WHY NOT MINES HERE?

Since the time when John Houston established his newspaper on a mining claim in the heart of Prince Rupert, people have not looked seriously on any attempt to look for ore in this neighborhood, the idea being prevalent that this district was outside the mineralized zone. Now it is forcibly brought to attention that there is ore close to the Swooping down from Washington city and finds are being reported in various directions.

Any one wishing to be convinced can see samples of the Mount Morse ore in the Daily News office. It certainly life was caused, disrupted communicarries a lot of mineral and has all the appearance of containing what the owners of the claim state, that is zinc, lead, copper, silver and gold.

Possibly there are other undiscovered mines right on great fire hazard.

Kaien Island which may develop into valuable properties and make their owners rich over night. Just across on Porcher Island ore is being shipped to the smelter at Anyox and a good road has been built to the property. If the ore is there and on Mount Morse and in the mountains 500 around Denis Arm, why not anywhere around here. It wash. 50 might pay for careful prospecting.

CANADA OUR COUNTRY

Some people who live in Canada, making their homes here and having all their interests here, still fail to consider themselves Canadians. They think of themselves as conditions can Now be Judged for Thursday, April 23, 1931 English, Scottish, American, Norwegian, Swedish, Italian

If Canada is good enough in which to live and make homes, we should be proud to call ourselves citizens of the So far the Bennett government feels itself quite secure country and on occasion to express ourselves openly as in office with the support of a good majority in the House Canadians.
