## HOW RAILWAYS FINANCE THEIR ROLLING STOCK

Interesting Lesson in Borrowing Shown from Grand Trunk Operations

OTTAWA, Mar. 16.—An interesting sidelight on the manner in which railways finance their rolling stock came up in the House when Finance Minister Sir Henry Drayton in answering a series of questions asked by A. B. McMaster said during the fiscal year 1920-21 the Grand Trunk Railway borrowed \$12,000,000 on equipment trust certificates. The certificates were not guaranteed by the Government. They were issued by the authority of the Government, but the Government was in no way responsible, as they were a mortgage on the rolling stock purchased. They were sold at 91.65 and realized \$10,998,000 in New York funds. Interest and principal were payable in New York.

On October 1, 1920, Sir Henry went on, the Government guaranteed Grand Trunk Railway bonds to the extent of \$25,000,000. The bonds were sold at 91.65 and realized \$23,595,205 in New York funds.

On May 1, 1920, the Canadian

Failure to make improvements or record same will operate as forfeiture. Title cannot be obtained in less than 5 years, and improvements of at least 5 acres are required.

Pre-emptor holding Crown grant may record another pre-emption, if he requires land in conjunction with his farm, without actual occupation, provided satisfactory improvements made and residence maintained on Crown granted land.

Unsurveyed areas, not exceeding 20 acres, may be leased as homesteads; title to be obtained after fulfilling residential and improvement conditions.

For grazing and industrial purposes areas exceeding 40 acres may be leased by one person or company.

Mill, factory or industrial sites on timber land not exceeding 100 acres may be purchased; conditions include payment of stumpage.

Natural hay meadows inaccessible by existing roads may be purchased conditional upon construction of a road to them. Rebate of one-half of cost of road, not exceeding half of purchase price, is made.

The time within which the heirs or devisees of a deceased pre-emptor may apply for title under this Act is extended from for one year from the death of such person, as formerly, until one year after the conclusion of the great war. This privilege is also made retroactive.

## SHORT OF BREATH Could Hardly Walk Without Resting.

When you go to a physician to be examined for any heart trouble one of the first questions he asks is: "Are you short of breath?"

Now, when the heart becomes affected there ensues a feeling of a choking sensation, a shortness of breath, palpitation, throbbing, irregular beating, smothering sensation, dizziness and a weak, sinking, all-gone feeling of oppression and anxiety.

On the first sign of the heart becoming weakened or the nerves unstrung, Mr. Stephen George, East Clifford, N. S., writes:—"I suffered for five years with heart trouble. I could hardly walk from the house to the barn without resting as I used to get so short of breath. Doctors could not help me. My wife told me to get a box of Milburn's Heart and Nerve Pills and I felt better after taking them; three boxes made me quite well. I am now helping my son to work on the farm, and can truthfully say I feel like a different man."

Price 50c, a box at all dealers or mailed direct on receipt of price by The T. S. Milburn Co., Limited, Toronto, Ont. Advt.

National Rolling Stock Company, a subsidiary of the Canadian Northern Railway, issued certificates to the amount of \$15,000,000. The certificates were not guaranteed by the Government, as they were a direct charge on the rolling stock. The certificates were sold at 95 and realized \$14,250,000 in New York funds, or \$14,233,434 net after deducting \$16,569 in expenses.

CONSTANTINOPLE, Mar. 16.—Russians of noble blood and high rank are fighting the wolf from the doorstep in the uniforms of porters and messengers in Constantinople, centre of the crumpled Empire's refugees. Some are small shopkeepers and many who knew court life in Petrograd are waiters and waitresses.

Wrangel's remnant of an army is disintegrating and many commanders are drifting into the city.
