## Flying Over Prince Rupert

\V/E HEARD the buzzing of planes overhead W yesterday much more than is usual for this city, but most of the buzzing was made by just one aircraft, a small, two-seater Taylorcraft.

It was the aircraft of Prince Rupert Aero Club, which with 35 other flying clubs from Victoria, B.C., to St. John's, Newfoundland, are observing the sixth annual National Flying Club Week.

The local club joins the other Canadian clubs in holding "open house" this week, from July 15-21, and their objective is to interest more and more young Canadians in aviation training. Prince Rupert's club has even gone further in its public relations move—it is offering anyone over the age of 18 a free trip over the city by plane!

The open house program also provides an opportunity of familiarizing the public with the club's instructional program and training facilities and equipment.

All flying clubs in Canada are non-profit organizations sponsored and directed without remuneration by leading citizens of their communities. They give freely of their time and talent out of patriotic motivation and a sincere interest in youth training and in the advancement of aviation.

Many a well-known flier has had his start in this Philadelphia department approve the appointment of one of these small flying clubs throughout the country. For more than 20 years with a proud record of accomplishment these clubs have provided the leadership and facilities for bringing aviation education to our youth.

In Prince Rupert no less than 10 persons have learned to fly since the postwar operation of the Aero Club.

## UNDER OUR ROOF

By JOHN STURDY

Hamish said he would like to go into town to see the touring English football team, and then added: You know, I was once substitute for the Glasgow Gondoliers."

#### Free Yourself from laxative slavery

Try this delightful family breakfast treat! Eat a generous bowlful (about 1/2 cup) of crisp toasty Kellogg's ALL-BRAN with sugar and cream. Drink plenty of liquids. ALL-BRAN is the natural laxative cereal that may help you back to youthful regularity, lost because of lack of bulk in your diet. It's the only type ready-to-eat cereal that supplies all the bulk you may need. High in protein and iron . . . not habit-forming. Why don't you try it? Kellogg's is so sure you'll like ALL-BRAN that if you're not completely satisfied after 10 days, send empty carton to Kelloge's, Lordon, Ont., and get DOUBLE YOUR MONEY

#### WITH CERTO

1. Mrs. A. makes jam the short-boil way with CERTO. She has 2 pounds of fruit prepared ready to start at 9 o'clock.

2. The dotted line shows level of the prepared fruit

in Mrs. A's saucepan. 3. Mrs. A. adds 3 pounds of sugar. A pound of jam made with CERTO contains no more sugar than a pound made the old long-boil way, but she knows the CERTO recipe will give her 50% more

4. Mrs. A. brings the mixture to a full rolling boil; boils hasd ONE MINUTE only; removes from stove and adds 1/2 bottle (4 ozs.) Certo. CERTO is the natural jellying substance in fruit in concentrated form.

5. Mrs. A. is able to pour and paraffin about 5 pounds (10 glasses) of jam from her 2 pounds of fruit. She gets sure results because she follows the CERTO recipe EXACTLY.

6. Mrs. A's 10 glasses of jam were made in just 15 minutes.

-----

5. Mrs. B. pours and paraffins about 3 pounds (6 glasses) of jam from the same amount of fruit. Until it is finished she cannot tell for sure how well her jam will turn out.

THE OLD WAY

1. Mrs. B. makes jam the

old-fashioned, long-boil way.

She, too, is ready to start her

2. Mrs. B. starts off with

the same amount of pre-

pared fruit in her saucepan.

3. Mrs. B. uses the old-

fashioned long-boil recipe

which calls for "one pound

of sugar to every pound of

fruit". So she weighs out 2

pounds of sugar and adds it

4. Mrs. B. boils the mixture

about 30 minutes before the

jam thickens to the desired

consistency. This evaporates

about 1/3 the weight of the

fruit, darkens the color and

carries off much of the

natural fresh-fruit flavor in

to her prepared fruit.

jam making at 9 o'clock.

steam.

Certo gave Mrs. A. sure results... much more jam... saved time, work and money

Free Recipe Book

Under the label of every bottle of CERTO is a book of 78 tested recipes -a separate one for each fruit. Be sure to follow the simple directions EXACTLY.

A Product of General Foods

Don't Use Power Cards for Signalling

"Listen, Muzzy," yelled Mr. Champion, "before you signal to show strength in a suit, you've got to be sure you can spare the card you signal with." Mr. Champion was both right

and wrong. He was right in what he said about signalling. He was wrong to think it did any good to tell Mr. Muzzy. This is what brought on the

discussion. Mr. Champion opened the king of hearts against Mrs. Keen's three no trump contract. Mr. Muzzy, who currently has a craze on the subject of signals, showed proper enthus-

# Thomson's Repeater Breaks Through For Giant Victory

Grand-Slam Homer By The Canadian Press

NEW YORK .- Bobby Thomson came through in the clutch again Monday, slamming a grand-slam home run in the ninth inning to give New York Giants a dramatic 8-7 victory over St. Louis Cardinals.

Thomson, hitless in 17 previous times at bat, slammed rookie relief pitcher Willard Schile's first pitch over the left field roof.

The National League victory enabled the Giants to draw to within three games of Brooklyn's idle pace-setting Dodgers, and they owed it all to Thomson, just as they did when he struck his homer to win the final 1951 playoff game against the Dodgers.

Richie Ashburn's triple and a long fly by Granny Hamner broke a 4-4 tie in the seventh inning and enabled Philadelphia Phillies to nip Pittsburgh Pirates 5-4, despite homers by Ralph Kiner and George Strickland.

A fly by pinch-hitter Bill Nicholdson had tied the game in a two-run sixth-inning rally that knocked Pirate starter Ronnie Kline from the mound. All other major league clubs were idle

death sentence on any paper. All daily newspapers urged enactment of a new general press law "based on the country's principles of democratic freedom."

Editorial writers and columnists cited the existence of a miliwas tary press censorship and criticized the attempt of the governusing its discretion by making automatic suspension mandatory.

The draft amendment was thrown out in the last week of May. An official communique said the cabinet had decided to refer the measure to a minister-The new legislation would have ial committee headed by Prime

## Aboard Athabaskan

# Sailor Morale High in Korean Waters

destroyer Athabaskan in Kor- the public address system. ean waters. Following is the

By BILL BOSS Canadian Press Staff Writer AT SEA, ABOARD H.M.C.S. ATHABASKAN-When it comes

all over the army. "war" is a police action.

The major problem is morale--

immediate access to them. But Montreal. the soldier just has to stick it out in his slit trench until either it's his platoon's turn to go back for an eight-hour freshen-upor his five-day leave in Japan is

The sailor can shave and show\_ er daily, get a haircut when he wants. He can change and smarten-up every afternoon. He gets three hot meals a day, and eats

#### from chinaware. DAILY MOVIE SHOWS

There are at least two moves a day open to him, and he does not have to walk more than 2001 feet to see them.

He sleeps in a hammock and gets lots of clean sea air. He can have uniforms laundered twice weekly in the ship's laundry.

Boredom is the enemy, but the man who doesn't want to do anything but sleep once his job is done can flop virtually any-

Many use off moments to write letters, and the navy's mail service just about equals the army's -10 days or more.

Since last Aug. 2 when the present tour began, the ship has received 32,189 letters, an average of more than 118 a man. The men have dispatcher an average of 120 each.

Another advantage sailors have over soldiers is quick and cheap radiogram facilities. For 45 cents a man can message Victoria or Vancouver, using the ship's radi ). It's \$1.50 to Ottawa. The same message would cost a soldier almost \$5 from Korea.

Many pursue hobbies in their spare time. AB. Gordon Anderson of Moose Jaw for instance, paints. There are two of his can- Oil vasses in the operations room.

AB. Jim Beech of Port Arthur. Ont., does needlework tapestries, while AB. Doug Storey of Perdue, Sask., makes a profitable pastime of shoe-repairing, using materials bought in Japan.

Main dearth is of news. Occasionally Canadian news is picked up from Japan, but the broadcast hour is said bad for Yellow Sea reception.

The men are interested in current affairs and world news, but although service publications dealing with them do reach the ship no use is made of them. Only one officer has held a discussion group with his men.
