TOO HIGH A PRICE

Yesterday we expressed the opinion that British Co-holiday bound, with money to lumbia was paying too high a price for the money it is bor- ties, San Francisco, Seattle and rowing. Today we learn that Prince Rupert people who portland are using national adverwished to invest could not get any of the bonds but that tising extolling their respective atthey had all been taken up by brokers who were now offer- tractions and inviting these straning them at a higher price. They are speculating with the gers to visit them en route to or people's securities and already making a substantial pro-

The profits, if any, on a loan of this kind should have tractions unequalled on this congone to the people. To hand out the bonds at a given price tinent's; with hotel accommowithout asking for competitive bids is a Tolmie policy dation and facilities unsurpassed that is not meeting with popular approval.

NO MORE GLORIOUS VICTORIES

Until recent years it has been a habit to speak of "glor- purchasing value here by nearly 15 ious victories" when thousands of men were killed who had per cent; with beer, wines and lino personal quarrel with those against whom they fought. tent to sit silent with an air of They were induced to fight because the men in charge of smug complacency, too indifferent their national affairs said it was their duty to do so. Today or too tired, or perhaps just too many people are refusing to see anything glorious about downright lazy, to make any effort this wholesale slaughter and they look with contempt on the men who do the slaving.

OPENING UP COAL AND OIL

The Tolmie Government has announced through the lieutenant-governor at the opening of the house that it will introduce a new policy for encouraging prospecting unemployed still waiting Slides Delay in coal and oil in the province. This is welcome news. If the policy is one that has any likelihood of proving effective it Editor, Daily News:will be generally welcomed. We need to encourage those who will cause the utilization of our untouched resources and in the usual style, an answer and we feel sure the people will back the government in Committee of the Unemployed Asany reasonable policy for doing this. We shall look for- sociation, of this city, to a letter ward with interest to the new policy.

Dr. Wood's Laid Up For A Month With Bronchitis

Miss Agnes Parr, Cheverie, N.S., writes:—"I was laid up for a month with bronchitis, and found it very hard to get any relief.

I was told about Dr. Wood's Norway Pine Syrup, went to our dealer's and bought a bottle. I had only taken part of it when the bronchitis left me, and I would be very glad to recommend 'Dr. Wood's' to everyone, as I found it to be a great remedy."

TOURIST INDUSTRY

Editor, Daily News:-British Columbia is known the world over as a producer of gold. It is one of our valuable industries, 10c and during the last eight years lode and placer gold was produced to 3.00 the value of \$32,500,000.

But have you paused to consider By mail to all other countries, per year ______ 9.00 many times more valuable than the gold industry? Do you realize that tourists spent more money in this .02 province last year than the value of all the gold produced in the pro-.15 vince in the last eight years?

Travel agencies state that citizens of the United States are curtailing their visits abroad to a marked degree, and that the slogan "See America First" is at last having very definite results.

This summer the Olympic Games will be held at Los Angeles, and many hundreds of thousands of additional visitors will consequently be attracted to the Pacific Coast, from the Pacific Coast.
