CITY OF PRINCE RUPERT

TAKE NOTICE that the following are the schedules covering the assessment to be made against property benefited by the various local improvements as are set out at the head of each schedule.

AND FURTHER TAKE NOTICE that a sitting of the Court of Revision for the purpose of hearing complaints against the said assessments will be held in the Council Chamber of the City Hall, Fulton Street, at 11:00 o'clock a. m., on Monday, May 26th, A. D. 1913.

Any person desiring to appeal against the said assessment must do so in writing, and all notices of appeal shall be served upon the City Clerk at least eight days prior to the sitting of the said Court of Revision.

DATED at Prince Rupert this 28th day of April, A. D. 1913.

ERNEST A. WOODS, City Clerk.
JAS. M. CARMICHAEL, Assessor and Collector.

BYLAW NO............

Assessment of Local Improvement, being the construction of a plank road on Atlin Avenue. Total estimated cost, $12,306.60 Total assessable frontage, 6,372.30 lineal feet. Rate per foot frontage, $1.931265.

PROMISING PROSPECTS ARE FOUND NEAR TESLIN LAKE

BELIEVED THAT SYSTEMATICPROSPECTING WILL RESULT IN THE DISTRICT BOOMING THIS SUMMER

Dawson, Y.T., April 29—A telegraphic special from Atlin says a number of stampeders are returning from the creeks discouraged, as the little prospecting which they did failed to discover any gold. However, many of these are optimistic and believe systematic prospecting will reveal something good this summer.

O'Donnell river, thirty miles from Atlin, where a rich find was made last fall, is attracting many of those who are returning from Teslin. A boom is expected there this summer. Prospectors returning from Teslin on Wednesday report good prospects were found in various places. Kelly and Long, laymen on 18 and 19 above, Silver Creek, got 18 cents to the pan on surface diggings. Others were favored with good prospects on Silver and other creeks.

Little prospecting has been done on Moosehorn, but old-timers think the creek will show up good.

The Smith and Geddes party is preparing for work on groups on lower Silver and Johnson creeks this summer.

Carmack and Skookum Jim are waiting until the snow goes to commence prospecting in that vicinity.

Dikeman is working Silver Creek.

TRYING THE BENCHES ON ONE OF THE TRIBUTARIES OF SILVER CREEK, TESLIN LAKE DISTRICT

Hot Proposition.

"I hev come to tell yez, Mrs. Malone, that yer husband met with an accident."

"An' what is it now?" wailed Mrs. Malone.

"He was overcome by the heat, mum."

"Overcome by the heat, was he? And how did it happen?"

"He fell into the furnace at the foundry, mum."

Never trouble trouble till trouble brings suit.

Addition to the Allan Fleet

London, April 29—The Calgarian, the latest addition to the Allan fleet, was launched at Glasgow on Saturday, Mrs. Andrew Allen naming the vessel, which is a sister ship to the Alsatian, which was launched a month ago.

Young Man—I should like to ask your advice, sir, as to whether you think your daughter would make a suitable wife.

Lawyer—No, I don't think she would. Five dollars, please.—New York Mail.

COAL NOTICES.

Omineca Land District—District of Hazelton.

Notice is hereby given that I, L. N. MacKechnie, of Vancouver, B. C., occupation surgeon, 60 days after date intend to apply to the Chief Commissioner of Lands for license to prospect for coal and petroleum over the following described lands: Commencing at a post planted on bank of Porcupine Creek about 1½ miles up the creek from mouth thereof (Grand Trunk Pacific crosses mouth of creek near 133 mile post), thence north 80 chains, thence west 80 chains, thence south 80 chains, thence east 80 chains to place of commencement, containing 640 acres more or less.

L. N. MACKECHNIE.
