so he could get home."

Conacher complained of a slight pain in his chest before he came to bat in the top of the sixth inning. He said he thought it might be indigestion because

MEETING OF PONY LOOP TO DECIDE STARTING DATE

A meeting between Pony League secretary Harley Lewis and the three team managers will be held this afternoon to decide whether or not the league will get underway tomorrow night at Roosevelt Park.

Originally slated to tee off the league were the Moose entry and Elks. Mr. Lewis said that Managers Doug Wood of the Moose and Bob Anderson of Elks indicated their boys were not ready to start.

Second Place Giants Await Crucial Visit by Dodgers

By BEN PHILEGAR

Associated Press Sports Writer
New York Giant fans cautiously crossed their fingers today.

The Dodgers invade the Polo Grounds for a three-game series starting tomorrow night.

By whipping Pittsburgh Pirates 2-1 yesterday the Giants took over second place, a game and a half behind Milwaukee Braves.

The Brooklyn series won't make or break the Giants. But if they happen to sweep three games, or even gain a 2-1 edge in decisive fashion, they'll find themselves in the midst of the hottest pennant talk since they knocked off Brooklyn three years ago.

New York got only four hits against the Pirates yesterday, a single and a home run by Davey Williams and two doubles by Willie Mays.

Brooklyn fell to third, half a game behind the Giants, by bowing to Philadelphia Phillies 3-6. Milwaukee won its ninth straight, 7-5 over Cincinnati. Chicago Cubs crushed St. Louis 15-5.

In the American League, Chicago White Sox closed to within half a game of league-leading Cleveland by beating the Indians 5-4. Washington shaded New York Yankees 2-1. Detroit handed Baltimore its sixth loss in succession, 6-3 and Philadelphia A's shaded Boston 6-5 in 10 innings.

Martinez TKO's Chuck Davey

CHICAGO (AP)—Vince Martinez, keeping up a continual barrage of strong left jabs and rights, last night virtually ended the professional boxing career of Chuck Davey.

Davey, who had risen to the heights with a string of International Boxing Club warm-ups without defeat, was victim of a seventh round TKO after he had been floored four times.

The ex-Michigan State collegiate champion, who was beaten in 10 rounds in a title fight by welterweight champ Kid Gavilan 15 months ago, was kept off balance throughout the fight. Martinez showed less mercy than Gavilan. He put Davey to the canvas in the first round with a steaming right; twice in the third and again in the sixth with a series of rights.

An Illinois Athletic Commission doctor examined Davey after the sixth and ruled that the bout, scheduled for 10 rounds, should be stopped.

Little League Starters Set For Opener Tonight

With the 1954 Little League getting its start tonight at Algora Park, manager Art Ogilvie of Lipsett's Sea Kings and Verne Clecone of Kinsmen juggled pitchers and catchers today in order to ensure a first night win.

Verne Clecone with a stock of four pitchers from which to draw, took a cautious stand. He will select his opening hurler from Ken Murray, Bill Foster, Dick Hebb or T. Roberts. On the receiving end for Kinsmen will be either Alf Voagen or Bob Adams.

Starting on the mound for the Sea Kings will be Mike Greene, while his battery mate will be Garry Ogilvie. Should relief hurlers be needed, either Bruce Kerr or Bruce Robertson would be called to the mound, coach Frank Comadina said.

Opening ceremonies for the Little League will get underway at 6:30 p.m. with a parade of all players in the league, in uniform, being made around the diamond. Coaches and sponsors of the four teams will be introduced.

A public address system will be in operation and the Navy Band from HMCS Chatham will be on hand.

Mayor George Hills will throw the first ball, and it is expected that the Prince Rupert Parks Board will also be represented.

Little League officials wish to stress that the boys' uniforms must not be washed. They will be dry cleaned under arrangements by the Little League.

Game time is 7:00.

Indonesia Tired of Years of Civil War, Like Army Without Backing of Sergeants

Will Indonesia follow Indo-China as a Communist target? William L. Ryan of The Associated Press here discusses Indonesia's strategic place in Southeast Asia. Ryan, after a six-week tour of Southeast Asia, went to Geneva to check his findings with diplomatic sources.

By WILLIAM L. RYAN
 GENEVA (AP)—A polished young Indonesian political leader, laughing in spite of himself, said:
 "My country is like an army without sergeants."
 It was a bitter laugh. The analogy he drew was of an army with too many generals ready to plan but with no non-coms behind them to carry out the job.
 Riotously rich in nature's gifts, the Indonesian island chain is poor in political fibre. The apathy of the Indonesian people, their illiteracy, their disillusionment with talk of democracy, all tend to create a dangerous political vacuum in a country newly emerged from colonial domination.
 The Indonesians are tired of years of civil war and years of violence at the hands of terrorist organizations. The weariness extends to the top, to the thin layer of able, educated intellectuals left behind when the Dutch withdrew. The Dutch, unlike British colonists, did not see fit to leave any broad civil service to administer the countries.
 From all this, the observer gets the impression of a country on the verge of a national nervous breakdown. And the im-

pression is strong, too, that Indonesia offers the next line of least resistance to Communist expansion plans.
 Here in Geneva the Communists are displaying an all-or-nothing attitude on the question of Indo-China. The implication is that eventually they expect to take all.
 Then the next move in the step-by-step expansion program could be Indonesia, by-passing Burma, Thailand and Malaya. In Moscow's geopolitical thinking, Indonesia is a rich prize. And Moscow could use Indonesia's oil, tin and rubber.
 Has Russia immediate designs on Indonesia?
 "Semi-colonial Indonesia is subject to permanent economic crisis," says the Indonesian Communist party's most recent directive. "The way to eliminate this situation is to liquidate this semi-colonial status and replace it with the system of people's Communist democracy."
REDS NOT STRONG
 Indonesia has 80,000,000 people. The Communist party claims only 126,000 members, but it is seeking to capture the minds of that section of the literate population which is the only significant force.
 Indonesian nationalist leaders profess to see no connection between communism and what is going on in Indo-China. As nationalists, they consider as patriotic any movement aimed at routing the foreigner. There is much Marxism—as distinguished

Sore-Armed Dancer Chooses Switching Python Over Puma

NEW YORK (AP)—Here's the latest on animals in the news: Soft-hearted zoo men go for hard-shelled armadillos; sore-armed dancer picks python over puma; duck-billed Cecil re-woods Penelope the platypus.
 At Riverhead, N.Y., Sidney Schwartz complained that he was up to his ears in armadillos. Two lady armadillos, which he bought in order to write a thesis on their birth habits for a New York University doctorate, produced seven armor-plated babies.
 Armadillos habitually sleep during the daylight hours and whomp it up at night. And they eat like hogs. Schwartz said local zoos and dealers wouldn't take the mothers and sighed hopefully:
 "There must be some people who like armadillos."
 Well, there are. Friday in Toronto, the Riverdale Zoo said it would adopt an armadillo. And Arthur Watson, director of Baltimore's zoo, said he'll be glad to take the entire batch—and even pay the express charges.
 The mayor of Granby, Que., Horace Boivin, said he'd take a pair for his eastern township city's new 70-acre zoo.
 Schwartz feels much better now, although he says, "There's nothing final about it yet."
 Prancing about in Putnam Valley, N.Y., Friday, was a puma, a dancer, some reporters—and a press agent.
 The dancer, Lonnie Young, 26,

apparently keeps the puma, a pint-sized panther, in her hotel room. Miss Young said she was thinking of switching her night club act with a python to the puma—only she didn't know how. Just the other day, she said, the puma took a bite out of her arm.
 Anyway, with reporters present, the dancer let the puma out of his cage. The puma roared and the news hounds retreated. Miss Young cracked a whip. The puma merely looked annoyed and seemed to toy with the idea of taking another bite out of his mistress' arm.
 Thinking it over, Miss Young said, she guessed she's stuck to plain old pythons.
 Now back to New York City and up to the Bronx Zoo. The "who's who" of the zoo, for several years, has featured Cecil and Penelope, the duck-billed platypuses.
 Last summer Penelope retired to her tunnel early, a sign of motherhood. Keepers pried her with goodies and felt "this was it."
 But Penelope was only fooling. It turned out she just liked goodies.
 But this is another spring, and Cecil is chummy with Penelope—who doesn't seem to mind at all.

Defending Champion Repeats In Skeena Open at Terrace

TERRACE—Leading a field of 35 players, defending champion Morris Wightman of Terrace again took the Bob Parker trophy with a medal score of 141 for 36 holes in the Skeena Valley Open at the Thornhill Golf Club in Terrace over the weekend.

Visiting golfers from Smithers, Kitimat, Prince Rupert and Terrace competed for championship trophies.

Runner-up for the Parker Trophy was Mel Peekvout of Terrace who carded a 36-hole total of 156. Consolation prize went to Hal Windt.

The most hotly contested event of the Open saw Terrace golfer Art Howe take the Martin Brothers Trophy and the Handicap Championship of the valley with a net score of 117. Runner-up was Arnold Rensison of Smithers with a net of 118 and the consolation prize went to tyro Terrace golfer Ian McDonald.

In the two ball, best ball match for the Terrace Motors Trophy, competing against 38 players, the team of Bob O'Hara and Mike O'Neil from Smithers gathered in the silver with a card of 103. Runners-up were the local duos of Jim Bogle and Dick Wells and Joe Schultzik and Morris Wightman. Consolation prizes went to the team of Slim Hauser and Ian McDonald.

In the long driving event, Mel Peekvout led with a three-ball total of 531 yards with second spot going to Mike O'Neil of Smithers with 527 yards. The long single ball was hit by Jimmie Stevenson who clouted one for 210 yards. Second place went to Jimmy Goodacre with 196 yards.

In the pitch and putt competition, hard-hitting Rick Rickwood of Kitimat won the honors with four well placed balls for a total of 12 strokes. Arnold Rensison was second with a total of 13 strokes.

Presentation of prizes was held in the club house, with special prizes going to trophy winners from the sponsors.

George Martin was chairman of the tournament committee, Bob Grabler was team captain, and others assisting in the tournament were Jim Bogle and Hal Windt.

TWENTY-THREE-year-old Bob Fleming of Victoria, B.C. today defeated Alex Mitchell of Scotland 4 and 2 to remain the only Canadian competing in the British amateur Golf championship at Muihead, Scotland. Yesterday he downed Malcolm McNeid 4 and 3 and J. M. Brown 6 and 5 both of Scotland. Canadians ousted in the fourth round yesterday were Donald Doe of Granby, Que., Walt McElroy of Vancouver, Doug Silverberg of Red Deer, Alta., and Gordon Taylor of Montreal.

BLACKWOOD on BRIDGE

By EASLEY BLACKWOOD

Bidding Can Be Kept Open Without Jump-shift Tip

Do you know Mr. Fusty, the old-fashioned player? He read his first and last book on bridge in 1933. And he hasn't changed his style since then. In those days, if your partner opened the bidding and you held what was called "three and a half honor tricks," you made an immediate jump shift, which was forcing to name.

Today, although all of the textbooks may not admit it, a jump shift not only obligates a partnership to reach game but includes strong slam implications.

There is no reason to make a hazy jump-shift because there are many ways to force partner to keep the bidding going without jumping at all. We will review these various forcing situations in following columns.

DALE CONSIDERS

Few experienced players today would jump to three diamonds over a one spade opening with the hand Mr. Fusty held. But Mr. Dale was not unduly impressed. He wisely considers the bidding style of each of his partners and patterns his own bidding accordingly.

Against the four-spade contract Mr. Abel led the deuce of clubs. The 10 was played from dummy and Mrs. Keen won with the ace. She made her best return, a small heart—hoping her partner had a doubleton in the suit and a spade stopper. If so, and if Mr. Dale took a first round spade finesse, Mr. Abel would get to ruff a third lead of hearts.

PLAN GUESSED

Dummy's jack of hearts won and Mr. Dale guessed what Mrs. Keen had in mind. He led a small spade and went right up with the ace. Although his principal purpose was to get the opposing spades out as quickly as possible, he did not make the mistake of leading another one at this point. Mr. Abel could have won with the king, led a heart to his partner's ace and ruffed the return.

Instead Mr. Dale led his last club and took the proven finesse.

He then discarded a heart on the king of clubs. Next came the ten of spades and Mr. Abel won and returned his last heart. Mrs. Keen won with the ace and led another heart. But Mr. Dale ruffed high, picked up the last trump and spread the hand for game.

Tri-City Braves Trounce Salem In Drive For First Division

By The Associated Press

The Tri-City Braves, the Western International Baseball League's cellar club most of the season, continued their drive for a first division berth Wednesday night with a double victory over the Salem Senators.

The Braves, who crept out of the basement with a 5-2 win over the Senators Tuesday night, turned in 9-2 and 9-6 victories in Wednesday night's doubleheader at Kennewick. The double win lifted them to a spot behind the Yakima Bears and Spokane Indians, who are tied in fifth place.

Spokane, meanwhile, rebounded from Tuesday night's 6-0 shutout to edge Wenatchee 8-7 but it took the Indians 12 innings to subdue the stubborn Chiefs.

Two runs in the seventh inning ended the Indians' 17-in-

ning scoring famine. They tied the game 8-8 with four runs in the bottom of the ninth and won it in the 12th when Bob Donkersley singled home Ted Hesse.

Vancouver and Edmonton split a doubleheader in the league's only other games. The Caps won the opener 5-2 and the Eskimos took the nightcap 3-2. The split left Vancouver out in front of the league two full games.

Yakima and Lewiston were rained out at Lewiston and Calgary and Victoria were not scheduled.

Beavers' Bid To Quit Cellar Aided by Angels

By The Associated Press

The Portland Beavers, battling to get out of the Pacific Coast Baseball League cellar, Wednesday night got a hand-up from the Los Angeles Angels—the team that couldn't afford such a gesture.

Fine four-hit pitching by Bill Boemler paced the Beavers to a 6-2 triumph over the Angels and moved them to within a game of the seventh-place California squad.

But San Francisco, apparently determined never to return to the cellar position it occupied for so many weeks, continued its winning streak, bowling over Seattle's hot-and-cold Rainiers, 2-1.

Adrian Zabala picked up his fifth victory and the loss went to Gene Bearden. Former Cleveland southpaw Ken Holeombe, who started for the Seals, held Seattle to two hits in the first six innings but gave way to Zabala in the eighth. San Francisco won in the ninth when Bob di Pietro doubled to centre, went to third on a wild throw, and Mike Baxes tripled.

Hollywood crushed San Diego 10-0 and stretched its first game margin to 5 1/2 games. The Stars turned back the Padres for the second straight night on the limber right arm of Lino Donoso, a southpaw who allowed only three hits, whiffed eight and wasn't touched for a safe blow until the sixth.

Sacramento evened its series with Oakland, beating the Oaks 4-1.

MANAGER FINED FOR CONDUCT
MONTREAL (P)—President Albert Molini of the Provincial Baseball League has fined manager Al Barillari of Trois-Rivieres \$100 for his conduct in games at Trois-Rivieres and St. Johns May 15 and 16.

Molini said Barillari used bad language, spat in the face of umpire Sig Krysak and stamped on the umpire's toes.
