BOILS SO BAD HAD TO GIVE UP WORK

From the days of Job, up to the present time, boils have been one of the afflictions of the human race.
All the poulticing and lancing you may do will not prevent them from breaking out again.
Boils are simply caused by the bad blood circulating out; and the bad blood must be made pure before the boils will disappear.
Burdock Blood Bitters, which has been on the market for over forty years, is well known as the greatest blood medicine procurable.
It purifies the blood by removing every particle of foul matter from the system, and when this is done the boils vanish, and you should never be troubled again.
Mr. James Fane, Newport Island, Que., writes: "I was troubled with boils on my back and neck, so bad that I was obliged to give up work. I tried several remedies, but got no relief. Finally I went to a doctor, and he treated me for several weeks, and all without benefit. At last a friend told me of Burdock blood bitters, so I decided to give it a trial. I got three bottles, but before I had taken two the boils were all gone. It is eight months now, and I have had no return of the old trouble, and have never felt so well."

Pyorrhea and the Remedy

Pyorrhea, like anything else, cannot be overcome without the removal of the cause. Mouth washes, tooth brushes, etc., are all of no avail unless the cause be removed. Those troubled by this disease should see their dentist and have all deposits removed; ill-fitting fillings extracted and the mouth put into a sweet and wholesome condition by scientific methods. This will (if the disease has not progressed too far) eliminate all vestige of pyorrhea.

The Canadian Fish & Cold Storage Co.'s boat W. R. Lord returned to port yesterday afternoon at 5 o'clock after a fruitless search on the west coast of the Queen Charlotte for the missing fishing boat Nollad. Warden Bailey of the city police force was in a reminiscent mood this morning for it was thirteen years ago today since he arrived in Prince Rupert, which then boasted little more than half a dozen tents. The first person he met here was Lionel Grippen, who was assistant to Chief Vickers in the provincial police office. Warden Bailey took out the first permit for a building on the G. T. P. reserve which he still has by him. 1f
