FILMS ARE ENJOYABLE

Large Attendance at Display of Old Country Scenes in Moving Pictures

As a feature of a congregational get-together in the church hall of First Presbyterian Church last evening several reels of new and interesting moving pictures depicting scenes in England, Ireland and Scotland were exhibited by William Cruickshank, city ticket agent for the Canadian National Railways. There were views of London, Glasgow, Edinburgh, the Burns country, the Highlands of Scotland, the Thames Valley, Yorkshire, the Lakes District as well as other points of interest. Some scenes of Bermuda and the West Indies also proved acceptable.

Mr. Cruickshank, who was assisted by W. M. Blackstock, was extended a vote of thanks by Rev. W. D. Grant Hollingworth and, following the film display, refreshments were served by the Ladies' Aid during an enjoyable social hour. The attendance was large.
