JAPAN REVISES BANKING LAWS

Commissioner Plans Survey of Other Nations' Methods.

TOKYO, July 22.—Revision of the banking laws and other laws regulating finance in Japan is to be undertaken following a prolonged period of investigation and study by a commission appointed by the government for this purpose. It is possible that the results of the investigation will lead to a drastic revision of the existing system of official and semi-official banks as well.

The commission, which is headed by Administrative Vice-Minister of Finance Den, will study the monetary systems of other nations with the view of obtaining ideas that will be practical and beneficial in Japan.

There is need for improvement in the laws regulating finance in Japan, according to Mr. Den. Existing regulations, which were made as the occasion required, are not adequate to the needs of the country and must be amended, improved and codified, he says. He believes this to be a matter of urgent importance for Japan at this time when the nation's economics and finances are proceeding gradually toward rehabilitation and the industrial development of the Empire is outgrowing its garments of former years.

No Boiling — No Rubbing
Just Rinse with Rinso

A package of Rinso is a package of miniature soap bubbles.

You simply dissolve for 25 seconds the tiny bubbles in hot water, soak the clothes a couple of hours, or overnight, rinse them well in clean water and—that's all.

Result—clean, sweet-smelling clothes, hours of time saved and the hand work changed to just rinsing.

Rinso dissolves the dirt, you rinse it out.

You will never know how easy it is to do the washing until you've used Rinso, the greatest time and labour saver the housewife has ever known.

CUP IS OFFERED FOR BEST LADY SWIMMER

Dr. R. E. Eyolfson Donor of Trophy That is Being Put up

Dr. R. E. Eyolfson, the local chiropractor, has donated a silver cup to the Prince Rupert Swimming Club, to be put up in annual competition for the best lady swimmer in a 50 yard race. The cup must be won three times in succession by the same competitor before it can be retained.

The cup stands some 8 or 10 inches in height and is a splendid looking trophy. It may be seen in the window of R. W. Cameron's jewellery store.

Capt. A. Swanson, president of the Swimming Club, stated yesterday that the club would put on aquatic races at the Salt Lakes some time during the coming month.

BEER PARLORS' END IN SIGHT

So Says Provincial Prohibition Organizer in Speaking of New Westminster Plebiscite.

VANCOUVER, July 22. — "It really means the beginning of the end," said Rev. R. J. McIntyre, provincial organizer of the British Columbia Prohibition Association, in commenting on the result of the plebiscite in New Westminster when the beer parlor proposal was rejected.

"The wets selected a time for the plebiscite when it was hot and when many people were away from the city and sprang the vote upon us in a hurry. Under those circumstances, our victory is all the more gratifying. We feel that we could do the same thing anywhere in the province if we selected the time. We hope to select the date, or somewhere near the date, for a vote on the same question in Vancouver."

"Bluebeard's Seven Wives"

A romedy-drama brimful of laughs. The photoplay that proves wifely affection multiplied by seven becomes strife and affliction. Some Sheik. It got so that when a girl looked into his eyes she wanted to swap her apartment for a tent, trade the Packard for a camel and try housekeeping on the Sahara. When a husband divorced his wife in Turkey he threw her through a window, but there were no windows in Bluebeard's house—only wives and more wives, woe and wailing. Come and get some real laughs. Strong cast.
