APPLE CHUTNEY

Put them through the chopper

Soak 2 lbs. of white onions in brine overnight. Drain them and put through the food chopper. Pare 4 lbs. of sour apples and put them through the food chopper. Mix 2 lbs. seedless raisins with the apples, pour 1 pint of cider vinegar over them and let stand overnight. Add the onions and 1 head of celery, 4 large red peppers, 1½ lbs. of sugar, 2 tablespoons Colman's Mustard, 2 teaspoons salt, 1 teaspoon tumeric and 3 pints cider vinegar. Cook until the vegetables are clear and tender. Seal in sterilized bottles or jars.

Now you have pickles to delight the palate. And that subtle, appetizing tang is traceable to the mustard you've used. Nothing like Colman's for giving pickles distinctive, delightful flavour. Don't forget to include it whatever you do.

Correction on INDIAN PICKLE RECIPE

which appeared in a recent issue of this paper. In this advertisement the recipe called for ground "white" spice. This should have read ground "mixed" spice. The correct recipe for this very tempting pickle is given herewith:—

Select nine medium sized onions, peel them and take 2 dozen ripe tomatoes, 6 large apples, ¼ lb. ground mixed spice, 1 qt. vinegar, 1 lb. raisins and salt to taste. Having boiled them all together for 1½ hours, strain them and add 1 lb. brown sugar, ¼ cup of Colman's Mustard and 1 teaspoon of cayenne pepper. Now boil the entire mixture for ½ hour and your Indian Pickles are ready for bottling.
