**FARRINGTON IS LEADING IN LADIES' FASTBALL BATTERS**

Official averages for the Ladies' Fastball League as at date have been compiled. Only those who have played four or more games and who have an average of .200 or better are listed.

The two leading batters are from the young High School team—Farrington with .428 having a big lead with Beth Sedgwick following with a .395 batting record. One other notable fact is that the two leading pitchers are also high up in the batting averages. Betty Hamilton, the Moose pitching star has a .350 batting average.

struck out none and no runs were scored off his offerings. Lindsay allowed nine hits, gave up no walks, struck out three and five runs came in off his pitching.

Notable features in the fielding were four catches by Lambie in centre field, and five put-outs and five assists by third baseman Bob Smith, even though he was charged with two errors. R. Stewart at second base for the storemen had seven put-outs and two assists. Harold Duncan at third base was credited with six assists and one put-out but was debited with two errors. A bunt on the third strike that went foul retired Kneale.

Alex Bill did a good job of umpire behind the plate and Boyo Gurvich took care of the bases even if Bill Lambie did not like being called out for an alleged "lead-off."
