Too Much "Party" Last Night

YET—*This Morning No "Acid Headache"—No Upset Stomach*

Scientists say this is the QUICKEST, SUREST and EASIEST way to combat FEELING THE EFFECTS of over-indulgence—the most powerful acid neutralizer known to science. *Just do this:*

TAKE—2 tablespoonfuls of Phillips' Milk of Magnesia in a glass of water BEFORE bed. In the morning take 2 more tablespoonfuls with the juice of a WHOLE ORANGE. That's all! You'll feel great!

Or take the equivalent amount of Phillips' Milk of Magnesia tablets. Each tablet is equal to a teaspoonful of the liquid.

Get genuine Phillips' Milk of Magnesia in the familiar liquid form, or the new, marvelously convenient tablets. Be sure it's PHILLIPS' . . . the kind doctors endorse.

UNEMPLOYED IN SESSION

Various Matters Taken Up At Meeting of Local Council Last Night

The regular weekly meeting of the Unemployed Councils held in the Canadian Labor Defence League Hall last night was well attended.

A committee was appointed to inquire into the cause of the death of a native youth recently.

The loggers' strike committee reported that a sum of $59.42 had been collected in Prince Rupert and vicinity and turned over to the Workers' International Relief for relief purposes. This committee was ordered to carry on until the strike was over.

The grievance committee will call on the City Commissioner regarding the non-payment of the extra relief granted for children.

It was also decided that clothing for unemployed and families is a matter requiring attention and the secretary was instructed to take this up with the proper authorities.

A. R. McIver presided.
