PRINCE GEORGE

At a meeting of the Great War Veterans' Association held here on Tuesday night, the work of the Soldiers' Settlement Board was severely scored. A resolution was passed asking that the board actually assist soldier settlers or go out of business. This resolution will be forwarded to the chairman of the board at Ottawa. It is claimed that the present policy of the board makes the securing of land in the Port George district almost prohibitive.

G. M. Bower is to represent the local branch of the Great War Veterans' Association at the provincial convention to be held in Chilliwack on June 3 and 4.

George E. McLaughlin, of the Northern Lumber Co., has arrived from Victoria and is going to his mill at Willow River to look into the situation for the season.

The sidewalk gangs are busy repairing and extending the city sidewalks. Many improvements in various parts of the city are being pushed forward.

One Great Essential To a Woman's Health Is Her Nerves

Nature intended women to be strong, healthy and happy as the day is long, instead of being sick and wretched. But how can any woman be healthy and happy when the whole nervous system is unstrung. The trouble is they pay more attention to their social and household duties than they do to their health. It is a wonder then that they become irritable and nervous, have hot flushes, faint and dizzy spells, smothering and sinking spells, become weak and nervous, and everything in life becomes dark and gloomy.

Milburn's Heart and Nerve Pills are the very remedy that nervous, tired-out, weary women need to restore them to the blessings of good health.

Mrs. P. H. Ryan, Sand Point, N. S., writes: "I have been a great sufferer from nerve troubles. I was so weak and nervous I could not sleep at night and my appetite was very poor. I could not walk across the floor without trembling. I had hot flushes and fainting spells. When I was on my second box of Milburn's Heart and Nerve Pills I began to feel better and kept on until I had used six boxes when I felt like a different person. I am never without them in the house and recommend them to all who suffer with their nerves."

Price 50c. a box at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont. ADV.

FRENCH LOSSES ON RAILWAYS

Large Deficits on All Lines of Business Handled by Government

PARIS, May 21.—Charges that the French government usually suffers a loss in its business ventures were made in recent debates in Parliament. It was asserted that the government's operation of the state railroad, post-office, telephone and telegraph lines, the gasoline monopoly and its sale of American and French supplies left over from the war, were all unbusinesslike and the cause of heavy balances on the wrong side of the ledger.

The State Railroad's estimated deficit for 1921 is given in the budget as the equivalent of \$59,450,000. "Every time the state railway received 100 francs," says the Senate Public Works Commission, "the taxpayer must take 57 francs out of his pocket to balance the railroad's accounts."

Operation of posts, telegraphs and telephones, calls, in the budget, for a deficit of about \$11,402,000.

Government trade in gasoline—a monopoly held over from the war—was said in the Chamber, has been costing the state \$1,123,000 monthly. The government has in hand, eight months' supply, bought on a higher market and worth now on the world's market, according to oil experts, about \$450,000,000 less than it cost.

Twenty thousand employees of the posts, telegraphs and telephones, according to a Senate commission's report, were ordered discharged after the war, at the insistent suggestion of parliament, in order to give their old places to war veterans. The government, the report continues, gave them from 400 to 600 francs each, when discharging them as temporary employees and then, according to an imaginative conversation recorded in the Senate by Senator Pellissier, the government said to the employees:

"What would you say if we were to keep you, beginning tomorrow, as substitute workers. You will get the same wages. Do you accept?"

"Yes," replied the discharged employee, "but must we give back the bonus?"

"Oh, no," answered the government. "That would not be generous. You have the bonus. Keep it. You are discharged, but remain with us."
