"I Do Not Think Their Equal Can Be Found For Children"

"I have BABY'S OWN TABLETS in the house continually—I would not be without them. I have given them to each of my four children from earliest infancy. One of the reasons why I value BABY'S OWN TABLETS so highly is because they can be given with perfect safety to even the youngest infant. I have recommended them to dozens of Mothers. For children's ailments I do not think their equal can be found." So writes Mrs. Douglas Blackadar, Hebron, N.S.—and many other Mothers relate similar experiences in treating their children.

BABY'S OWN TABLETS are recommended by grateful Mothers for teething fevers, colds, colic, constipation, disordered digestion and sleeplessness. The Tablets are inexpensive, easy to take and thoroughly reliable. And they are absolutely SAFE for even the youngest or most delicate child. See certificate of analysis in each 25-cent package. 11-E

S. Morrison of the engineering department of the Canadian National Railways was a passenger on the Prince George arriving this morning from Vancouver.

The school budget for the month of March totalling $6,134.33, including $609.31 in accounts and 5,525.02 in salaries, was passed for payment at last night's regular monthly meeting of the board of school trustees.

The school board was informed at its meeting last night that Miss E. White, domestic science instructress, had recently deposited with the city treasurer a sum of $8.10, being the proceeds of a tea and sale held last September by the home economics department. The amount will be credited to the schools account.

Bringing north a fair-sized list of passengers, C.N.R. steamer Prince George, Capt. H. E. Nedden, arrived in port at 10 o'clock this morning from Vancouver, Powell River and Ocean Falls and, sails this afternoon for Anyox and Stewart. This is the Prince George's first voyage on spring schedule after having been tied up for the winter at the local dry dock where she underwent annual overhaul She replaces the steamer Prince Rupert which is receiving annual overhaul at Vancouver.

It was announced at yesterday's luncheon of the Prince Rupert Gyro Club that G. G. McGeer K. C., prominent Vancouver barrister and authority on economic problems, had accepted an invitation to address the club in the course of an impending northern tour. The club received reports from Sam Jabour with respect to the recent campaign to collect books for the Prince Rupert Public Library and from Dr. L. W. Kergin in regard to the proposed trail up Mount Oldfield. Past President William Cruickshank occupied the chair in the absence of President T. W. Brown.

The board of school trustees, at its meeting last night, instructed the secretary to reply to a mother who had written to the board asking that she be permitted to keep her fourteen-old daughter home from school to assist with the housework while she (the mother) was ill that the board had no authority under the School Act to grant such permission, the Act requiring that it was compulsory for children between the ages of six and sixteen to attend school. The mother further advised the board that the girl's father was out of work and it would be impossible, anyway, to supply her with books next term.

Mrs. A. Ness returned home on the Prince George this morning fro ma trip to Vancouver.

Mr. and Mrs. James Lamb of Cassiar cannery arrived in the city on the Prince George this morning enroute to Cassiar after spending the winter in the south.

A. J. Phillipson, well known local fur dealer, who has been a patient in the Prince Rupert General Hospital for some time, was operated upon this morning for the removal of a toe.

Miss Shirley McEwen arrived in the city on the Prince George this morning to spend the Easter holidays with her parents, Mr. and Mrs. H. McEwen. She is attending school in Vancouver.

Miss S. A. Mills, principal of Borden Street School, in her monthly report at last night's meeting of the school borad, referred to a persistent case of truancy at her school in connection with which no satisfaction could be obtained from the parents. The board decided to communicate with the chief of police requesting that some "real action" be taken in connection with the case.

An offer of Watts' Grocery to supply thirty gallons of Imperial Oil floor oil, the regular price of which is 50c. per gallon, to the schools at $12.90 for the lot was accepted by the school board at its meeting last night. The secretary was authorized to purchase to the best advantage a small quantity of sundries which are required by the janitors and for use in the schools generally between now and the end of the term.
