SUFFRAGETTES MUST NOW PAY FOR MISCHIEF

London, Aug. 9. — A local tradesman, the windows of whose store were smashed in one of the suffragette riots, was awarded \$75 damages and costs by Judge Woodfall in the Westminster county court today.

The suit was brought against Mr. and Mrs. Pethic Lawrence, joint editors of Votes for Women, and Mrs. Emmeline Pankhurst, as officers of the society which organized the disturbance. The defendants did not appear in court.

This was the first of a large number of suits which an insurance company has instituted against the defendants, and if the county court judge's decision be upheld by the higher court the defendants will be mulcted in enormous damages.

Every Home Has Its Purse

And 99 out of every 100 unprejudiced people will tell you THE DAILY NEWS is the home paper of Prince Rupert.

Advertisers also tell us and will tell you that results obtained from publicity carried in the columns of this paper have exceeded by far those obtained through any other newspaper published in Prince Rupert.

The successful business man today is the one who advertises judiciously, who chooses the medium most generally read by citizens of a community; a business man who does not look upon an expenditure for advertising as an expense, but, on the contrary, as an investment. This type of business man you will generally find in the front ranks of his profession, turning his dollars daily and moving his goods rapidly—and all through the liberal use of newspaper publicity.

Try advertising as an investment, if only for a short time, and watch your business grow.

Let our solicitors call and explain why The News is the best medium through which you should inaugurate your initial campaign.

DIAMOND STARS ASHINE BUT UNFORTUNATELY NOT YET ON A PRINCE RUPERT BALL PARK

Dormant for the time being, but ready to spring into vigorous life as soon as the occasion justifies the awakening, is the demand for a proper recreation and baseball park for Prince Rupert. Circumstances have hindered progress toward this most desirable end, useful alike for the delight of the citizens and, what is even more important, for the advertising of Prince Rupert along the coast and elsewhere. But because circumstances have proved stubborn is no reason why the steady attention of all interested in sport in the city should not be directed purposefully still toward having that park. Because a handful of enthusiasts have contented themselves with a recreation ground—hard, dusty or muddy—on Second avenue, there is no reason why the mass of the citizens should stand and watch the boys make the best of a bad job. Whether there be funds immediately available or not, Prince Rupert must keep alert and alive to the need for a good recreation park, and every enthusiast for any game should lend every possible support to the cause which is most intimately associated with the credit up and down the coast of the city of Prince Rupert.
