PRELIMS

Defeated Seniors 4 to 3 in High had an easy win over Philadelphia School Soccer

Yesterday at the Acropolis

grounds, the Preliminary Class defeated the Seniors in a hard-fought High School League soccer match by a score of four to three. An excellent brand of football was played, both teams being well served by every one of their members At the outset the Seniors pressed hard. Their forward line did not attempt good combination plays but every members of the line was so aggressive that they swept right in on the Grade nine goal like a swarm of angry hornets. Thomas scored. The Prelims came right back their forward line holding position much better and showing excellent combination in vital part-notably Erickson. A

which the half-back line took a well deserved score resulted from a pass from Church to Cross who pressed so fiercly that the Senio: back in attempting to clear drove the ball into his own goal. This first half witnessed some fine heading of the ball on the part of Thurber and Blake. The Senior backs, Unger and Bussanich, played an aggressive game, coming forward to meet the ball. Wing forwards Ross and McMeekin were good, the latter notably for his

excellent corner kicks.

The second half opened with another Senior rush wherein Kahaya, Clark, and Thomas, backed TEAMS TIED by Thurber, bored through to a score by Clark from a very difficult angle. Again the Grade nine evened quickly. Half-backs Miller and Erickson were sending well Shoot-Off to be Held Between C placed kicks to their forwards. Wells was particularly notable for his improved form and distance in kicking. Hill received a pass and sent it on to Cross who scored. The Seniors were determined to go through again but Davis, Blake. and Suehiro proved a stone wall defence, Church and Blake were quick in clearing the ball from the danger area in front of their goal. These back players were playing well forward to meet the ball which was the secret of their

strong defence. With such strong backing, the forwards were able to play good combination. Marshall and Fisher Goalte Stinech had not a chance average of 97.6. to stop either of their goals because his fulbacks were backing in on the goal rather than rushing FOOTBALL forward to meet the ball. The Sen- FOOTBALL ior forward line, ably assisted by Rice, Thurber, and Hanson, now pressed furiously and the latter scored. The Prelims wisely continued an offensive game for the last few minutes left and thereby maintained their lead of one goal. Had they attempted a purely defensive game the Seniors who were now playing in a determined fashion would have evened.
