MAPLE LEAFS ARE CHAMPIONS

CLINCHED CITY TITLE BY AGAIN BEATING ADANACS LAST NIGHT—ELKS AND COLTS WON GAMES

Colts 16, Tuxis Boys 14.
Adanacs 10, Maple Leafs 20.
Grand Terminals 30, Elks 31.

The basketball games played last evening were all well contested and, in the Junior League game, it was necessary to play five minutes overtime to decide the winner as the score when the final whistle blew stood at 14 all. Owing to the boat arriving at the elevator, the players from the grain plant were called upon to work overtime and were consequently unable to field a team. The game was accordingly called off in the meantime.

The Elks and Grand Terminals game ended with only one point separating the teams. The ladies' game was fast and interesting and the score hardly indicates the play as at all times the Adanacs showed themselves serious contenders. Their shooting was, however, not as accurate as their opponents and this largely accounted for the difference in the score in favor of the Maple Leafs who have now clinched the ladies' championship.

The individual scoring was as follows:

JUNIOR LEAGUE

Colts—H. McDonald (9), C. Ratchford (7), J. Scott, R. Irvine, G. Viereck. Total, 16.

SPORT CHAT

The basketball executive has received word from Ketchikan that they will send a senior team here to compete for honors with a local aggregation on February 7 and 8. It is considered probable that the invitation to send a team to Ketchikan for a series of return games will be accepted and the association will accept the invitation as soon as arrangements can be completed. Tonight, the executive will hold a meeting to select the players which will represent Prince Rupert in the two games which will be played here in the Exhibition building.

BRINGING UP FATHER

By George McManus

PROVISIONS OF FISHING FLEET ACCOMMODATION AND FACILITIES BEING URGED UPON GOVERNMENT.

(continued from page one)

Elliott, Minister of Public Works, asking whether any amount had been placed in the estimates for the construction of the floats this year. He had received a reply that nothing had as yet been considered but co-operation was promised. Mr. Brady then read extensively as to the representations which had been made to the Hon. Dr. King, former Minister of Public Works, by Fred Stork and the proposition which had been submitted to the Provincial Government by the solicitor for the C.N.R. He said that it seemed imperative that the city express its willingness to have Cow Bay closed so that the location might be available for the construction of the floats. Mayor Newton referred in answer to the resolution passed by the city council in December of 1925 in which the city had expressed its willingness to have this done.

BLAMES CITY

G. W. Nickerson speaking concerning the matter was inclined to blame the city for the delay in not having the transfer made in connection with the property. He considered that it was not enough for the city to pass a resolution on the subject, but thought it ought to go ahead with a provision in the agreement that, if the Dominion Government did not proceed with the construction of floats in a certain specified time, then the waterfront land would revert to the city. He blamed the city council for the delay in not carrying out the wishes of the people as expressed in the plebiscite which favored the closing of Cow Bay.

Mayor Newton considered that the letter of the city council addressed to the Hon. T. D. Pattullo in December of 1925 showed the city's attitude quite clearly.

Alderman Larsen, chairman of the fisheries committee of the city council, spoke in defense of the actions of the council in the matter and considered that the provincial government were fully aware of the intentions of the city. At the meeting in which the matter had been discussed the deputy-minister of lands had been present and the dominion government engineer as well. He did not favor making a conveyance and the city giving up its rights in Cow Bay without provision for the necessary improvements. The matter was non-political and the fishermen needed the unanimous support of the citizens in pressing the matter as a great deal of damage had been occasioned the fleet during the recent storm and he felt that the boats would not make this their head port if shelter were not provided.

David Ritchie, president of the Halibut Boat Owners' Association, spoke of the amount of money invested in the fishing fleet. He had found from the registry that there were 85 Canadian halibut boats operating out of the port, 170 salmon trollers, and 45 fish packers and craft of different descriptions. Valuing this fleet at a very conservative estimate, meant that there was close to a million dollars invested. In addition there were 138 American boats which called here during the year for the purpose of selling their fish. They were larger boats and cost more money. He found that a breakwater which had been planned for Cow Bay would cost about $32,000 and he considered something should be done to secure at least this appropriation.

G. W. Nickerson moved "that the city council be requested by this meeting to notify the provincial government that the city herby relinquish its riparian rights in Cow Bay in consideration of 400 feet of waterfrontage east of the Georgetown lease and that it be asked to do so forthwith." The resolution was seconded by W. O. Fulton and carried.

Mr. Fulton referred to the continued delay in the matter and moved that the meeting endorse the construction of the floats for which plans had been drawn sometime ago by the dominion government engineer and that a copy of the resolution be given to Mr. Brady. Later the motion was amended, on motion of H. B. Rochester and G. W. Johnstone, to the effect that the resolution be addressed to Mr. Brady and that a copy of the resolution be sent to Hon. J. C. Elliott, Minister of Public Works and to Hon. Dr. J. H. King, member of the government from the province.

WINTER SHELTER

The question of providing for the boats for the winter season was also considered by the gathering and, after some discussion, the matter was dropped. David Ritchie considered that, if accommodation could be secured at Seal Cove for the boats at an expenditure of about $3,000 that it should be considered. Other speakers favored delay until something was accomplished in regard to the Cow Bay floats. G. W. Nickerson thought that nothing could be provided in the way of shelter with out a much larger expenditure.

J. C. Brady, M.P., thought the information given the meeting by David Ritchie was important and should be forwarded to Ottawa for the information of the various officials who would be considering the question.

Other speakers taking part in the discussion were Robert Hanna, Geo. G. Bushby, J. M. Morrison, and Geo. W. Johnstone.

Those present at the meeting included J. W. McKinley, F. W. Hart, Alex McDonald, Alex McRae, Capt. J. M. Morrison, Robert Hannah, Elnar Larsen, Geo. Anderson, F. Derry, R. Savie, W. O. Fulton, P. H. Linney, T. Trotter, H. B. Rochester, F. E. Robertson, G. W. Nickerson, N. A. Watt, John Bulger, David Ritchie, L. M. Fuller, Geo. G. Bushby, Alderman Larson, Mayor S. L. Newton, J. C. Brady, M.P., S. J. Aird, Puck Flint, E. F. Jones, Geo. W. Johnstone, J. McLeod, and Harry Selig.

The different public bodies which had been requested to send delegations to the meeting included the Board of Trade, The Trades and Labor Council, The Retail Merchants Association, The Ratepayers' Association, The Halibut Boat Owners' Association, The Deep Sea Fishermen's Union, The Canadian Legion, The Prince Rupert Rowing and Yacht Club, The Liberal Association, The Conservative Association, The Rotary Club and The Gyro Club.

W. W. Wright acted as secretary for the meeting.

Large, Red Pimples Covered Her Face

Miss Mable Moore, Blenheim, Ont., writes:—"A short while ago my face was covered with large, red pimples. I tried several remedies, but all failed. At last a friend advised me to take

BURDOCK BLOOD BITTERS

and I took three bottles. I will never regret the day I did this as my face is entirely cleared up.

My mother has taken B.B.B. for headaches, and she hasn't had the least sign of a headache for a long time."

This valuable remedy has been on the market for the past 48 years; put up only by The T. Milburn Co., Limited, Toronto, Ont.

CURIOSITY.

Daddy took Billy out riding the first time he tried his new car. He lost control of it and crashed into a bunch of trees, almost upsetting the car.

Daddy asked: "Did I stop too sudden, Billy?"

"No, Daddy, but how do you stop the car when there aren't any trees?"

SOME CONSOLATION

Husband: "Do you believe in the theory that the greatness of a father often proves a stumbling block to the advancement of his son?"

Wife: "I do. But I am thankful, John, that our boy will never be handicapped in that way."
