TAFT GIVES FORD
VERBAL FLAYING

Says Statement Jews Trying for
World Power is False

CHICAGO, Dec. 30.—William Howard Taft, former president, verbally flayed Henry Ford, automobile manufacturer, for his attacks on Jews, which have been appearing in Ford's weekly publication.

Taft said statements in Ford's paper that the Jews are trying to gain control of the world is false. In pointing out the fallacy of the statement that Jews are the leading capitalists and international bankers of the world, Taft cited that more than half of the thirteen million Jews in the world are still suffering not only oppression and persecution, but the bitterest penury and starvation.

Rev. E. P. Laycock, formerly of
Prince Rupert Anglican Church,
Places Tribute.

VERNON, B.C., Dec. 30.—Among the thousands of tributes from all over the Empire laid at the foot of the cenotaph erected in London "to the unknown warrior," was a wreath from the people of Vernon. It was placed there by Rev. E. P. Laycock, formerly of Prince Rupert, and bore the inscription "From the people of Vernon, B.C., in proud memory of their glorious dead."

Synopsis of Land Act Amendments

Pre-emption now confined to surveyed lands only.

Records will be granted covering only land suitable for agricultural purposes and which is non-timber land.

Partially pre-empted lands, but parties of adjacent pre-emptors with joint residence, but each making necessary improvements on respective claims.

Pre-emptors must occupy claims for five years and make improvements to value of \$10 per acre, including clearing and cultivation of at least 5 acres before receiving Crown Grant.

Where pre-emptor in occupation not less than 1 year, and has made proportionate improvements, he may, because of ill-health, or other cause, be granted intermediate certificate of improvement and transfer his claim.

Records without permanent residence may be issued, provided applicant makes improvements to extent of \$100 per annum and records same each year. Failure to make improvements will result in forfeiture of claim.

Records same will operate as forfeiture. Title cannot be obtained in less than 5 years, and improvements of \$10.00 per acre, including 5 acres cleared and cultivated, and residence of at least 2 years are required.

Pre-emptor holding Crown grant may record another pre-emption, if he requires land in connection with his farm, without actual occupation, provided statutory improvements made and residence maintained on Crown granted land.

Unsurveyed areas, not exceeding 20 acres, may be leased as homestead, title to be obtained after fulfilling residential and improvement conditions.

For grazing and industrial purposes areas exceeding 540 acres may be leased by one person or company.

Mills, factory or industrial sites on timber land not exceeding 40 acres may be purchased; conditions include payment of stumpage.

Natural hay meadows inaccessible by existing roads may be purchased conditional upon construction of a road to them. Rebate of one-half of cost of road, not exceeding half of purchase price, is made.

PRE-EMPTORS' FREE GRANTS ACT.

The scope of this Act is enlarged to include all persons jointly and severally with His Majesty's Forces. The time within which the heirs or devisees of a deceased pre-emptor may apply for title under this Act is extended from one year from the death of such person, as formerly, until one year after the conclusion of the present war. This privilege is also made retroactive.

No fees relating to pre-emptions are due or payable by soldiers on pre-emptions recorded after June 24, 1918. Taxes are remitted for five years.

SHANGHAI AMERICANS WANT TAX EXEMPTION

Claim Put at Disadvantage to
English who do Not Pay

SHANGHAI, Dec. 30.—American commercial bodies here and American commercial interests generally in China are engaged in a campaign to induce the United States Congress to pass a law relieving them from payment of income tax to the United States Treasury.

They have appealed to legislators and members of commercial bodies in the United States to aid them in bringing about passage by Congress of a federal incorporation act for American companies in China, which is expected to come before Congress in December.

The business men here have claimed that they are at disadvantage owing to the fact that the British doing business in China are exempt from payment of an income tax. The Shanghai Chamber of Commerce has sent representatives to Washington to present data to members of Congress in support of their appeal.

NOT MUCH NEW CONSTRUCTION WORK

Owing to Great Deficit C.N.R. will
Confine Expenditure to Im-
provement

OTTAWA, Dec. 30.—Owing to the great deficit in the operation of the Canadian National railways it is not expected that much new construction will be undertaken next year, but that expenditure will be confined to improvements on existing lines. Certain branch lines in western Canada have been promised and some are partially constructed, but any plan of a general extension is not contemplated. It was desired to construct the 30-mile cutoff between the Canadian Northern and Grand Trunk Pacific and thus reduce in length the Canadian National transcontinental system, but it is scarcely possible this will be done this year.

STEWART

Frizzell's turkey boat arrived here early on Tuesday, bringing the long promised turkeys for Christmas. H. Astoria came along with the precious birds to relieve Frank Reichenbach who lies gone South for the holidays.

The local school closed for the Christmas holidays on Friday last. During the term just concluded the attendance of pupils has been excellent, an average of 28 having been maintained. Miss Thompson, the teacher, is much gratified with the results of the work of the pupils during the past year, as well as the co-operation received from the parents.

Wm. George arrived in town from the Spider mine on Sunday and expects to remain a few days.

Four hundred cases of powder and a hundred bales of hay arrived here for the Premier mine on the S.S. Chilcot last Sunday night.

Jas. Cullin, well known coast newspaper man, who founded the Portland Canal Miner in 1910, has started a job printing business in the Avenue Theatre building in Vancouver.

W. Dann has his new bath-house in operation and ready for business.

Grip-Fix is a preparation of Aspirin, Phenacetine, Quinine, Salol, Caffein Citrate, Cascaro and Camphor Monobromate. If you want a doctor for a prescription, he would probably give you just that preparation. There's nothing equal to it for driving a cold out of the system. It has been used in thousands of cases of colds and grippe, always with success.

The preparation comes in capsule form. It's easy to take that way and the drugs act more quickly.
